Reason for the work of transformation

You will find it increasingly more understandable that a tremendous change will have to happen, which will involve people's spiritual as well as their earthly life For the state they have reached can only be improved by a massive intervention, and although this will take place in an earthly way it will also result in a spiritual change For everything has become disorderly, people's spiritual development has come to a standstill and in many cases even a decline can be noticed, hence the earth is barely fulfilling its purpose anymore and needs to go through a transformation lawful order has to be restored again, all spiritual substances must be allocated the place which corresponds to their degree of maturity or development. And people must especially integrate themselves into the right order again if they are to reach the goal one day: to become perfect according to their purpose Were you humans able to have an overview of the spiritual as well as the earthly chaos which presently prevails on earth, you, too, would realise that the only way out is a huge change, yet for the most part you are spiritually unenlightened and have no idea about your actual purpose of existence. This is already part of the low spiritual level, for you do nothing to obtain a little light as to why you live on earth. And you also reject your fellow human beings when they want to enlighten you of it. Everything has become disorderly because people's free will itself revokes the order, with the result that all still developing spiritual substances are unable to make progress, since people prevent their being of service and yet they can only advance by way of being of service Therefore divine order has to be restored again one day, and everything must fit in with this law People must voluntarily live in divine order, then they will also help the spiritual substances still bound within the works of creation to fulfil their serving function, they will be used appropriately and thereby slowly

ascend too. Anyone who is spiritually enlightened, who, through a life of love, has awakened the spirit within him to life, will recognise the urgent situation and will also fully understand the work of transformation, which will shortly be carried out on earth, for he knows that there is no other way out, he knows that all spirits are in the midst of a process of return, that this has come to a halt and that something urgently needs to happen so that this process can continue with promising results.

The time granted for the spiritual beings' development has come to an end, and thus all that which failed when it reached the state of free will must start the process of development again according to its degree of maturity, whereas the still bound spiritual substance will enter into new forms, also in line with its degree of maturity. This, therefore, necessitates a total transformation of Earth, the termination of all life, the dissolution of all external covers which still held the spiritual beings captive, and a complete redevelopment, the emergence of new creations. And this new work of creation will also be inhabited by people again who had reached full maturity on the old earth, who had remained faithful to their God and Creator even during their worst temptations through God's adversary, who remained faithful to Him until the end until they were lifted away in order to be returned to Earth again as the root of a new human race You humans are facing this enormous transformation, and you are told time and again to prepare yourselves for it so that you will not belong to those whose fate will be a renewed banishment into the creations of the earth And if you only have a glimmer of faith in a God and Creator, then pray to Him that He may save you from this fate, and He will truly grant your prayer If you are **unable** to believe, that is, if you are not **convinced** of an end, then at least take the possibility into account and live your life on earth accordingly, for the time which is still granted to you until the end will pass by quickly and you should and still can use this time well if only you didn't reject the thoughts in you which keep reminding you of that which is proclaimed to you through your fellow human beings Live as if the next day would be your last, and truly, you will not get lost And only pay attention to what is happening in the world and around you, and you yourselves will realise that the only successful solution is for everything to be replaced that a new Earth has to be created, so that the spiritual

development can be continued again with a favourable outcome

Amen

Serious admonition

The final phase of the earth

Your well-ordered life will only last a little while longer in order to then be plunged into a chaos which you cannot escape with your own strength. For then the earth will enter its final phase, it will be approaching its end This prediction has to be taken very seriously, since it is intended to make you aware that your time, too, is coming to an end, that you don't have a long lifespan left and many will even have to brace themselves to be suddenly recalled before. Every day you are still alive is a gift you should value, for every good deed you do in one day will increase your strength, which you will sorely need to make use of in the coming time. However, anyone who thoughtlessly lives without love and faith will be completely without strength or hand himself over to the one who will certainly provide him with strength but will not protect him from the end, from the last Judgment, from the renewed banishment in solid matter. Don't sell your soul for a price which will truly not make up for the hardship the soul has yet to go through when its earthly life comes to an end I cannot admonish you often and seriously enough about this, because I want to prepare a blissful fate for you. Yet you humans don't believe what I repeatedly let seers and prophets proclaim to you you don't believe it and I cannot force you to believe. You are truly worldly-minded and incredibly distant from being spiritual, you are completely immersed in matter and this matter will overwhelm you, it will completely imprison you again because you don't want to let go of it as long as you have the strength to hold on.

Try to imagine just for once imprisonment in hardest matter and being unable to free yourselves from it. The thought would give you tremendous strength to avoid this fate, yet you lack belief in it and I cannot give you this belief, you will have to acquire it for yourselves through a life of love Then the whole context will become clear to you and also the significance of your earthly life as a human being And you would be alarmed as

to how much you deviate from the task given to you for the time of your existence on earth Do good works, force yourselves to do so, learn to do without for the sake of your fellow human being, alleviate suffering and hardship, comfort and refresh those who are sick and weak, lend a merciful hand wherever you see misery you won't just do it for others but also for yourselves, for your soul will come alive and every good deed will gain you spiritual enlightenment you will attain spiritual vision and recognise My great love where you still see today the merciless reign of a power which only wants to torture you on earth Listen to My repeated call of warning and admonition and don't let it bypass your ears unheeded, let go of your desire for material things, only consider the salvation of your soul and don't worry, for I will also take care of you in an earthly sense if only you seriously take care of your soul, which is in utmost danger because the end is near

Amen

*Accountability on the Day of Judgement
Redeemer Jesus Christ*

Sooner or later all of you will have to give account of yourselves before My judgment seat and remember every hour you wasted and lost for eternity. Sooner or later all of you will have to confess your sins because they become apparent and cannot be kept secret any longer, for nothing remains hidden before My eyes. And thus I demand an account for all your thoughts, words and actions. And you should remember this Day of Judgment if you think that you can sin with impunity, this day, when all of you will have to be answerable about your way of life on earth. It will come without fail and take all of you by surprise because you don't expect it quite so soon. Yet it will come like a thief in the night, without warning and in silence, it will come when no-one expects it. And yet not unannounced, for long before I will have drawn people's attention to it, to the Day of Judgment, the day of the end and the destruction of this earth. The fact that you humans do not want to believe it will not change My plan of eternity, for this day has been predetermined according to My will and human will shall be unable to

postpone it but must submit to My will. The reason why I speak to people time and again through servants on earth and in the kingdom of light is due to the fact that a day like that, which concludes an unimaginably long period of development, shall not come unannounced to humankind. The Day of Judgment is the conclusion of an earthly period which was granted to people for their salvation. During this developmental period people received a special privilege ... the divine Redeemer Jesus Christ Himself came to earth in order to help those people who wanted to fail in their process of development.

And thus people were able to redeem themselves if only they wanted to. If, however, their will fails then it will be their own fault, and as long as people live on earth I warn them time and again about this fault. Their fault only consists of the fact that they don't want to accept help but are too weak on their own. What they can do they don't want to do, hence they will also have to take responsibility for what they don't want to do. This is why everyone will be held to account on the last day, for they all had a measure of blessings at their disposal which could have helped them to ascend with ease. And the indications of the end through seers and prophets are part of these blessings. But anyone who does not listen to them, who does not give credence to them, does nothing for his own redemption either. I always admonished and warned people through seers and prophets, and the often enough announced end of the old earth also explains the emergence of prophets in My name, because I won't leave people without warning and they are living in the last days, because the end is so near that all of you would be shocked if you knew the day and the hour. Time and again I draw your attention to it yet no-one shall be forced to believe it, but woe to those who listened to My Word and refused to believe it ... who recognised it as My Word and yet do not believe in the end and the Judgment and therefore do not prepare themselves for the end. Woe to them ... for the hour will take them by surprise when the last Judgment arrives

Amen

Spiritual low level is the reason for the disintegration

A considerable spiritual decline is noticeable, for people pay little attention to events which happen on the spiritual level They just observe worldly events and the effects of these on their physical life, they merely entertain earthly thoughts and have no contact whatsoever with the spiritual world. Rarely, if ever, are their thoughts directed towards the kingdom that is not of this world They only believe what they can see and doubt all spiritual happenings. They don't believe in Me or they would try to make contact with Me, their God and Creator of eternity They consider everything spiritual as unreal and thus don't investigate it, and if they get drawn into conversations about Me by their fellow human beings they don't want to know and even frankly admit their disbelief. They have no spiritual links because they are held captive by earthly matter and thus by My adversary, to whom they belong and from whom they do not intend to dissociate either.

Hence the considerably low spiritual level, which is the reason for the end of the old earth, the end of a period of Salvation, which requires the disintegration of the earthly creation. For the earth shall be a place of education for the soul which lives on earth embodied as a human being. But the **spirit** within the human being is no longer taken notice of, the human being considers his earthly life an end in itself and no longer does justice to his actual task, he does not comply with his task on earth. He ignores the spiritual development of his soul He lives in complete ignorance of his earthly task and will never gain any knowledge of it either since he refuses to be informed of it. He rejects every explanation or instruction given to him by faithful people and cannot be forced into realisation because this contradicts My love and wisdom

And therefore I will use other methods before the end in order to motivate the few, who are not entirely enslaved by My adversary, to make them think These methods will, in fact, be very painful because people have to be severely affected by fate in order to come to their senses and take the path to Me. For they will get into serious difficulties in which they can no longer expect earthly help And then it will be possible that they will remember

the Power Which had created them Then it will be possible that they will call to this Power from the bottom of their heart And then I will truly hear their call and also answer their prayer, and I will reveal Myself to them through obvious help, through saving them from their adversity. Yet I will take no notice of words merely voiced by the lips However, a heartfelt prayer, a prayer in spirit and in truth will be granted by Me, because I still want to gain every soul before the end so that it will not go astray again for an infinitely long time

People's spiritual decline is the cause for considerable and harsh strokes of fate which still have to befall humanity in order to change their thoughts, as far as this is at all possible. The fleeting nature of earthly possession will still bring many a person to his senses and prompt him to seriously consider the state of his soul. Yet their will shall always remain free, and they have to take the path to Me entirely uninfluenced But their deliverance is guaranteed if they take this path, for it only concerns their soul's salvation and not their physical well-being

It only concerns their acknowledgement of **Me**, that they **believe in Me**, which they should demonstrate by their appeal to Me in spirit and in truth And they will be saved from ruin, they will be seized by My loving Fatherly hand and wrested from My adversary's clutches, who has no authority over people's free will and shall lose his claim on this soul. And every human being will truly be blessed who still professes Me before the end who takes refuge with Me in his adversity and then allows himself to be seized by My love. For I will not let him fall, and he will thank Me eternally that I have fought for his soul until the end, that My love left no stone unturned in order to win it forever

Amen

The present time will lead to the end

And time and again I say to you: You will experience the end It is an urgent wake-up call which I send to people who presently inhabit the earth, it is a call which I will still intensify because you need to let go of your conviction that you still have much time left, because you need to spend thought on a sudden end and try to come close to Me. You have only little time left and very soon will be startled out of your calm, fear will enter your hearts which you can only banish by calling upon Me, by faithful prayer, which will provide you with strength and composure. The time is fulfilled, and even if you resist this thought you must prepare yourselves for whatever the end entails. It is you who will experience the last battle, who ought to win it; it is you who will experience the last Judgment, who will either see My coming in the clouds and the homecoming of the righteous or the final act of destruction take place, depending on your attitude towards Me, depending on your will and your love. It is you who must make a decision since you will not be able to enter the kingdom of the beyond after your death if you side with the adversary, but you will have to repeat the process through the creation of the new earth according to My eternal counsel. Do not expect the end in the future, get used to the idea that the present time will lead to the end, that you will be affected and that everything will come upon you as seers and prophets predicted according to My will. I can only ever draw your attention to it and as confirmation of My Word speak to you from above, and I will implement it shortly because there is not much time until the end.

I will inform you, whose will to serve Me made you My Own, once again of this just before the end, so that you will not experience the day unprepared, for even though you believe that My Word is truth you are still not taking My prediction seriously enough, you are still counting on a reprieve and not on My speedy arrival which, however, is about to happen to you. Yet you will yearn for My arrival when the time of the battle of faith comes and you enter the last stage of this earthly period. Then you will have learned to despise the world, you will have no further desire for earthly possessions, you will only yearn for My Word, and I will also always be with you in

the Word and comfort you until the day when I will appear in the clouds, when your adversity has reached huge proportions and help can only come from Me. You must take it for granted that you will experience this time if I won't recall this or that servant of Mine prematurely, according to wise judgment. You will all be surprised as to how quickly events will unfold, which I predicted long in advance through the voice of the spirit. And once I appear the end will come upon you with giant strides. Anyone who is profoundly faithful will inwardly rejoice despite hardship and suffering, for he will know that he will be compensated one day, that sooner or later all adversity will have an end and that a new era will start again with the paradise, as I have promised

Amen

2 Peter 3:10

The day of the Lord will come like a thief in the night

The day of the Lord will come as a thief in the night the day when I will reveal Myself to humanity with a voice of thunder which will be heard by everyone and which no human being will be able to avoid For sooner or later the act of transforming the earth will have to take place, sooner or later order must be established once again; the earth must again become a place of education for the souls which should mature fully and reach perfection. And this day has been planned for eternity, My plan is based on the fact that a transformation like that will occur one day because the human race itself will provide the reason for it which was certainly recognised by My wisdom And thus My power will also implement the plan and you can expect this day with certainty it will bring one period of Salvation to an end and a new one will start, as it is proclaimed in Word and Scripture Time and again I point this out to you, but since you humans don't believe, since you don't take My Words seriously, it will take you by surprise, for even if My adversary reigns on Earth in the last days, even if he brings people so completely under his control that they lose all faith and in the end are true devils which oppress My Own and cause them utmost distress, they will nevertheless be equally horrified when My Own are lifted up

before their eyes and they realise that they cannot be saved anymore, that they will fall prey to an act of destruction themselves, that there is no way out anymore and that the earth will devour them For there is no other way to purify the earth; all living creations will have to be dissolved and the spiritual substances within be placed into new forms a comprehensive cleansing work has to take place so as to re-establish order, which will also guarantee progression for the spiritual beings and which will completely exclude My adversary's activity for a period of time, on account of which he and his followers will be constrained for a long time.

This day of the end is proclaimed to you humans over and over again, yet only a few believe in it and even these few have no idea how close it is yet I will repeat My admonitions and warnings until the end, until the end I will address everyone and draw your attention to it, and until the end every one of you will still have the opportunity to avoid the horror of this end And therefore don't pity those who leave you, whom I take from this life prematurely don't pity them, for their fate is better than yours who live until the end and don't believe They still have the opportunity to attain light in the beyond, but the former continue to descend ever deeper, for I know that they would also choose the path to the abyss in the kingdom of the beyond, that they would not make use of the blessings of an early death; after all, I know the state of every soul and accordingly also shape its earthly destiny. And even if it is difficult to believe in an end of this earth, people will nevertheless have no excuse for they should only live righteously, then their end will not result in their banishment into hard matter, then they will either belong to My Own, whom I will return to the new earth, or they will still be recalled before and then they will not go astray either But it is better that they prepare themselves for an approaching end, that they take the possibility into account of being suddenly faced by an act of destruction from which there will be no more escape Anyone who reflects on these thoughts just once will certainly also find the path to Me, to the Creator of heaven and earth, Who brought everything forth from Him and therefore can also destroy everything again And I would like to rescue all of you from ruin; consequently I will bring the final work of destruction on earth home to you time and again And anyone who believes will not have to fear this day either, for he will prepare himself, and even if he is still weak

and not perfect, he will nevertheless find a merciful Judge Who will not condemn him but help him attain eternal life

Amen

Reason and forces of earth's disintegration (Nuclear energy)

All conditions for the creation of a new earth have to be in place before the old earth will be disintegrated, that is, before a total change of its outer shape can take place. The earth effectively has to go through a disintegration process which releases all spiritual substances bound therein so that they can take on new forms in creations which enable their continued development. Thus the process of final devastation has to be so powerful that one can speak of a total disintegration of matter. This cannot just apply to individual stretches of land, but eruptions have to take place within the earth's core which will spread into all directions, so that the whole of the earth's surface will be affected, that therefore nothing will remain of what previously existed but that everything will be dissolved into their smallest components.

And this will be caused by people themselves they will become embroiled in a scientific area which is beyond their intellectual capacity. They don't know the natural laws and their effects to enable their investigation of such an area and thus they will activate forces which they themselves will be unable to control. However, I will not stop them, for even this human will underlies My eternal plan of Salvation, because the period of time the souls were granted for their salvation will then also have expired.

Thus the process of the final destruction will indeed be triggered by human will, yet it also corresponds to My will in so far as that it will guarantee an assured progress for the spirits which are still bound in hard forms and long to become active, or I could let the experiments fail in order to divert people's plans. Hence the tests will take place locally yet they will have no boundary because the released power can no longer be stemmed and thus its elementary effect will spread into all directions. For the earth is a limited region, whereas the activated force knows no boundary and everything affected by it will fall prey to it.

The consequences of this process are not conceivable to you humans, besides, it will happen within a space of time which will rob you of all thoughts, unless you belong to the small flock of My Own who observe the last work of destruction, because it is My will that they shall witness the end of this earth. But you can get a faint idea if you imagine an explosion taking place which leaves nothing that is assembled in existence, which thus totally destroys everything and dissolves it into smallest atoms. Yet preceding this process, which only takes a few moments, are tremors and outbreaks of fire which completely suffice to throw people into utter panic because they are facing certain death. And now it can also be understood that nothing can stay behind, that no creation will continue to exist, but that only matter dissolved into smallest atoms will remain which will be shaped again by My will and My might into unimaginable creations in which the spirits' process of development will continue.

And again there will be creations in various degrees of solidity, yet the hardest matter will shelter the spiritual essence which had populated the old earth and completely ignored its spiritual development. For these souls cannot expect a continued development in the spiritual kingdom, they will have to take the path through the whole of creation again, and thus will begin a new era of development as soon as the time is fulfilled, as soon as human will insistently wants to release forces which require a different degree of spiritual maturity than the people at the end of this period of Salvation possess, and who therefore will never express themselves constructively but only destructively

Amen

Indicating the end of an era

You will all enter a new stage of development, for one period of Salvation will come to an end and a new one will start again. It has been said to you many times already without finding credence amongst people. And yet it is of greatest significance that you believe in it, because you will decide for yourselves as to whether you will advance or regress in your development, and because you will be affected by two entirely different

destinies: exceedingly lovely and glorious or incredibly painful. Life will no longer go on as monotonously as before the upheaval approaching you will be so great that you will be unable to imagine it and thus you will live on indifferently although it is pointed out to you time and again. But you won't believe what My messengers proclaim to you and one day will bitterly regret that you did not accept and comply with the advice given to you. My Word is the only way to draw your attention to it, consequently I keep talking to you through a human mouth and only want to find enough belief so that you will become thoughtful and give account to yourselves about your way of life. But who listens to My Word? Who recognises it as the Father's voice Who wants to save His children from ruin? People's spiritual pride is so great that they overestimate their own thinking, that they don't want to accept anything, they don't believe to need any instructions and are satisfied with dead teachings which have lost all sanctifying strength. And those who claim to be My representatives on earth have too little contact with Me themselves, otherwise they would be able to hear the same Words from Me and would let Me speak through their mouths, in which case they would proclaim the same to their listeners as I announce time and time again: that you are facing a significant turning point, earthly and spiritually

You humans plan far in advance, you create and work as if you had an infinitely long time at your disposal You don't want to believe in the conclusion of an era which is nevertheless approaching you shortly. Thus you are tirelessly active in an earthly sense But what are you doing for your souls? Why don't you consider it in the same way since you know, after all, that you will have to die one day and you cannot take any of your earthly possessions with you into the kingdom of the beyond? But since I tell you that all people's lives will come to a sudden end it should prompt you into working harder at improving your souls and make you realise the futility of earthly hunting and striving But you do not believe and cannot be forced into this belief. Even so, you shall hear it time and again from Me through My messengers who bring you My Word You shall not be able to say that you remained without knowledge; you shall not be able to say that you were taken by surprise, thus time and again people will cross your path admonishing and warning you, and the happenings surrounding you

will also contribute towards making you thoughtful And blessed is he who takes notice of it and prepares himself for a change that will occur He will truly thank Me one day that I pointed the forthcoming out to him for the time granted to humanity to attain spiritual perfection has come to an end

Amen

The end of a period of Salvation is assured to you

You are granted a specific length of time in order to attain your perfection, and that means as much as that the individual periods of development in My eternal plan of Salvation were fixed to last a certain time, consequently it means that I Myself will bring such a period of development to conclusion once the time has come to an end, for all My reign and activity takes place in lawful order, as was recognised by My wisdom to be good and successful. My decisions never change because profound wisdom and infinite love determined all events, and I have limitless power at My disposal in order to implement what I foresaw to be expedient. However, the beginning and the end of a period of development are so far apart that it is no longer possible for people to establish the start and thus they also deem an end impossible, therefore it simply remains a matter of faith to accept this teaching And neither should a human being be forced into changing his will due to some kind of evidence, and for that reason a veil has to remain spread across the most profound secrets of creation Nevertheless, one day the time will arrive when one period of Salvation comes to an end, and this is constantly pointed out to humanity through seers and prophets which I repeatedly awaken on earth in order to speak to people about things which cannot be explored by human intellect alone Ever since the start of such a period attention has been drawn to the fact that it will also come to an end eventually, yet such references rarely met with belief and people did not allow themselves to be influenced by it to change their way of living if the latter did not correspond to My will Such prophecies seemed implausible to them, and neither was it possible to force them into accepting teachings of that nature But regardless of how much time

passes, sooner or later all references to the end of a developmental epoch will come true, and people must take into account that a new era will start again, what is old will pass away and something new will arise even if they are incapable of imagining such a renewal. But very few people dwell on this, and these few will delve deeper into My plan of Salvation and receive enlightenment from My side and therefore will also be convinced that an earthly period will come to an end, since due to their will for Me they also penetrate all correlations You humans have been granted a period of time in which to change yourselves, to return to Me. And this path of return was infinitely long, since before your existence as a human being you already lived on earth in other works of creation yet only in the human state are you aware of your life, you are only conscious of yourselves when you are human beings, whereas prior to this your self-awareness was missing and therefore you are oblivious to the time before your human existence. Even so, the time granted to you would have completely sufficed for you to become the kind of being again which you were when you first came forth from Me

If, however, you have **not** reached your goal then it will be your own failure and you will have to accept the consequences, for with untiring patience and greater than great love I helped you to ascend step by step, and I only gave you free rein for a very short time so that you, in complete freedom, were able to turn your steps towards Me of your own accord, that you voluntarily for love would come to meet Me in order to then always and forever be able to remain with Me as My child But I had to allow you this freedom, for it was the basic condition which enabled 'living creations' to become 'children', and it was indeed easy for you to pass this last test of will because you received an abundance of blessings, since I pursued you with My love and left no stone unturned to encourage your return to Me for good But the time granted to you has expired now and the law must fulfil itself Even if you humans don't want to believe it, the end of this period of development will come with absolute certainty, yet only the few which I will carry away on the last day will grasp it in its whole significance, in their spiritually awakened state they will understand the correlations and thus have become My Own on earth The others, however, will suddenly see themselves faced by death and be

utterly unable to judge what is happening around them, what the spiritual implications are, for in their spiritual blindness they neither recognised their wrong way of life nor Me as God and Creator and had been lifeless creatures even before they fall prey to physical death But the time I predetermined for this earth and its inhabitants is over, and only My Own will survive and inhabit a new earth so that the eternal plan of Salvation the return for all once fallen spirits through My great creation will continue to return some of the fallen beings back to Me for good again. Yet untold suffering and immense misery will always precede the end of a developmental period, and precisely this indication should make those people think who pay attention to world events But people still opposed to Me don't see the suffering, instead they only see earthly pleasures, good living standards, economic development and solely strive towards earthly possessions And these, therefore, can only be shaken up and brought to their senses through natural disasters which cause tremendous devastation and destroy people's earthly commodities and possessions. Consequently, don't be surprised if many such disasters still come upon you, for they are the last means to galvanise those people who lethargically exist in their worldly sense of security and in physical comfort and who approach a dreadful end if they won't change anymore, which can only be achieved through a disaster which will not be caused through human will but gives clear evidence of a Power which they would only need to acknowledge in order to be saved for eternity

Amen

Purification of earth

I want to purify the earth and turn it into a place of peace again, where love will reign and where I will be able to stay amongst My Own because their love for Me allows Me to do so But first a purification process has to take place, My adversary's activity has to be stopped, and thus he has to be chained up together with his followers that is, all souls enslaved by him have to be banished into hard matter again, all spiritual substances on the path of higher development have to be placed into forms which

correspond to their state of maturity; and thus My adversary has lost all power, for the spiritual substances which will travel the path across earth in the state of compulsion again will have been removed from him and the people whose will he was able to influence have turned away from him and came back to Me for good, so that they, as root of the new human race, can no longer be bothered by him. All power, which he associates with his adherents, has been taken from him, for he has no control over the spiritual substances bound in matter, in the creations of earth And there will be peace on earth again for a long time

Hence it has to be preceded by a purification process, and this will come about through a work of destruction of inconceivable proportions, for a total transformation of the entire earth's surface will occur, all creations will be disintegrated and shaped anew, which also means the downfall of all people and living beings, the disappearance of everything that shelters spiritual substances Although the creation work 'Earth' will indeed remain yet the power of natural forces will penetrate far into the core, dissolve the solid matter and give all constrained spirits the opportunity to receive new forms. For everything has become disorderly because people live and act in complete opposition to My eternal order Consequently, everything has to be arranged anew, which first requires the disintegration of the works of creation which, to you humans, is the same as your downfall, for no-one will survive the end apart from those who will be taken away by Me before the end

Yet this last event will only be dreadful for the **human being**, because his soul will be banished into solid matter again, whereas the development of all other spiritual substances can only advance, for new forms will be created for all spiritual substances to shelter them And the creations on the new earth will be incomparably delightful, and the spiritual substances will be given the opportunity to be of active service again whereby all spirits will be able to ascend and time and again change their present form.

This work of transformation of the old earth is about to happen to you humans And although you don't know the day and the hour, you, who do not want to be doomed, who want to belong to Me and not suffer the dreadful judgment of a new banishment, should prepare yourselves for the end Believe that you live in the time of the end and consider the thought

that you are creating your own fate that you can exceedingly blissfully live a glorious life in the paradise of the new earth but that you can also descend into utter darkness, if you are not granted the grace to be called back before in order to still find the opportunity of ascent in the beyond And take your psychological work seriously, that is, live a life of unselfish neighbourly love and you will thereby establish the bond with Me and without doubt be saved from this downfall. Time and again I will send you My messengers to admonish and warn you, and time and again you will hear of or be afflicted by all kinds of misfortunes and disasters, for they all are reminders for you to consider a sudden departure and your souls' fate, if it has not yet reached the state to enter My kingdom of light and beatitude

I don't want you to go astray, I want you to achieve eternal life, but you humans live irresponsibly, you don't consider Me and neither do you consider your soul's fate after the death of your body And your attention shall repeatedly be drawn to the fact that you are approaching a dreadful fate that you, banished into hardest matter again, will have to start the path of evolution all over again in inexpressible agony and distress but that you will be able to prevent this fate if you listen to Me, if you believe those who proclaim in My name that you are shortly before the end For the time is fulfilled and it will come to pass as it is proclaimed in Word and Scripture

Amen

Last judgment

Listen to Me when I speak to you humans through the mouth of a servant: An inevitable judgment is about to happen to you. Nothing can avert this judgment from you anymore, for the time is fulfilled, a period of Salvation has expired and a new one shall start again, so that higher development of the spirits will be able to continue, since it has considerably slowed down due the human being's free will, who is no longer aware of his real purpose and therefore does nothing to further his complete maturation on earth, who even frequently prevents the progress of the spiritual substance

bound within matter because he is spiritually utterly unenlightened. You humans, pay attention to the call from above: **The last Judgment is about to happen** Your lack of belief will not halt it, for it was planned by My love and wisdom from the start, firstly, in order to help the still bound spiritual substance to achieve freedom one day, and for another, in order to place the more liberated spirit, the human being, into a state he has created for himself through his will Freedom or renewed banishment, blissful activity in the spiritual kingdom or languishing in the matter he himself desired during his life on earth. You humans, listen to Me and believe Me, you are approaching the end I already announced the end to you long in advance so that you could prepare yourselves. But now the time has come when My announcements will be fulfilled, now the day comes ever closer which will be the last day on this earth for all of you the day, when the external shape of the old earth will be completely changed, which means destruction and annihilation of every work of creation on it.

You humans know of this, because the prophecies about the end of the world did not remain concealed from you, yet you never want to associate this with your time, you never believe yourselves to be affected by it, until the day takes you by surprise. But I don't want you to be taken unawares and experience this day entirely unprepared And thus I keep giving you the information from above time and again, I inform you through a human being's spirit what is about to happen to you. I would tell you far more, but if you don't believe **this** then more knowledge will not benefit you either, because you would only misuse it for worldly gain and this would not help your soul. Nevertheless, you should at least know that you can avert the worst from yourselves if you appeal to Me for help. Even if you call upon Me at the last minute you will still receive help, although in a different way than you expect. I will send My angels to fetch those who speak My name with complete confidence that they will be helped, yet I will not thwart My eternal plan of Salvation it will proceed as it is proclaimed in Word and Scripture The last Judgment will be the end of this earth, the goats will be separated from the sheep, the realm of the earth will receive all that pertains to Satan and I, as good shepherd, will gather My sheep and lead them to green pastures, the earth will be desolate and bare, without any life whatsoever it will wait for the working of My love and then new

creations will emerge again which will reshape it into the paradise of Eden once more a new earth will arise which will be inhabited by a happy human generation, and all hardship will have ceased for those people who proved their love and loyalty to Me in the last days before the end

Destruction of Earth

One thing is certain, My Word is and will remain truth and you humans need not doubt that which has originated from Me. Since the time is constantly coming closer which concludes one period of Salvation so that a new one can begin, the clarifications will also be given to you increasingly less veiled, and shortly before the end I will initiate you into My eternal plan of Salvation and inform you about things which have so far remained concealed to you because this knowledge was not necessary for the salvation of your souls. But now the time has come when My plan of Salvation will be implemented as far as it concerns the transformation of earth, which has become unsuitable as a place of education for the spiritual beings and which therefore has to be restored so that it will be able to fulfil its purpose again. You must bear in mind that My love also applies to the spiritual substance which is still bound in the works of creation and that I also want to give new forms to this spiritual substance in order to facilitate its higher development. For these bound spirits have already languished for an infinitely long time in the hard matter which makes up the earth, i.e. all creations on it And this hard matter as well as the bound spirits within the earth must one day be dissolved, respectively released, so as to be able to enter new forms, and therefore the work of destruction will be on a humanly incomprehensible scale; consequently a total disintegration of all earthly creations can be spoken of, although it should be borne in mind that the material building blocks will remain but effectively unconstrained until I shape them into forms again to serve the spirits as a cover once more Thus the creation work Earth **will not cease to exist**, because all that which was dissolved shall be held and shaped into new forms again by My will, on account of which one can speak of a new earth Concluding this

period of Salvation is an act of greatest mercy for all spiritual beings on earth and those bound in the works of creation, which signifies a complete transformation but not the disappearance of the planet Earth

However, this transformation will only be recognisable on the earth's surface, because people would be unable to detect or follow the process of the inner change even if they were able to consciously observe the transformation. But the latter will not be the case, for it will be the work of an instant, because all the conditions already exist to animate the new creations with the spiritual substance which has reached the appropriate degree of maturity; for all these tiny particles are present and need only be placed into external forms again which are beneficial for them. All the same, you humans cannot possibly imagine this final work of destruction, although you yourselves give rise to it through your anti-divine experiments to penetrate the earth's interior in order to avail yourself of forces which you cannot control as yet and whose ramifications you don't know But neither will I stop you since the time I designated for the past period of Salvation has also come to an end Yet time and again I emphasise the fact that I will leave nothing in the old state and that no living being will survive, and that I will also give the still constrained spirits their temporary freedom, which therefore implies that even the hardest matter must one day release the spiritual substance and for this purpose has to be dissolved too, in order to harden anew and to shelter spirits again, as is My will Since matter itself is only spiritual substance at the start of its development it can therefore not cease to exist either, and therefore the creation work 'Earth' will not **vanish** but only be transformed, and you can believe these Words even if the whole process of the end of the old earth is still incomprehensible for you However, everything is possible for Me and everything is based on My infinite love If you therefore only regard My work of destruction as an act of cruelty on My part you are still far removed from the right realisation Yet you only ever want to see humanity's destiny and fail to take the spirits bound in hard matter into account for whom the moment of liberation from their present form also has to come one day, so that their higher development can also take place according to My plan of eternity And because this end is constantly coming closer I Am informing you of My plan of Salvation, so that you will not belong to those who forfeit the

blessings of existing as a human being on earth and run the risk of being banished into the creations again And I truly instruct you in all truth yet it will only be accepted by the person who wants to know the truth and has the sincere will to reach his goal on this earth

Amen

The transformation work of Earth

In My plan of eternity the day is determined which signifies the end of this earth, which both earthly as well as spiritually entails a total change. And My plan will irrevocably be carried out, for I foresaw humanity's low spiritual level from the start, and thus the plan of Salvation is devised such that it will time and again include new developmental eras, as My love and wisdom foresaw this to be good for the spiritual beings which are intended to advance in their maturity Thus one developmental period comes to an end and a new one will start again The end of the earth can never purely be regarded as a work of destruction. It also must be realised that the still bound spiritual substances also need help to continue their development and that therefore the creation of a new earth has become necessary, which first requires the disintegration of the old works of creation on earth. But I will not let anything come upon humanity without announcing it in advance so that they can prepare themselves for it, so that they can still do what it takes in order to avoid the dreadful fate of a new banishment, which will meet those people who fail, who exist without faith in Me and who therefore have not used their life on earth to liberate themselves. Time after time I announce the end to people, and again and again I point out the signs which reveal the last days time after time I warn those people who carelessly and thoughtlessly live from day to day and through seers and prophets refer them to the near Judgment, for the day of the end was set from the start because I foresaw that a spiritual change for the better will not happen anymore and because people's low spiritual level requires an end.

And thus all references, all prophecies, concerning a near end should only ever be considered to be loving gestures of admonition and warning by

which your God and Creator would still like to save you before it is too late I truly don't want your downfall, I want you to live forever and still obtain this life on earth. But you don't take any notice of what I let you know and have predicted since the beginning of the epoch You transfer all these announcements into the future and don't take into account that one day even the future will become the present And the time has come when My Word is fulfilling itself, when My plan of Salvation is being carried out And no matter how much you doubt when the near end is announced to you it will take you by surprise because the time has come to an end. Even if a thousand years are like a day before Me this day will also come to an end, just as the thousand years will pass by, and you are standing at the verge It is you who will experience the end if I don't recall one or the other of you prematurely for their own sake You should always bear the near end in mind, you should live as if every day is your last, as if you will have to justify yourselves the next day. And you will truly do well by turning your thoughts heavenwards, by considering the spiritual life more than the earthly one for then you will not need to dread an end either, you will calmly look ahead to whatever approaches you. But you will also believe that the end of this earth has come You will recognise the signs of the time and appeal to Me for strength and you will certainly be saved from ruin

Last Judgment

Act of love and righteousness

It is not just My righteousness alone which demands a recompense and therefore imposes the last Judgment upon the human race it is far more determined by My love which foresees its inevitable descent into the abyss and wants to put a stop to it. For even if the earth remained in its old form, even if I delayed the Judgment it would only damage people's souls which would not benefit thereby but enter into a darkness that would be impenetrable for an infinitely long time. The last Judgment on this earth is an act of love by Me too in My eyes this act is people's only salvation if

I don't want to leave them entirely at the mercy of their destiny, i.e., to My adversary. It is, in the true sense of the word, a rescue mission which one day you will certainly understand but at your present low spiritual level do not appreciate. The last Judgment and the disintegration of this earth are, in fact, far more determined by My love than by My righteousness although this also will have to emerge so as to establish order again, since this is totally disrespected and has to lead to greatest chaos. The individual person can certainly still restore his own order again; he can still become aware of his task and his purpose and strive to live accordingly and the last Judgment will not affect him so much that he would have to dread it; for him, too, the last Judgment will only be a demonstration of love because he will be transferred into another life be it on earth or in the spiritual kingdom a life which will make him happy. And in order to still achieve this with individual people I make it known time and again what the earth and its inhabitants will have to expect ... and good for him who takes these indications seriously and rearranges his life; good for him who will make the effort to live in divine order For he will also understand My last rescue operation and regard it as an act of love, since as a result of his life he will also gain the understanding for all events which will take place due to My will and My might.

Only I know the result of an utterly godless way of life, and this is why I must intervene, because My love wants to rescue everyone or provide them with the possibility to free themselves from Satan's control, which can only happen if I bind him Myself by putting an end to his activity The fact that innumerable people will lose their lives when the last Judgment on earth occurs may well seem cruel to you humans; but it is only an enforced interruption of that which will inevitably lead to death so that the souls will at least have the possibility to come back to life again one day while it is Satan's goal to keep you forever in his possession. My love, therefore, is the reason for the end of this earth and the destruction of all created beings thereon, and My righteousness will then place the spiritual substances into external forms which correspond to their conduct on earth I will put everything right again in accordance with My eternal order and will give all spiritual beings the external form they deserve. Only when you humans know the meaning and purpose of earthly life and your task will you find

My reign and activity comprehensible, for there is more at stake than your physical life, it concerns the whole of eternity, it concerns the life of the soul for which spiritual death is the most appalling state. And I want to protect it from this death and therefore have to use means which make you doubt My love and yet are only based on My love. I cannot force you into another way of life, I can only admonish and warn you through My Word, which comes as a direct address to earth, and thus all people are being addressed by Me through the mouth of a servant devoted to Me I can only draw your attention to the consequences of a wrong way of life and with Words of love try to entice you to enter the right path If, however, all these reproaches are in vain, My **sentencing** Fatherly hand will have to intervene in order to protect you from the worst For order must be restored again on earth, so that it will become a place of education for the spiritual beings once more, so that the souls can fully mature according to their destination

Destruction of earth is the result of experiments

The final work of the earth's destruction will be triggered by you humans yourselves. And I will not stop you, because I also consider the spiritual substance which, as a result of this work of destruction, will be liberated from matter and able to continue its process of development in new forms on the new earth. You have been informed of this several times already and yet have little belief, for the whole event is simply unimaginable to you. Nevertheless, it is the conclusion of a period of development which will lead to a new period, so that the work of return can once again successfully proceed in lawful order, which was no longer evident before the destruction of the old earth. My adversary completes his last satanic work by influencing people to do something which he has no power to do himself: to destroy works of creation in the belief to thereby release the constrained spirits and take control of them. He manipulates people and induces them to carry out all kinds of experiments which, however, will fail with devastating effect due to peoples' lack of knowledge. For people dare

to experiment without having explored the outcome they will unleash forces they cannot control and consequently are doomed to die. And with them the creation work earth, too, will be subject to enormous destructions The entire earth's surface will totally change, all works of creation on earth will fall prey to destruction, the effects will penetrate to the core of the earth, and thus one can speak of a destruction of enormous proportions although people themselves will not be able to observe it, apart from the small flock which I will lead away from earth beforehand into a realm of peace.

I Myself would never allow such destruction if thereby I would not gain new opportunities of salvation for the still constrained spiritual substance, which already languishes for an infinitely long time in hardest matter Yet continued development would also be possible for this spiritual substance if people would not reverse the lawful order and always just live up to their helpful task on earth But people no longer live within divine order, and therefore My adversary exerts great influence over them and impels them to start a process in the hope to gain the return of the constrained spirits to him. And I will not stop him, since it still depends on every person's own free will to comply with My adversary's inducement Nevertheless, regardless of what people do, I will always know how to utilise the effects of their actions correctly. For even the world of darkness is subject to Me and My might, and it will have to serve Me while at the same time take part in My work of return, if only unconsciously. But I know the direction of humanity's will since eternity and was able to incorporate it in My plan of Salvation I know when the moment in time has come when spiritual progress can no longer be expected

I also know when the time has come to liberate the constrained spiritual substances, and therefore will not prevent people's activity when they set an enormous work of destruction into motion due to their misguided will, which aims for My adversary, and thus people are his willing instruments. For he himself is unable to destroy any work of creation, he cannot dissolve any kind of matter and all power over the spirits has been taken away from him. This is why he tries to regain it, and people who belong to him contribute themselves towards the disintegration of matter at first through countless experiments which then take on proportions which matter can

no longer withstand But I allow the spirits captivated therein to be set free, if only at the expense of humanity, which itself has reached a spiritual low that requires a new banishment into matter And irrespective of what My adversary and the people who belong to him will undertake in the final analysis it will nevertheless serve the progress of the spiritual substances again, which is meant to reach perfection one day. Therefore My plan of Salvation will surely be implemented, as it is proclaimed in Word and Scripture

Amen

Experiments towards the end of the earth

Activating forces

There is a set limit to how far people can go in their conduct towards what My creative spirit has brought forth. Thus, as soon as they presumptuously want to change natural creations, every one of which was given its purpose by Me, then people's attitude towards Me becomes irrational, they underestimate My wisdom and My might, believing themselves able to dismiss both and thereby sin against Me Myself as well as against what I have created. And then the limit I have set will be transgressed, and thus humanity will destroy itself, because their scholars will draw the wrong conclusions and the consequences of their experiments will be disastrous. People believe that they have the right to explore everything I kept hidden from them in recognition of their immaturity for such knowledge The earth in its core is and will remain inexplorable for people until the end. Furthermore, forces of gigantic power are kept bound by Me in the earth's core so as not to endanger the earth's continued existence, only that eruptions ensue from time to time to allow these powers a brief outburst in order to give spiritual substances capable of development the opportunity to take shape above the earth and thus start their path of ascent. These forces unleash themselves with My approval, and therefore their effects are intended in My eternal plan of Salvation.

The extent of an eruption will always be limited when it happens in accordance with My will, but human determination will never be able to

stop it, human will can never be the cause of it since no-one is able to explore cause and effect. Yet in the last days people will presumptuously penetrate the earth deeply for reasons of research in order to release unfamiliar energies with the intention of utilizing them profitably, and won't consider the fact that they lack the knowledge and intellectual capacity for such experiments.

Hence they will have no respect for My works of creation, they will penetrate an area which is quite naturally closed to them and wanting to investigate it can be called an impertinence, from a purely earthly point of view. But from a spiritual point of view it will mean entering the territory of the lowest spirits whose banishment I recognised as necessary and which will then therefore be unlawfully invalidated by people, that is why revoking My eternal order will have unimaginable consequences.

Their manipulations will aim to utilise earth forces against which every resistance gives way, and which therefore can be used for all experiments. But people won't consider that these forces are capable of disintegrating **everything** within their reach they won't take account of their power against which human will and intellect are futile. They will open locks which can never be closed again once they have been breached, for the area people want to enter is unfamiliar to them and they don't know its laws The earth's core cannot be researched in this way and every such attempt will backfire, not just on the researchers but on the whole human race For the limits I have set may not be exceeded according to My eternal order, which always favours progress but never destruction, and thus its infringement also has to have the opposite effect!

Satan himself will put these thoughts into the people of the last days, he will urge them to undertake this plan, for he knows that the destruction of creation will end the spirits' progress, which is his endeavour in his blind hatred against Me and all spirits striving towards Me. Yet even this plan, albeit evil, will be an inadvertent service he will fall in with My eternal plan of Salvation A new earth will arise where the development will continue, whereas everything satanic will once again be banished into its creations

Amen

*Success at the end of an earth-period
Scientists*

The end of a developmental period will always have come when people have left the divine order, in as much as they feel themselves entitled to intervene in God's plan of Creation because they don't believe in God as a creative power and deem themselves capable of controlling everything in existence themselves people certainly received the creative spirit as a birthright from God and can considerably increase this inheritance, with divine assistance they can also achieve the seemingly impossible and still remain within the divine order as long as they receive the strength for their creativity from God But they will instantly step out of this order if all their plans are purely worldly orientatedif they set themselves apart from God as the creative power and thus conduct their experiments purely rationally if they use the divine creation itself as test objects and thereby turn themselves into henchmen of God's adversary whose objective it is to destroy divine creations. At the end of an earth period the world is always full of earthly wisdom

Science believes to have found the key to all fields and the spiritual path will only rarely have been taken, which God has indicated in order to attain the right knowledge Without Him, however, all paths are dangerous, without Him the results are doubtful and people more or less enter danger zones, because they are guided by the one who does not want progress but destruction who lets people believe that they are constructively active while they are digging their own graves and contribute towards the ruin of the old earth. For the apparently scientific progress is his work, the work of God's adversary, he impels people into extreme intellectual activity without divine support. They will harness natural forces yet in a different way than is intended by God's will They will leave the divine order and the consequences of this will reveal themselves

God, however, has foreseen humanity's will and activity since the beginning and therefore keeps referring to what will come to pass time and again, for He knows when and where the consequences of human thought and activity will express themselves He informs people about their wrong

thinking and wants to persuade them to entrust themselves to that power which stands above everything He wants to warn them of His adversary's influence He wants to advise them to remain within the divine order He considers those who acknowledge Him as God and Creator of eternity and enlightens them about Himself and His opposing power

Amen

The final work of destruction

The final work of destruction will be caused by people's own will, nevertheless, I shall not hamper this will firstly, because it is free and shall also have to justify itself, and secondly, because I based My plan of Salvation on this free will in a way that it will benefit the continued development of the spiritual beings I truly do not determine people's wrong inclinations and actions; I only let them have absolute freedom which they, however, misuse by interfering in the laws of nature, by experimenting with forces which they cannot fully control as yet and whose effects they therefore don't know. But it is their fault that they conduct experiments for the wrong reasons, that they are not motivated by thoughts of love to carry out their intentions And for this reason their guilt will have such terrible consequences For it will result in an act of destruction to which everything living in, on and above the earth will fall prey For although the planet as such will remain the entire surface of earth will nevertheless become changed, and that will also mean the destruction of all life and all works of creation on this earth which constrained spiritual substances. And thus, these spirits will receive their freedom for the time being, they will be able to escape from their form regardless of the degree of maturity they had reached. But they will not keep this freedom For they will have to continue their path of development and therefore will be placed into new forms. And in order to make it possible for the spiritual substances still bound in the creations to continue with their development I shall allow the wrong will of people who will cause this work of destruction, but the human race itself will perish as a result of this wrong will, for only My Own will survive the final destruction, and there will only be a few

The majority of people, however, are already so distant from Me that their spiritual fate is already decided, for they have reached the lowest point which excludes further development on this earth On account of their profane state they will give rise to the end of the old earth, and thus it will come to pass as people want it themselves: everything will be changed yet only in line with My eternal law of order People will indeed initiate it, yet I Myself will determine or direct the consequences according to My eternal plan of Salvation, which was based on people's wrong will so that all wrong thinking shall nevertheless still yield right results For I will direct the consequences according to My will, admittedly it doesn't correspond to people's will but it serves the spirits' continued development. And that is My plan, of which I inform you time and again so that each one of you can shape himself according to this plan while there is still time, for each one of you can still belong to those who will be saved at the end each person can still shape his nature such that he will belong to 'My Own'.... But he must believe and live a life of love, he must turn his will to Me, and I will accept him and grant him the strength to achieve the work of transformation on himself Then he need not fear the end either, regardless of how threatening world events seem to evolve I protect My Own in every adversity and danger, I help them in an earthly and spiritual way, for My Own shall become strong in faith and therefore noticeably experience My help And time and again I announce this to you humans so that you can prepare yourselves if only you are of good will to live in order to please Me For the end will come without fail because the time granted to you is over

Amen

Total disintegration of the earth

Spiritualisation

A total disintegration of Earth is not yet intended, but the total transformation of the earth's surface, which certainly also amounts to complete destruction because nothing of substance will be spared since every form will be dissolved in order to release the inherent spiritual substance for

the purpose of entering new forms. The complete disintegration of Earth amounts to a spiritualisation, and this moment in time has not arrived as yet, because the earth still serves the imperfect spirits as a place to attain maturity As long as spirits in need of attaining maturity still require earthly creations the earth will also remain a material world, yet constantly recurring transformations will be unavoidable, depending on the souls' state of maturity which are meant to reach perfection on earth. For the earth, however, the moment of its end will always come when such a transformation takes place, for then a new developmental era will start for all spirits, be they embodied in the human being or bound in a solid shell, because to a certain extent the different phases also require different possibilities and those promising to be most successful will repeatedly be created again by God's great love and wisdom. People lack the knowledge about the individual phases of development, especially during the last days before the end of every era because people's low spiritual level caused by their lack of love also signifies ignorance as well as complete incomprehension for such offered information. They liken the end to a total disintegration of earthly-material worlds Yet this time is not foreseeable for eternities; every individual phase, however, lasts a certain length of time which starts with the emergence of the most manifold works of creations and ends with their destruction which commences with spiritually highly evolved people and comes to its end again with truly diabolical ones

One phase of development would never accomplish the spiritualisation of all spiritual beings, for as long as earthly-material creations exist, as long as the earth still shelters creations, apart from the human being, which are inferior to him, such as animals, plants and spirits bound in solid matter, it cannot be totally dissolved, because these spiritual substances must time and again be given the possibility to reach maturity and to leave their present form, which in itself already necessitates new phases once the advancement has come to a standstill. For at the end of every period of Salvation a spiritualisation of people can no longer be noticed, and such failure or non-observance of the true purpose of existence on earth has to be redressed these spiritual beings must also be shown a new way, because with God there is no surrender of that which belonged

and continues to belong to Him but which must also become the same again as it originated from God ... For even if it inexorably strives towards the abyss He will not leave it in this depth but time and again He will find means and ways to lead it back up to the light. Thus He will never stop this higher development until even the last of the once fallen spirits has found its way back to the Father And yet there will always be an 'end'again an end of every individual phase of specific duration which God granted the spiritual beings but which will also come to an end one day. And this is why you humans cannot carelessly speak of an end of the world, which has to be understood as a complete transience of God's creation but you should only look at it as a transformation which, however, will be so extensive and inclusive that it is inconceivable to you as human beings and can also only be experienced and observed by God's few loyal followers who will subsequently testify to God's might and glory on the new earth ... You humans are approaching such an end even if it appears doubtful to you and your mind wants to reject it But also remember the still bound spiritual substances, remember all the creations below you and ask yourselves how these spiritual beings shall attain redemption unless opportunities are created for them time and again. More so, remember the people who totally distanced themselves from God and, after all, cannot live forever on earth Then you will understand that God's love, being full of mercy, tends to all that which is unredeemed and that an apparent work of destruction is an act of profound mercy, because the succeeding new creations will offer the lowest fallen spirits the path of higher development again which can still lead to God one day, if only after an infinitely long time

Amen

'Judgment'....

The Word Itself will pass judgment

One day you will all have to justify yourselves as to how you valued My Word which was offered to you by My love. And the Word Itself will be your judge. But understand this correctly: No punishing judge will put you on trial; you will merely be transferred to where you belong according to your state of maturity. And your state of maturity will, in turn, correspond to your way of life on earth, as to how your will allowed itself to be influenced by My Word. For you either entered into heartfelt contact with Me as a result of My Words of love intended for you or you rejected them again, leaving your soul unable to change its shape, therefore it can only dwell in such spheres which also correspond to its nature. The Word Itself will judge you, for it was given to you by My divine love and irrevocably had to help you attain full maturity if it were accepted Yet the rejection of My Word is also a rejection of Me Myself, and this repeated rejection can only result in staying in dark spheres again, because the soul itself shied away from the light and preferred the darkness. My Word is light and anyone who rejects it will never reach the light But since the human being's will is free it also voluntarily determines the judgment, namely the state which corresponds to his resistance and which cannot be called a free one. The soul will be 'judged', that is, it will be moved to where it belongs And sooner or later every person will be offered My Word, everyone will be able to hear it wherever public sermons are given on behalf of Me and My kingdom. And I also approach those in My Word who are outside of church communities, who are thus already on the defensive because they are not approached in the right way Others, again, will become receptive to My direct inner communication as a result of conversations or the reading of books, and their thoughts will be guided such that they can deliberate on them I try in every way to enter people's hearts in order to stimulate them to listen to My Word regardless of where and how it is proclaimed, because the human being's will decides whether the Word has an effect on him. However, the hour of accountability will come sooner or later, the hour which reveals the state of the soul, and this state will also place it into its appropriate sphere

.... And thus it will have been judged, because time and time again order will have to be re-established

But blessed are those who listen to Me and My Word, who endeavour to live according to My will which is revealed to them through My Word Blessed are they, for they will also be judged and their judgment will mean the hour of entry into unimaginable beatitudes for them, for they, too, will be assigned to spheres according to their nature and My Word will have helped them to attain a garment of light, so that they then may move within the inconceivable abundance of light without ceasing to exist. And **light is beatitude** Understand this correctly, no merciless judge carries out his duty and plunges the soul into darkness, instead it is a **self-chosen** destiny which every soul is approaching, but understand also that this harsh and agonising fate can be averted by willingly accepting My Word and complying with it and that therefore the `Word Itself' will pass judgment on every soul. And this judgment will happen in all righteousness, for every thought, every activity, the right and the wrong love will be revealed and determines the fate of every individual soul. However, if My Word is accepted then the transformation of soul will take place on earth already and thus it need not fear the judgment because it will only result in light and bliss, whereas the rejection of My Word will even thicken the darkness surrounding the soul and it will enter the spiritual kingdom utterly misshapen, consequently its fate cannot be any other than lack of light and agony

Amen

Earth is a place of perdition

Devils

The opposing prince will deploy all of his vassals in order to gain victory in the last battle on this earth and in their darkness these beings believe that they will win. Admittedly, he will be very successful with people on this earth the closer the Judgment comes, the last day of this earth Yet the apparent victory will be his assured loss, because those he believes himself to have won will be removed from his influence and banished

into matter again in order to advance once more. And many of his vassals will also be banished into the hard form, since they will have descended so low that their spiritual substance solidifies, and thus the being forfeits its self-awareness again and, dissolved into individual tiny particles, must repeat the process across the earth again. Many of these lower beings will be incarnated on earth in the last days, and God allowed this to happen for they, too, should still have the opportunity to find redemption during their life on earth as a human being Yet with few exceptions these beings only use the opportunity to influence their fellow human beings in a negative sense, thus they admit openly and freely their affiliation to God's adversary, therefore they can also expect to suffer the same fate as he to be bound again for an infinitely long time. Such a being could truly find redemption, because it receives the knowledge of Jesus Christ on earth and would only have to surrender to Him to liberate itself from its present lord But in their heart of hearts they are wicked and wholly satanically minded And thus the opposing prince works with them and this truly successfully, insofar as he makes many people's return to God more difficult since their influence is far greater than that of the beings of light which, on God's instructions, are likewise constantly working on earth, directly or indirectly. In view of the conditions in the last days many beings of light are also embodied on earth. This is because both masters fight for people's soul and both masters will also use all means at their disposal to gain influence over the souls

And thus the time of the end comes ever closer, and you humans will be put under ever increasing pressure by the adverse power, the activity of satanic forces will surface ever more obviously, and calm and peace can only be found rarely amongst people, for even those who look for peace will be unable to protect themselves from the influence of these forces However, they should not let themselves get carried away; they should humbly endure everything and only ever call upon God for His support They should entrust themselves to all good spirits to settle seemingly inevitable arguments, for these are the adversary's weapon to incite people against each other, to disrupt the peace. And he finds many people following suit, who through their conduct demonstrate that they belong to him, who do not resist being taken possession of by satanic forces and who then will

also readily accomplish what the latter demand of them. And these will be atrocities which can only be hatched out in hell, so that true devils will inhabit the earth in the end and there will be no more space for the few good people who are faithful and loyal to God. Earth will have become a place of perdition and therefore will have to be cleansed again from this spawn of hell For it shall serve as a place to mature for the spiritual beings which are close to attaining perfection, and this is almost no longer possible anymore. Hence a forcible act of purification will have to take place, and that which the adversary believes himself to have gained will be removed from his control new creations will accept the spirits and the adversary along with his followers will be bound again And peace will reign on the new earth, which will truly arise as a paradise for all those who remained loyal to God

Reason for the destruction and new creation

Hell - banishment

I take pity on the lowest fallen spirit, and time and again will provide a rescue anchor enabling its ascent, and every soul holding on to it will be raised up, for it is demonstrating its will to escape the abyss and thus it will also be allowed to experience its eternal Father's mercy. But there is also a degree of resistance to Me in the region of the lowest fallen spirits which no longer allows for a rescue, where the will has not changed in the slightest and where the spiritual essence has become almost solid and there is no other possible help but to banish this spiritual essence into matter again

This new banishment is also an act of mercy on My part, for without it the soul would never be able to reach the point again where it has to pass its last test of will by which it can attain eternal life. The path of development in the spiritual kingdom has to take place within My divine order, no phase can be left out, and in the stage of self-awareness either on earth or in the kingdom of the beyond the being's will is at all times decisive Consequently, if this is utterly abused I have to constrain the

soul again and make it take the path through the creations of this earth in the state of compulsion once more, because I don't want it to remain in an extremely agonising and wretched state forever. Ever new arising creations, the continuous growth and decay in nature, is equivalent to the perpetual change of external forms by the progressing spiritual substance which steadily approaches its final form as a human being on this earth But the spiritual essence which had descended back into the deepest abyss or which has already been there for an infinitely long time will have to be placed into the hardest matter at the start of its higher development. It cannot be placed into already existing creations which serve already more mature spiritual substances as an abode The first phase of the banishment cannot be skipped, instead the path of development has to start in the external form which corresponds to the unbroken opposition to Me in hardest matter, because this in turn is required by My law of order.

For this reason new creations have to arise again and again after long periods of time to accept these spiritual substances, just as creations having existed for incredibly long periods of time hard matter need to be disintegrated one day in order to release the spiritual substance therein to continue its path of development in less compact forms The periods of time which pass after such outright destructions and redevelopment of earthly creations occur are very long, and as a rule the length of time cannot be demonstrably established by people either. Furthermore, they lack the knowledge of the spirits' process of development, of the true purpose of matter and of the appallingly agonizing conditions in the spiritual kingdom, even though the word 'hell' is known to all people

But they don't know what is meant by it in reality, otherwise the total transformation of earth and its creations would be more credible to them. Yet it will always remain unverifiable to people However, a loving and merciful God aims to save His living creations, He will not leave them in darkness forever, and My love and mercy is My fundamental nature which will not ever change. My love and mercy will forever apply to My living creations which have descended into the abyss, and time and again will find ways and means to rescue them from there. Yet before a new banishment happens again, every effort will be made by Me and My spiritual co-workers

so that the souls will take the path of ascent in the spiritual realm in order to spare them the agonising fate of a new banishment. Yet the will of the being makes its own decision, and its fate depends on its will. But My plan of Salvation will be implemented and not be without success One day I will reach the goal, and one day the darkness will also have surrendered everything, because My love will never end and no being will be able to resist it forever

Amen

Knowing the time of the end

It is exceptionally misguided to state that the time of the breakdown will be in the distant future; this error is detrimental for the souls because they will pay no attention to the admonitions and warnings of the last days. But it is equally misguided trying to determine the point in time, for this knowledge is concealed from people. God always refers to the near end through seers and prophets in order to encourage people to live according to a quickly occurring end, in order to make them aware of their responsibility towards their souls and to constantly prepare themselves for the end. The end is near, yet no-one but God knows the day. The signs of the time point towards the end, nevertheless, it will come suddenly and unexpectedly for all people including the faithful who are knowledgeable and make an effort to live in accordance with the approaching end. Human mind and human intellect will never be able to penetrate the divine plan of eternity and therefore never be able to determine the time nor the manner of the end. Only where the spirit of God is at work He will instruct people as to how the end will take place, yet always leaving the day and the hour open when it happens. For this knowledge is God's prerogative and therefore concealed to people. The faithful will be able to recognise the time of the end by the low level of spiritual development, and if they expect the coming of the Lord every day and enter into heartfelt contact with God they will also sense when the Day of Judgment is approaching.

But anyone who wants to calculate the time in advance, anyone who deems himself to know without the obvious working of the spirit, will be

mistaken in his announcement, people should not believe him for he only contributes towards increasing the unbelief in the end. Even the forerunner of the Lord, who will be sent to Earth by God Himself in order to save the still undecided, even he will not specify a day He, too, will proclaim the imminent end and admonish people to expect it daily and hourly. He will be enlightened by the spirit of God, and the Father-Spirit, Who speaks in and through him, truly knows the day and the hour. And yet he, too, will still keep it secret from people because the knowledge of it will be of no use to them. And thus the hour will come suddenly and unexpectedly, as it was proclaimed by God His voice will resound in the midst of the euphoria of the world, to the horror of the unbelievers but to the comfort and joy of those who are faithful

Amen

Messages concerning the continuation of Earth are more likely to be believed

You will only be able to work within a small circle at first, for the world is still far stronger than you and will push you aside if you want to come to the forefront. The will to live is too strong, to live the life which will not last forever and which only consists of worldly joys. And wherever this will predominates you cannot prevail, even if you possess the purest truth. No-one wants to get used to the idea that the earth is facing its end, that such powerful upheaval will take place on it which will also destroy all life on Earth And therefore they will be more receptive to messages promising a continuation of Earth, and this explains why messages which completely contradict My Word conveyed to you from above are being believed, because people look for and find hope and the assurance in these messages that their life will not suddenly come to an end They will always more willingly allow themselves to be impressed by those messages than by the admonitions and warnings you proclaim to them. This is why the bringers of those messages will meet with far more approval and you will not be listened to but more likely be treated aggressively. And thus you should only ever work for Me to the extent I Myself enable you to do so and never think that you should have to come to the fore in the world.

The world is and will remain My adversary's realm, and anyone who finds appreciation and acclaim in this world also works on behalf of the world and thus for My adversary.

You have to accept that only a small circle will ever choose Me and My kingdom and that everything great in the world is adverse activity. Admittedly, My Word conveyed to you by Me shall be spread, and I bless those who support this work; and My blessing will also rest on your spiritual activity, so that the hearts of willing people will feel affected and thus spiritual success will also be achieved. But you will never be able to accomplish this mission on a large scale, for the adversary can only too easily slip in where the masses are being approached they will never be like-minded where it concerns the receipt of the pure truth but they will usually agree if worldly-favourable aspects are offered to them. And humanity does see the direction it is heading to, it also recognises the great danger of scientific experiments but it tries to allay itself, it believes that it will be helped through countermeasures of unknown powers because this is what it wants And by doing so it can't see clearly anymore, it allows itself to be misled and thus gets caught up in the nets of lies by the one who wants anything apart from that a light should shine for humanity to find and take the way to Me. Yet you shall illuminate the darkness with the light that shines down to earth from above Regardless of people's disapproval you shall time and again proclaim the near end and the preceding last warning sign, you shall be diligent and use every opportunity to spread My Word, but you shall work in seclusion, because in public you will have little success. However, Jesus Christ's act of Salvation shall be mentioned wherever the opportunity is offered to you, for all people can be informed of this, even the people of the world who no longer pay attention to Him, because they know of Him and will only ever hear an old truth which can affect their conscience, which can also motivate them to form their own opinion one day. And the will to know the truth will then also make their hearts receptive to My Word before the end comes

Amen

The near end should be mentioned time and again

You should seize every opportunity to mention the near end, for you are approaching it with giant strides. Admittedly, you will not be believed, people will laugh at you and mock you, but you should do so all the same, because people will remember your words as soon as unusual happenings take place on earth which are inexplicable to them. Even total unbelievers will recall your words, and amongst them will be a few again who will take the possibility into account and thus spend thought on it. I know that you will only meet with little success when you want to convey the Gospel to them and they will keep their hearts and ears closed I also know that the announcements of the end will find even less belief, yet I will not let anything come upon people without warning and admonishing them first, and for this you shall lend Me your mouth For I cannot speak to them Myself, after all, their faith is too weak and therefore their hearts are incapable of hearing My voice. But I can do it through you when you tell them what My spirit has revealed to you The world event will take its course and yet, a few people will relate it to that which they had learned from you. Their thoughts will have been pointed in the right direction which may still be a blessing to them in the forthcoming time. You will find little belief That, too, is known to Me And yet it is better for them to have been informed than not to have received any indications at all and to be surprised by the end in complete ignorance And this is why every day is still a gift of grace for humanity, for it can still be spiritually utilised, both by you through your work of spreading enlightenment as well by those who hear about the Gospel from you. For they would only need to take your words to heart and then live according to My will They would only need to make an effort to fulfil My commandments of love and would still be able to achieve much for their souls until the end.

Don't tire and slacken in your work for Me and My kingdom, because in the last days this is the most urgent work which is more important than all earthly activity, although your fellow human beings don't look upon it as work and deny it all merit. But people don't know how useless the work that they accomplish themselves is if they only work in an earthly sense without

any spiritual striving, without a spiritual goal And you should also draw their attention to the fact that they will not keep anything, that everything will perish and that they are wasting their energy of life by only using it earthly they should know that they could use it to obtain spiritual goods and thereby gather everlasting treasures for eternity You will find little belief, however, words once taken up by the heart and intellect can certainly be forgotten but they will surely appear again and then may still be effective enough to be taken seriously. Every human being will still be addressed by Me in the coming time, and you support Me insofar as that you are the connecting link between them and Me, that you will only voice what I have to say to them all And the events of the time will add to emphasising your words, therefore always be prepared, My servants on earth, for Me to call upon you if I need you `to speak on My behalf'And don't think that your work is in vain, because I Myself bless your activity and help wherever your strength does not suffice The time until the end must still be used and every opportunity must still be seized where redemptive work can still be carried out on a soul so that it will be snatched from the adversary

Amen

End Prophecies

Are you My Own?

Anyone who regards himself as one of My Own also knows that the last days have started, that humanity is facing a spiritual and earthly turning point. For My Own are informed by the spirit, My Own can be spoken to by the spirit and hear My voice, either directly or in their thoughts And they also faithfully accept My Word which is given to them by My messengers and has originated from Me Thus My Own know what time they live in, they know that the last hour of the world's clock will strike soon, that night will begin to engulf countless people on this earth and that a new day will begin to dawn for others, for the few who will remain true to Me until the end, who belong to My small flock which I call `My Own'. And they still have a task on earth: to inform their fellow human beings of what earth can expect this will not be easy, for despite the fact that

My Own are convinced of the truthfulness of My Word thus also of the proclamations about the end and the Judgment fellow human beings will not believe them and indignantly turn away when the last days are mentioned to them. Nevertheless, time and again they should try to point out that My announced end will not be far away.

And as confirmation of this you should also draw their attention to the natural disaster which will put the whole world into turmoil beforehand And you should also tell them that the subsequent end can be expected with the same certainty, for through this natural disaster I still want to give people a final warning, a final sign, to make it easier for them to believe what you tell them Anyone who is enlightened himself should also let the light shine into the darkness Anyone who believes in Me and My Word himself should also try to show his fellow human beings the way to faith, and do so kindly so as not to arouse resistance And therefore the natural disaster will not keep you waiting for very long, since it is also intended to contribute towards preparing people for the end You should also mention the natural disaster, My intervention, which every person will be able to take notice of, for it will be of enormous proportions and cannot be dismissed as an everyday occurrence Thus you should constantly point to this event and not be afraid to speak about it openly, for it will come with absolute certainty And anyone who has heard about it from you will also find it easier to believe in the announced end. Thus My Own shall be capable workers for Me, even if their work merely consists of speaking about the forthcoming events

Then they will already render Me an immense service, for I want people to know but can only give them the information through a human mouth, which they then may or may not believe, but at least they will have heard of it and will also remember it when the day comes that the whole world will hold its breath in view of the natural catastrophe which will bring overwhelming suffering to the people who experience it Do not fear that you spread misguided prophecies but speak frankly and openly that I Myself conveyed them to you and that you firmly believe in My Words They will not be able to call you liars, for sooner than they think they will get the confirmation. Yet people should use this knowledge to shed their doubts in regards to the proclamations of the end With that, much will

already have been achieved, because then they can prepare themselves and thus be saved from the abyss

Amen

Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
