*Spiritual turning point ....*

*Alteration of this earth ....*

Don't entertain false hopes and expect a turn for the better on this earth by thinking that people's spiritual nature could improve and that a life of faith and love might be recognisable on earth again. This earth will not experience a spiritual change in people anymore, yet the spiritual turning-point is about to happen .... And thus the earth will become a different one, but first it will undergo a change, a transformation, and the spiritual level of the human race which then will populate this new earth will be high ....

But anyone who believes and hopes that the people on earth will still change, that another era is dawning on this earth, is very much mistaken and not very familiar with God's plan of Salvation, in which the earth's transformation serves other purposes still than just a spiritually highly evolved human generation. It is also intended to further the advancement of the spiritual substances which are still bound in the material form and thus start a new period of Salvation or development which first necessitates a transformation of the earth's external form. Humanity's spiritualisation on earth would, in fact, also correspond to this divine plan of Salvation and also be beneficial for the still bound spiritual substance in the works of creation. But in view of people's present spiritually low level a change cannot be expected from them any more; they are completely controlled by matter and ignore their spiritual development. Hence they strive ever more towards the abyss and thereby bring about the end themselves .... a disintegration of the earthly creation, a release of everything that is bound within and their own banishment into solid matter in the new creations of earth .... Hence a teaching which upholds that a spiritual change is yet to happen on this earth is wrong, even though a spiritual turning point is in sight. People, however, don't want to believe in a destruction or an end of this earth. This thought is totally incomprehensible to them but since, on

the other hand, they are convinced that a change is about to happen they expect this turn of events to be for the better.

Yet the fact that people lack belief in a forthcoming end of earth has a negative effect, for if they believed it they would truly make better use of their time, they would live consciously, that is, they would try to live up to divine will in the realisation that only their own change of nature would protect them from the fate of also getting embedded into the new creation. People are lacking knowledge and faith and both can seldom be convincingly conveyed to them, nevertheless they receive enough indications although it is up to their free will whether they allow themselves to be impressed by them. They certainly suspect or feel that they are approaching significant occurrences but never want to believe that these occurrences will be so drastic that one earth period comes to an end and a new one begins, although they would be able to believe it if people would care to love, if they gave their suffering fellow human beings the kind of love which would result in their own enlightenment. Then they would realise the hour they live in and nothing they are told about the approaching end would be doubtful to them anymore ....

Amen

*Spiritual and earthly change close at hand ....*

You are approaching a spiritual turning point which, however, also causes a total earthly transformation, for people will not strive for and accomplish it themselves, instead I have to reshape the earth Myself, I first have to disintegrate all earthly creations or it would be impossible to create a spiritual state on earth again which is in complete contrast to the existing one. It can no longer be expected that people will acquire a higher state of maturity on earth, that the utterly unspiritual human race will so change that one can speak of a spiritual revival on this earth. At this present time people are aiming more and more towards the abyss and only a few strive to ascend, who are on a spiritually different level by having recognised their actual purpose of life and trying to attain it. The majority, however, are still infinitely far-away from everything of a spiritual nature and will not get

any closer to it on this earth anymore. In any case, this low spiritual level cannot carry on because it signifies a darkness which will only result in utter disaster, both spiritually as well as physically .... This is why I set a limit and decided on a complete transformation from the start, since I have always foreseen this low spiritual level ....

People's present way of life on earth is without meaning and purpose because they derive no benefit from it for the soul, since the real life in the spiritual kingdom is never even taken into consideration, although it is the reason why you humans were given your earthly life. A total transformation of the earth's surface, a reshaping of all earthly creations and a new embodiment of all spiritual beings into external forms suitable for their degree of maturity has become imperative, and then people's spiritual state will be an elevated one again because the new human race will consist of spiritually mature people who have overcome the great distance from Me and will be so close to Me that I can dwell amongst them on this earth. Then a true spiritual change will have taken place, then the earth will have a different appearance and all living creations .... human beings and animals, .... will live in peace and harmony on this earth .... It will truly be a paradise on earth, a new period will begin in happiness and bliss, but a new banishment will also be imposed upon the spiritual essence which will have descended into the abyss again and thus failed its last test of will on earth ....

All of you are facing this spiritual change .... And each one of you can still improve himself in this short time until the turning point, each one of you can overcome his low spiritual level and develop a degree of maturity which can still qualify him to become a fellow inhabitant of the new earth .... All options are still open to everyone, because I still lovingly and mercifully draw everyone out of the abyss who longingly stretches his hands out to Me .... But this opportunity will soon end, when the end has come the gate to the kingdom of the beyond will be closed, when the reshaping of the earth's surface takes place, when the spiritual change occurs just as the earthly change happens through the disintegration of the earthly creations, through the liberation of all bound and the banishment of all free spirits .... Then the separation of the spirits will have taken place and all spiritual substances will have been 'judged'.... i.e. placed into a form

which corresponds to their state of maturity. The spiritual change is near and an earthly change is therefore inevitable; but a blissful time will be granted to all those who are and want to remain My Own, who prove themselves during the last battle on this earth and despite suffering and adversity remain faithful to Me until the end ....

Amen

*The reason for the earth's restoration ....*

The earth must be renewed because it no longer serves its purpose as a place of development for the spirits .... All order has been revoked, people pay no more attention to My will, they live contrary to law, for love is the essence of divine Order and this has grown cold among people, hence their earthly path is in vain since it does not ascend but irrevocably leads into the abyss. The human being ought to be of loving service but he strives to dominate, and even many of the bound spiritual substances are prevented from being helpful because people hoard material things and deny them all useful purpose .... People are in a state of complete spiritual darkness, for without love there cannot be light and thus people remain spiritually blind and don't recognise their God and Creator .... Consequently this state has to be brought to an end, everything must be restored to its rightful order again .... the people who fail have to be separated from those who belong to Me, who strive to live an orderly life and who will therefore be treated with hostility by the former .... The lowest point has truly been reached which necessitates a renewal of earth, when all bound spiritual substances will be released and placed into new forms again, when everything will be placed into the most diverse kinds of new creations according to their degree of maturity. And then the human being, who had become totally enslaved by material things, will become matter again himself .... he will be banished into the creations of the new earth.

This is the most horrific fate you humans can imagine, the fact that your 'Self' will be dissolved into countless tiny particles once more and has to travel the path through the creations of the new earth in order to reach the stage of a human being again one day, even though it will take an infinitely

long time all over again .... You humans cannot imagine such a work of transformation, after all, it means the end of this old earth, even if the planet as such remains My might and wisdom will nevertheless subject it to a complete transformation and thereby make it suitable again to serve its purpose of helping the spiritual substances gain full maturity. You should accept the knowledge you receive about this process and its reasons and think about it seriously. You should know that this work of destruction will particularly affect you humans very painfully since it will be your loss if your way of life does not correspond to My eternal order. You should also know that I will keep to the day which will bring an end to this earth, for My plan was determined by My love and wisdom and is set for eternity .... And so one period of Salvation comes to an end and a new one begins, where order has been restored and where tranquillity and peace prevails, where it is impossible for My adversary to be active because he will be banished for a very long time ....

Don't think that you are being wrongly instructed if I repeatedly send you the information about this impending act of disintegration of all creations on, in and above the earth .... Believe Me that everything is possible for Me and that I also know when such destructive action is necessary in order to guarantee the development of the ascending spiritual substances. Yet those of you humans who lack all love won't accept My Word, hence you will be harshly affected when the last day comes .... But there is no other option because My love applies to all still unredeemed and enslaved spirits .... And even for you, who fail in your free state as a human being, I will create new possibilities to reach the goal one day; yet the fact that you infinitely prolong the time of your distance from Me again is your own free will, thus your own fault, which you have to pay for with a renewed banishment into the creations .... For I truly don't want your unhappiness and will help you until the very last hour of this act of banishment passes you by, so that you will still find Me and call upon Me for mercy before the end ....

Amen

*Total change earthly and spiritually ....*

Extensive changes are at hand in the physical as well as in the spiritual realm .... because the unavoidable spiritual upheaval also calls for a total earthly change in every way. This first occurs in the creations of nature which have to be completely transformed since their present structure is no longer adequate for the spirit's process of maturity. The spiritual substance which is now striving towards higher development has to travel the path of development in a shorter time than before and needs different forms to serve, although in a condition of constraint. And this change of nature drastically affects the human generation which lives on earth before its transformation. The preceding time will lack all order, there is a complete disintegration process even in respect to worldly issues; people will violate the divine order, they will carry out an extremely strong destructive will, there will be unsurpassed chaos and people will be entirely earthly minded except for a few who consciously pray for and receive divine mercy. And since an offence against the divine order ultimately has to result in destruction, it is obvious that everything in existence has to be, if not destroyed, at least transformed to restore order, which is absolutely essential for the development of the spiritual substances.

The creations of nature change in accordance with God's will .... the human spirit, which previously had completely separated itself from God, will take these creations as their abode; and since the new period of redemption has a shorter duration than the previous one, the new creations will be of a completely different consistency than those of the old earth .... They will be somewhat harder and thus more compelling which is a far more agonising condition for the constrained spirit than any previous earthly progress has been. Thus the God-opposing will is intended to be shattered within a shorter period of time in order to liberate it for continuation of its evolutionary progress in other creations. As a result, the whole process of transformation also signifies a complete spiritual change.

The time will come when no opposing power can prevent the souls' ascent because they have resisted temptations and trials and no longer require them. They have the degree of maturity which, in unity with God, has

become a recipient of light and strength. They live a blessed and peaceful existence which is in fact eternal life, but experienced on earth because they will start a new human generation, which is necessary for the higher development of the immature spiritual substances in creation, i.e. they have to fulfil earthly tasks to help the still struggling spiritual substances to ascend. Thus it is a heavenly paradise on earth, and blessed is the person who is permitted to experience this peaceful state as an inhabitant of the new earth. It will be a time of calm, of peace, because the battle between light and darkness has temporarily ceased, darkness being the furthest distance from God and light being the closest proximity to Him. The furthest away from God is banished and requires a period of time for its redemption which ensures a peaceful spiritual life for those who are closest to God, which will be unimaginably beautiful for the human beings who survive the end of the old earth, because they had remained faithful to God during the previous extremely difficult time of battle and can now exchange the chaotic condition for a state of profound peace and divine order.

God's spirit will govern them, His love will look after them, He Himself will stay as Father with His children audibly as well as visibly, and after the conclusion of the old era, which ends with the Last Judgment, a new period of redemption will begin .... And this Last Judgment amounts to the disintegration of everything on this earth .... solid matter, plant and animal life as well as the human generation shall experience a total change, as God's love and wisdom has ordained and His omnipotence will bring about .... so that the God-opposing spirit will give up its resistance and change ....

Amen

*The destruction of the old earth ....*

*Experience in the flesh ....*

*Warning ....*

I told you that you will witness the destruction of the old earth while still in the flesh and I say it again so that you will believe it. Your faith is weak, and inwardly you refuse to accept the fact that you live in the last days. But My spirit repeatedly tells you that the time of the end is close at hand .... Why don't you want to believe this? Since, on the other hand, you cannot deny the truth of My revelations? And why do you hope for and expect progress, an improvement of earthly conditions? Why does the thought of an end in combination with a total destruction of the old earth seem unbelievable and unacceptable to you? Because you would gladly continue to live, because you are not yet prepared and do not sufficiently contemplate My Word, which very clearly explains to you the necessity of a total transformation of the old earth and will guide you into profound faith if you, with your will towards Me, absorb and accept every Word as coming from heaven and live accordingly ....

Even you, who should spread My Word, allow yourselves to be troubled by doubt, and therefore do not represent My Word convincingly enough, you allow yourselves to be undermined by objections to the contrary. Your faith is not strong enough, in spite of your good will to serve Me. The reality of life affects you and you find it impossible to reconcile it with the human being's spiritual destiny. Consequently you don't support My revelations about the forthcoming time diligently enough. You do not take My Word seriously enough yourselves, hence I always have to give you the same urgent warning of the approaching end again .... You will experience it while you are still in the flesh .... Does that not tell you enough? Do you know what age you will reach? Could it be that you will only live a short time? Only I know which day will be the last and I will keep it a secret, but I will tell you that it is not far away and that you will serve Me until the end .... Consequently you will have to experience the day and should believe it!

You will be good labourers for Me because a convinced faith also lets you

Speak convincingly. I need servants like you on earth who will strongly urge and vividly describe to people the need for My working on earth and the spiritual hardship humanity will experience if it does not receive help. You receive My Word and are therefore already advanced in knowledge .... and yet you do not want to believe although you will not reject or oppose it ....

For this reason I speak to you all the more insistently, because profound faith is necessary if your words are to make an impact on your fellow human beings. When you yourselves are convinced that what you hear through the voice of the spirit is the absolute truth, then you are true representatives of My Word on earth, and then you lend Me your mouth so that I can speak through it Myself. Your task during the approaching time is to be My mouthpiece because I cannot reveal Myself to people in any other way, but it is absolutely necessary that they should hear Me Myself, although they are not always able to recognise My voice. The extreme difficulties of the last days will come upon people with such severity that they would have to despair without My help, without My Word. But if I speak to them Myself they will be strong and able to resist even the greatest adversity because My Words will have given them strength. Hence you should render your services, because people have to be influenced without force, and because I Myself will always be present when you, as mediators, engage people in spiritual conversations and thus establish the connection between Me and the people who are to be instructed, who urgently need My Word if they want to endure until the end. And the end is coming soon .... I call to you time and time again; you should believe My Words and with complete trust approach the future, which will unfold as I told you well in advance in Word and Scripture ....

Amen

*The earth's last hour ....*

And the last hour of the world's clock comes constantly closer .... These Words don't mean much to you humans for you don't believe that you are so close to the end .... And for your sake I cannot give you compelling evidence of this for your fear would render you incapable of fulfilling your earthly task. And thus you may or may not believe it, and your nature will be in accordance with this unbelief when the hour has come. For My plan has been determined for eternity, and profound love for My living creations made Me decide on this plan in all wisdom and will also determine Me to bring it to fruition because the time is fulfilled. My Nature is forever unchanging, and what I once foresaw as being necessary and successful for the beings which are still separated from Me I will also carry out and not allow people to make Me change My plan, since it was based on humanity's will which I have eternally foreseen as no longer capable of change on this earth. I do not plan and act arbitrarily but immeasurable love and wisdom determine Me in everything that happens. Hence there is no reason why I should refrain from implementing My eternal plan of Salvation, for I can see every situation clearly and therefore know that nothing will be gained by changing or deferring My plan of Salvation.

You humans must bear in mind that you truly have had enough time at your disposal and yet those of you who do not believe in Me have not changed .....Even if you had far more time at your disposal you would still not change, hence a postponement of the end would be completely ineffective and pointless and would even put My Own at risk of falling prey to My adversary as well if I do not constrain him as it is intended .... You really ought to grant Me supreme wisdom and profoundest love, then you will no longer appeal to Me for preventing the end of this earth, then you will expect the coming time with complete trust in My love which shall protect everyone who wants to belong to Me and which will truly also use its might when My Own need help in any adversity. Even if you humans don't want to believe that your time is nearing its end you should at least consider the possibility that you suddenly will be recalled from earth; for you know that you cannot prolong your own life and that you don't know

when your last day will come. Just consider that you cannot stop death and think what will happen to your soul, which is immortal, which is your real Self whose fate you decide yourself during your earthly life .... But you do not even believe in your soul's continuing existence, and as a result of your unbelief you are in serious trouble for it will not stop Me from carrying out what is proclaimed in Word and Scripture .... For the time is fulfilled and everyday is still a blessing which you can use if only you are of good will.

However, don't put your hope in false prophets who deny an end, who believe that they can change My mind, for they do not speak in My name but are the instruments of the one who wants to keep you in spiritual darkness and who therefore wants people to believe that they have unlimited time .... People would rather believe these false prophets and only ever seek fulfilment by enjoying a good life but fail to consider their souls whose existence they doubt or deny. And it will come to pass as it was foretold .... I Myself will come in the clouds in order to fetch My Own before the work of destruction of the old earth begins .... Not one stone will remain on the other, for the earth will have to be renewed. A new earth will arise, a paradise-like creation which will accept all immature spiritual beings again which were released at the destruction of the old earth and require new forms once more in order to continue to mature fully. And this new earth will be inhabited by those who had remained true to Me until the end .... For they will have reached the degree of maturity which allows them to enter the sphere of light and therefore they will also be allowed to inhabit the paradise which will truly be the same state of beatitude for them as if they had entered My spiritual kingdom without their physical shell. Yet they shall serve Me as the root of the new human race ....

A new period of Salvation can only start with spiritually mature human beings who will also help all still constrained spirits within their environment to speedily achieve maturity, who have such a heartfelt bond with Me that they will also teach love to their children and children's children and bear witness to their God and Creator's glory, and thus the release from the form can progress quickly because I will dwell amongst them in the living Jesus .... Because all people who will then inhabit the new earth will also entrust themselves to their divine Saviour and Redeemer Jesus Christ and in awareness of the original sin also consciously take the path to Him and

therefore all resistance will have been broken, for then every person will consciously take the path of return to Me so that I Myself can be present to him since his great love for Me will allow it. Hence this will be the thousand-year kingdom in which the victory over Satan will be evident, for he cannot and will not oppress anyone anymore since all have entirely freed themselves from him and achieved the return to Me, leaving him unable to enter My kingdom until even this blissful time will gradually change again .... until people once again show an inclination towards matter and thereby release the chains of My adversary .... who is lord over matter .... and his influence markedly manifests itself again .... Yet before this time comes to pass many souls will have entered My kingdom in a completely redeemed state .... I will have been able to reap a good harvest, and then the battle with My adversary for the souls will start again .... Yet I will be victorious and time and again wrest souls from him and reduce his follows who represent his power. And time and again he will contribute towards the fact that the redemption of the fallen spiritual will continue. For I will never surrender what is Mine, even if it takes eternities .... one day it will return to Me and then remain united with Me forever ....

Amen

*About the last judgment and the new earth ....*

You cannot truly imagine in what way the Last Judgment will proceed; suffice it to know, that it is only a short action where everything will fall prey to its huge power of destruction, and that you will then have no more time to change your thoughts and intentions, because everything will happen rapidly and leave you no time to think .... You will be judged at a moment's notice, i.e. whether you will enter into life or death within a very short time .... Those of you who remain loyal to Me until the end will be carried away, the others will be devoured by the earth, which denotes their souls' new banishment into hard matter. Only people who still have a small glimmer of faith in God will have the strength to call upon Me in the last moment and still be saved by being spared the fate of a new banishment, albeit they will not belong to the flock of the raptured.

Nevertheless, their share will be an easier fate, since they will be granted another embodiment as human being in which they should and will be able to prove themselves because the time on the new earth will be free from the adversary's temptations, who will be constrained for a long time, as it is written ....

And that is an exceptional act of grace which, however, will only be taken up by a few, for humanity is completely subject to My adversary at the end, and a person will only seldom detach himself from his restraints in view of the Last Judgment .... which will be dreadful. For all human beings face an appalling physical death, yet before they can spend much thought on it, it has already happened .... And My Own will witness this event, because I want them to get to know My might and glory, My righteousness and My wrath towards the sinners and testify to it as long as they live. For they will become the root of the human race on the new earth .... The event of the rapture is equally unimaginable because it happens in a way that defies all laws, and never before has it been experienced on earth that human beings were lifted up and taken away in their living bodies .... that I move them unharmed into a divinely beautiful region, from where they will then be brought back to the new earth, as soon as it is created in accordance with My Will.

I will not require time for this, because all spiritual substances are just waiting to be placed into works of creation which correspond to their degree of maturity in order to continue their path of development .... Human eyes do not see the act of creating the new earth, therefore it is not necessary to observe a specific duration of time for the sake of people .... And the people who are raptured lack all sense of time, so that they are unable to ascertain what time it takes to create the new earth .... Yet My might is unlimited and will reveal itself in the formation of the new earth, for this will show new creations which you humans cannot imagine but which will highly delight you, who may experience this earth .... It is truly a paradise on earth .... For My Own remained loyal to Me during the battle of faith and shall receive their reward for their loyalty .... All human beings could experience this happiness if only you would use the short time until the end well. But you do not believe and don't do anything to improve your soul's maturity, and therefore everyone will receive the reward he deserves .... a blissfully happy

life in the paradise of the new earth or new banishment in the creations therein, so that after an infinitely long time you may once again live as a human being on earth for the purpose of a final test ....

Amen

*Transformation of earth ....*

*Change ....*

*Disintegration ....*

You must always remember that nothing on this earth can last forever, and therefore even earth itself will not last, thus it has to change if it will not completely disintegrate in its fundamental substance. The latter will occur after an infinitely long time, but a transformation of earth will take place shortly. Just as earthly matter achieves its higher development through the dissolution of an existing form in order to rise again in a new form, so the earth as such is also subject to temporary changes, and all creations on earth will enter a new stage of development. Not just the constrained spirits within every work of creation strive to ascend but matter itself has to undergo this path of higher development by becoming increasingly softer, thus sheltering the spirit which, due to its maturity, is able to escape its form faster. Consequently hard matter, which has already existed for a very long time, has to be dissolved eventually too. Its development has to be continued in softer matter and new hard matter needs to be produced to shelter the spiritual substance which, in the stage of knowledge .... as a human being .... had failed and joined God's adversary.

Such total transformations of earth's external forms only take place within certain periods of time and are therefore unbelievable to people, because each such transformation happened so long ago that the truth can no longer be ascertained and upheld. Although a developmental period is infinitely long it will nevertheless come to an end one day.

People cannot verify or calculate the time when the end can be expected and neither can they deny it, but God wants people to believe in it because He Himself has revealed it to people through His Word and, through seers and prophets, has pointed it out time and again. That the destruction of

earth, i.e. its total change, is only a matter of faith is due to the fact that the human being has to bring about the change of his soul in utmost freedom of will, and this would be instantly restricted if the timing of the end could be calculated. The beginning and end of an earth period are so far apart because the human being has to decide to believe it or reject it completely, without being forced into either. But as soon as he thinks about it and observes the growth and decay in nature he can see the process of disintegration and transformation repeat themselves so often that he will also apply this change to the creation 'earth' and find it easy to believe in an end. But he will never be told when it will happen because such knowledge would be detrimental to the soul. God, however, reveals that the end of this earth is approaching soon and good for him who believes His Word and prepares himself. The day will not come unexpectedly for him; the thought of the end will no longer terrify him in view of the blissful state God has promised His Own after the transformation of this earth ....

Amen

*Transformation of earth ....*

The earth will continue to exist, for I have not planned its total destruction .... Yet everything living on it, as well as all creations of nature, will cease to be, so that a complete purification of earth can take place, since in its present state it no longer serves the progress of the spiritual substances. All living creations in, on and above the earth will lose their lives; they will be released from their enshrouding external form and able to continue the path of development, which at the moment is at risk for all spiritually tangible beings. For My adversary rages in every possible way and time and again tries to stop or interrupt this development. But the earth shall still fulfil its task for an infinitely long time to come, seeing that still immature beings shall mature on it to attain childship to God .... And therefore earth will arise again after a thorough purification process has taken place, after all spiritual substances are correctly placed, that is, after they are embodied into the external forms they merit, from hard matter up to the human being, who will also have to be offered easier opportunities to achieve

maturity again to enable them reaching the goal of becoming true children of God. Thus the final destruction is synonymous with the end of the old earth, even though the planet as such will remain and merely its external shell will go through a complete transformation. And thus the 'end' can, and rightfully should, be pointed out, as it will not just mean the end of all civilisations but also ends the existence of every work of creation on this earth. And a new period will start again, the entire earth's surface will be brought to life by Me again with the most magnificent kinds of creations for the human eye to delight in once more, as I will give all new creations most exquisite forms and provide all types of living creations to coexist with the people who will inhabit this new earth again and whom I will take there Myself in love, wisdom and might. For I will establish the root of a new human race with those I was able to remove from the old earth; they remained true to Me until the end and thus are chosen by Me as the new generation, who in turn shall bring forth people who live within My will and amongst whom I can dwell Myself by virtue of their faith and love ....

And it will be a blissful state, for the new creations will delight people to an extent never known before. People will truly inhabit a paradise, an earth which no longer corresponds to the old earth, because it will only be occupied by mature people capable of receiving an extent of bliss previously unknown on earth, since humanity already belonged to Satan, thus necessitating the cleansing of earth. And this time lies ahead of you, and each one of you would still be able to change his nature such to be granted the great blessing of the rapture .... But a person is rarely able to muster firm faith in it, and only few people have such abundance of love that they belong to the small flock which I will call away suddenly and unexpected .... But prior to that, a time of need will befall earth which should be a very definite sign for you that the day is not far away. When you are able to clearly observe My adversary's activities, when you yourselves will be exposed to the evil deeds of his cohorts, when the adversity gets worse and a way out seems impossible to you, then this end will be near, then I will use My might to destroy everything profoundly evil and rescue My Own from certain destruction .... And those taken away by Me will live to see the downfall of the old earth, although they no longer can be affected by it themselves .... But one day they shall bear witness to the judgment of

a righteous God, they shall be able to observe the act of destruction and yet praise and glorify the One Who has saved them from this judgment.

And once again I will carry out an act of creation, for My willpower alone will let a new earth arise, a dwelling place for My small flock, for My chosen people, who will then be able to live their new life in paradise, in peace and freedom, in happiness and bliss, in light and strength .... where no suffering and pain exist because the source of all evil is bound and unable to oppress people for a long time .... For one earth period has come to an end, and a new one will start again to help countless still bound spiritual substances to progress in order to enable them reach the final goal, the unity with Me as My child. And this is what lies ahead of you humans, for the time is fulfilled which was once granted to you to achieve the final release from the form ....

Amen

*The end ....*

*Transformation and new creation ....*

And it will come to pass as I have told you .... the earth will lose its present appearance, an earthly and spiritual turning point will come, there will be a separation of the sheep from the goats .... My Own will attain beatitude and those who belong to My adversary will be banished again .... And this will have to happen or no further development would be possible anymore, for all souls strive towards the abyss except the few people who will remain true to Me until the end. But the people of the present time, who have already passed through the creations, will have taken the whole previous path of development in vain .... they, who have already reached the highest stage of development due to their previous earthly path, are now failing during the last stage and descend to such a point that the entrance into the spiritual kingdom will remain closed to them .... so that they will have to be banished into hardest matter in order to be admitted once again to take their last test of will as a human being after an infinitely long period of time ....

The number of those who use their earthly life correctly in order to become perfect is very small, since My adversary's spirit exercises such poisonous influence on all earthly inhabitants that the earth will have to be cleansed first before it can fulfil its real purpose again .... And thus I want to carry out this cleansing process through a huge work of transformation which mankind cannot avoid, since they give rise to it themselves with their conduct and their utterly rebellious attitude towards Me. A change has to take place for the sake of My living creations which will have to suffer for an infinitely long time if they don't complete their path of development on earth according to My will .... And this point in time has arrived, although it seems unbelievable to you humans that something should happen in creation, in nature, for which no proof of similar events on earth exists ....

The earth in its present form is in the last days of its existence .... None of you can possibly grasp what this means .... that everything will cease to exist .... that human beings, animals and all works of creation will come to an end and an entirely new earth will arise which will exceed your wildest imagination, because completely new works of creation will come into being which have never been seen by human eyes and which to you, who will experience and populate the new earth, will mean one miracle after another .... All through the ages I have told people that a new earth and a new heaven will come into being .... People failed to understand the meaning of it. But My Word is truth and will fulfil itself .... yet it will only be proof of My Divinity to the few whose profound faith in Me made them become My Own and to whom I can open the paradise of the new earth because they are and will remain My children forever .... These few also understand the meaning of My Words and they will expect Me and My arrival in the firm belief that I will rescue them from the adversity which precedes the final end. For they are My children and I will come for them when the time is fulfilled ....

Amen

*Purification of earth ....*

And there will be a new earth again on which people will be closely united with Me and thus live in accordance with My divine order. But this state can only be achieved through a cleansing process of earth .... so that the old earth will be shaped again such that everything will be back in its right order which, however, does not imply that this order can be established on the present earth, as so many people want to believe because they can't bear the thought of an end of this earth. The forthcoming purification process will be thorough but first it will affect all people who no longer live within My eternal order .... yet it also includes the works of creation themselves because the bound substances therein will require new forms in order to achieve swift spiritual advancement .... and because I Am first and foremost concerned about the spiritual substances which have languished in hard matter long enough in order to be finally permitted to start their path of ascent .... A change towards Me would never happen again on this earth because people reinforce My adversary's power which he will only ever use so as to achieve an even greater apostasy from Me. And as long as the adversary is not bound together with everything that belongs to him the low spiritual level will not only remain as it is but become progressively worse so that a state of harmony on earth can no longer be expected.

Therefore I will carry out a thorough cleansing, I will dissolve everything on earth that shelters spiritual substances and let a new earth arise with completely new creations which will be occupied by the spirits for the purpose of higher development .... And I will only populate the earth with people of such advanced states of maturity that they will be able to endure a blissful life in paradise .... with people who remained true to Me in the last battle on this earth and whom I therefore will return to the new earth as the root of a new human race .... Every new period of Salvation starts with a spiritually mature generation which shall influence future generations by showing them the path of ascent and helping them to reach perfection. And since My adversary will be bound people will not be oppressed by him at first either, consequently it will be a heavenly state for a long time where all living creations, people and animals, will live together in harmony and

peace, where love will continually urge people into constant union with Me, where I will be able to be present with them and thus people will be blissfully happy, until the time comes one day when the bond begins to ease, when material things once again exercise their attraction and when the desire of people will loosen My adversary's chains .... without being hindered by Me, because the test of free will, which previously was completely turned towards Me, shall become necessary again ....

Every period of Salvation returns many of the once fallen spirits to Me. If I therefore did not put an end to the present state there would truly be no further spiritual progress, for I, on My part, have granted the adversary the right to fight for the beings as well. But he abuses his rights by overstepping the limits of his authority, insofar as he tries to prevent people from receiving knowledge of Me, their God and Creator of eternity, altogether .... However, earthly life was given to the human being to decide which lord they want to belong to, consequently they also need to be informed of both lords and this is what My adversary tries to prevent by using all possible means. And therefore I will put an end to his activity, he and his followers will be bound and I will first of all establish lawful order again everywhere so as to safeguard the fallen spirits' higher development in accordance with My plan of eternity.

Amen

*New earth ....*

*Romans 8 ....*

No work of creation on this earth will escape the huge upheaval; it will involve everything from hard matter to the plant- and animal kingdom up to the human being .... Everything will be affected by a work of destruction the extent of which will surpass anything that has ever taken place on earth .... Everything will be consumed so that one can truly speak of a new earth after the work of transformation has been completed. Thus all banished spiritual substances will first be released from their material form; but they will not be able to enjoy their state of freedom for long since they will be bound again in new creations according to their respective degree

of maturity. This is why the new creations can arise in a very short time and don't need a long process of development because the appropriately matured spiritual substances are already present and only require different forms so that the development can continue to progress on the new earth. And these new creations will be so diverse that it will truly lead to great spiritual advancement within far shorter time than on the old earth, for the spiritual substances will not be subjected to as much opposition as is the case in the last days during which evil forces noticeably exert their impeding influence everywhere.

And so the act of transformation will happen quickly but no human being will be conscious of it, for those who were raptured will be returned to the newly shaped earth but will be unable to estimate how long they had been absent from earth because they lacked all sense of time. But nothing will remain in its old form. And even the people themselves will not experience their earthly garment as burdensome ... to a certain extent they will already be enclosed by a more spiritualised form although it is still earthly-material substance, but they will experience no physical weaknesses and pain and will be able to live their life on the new earth in a state which truly can be called paradise. And this state will continue for as long as people live in close unity with God, for as long as they are in direct contact with the world of light and its occupants and completely live in accordance with God's will. In time, however, a change will take place again when the prince of darkness will gain control over people once more; but that will not happen for a long time since the first generations will still be very intimately united with God, Whose power and glory they were permitted to experience, so that they would remain faithful to Him and constantly live their lives in His love and grace.

As a result the influence of people on all creatures will be most favourable too; people's love will be felt by the spiritual substances in all works of creation and the more love they sense the faster they progress in their development and in this loving environment also abandon their inner resistance faster. It will gladly be of service and can often leave its form very quickly in order to occupy the next higher one, which considerably shortens the process of development compared to the previous period on the old earth. If only for the sake of this bound spiritual substance alone

people should recognise God's love in the act of transformation, for not only the human being requires God's help but all creatures sigh for release .... The human being, however, has the opportunity to release himself from the form during his earthly life .... If he fails then it will be his own fault that he has misused his free will again and so he will also have to bear the consequences, for then he will only receive what he had aimed for himself during his earthly life .... since he only desired material things they will become his external shell ....

*Creation of the new earth in a moment of time ....*

It is possible for Me to create all things in a moment of time, for it just takes a thought which My will and My strength externalise as My work .... However, when I work visibly to human eyes .... which is demonstrated by every work of creation surrounding you .... everything takes place within the framework of lawful order, so that you humans will be able to understand the processes of creation and therein recognise My love, wisdom and might .... For I have placed the same ability into you .... if only to a minimal degree .... which also enables you to create and shape and which also requires a certain length of time, because the state of imperfection which you humans still experience on earth also subjects you to the law of time and space, which does not apply to the perfect being, since then limitations of time and space no longer exist .... My reign and activity is always proportionate to the state of maturity of the spiritual being which is affected by it .... but it does not exclude that I have unlimited power at My disposal in order to externalise everything in an instant, because I have no need of time since I exist **beyond** the law of time and space.

When the emergence of creation took place I already intended with the **emergence** the purpose of giving the fallen spirits the means to gradually mature, to gradually travel the path from the abyss, to create ever new opportunities for it to be of service in some form or other .... Thus the development plan of every creation was always guided by My will, so that ever larger creations with ever new intended purpose emerged .... so that

gradually a higher development occurred .... Consequently, this emergence of creation required a certain length of time, for precisely this very time was intended to achieve the developmental ascent .... For the fall had been infinitely abysmal, and the same distance has to be travelled in order to return, so that everything will move within the lawful order that is required by everything perfect.

But if, at the end of a period of Salvation, a work of creation is transformed by My will in order to create new opportunities of higher development, then new works of creation can emerge again which are called by Me into being in an instant .... For this, too, is intended in My eternal plan of Salvation **without** revoking the law of eternal order by doing so .... because spiritual substances of **all degrees of maturity** on the path of return are already present precisely because of the spirits' earlier infinitely long developmental path on the old earth ....

Everything is present and will only be transformed, be it hard matter or already lighter forms in the plant and animal world .... Everything will be set free by the violent destruction, however, in its state of immaturity it cannot keep its freedom but has to be placed into material forms again which correspond to its present state of maturity .... And time and again even as yet still hardened spiritual substance will be able to start its path of development in the innermost part of the earth, which will also get into complete turmoil and release spiritual substance and in turn provide room for the former spirits .... if one can speak in this case of room at all .... But all works of creation are in effect present to accept the lowest fallen spiritual substance which starts its path of development. It will, after all, require an infinitely long time again until one day it will reach the surface of the earth in order to progress further ....

So, although the work of transformation on this earth is a work of a moment, everything will nevertheless progress in lawful order .... And because such a work of a moment's time cannot take place before people's eyes, because they have not yet achieved the highest degree of perfection and are unable to grasp such expression of My might and strength, the people who remain faithful to Me will be carried away at the end .... They will in fact observe the work of destruction because I will open their eyes to it, but they will not see the emergence of the new earth .... All concept of

time has been taken from them until they will be led to the new earth, until they will be allowed to behold the completed new creation in all its glory and take possession of it .... And it is indeed irrelevant how much time it takes for the new earth to emerge, but since I Am revealing My eternal plan of Salvation to you humans I also inform you that I don't require time, for My will is able to externalise every one of My thoughts in an instant as a creation, and My love and wisdom also recognise what is beneficial and suitable for the final return of the spirits which once voluntarily deserted Me ....

Only a small proportion of people will ever be spiritually enlightened and able to comprehend these explanations of Mine, but I want to grant them an insight into the secrets of creation in order to arouse their love for Me ever more ardently, for especially My plan of Salvation is most pleasing for all beings, since it reveals My love, wisdom and might, and anyone who already gains this realisation on earth can truly be called blessed, for he is close to his perfection, he is close to his final return to Me, his God and Creator of eternity, Who has revealed Himself as Father and Whose love is never-ending ....

Amen

*New wonders of creation on the new earth ....*

*Brittle matter ....*

Throughout every single phase of development the spiritual substance is kept in a constrained state until it has acquired the necessary maturity for its final embodiment as a human being, hence .... if it failed its previous phase of development as a human being it has to start in the confines of hard matter again and cover the path through the mineral, plant and animal world until it can become a human being once more. However, spiritual substance which has not reached the final stage in this period, but is nevertheless released by God due to the last destruction of earth, will be bound in outer forms which correspond to its maturity again, i.e. the interrupted process of development of the past period will continue in the new phase of development .... on the new earth .... For this reason the new

earth will contain the most diverse creations again, however, they will be entirely new and different forms from those on the old earth. And thus new wonders of creation will come into being which the first people living on the new earth will undeniably acknowledge as miraculous, as a testimony of God's glory, as evidence of His love, omnipotence and wisdom. People will be extremely amazed at what the new earth has to offer and in admiration will praise God, love Him and give thanks to Him with all their heart. And the souls will continue with their development ....

But the substance constrained in solid matter is tormented by its restriction and tries to escape. Depending on the resistance of its will it shall either succeed or fail, but God takes the will of the substance into account and thus the material of the new earth is of utmost solidity and stability in order to soften the inherent spirit's will that it should finally surrender its resistance. Consequently, the slightest change of will shall loosen the form .... in earthly terms this means that although the solid matter of the new earth is indeed exceptionally hard it is also very brittle and thus can easily break or shatter as soon as God's will intends a release from this captivity. Similarly, other creations will also have a shorter lifespan, because the transformation of the spirit substance shall proceed at a faster rate, which can indeed be possible but nevertheless depends on the spirits' willingness to serve. The spiritual substance is merely intended to achieve its final embodiment as a human being faster than in previous phases of development as long as its will is not entirely opposed to God. For this reason the first human beings on the new earth shall experience miracles upon miracles, they will be so affected by them that their love for God and their unity with Him will grow ever more and they will live in His grace, but they will also understand these miracles, they know that they are only the expression of God's infinite love Who wants to retrieve all spirit and offers it every opportunity to change its will.

And this shall continue for a long time until the initially constrained spirit substance within the plant and animal world has reached the stage of embodiment as a human being .... Then people's understanding for the wonders of divine creation will gradually fade, the inclination towards matter will be awakened again and, due to their own longing for possessions which still contain immature spiritual substances, Satan's influence on

people becomes stronger again. Subsequently, the unity with God will diminish and the battle between light and darkness, which in the beginning had disappeared because everything living on earth of its own free will was enlightened, will increase again .... For the evolutionary process of the spiritual substance is always the same during every period .... the spirit has to live within the hard form until it is willing to walk the path of service through the creations, which amounts to less constraint, and then it has to serve until it has achieved a certain degree of maturity which results in a condition where it should serve of its own free will but, unlike during the previous stages, it is no longer forced to do so. And at this stage it should not fail otherwise the whole earlier process of development has been in vain. The human being's volition determines whether this will be his last earthly embodiment or whether he has to repeat the evolutionary process, whether he will turn towards the light in the last stage or allow himself to be captured by dark forces and has to be banished again into hard matter for ages to come ....

Amen

*State of paradise on the new earth ....*

I want to turn the earth into a place of peace again where love reigns supreme, where there is no hostility, where all created beings live together in harmony and happiness, where the radiance of people's love will also beneficially touch all still constrained spiritual substances, where everyone makes an effort to help his fellow human being spiritually as well as earthly .... and where I Myself, the Eternal Love, will be able to dwell amongst people because nothing of a negative nature prevents Me from doing so .... It is My will that the earth will once again serve in helping the human race to attain utmost maturity, so that many people will be able to leave earth in a perfected state because they are closely united with Me and thus they will no longer be burdened by the effects of the past original sin, for they all will have been redeemed on earth through Jesus Christ already and therefore can be placed onto the new earth .... For their removal from the old earth prior to Judgment Day is evidence that they belong to Me, it is proof that

they have found union with Me on the old earth .... that they are free of all vices and cravings which thus enabled Me to return them to the new earth ....

And a new period of redemption will begin which will at first result in many human souls' maturity because My adversary will be bound and unable to oppress these souls and also because they voluntarily abandoned all resistance .... hence they had already become My Own and only live an earthly life for the sake of the succeeding generations, for they shall bear witness to My might and glory, they shall be able to speak from their own experience about the state of the old earth and also teach their descendants to love Me .... Their children and children's children will be imbued with love as well; their souls will not be far from their original state, for they were conceived in pure, unselfish love due to My adversary's lack of influence on the people who populate the new earth .... Love, however, is strength which can truly hasten the soul's maturing, it can also help the bound spiritual substances to leave their form and they, too, will relinquish their resistance and always move forward in their development according to My will ....

This state will continue for a long time .... during which many of the fallen spirits will return to Me in a perfect state, during which I will gain many `children' and My as well as their happiness will know no bounds, for I know that all fallen spirits will return to Me one day and that My eternal plan of Salvation will not be unsuccessful. And yet, even this state on the new earth will change again one day, for ever more souls will incarnate which had passed through the creations of the world and the inclination for material things will break through once more .... rarely at first but steadily increasing, and the desire for material goods will also loosen My adversary's chains, for people's free will is decisive and this can be influenced by My adversary again because the people themselves will no longer resist him. Yet time and again My love will also help these souls and the struggle for them will start anew, however, people's resolve itself will decide which lord shall be victorious. For the knowledge of Jesus Christ, the divine Redeemer, will also be imparted to these new generations .... Hence they will not be left helplessly at the mercy of My opponent and will also abandon their resistance sooner, because their faith in Me as God and Creator will still be strong enough and thus My influence through the voice of conscience will

have an effect ....

Nevertheless, it will no longer be the paradise-like life that it was in the beginning, people will go through inner conflicts, My adversary's temptations will not fail to materialise themselves and the struggle for existence, too, will get harder yet be easily endurable for those people who remain faithful to Me and foster the love within themselves .... And even then My messengers of light will help people, partly embodied as human beings, partly exerting a spiritual influence on those who entrust themselves to them and remain in constant contact with Me. And as long as love reigns My influence on people will be strong and no regression into the abyss will have to be feared .... for My adversary fights against love in vain ....

*Harmonious life on the new earth ....*

Whatever idea you might have of the new earth, the reality will far surpass your imagination, because a blessed time will dawn for My Own, for the people who will endure to the end and be taken to the new earth .... People will live together in absolute harmony and peace, surrounded by incomparable works of creation .... Even the animal world will coexist peacefully, there will be no hostility between the creatures, for their soul substances are also nearing embodiment as a human being, and all spiritual substances bound in the creations sense the harmony surrounding them and noticeably change their resistance, which becomes apparent by their willingness to be of service, because this spiritual substance, too, wants to arrive at their final path on this earth quickly .... People will be able to enjoy many magnificent things, given that they are fully matured for a life of beatitude, and they would enjoy this beatitude in the kingdom of the beyond were it not for the fact that they shall continue their life on the new earth because the new human race shall arise from them ....

And once again souls will be able to incarnate who had achieved a higher degree of maturity due to the great changes, due to the exceedingly sorrowful last days and the immense destruction, who are now far more willing

to fulfil the final functions of service in the material form as a result of people's loving way of life on the new earth. Consequently, they are not entirely without love at the beginning of their human incarnation and thus progress faster, especially since they are not troubled by the adversary, since their love also assures them the light beings' protection and help .... so that they will be able to easily repel the instincts and longings which still adhere to them .... For their will is directed towards Me, and thus they also fully consciously pass their test of will in their earthly life as a human being, because My adversary is unable to bother them and people's love establishes the bond with Me .... This privilege of an easier earthly progress for their descendants was acquired by My Own through their successful battle before the end, which truly necessitated a strong will and immense love for Me and which I therefore will also reward in every sense. In addition, I know when the spiritual substances in the form change their will, and accordingly I Am able to place them into external forms on the new earth again which will guarantee the spiritual substances' willingness to serve .... The situation on the new earth will be such that people will no longer be burdened by suffering and problems, that they no longer will experience earthly or spiritual hardship, that they will be able to enjoy the magnificent creations in perfect happiness, that one person will so love the other that he will want to discard everything that could burden the other .... And this love allows Me Myself to dwell among My Own, to teach them and to bring joy to them with My presence. A truly divine peace will spread across all created beings and remain for a long time, because every activity is determined by love, and thus even succeeding generations will allow Me to dwell amongst them .... and the adversary will be totally excluded .... For he cannot be where I Am present, and all people have been redeemed in truth, for they live in the sign of the cross, they are brightly enlightened about Jesus Christ's act of Salvation and love Me in Him with a passionate heart ....

It is truly a state of paradise which certainly will last a long time, but it will not last indefinitely .... For ever more spiritual substances travelling through the creations, whose resistance has not yet been entirely broken, will attain their final embodiment, and then the longing for matter will come to the fore again and in a manner of speaking loosen My adversary's

chains .... For people will desire what still belongs to him and demonstrate their adherence to him and thus will also be controlled by him again .... And then the adversary will have the right to influence the human being's will once more, and he will use it by tempting people into wrongful deeds which offend against the commandments of love and thus also distance Me from the face of the individual who has submitted himself to My adversary ....

And so the battle between light and darkness will start again; earth will once again serve as a place to mature, for an infinite number of constrained spiritual substances will take the path of higher development and they all are given an appointed length of time. And time and again also entirely redeemed souls will depart into the spiritual kingdom, for Jesus Christ's act of Salvation will never remain ineffective, and I, for My part, will always make sure that the knowledge of it will be conveyed to people, for Jesus Christ will always oppose the prince of darkness, Who will sooner or later be victorious depending on people's will, which is and will remain free and which will also achieve the last perfection in earthly life .... because one day it will submit itself to Me and completely subordinate itself to My will ....

Amen

*The `redeemed' at the end ....*

*Inhabitants of the new earth ....*

When, due to My will and My might, the destruction of this earth will take place, i.e. when everything living on this earth will be destroyed, it will become evident who is truly redeemed, for only they will survive the end and be able to enter My paradise on the new earth. For in order to survive this final work of destruction it is necessary to have utmost faith in Me in Jesus Christ as well as utmost devotion to Me .... thus it requires a complete separation from My adversary .... it necessitates the state of freedom which was purchased for humanity by Jesus with His death on the cross .... Only a being redeemed by His blood can inhabit the new earth where Satan has no more power; where I Myself can dwell amongst My Own because their original state has been re-established ....

Admittedly, salvation through Jesus Christ can be experienced by people called away by Me from this earth prior to the final end .... They, too, will be blissfully happy inhabitants in My kingdom where no evil power can harm or oppress them anymore, precisely because they are `redeemed' from it .... Yet the people who shall inhabit the new earth will live in the same bliss, in complete freedom, full of light and strength, but nevertheless in earthly spheres, because they shall become the root of the new human race, because they shall help the following generation towards complete redemption, which has to live on earth until everything is completely spiritualised. Being redeemed themselves, the first human beings on the new earth are able to exert an extraordinary beneficial effect on their descendants as well as on the spiritual substances surrounding them and which are still constrained in the creations of the new earth. Thus this spiritual substance will be able to cover its process of development faster ....

For the time when My adversary is still bound in chains has to be used well .... while he has no access to the people on earth, since the strength and light of the `redeemed' is so strong that it prevents his every approach to people .... In the same way as his working and raging was clearly noticeable in the last days before the end, in the same way as he used his every influence to draw people into the abyss, so will the influence of the Divine predominate on earth now .... everything will strive towards ascent and achieve it extremely easily because no adverse power can prevent it .... The redeemed human beings will bring forth new people who are full of love, thus the divine principle is dominant in them, enabling them to mature fully within a very short time in order to enter My kingdom of light after their earthly life comes to an end ....

Amen

*Witnesses to the end on the new earth for descendants ....*

You shall be My witnesses on the new earth, you shall give evidence of Me and My glory, of My might and love, for you will experience all these at the end of this earth .... you will see Me coming in the clouds in radiant brilliance of My splendour .... you will feel My love when I save you from utmost hardship, when I remove you before your fellow human beings' eyes who, with a truly satanic mind, have every intention to kill you. You shall experience the evidence of My power, because the last work of destruction on this earth will take place before your eyes. And thus you will enter the kingdom of peace with an experience which you are meant to remember in order to bear witness to future generations, to people who will only receive knowledge about the events on the old earth on account of your information, so that they, in turn, will pass it on again and thereby uphold the knowledge on the new earth for a long time. You shall bear witness to Me and My glory ....

A devout generation, faithfully devoted to Me, will indeed populate the new earth, who will not doubt My strength and might, My love and perfection. And as long as I Myself can dwell amongst them because their faith and love for Me allows for it, it will not be necessary for you to testify of your experience .... But as soon as new generations come forth from them they will have to be given the knowledge again and the end process of the old earth has to be particularly emphasised, so that these new generations will also intimately unite with Me in order to be and remain My children .... The living testimony will have a remarkable effect on their hearts, and they too shall proclaim in future times what they received from you .... Then faith and love for Me will be upheld for a long time, for a long time the human generation will live in peace and unity, in harmony with the Infinite, in constant contact with Me, and My spirit will be able to flow into their hearts, they will be able to hear My Word and be blissfully happy.

And yet, even this situation will change. At first the influence of adverse powers will be only slightly noticeable and then gradually get ever stronger .... For the constrained spiritual substances in creation will arrive at the stage of embodiment as human beings once more, and these will have

developed in different ways, so tendencies and instincts will surface in their human state which require more changes, which will still betray a tiny resistance to Me, and therefore human beings who need special, more effective methods of education .... will live on earth again. And then it will be necessary to inform them about what effect a way of life in opposition to Me will have. Then the battle between light and darkness will start anew, for the desire for matter will start to grow stronger in people's hearts again, they will no longer be able to hear My Word directly, and messengers of My Word will speak to them on My behalf. And for the sake of a living message, testimony shall also be given of the end of the old and the beginning of the new earth ....

And therefore, those of you humans of earth who will experience the end, who will remain faithful to Me until the end, will also have a task on the new earth .... to make sure that the knowledge is preserved, that the following generation will be able to keep these events in mind, that it will be inspired to remain in My will, that it will let Me come alive within its heart and always endeavour to reach Me ....

Amen

*Passing on the divine Word to the new earth ....*

Just a small flock will await My coming before Judgment Day; there will only be a few people whom I can call My Own, who remain strong in faith and confess Me before the world, and who will therefore be persecuted in every way and would have to fear for their lives if they had no spiritual vision and were not spiritually minded. But this small congregation will know about the end, it will expect Me with profound faith and therefore will devotedly endure the extreme time of hardship. It will confess Jesus as Son of God before the world and thus I will lift them up to Me and provide them with a heavenly place to stay until they may return to the restructured earth .... This small flock has the task to pass My Word on to their descendants, so that it will be offered again just as unadulterated as I conveyed it to people and remain the fundamental teaching of Christianity on the new earth. For I will continue to take care of My Own, which include

all who accept My will, who aspire to reach Me and therefore act with love, since their desire for Me is already a manifestation of their feeling of love which also expresses itself towards their neighbour. Thus they will fulfil My commandments, and they will also receive My Word from Me, either directly or indirectly.

My Word comprises the teaching that Jesus Christ preached on earth because He was permeated by My spirit of love, since the human being Jesus had already found union with Me on earth. And in order for people to achieve the complete union with Me on the new earth they have to be informed of Christ's teaching. Thus the pure truth, which is presently offered to you humans from the heavens, has to be taken along as My Word onto the new earth, where its utmost profoundness and wisdom will be recognised as a message from above, as a direct instruction from God. For that reason it will remain the fundamental teaching for a long time, until people become more materially minded again and make corrections and changes to My Word once again. This is already the next cause of digression from their knowledge and will darken their state of mind, which determines Me to send My Word to earth once more. But for the time being it will remain pure and reach many people. Every Word will be acknowledged as My gift and people will love and serve Me, they will love each other and be happy on earth. For they will live in constant contact with Me and are therefore also recipients of light and strength, because My proximity will result in making them strong and wise, as I promised ....

*Satan bound ....*

*The new earth ....*

The power of evil will be broken for a long time, Satan will be put into chains .... a period of peace will replace the time of battle in the universe, no being of darkness will be able to oppress the people on earth; Satan himself and his followers will be bound for a long time, and people on the new earth will not loosen his restraints because they are closely united with God and no longer strive for anything else but Him, Who will then

taking loving care of them, both spiritually and physically. This period of peace on earth will make up for the time of indescribable adversity during the last days on this earth, which is granted to those people who are and want to remain faithful to God. It will truly be a time of battle for them since they will be spiritually and physically persecuted and barely able to defend themselves against their pursuers, who will even threaten their lives if they refuse to submit to them. But time and again these people have been promised through seers and prophets a time of peace, a time when no one will be in danger anymore from any side, when body and soul may enjoy the wonderful works of divine love, when a blissful peace will fill their hearts through the presence of the One Whom they love and for Whom they have suffered.

Everything will be peaceful, creations and living beings alike will live in perfect harmony, and even the bound spiritual substance will progress and quickly surrender its resistance because it will sense the nearness of the One to Whom it shall surrender again, and because people's spiritual emanations will soothingly affect the bound spirits within the creations. People had already passed their test of will, therefore a decision will no longer be necessary on the new earth, since people belong to God with body and soul and cannot be separated from Him anymore. But everything pertaining to Satan will languish in darkness; it is banished again into hardest matter and unable to influence the souls striving towards the light, it has to submit to God's will and is deprived of its power for an infinitely long time. Satan himself is weak since everything which had supported him and his power is bound and thus withdrawn from his influence.

In the midst of his world he is without strength, until people's wrong will shall once again provide him with power, but this will only happen after a long period of time, after the first generations of earth, the inhabitant of paradise, their children and children's children, have long since entered the spiritual kingdom .... when a rift occurs again in the direction of the emerging generations' will .... Then people will once again let themselves become captivated by material things and through their desire will then also loosen the chains of the one who is lord of this unredeemed world. Then the state of paradise will also come to an end, the time of peace will once again be superseded by a time of battle between light and darkness,

for then the struggle for people's souls will start again until another developmental period expires, yet with the result that innumerable beings will have achieved their spiritualisation and Satan's power will get increasingly less until he, too, will have to surrender one day which, however, will still take an inconceivably long time and countless periods of Salvation ....

*The adversary clothed in light ....*

*Paradise on the new earth ....*

It should not surprise you that My adversary will leave no stone unturned in the last days in order to increase his power, in order to stop his followers from leaving him and turning to Me, for it is written that he, too, will perform great miracles and also strive to tempt My Own into leaving Me and to regain them for himself .... And he will not shy away from disguising himself as an angel of light either and even use the Words of the Scriptures .... But he will be unable to deceive anyone who genuinely desires the truth, even if he appears in My name. However, as soon he has to confess Me in Jesus Christ and My act of Salvation he will evade the issue and drop his mask. For he will not acknowledge this act of Salvation and his effort is, and will remain, to dissuade people's belief in this act of Salvation as well. He will have great power in the end and certainly use it. Consequently, where the darkness of spirit prevails he will not be recognised, but wherever My light is able to spread its bright radiance his lies will be revealed and this is why My Own need not fear him .... for they can clearly see through his game of deceit and will resist him. Hell has cast out all its inhabitant and sent them to earth, and these demons will yet exert a strong influence on people, but I cannot and will not stop My adversary since this time is, after all, his last opportunity, after which he will be bound again for a long time and no longer be able to influence the spirits which then will live on earth again either in a bound or in a free state .... in the creations of the new earth or in the human being ....

Hence there will be a time of peace which enables all spirits to progress faster, for the bound spiritual substances will be offered many opportunities

to be of service, and at first people will not need spiritual opposition, which is permitted for the sake of testing their will, since they will have passed their test of will on the old earth and will progressively ascend because they will always be united with Me and the spirits of light, who can dwell amongst people as teachers and guides. This is why Satan will rage even more furiously beforehand, for he is in spiritual darkness himself and doesn't know that his activity will be to no avail, for the people he gains for himself will be banished anew, thus they will be removed from his power for a long time again .... And the others have given Me the evidence of their will, their love for Me and their strong faith and thus I can also reward them with a life in the paradise of the new earth, because they shall populate this earth again as the root of the new human race .... One day the lawful order will have to be established again on the new earth, and the time will have come when an improvement of humankind can no longer be expected .... But in these last days the spirits will still have to be separated and I will truly do whatever it takes in order to save what has not yet entirely fallen prey to the adversary, and it only requires good will to realise whether I Myself or My adversary are at work when unusual things happen which betray a strength that exceeds the natural ability of a human being ....

If you only want the truth, if you want to acknowledge Me, then you will indeed be protected from all kinds of deception .... If, however, you are still earthly minded you will also be impressed by the one who is the lord of this world and who expresses his power in an earthly way. And then he will have won you over but only to lose you once more, for all spiritual beings will be taken away from him again when the end comes. For truly, I Am Lord over heaven and earth, I Am in charge of the kingdom of light and the kingdom of darkness, and I know when My adversary exceeds his authority .... Therefore I will put an end to him as it is proclaimed in Word and Scripture, for then the time will have come when everything will have to be judged in accordance with My eternal order ....

Amen

*Abilities ....*

*Task ....*

*Regression ....*

*New earth ....*

The human being is the highest evolved living being on earth and therefore is also given a task which matches his degree of maturity. He is able to fulfil this task if he wants to, and precisely this will is tested (is supposed to prove itself), is meant to make the decision. For only the will determines whether the human being completes the task, whether he uses his abilities and lives expediently during his final embodiment. He is by no means forced to do so and therefore earthly life will give him countless tasks to carry out. Thus the actual task is not particularly emphasized, instead he should carry it out as part of his earthly activities ... to shape himself into highest possible maturity on earth .... If he ignores this task he nevertheless goes on living his earthly life, but his soul's imperfect degree of maturity remains. And for this he has to justify himself before God, because he was only given his earthly life to perfect his soul. Hence he misused it if he merely performed his earthly activities for his own advantage, or he disregarded it and thus disrespected God's mercy. The earth was his home and he was allowed to incarnate as a highly developed being; he was already in a state of maturity with many abilities of his own yet he lived his life no more consciously than the pre-historic human being. He only used his intellect and volition for an earthly activity of no lasting value, and he used God's strength to do so .... he merely used it for worldly ends, to increase his own comfort such that it only increased other people's desire to do the same. And thereby the earth became unsuitable for the soul's higher development, i.e. the world predominates and keeps such hold of the human being that he completely forgets his soul. Hence the time has come which necessitates a change if human beings should get to know their true task and live correctly again. The earth has to change again, it has to become again what it once had been and should be .... a place of education for the spirit where the world does not predominate but is purely the means to an end .... The world has to be created again, it has to be restructured, it has to shelter human beings who consciously strive towards their final maturity, who use all their God-

given abilities purely for the attainment of their souls'maturity because they realise that this is the true purpose of their embodiment on earth ....

*Free will ....*

*Knowledge of good and evil ....*

*The new earth ....*

The human being has free will .... But the use of this free will necessitates a clear understanding of what it should as well as what it can strive for, since the will must be able to choose either direction in order to make a decision .... Hence it must be possible for the human being to distinguish between good and evil otherwise the freedom of his will would be futile or could be questioned. And for that reason God gave the human being intelligence .... Therefore, not to use intellect means to ignore the gift of free will, thus the human being has the duty to apply his intelligence or else he will be held responsible. And this results in the necessity to reflect on the meaning and purpose of life, because it also gives rise to all other questions which have to be considered in order to make a free decision.

In order to achieve spiritual growth it is absolutely essential for the human being to clarify his inner attitude towards God, towards righteousness, for him to learn to understand that a sincere relationship with God is the purpose of earthly life .... that his free will consciously strives towards God and affirms what is good. Hence he also has to know of the power of evil, he has to get to know it so that he can despise it and choose between one and the other. For this reason evil cannot be expelled from the world or the human being could never make a free decision of will. Evil has to be given some room to vent its fury .... And this is God's adversary's influence on human beings which is not denied to him because he can, at the same time, release the powers of good, i.e. the human will is prompted to aspire for good or for bad. Consequently even evil forces are of service to God because they inadvertently help the soul to ascend if it uses its free will correctly.

However, they frequently use their influence beyond what is allowed .... in that they, whose actions are not refused by God, try to prevent good actions .... by making it impossible for people to freely choose between good and evil .... by withholding the knowledge of good, of God, and thus try to compel the human will. And for that reason God puts an end to their activities for a long time .... He confines the forces, who had a limited amount of freedom, for a long time, but at the same time also prevents people, who have not yet clearly decided or whose decision gave evil forces power over them, from using their free will. Only those who have chosen God of their own accord and in spite of the greatest temptations will stay alive because they need no further test of will since they have endured the most difficult trial.

In the coming period only people who have undertaken this test of will can live on earth, who knew the effects of the opposing forces, who were exposed to them and yet escaped them by virtue of their free will, because only they have attained the degree of maturity which allows them to live on earth without being influenced by God's adversary; while those who have failed must endure the long process of development again until they get at the stage once more when they can use their freedom of will .... Human beings always have to encounter good and evil and therefore the earth will remain a battlefield for both powers as long as immature spirits are embodied on it .... In the beginning the new earth will only accommodate beings of light, i.e. mature human beings shall live on the new earth and keep in constant contact with the beings of light in the spiritual kingdom, and God's might and power will prevent evil from approaching the people. But the first people of the new earth don't need further trials and therefore negative forces need not be close to earth either, which manifests itself in the fact that earth is in a state of profound peace, in a condition of mutual understanding and with societies of people living in perfect harmony, because love rules and no God-opposing entity can exist in the presence of love.

But this condition will not last forever because later generations will once again give power to God's adversary over themselves, they will gladly give in to his temptations and distance themselves to the same extent from God, Who wanted to create a paradise for them on the new earth .... And thus

the battle between light and darkness will start anew, and this shall again continue until the end of a redemption period, in order that human beings can decide of their own free will which Lord they acknowledge; and they will be judged in eternity in accordance with their free will .... they will have to suffer in darkness or approach eternal light until they are united with the primal light ....

Amen

*'Behold, I make all things new ....'*

I make all things new .... Those of you humans who are as yet unenlightened, who have not yet awakened the spirit within you, do not know the meaning of My Words, for you do not believe in a transformation of this earth, you do not believe in the Last Judgment, in the end of one period of development and the beginning of a new one .... You do not know anything about My eternal plan of Salvation and therefore do not understand My Words either: Behold, I make all things new .... Each of My Words has several meanings which are not even known to My enlightened Own, for this understanding is still too profound for the people of this earth, yet they are aware of the simple meaning, that I will renew what has left My eternal order ....

I want to make a change, since the people of this earth are no longer striving for one and therefore miss the purpose of their earthly life. They have failed by not using their lives for eternity. Nevertheless, I will not let them get lost and therefore will give them the opportunity to cover the neglected process of development again, yet not as a repeat but in a completely different way .... For another process of development is an increased bestowal of grace and has to be acquired through increased effort, the opportunity of which is offered by completely new creations. Thus, first I will renew the school for the spirit, My earth, which shall support the development up to that of the human being.

I will provide it with entirely new creations of such diverse kind and shape that extremely large numbers of spiritual substances will have the opportunity to prove themselves therein. And I will let a new human

generation arise, which will emerge from people who are blessed by Me, who will have completed their spiritual development with love and loyalty to Me, who will have attained a degree of maturity which permits exalted spiritual care, so that the new human generation will have every guarantee to achieve the highest possible spiritual perfection and the bound spirits, too, will be able to achieve maturity quickly, due to the exceptionally good influence exerted by people on all nearby creations .... I make all things new; I will also ease the conditions to release the spiritual substances yet without deviating from My law of eternal order, only caring for what is still living in constraint with profound love and mercy. Everything depressing will leave people, they will strive to ascend with full strength, because I alone will be the most Desirable for them and they will not be able to be pulled into the abyss by My adversary, who will be bound for a long time ....

I shall make a new heaven and a new earth .... that is, spiritually and earthly I will give happiness to the people who then will belong to Me and who shall also smooth the way for those who will follow them .... Which one of you humans can comprehend this? And which one of you humans believes firmly and without doubt that the old things will cease to be? That even people who are still distant from Me will cease to exist, that only the small flock which faithfully follows Me as their shepherd will not lose its life, because I have blessed this small flock and destined it for a continued life in the paradise of the new earth .... that a new period of Redemption will begin in accordance with My eternal plan of Salvation, which My love and wisdom have determined in order to ensure eternal life for the spirits? Behold, I make all things new .... Those of you who believe in Me remember these Words, consider them in your hearts and know, that the time has come when My Word will fulfil itself .... Believe firmly in it and be hopeful, and endure all difficulties you will still encounter until the end with patience and submission to My will. For the day will come very soon when I will fetch My Own to reveal the paradise to them of which it is written: 'I will make a new heaven and a new earth ....'and I Myself will dwell amongst My Own and will guide and teach them, as I have promised ....

Amen

## Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
