You - between two Worlds

Part 1

This booklet contains a selection of Divine Revelations, received through the Inner Word by Bertha Dudde as promised by John 14.21: ``Whoever has My commands and obeys them, he is the one who loves Me. He who loves Me will be loved by My Father, and I too will love him and show Myself to him."

Not inclination but love determines the will

It is left up to all of you in which direction you turn your will, even though you are indeed advised by My Word what end result you will achieve by any direction of will. Yet My Word does not force you either, since you can also accept or reject it again depending on your mentality and your love. For love determines your will You will always love whatever it is you strive for, irrespective of whether it is good or bad; your desire is directed towards it, and this is how your will is good or bad. You will always feel love for what you desire, but whether this love is rightly or wrongly directed is determined by your spiritual development. Now you can certainly raise the objection that love has been placed into the human being, that even love for evil arises from the heart and that the human being is thus a victim of dormant cravings within himself. And up to a point this objection is justified that all instincts and cravings which during the individual preliminary stages in the law of compulsion had not yet been overcome are latent in the human being, that the human being therefore brings them into his earthly life in order to then defeat and completely discard them. These characteristics are thus present in the human being and therefore also arouse the cravings. They want fulfilment and often become so powerful in a person that they completely control him. The fight against such cravings is often difficult, but this is why I endowed the human being with intellect, so that he can think about his feelings in order to take appropriate action against them.

It is wrong to say that the human being **must** act in accordance with his inclination admittedly, if he had been created without intellect and felt instinctively impelled. But since he is offered ample opportunity in earthly life to acquire knowledge, since he has a guiding principle in My commandments of love, since he has a still, small voice within himself which admonishes and warns him, which always draws his attention to My will, and since he is now able to think about everything, it is solely up to

his will to wage battle against himself when necessary, when his cravings resist what he, according to his inner realisation, should do The fact that he is unable to do so is not applicable, for a sincere will also guarantees him a gift of strength, nevertheless, a weak will is unsuccessful And only one thing is necessary again in order to strengthen a weak will faith in Jesus Christ It is true that especially people who are still badly afflicted by characteristics from their preliminary stages don't believe in Jesus Christ, however, by merely rationally thinking about it they already express their will to ascertain the truth, and they will be helped to find a correct solution However, where the question about Jesus Christ is unhesitatingly dismissed, where no effort is made to find an answer, that is where the will is obviously turned downwards, and that is where the human being indeed falls prey to the forces from below, yet it is his own will and not the fault of his inclination. For the human being can direct his will in both directions or one could not speak of free will. And every person can and should sooner or later question his task in earthly life This is why he was given his intellect

Matter

Loss of earthly possessions

Free will

Everything you call your own on earth can be taken away from you if it is My will, and you cannot protect yourselves from it but have to accept it. But I constantly draw your attention to the fact that you should not grow too fond of earthly possessions because they do not last long. However, you can secure for yourselves spiritual riches which cannot be taken away from you and which you can constantly increase, particularly at the time of great adversity which will come upon you. Then you will be able to hand them out and those who allow themselves to be given treasures from the spiritual kingdom will receive many blessings. For they will help you attain eternal life Earthly goods cannot stop you from dying, but spiritual goods can indeed prevent your spiritual death. All worldly things will be

ruined and you humans are likewise at risk of having to relinquish your physical life; then all your possessions will be worthless. If, however, you keep your life then you will be differently minded, for then you will realise the truth of My Word which constantly alerted you to this adversity. I know who will be affected by it through My will. Nevertheless, My intention is not to harm you but only to benefit your soul. I know where every person is still vulnerable and I have to inflict painful wounds on him which kill his desire for matter, which cure him from the blight of this world. Many will indeed regard it as a cruel and harsh fate, yet one day they, too, will know better and thank Me for forcefully intervening in their lives which otherwise would have continued without achievement for the soul.

I see how humanity becomes increasingly more immersed in matter, how it only works and creates in order to add to it, oblivious to the near end. It is a completely pointless waste of strength, for very shortly everything will disappear before your eyes which you humans so greedily desire And you let day after day go by without acquiring goods for your soul, day after day you turn your eyes to the world and don't consider your soul's fate after death, which is so close to all of you, from an earthly as well as a spiritual point of view. Yet I can only ever warn and admonish you again, but I cannot force you nor can I give you such obvious evidence of the truth I reveal to you that you would change because of fear in order to escape the calamity. You must **want to become blessed of your own accord**, you must spontaneously desire to be united with Me, your Creator and Father of eternity, then you will also voluntarily fulfil My will you will turn selfish love, the love for the world, into unselfish neighbourly love; then you will strive for spiritual values and need not fear the end or the loss of earthly goods, which the coming time of adversity will entail. I know full well what I want to preserve or leave to the individual person, but you don't know it and shall prepare yourselves so that everything will be taken away from you and yet you will keep the everlasting wealth which can never be taken away from you Only attend to these possessions and you will at all times receive My kindness and mercy, My faithful care and Fatherly love, which always gives you what you need; which never leaves you, who want to belong to Me, in adversity This is why you never again have to dread the coming events, for you cannot lose anything anymore because you have

gained everything

Amen

Merciful Fatherly love for the fallen beings

When you have sinned I nevertheless will not withdraw My merciful love from you, instead it will take hold of you firmly so that you will find your way back to Me again, so that you will recognise your wrongdoing and sincerely want to avoid everything that is not right before My eyes. I know your weaknesses, I know the temptations you are subject to due to your imperfection, but I also know your will which applies to Me and which I thus also value and therefore help you lift yourselves up again when you have fallen. And I bless everyone who makes an effort who will not let up in his endeavour despite all temptations, despite failing frequently. Time and again I give him strength because My love for My living creations never stops, which nevertheless belong to Me even when they are sinful. Yet you should fight with all your strength against the one who wants to seduce you you should time and again prove yourselves worthy of My love, you should not reject My love but always and forever request it, you should not want to become sinful and therefore repeatedly commend yourselves to My love and grace, you should appeal to Me for protection against the tempter, you should not exclude Me from your thoughts, your daily work, you should often strengthen yourselves, because you are too weak, with My Word

You should always maintain contact with Me so that I can have an effect on you at all times, and you will become ever more steadfast when you are faced by temptations, which will keep confronting you because the tempter will not slow down fighting for your souls until you have defeated him yourselves through Me, Whom you long for with all your heart and Whose love will not let go of you For as long as you live on earth you will have to wage this battle, because your earthly life is the last opportunity during which the adversary can and will influence you because he does not want to lose you, and only when you become completely free from earthly cravings will the temptations become less But I know every stirring of the heart,

I know who has the will to live a life that pleases Me, I know who is still weak, and yet I must allow My adversary to try to exert his influence on you I have to leave the decision to you, I must not prevent you from doing what displeases Me, but I will never close My ear to the appeal of a child if it wants to be accepted in My Fatherly favour again. I know of your weakness and provide you with strength as often as you request it. Hence you should not be despondent when you have fallen but come to Me repentantly, and My merciful love will never deny itself since it is, after all, always willing to forgive if a child genuinely desires it

The narrow path

I want to dwell in you, I want to reign in your hearts, yet with a love that shall fill you with joy. I want to be inside you This presence of Mine also makes you My children, then I will have come to My Own and they will have accepted Me All My love belongs to you who live on this earth as My living creations, it cares for you and leads you onto paths which, admittedly, are often stony and laborious to walk. I lead you, and yet again I stand at the goal and wait for you. Thus you have My everlasting assistance and no-one can say they have never experienced My help. However, if he does not follow My kind-hearted urging and loving call he will stay behind, and those who follow Me will make considerable progress and they will reach the goal I Myself draw them to My Fatherly heart and lead them into My house the child has found its way home to the Father from Whom it was separated for an infinitely long time due to its own fault It finally has found its way back because it entered the only path that leads to Me the path of love Yet it is not easy to cover this path, it offers no enticements, no feast for the eyes, it is not smooth and cannot be effortlessly walked but has to be scaled step by step because it leads steeply upwards and many obstacles will first have to be removed before it becomes passable But it is passable because a guide constantly walks by your side, supporting and protecting you, providing you with strength when you want to give up. He speaks to you full of love, He takes the burden off you which

you have to carry, He carefully leads you across dangerous cliffs and is your constant companion Thus you are able to reach the goal, proving you have the will to do so But now you are also able to turn your sights to the wide path, and this wide path can easily appear desirable to you, for it is lined by all kinds of joys and pleasures. The loveliest images entice the pilgrim into daring the jump from the narrow, not easily passable path onto the wide beckoning road where many people gather to enjoy worldly delights The temptation is very great and many a person cannot resist it He leaves the laborious path, and he will always receive help in getting onto the wide path For figures are standing everywhere who beckon to him and offer their hand, who rejoice that they can entice the pilgrim away from the narrow path. The wide path, however, will not lead to the same goal it leads downwards, as sure as the narrow path leads to ascent.

This depiction makes it clear to you that the final goal can only be reached through effort, that it takes a certain struggle with oneself and with the difficulties which stand in his way. Thus, the human being can only reach the final goal if he takes it seriously, if he ignores all difficulties, if he only directs his eyes upwards where I beckon to him as a most glorious goal Then I Myself will carry his feet across the obstacles, then he will not see them but keep his bright gaze on Me as I extend My hand for him to hold on to, which lead him to the end of the path But how different is the life of those who walk along other paths How many joys and worldly pleasure can one person show, and how much deprivation, affliction and tribulation the other One person's days are shaped full of variety, whilst the other only sees his and other people's hardship and apart from his own he also carries his fellow human being's burden because he is impelled to do so by love.

Yet the day of reckoning will come sooner or later, and this will turn out to be as the human being wanted it himself and how he demonstrated his desire He who strove spiritually, who did not forget about Me despite all tribulations but tirelessly walked towards Me, will receive spiritual possessions. But those who walked along the wide path will suddenly realise that it ends in the abyss The abyss will welcome all of them, for they constantly walked the path downwards, which certainly started with the best of intentions but they were soon abandoned, because the

temptations dispelled all second thoughts, because sin becomes rife where My adversary is able to influence people's souls. And the wide path has been laid out by him with the objective of ruining people. And thus you humans are enticed by two powers, and you can make your own decision, you can choose yourselves whom you want to strive for. You can become My children, but you can also remain his children

This is the decisions you humans have to take on earth. It is an extremely responsible decision, for it determines your whole eternity. This is why each of the two ruling powers sends out his messengers. There will be no-one walking the wide path who will not encounter people who warn and admonish him, for they stand by the wayside, they know the Lord Who alone can offer Salvation, and this realisation stimulates them to also inform their fellow human beings and to lure them away from the extremely dangerous wide path Influencing these travellers such that they will leave the wide path and join the pilgrims on the narrow path is rarely successful. The latter, however, are seized by My love and mercy and I make their ascent easy for them because they rose above themselves. And a glorious crown is beckoning to the victors they will be the first because they possess My whole Fatherly love, which I also wanted to give to the others but had to experience their rejection For anyone who walked the wide path walks without Me because the love of the world smothered all love for Me and other people and the gulf cannot be bridged without Me Walk love's path to the cross love and suffer and bear your earthly burden with humility and submission and know that you thereby substantially shorten the path to Me, that your soul becomes increasingly brighter and more translucent the higher you rise Know that you will get ahead of the souls which did not emulate you, and that one day in the spiritual kingdom you will be able to affect those who stayed behind in their spiritual development, that you then should and will be able to help them so that they, too, will reach the light. For I cannot arbitrarily place those into the kingdom of light who failed in their earthly life, who did not live according to My will but allowed themselves to be controlled by the one who is My adversary Yet they shall not be lost forever And one day it will be your mission to save the souls from the darkness, to help them achieve beatitude, even though they will never reach the degree of

light which is the result of a right path on earth

Amen

Spiritual rebirth

Spiritual rebirth is the human being's objective on earth, otherwise the soul will also be without life when the body dies, but since it is immortal it cannot entirely fade away. Spiritual rebirth means life for the soul, but life for the soul without spiritual rebirth is impossible. However, the human being will be spiritually reborn when he seeks contact with the spiritual realm of his own accord. The human soul is no longer content with the body's life, but it cannot find fulfilment of its desire in the earthly world either and aspires towards the realm to which it really belongs, and depending on the sincerity of its will the human being will be reborn sooner or later. Kind-hearted activity is absolutely necessary for the attainment of spiritual rebirth, since this revives the person's spirit. Through actions of love the dormant spiritual spark within the soul unites with the eternal Father-Spirit, it becomes active, and activity is life If, by his deeds of love, the human being gives the spiritual spark within himself the opportunity to become active, he will have become spiritually reborn and can no longer descend into the state of death. Once the spirit is awakened it will never disregard him, it will constantly influence its surrounding shell, i.e. the spirit will influence the soul and through it also the human being's body, urging him into kind-hearted actions and thereby advancing the soul's higher development. Spiritual rebirth cannot be intellectually achieved, neither will nor words can make it happen, only a will that is put into action results in it, and these actions need to be deeds of unselfish love for other people. A person's spirit will only come alive through love, it will only move into action through deeds of love, and thus only through love can the soul achieve eternal life, which is the consequence of spiritual rebirth. But anyone who has love also lives in constant contact with the Eternal Love, and thus the eternal Father-Spirit will also constantly influence the spiritual spark in the human being Eternal Love will draw to Itself what is striving to shape itself into love And then there will be no more death

for the soul Then there will only be life, i.e. uninterrupted activity in strength and light; then the shackle of death has been removed, then death has been conquered

Hence a spiritually reborn person will never fear his body's death because his soul knows the transience of all earthly things as well as the immortality of everything in the spiritual realm, it does not fear its earthly death because its eternal life is guaranteed. It does not merely believe in the soul's life after the death of the body but it has become certain of it, because it is instructed by the revived spirit, because the knowledge it receives from the spirit results in profound conviction Hence its faith has become unwavering because it carries the evidence within itself the awakened spirit, which is part of the eternal Father-Spirit. A spiritually reborn human being has no further doubt in regards to spiritual knowledge, because the working of the spirit within him also includes ever-increasing understanding, recognition of the eternal Deity and His reign and activity, as well as the knowledge of God's eternal plan of Salvation His imparted knowledge is not mere faith, since the wisdom of what is presented to him is so self-evident in the eyes of the spiritually reborn person that he needs no further evidence but he is fully convinced of its truth, which he can now call his own mental concept because his heart and intellect have absorbed it. Therefore the spiritually reborn person need no longer search, through love he has found what he was looking for. Thus love is the key to wisdom, and wisdom is knowledge which corresponds to truth, which emanates from and leads back to the spiritual kingdom

However, a human being can only be reborn in spirit if his soul ignores the body and merely strives to bring the spirit to life who, thus, even if unaware of success, relinquishes what the body desires of his own accord, in order to give it to those who suffer hardship and are in need of spiritual or worldly help. Giving away worldly goods for the sake of selfless love will bring him spiritual wealth. However, distributing spiritual wealth will result in immense growth within himself, because God's spirit can then work in the human being without restriction, He will give truth, which signifies eternal life Life, however, is uninterrupted activity The spiritually reborn person can no longer be inactive, but will then diligently work for the kingdom of God he will take part in Christ's act of Salvation for erring

souls on earth, because the spirit in him does not rest, like his eternal Father-Spirit it is always and forever active And thus spiritual rebirth will always result in the human being feeling urged to work for the spiritual kingdom. He will take little notice of worldly life but keep his attention constantly focussed on spiritual life in the knowledge of its importance and in the desire to help where understanding is lacking. Because the spiritually reborn person knows of the darkness on earth, of the lack of strength in people who attach too much importance to worldly life. He knows of the souls' hardship, of their spiritual death even on earth and one day in eternity, where they are far more conscious of their helpless state, where it is an agonising state for them and the soul can no longer be helped if it continues to reject all advice as it had done on earth. The spiritually reborn human being is aware of his mission and will follow it with love and eagerness. He radiates light, and good for him who is not offended by this light good for him who takes notice of the person who wants to bring him light, who seeks to awaken him into life too Spiritual rebirth can be recognised by everyone who is spiritually orientated, because true wisdom is recognisable by every willing person, because where there is will the spirit's strength gets activated.

Let your spirit come to life and you will have reached the goal on earth which you were given in the beginning. As soon as the soul detaches itself from the body you will enter the spiritual kingdom with a wealth of strength and knowledge, and all you will leave behind is immature matter which has not yet spiritualised itself on earth But you yourselves will enter the realm of the blissful spirits in a free state and nothing will deter you from actively forming and creating, for the love in you will prompt you to do so and cause a state of bliss in you which you are unable to comprehend on earth. Because you will be able to unite with the eternal Father-Spirit Who will draw His children to Himself with burning love to make them eternally happy

Amen

Has the infinitely long path of development been in vain?

You have travelled an infinitely long path and only a very short stretch of the way is ahead of you, then the time of grace will be over for you, an endlessly long period of Salvation will have found its conclusion and its success will reveal itself on the last day, on the day of Judgment. This day is approaching all of you, the day of which it is written, which countless seers and prophets have proclaimed would come when the time is fulfilled. You humans have so often been reminded of the last Judgment, when everyone will be punished or rewarded according to merit. How often have I offered Myself as a Leader on the final earthly path, when you as human beings need guidance, how often did I send help to you from above when you were at risk of failing; how often were you given guiding principles so that you would take the right path, so that your soul would mature fully and thus higher development would be promoted. I tried with love and with firmness to push you onto the right path, time and again I spoke to you in My Word, as a good shepherd I constantly protected you from the wolves, from the intruders into My flock of sheep; I sent messengers to cross your path who repeatedly proclaimed My will to you; I endured your weaknesses and faults with much love and patience and revealed Myself time and again to you humans in order to attain your love; I Myself descended to you in the Word to advise you in My direct speech that you urgently ought to change for the better I tried everything and yet achieved so little for people are not concerned about attaining Me and My affection. They live their lives for themselves and no longer acknowledge Me And the time flies towards the end

The infinitely long path of development before the embodiment as a human being, which you all had to cover, will have been travelled in vain by many people, for the human being has not achieved the culmination of his earthly life. The final stage of development has not been travelled, and at the end of this period of Salvation a last decision will be demanded, because a new era for the purpose of salvation will start again and every spiritual being capable of development will be bound again into the external form which befits its state of maturity, but hard matter will serve as an abode for the

spiritual being which failed as a human being. And this decision will still have to be taken before the conclusion of the epoch Humanity is at risk of being banished into hardest matter again You humans cannot imagine what that means, yet it is the fair compensation for spurning a blessing which could be used by all of you humans and which you disregarded. There is an awful lot at stake for you humans, and all My admonitions and warnings are to no avail, for you don't believe in an end, nor do you believe in a righteous Creator, Who one day will call you to account for your way of life, for your spiritual attitude and your neglected earthly life, which truly could result in your complete release from the form if you would comply with My Words and change for the better. You spurn My grace and thereby create an appalling fate for yourselves And even if I speak to you through the mouth of an awakened servant you don't believe that the end is near and with it the last Judgment And thus you will have to accept the consequences, for My love and mercy can indeed give to you, but not force upon you, what you spurn of your own free will light and strength and realisation of your hardship

Amen

God is good and righteous

I Am a good and righteous God, and time and again My kindness and mercy will be experienced by you humans if you have done wrong, although I cannot disregard anything sinful yet I take all your weaknesses into account, I do not judge you humans as I once judged you when you had been perfect; for now you are imperfect creatures without correct realisation and of weak will. Nevertheless, I must urge you to regain your perfection. I must reproach you for your sins, I must inform you of what is right and what is wrong, what corresponds to My will and what you should do in order to become perfect again. And therefore I cannot ignore any transgressions either, although I look upon them through the eyes of clemency and mercy. For you need not sin even if you are weak, because you can use My strength and grace which is at your disposal. Thus I have to remind you to always request My strength, to appeal for My gifts of grace

and not to go through life without imploring Me for support. I Am good and righteous therefore I cannot abide you acting wrongly but have to confront you with injustice until you have recognised it as injustice and endeavour to think and act righteously. You must recognise sin in order to avoid it and I want to help you in this, for I Am a good God, a God of love and not a God of wrath Who punishes when His living creation has transgressed

I Am a Father of My children, and a father wants to win his children over with love. All the same, He cannot overlook the injustice due to false love, because this will not lead the child to perfection; perfection, however, is the human being's ultimate goal on earth. Let yourselves be drawn and educated by Me, also humbly accept a reprimand, for it is just a means of making you realise a wrong action in order to subsequently avoid it. And always keep to My commandment of love Then you will also conduct yourselves in a good and right way be kind and merciful yourselves and don't judge heartlessly; try to emulate Me in everything, My patience, gentleness, humility and peacefulness, and if you are at risk of failing call upon Me for help, for strength and grace. And you will receive it whenever you appeal to Me for it. Only I know your weakness, your spiritual hardship and also your will I Am a God of love, I Am a Judge Who is full of forbearance and tries everything in order to change you before His judgment of you You only need to direct your will towards Me so that I can help you if you become weak Then I will always let kindness and mercy prevail, even when you have done wrong

Amen

Distance from God is a wretched state

No separation

You can certainly revolt against Me but you cannot separate yourselves from Me, for you are a part of Me that can never ever get lost You, however, experience the distance like a separation and therefore think that you'll be able to detach yourselves from Me; yet the chains connecting us are untearable, they are merely shorter or longer but inevitably keep us

together. All resistance extends the distance from Me, but every deed of love brings us closer together and unites us. If you therefore distance yourselves by resisting Me then My adversary will intrude and place himself between you and Me. Thereby you won't recognise Me anymore and comply with his will, for he lures you with that which you desire, with earthly goods which make My image grow increasingly fainter. Nevertheless you belong to Me and remain My possession, because I will not forfeit My claim on you. But My adversary and you believe yourselves capable of escaping My authority, yet then you will simply distance yourselves more and more from Me and find yourselves in a wretched state. For your distance from Me signifies a total lack of strength and light, it signifies the soul's death, it signifies a state of darkness which will also always remain a state of wretchedness. You, however, don't know the state of beatitude Hence you do not strive for it but content yourselves with earthly happiness which My adversary bestows upon you the more you turn away from Me. You don't know the true life, the life of the spirit which gives you light and strength in abundance you don't know the divine abilities you could possess were you associated with Me again

But I loved you from the very beginning and My love for you will not diminish; it wants to give and please, thus it also wants to lead you to the realisation of what you used to be, what you are and what you shall become again in order to be eternally happy. Yet whether you allow yourselves to be taught by Me is up to you, for I will not force any being to accept from My hand what makes it incredibly happy It can freely decide whether it wants to belong to Me or to succumb to My adversary's influence. However, since My love for you, My living creations, will never end, I will also pursue your love forever, and I will do whatever it takes to help you achieve beatitude, time and again I will come close to you and let you feel My love until, one day, it will beneficially affect you and you will turn to Me in order to receive more and more love, until you love Me too and voluntarily pull yourselves away from My adversary and strive towards Me. Then My and your happiness will be infinite, then there will be no more distance between us, then we will be firmly united by the bond of love and never ever separate again, for once something has found its way to Me of its own accord I will not let it go again, I will not let it fall again and the adversary

will have lost all power, it is and remains My Own for all eternity

Amen

Spreading the Gospel on God's behalf

Influencing spiritual adversity should be your greatest concern; you should help to lead people back to faith, by imparting the truth give them something that seems credible to them, you should give to them what you received from Me Myself and lead them out of spiritual darkness which still keeps them captive and will bring about their ruin if they don't escape it before it is too late. The day of the end draws ever closer and humankind has no idea what is about to happen because it ignores what has been proclaimed since the beginning of this period of Salvation, because it does not believe what seers and prophets have predicted on My instructions. And thus it approaches the end totally unaware, for it rejects the knowledge with which it is presented because it considers it incredible And the only option left is to offer this knowledge to people time and again and to inform them that they are not offered human intellectual knowledge but that it has been conveyed to you by Me Myself in order to inform humanity of the forthcoming event I take pity on people that the end will find them unprepared, I take pity because the humanly distorted religious doctrines are the reason for their total unbelief, and because I would like to help them find the right belief I send you to meet them in order to instruct them in My name in order to offer them in all purity that which they have so far rejected because it was spoilt.

Give them food which is palatable and lets them desire more, so that their soul will be strengthened and they won't want to miss this nourishment for the soul anymore Spread My Gospel amongst the people and remember the great spiritual hardship which can only be remedied by passing on My Word, and don't exclude anyone, for all of those who do not yet belong to My church, who have no living faith in Me and My teaching as yet, suffer this hardship For it is a huge mistake that people belong to the church founded by Me if they merely verbally confess a school of thought, if they don't have a living faith and are subject to the working of the spirit

These, however, know about the end, they know what to expect and that there is only little time left until the end Yet only a few know about it, because there are only a few in whom My spirit can work, who belong in truth to My church which I founded Myself. This is why spiritual hardship is so extensive, and this is why you should work diligently in order to still win people over for My church, in order to inform them of the near end and to caution them to eagerly work at improving their soul, so that it will not go lost when the end has come so that they, by belonging to My church, will remain faithful to Me during the last battle of faith until I come to fetch My Own into My kingdom Take My Word to them which will give them light and strength providing they are willing to hear and accept it in their hearts help them to find faith and lead them out of the great adversity before it is too late

Amen

Right prayer is the bridge to God

Jesus Christ

The bridge to Me is the prayer

There is no insurmountable gulf between us, for your prayer will always bridge it as soon as it is a prayer in spirit and in truth And the prayer's depth of feeling determines the length of the path to Me. You can enter into direct contact with Me if you speak to Me like a child speaks to its Father. For then I will be with you, then every distance will have been overcome, then you will have breezed across the gulf between us and come close to Me, for I comply with your call and come to meet you as soon as I hear the voice of your heart. Do you now know the exquisite means at your disposal in order to come to Me, do you know what effective gift of grace prayer is for you? Due to your imperfection you are still far away from Me as your God and Creator of eternity, yet I do not deny you to enter into a dialogue with Me and draw close to you as a Father, Who also embraces his still imperfect children with love and takes account of their faults and weaknesses. I listen to you as soon as you speak to Me in childlike faithful prayer. Yet on the other hand, you can only pray to Me correctly if you believe in Me, thus

every prayer in spirit and in truth requires your belief in Me, in My love, wisdom and might If, however, you believe in Me, then every word will also arise from your heart, then it will no longer be a formal prayer, then only the child will speak with its Father and then it will also achieve everything that is only in its best interest. But in order for you to have a living relationship with Me you must also be able to have the right concept of Me, Who gives you the opportunity for this as the Saviour Jesus Christ.

Imagine your Saviour in His overwhelming love that embraces all of you humans, and remember His suffering and His death on the cross on behalf of sinful humankind and you will also be able to love Him in return, to confide in Him and to tell Him whatever weighs you down, and you will, because He Himself was a human being just like you, be able to expect complete understanding from Him for all your suffering and adversities, and you will turn to Him, Who is your friend and brother, Who due to His love wants to help all of you, Who wants to draw you to Himself into the celestial kingdom in order to make you forever blissfully happy. I Myself became a visible God for you in the Saviour Jesus Christ, and if you offer your love to Him you also give your love to Me, your God and Father of eternity, for He and I are one, and anyone who sees Him sees Me, Who lived on earth as the human being Jesus in order to gain your love, in order to sacrifice Myself for love of you, who were wretched in your sinful state and in your infinite distance from Me would have had to perish had I not established a bridge in order to make the path to Me passable You all can cross the bridge if you speak to Jesus, your Saviour and Redeemer, in heartfelt prayer, if you love Him and therefore also comply with His simple commandments. Then you will also be allowed to experience His love, He will help you spiritually and bodily. He will guide you and smooth all paths which lead upwards to Him, into His kingdom, to eternal life

Amen

Listening to God's voice

You should listen to Me, and I will always speak to you such that you will also be able to recognise My love for you Everything around you can and will change but My love for you remains the same, it pursues you whether you are far away or close by, and it constantly seeks to influence you, that is, to awaken reciprocated love in you, which signifies your ultimate return to Me. And if I can address you, if you listen to Me, you will open your heart's door to Me, and then the full strength of My love can be effective, then I can ignite a fire in you which cannot be extinguished anymore, because My love is so powerful that its fire dissolves all resistance, that it takes hold of the person's nature and changes him completely that it shapes the person into love. I desire contact with you, this is why I speak to you If you listen to Me willingly then you will establish the connection with Me, and then I can revive what is dead, I can give true life to you who are still dead while you are far away from Me. My Words shall change this dead state, for My communication is a ray of love that intends to awaken you to life.

If you then give Me the opportunity to lower My ray of love into your heart, if you make it possible by willingly listening to My Word, you will soon feel the effect in yourselves, you will become aware that you are no longer alone you will, as it were, sense the presence of a benevolent being to Whom you will give yourselves without resistance, for My ray of love has the effect that it lowers your resistance when I have the opportunity to speak to you, and you will listen to My Words carefully. And you will always listen to My Words if you withdraw into solitude for a short period of time, if you collect your thoughts in prayer or quietly think about yourselves. Then you always give Me the opportunity to speak to you, albeit you won't recognise My voice at first but merely believe that you hear your own thoughts

I always enter your thoughts since you are, after all, pursued by My love which always tries to embrace you when you become silent and turn your vision inwards. In that case you listen, and then I can speak to you And the more consciously you practise this turning away from the world and looking within, the more willingly you open the door of your heart to Me

and the more clearly will you hear My voice, which answers your questions or instructs you such that your love for Me flares up, because you will recognise Me as a God of love as soon as you listen to Me, as soon as you turn inwards and your thoughts turn towards Me

I always want to speak to you, yet rarely do you listen to Me But if you seek solitude by turning your thoughts inwards you will hear Me speak, even though you will not immediately recognise it as an expression of My love, because the intellect cannot grasp as yet what the soul has already felt or comprehended. Yet My communication will ever more consciously become an indescribable blessing for you and all those whom you inform of the fact that the Father speaks to His child as soon as the child wants to hear the Father

And you all can establish this bond with Me, you all need only listen carefully in order to hear Me, and I merely want to stimulate you to sharpen your spiritual ear, to practise listening to spiritual communications by often withdrawing into solitude and longing for My presence. Then I will be with you and speak to you Then I will come to you Myself in the Word, and then you will also know that I love you and want to gain your love as well

Amen

'You truly have a Father'...

Father and child relationship

Nothing would be impossible for you if you united yourselves with Me, if you appealed to Me for strength if you thus let Me Myself work through you. You just do not have sufficient faith as yet, and as long as you doubt you are preventing Me yourselves from working in accordance with your will. Yet you should try to gain this faith. Place yourselves into the position of talking to Me with childlike trust, so that you really feel like children who come to the Father in every difficulty, be it of a spiritual or earthly nature. Were you able to establish this relationship with Me you would no longer doubt that I would grant your request. For if you address Me as your Father you will also be convinced of My love which turns to My

children and grants them help in every adversity. You truly have a Father, you are not orphaned children, you have One Who knows your difficulties and worries, Who only wants to be called upon because He desires the love of His children and wants to respond to it How richly blessed you are indeed You have a Father in heaven Who is stronger than all the powers in the world, Who therefore can also avert everything that affects you on part of the world And because you have such a powerful and loving Father nothing is impossible for you either, because I always will stand by you with My strength, because you only have to believe firmly in order to prompt Me into expressing My power. As long as you are distant from Me you will also be helpless, but as soon as you establish a heartfelt connection with Me My strength will have to flow over to you, and then you will achieve and be able to do everything, and there will be no restriction for you, for all limitations disappear where My strength is being used. Just have absolute faith in your heavenly Father's love and all worries will dwindle, they will always be removed at the right time, because you determine the time yourselves by the strength of your faith Amen

I want to bless your work and guide your thoughts and grant that you will act according to My will. Therefore give your spiritual work priority over your earthly occupation, which I then will also bless and provide you with spiritual support where earthly strength seems to be insufficient. And since I bless you everything will succeed, since I bless you, you cannot be attacked by evil forces, for My blessing erects a protective shield behind which you can feel secure, a protective shield which disperses everything which is hostile, because My protective hand is upon you as long as you work for Me and My kingdom I want to be a good caretaker to all of you as soon as you work as My servants in My vineyard, as soon as you are of service to Me and aim to extend My kingdom on earth And you shall not lack anything, I will furnish you with strength, and you will thus carry out your redemption work for which I appointed you in the last days before the end

Amen

Surrendering the will to God

Offer yourselves as a sacrifice to the Lord, passively hand yourselves over to Him desire that His will shall also be yours, that you no longer feel any kind of resistance in you, that you are totally devoted to Him This complete surrender of your will to God's will assures right thinking, right wanting and right doing But as soon as you harbour the slightest resistance you also divert, if only imperceptibly, from that which is God's will, because this very resistance creates the foundation where God's adversary can be active. It is thus an act of greatest effort if the human being is to relinquish his own will and completely subordinate himself to divine will which, however, will always be easily achievable the more love becomes active in a person, for to be lovingly active is already coming into close contact with the eternal Love, it is unifying-oneself with It and thus simultaneously abandoning one's own will. This is why someone who lives a life of love no longer opposes God, it draws him to God, he humbly gives himself to the One Who created him, he know no resistance, no disobedience to God, he only ever endeavours to comply with Him.

In that case he has no will of his own any longer because he is permeated by the love of God, Whose will now works in him, since through love the spiritual unity has taken place. Thus love is the most certain feeling that the human being lives within God's will and that is why you need only ever be mindful about practising love whatever you do should only be determined by love, your heart should be soft and tolerant, gentle and whole-heartedly humble, and helpful towards every human being In every human being you should see your neighbour, your brother, because you are all children of one Father; you should let neither anger nor bitterness arise in you, but know that everything will approach you as is beneficial for your change, for your perfection. What is wicked in your environment shall become good through you, your love shall be the weapon you use against your enemies. You should never fight evil with evil but do good to those who do not mean you well. Then your bond with the eternal Love will become ever firmer, then you live within God's will, then His will has also become yours, then you have offered

yourselves as a sacrifice by voluntarily having surrendered your resistance and acknowledged Him as your Lord, as your God and Father of eternity, to Whom you gave yourselves completely

Amen

The Word of God

Ray of light

The door of your heart

Guest

Anyone who opens the door of his heart to let the light shine in will truly not need to fear the night anymore, for the light will shine for him from within, which no-one will be able to extinguish anymore. And thus no shadow will be able to fall upon the light, no other power will be able to darken it, for the light from above will also burst through the layer the enemy would like to spread across the light The light from above is the ray of wisdom which originates from God and which is so effective that even the person touched by it will strive towards God, i.e., that the light coming from God will flow back to God and pull everything that once separated itself from God along with it For the light is the divine light of love, it has an inconceivable effect on that which is still far away from God providing it is merely receptive to His ray of love. And this is why the Word coming forth from God, which is an obvious expression of His love's activity, has to ignite as light in people's hearts and dispel all darkness, erroneous thoughts, misguided concepts and, therefore, wrong will. The human being must clearly recognise what he needs and what he should strive for. It has to enlighten him, and that means that he will then eagerly strive towards the eternal light, because the light gives him pleasure and because he wants to be forever blissfully happy. The light from above is a touch of God's love Which wants to benevolently influence the soul so that it will turn to Him Yet the light is unable to shine into an unreceptive heart. People's hearts must open themselves, and they ought to be encouraged to do so. A loving person must knock and present himself as a peace- and joy-bringing guest, he must, if only a small gap opens, send

in a warming ray in order to open the door ever more until the guest is accepted, whose light will then fill a hitherto dark room and drive out the night

Anyone who spreads the Word of God amongst people in this way, who eagerly makes an effort to pass on His light, who goes to great lengths where a little success can be expected, is a faithful servant in the vineyard of the Lord, he is preparing the way for Him Who will follow and desire admittance, if He knocks in order to feast with those who open the door to Him. He is a loyal labourer for God and His kingdom whose work will always be blessed

Amen

Spiritual hardship can only remedied by spreading the pure Gospel

Only the concern for people's spiritual state must be taken seriously, for this concern has to be remedied by people themselves. By no means can pressure be exercised but instead the human being's free will has to decide to actively work for the soul's maturity, and this free will can indeed be influenced, but never be forced. But in the last days the human being completely submits himself of his own free will to his adversary; this is why the souls' state of maturity is particularly dismal and My love accomplishes little, the end comes ever closer and the earthly world with all its attractions and goods will perish; and only the souls will remain, which are in such dreadful shape that they cannot be admitted into My kingdom since due to their attitude they are part of My adversary and therefore Satan's servants. Only a few have reached the degree of maturity because their will had turned to Me of its own accord and therefore people also recognise Me. Their souls' became receptive to light, they recognised the importance of their earthly task and lived their life on earth accordingly. The general public, however, lives superficially and does not consider the soul's life after death because it does not believe in it. And that is the great hardship which motivates Me to send a light amongst people everywhere, to instruct My messengers everywhere to proclaim My Gospel and to lead people back

to faith, which is absolutely essential so that people will be able to turn to Me when they are in trouble.

Nevertheless, whoever wants to spread light must have received it from Me Myself first I can only use those people for the distribution of the Gospel who have light themselves, who let themselves be permeated by Me with the light of eternal life, with the one and only Truth. I cannot send everyone into the world, for even if there is good will to work for Me, only the spreading of the truth is useful and that can only be received from Me Myself, i.e. a human being can only realise the truth if My spirit is able to work in him, and this working of the spirit necessitates the fulfilment of conditions. However, everyone who is willing to fulfil these conditions is accepted by Me as a labourer in My vineyard. For there is great hardship on earth, and I only want to control this hardship through My faithful servants on earth, time and again I want to awaken people who receive My Word directly and pass it on to those who are willing to listen to it. People's souls are in great danger, they are completely immature and soon will have to depart from this earth Their state of maturity, however, determines their fate in eternity. Only My pure Gospel can still save people and raise their state of maturity. For it originates from Me, it harbours spiritual strength and can have a revitalising effect on the souls, providing the human being willingly allows himself to be affected by the strength of the divine Word He will bless the hour when My Word was made accessible to him, for only My Word can save the soul from eternal death

Help in earthly and spiritual adversity

Reciprocated love

Break bread with the hungry, share whatever you own when you see someone going short, when he appeals to you for help, and don't fear that you will overexert yourselves, for the measure you use will be the measure you receive, and you will receive in abundance spiritually and earthly as soon as you make good use of the wealth, as soon as you distribute it where it is needed and to where I lead you Myself in order to notice it.

I refer more to spiritual than earthly hardship, for the former results in the soul's complete debilitation, in spiritual death; yet you shall also take care of earthly adversity, because you thereby awaken love in your fellow human being's heart and he will then realise in a flash why he experiences worldly difficulties and how he can release himself from them again. And this is why the earthly adversity in the last days will be so great, because I want to save people from the excessive spiritual hardship, which will never be possible if everything earthly goes according to the human being's plan and his sights are steadfastly fixed on the world Then I will have no access to their hearts and cannot address them either, I cannot direct their thoughts towards the spiritual realm, for the world will always take precedence and have greater control over people. But when faced by earthly adversity individual souls will indeed take refuge in Me.

Call upon Me for help and if they don't find the direct path to Me, if they are incapable of praying because they don't believe in Me, in My love and My might, you will have to pave the way for them by taking loving care of them, which will not remain without impression on a person who suffers great hardship which affects him beneficially and can also awaken reciprocated love, which always signifies a small light, a glimmer of realisation, a step closer to Me Only in this way can you explain to yourselves the greater than great adversity and sorrow in the last days before the end I don't use it to punish but as a means of education, and I only want to take from people what is poison for their souls and in its stead offer a life-awakening drink. I want to heal where My adversary has left deep scars which lead to death I only want to save My children, even if the means for this salvation are not understood by you I truly know how effective they can be and will apply them where I know My children to be stricken by a severe ailment which they don't recognise themselves and which I would like to cure because I love them And you humans shall help Me in this by willingly allowing yourselves to be led to these patients whose spiritual ailment results in earthly adversity and whom you therefore should support with loving and patient help and advice, whom you predominantly should offer the bread of life, so that they can draw strength from it and then also humbly endure what is sent to them by My love Consider all who suffer adversity and know that I try to save all

those who are not so totally controlled by My adversary that he can amply supply them with earthly possessions For they are lost for an infinitely long time

Amen

Divine guidance

I will lead you all by My hand if you don't resist Me and allow yourselves to be led Thus anyone who wants Me to be his companion, who does not oppose My will, can also rest assured that he will be guided right by Me, that he will not take the wrong path and that he will safely reach his goal. I expect nothing else from you but your submission to Me, that you want to be My Own, that you acknowledge Me as your God and Father and are willing to do what is right before My eyes. This will alone is enough for Me to lead you by the hand until you have reached the end of your earthly life, until you enter the spiritual kingdom in order to live in eternity. I want to give you eternal life And you will only be able to live if you are permeated by the strength of My love My strength of love takes hold of everything that offers no resistance And thus you will also understand why I expect your submission to Me, for then My strength of love can flow into you and awaken you to life. You cannot be spiritually dead anymore when you are permeated by My strength of love And you cannot be without the strength of My love if you hand yourselves over to Me, that is, if you join Me voluntarily The will to unite with Me is the guarantee that I will take possession of you and never let go of you again For this will once turned away from Me and caused your fall into the abyss, your loss of light and strength If you now grant Me your will again it will also assuredly give you light and strength again. **And everyone wanting to come to Me will reach his goal, whichever path he takes**

I value your resolve and will also walk next to you, forever taking care that you will enter into eternal life. But anyone directing his will to Me also perceives his own inadequacy which lets him become humble...He senses His distance from Me and would want to overcome it he makes an effort to do My will, he tries to shape himself according to My will because he

realises that his imperfection prevents him from reaching Me, from uniting himself with Me forever And because he feels that he is too weak he appeals to Me for strength And I give, because My love always wants to give itself and because such will demonstrated by My earthly child makes Me extremely happy for it signifies the final return to Me. As soon as the thought of his own inadequacy has awakened in the human being I will also help him to reform himself, and as soon as he joins Me voluntarily by handing himself over to Me, My strength of love will take effect on him and lead to success.

And this is why everyone will reach his goal who strives towards Me, everyone who allows himself to be led without resistance will take the right path and need never fear to go wrong, for anyone who entrusts himself to Me builds on a firm foundation

Amen

Fulfilling the commandments of love

Simply live in love I ask nothing else of you, but thereby you will reach an as yet inscrutable goal, a level of perfection which subsequently signifies brightest realisation for you, because then your soul will be able to attain spiritual vision and gain insight into My kingdom with all its splendours. I only require you to love because love is the key to realisation, to strength and to supreme happiness. Any person can be good, but whether he wants to be it, whether he follows the gentle urging within himself is a decisive factor in the achievement of his goal on earth. And this is why he constantly has to be encouraged to practice love, time and again he has to be reminded to do deeds of love and cautioned not to act heartlessly This is why he was given the commandments of love by Me, so that he will not forget what alone is important in earthly life so that he will use his common sense to help him when the urging of his heart has already become too feeble Then he should remember that My will only expects the fulfilment of My commandments of love and rationally try to ascertain why I gave these commandments He should consider the Words 'He who remains in love remains in Me and I in him', consequently, if he desires contact with Me

he will have to live a life of love In that case, however, his spiritual ascent will be assured, then he will fulfil the purpose of his earthly life. Love is Supreme Love is the strength without which no human being can live, which has to be understood as the life of the soul, which is everlasting but can succumb to spiritual death if it lacks love, the strength which gives true life in the first place. Anyone who wants to live in eternity must give love to all those who approach him, to all those who want his love only then will he be able to create in strength and light, and only then can he be blissfully happy.

However, without love the soul is in darkness and weak, for even the body's life does not signify life for the soul without love, although it can temporarily use the body's life, yet without love always in the wrong direction which thereby merely thickens the layers surrounding it, so that at the end of its earthly life it will enter the spiritual kingdom totally devoid of strength and light, where it is no longer granted the privilege that the body can change its state, for it has not utilised the body's energy of life for itself, it had not given in to the gentle urges and made the body accomplish deeds of love For as long as it lived on earth its thoughts and intentions determined the body's activities, the use of vitality, and its wrong intentions and thoughts subsequently also caused its state of death in the spiritual kingdom Time and again you are admonished to love, you humans are confronted by so much adversity and helplessness and are so often approached for help that you would be constantly able to carry out deeds of love, for you have the ability to do so, yet whether you have the will shall one day determine your soul's state after death. Actions of love in accordance with My will can never cause you adverse effects, for whatever you give with love will be returned to you in various ways both spiritually and earthly. It will never damage you, for the share you gain by fulfilling My commandments will be unlimited, because when I give I know no limitation where love motivates Me to express My love Act with love don't be calculating in giving but let your heart impel you into wanting to share and give pleasure Then your love will have been kindled in you and its fire will dissolve all impurities which still cling to your soul. By way of love the soul becomes bright and clear, and My strength of love can permeate it, it will live eternally and know all, it will realise that only love

can achieve the unity with Me, that only through love can it attain eternal beatitude

Amen

Helping or fighting

Different purposes for suffering

In the state of freedom of will the being would not have to fear God's adversary if only it would live in love. Then it will have defeated him, because God's adversary is utterly defenceless against love. Hence, the human being would also be able to free himself from temptations and challenges, for they have no influence on him as soon as he acts with love. The latter, however, depends on a person's free will, and therefore the human being himself is the reason for an earthly existence which is either a constant battle or helpful love God knows every person's heart and gives the human being what he needs, but He also lets a person go short if he does not require His help, His comfort and His counsel because he inwardly opposes Him and therefore does not exercise love, which demonstrates his God-devoted will God and love are one and the same, and therefore a loving human being is also united with God and thus has to be superior to God's adversary. If the human being is willing to actively engage himself in neighbourly love he will not be quite so besieged by the temptations of the world; he effectively has already overcome them which, however, does not rule out that he will have to endure suffering, because suffering is not only intended to lead a person to God whose will is still turned away from God but it shall also purify the person who strives towards God. However, the suffering in these two stages is experienced differently. The former revolts against it because he does not want to bow down to a Power Which restricts his enjoyment of life He still desires the world and experiences all suffering as disadvantage, as an inadequate enjoyment of life and thus a constraint he refuses to accept. And it can require a lot of suffering before he has surrendered, and this kind of battle is the adversary's work, who still uses the world and its pleasures to gain the human being for himself, who continues to place all these before his eyes in order to intensify his desire

and thereby alienate him from God. But if the human being is actively helpful, then the suffering will merely serve him to become perfect, to achieve maturity of his soul, then God's adversary will have little control over him, then he will turn away from the world and due to his suffering join God ever more closely.

This difference has to be recognised when the disparity of suffering is being considered, when good and bad people are affected by it people, who are still completely averted from God and those who seemingly no longer require suffering in order to find Him Each time the suffering serves a different purpose, yet the final purpose is the complete union with God. The greatest danger for the human being is his inclination towards the world and his lack of love, for then he will still be wholly enslaved by the one who wants to ruin him. And then he will need strict teaching methods in order to change. Only when his inclination towards the world subsides can love ignite in him, and then the suffering can take on different characteristics, yet it cannot be entirely spared to him as long as the soul is not totally purified. Practising neighbourly love is therefore a decisive factor for his degree of development, it is a decisive factor for the intensity of his suffering, for wherever love is practised, and thus where God is present Himself, the suffering will be more bearable because the human being will be able to receive God's emanation of strength and therefore the suffering will not depress him as much. He need not fight anymore but only bear it and wait for God's help which will remove all suffering from him when the time is right. The human being must be helpful or fight, and namely in accordance with his will and his ability to love Being helpful will come easily to him, yet fighting will require great strength if he does not want to succumb to the power which will use whatever it takes to pull him into darkness and which will continue to exert an influence on the human being as long as he lives without love, for then he is still far removed from God. Only love sets him free from this power, only love makes him strong, for the loving human being is united with God and receives his strength from Him in order to defeat the adversary

Amen

Battle of faith

Fighters for God

I have trained an army of fighters for Myself who have taken on the fight against the enemy of souls and against all those who harass you in their unbelief and are therefore against Me. They all belong to My adversary's camp. My fighters, however, have Me as their Commander-in-chief and I will truly lead them to victory in the last battle on this earth. For it is certain for you the battle of faith, which is about to happen to My small flock in which they will have to prove themselves and from which I Myself will rescue them, as I have proclaimed. This time of trial is yet to come to My Own and therefore they will have to be extraordinarily strengthened in order to persevere, because My adversary will proceed in a fierce and most brutal manner against them to make them falter in their belief Yet their contact with Me will give all of them remarkable strength And this is why I keep cautioning you: Hold on to Me, don't let go of Me but join Me ever more firmly, establish a heartfelt connection with Me so that you can send your thoughts to Me at all times, as soon as the slightest resistance arises in you, which is always My adversary's doing You can achieve anything, accomplish anything and overcome anything if only you allow My presence within you, which is already guaranteed by your sincere will to be and to remain My Own. Your intimate thoughts, a prayer in spirit and in truth, and constant activity of love also assure you My continuous helpfulness, My strength of love and My grace.

And thus you are always equipped and able to cope with My adversary's every onslaught, for then you will no longer fight him on your own but will have Me by your side, and he will take flight from My ray of light with absolute certainty And you will always be able to triumph over him as long as you stay with Me, as long as you are protected by the shield of faith and of love If, however, you let your eyes wander sideways, if they are turned towards the world and you lower the shield that protects you if you only exclude Me for a short time and thus let the world step between Me and yourselves then you will be in serious danger, and I want to warn you of this like a loving father warns his children not to go their own

way but always to stay with the father so that he can protect them in case of threatening danger They are merely calls of love which I repeatedly send to you because I Am concerned about your salvation and because I want to spare you every unnecessary fight, for I know your heart's innermost sense of purpose and will not let you go astray. Yet you could make your paths very difficult if you pay no attention to My Words. You shall be and remain My fighters and ought to prepare yourselves for this final battle on earth. And this requires that you do not sever the connection with Me, that you don't go anywhere without Me, that you are so devoted to Me that you desire My presence when and wherever it may be You must accumulate a large supply of strength which will then never diminish again when you start your final battle I will truly lead you to victory, as I have promised you

Amen

Predetermined fate

God's love and help

I come close to the sick and weak in order to heal and strengthen them I come to the saddened and oppressed in order to comfort and assure them of My support I take the victims of persecution into My arms so that they may find a home again with Me, and I lift up the fallen to help them find a foothold again and become happy. I come to all who merely call upon Me with a thought, who believe in a God and Father, who don't reject Me when I want to help them And they can all consider themselves fortunate that My ear hears their call, that My eye sees their tribulation and that My heart belongs to them because they are My children because they believe. Yet I also approach all unbelievers, I try to make Myself known to them as a helper in order to stimulate them into appealing for My help or into gratefully accepting it indeed, I often approach the unbelievers in the form of adversity and grief so that they shall remember Me, Whom they certainly know of yet don't want to know. For no human being is entirely without knowledge about the Creator and Provider of all things However, many lack belief in the connection between the Creator and

His living creation, and this unbelief prevents them from looking for the connection which, however, would convince them of Me and My activity, and could also convince them of the immense love which connects Me with all that is created

This faith makes the human being very happy and also lets him find the path to Me as soon as he is in trouble Or the adversity would be insufferable were I not aware of it and unable to provide My help wherever there is faith. The fact that there is always a way out, that the time of adversity and suffering is repeatedly succeeded by an endurable period of time again is not coincidence, not a matter of course It is My intervention, My guidance, it is My reign and activity, which is distinctly recognisable in a human being's fate. And every person's course of fate should lead to faith in Me, yet anyone who does not acknowledge Me also rejects a predetermined fate, he tries to explain everything as being due to his own strength or lack of strength without realising where he receives the strength from and why he can also be weak The acknowledgment of Me and a call to Me would truly result in a substantial change in his thinking as well as his spiritual and earthly state during his life on earth I won't deny Myself to anyone who calls upon Me, yet I hold Myself back where I Am met by open resistance, where the rejection of Me is so extensive that even physical adversity will not result in any change of mind. And then there will be great danger that the one who has achieved his goal in displacing Me completely will intervene And he will provide amply in earthly life in exchange for everything that could lead to life in eternity He poisons the soul and subjects it to a death, which is far more painful than the most arduous earthly life, for this comes to an end but the soul will have to suffer forever until it acknowledges Me one day and appeals to Me for help which it will also be granted

Amen

God's will to help is greater than the adversity

The adversity will never be greater than God's will to help He knows why He inflicts it on you, and as soon as it has served its purpose of having motivated you to enter into most heartfelt contact with Him, He will also remove it and clearly come to your aid. For His might is infinitely great, and His love is supreme And if you believe that He does not want to let you to suffer without reason, that He thereby only intends to benefit your souls, you only need to commend yourselves to Him and His grace and He will help you in every danger and distress. Yet you must always consider the fate of your souls first, you must always aim to mature psychologically, i.e., to fulfil God's will, for you are only on this world in order to shape yourselves in accordance with God's will. If you disregard His will then you will have to be moved by suffering to change your mind; but if you voluntarily comply with His will then the suffering will always be bearable for you, even if you have to endure it for your own and your fellow human beings'sake. For at a time of a low spiritual level, when the whole of humanity is neglectful in fulfilling the divine commandments, when it no longer lives according to divine will, suffering and adversity will also have to strike the whole of humanity to a greater extent if it is to change and accomplish its purpose of earthly life.

So it is to be expected that it will also affect the people who at all times make divine will the guiding principle for their way of life, yet their adversity will always be endurable, God's help for them will always be clearly recognisable, He will always let them feel His love and support them by virtue of His omnipotence and His love, which will constantly express themselves with His Own. For He wants to strengthen their faith, He wants to reveal Himself as an ever helpful and kind Father, Who will not leave His children in adversity if they call upon Him for help. And every earthly and spiritual crisis shall induce people to call upon Him in their hearts, in spirit and in truth For through his heartfelt appeal to God the human being unites himself with Him and is able to receive the necessary strength from Him to become fully mature in his soul. And God will time and again clearly reveal Himself to His Own, and anyone who

pays attention to it will be able to convince Himself of His love and care every hour of every day, and He will glorify and praise Him in his heart and give thanks to Him For no adversity is greater than the might and love of the One Who sends it He always knows a solution, even if the earthly peril seems insurmountable Therefore believe in Him and don't doubt His love, for it takes hold of you and will never ever leave you, so that you shall recognise Him and become and remain His Own for all eternity

Amen

Opportunities for attaining the childship to God

You will truly be compensated for all adversity you have to endure on earth and you will joyfully realise what you have gained by your state of suffering on earth which My love recognised as being beneficial for your soul and which therefore was only inflicted on you because of love. You humans should believe that you all still need opportunities to achieve maturity, that a person's soul on earth is very rarely so crystallised on leaving its body that it can pass into the spiritual kingdom as My child believe, that only few people would achieve the degree of childship to God which grants them the Father's inheritance if I did not create opportunities for them through a state of illness or suffering which can completely purify the soul and at the same time signify the removal of all guilt still on earth. But I know every person's ability and willingness to love and thus also his degree of maturity I really also know best who is already so close to Me that I can accept him as My child Yet according to the law of eternity the soul has to be completely free of impurities, because the highest degree of beatitude, the childship to God, can **only** be reached on earth, because it is no longer possible for the soul in the spiritual kingdom to reach perfection, an ascent towards **childship to God** This is why the soul will still be offered the opportunity on earth to perfect itself, which a sorrowful and difficult earthly existence can achieve. Love and suffering lead the soul to perfection, love and suffering let it mature, love and suffering enable it to partake of the highest pleasures and the sweetest togetherness with Me the child unites with the Father and eternally remains joined to Him

Earthly life, however, is limited, it is but a fleeting moment compared to eternity, and no matter how sorrowful it is, the beatitudes at the Father's heart make up the suffering a thousand fold, and the soul looks back with gratitude and realises the overwhelming love of the Father, Who wanted to grant it this infinite happiness and therefore let it suffer on earth

Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
