The ending of a redemption period

That a redeeming period is coming to an end, you can believe without a doubt, while you are on a spiritual Level, you then can also track the spiritual development of man, thus it won't be difficult for you to believe, that a change must take place, if I don't want man to fall in Satan's hands, whose performance is obvious.

For the human with the worldly intellect, this won't be an explanation, since he will not accept to be in a spiritual low level, because he has no conception of it. For the purpose of the earth dweller is not a pure worldly one, but the spiritual development of man is the sense and reason for the life on earth, and if this obviously moves in the background, then there is no longer a purpose for life on earth and it does not need to be continued by man who totally fail to recognise their present life purpose.

It is not just the upward development of man The whole creation bears spiritual matter within itself, which also must move in the same development route, all kept within a certain order in the creation, but which is knocked over by man and therefore the creations on earth are no longer serving the purpose which was assigned to them. A spiritually empty humanity is not living according to my will, thus humanity will not use all the available creations according to my will, but assign them for other purposes, which will hamper or make a spiritual upward development impossible

Such a spirit-empty humanity is occupying the earth today and is jeopardizing their future existence because they are no longer following My order on earth but knocking over the order of God and causing the brake through their own will which is contradicting my redemption plan. But the will of man is freethus their behaviour is not being intervened, but man themselves will lay their hands on the works of the last destruction, they themselves will draw nay their own end and know not, that they

are indirectly following my redemption plan through their works of the destruction while the still remaining bound spirits within the creation are in the ongoing development process because a new redeeming period is in the starting which again will take its course in the law governed Order like it is destined by My love and wisdom.

The spiritual low level is prove, that humanity in the bigger numbers won't believe it, because every spiritually awakened human will see by himself, that the present condition on this earth can not remain, if of a spiritual development shall be spoken. But the very few of Mine will know, that not much time will remain until the end, because they can see the signs very clear, of which I have pointed out by word and script

Man must see with spiritual eyes, thus he will see the condition of humanity. But if he is only watching the world, then he will only see economic development and progress, then he will have trouble to believe that all will come to an end, that nobody will be able to enjoy the very result of his hard work, of his property and worldly goods, every time he will only see the world and its progress, and spiritual thoughts will move further from his mind, as more often he watches the world and its progress

But he won't be able to enjoy much longer what the world has in store for him, very soon he will be able to follow the disintegration, first through my will, through the wrecking havoc of the nature elements and later through human projects, for the will of man himself is judging the last work of destruction on this earth and I won't prevent it for I have built My plan of salvation of man since eternity according to the wrong will of man, which will give all spiritual in the whole universe again new possibilities for upward development, because I will help all for spiritual progress.

And as heralded, so it will comeno matter how much you people are ridden with unbelief against My predictions, you can expect it with certainty, that you are standing before a grand roll-over-era and that a redemption-period is ending and a new one will begin For the time has run out, which was granted to the spirits out of My love, wisdom and power And it will come to pass, as it continuously will be heralded to you people.

Amen

You humans are heading towards the end

A redeeming period is ending, for the time is fulfilled ...For My plan of salvation is arranged since eternity, and it will be carried out, according to My decision by My love and wisdom. But you human can not estimate the meaning of the ending of a redeeming epoch, for the taking place of a transformation on this earth is unimaginable to you, which will destroy all creature, in which all creation, every life, will be dissolved and wiped out

For such a parallel mankind has never lived through, henceforth it is unbelievable to man that earth is heading towards its end. Mankind is standing before unimaginable events, but you won't be able to estimate the proper meaning in all events, because you are not aware of the seriousness in your situation.

You are heading towards the end ...What you see around you, what is in existence and what you can watch, that is what will cease to exist everything will be destroyed, and you yourself will perish in this destruction, if you do not belong to My Own, which will be guided away through My power and My will, like I proclaimed it which I will carry away before the eyes of the fellow man, because they belong to Me and I can and will transplant them upon the new earth, once the transformation has taken place.

For the time is fulfilled ...For every redemption period is within a restricted time frame, regardless the endless length, that man no longer knows of the beginning, thus an end you therefore think impossibleThat you must experience this end, is only the result of your own will, in the resistance against Me, which you caused and are still causing with your spiritual setting within you, otherwise it could not have gotten lost, meaning you would not had to worry for the captivation into the matter in the creations of the new earth.

Your resistance alone is cause to your fate and your lot after the end of this earth, for as soon as you drop the resistance, you are turning to Me and will belong to My own, which I will save, before the coming end. For you human beings with no spiritual connection what so ever involved with everything

that has to do with the End of the old earth, it is incomprehensible, and you will never believe the time has come, whereby every single person has to make the decision for life or death, you must make the decision, for none of you will be spared of it.

You should not gloat in confidence that there will be no end to this creation earthFor faster as you can think; the end will be herebecause the time is fulfilled. And I Myself am constant and steadfast in My Being with My action and reign. Henceforth what I have told you I must fulfill, once the time has come, My plan must be carried out.

And that which I have brought your attention to it is here, it is apparent visible in many signs, to which I showed you every time I have mentioned the end of the earth For who has ears to hear, he might hearFor who has eyes to see, he shall seeBut you human will not hear nor see. Thus neither can I reveal Myself more plainly in order to force faith out of you.

But My indications will have no end, until the day has come. And blessed be the ones that believe My Word, who will live according to their believe and bind themselves to Me in love and trust. For those are the ones that are saved for time and eternity, for those I will take on in any earthly and spiritual need, and nevermore will they have to fear an end, because I will take them up beforehand the hour of horror but not without them being able to watch the scene of destruction, but only, for them to recognize My power and magnificence and for them to testify on the new earth, where there will be an end to every sorrow and where they can experience the happiness of the paradise. The time is fulfilled, and it will come just as foretold, for my word is truth and it will last forever

Amen

Spiritual reverse pace

Signs of the end

For the spiritual reversing is more and more clearly recognizable and must be an obvious explanation to you for the earthly troubles, while this trouble is still the only remedy to shake up man in order to change their ways of life and their thinking. For man now only desires earthly goods and let self be dominated by substance, instead striving for the opposite with resulting victory against material matter.

Again and again I bring their foolish behavior before their eyes, by showing them the transience of the earthly material matter. For the smaller events have no meaning, the individual won't change his thinking and is ignoring his sole life, for he figures only on his earth existence and has totally lost faith for the beyond. Further and further man is sinking, and shallower is becoming his faith, as more seldom his connection is with Me, their God and Creator since eternity. And this will be appearing especially clear in a short time. The day of complete change in the way of life is always moving closer, the day, where everything experiences a change, for My Will is becoming active in an apparent way.

Man will not be able to protect anything, unless I protect it for them, and powerless they will stand in opposition to My power and will end up in great distress. But blessed is the distress, if people are affected by it only earthly, if their sole is not in jeopardyif man have faith then man does not need to fear earthly distress, then man can only gain victory despite earthly losses. But for the unbeliever a trying time begins, because for their loss of material goods they will suffer terribly and will have to give up hope to gain back any of it. They will not have any substitute of spiritual goods, since they never desired any when offered to them, but rather reject them.

This sorrow must pass over the earth, it can not be spared, but only be the upbeat to the last events, to the complete destruction of the old earth, which all of you will experience, if I don't call you out of your present life beforehand, as I think it beneficial for your sole. The believer will see and recognize all signs of the end, the unbeliever will pass them by, he only sees

the earthly distress and its result on the worldly life and turns away more and more from God.

Thus in coming times, the spiritual striving will be separating each other from the totally worldly/secular people, and it will be so very obvious that the awakened human will recognize the end times. Onwards moving with gigantic steps towards the end, and you will experience the end

Amen

Admonition to prepare for the end

You should prepare yourselves for the coming time What My seers and prophets have proclaimed will come to pass, for time has expired and according to eternal law humanity is facing a radical change, which has to be understood in a spiritual as well as a material sense. It is the time of the end, the earth is changing and for the inhabitants of earth an era comes to an end and a new one begins. Yet only a few of the people who are presently alive will experience this new era, for preconditions have to be complied with which only those few will carry out. For this reason the earth will come to an end and countless people will die as a result because they cannot experience the new era anymore. I Am indeed lenient with those who will still come to Me in the last hour, who will call upon Me for mercy, yet only a few will suddenly change and realise their sinfulness and therefore still be accepted by Me in the last hour. But it is My will that the small flock of My Own shall reach the final goal, that they will survive the ending of this era and enter the new era where I will need them to uphold My law of order. And therefore I say to you:

Prepare yourselves for the coming time, for it will make extraordinary demands on you, on your will, your faith and your loyalty to Me. The approaching time enables you to achieve exceptionally high maturity but it will also lay claim to all your strength. For the closer it gets to the end the more that which is actually reality will appear unreal to you, the more your faith will be attacked and My name dragged through the mud. But if you seriously prepare yourselves you will be above it all, for as soon as you belong to those who know, your faith can no longer be shaken. Knowledge,

however, is the consequence of love therefore you should make an effort to live a busy life of love for then you will prepare yourselves well for the end This is My advice which you should not ignore Cultivate love and an abundance of strength and light will flow to you which will enable you to resist everything that will be inflicted on you in the last days and nothing will be able to incapacitate you in the final battle. Prepare yourselves and don't hesitate, for the time is approaching the end, this period of Salvation will be terminated because it corresponds to the eternal order that a change will have to take place as soon as no further progress can be achieved in the spiritual development No spiritual impetus can be found amongst people, only a few are striving towards the light and for these few I have a new task in mind which will only start after the change that takes place at the end. Hence they, My small flock, will once again be admonished to eagerly work at improving their souls, for the last great onslaught will happen soon, the last battle begins which shall find forearmed fighters who will enter the battle with Me and therefore will also win who will triumph in the end over the opponent and his followers

Amen

God's language through nature's elements

I expect from you, my servants, a restless commitment for Me and My kingdom, because of the requirement of the spiritual necessity of man. Just a short time is parting all of you of the last end, and what can happen to the saving of souls that should still be done, for the earth again will take in and absorb all, what failed as man, and it is a terrible lot, which I would like to spare any of you humans from. But you yourself will make the last decision with your free will. I for Myself can do nothing further but by continuously addressing you with My warnings, and everyone who gives Me support in this direction, will be blessed by Me. Thus shall be the continuous mentioning of the near end inclusive, that I beforehand will obviously express Myself through a grand nature event my last admonition is, once I speak to man who will not hear my words through the elements of nature But this language can not be overheard, for man will stand

horrified before an incomprehensible grand nature event, and no man will be spared in so far as, everywhere man lives the news will penetrate, that every individual personally feels spoken to, because he himself could be hit by the same event in his own home land for man will fear a repetition and therefore will have to be ready for a sudden demise (death).

Much sorrow and misery will have to pass over this earth, but yet it is only a remedy, which I apply out of love, to save the soles from destruction, from the horrible lot of captivity anew on this earth. But humans that will be hit by the nature events, those humans being its victims are not mercilessly given up to their fatebecause of their premature ending of the life on earth. they will be granted a mercy care in the beyondThey still will have the opportunity to climb in the heights; they have the chance to come to the light in the beyond, which they disregarded on earthThey don't have to fear the captivity anewunless they are to stubborn, that they are sinking into the depths as true devils, incorrigible and therefore would have not changed for the better while still alive on earth. And also the effect onto the humans from the nature event will be different, then again people will turn to Me in fear and as a result of the experienced rescue, will preserve to Me loyalty, where as the opposite will become obvious in the fall away from Me, because one will not let stand the God of Love, who let happen such an event of destructionfor their dark spiritual position will not find an other explanation for that event.

But such a clear voice must sound from above, whether it will be recognized as My voice or not, for it is going with gigantic steps towards the end, even though only a few soles in trouble will find My way, it still will be of some gain, hence they are spared the long road through the creation of the earth, but can enter the kingdom beyond, in which they too can reach an ascent, which would have been questionable on the earthon the other hand it would have led with grate probability towards the depth (or would have strived towards the depth.)

And I have to, lay it all before you, my servants. For you shall be forearmed, and you shall learn to watch the happenings around you from this side, and you shall dedicate yourself totally to Me and as my tools be continuously effective in My willYou should drop all your earthly thoughts, everyeven the smallestworry hand over to Meyou must totally absorb

yourself in your vineyard work, however always pay attention to My inner instructions. But over eagerness is causing harm, where wisdom promotes all success and wisdom is always carried over to you, if you totally enter in my will, if you are only the executors of My will, and I know, that you, My servants, take your task serious, and that is why you continuously receive these directions, which you will feel in your hearts as My loving speech, to which you therefore will respond to, for the well being of your fellow man.

Oh if man would only know, what is about to happen to themBut they refuse to believe it, while it will be foretold to them, through the mouth of My prophetsAnd they can not be forced to believe. But the day is continuously moving closer, which will cause a total change to the living standardand blessed, who will call on Me in extreme distress, for I will hear him and hear his plea, thus he won't be lost for ever

Amen

A forthcoming natural event

In the foreseeable future you will experience the truth of My Word, for I will express Myself through the forces of nature, as I have constantly forewarned And you will not be able to ignore My voice, for it will resound powerfully and throw the world into chaos Although the region of the event will indeed be limited it will still be of such enormous proportions that everyone will be alarmed once he is informed of it For, at first, all communications to the affected areas will be cut off An eerie silence will engulf the disaster zone because all contact is lost until the first horror has passed. And then the world will be informed of what has happened, before it receives the news of the disastrous details.

However, people have to be sharply spoken to by Me because they refuse to listen to My gentle voice, because they don't believe My Word which is sent from above and conveyed to them by My messengers. Hence, I have to express Myself such that My voice cannot be ignored And I have to send a judgment on humanity to which many people will fall victim but who may nevertheless receive My love and grace due to their untimely death.

And thus you shall recognise the truth of My Word and activate your will, for even after the disaster you can still make a free decision since I force no one to turn to Me Yet the appalling natural event can contribute towards people finding their way to Me, because the adversity is extreme and there is no obvious rescue from any side. But what appears to be impossible is possible to Me And if a person remembers this and calls upon Me in spirit and in truth he may also experience miraculous help I will so manifestly reveal Myself to him, that he will recognise the might and also the love of his God and Creator and then turn to Me in profound faith and humble submission.

Anything that can still bring souls back to Me will be done by Me, but I also know how difficult it is to win them over and therefore extraordinary means of deliverance have to be used, which seem cruel to you humans and yet are only an activity of love on My part in order to save the very souls whose state is known to Me. I don't want to let them fall into My adversary's hands, who will provide them with a far worse fate than the greatest earthly suffering could ever manage Believe Me, no matter what happens, no matter what is permitted by Me, I Am only ever motivated by My love I watch over every person's fate, no one is too unimportant or too immature for Me, I care for all of you who are presently living on earth as human beings, because I want to help you reach final perfection on earth, because I want to protect you from the fate of a new banishment and only ever want you to turn your thoughts to Me, so that you will escape the final downfall to be placed once more into the creations of the new earth.

And irrespective of how disastrous My intervention is for the people of the affected regions it is justified by My love for you, for from a spiritual point of view it is just a rescue mission and not an act of condemnation Your earthly loss is irrelevant compared to the gain which your souls can achieve And if you have to lose your life then you may also depend on My mercy, which provides you with the opportunity in the kingdom of the beyond to become enlightened and to ascend For on earth you would, with certainty, have fallen prey to My adversary, and from this I want to protect those of you whom I recognise as still being capable of change. For there is only a short time left before the end, and this end will come soon afterwards. Yet, prior to this I still want to give you a sign, a

final admonition and warning which, although it will painfully intervene in untold people's lives, shall strengthen the faith in My Word, so that they can prepare themselves for the end, which will not take long to follow

Amen

Cosmic phenomena

Very soon you will know for certain that something is taking shape in the cosmos, for unusual events will worry you humans because you will be unable to find an explanation for them. Many speculations will surface, many opinions will meet with conflicting notions, yet only those people's points of view come close to the truth who suspect a connection between that which was proclaimed in Word and Scripture, which people were told by seers and prophets at all time Anyone with spiritual vision can find an explanation for all events, for everything has a **spiritual** meaning and is intended to fulfil a **spiritual purpose**: to draw people's attention to their actual purpose of life so that they prepare themselves for the imminent Judgment

And science, too, will support this, for it will discover the unusual changes in nature first, the cosmic happenings, which will confound them, and the significant appearances which they will not be able to explain due to lack of knowledge. They will observe and marvel but they will not accept the only true answer that the earth will be shaken to its foundations, which could indeed be caused by these phenomena. They won't want to believe it and will therefore always argue against it if the Scriptures, the ancient prophecies, are pointed out to them, if they hear the opinion of the believers or if the messengers of My Word proclaim to them the approaching end

And therefore it will be difficult to make the intervention on My part plausible to worldly people, because an attempt will be made to explain everything in a purely scientific way. And only a few will become aware of these unusual phenomena and therefore ever more assuredly draw people's attention to the end. And I will so evidently support their words of admonition and warning that even the scientists will apprehensively admit

their lack of knowledge And they will discover a star which will come constantly closer to the vicinity of earth and which will apparently take an irregular course By observing its path their attention is drawn to ever new peculiarities And they will recognise it as a danger to earth and at the same time they won't want to believe in its destruction because it will never before have been experienced But I will allow it to happen, because My eternal plan of Salvation necessitates something extraordinary which still intends to benefit humanity and because it shall be an warning sign of the work of destruction which will follow soon afterwards and which will bring this period of Salvation to conclusion

The more the end approaches, the greater will be the irregularities which people will experience, because they are meant to take notice and begin to wonder about the correspondence with that which is quoted by the believers as the Word of God, as predictions by seers and prophets, and endorsed as truth And now My spirit also proclaims through My servants on earth the near end again and My loudly resounding voice of thunder before this event and these very phenomena will bear witness of the truth of My Word Pay attention you humans, and just look at everything as indications of the end, which I give to all of you so that you do not fall prey to ruin, for everything that happens is so important that it would be able to convince you if you were of good will The time is fulfilled and the end is near

Amen

Cosmic changes

I want to guide you ever deeper into truth so that you will bear up against all challenges by My adversary who leaves no stone unturned in order to prevent your work for Me and My kingdom. And the more knowledge you possess, the more you penetrate the truth which can only be imparted to you by Me, the more firmly will you stand your ground, for you will realise that all objections and contradictory statements are pointless and unfounded, they will only ever be empty words without deeper meaning and significance. But it is My will that the light in you shall become brighter,

that in your ever more enlightened state you will learn to recognise all correlations and will therefore not be unsettled by objections anymore. And I also want you to correct errors when you are confronted by them I want you to be sincere fighters for Me, I want you to fight with the sword of your tongue where you are opposed by error, for you have been chosen by Me as bearers of light to convey the truth to wherever there is the will to know the truth And in particular the end of this earth will often be a controversial subject because hardly anyone wants to believe in it and precisely because the process of final destruction will be such a momentous event it does not seem credible to people for they have no comparison to such an event, no matter how far back they can think.

And yet, it will happen and take everyone by surprise apart from the small group of those whose life of love granted them inner enlightenment and who therefore also consciously expect the end of this earth. But wherever even the slightest worldliness prevails, where people have still not entirely detached themselves from the longing for worldly possessions, there will only be weak belief or none at all at the end of this earth, and they will reject all proclamations of this kind as false prophecies and time and again try to contradict them. And extensive explanations will not suffice either, because they simply lack the will to believe in such prophecies, their love for the world is stronger than their love for their neighbour or they would be spiritually awake and incapable of doubting in the slightest what I Myself proclaim through the working of the spirit to people time and again, so that they will prepare themselves for a near end.

However, you, My bearers of light, shall ever more strongly believe in everything I say to you, you shall experience My love and My constant presence, you shall lovingly and gratefully accept the immense gift of grace I give to you because you are faithful to Me and fight for Me and My name because you love Me and your neighbour. And for that reason I want to give you a proclamation which again will only be accepted by the profoundly devout person but which soon will also be able to convince the doubters, for not much time will pass until the first signs of a great cosmic change become apparent which cannot be explained by any scientist or even the sharpest of intellects and which will give rise to serious concerns And you will have no possibility of protecting yourselves from the looming

disaster; you will only be able to wait and thus become greatly agitated, for the said cosmic phenomena will be the onset of the immense natural disaster, for the universe will revolt against all unspiritual beings within the vicinity of earth and which at present exert an extraordinary influence on the spiritual beings striving towards ascent

A tremendous battle has erupted between the spirits of light and of darkness, for these spirits know that a turning point is approaching and both sides will use the last days to an extraordinary extent And these spiritual battles for people's souls on earth affect the various stars in the universe which in some respects are in spiritual contact with Earth And with My approval the inhabitants of these stars also participate in the final battle on this earth, and they express themselves by way of massive eruptions which can be observed from earth and cause acute anxiety in people who are able to monitor the course of the stars and their changes of movements, which in all probability will not bypass Earth without a trace Humanity can only be woken up by science now, for they do not listen to spiritual notions but cannot deny scientific observations and by thinking about it they can still find the right path with good will.

For the greatest prophets may arise on earth and yet people will not believe them And neither can I speak to people in a compelling way in order to make them aware of being in danger due to the approaching end But I can let unusual things happen in My creation by apparently revoking the order and yet this, too, is part of My law insofar as that it is included in My plan of eternity for the sake of a specific purpose. And again there will be people who won't even allow themselves to be impressed by this, who will continue to live their sinful life and head towards the abyss without letting anything get into their way But there will also be a few who will start to wonder and then listen to the explanations given to them by My messengers of light And the faith of those who want to remain loyal to Me will be strengthened again, for they recognise the truth of My Word and therefore firmly hold on to My promise that I will remember all of them and fetch those home on the day of Judgment who believe in My Words and remain faithful to Me until the end

Amen

Statements by seers and prophets

Listen to what the spirit of God proclaims to you: the seers and prophets are chosen by Me Myself because they have to fulfil a great and important task informing people of the forthcoming Judgment of the world and admonishing them to prepare themselves for it. These seers and prophets don't use their own words but merely pass on what My spirit tells them. Thus, in a manner of speaking, you receive a direct proclamation from Me Myself, I merely have to use a mediator in order not to compel your thoughts and actions. You therefore **can** believe it but are not **forced** to do so. You will believe it if you acknowledge the gift of vision and prophesy in these mediators; you will reject it if you doubt their mission. But I want to make it easy for you to believe them, I will visibly emphasise their mission by allowing the announced events to happen which precede the Judgment I will make sure that these announcements will be spread, that many people can be informed of them and that they then will experience the evidence of it, because everything will happen as I predicted through seers and prophets. Although I warned people when I lived on earth to beware of false Christ's and false prophets and pointed out that My adversary's emissaries will also wreak havoc, I now caution people once again not to get caught in his nets of lies and to believe his intrigues, for he is active and through remarkable accomplishments, through physical works of wonder, is trying to awaken in people the belief that the 'powers of heaven' are expressing themselves

But precisely his remarkable activity during the last days also gives rise to My countermeasure which consists of using methods that revive a weak faith again or let a lost faith arise anew. And this cannot happen in any other way than through pure truth, which comes forth from the source of truth but must reach you humans through mediators because you are unable to receive it directly yourselves.

And thus I present to people what lies ahead of them. And the people I have chosen to mediate between Myself and you humans can be acknowledged by you as genuine prophets whose words you should believe. I Am also prepared to demonstrate that they speak on My instruction and inform

you of what is to come by very soon making the first announcements come true. For the most important task of these seers and prophets is the announcement of the end, which is of utmost importance for you humans and which you thus should await being **prepared**. And for this you are still granted a period of time which can suffice to save your souls from ruin.

And so I will not hesitate much longer, I will confirm My seers'and prophets'mission, I will let their proclamations be followed by action Prior to this before the end I will shake the earth and show Myself to all people through a natural event which time and again has been announced according to My will. For I gave them the instruction Myself, they only spoke as My instruments, as My representatives on earth who should admonish and warn people on My behalf. You must not deem yourselves safe from events which testify to a higher Power, you should dread them and believe that My Word is truth, that I Myself speak and have spoken to you through them and that you are therefore definitely approaching an extremely difficult time, if My grace will not call you back beforehand. You are facing the end of an era, and in this certainty you should live your life accordingly always in view of a sudden end which, however, need not be feared by anyone who consciously improves himself, who pays more attention to his soul than to his earthly body, for he will not lose anything but only gain

Amen

Announcement of the Judgment

Doubts

The approach of a star

You have been informed of an approaching Judgment but you doubt this and do not take My Words seriously enough, or you would not make further earthly arrangements and only prepare yourselves for the day when My proclamations will come true. Although you do not know the day, it should suffice you that I, as your Creator and Father of eternity, have revealed it as shortly forthcoming, that I thus have informed you that it is time for you to prepare yourselves or I would not constantly repeat the

admonitions and warning, but leave you without notice. And therefore you should pay heed that the deadline grows ever shorter and is expiring very quickly everywhere. All earthly worries are in vain for I will take care of My Own so that they will have what they need. The others, however, will not be able to hold on to anything, even if they associate with My adversary, even if they, at present and with his help, are prosperous in a worldly sense and continue to increase their possessions, be they earthly goods or honours or worldly wisdom. My adversary will not be able to protect them on the day of terror, since I want to bring people to their senses through the forces of nature, so that they will think of their God and Creator and entrust themselves to Him in dire adversity.

Then everything will fall prey to the forces of nature, nothing will be left for people except what I want them to keep. And therefore they should endeavour to gain My grace, they should unite with Me through deeds of love and heartfelt thoughts, they should speak to Me and listen for My answer, and they will reap a far greater reward than if they worry about their body's wellbeing, about earthly wealth and earthly progress. You should believe that soon will come to pass what I already predicted long ago; you should believe that there is not much time left and no longer worry how to gain earthly profits, for this worry is futile, as you will very soon realise.

I will give you, who spread My Word, a sign so that you will support it with full conviction. I want you to know that a star is approaching earth with great velocity, and that this appearance will happen shortly before I bring the constant proclamation to fruition. Then you, who are informed, will know that the hour is at hand. Then you should live only in accordance with My will, inform your fellow human beings of the forthcoming event, turn everyone's attention to it and closely unite yourselves with Me so that I can give you the strength you need during these perilous hours. Do not fear but only believe that I will deliver you from all hardship, so that you will be able to fulfil your mission for which I have prepared you so that afterwards you will bring My Gospel to your fellow human beings, for many of those who emerged unscathed will accept My Word with a hungry heart. You should realise that you do not have much time left until the end And preceding this end everything I constantly proclaim will come to pass. Believe it and prepare yourselves, for time is running out and I will

appear very soon

Amen

Approach of a star

Open your hearts wide, be ready to receive My light of love from above and listen to Me: A sure sign of the approaching end is the visible appearance of a star which will move into the direction of your earth and yet takes a peculiar course it will often withdraw from your sight and then suddenly appear again, because it will be accompanied by impenetrable nebulae which every now and then will disperse only to condense anew

You humans will experience something previously unknown to you as the effect of this star upon your earth is such that you will become alarmed because you fear that the earth could fall victim to this unknown star which will cause perceptible disturbances on earth which are, however, inexplicable to you. Some people on earth won't allow themselves to be shocked by anything that happens to them but who will now lose their composure because they can see themselves as well as the whole earth at the mercy of natural forces which they fear because they are unable to defy them.

And for the sake of these people `are the powers of heaven moving' I particularly want to address these people in order to achieve that they will entrust themselves to a God and Creator as soon as they realise that they are completely helpless What human will initiates no matter how dreadful its effect does not upset such people, yet they will become small and weak when they see themselves at the mercy of natural forces. And then it is possible that they will take refuge to Him, Who is Lord of all creation then it is possible that in their greatest need they will find Me This natural spectacle will cause enormous turmoil amongst people and the fear will not be unjustified either because, regardless of the strange phenomena accompanying the star, it will steadily move closer to earth and a collision will appear inevitable according to the calculations of those who discovered and followed its course. But I predicted long ago

that 'I will send you an enemy from the sky ...', that a natural disaster of immense proportions lies ahead of you which will precede the final end ... i.e. the complete transformation of the earth's surface ... and which will result in countless victims ... Time after time I draw your attention to it, and My Word is truth and will come to pass ... Yet you are informed of it beforehand so that you humans may become aware of My will and My power ... because you should know that nothing can take place without My will and that nothing happens without meaning and purpose ... that My thoughts are with those who are entirely without faith but whom I nevertheless don't want to lose to My adversary ...

And for that reason you humans should know what lies ahead of you so that you may find faith easier when in your great need you think of Him, Who is Lord of heaven and earth ... of all stars and worlds and to Whose will everything is subordinate ... You receive knowledge of this in advance because it can help you find faith if you are of good will ... A disaster will come over you ... but for every one of you it can also be a blessing if he gains life for his soul in that way, even if he should meet with earthly death ... if he calls upon Me in his need ...

Amen

Natural disaster before the end ...

The end of this earth and of all living creatures upon it is inevitable ... No creations on earth will remain, people and animals will lose their lives apart from the small flock of those who will be raptured in the flesh. This last act of My will has been planned from the beginning, time and again it has been proclaimed to people by seers and prophets, and is now announced to people again with all urgency as being close at hand, because it will be so enormous and no-one shall experience the end without having been informed of it. Yet the proclamations find no credence ... An event is approaching people, the enormity of which cannot possibly be imagined ... and yet it is dismissed as implausible and the admonitions and warnings are futile, for no-one prepares himself for this enormous happening. People don't believe in an end ... And thus I will proceed with

My final exhortation I will still give the unbelieving human race a last sign in the shape of a natural disaster the scale of which will also be huge but it will only affect the earth to a limited extent, so that they will no longer think it impossible and seriously take account of themselves as to whether and how they can be justified before Me at the end. Great events are often foreshadowed The natural event, which will be followed by the end shortly afterwards, is intended to be a final admonition, for it will cost many human lives, countless people will fall prey to the elements of nature, or little impression on the hardened hearts can be expected which, however, shall still be saved prior to the destruction I have always spoken through the mouths of prophets and even now I keep speaking through My devoted servants Yet people do not listen to this language apart from a few who believe My Words and are therefore willing to influence their fellow human beings according to My will

But now they shall clearly hear My voice and not be able to close their ears, for humanity's indifference motivates Me to disturb them and shake them out of their tranquillity, their worldly spirit so that no one will be able to claim that he received no warning. But even this warning will not result in turning to Me completely, because people don't want to recognise My voice and because I do not use force which impels people to come to Me Then the end will sweep everything which remains in opposition to Me away, for every human being still remains in opposition who does not turn to Me in view of the previous immense destruction which demonstrates My might Everyone still remains in opposition who thinks that an end of this earth is impossible, for he is spiritually unenlightened, which betrays his affiliation to My adversary I still try to break this opposition by all possible means without using force. And this final intervention will truly appear to be a cruel method yet I use it for the sake of your salvation, because My Words are not being believed and because the end is near to which they will then inevitably fall prey, and then their spiritual state will be the decisive factor as to what fate awaits them on the day of Judgment. And time and again I say to My servants that they cannot mention the end and the preceding natural event diligently enough, that they should not be afraid to draw people's attention to the fact that they will not have much time left, that they should unhesitatingly speak about My eternal plan and

that they therefore should also spread My Gospel, so that people know what I expect of them as not to descend into darkness as a victim of the forthcoming event I only ask for a loving heart which is willing to make sacrifices Then they will be able to wait for the coming events without fear, then they will belong to those who will emerge unscathed even if everything around them threatens to disappear However, dreadful things will be in store for those who do not want to believe And then I will have mercy on everyone who calls upon Me in his adversity, for I only want to rescue people and not let them fall prey to ruin For the end will come without fail, and then everyone will be judged in accordance with law and justice

Amen

God's intervention

My will shall defeat human will, My intervention shall prevent people's intentions, and before long every power shall be weakened in as much as by itself it is helpless against My will For I will show the world that it cannot exclude Me and that I will redirect earthly affairs when human beings are no longer able to do so themselves. I allow events to run their course until it is clearly apparent which power wants to assert itself on earth, but then I won't hesitate any longer and disable this power, if only temporarily, so that the time shall be fulfilled. I will visibly appear before the end, i.e. I will once more approach all human beings as overwhelming strength which only expresses itself destructively because nothing else but fear can persuade people to call upon Me the fear of death from which they cannot be saved without My help. There is no other way to turn their thoughts towards Me. And earthly power will disappear into thin air; it is equally incapable of resisting the forces of nature through which I will speak. A sudden change will occur, all human considerations will become invalid, new problems will have to be solved, new difficulties will appear and much strength will be needed yet again to master the new situation And this is My will.

I have compassion for humanity which, in spite of the most severe hardship, cannot find its way to Me, which only takes notice of world events and does not detect therein the effect of its deluded reasoning and extreme distance from God which believes that all fault and origin of adversity rests in human will but not in their own spiritual poverty, which is the cause and which every human being should aim to resolve. And thus I will confront people with My will to make them realise that they are also at the mercy of another Power so that they will approach this Power for help that they acknowledge Me because only then will I be able to help them. People are in urgent need of help, yet they close themselves to the strength they require. And to make them receptive of this strength I will allow severe suffering to happen. In just a short time you will hear Me, and the truth of My Word will be proven to you and blessed are those who believe before I provide them with proof, blessed are those who prepare themselves and constantly draw their strength from Me, for they need not fear the hardship, nor will they be harmed by the forces of nature, because this is My will

Amen

Reason for the catastrophe

In the last days before the end I pour a large measure of grace upon humanity For I know of their weakness, of their spiritual darkness and their inclination for the earthly world, their craving for earthly possessions, honour and fame I know that they are held captive by My adversary and in their weakness are incapable of releasing themselves from his power. And I try to help people in various ways since everyone requires support in his spiritual hardship. And I also know what each person needs and therefore consider everyone according to his attitude towards life itself or towards Me. For I want to win every single person for Myself.

But people don't know that My adversary keeps them imprisoned when they desire earthly possessions, since they are oblivious to the true purpose of their earthly existence. Consequently they don't try to escape his control either. And people who cling to material possessions with heart and mind have to be helped by Me in a special way which, however, is not recognised

by them as help I have to deprive them of their belongings, I have to let them get into situations where they learn to recognise the fleeting nature of all earthly things, I must make them realise their own vulnerability so that they will remember Me in their helplessness and consciously approach Me for help For I want them to find Me, Whom they have not found in the world and will hardly be able to find either This is a manifestation of Myself which affects people painfully but they cannot be aroused from their indifference in any other way

And yet, even this manifestation is a blessing in the last days, for a heartfelt prayer to Me and its fulfilment can direct the human being towards Me so that he will not leave Me again, so that he will ask for My guidance from that moment on and hand himself over to Me And then I have won him over and saved him from the adversary, who has lost his power over him. You humans will only ever see the destruction in every kind of natural disaster and make thoughtless judgments as long as you are not affected by them yourselves Yet nothing happens without My will or permission, and you should always bear this in mind when you hear about unexpected events threatening people's life and property, when people are powerless and only able to help according to their meagre strength But I know every individual person's will and also the possibility of leading erring souls onto the right path to Me And truly, I will take care of every individual who prays to Me in spirit and in truth and appeals for My help And the time of the end justifies such events which human will is unable to prevent if they had been taken into account by My will You humans will often still be subject to the fury of natural forces and only rarely recognise therein My loving care for those whose souls are at risk I only want to help you release yourselves from My adversary which initially happens when you send a heartfelt appeal to Me and thus acknowledge Me as your God and Creator and then recognise the transience of things which still belong to My adversary. Try to let go of your desire for earthly matter, for all sorts of possessions For you will always receive whatever you need when you join Me and recognise your real earthly task and aim to comply with it

But don't let yourselves be shackled by My adversary who so temptingly portrays worldly goods to you that I have to intervene Myself by showing

you that you can lose them at any time if this is My will. These interventions are painful but they can be a blessing for you And the One Who takes away from you can also always give to you. And He will help anyone in distress if he hands himself over to Him in complete faith and appeals for His help But always recognise My will in every natural event, for My will is truly determined by love and wisdom and thus everything is a blessing for you as long as you find the right attitude towards Me and realise the true purpose of earthly life then you will come ever closer to Me and know that everything I allow to befall humanity is a gift of grace For it is the time of the end

People's fear

Natural disaster and its consequences

All disbelievers will suffer inconceivable tribulation when I manifest Myself through the forces of nature, for they will experience a spectacle of development by tremendous forces against which the human being himself will be completely powerless. People will be seized by mortal fear, and even My Own will be affected yet be miraculously strengthened by My help as soon as they lift their thoughts up to Me. The disbelievers, however, will have no support to hold on to and will be hopelessly exposed to the elements of nature. In view of death a few will call to Me in heartfelt need, and their call will reach My ear and denote earthly or just spiritual rescue, if their hour has come. Yet then they will still have gained their eternal life.

But in the main, people will be senselessly scared, that is, they will be incapable of thinking of God, they will try to save themselves and face the same difficulties everywhere, for the whole of nature will conspire against them, all elements will be in tremendous uproar, water, fire, storm and light will leave their natural order and cause an unimaginable amount of devastation which will cost countless human lives. It will just be a short action but have extremely far-reaching consequences for all survivors, for only now will there start an earthly time of hardship which surpasses all previous experiences. People will have to change their way of life

completely, they will have to make use of everything left to them, they will have to rely on themselves and cannot expect any earthly help for a long time, since they will be completely cut off from the world and contact will not be able to be established again in a hurry.

The magnitude of the disaster will be incomprehensible, yet I constantly draw your attention to the fact that you should not abandon yourselves to earthly possessions, that you should not consider them important and forget about your soul, as it entirely depends on its maturity how you will bear up to the aftermath.

Proclamations of this nature meet with little belief and yet should be taken extremely seriously, for they will fulfil themselves literally. And every day is still a gift of grace which you should utilize, not in an earthly sense but spiritually, for only your spiritual possessions are of lasting value. Nevertheless, I promise My protection and My help to all of you who believe and want to be of service to Me. Don't let My Words depress you but know that everything, even the most difficult, can be endured if you hand it over to Me, if you ask Me to help you carry your burden I will not leave you and will help you persevere until the end

Amen

'There shall not be left one stone upon another'

Great adversity

A time will come when everything that was laboriously acquired and built up shall be lost; a time will come when people will realise that everything which was intended to provide them with physical prosperity is worthless and they will be completely destitute, because they lack spiritual wealth whose possession lets people get over the loss of earthly goods. I constantly draw your attention to this time for it will come to pass as it is proclaimed in Word and Scripture not one stone will be left upon another The fact that such a dreadful work of destruction shall take place as an act of God might sound incomprehensible to worldly-minded people, nevertheless it is inevitable, firstly, because it is intended to have an educational purpose and then it is also designated in the eternal plan of Salvation to enable

the spiritual substances at a lower stage of development to attain other forms. It is necessary for people to be extraordinarily severely affected for they pay almost no attention to their spiritual development anymore and shall be given final encouragements, although they can also ignore them if they are unwilling to change and to ascend. They can only be treated even more harshly for they are no longer open to gentle admonitions and everything which hitherto was inflicted upon humanity for this purpose remains unsuccessful. However, the forthcoming time will involve a drastic change, so that people's thoughts will automatically turn to the meaning and purpose of earthly life and nevertheless cause a change in a few people, which will be truly beneficial for them.

The adversity will be so severe that it will awaken the willingness to help in those who still have a spark of love in their heart, and this spark will find nourishment and grow into a flame, for anyone who only wants to help will also actively help and ease his neighbour's difficult fate, because he knows himself how much distress every individual person's fate is causing. And those who are willing to help will also be helped by Me, they will receive help as a sign of a higher Power where no way out can be found anymore, Which lovingly draws up close to people to reveal Itself to them. For earthly help often seems impossible but that which is impossible for people can still be accomplished by Me, and thus even the greatest adversity is not hopeless because nothing is impossible for Me. And thus the love which is given to one's neighbour will bring forth good fruit, it will gain My love, and this signifies help and grace and an exceptional flow of strength, on account of which My Own need not lose heart, for they will not feel the adversity so much because they will be full of strength and always have Me by their side as a Helper Who, for the sake of their faith, will work evidently in order to still gain the few before the end who are weak in faith but nevertheless of good will They will receive strength and survive that time of need without damage to their soul. My Own, however, will be protected by Me and can anticipate this time without worry, for it will not last long

Amen

Chaos after the intervention

I keep telling you time and again that you will experience an incredible chaos due to My intervention The forces of nature will get completely out of control leaving you unable to think; only My Own will be able to pray to Me, although these will only be desperate prayers by sending short, pleading thoughts to Me, but I will hear them and protect them from the worst. Yet everything will become disorderly and throw people into bitter states of adversity And this will already signify the end for many because they will lose their life although it is not yet the end of this world.

However, before the final end I will still try to rescue what will allow itself to be rescued I want to reveal Myself to those of weak faith so that they will call upon Me in their need and receive obvious help, so that their faith will be strengthened and they will still be helpful to Me when the earth's last phase begins. And I assure you that it will almost be too much for the individual and only One will be able to give you strength and send you help if you call upon this One in utmost need

But you humans cannot be spared this intervention, for it is a last attempt to save the souls who are still without or of little faith. When they see no other way out people can nevertheless still remember their God and Creator a Power above them Which alone is able to help. Once the huge natural disaster will be over, the adversity will not end and the chaos will constantly increase. And then it will show where there is still a living faith, for this alone will master all adversity

Anyone with a living faith will completely entrust himself to Me and truly, I will not let his faith be destroyed. Time and again he will be helped, and he will also try to lead his fellow human beings into faith, and depending on their will and personal inclination to help they, too, will receive help, for the desperate situation will motivate actions of love and thus will have fulfilled its purpose of awakening neighbourly love which, again, guarantees that I will give people My love and the strength to deal with their situation.

You, who belong to Me and want to fulfil My will and be of service to Me, truly need not fear this time of adversity, for your constant bond with Me assures you My protection and a great extent of strength. Besides, I

will also need you again to spread My Gospel of love, which will then be extremely necessary, for once again people will display their nature and only few will be helpful and assist their fellow human beings and they, too, will be helped time and again, of which they can be certain But, on the whole, ever greater selfish love will surface, and people will ruthlessly take what does not belong to them in order to improve their living conditions The aggressive person will prevail and want to ruin the weak. And this will particularly characterise this time of hardship and reveal that humanity is ready for its downfall. Nevertheless, My Own shall always rely on the fact that I know of their difficulties and will also remedy them for, truly, everything is possible for Me, and I will also take care of your earthly lives and provide the most remarkable help so that your faith will become ever more alive, and with the power of faith you will prevail over everything and yet cannot be overcome by your enemies

You may well believe that this time is approaching; after all, I Am still using all means of help to still win over souls who are not yet entirely enslaved by My adversary I also want to reveal Myself in My love and might to them as soon as their faith is a **living** one, for conventional faith will be completely abandoned since it was not a convinced faith, which remains steadfast during such earthly hardship. And all those who previously had revelled in an excess of earthly possessions will be bitterly affected by this hardship as the transience of earthly possessions is visibly brought home to them. And the effect depends on their souls' maturity, they will either take refuge with God and appeal to Him for help or try using their own strength to succeed and that at the expense of their neighbour, because they lack love or they would take the path to Me.

This time of adversity will make great demands on you humans, nevertheless you will survive it with My help Therefore ask for it, and also appeal to Me in advance for the strength to be able to endure once the chaos starts. For you will be able to achieve much in unity with Me but you will remain weak and helpless if you rely on your own strength and presume not to need divine help For I Myself will be with everyone who calls upon Me in his adversity

Amen

Earthly precautions against the disaster are futile

You must completely detach yourselves from the world if My strength is to permeate you and you want to become aware of it. And thus even in hours of anxious adversity you will only be full of strength if you are able to ignore all earthly happenings and completely hand yourselves over to Me with your thoughts. And I will take particularly good care of those who try to find this intimate bond during hours of greatest earthly adversity for they demonstrate their faith in Me, which I will never disappoint. You yourselves are unable to avert whatever I send upon you, hence all efforts you make to safeguard your physical well-being will therefore be in vain. You will gain far more by focussing your mind on Me and faithfully wait for My help, for it will result in certain success, and I will protect your body and soul because you believe in Me. Prior to manifesting Myself through the forces of nature I will still send you unmistakable signs that a disaster is approaching, and then remember My Words Collect yourselves in prayer and only pay attention to your spiritual welfare, don't worry about your body, just try to establish heartfelt contact with Me so that I will be able to affect and guide you unhindered without finding resistance through earthly diversion, which weakens the working of My spirit or even makes it impossible. Make no attempt for the maintenance of the body, for that which I want to keep alive will also stay alive, and that which you should lose cannot be protected by your will. I know what you need, just as I know what impedes your souls' further development.

And therefore leave it to Me to care for you, for your earthly possessions and only consider your soul, because you don't know whether it will be your last hour too I announce Myself in advance because in My love I still want to give you ample opportunity to make contact with the spiritual kingdom, with Me, Who holds every individual person's destiny in My hand and guides it as is best for you. Anyone who unites with Me has found the safest protection and truly will not need any other earthly protective measures which can become worthless in an instant. For again I want to manifest Myself evidently, I want to make Myself apparent to My Own in order to reinforce their faith, to teach them to become true labourers for My

kingdom, which they shall become afterwards. Don't worry for I will take care of you; only heed My Words of love and let your heart respond to them. And remind your fellow human beings to conduct themselves in the same way, caution them against overzealous precautions for their earthly welfare and also appeal to them to faithfully turn to Me and commend themselves body and soul to Me. And anyone who heeds your Words will be miraculously guided according to his strength of faith. Therefore don't fear anything no matter what happens, even if you are in a most dangerous situation My arm extends far and wide to help as well as to destroy Whomever I want to keep alive will remain alive, and whomever I want to destroy will be unable to save himself he should only make sure that his soul will not fall pray to darkness, then he will be saved for eternity

Amen

Prediction of a swiftly approaching end

Weak faith therein

You know that you cannot expect a long life on earth anymore and that every day is a grace enabling you to mature fully if you make correct use of the time. You know this from My Word but your faith is not yet profound enough to be spurred into utmost striving, you doubt the truth of My Word as far as it relates to the approaching end. Nevertheless, you should eagerly work at improving yourselves, for the end is at hand Time and again I approach you with this admonition and warn you of half-hearted thoughtless living; time and again I call to you: Pay attention to My Word, engross yourselves in it and live accordingly.

You won't know when your last hour has come, you don't know how much time you have left until the end, hence you should live as if every day is your last. I always send you My obedient spirits to convey illuminating thoughts to you, to direct your mind to the spiritual kingdom, I send you My messengers on earth to inform you of the approaching end, to draw your attention to the signs of the last days and to awaken firm faith in you by imparting My Word to you which was transmitted directly to earth. And thus I constantly try to explain to you the gravity of the situation in order to

enable you a blissful end, yet none of you take My Words seriously enough, your faith is still too weak to live appropriately even though your will is turned to My direction. And therefore I admonish you time after time: Engross yourselves in My Word, let the thought of a near end come alive in you, prepare yourselves for it, and place less importance on earthly things in view of the end, in view of the immense spiritual hardship which will even increase the closer it is to the end.

Use all available strength in order to grow spiritually, and fully entrust the care of your body to Me. Make use of the short time until the end, be constantly active with love, always draw strength from My Word, admonish and teach your fellow human beings to do the same and thus help each other to reach the goal on earth which I had given you, help each other to become perfect, for there is only little time left until the end

World conflagration

Natural disaster

Decision

Nothing will remain hidden from you, who have offered to be of service to Me, for the final events will be so huge that you cannot be left in the dark about them, and especially if I want to speak through you to all people Hence you also ought to know that it will only require a modest impact to trigger a catastrophe which at first can be seen from a purely worldly point of view, but which is the signal for the subsequent natural disaster, although it is certainly not started by human will it is nevertheless the consequence of human will in as much as it will start a world conflagration that cannot be stopped by anything other than My will. And since humankind always only pays attention to world events something has to happen which is inexplicable to them the gaze of worldly people has to be visibly directed towards My intervention, and all human intentions must take second place in view of the discovery that something is taking place in the universe which could ultimately affect every human being

Thus, people must learn to fear God and not their human enemies And although it is up to every individual to believe in a God or not, the said cosmic event is nevertheless greater and more life-threatening than the world conflagration which then will recede into the background. For then people's spiritual attitude towards the Creator and Provider of all things will decide whether and how the natural disaster will take effect Whether you believe it or not, this event is approaching you with giant strides, and only a short period of time is separating you from it. And you who know this should make every one of you fellow human beings aware of what lies ahead of him, even if you will find no credence, but the events will confirm it

For the end, too, is coming ever closer This natural disaster is just a last sign of it, but who will still allow himself to be influenced by it? People will only just see it as a natural disaster and not be able to recognise any connection with humanity's spiritual state apart from the few who are spiritually awake but unable to get through and thus warn people in vain of the final end which they are inevitably approaching. Don't let the signs of the times pass you by unnoticed for they are cautioning all of you that you are living in the last days, and remember that you only have little time left in which you will have to decide whether you want to take the path to Me, Who can and will save you in all adversity or whether you want to strive towards the adversary again who wants to ruin you again for endless times.

For the sake of your freedom of will you cannot be informed of the day and the hour, but I can always just tell you with certainty that there is not much time left to you. Yet worldly events will affect you all, and thus you take little notice of what I say to you And it will befall you with tremendous force so that you won't know how to protect yourselves But let Me tell you that only I Myself will be able to offer you protection, that you have to take refuge in Me in order to be led through all dangers to body and soul. And if you humans would only just learn that a higher Authority is at work and that you have to call upon this higher Authority otherwise you will be hopelessly lost, for My adversary will use all his power just once more in order to get his hands on you. And anyone who does not decide in favour of Me anymore in the short time until the end will then also be

bound in matter, and he will have to take an infinitely long path through the creations of the new earth once more

Amen

God's end-time revelation

You are approaching the end And therefore I reveal Myself to you so as not to leave you in ignorance of what this end will mean for you. I reveal Myself so that you will prepare yourselves, so that you will live in the right way and need not fear an end. You humans don't believe in an end and reject all admonitions and warnings which you receive on account of My revelations You ridicule and laugh at those who proclaim the near end to you, you deem yourselves knowledgeable and feel superior to the knowledge which is imparted to a person in an unusual way. You are spiritually blind and unable to see anything, and yet you don't believe those who have vision and therefore tell you in which hour you live And it will be as in the time of Noah when I also announced the near judgment to people and found no belief, when the proclaimers of the judgment only reaped scorn and ridicule until the day arrived when My proclamations came to pass, until the day arrived when the scorners fell prey to the judgment And once again it will be like this, again the Judgment has been announced a long time in advance, and it will be proclaimed time and time again, yet the last day for this earth and all its inhabitants will come suddenly and unexpectedly, for My Word is truth and it will come true when the time is right. But who believes that people live in the midst of this time, that they will only have a short time left until the end Who believes that they are facing a change for the worse, something which no-one on this earth has ever experienced? Who allows himself to be impressed by divine revelations, by predictions concerning the near end? Which one of you humans is consciously expecting the end and preparing himself for it?

There are only a few who believe that which was proclaimed by seers and prophets, and these few only reap scorn and ridicule if they profess their belief in it and also try to inform their fellow human beings few people

listen to My voice and live their life such that they are not afraid of the end but rather feel pleased in view of the blissful time which will follow the end of this earth. However, I want to increase their number, I would like many more to realise that the time has been fulfilled I also would like to reveal Myself to those who are without knowledge Yet their will is defying Me and I will not compel anyone Therefore I content Myself with those who believe My Words and stand up for them, and I will grant them great power of speech I will let them speak in My place and although they, too, will have little success, although their words, too, will not be taken seriously, the world will nevertheless take notice of the proclamations of the near end There will be no shortage of indications and all over the world an end will be spoken of, but it will only ever affect a few such that they will believe and prepare themselves for it. And I will support those who have accepted the task of spreading enlightenment. I will bless all efforts which aim to distribute that which is conveyed to you humans in the form of revelations And the information of the forthcoming end will reach far and wide However, My revelations will prove themselves to be true faster than you suspect. For people will experience days of terror and thereby the truth of My Word will be pointed out to them ... And then they will still have sufficient time to prepare themselves for the end which irrevocably will follow these days of terror within a very short time And regardless of whether you, who spread My revelations, find credence or not don't stop proclaiming the forthcoming event; warn and admonish your fellow human beings and convey My revelations to them Proclaim to them the imminent Judgment which will affect everyone, even if they don't believe your words

Amen

God's voice can be heard everywhere

The gravity of the time

You live in an extremely difficult time and are constantly made aware of it because it not only concerns the earthly development in the history of the world but humanity's spiritual development, which you should recognise as being at risk in view of the near end. You have to admit to yourselves that extraordinary events direct your thoughts to spiritual problems; you also have to admit that the references to the last days match old prophecies regarding the end, and thus you must pay attention to them and be full of gratitude when thinking of the One Who is admonishing and warning you. You ought to take every reference seriously and look at all earthly happenings in relation with people's process of development you ought to know that every occurrence is merely a means to induce the human being to work at improving his soul, so that he will voluntarily strive towards God This time is so grave because the consequence of a person's life on earth is of utmost importance, since missed or wrongly used time on earth cannot be repeated and yet no-one can be spared the responsibility for it. But all admonitions and warnings are only possible such that they will not result in compulsory faith. They certainly point to the end, to the Creator and Preserver of all things, but they don't prove anything, and therefore there are just a few people who recognise the approaching end by the signs and who, aware of the spiritual hardship, hand themselves over to God. Then they shall speak on behalf of God and His kingdom, they shall try to convey their assured faith to their fellow human beings, they shall at all times be in contact with their Father of eternity and accept the warnings and admonitions imparted to them in order to pass them on to those who are still distant from God.

He that hath eyes to see, let him see. He that hath ears to hear, let him hear God's voice can be heard everywhere, His activity can be seen far and wide, and in all places people are mentally influenced from above Yet their will is free, and God will not forcibly influence anyone even if an extraordinary experience clearly reveals God's activity. The time until the end gets ever shorter, the signs will increase, thereby facilitating everyone's

realisation and belief; and if a person is of good will he will not resist and close himself to these indications. For God's grace takes effect in all places, the rays of the tiny lights which flare up everywhere can be persuasive if a person does not obscure them by not allowing himself to be affected by the rays And blessed is he who follows such a ray of light and need not spend the last days in darkness He will take the right path which will safely lead him to the goal, to God, his Father of eternity

Amen

God will implement His act of Salvation

Nothing will prevent Me from implementing My eternal plan of Salvation, for My love and wisdom have realised from the start when it is necessary to manifest My Power, to restructure My work of creation called Earth by virtue of My might, and this time will be adhered to, for that which I realise to be necessary will also be carried out by Me. For people's low spiritual level necessitates this change, since it almost cannot be surpassed anymore, and thus the day which was designated for eternity is not far away anymore All that needs to be done now is to provide people with the greatest possible help so that those who accept it will still be saved. Yet no-one should think that he can persuade Me to abandon My eternal plan of Salvation although I will always grant heartfelt prayers, as I have promised. But you should not pray for the prevention of the last Judgment on this earth, because this act is purely an act of love on My part and you should never prevent Me in My activity of love For I know that a complete transformation is necessary, both for you humans as well as all the spiritual substances which are still bound in the creations and which should strive to ascend. And if you pray for prevention then you are only motivated by selfish love because you neither want to forgo your earthly life nor your earthly possessions If, however, your love aims in the right direction so that it belongs to Me and your neighbour then your spirit will also be sufficiently enlightened so that you will be able to realise that the last Judgment is an act of love on My part Then you will recognise the low spiritual level yourselves and you will know that I must give rise to

a change in order to save what can still be saved I have indeed always referred to this last end yet never mentioned a time to you, and even now I will not inform you of the precise time but you can be assured that My proclamations will soon fulfil themselves, that you will not have much time left until the end of the earth that you are very close to it And when you pray then only pray that many people may still become enlightened, that they may take the path to the cross, so that the hour of the end will not mean their downfall but beatitude for them Try to explain the commandments of love to all people, try to motivate them into changing their love into unselfish love for their neighbour, and you will truly pray correctly when you pray for help for the people close to you which have not yet gained realisation themselves

But do not think that prayer campaigns will be able to determine Me and My will not to accomplish My plan of Salvation, for it really would not be an act of grace, instead My adversary would merely increase the number of his adherents, and even My Own would be at risk of being plunged into ruin by him Believe that My love and wisdom only ever want what is best for My living creations, that even this last Judgment is not an act of punishment on My part but only a judgment of that which has completely left My order I want to restore the order which was revoked through human will, through My adversary's influence, so that even My living creations' process of return is at risk My plan of Salvation only ever intends to return the fallen beings to Me However, you humans lack the overall view, the correct realisation, and neither do you know to what depth the human race has sunk already and that therefore the point in time has come that its fall will have to be stopped, that the souls will have to be wrest from My adversary again and banned anew, so that one day they will have the opportunity once more to start on the return path to Me, which they forfeited in this life on earth, which they failed to make use of and are therefore lost again due to their own fault. But My adversary will not keep them in his control, and that is a plus for the fallen soul already, which has to pass through the creations of the new earth in a dissolved state again. You humans are unaware that I Am only ever determined by love because one day you shall become My Own again and only see the punishing God in Me Yet you have created this `punishment' yourselves,

through your inclination towards matter, which has become your downfall, you have aspired towards this fate yourselves For matter belongs to My adversary, thus you voluntarily handed yourselves over to his authority, and he will hold on to you until I Myself wrest you away again from him, which will happen through a banishment into hard matter but which, at the same time, will be the start of your ascent from the abyss to the pinnacle again All this will be said to you time and time again, and therefore prepare yourselves for an end of this earth and do whatever it takes to detach yourselves from the one who wants to ruin you Come to Me and, truly, I will help you to resist him Then you need not fear the end, which will irrevocably come as I have proclaimed to you

Amen

Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God

Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
