Every soul starts its earthly progress consciously

Many of you are not aware of the fact that they started their final incarnation entirely volitionally and that the knowledge of their earthly course of life was not withheld from them before they were allowed to embody themselves. But this knowledge did not stop them since they also recognised the opportunity to thereby end an excessively long state of torment and therefore did not hesitate to start their path across earth. That their past memory was then taken away from them had to happen to safeguard their freedom of will but that the human being on earth is experiencing this or that situation shall always be his proof that he had not rejected it earlier despite having been shown all his circumstances, his destined course of life, for he would not have been compelled to take this path had he not agreed to it himself.

Although no-one on earth will believe this assertion, yet it shall comfort those who have to bear a difficult fate on earth; they shall know that the success will be accordingly, that it could be their last short path of suffering which they will exchange with a carefree, glorious fate on departing from this earth, and they shall always remember that their time on earth won't last forever. Indeed, many people will fail even though they had been willing to complete this short earthly life successfully but no-one will lack strength either as soon as they draw this from God by establishing the connection with Him It is up to their free will, which is not influenced in any way, if they don't do so.

The prize to be gained in earthly life is too high as not to require a certain amount of effort The human being, that is his soul, cannot be granted a blissful life as a gift, he has to acquire it for himself, he has to fight for the most glorious possession, for freedom, light and strength he has to muster the will to be victorious himself. And he is able to do so in

every walk of life, and the more difficult it is, the greater will also be his accomplished reward.

And if only you consider how much effort you are prepared to spend in earthly life in order to achieve a specific goal, which is truly not comparable to the said goal, then you know full well that it is just a matter of will whether you apply yourselves to this fight And therefore you should also muster the same determined will where far more is at stake than mere earthly success and earthly happiness And if you always bear in mind that you once had been willing to travel this earthly path then you will also draw strength from this certainty and always know that One is walking with you Who is at all times willing to provide you with strength, to support you, and Who will also help you overcome the most difficult situations in life providing you appeal to Him for help No human destiny is by chance, it is appropriate to his degree of maturity and good for his blissfulness. And a person will always be able to master his situation as soon as he requests strength from God But he will have lived his life in vain if he relies on his own strength and thereby hands himself over again into the hands of the one from whose chains he should release himself in earthly life

Amen

God's ways are not always people's ways

Your ways are not always My ways You often don't know the goal when you start a journey but I know where your way is leading to and often gently push you into a different direction. And if you give in to My urging you will also safely reach the right goal. But often your resistance is too great, your own will is stronger, and you take no notice of the gentle urges which originate from Me. Then I will have to let you go because I won't forcibly break your will. And then you will be in danger of losing the connection with Me, because it will not yet be tied firm enough and you will not have yet completely submitted yourselves to My guidance.

But you should not be surprised that your plans will often get shattered, that your intentions won't succeed, that the way you take will become difficult for you. All these are gentle indications that it is not the right way,

and even then you could still stop short and diverge from this path and get onto the right track that promises greater success not in the earthly-material sense but which guarantees you **spiritual** success. My guidance is only guaranteed if your thoughts aim into My direction, and then you will also realise that every way was right, that you made progress even if you, at first, resisted taking these ways. But if you are purely earthly-minded you will surely walk into the wrong direction and should only ever be grateful if you are clearly prevented from continuing on this path. Yet the more worldly-minded a person is, the more eagerly he will try to overcome obstacles, he often pulls down all barriers, that is, he doesn't question whether what he does is right, and only tries to reach his goal which, however, is only a worldly directed one. And I must let such people have their own way, for their will is still too firmly focussed on My adversary to bow down to My will. But you humans will attain far greater benefits if you entrust yourselves to My leadership and then always let yourselves be guided without inner resistance

A father has an overview of where his child is going and what dangers lie in wait for it and, in his love, tries to guide the child onto a path which is safe to take and will lead to the right goal. And like a good father I, too, Am concerned for every individual person's destiny and want his earthly path to become a blessing for him. But the human being often turns his attention into the wrong direction in the hope of finding something there which, however, will be detrimental for him. Although he retains his free will, his earthly way of life can nevertheless be directed by providence other than by that which he wishes for and wants, yet always for the benefit of his soul. Still, as long as the person complains and inwardly rebels against his destiny, this blessing will be small. Only when he surrenders in the realisation that it is determined by a higher will and that it is wrong to fight against it will he achieve a benefit for his soul. And the human being will often be able to observe such fated interventions by Me which should always make him think

There is only One Who determines the human being's course of life, and he should learn to recognise His ways as good and right, he should always humbly bow down to his fate and know that a loving father is concerned for His child's well-being and that everything, even what is apparently

unfavourable, is a blessing for the person if he does not offer resistance, if he lets himself be guided and also accepts events which the Father recognises to be right for His child and thus applies. And he should yield to every inner impulse urging him to act differently, for such inner stirrings are always My gentle voice by which I attract and call the child onto a different way, onto the way which will truly bear results and lead to the goal, to the right goal, to the purpose of his earthly life.

The human being's will often differs from My will, and thus his ways are not always My ways either But he will always have My love, and this only wants to save him, it wants to win him over for itself, and therefore it will also always guide the person such as is good for him, yet even My love will not force his will, for this is and remains free, because the human being shall completely freely decide in favour of his eternal Father

Amen

Reason for painful strokes of fate

I will still create many opportunities for you before the end which shall enable you to find the path to Me Time and again I will reveal Myself to you, though often in a painful manner, yet you shall always recognise that you are unable to determine your own destiny, you shall always recognise a Power above yourselves Which intervenes in your life, and harshly so if there is no other option, in order to pull you back from the abyss towards which you are blindly striving

I want to save you, and all My admonitions and warnings bear no fruit this is why every so often I have to treat you harshly and inflict pain on you I have to take your most precious possession on earth away from you, I have to inflict death and disease on you, you will have to be struck by all kinds of misfortunes because you don't believe in a Power to Which you owe your life.

And there will be more and more instances when I will tear people apart, when death will come marching, when disasters will abruptly end people's lives I will manifestly show Myself, yet only be recognised by the willing person who then will find his way to Me and no longer can go astray The end moves ever closer, and thus My love, wisdom and might still will also have to frequently intervene Time after time humanity has to be shown the transience of earthly things anew, they have to come to realise the triviality of their aspired goals, and as a result will often have to suffer physically and psychologically, but they shall always also receive help if they turn to Me and appeal for My support in their adversity. And their fellow human beings, too, shall consider that they could suffer the same fate and realise that they don't live on this earth for earthly life's sake

Every stroke of fate can result in making other people think and question whether their own way of life corresponds to God's will, if they believe in a God Each stroke of fate can help people to believe if they turn to Me and through My obvious help will also be able to recognise Me Thus you, who receive My Word, should explain to your fellow human beings My occasionally harsh and cruel appearing interventions in people's lives explain to them that I will use all means in order to win people over for Me, and that I will not stop to keep expressing Myself, for every misfortune is an expression of Myself which can happen to anyone yet it only ever intends to turn their thoughts into My direction For there is only little time left and you humans merely pay attention to the world but not to the salvation of your soul

The world will pass away, that is, you won't be able to take anything belonging to the world across into the kingdom of the beyond You only ever chase after dead commodities, and therefore you will be repeatedly made aware of the world's fleeting nature. Again and again you will hear of accidents and all kinds of disasters, again and again you will have to suffer the loss of human lives, and again and again you will ask yourselves why a God of love allows this to happen The God of love wants to win you for Himself, he wants to make you blissfully happy, and therefore He wants you to turn your thoughts to Him

My love alone is the reason for everything that affects you badly, for you will go astray again for an infinitely long time if you don't remember Me

And only for this reason I reveal Myself to you and also intervene harshly and painfully if you ignore My loving admonitions and warnings For I don't want you to go astray I still want to save you before the end and protect you from a far worse fate from the new banishment into the creations of earth, which will be inevitable if you don't find Me anymore before the end of the earth

Amen

Decision by predestined guidance or experience

Know that every earthly or spiritual experience affecting your life is intended or permitted by Me. For every person's course of life is always determined by Me in accordance with his spiritual development. And thus everything can be in your best interest, you don't have to suffer if you accept everything from My hand and even humbly accept your burdens, for your correct attitude towards Me will also allow you to assess every event correctly and your soul will mature. The only purpose of earthly life is for your soul to mature And all earthly events, be they suffering or joy, will approach you in line with this purpose Any event is able to lead you closer to Me if it is your free will to find union with Me.

But My adversary also tries to win you for himself, and thus you will be faced by temptations on his part which I allow because he still has a claim on you, and he will equally influence you but never be able to force you, instead it remains up to your free will to what extent you allow yourselves to be influenced by him. Hence you make your own decision by consciously turning either to Me or to him. And you can make this decision in every situation; every experience, every stroke of fate, every pleasure and every affliction can impel you to make this decision. And if you know that nothing happens without My will or permission, then soon nothing will be able to worry you either for as soon as you turn your sights and thoughts towards Me, call Me to your side or commend yourselves to Me in prayer, you will mature spiritually and have achieved an advantage for your soul again.

All these are also tests of faith which you have to pass for My adversary will do anything to separate you from Me, to lessen or destroy your faith in a God and Father Who is always willing to lovingly help His children. He will always want to darken your spirit, he will try to spread darkness across you so that you no longer recognise Me as your loving Father of eternity And this is why he particularly tries to take precedence during misfortunes with the intention of causing reluctance and ill feeling in you And then you have to adamantly resist and know that **everything** I allow to come over you is beneficial for you, and that you only have to turn to Me in firm faith in order to banish even the most arduous adversity by handing everything over to Me, Who will truly help you to get out of every adversity. For My constant concern is only ever your return to Me

I want to tie you to Myself and not lose you, and therefore I will also always prove My love, and this love shall never be doubted by you. You have already travelled a long path which brought you ever closer to Me The last short stretch of the way requires great willpower by you, because you **consciously** have to turn to Me, to the pinnacle, whereas before you were drawn by My love But this love gives you even more, it does everything in order to guarantee your return to Me

Just grant Me your free will, strive towards Me in free will, don't let yourselves be enticed by the world which is My adversary's tool to win you over Believe in Me and My love, and in your heart long for the Father, and call upon Me in every adversity of body and soul And truly, every experience will only ever serve your ascent, for everything is based on My love and wisdom whatever you might encounter And rely on My love and My might, for I Am always willing to help if only you would call upon Me in your heart

Amen

Controller of fate

God of love

You should know that I want to win you for Myself and therefore your whole earthly life unfolds such that I will achieve My goal as long as you don't oppose Me Although it is always up to you as to whether you make use of earthly life, whether you allow your souls to be affected by everything that concerns you in this earthly life, whether everything contributes towards the fact that you take the path to Me for you are also able to resist and rebel against your fate which I only imposed on you in order to achieve your beatitude You can defy and resent the Controller of your destiny, but then you will never take the path to Him and submit yourselves voluntarily to Him Then you will turn again to the one from whom I want to liberate you.

You first must learn to believe in a God of love Then you will also understand His reign and activity, you will understand that He only ever intends to make you happy The knowledge to be guided by a God of love will enable you to bear every burden he inflicts upon you, since you then will also trust this God of love that He only means well with you. And you can easily believe that I Am a God of love by just observing creation surrounding you by just contemplating the fact that everything was only created for you humans after all, to enable you to live and enjoy the natural creations The fact that you humans often experience difficult conditions should not make you doubt the love and wisdom of a Creator but only ever question *why* you get into such situations

Everything in nature is so wisely arranged that one thing serves the other for its development, that everything arises and exists according to wise law as long as the natural order is not disturbed through human interference. Hence you also have to come to the conclusion that you yourselves are not living in the God-intended order that you yourselves are the cause of suffering and adversities which affect you Consequently, you also have to trustingly appeal to a God of love, Who has created everything surrounding you as well as you yourselves, to help you restore order again

You humans, who feel unable to do that, merely lack humility You are too arrogant to subordinate yourselves to a strong Power, you revolt against It and therefore have to come into situations where you learn to recognise your own weakness Only the humble person takes the path to Me, because he feels too weak and incapable to improve his situation by himself Faith in a God of love and wisdom also necessitates humility The arrogant person cannot believe because he does not want to believe, because he does not want to acknowledge a Power above himself to Which he should submit himself

Earthly life with all its fateful experiences could indeed provide him with the evidence that he is helpless against the will of a stronger Power, and every human being could derive a benefit for his soul from it Yet his will remains free and his resistance to Me will only let him sink ever lower, whereas subordination will let him rise higher and for this purpose earthly life was given to you I want to win you for Myself in order to make you blissfully happy For far away from Me you will remain in misery, darkness and pain

Amen

Strokes of fate

Remedies

The wounds I have to inflict on you if I don't want you to fall into everlasting death are truly not an expression of wrath, of lack of love, nor are they indications of just punishments for your transgressions They are merely remedies to remove ailments which you have caused yourselves and which are needed in order to restore the health of your soul It was your own fault that you left the eternal order or your fate would be one of pure happiness and beatitude. Believe Me, I would much rather grant you blissful happiness but you yourselves make it impossible for Me as soon as you leave My order however, I will use everything to lead you back into divine order again so that I can make you abundantly happy once more. The more hardship and sorrow, misery and illness are evident on earth the greater are the offences against My order, and by looking at this

adversity you humans can see how low you have fallen, for I would truly rather make humanity happy than let unfounded tribulations befall them in order to restore My eternal order again And although the individual person believes himself to be a lesser sinner than the misfortune he has encountered you humans don't know the correlations or the extent of a misfortune's effect nor do you know who will be helped to mature in turn as a result of the individual person's fate You also don't know what you have voluntarily offered to endure **before** your incarnation as a human being I, however, know everything, and I truly will not impose upon you a greater burden than you are able to bear

Furthermore, I offer Myself as a cross bearer if your cross seems too heavy for you Unfortunately you don't very often take advantage of My help, and thus you complain about your burden and frequently protest its weight You were motivated by love to offer yourselves to bear a burden of the cross But in earthly life you don't know **why** you, who believe to belong to Me due to your will, have to suffer Yet I want you to travel your path silently and without complaining even without knowing the cause, I want you to humbly accept your cross, I want that you always submit to My will in the recognition that the One to Whom you submit yourselves is a God of love and that **everything** you receive from Him will be a blessing for you

Therefore, don't object to your destiny whatever comes your way don't complain and grumble if you want to belong to Me but always rest assured that it is only for your benefit that it always signifies help and a restoration of My eternal order rest assured that one day you will realise it and be grateful to Me that I allowed you to take this arduous earthly path with its misfortunes but also with My love, which is the reason for everything that affects you, because it only ever wants you to become blessed

Amen

Destiny

'Father, Your will be done'

Every individual person's course of life is predetermined and has to be taken without grumbling and complaining if it is to have a favourable effect on the soul. But strong trust in God has to be present too, then every destiny can easily be endured, for it is shaped by God alone according to His will, only He is able to change every situation in life, He is able to change joy into grief but also suffering into joy if he is approached in heartfelt prayer, and He will do so if the human being in childlike trust tells Him of his problems and commends himself to His grace.

A long path has to be travelled from the abyss to the pinnacle, and this path cannot always be even or it would not lead to ascent. Obstacles have to be overcome, mountains have to be climbed, for the goal is up above and every progress is arduous without the assistance of the right guide. And as long as you humans walk with God Himself by your side as your guide, as long as you entrust yourselves to His guidance, you will not travel the path in vain, He will lead you upwards, and with His help you will be able to overcome every obstacle. And the steeper the path the shorter it will be and the higher you can climb; but when you have reached the pinnacle you will be able to look back and be grateful to your Guide Who enabled you to reach the goal, and every adversity will be over.

The more difficult a destiny, the higher the goals set for you and the brighter the light will shine, and all abysmal darkness will be defeated. God, however, is able to make even the steepest path of ascent seem smooth to you if you hand yourselves over to Him as His children, if you accept every sorrowful event, if you always pray 'Father, Your will be done' Then He will not let you suffer, even in greatest adversity He will calm your soul and give you peace, He will powerfully work in you Himself and nothing will seem difficult and yet you continue to progress, for your will, your submission to His will, lets you partake of His strength, you will not consider anything a burden to you and always gladly and cheerfully cover your earthly path until the loving Father's hand takes hold of you and takes you into the Father's house, until you have reached the goal and return to

the eternal home, into the land of light where no sorrow, no suffering nor adversity exist but only eternal blissfulness

Amen

Unjustified objection, being destined to be evil

Whatever will serve you as a blessing shall be given to you by Me, but whatever delays your spiritual development is not My will but the will of the one who wants to separate you from Me. Even so, I allow it to happen so as not to take people's freedom of will and belief away, and also to motivate you to test what comes forth from which spirit. Everything can be beneficial to you, for even evil can serve your development in so far as you learn to recognise and despise it and thus make a choice for good or evil, which also necessitates the knowledge of both. Yet evil does not originate from Me but from My opposing power, which thus also influences the human being's will in order to gain him. The human being, however, makes his own decision.

Where My adversary finds approval it cannot be said that it is My activity on the human being, because the human being is not forced into actions and thoughts but approves them voluntarily and because he has the ability to differentiate between good and evil. This is why he is responsible for the direction of his will, and therefore he also creates his own fate in eternity. And no-one will be able to say that I didn't approach him, the destiny of every person's life provides him with ample opportunities which enable him to recognise a guiding and determining Might Which reveals Itself to him. If he ignores these opportunities or if he agrees to regress then he is abusing his free will and thus uses it in the wrong direction. He hands himself over to My adversary's power without having been forced by him. Hence it is an unjustified objection that the person, having been unfavourably influenced, was unable to do anything but to act evil and that this bad influence compelled him to be evil by providence The destiny of

a person is always shaped such that opportunities for higher development prevail if he is of good will The human being need not fail if he himself does not want to fail For he is at all times at liberty to appeal to Me for help, which will always be granted to him And every sorrow, every stroke of fate shall encourage him to make this appeal, then the human being will never be at risk to fall, for I Am only waiting for his thoughts to turn to Me in order to seize and hold him to prevent his fall. The prayer to Me is the defence against the one who intends to harm him. The prayer to Me provides strength and fortifies the person in every temptation. The human being stands between two powers and has to choose one of the two. Both will understandably affect him and try to win influence over him. This is why I allow My adversary's activity, yet I do not leave the human being defenceless to his power, but through adversity and other strokes of fate I try to encourage him to call for Me, because only when his will has made a decision for Me will I be able to intervene with My might and love.

He must turn to Me in absolute freedom of will, and if he doesn't do so voluntarily I have to prompt him through all kinds of serious difficulties which, however, can only ever further his soul's salvation and are therefore permitted by Me. But evil is caused by the human being himself by allowing himself to be controlled by the one who has turned loved into the opposite and who therefore will always act evil and unkindly and thereby can easily be recognised. But I will not stop him, for his activity also aims to achieve the decision of will But blessed are they who let themselves be driven to Me, who realise his intrigues and want to escape from him I will seize them and draw them up to Me, for they have used their will correctly and passed their test of earthly life

Amen

Loss of earthly possessions can result in spiritual treasures

You will find ample spiritual compensation for everything that is taken from or denied to you if you only strive for spiritual perfection. You will never make a spiritually inappropriate request, for every spiritually directed thought is pleasing to God and therefore always successful. The more you humans are involved with matter, the less spiritually minded you are, and therefore it first has to be taken from you in order to change your thoughts. Hence it should only ever be considered a means for perfection if you are forced to forgo material possessions. Yet you will never have to go without, because you are able to receive spiritual possessions all the more if only you want them. You may certainly possess earthly matter but it must never be your master, you must always be able to sacrifice it, which only comes easily when the value of spiritual possessions is recognised. And you humans will only recognise this when you experience earthly hardship, when human help is not available but spiritual help always has to be requested in order to then also be felt as extremely invigorating.

Whatever earthly goods you own can be taken from you, but you never need to fear the loss of spiritual possessions if you care to own them. The request for spiritual goods will always be fulfilled yet there is no guarantee that earthly goods will remain your own, only if you use them well, that is, in accordance with God's will, and thus are active and work for the benefit of your fellow human beings will God also bless and increase them for you. In that case, however, you will have already detached yourselves from matter, you will no longer desire it with every fibre of your being but work with it for the benefit of your fellow human beings. But you won't complain when earthly goods are taken from you, for God knows why He allows it, and even the loss of such belongings is beneficial for you. For then he will shower you with spiritual gifts of grace, and your will only has to be willing to use them for your own and your fellow human beings' perfection. Consequently, never grieve over material possessions which were taken from you, they are of no value in eternity; yet their loss can bring you possessions of lasting value which are able to make you very happy on earth and one day in the spiritual kingdom. What you create and amass

spiritually will stay with you and signify a wealth which is everlasting; but gladly and joyfully let go of the earthly material goods you own and exchange them for spiritual possessions, for the time will come when only these goods will be useful to you, when everything you still own today will disappear

Amen

Diseases and cure

If you know the blessing of disease, if you know that disease contributes towards the soul's purification that disease aids your patience and humility to accept My will and you consequently no longer oppose My will if you accept that everything happening to you is recognised by Me as beneficial for you, then you will know that I also recognise the moment in time of your recovery

However, the fact that I will not cure you instantly is due to your freedom of will, for then you would be forced to believe in Me and My might, but you shall attain this faith without coercion Furthermore, you know that the purpose of earthly life consists of providing loving service Thus one will always have to work for the other if he wants to fulfil his helpful earthly task. And thus I will also bless the people who are always willing to help even where it concerns physical ailments and pains, and who are able to do so in so far as that they recognise the cause of an illness and the correct remedies to heal it. For depending on their helpfulness and their love for the weak and suffering fellow human being they will indeed be successful. But in the final analysis every cure is based on My will which therefore imposes a limit on a human being's work when I recognise that the effect of a long illness is of value for the soul. My will determines a human being's destiny, thus it also includes diseases which human will is unable to cure despite all applied treatments.

I will never condemn people's attempt to discover methods which are intended to help those who suffer For as long as loving helpfulness is the reason of all kinds of research My blessing will rest on it too If, however, the motive for producing such remedies is based on the acquisition of

earthly possessions, they will generally be ineffective or damaging for the human body despite apparent improvement The most harmless remedies can equally suffice to result in a cure, because it is My will and I deem the moment of a cure to have arrived.

An illness shall primarily further the bond with Me, the human being shall take refuge in Me and appeal to Me Myself for being healed, then I will send people to cross your path who only want what is in your best interests, whose thoughts will be guided by Me if they are in contact with Me in thought or through a life of love in accordance with My will. But such healers are only rarely to be found, and therefore people more than ever use remedies which likewise originated from unblessed work And then neither the body nor the soul will be able to derive a cure from them because I Myself don't allow that the soul shall be helped **against** the human being's will so that he learns to turn away from the world because the body is no longer able to meet the demands of the world.

Thus you humans can always call upon the help of a physician, but the cure is determined by Me, however, I will often bless the efforts of the latter so that you will recover; yet you shall also derive from every illness a blessing for your soul, that you submit yourselves to Me and My will, that you patiently and gratefully bear the suffering, because it is greatly beneficial for your soul when you prove yourselves during an illness.

But with a rock-hard faith you will also be able to free yourselves from every ailment just as I Myself during My life on earth was able to heal people `whose faith had made them whole'For nothing is impossible to Me and if your love is so profound that it brings forth a living, strong faith then you will not doubt My love and might for a second.

Then you can be instantly healed, because then this recovery will not be compulsory faith for you since you possess an unshakable faith But which one of you can muster this strong faith? Who can use My might without doubt, who will give himself to Me so completely with the plea to heal him and is also convinced that his plea will be granted? Then any miracle can truly happen, be it on yourselves or on a fellow human being on whose behalf you voice this request in strong faith But anyone who is very sincerely united with Me has already completely accepted My will and lets Me rule and not use his will in advance He will bear even

the most difficult suffering with humility in My will and thus render a far greater service to his soul than through the healing of the body But I will always work in you such that your fate will be endurable and when a human being has to suffer immense pain it also just expresses My love for his soul, which one day will be grateful to Me in the spiritual kingdom that it was already able to dispose of many impurities on earth, that it was also permitted to remove guilt on earth enabling it to enter the spiritual kingdom far less burdened, which it could never have achieved with a healthy body

Amen

Moods

Depressions

Evidence of love

People pay no attention to the various undercurrents which express themselves as different moods and thus don't know that even these currents are not by chance either, that people's disposition is therefore merely the result of their attitude towards God or the opposing power. Especially the person suffering such moods is visibly seized by God's love, for God takes care of a person who is in danger of forgetting Him by influencing his temperament, spoiling his joy of life and allowing him to be seized by overall despondency. And in many instances this is incredibly beneficial, for only at times like this will the human being's thoughts turn to his Creator; only when all worldly things have lost their value will the human being remember his real purpose. Hence people have to experience days of inner struggle, days when they become aware of the irrelevance of earthly pleasure. The cause of this does not always have to be actual hardship and suffering, a person's gloomy mood can arise within himself for no external reason. And this is the influence of the beings to whom people are entrusted and who are concerned about their soul's salvation and anxiously guard every movement of the human heart.

There is a serious risk that a person will use all his strength in coping with the demands of earthly life; then they will intervene by strongly

inhibiting his desire for activity, his pleasure of earthly life, and the person will consequently feel depressed. And it is good if the human being allows himself to be influenced by this if times like that result in hours of inner reflection they will not have come to the human being in vain. Yet not all people listen to this inner admonition Very many try to stifle their emotions in increased pleasure and succeed, precisely because their will is mainly focussed on earthly life and they carelessly take no notice of such moods, they only aim to restore the old state of inner satisfaction. The human being should not complain if he experiences days in his life which appear difficult and unbearable and which are purely caused by his emotional life. The love of God is very close to them, and such hours are simply a way of help by friends in the beyond wanting to stop the person losing himself in earthly gratification. Everything on earth which seems as if the human being has to go short is always just the merciful evidence of divine love, which can only use this means to direct a person onto the right path, onto the path which will lead him to eternal glory and fully compensate the earthly child for everything it had to miss out on or give up on earth. For earthly pleasures will cease to exist yet eternal glories remain forever, and these alone should be desired on earth

Possession

Time and again the human being has to envisage himself as being influenced by good and by evil forces, both of which want to win his soul. However, you have to take account of being influenced by spiritual forces if your thoughts are directed towards the truth The human being's will is free and yet the said influence can be extraordinarily strong if the person's characteristics resemble those of the being influencing him

You have to understand it like this: every person is more or less encumbered by instincts or characteristics from his previous embodiment and thus he more or less has to fight against them, because he can overcome or discard them if he seriously wants to do so But these burdening human inclinations can also offer similar spiritual beings the opportunity to slip

in; then such a spiritual force will be able to control the human being's soul, which you humans describe as possession However, if this succeeds, the soul will be relieved of its responsibility as it more or less makes it impossible for the soul to use its free will, for the former will is stronger and determines the person's action, which need not be the soul's will. In that case `free will' is thus seemingly cancelled out even though it has not been removed from the being, it just cannot be used in the stage which is to serve the soul's test of will. Hence the will of a being which cannot be held responsible in an earthly way because it is inaccessible has to be taken into account The person himself, however, is not responsible either since he is being `controlled'.....

Why and to what purpose this is permitted cannot be made understandable to you humans in a few words, for even in the kingdom of the lower spirits there are laws which are always adhered to and which are also based on free will Yet **against My will** or **My permission** these beings would be unable to make use of a human being's body, and occasionally **their** redemption even depends on it, because these forces, too, can improve themselves if they are willing to do so just as very special reasons can justify such a permission on My part And then the actual human soul understandably cannot be held responsible, but it will be offered the opportunity to make up for the time it was deprived of to test its free will in many cases even still during its earthly life if it is possible to dispel this spirit, which is certainly possible with the right attitude towards Me and true faith in Me. But then people will have to assist, for these spiritual beings don't easily relinquish their domination over the body, but they can be induced to do so with the solemn call upon Jesus Christ the name of the One Who defeated My adversary can certainly accomplish the act of salvation but it has to be spoken in absolute faith, so that I can then command this spirit to leave its human shell.

The forces from below will be manifestly active during the last days, and they will take possession of many bodies, but only if the previous time of development has passed without having gained the soul sufficient maturity so that it is unable to defend itself against this possession, because it does not offer the necessary traits which permit evil forces to enter them But their time is fulfilled Even the soul's lack of maturity allows for

an embodiment as a human being, to still offer either him or even such a spiritual force an opportunity to be redeemed before the end The soul itself will hardly reach the goal, yet it is not impossible if fellow human beings take care of such a soul and help deliver it from its tormentor this is why a mission can also be recognised here, an act of help in which people will be able to take part and which, as a compassionate act of neighbourly love, will result in considerable blessings.

Where a person's will is more or less bound, the will of fellow human beings has to extremely strongly endeavour to achieve his deliverance, and if this happens in merciful love it will also be successful Love will achieve much with people like that, because either the demon will be favourably affected by it and change its will or its stay in the human form will become so uncomfortable that it will leave, because it shuns love. Love is the only strength capable of redeeming both a person like that as well as a demon sheltering within him, for love will always be victorious

Amen

Reason for deformed births

And everyone shall be blessed who hands himself over to Me and appeals for My support. I will not close Myself to any plea which applies to the salvation of your souls. And whatever you desire to know you shall learn: You humans have to go through the school of the spirit for which I designated the creation work Earth, and every human being will be able to fully mature on it, for it offers opportunities for all levels of development. The souls, however the once fallen original spirits developed so differently during their earthly progress in the state of compulsion, that they also require different situations in life. Admittedly, they must have attained a certain degree of maturity in order to be allowed to embody themselves as a human being, yet the closer they came to this last incarnation the more flexible became the constraints of their external shells, and the spiritual substances bound in the forms were able make use of this relaxation but also to ignore it

And accordingly is the soul's nature at the start of its path as a human being. These different states of soul also require different earthly paths which can result in total freedom from the form. Even still heavily burdened souls are still able to do this successfully if they voluntarily accept a particularly difficult earthly life. And the soul can decide for itself whether it wants to take this path, since it is shown to the soul before its embodiment

This is one explanation why people suffer physical afflictions, whose arduous fate often makes you question the reason for their condition But there are also incarnated souls who voluntarily accept an especially difficult earthly progress even though they don't need it themselves, who want to go to earth from the beyond and ask for My permission in order to thereby help other souls. Hence they don't have to fulfil a mission but they are merely the burden **themselves**, who offer their fellow human beings the opportunity to practise love, patience, compassion, gentleness, peacefulness and righteousness who thereby heighten their own state of maturity but have already reached a certain state of maturity in the kingdom of the beyond that allows a new incarnation on earth because their request is motivated by a strong will of love and helpfulness But then you cannot say that these human beings are in a state of atonement, for immature souls will not be allowed to incarnate again in order to improve their maturity. And you should never forget that no soul is forced to live on earth but voluntarily accepts a fate which it knows in advance. The 'atonement' of a sin on earth is in so far a misguided opinion because only Jesus Christ is able to redeem this guilt and thus the human being finds forgiveness solely through Him, for all of humanity's sins have been 'atoned' by Him And this forgiveness by Jesus Christ must first take place before a soul will be able to voluntarily incarnate itself on earth again for the sake of a mission or in order to render help For an enlightened soul is aware of people's heartless state on earth, especially in the last days, and it is also willing to actively help so that people will ignite love within themselves, that they will exercise compassion, that they will be able to develop all virtues when they live in the vicinity of a deformed or unhappy person. For I repeatedly emphasise that return incarnations to earth certainly happen but that they all have their specific reasons, yet a still immature soul will never return to earth as a result of My will in order to make up for what it had neglected to

do on earth

Only voluntary sacrifices of atonement can persuade Me to give My permission, but these always have to be preceded by their own salvation through Jesus Christ. The fact that such a soul will also have the opportunity to attain a high degree of maturity on this earth is understandable, because every voluntary sacrifice will be acknowledged and blessed by Me

Amen

Blessing of deformity

The human being has to undergo an involuntary yet very beneficial test of life if he, due to his external appearance, is unable to enjoy earthly pleasures, i.e. if the opportunity of undivided enjoyment of life is taken from him due to some kind of deformity and he is forced to give up earthly joys. He could then be in great danger to think of his Creator in bitterness or even reject Him completely because the will of a Deity who, in his opinion, imparts gifts to His earthly children unfairly, is incomprehensible to him. However, if he remains faithful in spite of his misfortune, spiritual progress will be possible for him much sooner since he will find it easier to resist the world and its temptations and in absence of worldly pleasures will be far more able to occupy himself with spiritual problems, which will lead him to the state of maturity much sooner. Consequently, such human beings often achieve the right understanding of their life in a short time They no longer demand complete fulfilment in life and patiently await the time when their earthly existence comes to an end, convinced that only then true life will begin and that their time on earth will have an appropriate effect in the beyond.

Hence, a deformed person on earth has a certain advantage in as much as the denial of worldly pleasures is easier for him than for a well proportioned person who is constantly confronted with the temptations of the world, but only if he contributes towards it himself, that is, if he, in submission to God's will, accepts his imposed destiny and thanks his Creator that He had given him life. If such a human being is spiritually active he soon will no longer consider his body a misfortune but consider spiritual life a desirable

goal. He will always strive to increase his spiritual knowledge; he will also love his fellow human beings and not grumble at his fate or even fight God

Arbitrarily taking one's own life

You humans are granted a certain length of time for your final deliverance from bondage for the ultimate release from the form Yet the duration of this time varies such as I had recognised to be good for your soul. Your earthly life is not finished by Me arbitrarily, yet I know the maturity of every person's soul and thus I also know the risk of a decline or the possibility of further progress on earth.

And My love and mercy also ends a human life prematurely in order to prevent the soul from regressing or I can see the possibility of a change in the last hour and therefore prolong the natural life, always in wise counsel, for everything that serves the benefit of the soul is known to Me And now you will understand that your own ending of the body's life is a serious offence, that you commit a sin, that you act in advance of My love and mercy and don't utilise the opportunities which were offered to your soul to reach perfection

You interfere with My plan of Salvation and cause such damage to your soul which one day will trigger immense remorse and self-reproaches in you, yet which no longer can be put right in the kingdom of the beyond, for the advantages you should and are able to utilise on earth can never be offered to you in the kingdom of the beyond again. You have irretrievably forfeited something, even if you still succeed in improving the state of your soul by then striving to ascend

Yet there is a great danger that the soul will descend that it will rebel, just as arbitrarily taking its own life was a rebellion, and that it will continue to stay in opposition. Such souls require a lot of help as not to be lost for an infinitely long time, yet they, too, only get what they want.

I will truly help everyone, even in utmost adversity, which is instantly lessened when the person just thinks of Me, when he just calls upon Me for help And adversity is, after all, only a means of directing your thoughts towards Me, so that you then will also be able to gain success from your earthly life Adversity will not befall a person without reason, for his soul is in danger from which it shall escape by means of this adversity. And the more its stance hardens against Me the more it is at risk, in order to finally defy My will and throw away the life which it was granted by My love and grace for its final redemption. For the embodiment as a human being is a grace for the soul a gift of My love it is the last step towards ascent which it is allowed to take in order to become eternally free and blissfully happy The soul has almost reached its goal and is therefore responsible for its actions if it does not utilise this gift of grace but throws it away in blindness of thought.

Every movement of a human heart is known to Me and I truly judge righteously I take the weaknesses of My living creations into account yet it is not without their own fault, and the human being's free will incriminates him if it was wrongly orientated, thus was abused. The human being is unable to end his adversity by his intervention, he will have to continue suffering because of it, he will not be able to escape his distress, and that is why the soul will suffer inexpressibly in the kingdom of the beyond until it can master it in the same way as it should have done on earth until it takes refuge in the One Who is Lord over suffering and adversity, because He is the victor over sin and death

The early death of children

And I will provide you with strength because I need your cooperation on earth which requires your free will I could certainly choose vessels for Myself and appoint them to work for Me, but this does not correspond to My law of eternal order, because free will alone must and can be decisive, which then will also offer the guarantee of success. People are certainly

willing to work for Me, yet they often lack the qualifications to carry out a redeeming activity on earth

And thus I know who voluntarily wants to do this work and serve Me as a suitable vessel. And I will also know how to keep such a vessel alive and lead it through all adversities, especially when the human being is no longer filled with desire for the world but completely puts his earthly wishes aside for the sake of the spiritual work, which he will recognise as extremely important. And thus it will be possible to continue the vineyard work, and your endeavour will always be blessed by Me, after all, there is as yet much to explain to people who are willing to listen, who will contact Me themselves and ask questions to which I will reply through My servants on earth.

You are repeatedly told that I have many schoolhouses in My kingdom, that the whole universe contains creations all of which serve the maturing of the once fallen spirits And every work of creation has its own purpose, it will always serve the higher development of the beings whose state corresponds to the living conditions on this creation And thus souls, which have covered the process through the earthly creations, will also be able to embody themselves on other heavenly bodies, due to certain tendencies which only I Am able to recognise, which assure their full maturity on other stars and can even result in those souls'incarnation as a human being on earth who can already be entrusted with a mission And this also explains the death of small children and babies whose souls would have been unable to cope with life on earth but who, on the other hand, cannot be described as still being in complete opposition to Me, so that I will provide them with a different opportunity for further maturing on one of the innumerable schoolhouses, which usually enable them to accomplish their task and provide the being with some maturity

In that case it is, in fact, not possible for these beings to achieve the childship to God, which is gained through an enduring earthly life, yet they will be able to achieve beatitude in the spiritual kingdom as well. It is also possible for them after having already achieved a high degree of light to descend to earth again for the purpose of a mission and then also acquire the childship to God. So many circumstances and tendencies play a part in the soul's embodiment as a human being, including the degree of maturity

which it will have already reached in its preliminary stages and which can decline due to the body's weakness but shall not, if the soul embodies itself in the womb of a mother which is unsuitable for the soul's state, in which case the difficulties of maturing are greater and can result in complete failure.

Then I will release the soul from its external shell again and place it where its higher development will be easier and assured, because the soul is no longer blatantly in opposition to Me.

And thus there are many possibilities in order to help the once fallen spirits to return to Me Admittedly, the earth is the lowest and most wretched work of creation but it is able to yield the highest spiritual accomplishments if the being is willing to travel this earthly path and yet I know in advance whether free will or other reasons make it impossible for the soul to mature fully, and I will always helpfully intervene where the soul's helplessness requires it, which is unable to cope with its imposed fate and yet is not deliberately opposed to Me

You humans are incapable of judging this, yet everything is based on My love and wisdom, and thus you also have to accept that I have My reasons for the early death of children, for nothing happens without reason and purpose, and everything is just for the benefit of the spiritual beings which once distanced themselves from Me and shall return to Me again And I have infinitely many possibilities to reach My goal one day, and sooner or later you will also know everything yourselves and realise what motivates My reign and work. But I Am constantly concerned for the weak souls and will assist them in every way, for I also know a soul's degree of resistance, how far it has diminished and whether and how far it will still lessen, and accordingly I will place the soul where it can reach its goal fastest. Life on earth is indeed the only possibility to attain the childship to God, yet I also know that and to what extent a soul is at risk of losing its already attained level and slipping back again, in that case I will prevent it in the face of its only very low resistance to Me, which is unable to determine free will and the latter would not exclude a descent. Yet even before its incarnation as a human being the soul will be able to decide whether it wants to cover the earthly progress as a human being, and its will is complied with. And this also explains the future fate of violently killed children who are

likewise offered the opportunity to complete their path of development on other heavenly bodies and also mature fully, although under different conditions.

But it is also possible for every soul if it seriously wants it to return to earth again for the purpose of achieving the childship to God, if it has attained a specific degree of light and voluntarily accepts a mission which places great demands on such a soul. You humans are unable to clearly understand everything, you will never fully comprehend My reign and activity, yet I know of innumerable ways in order to help My living creations to ascend, and I also know the course and outcome of every earthly life nevertheless, I will only intervene Myself and establish a change of an appalling course of events if a willing soul can thereby be helped which is only known to Me alone. Earthly life as a human being is difficult, and it requires effort and determination to bring it to spiritually successful completion I will always help the weak soul if it no longer strongly opposes Me but how I express My help has to be left up to My love and wisdom, yet it will always be My endeavour to help My living creations attain full maturity, and I will always use those means which will be successful for Me, since I long for My children and would let none fall into ruin which already strive towards Me, which I recognise and thus also work accordingly

Amen

Early death

God's mercy

Old age

God's will determines in which degree of maturity a human being is called from his earthly life into the spiritual realm. This is also an apparent injustice which could further the opinion that God selects certain people to become blessed while others have to suffer being distant from God. And yet this attitude is totally wrong because divine love and wisdom always knows the human will and therefore cuts a life short when higher development on earth is doubtful.

During the state of constraint before embodiment as a human being there is only progressive development until the spiritual substance's degree of maturity is ready for this last embodiment. But now the human free will makes its own decisions and development can continue, remain static or even regress; and again it depends on whether the human being as such has already improved his initial degree of maturity and is in danger of coming to a standstill or whether he has remained on the same level as at the beginning of his embodiment and is in danger of regressing. In that case it is always due to God's mercy that the human being is recalled when he has arrived at the highest level of his development on earth, i.e. when God's love protects him from regressing or from failing to advance his soul during a longer lifetime because his guilt will increase the longer he uses his embodiment's time of grace without making proper use of it.

The human being can advance during his younger years and then stop, his development up till now comes to a halt, and then God will recall him and give him further opportunities to mature in the beyond But the human being can also change his will in later years and his yet inadequate development can experience a sudden improvement and thus he can attain a higher degree of maturity even though for a long time he had ignored his soul until then. In that case God will give him a long life, because God knows the human being's will since eternity and shapes his life accordingly For every human being's destiny is considered by God's love and wisdom and does not depend on God's arbitrary use of power

God would not withhold the opportunity to mature on earth from any human being if he is willing to use it. But people pay little attention to His mercy and are unwilling to accept the relevant information. And because God knows since eternity which humans are particularly resentful to Him, because He knows when a person has reached the highest degree of development on earth, the duration of his earthly life has also been established since eternity and varies, depending on what divine wisdom deems best and most successful. God will never cut short an earthly life if the human being could still achieve higher maturity because God's love is forever concerned that the human being should attain highest possible maturity on earth; He would never withhold an opportunity from a human being which would result in complete maturity. But He knows since eternity

the human will's every inclination and protects the soul from complete desertion, i.e. from certain regression if He would not end that earthly life.

For that reason anyone who constantly strives will reach old age while, at the same time, old age is proof of steady higher development even if this is not evident to other people. A long earthly life is always a mercy but even a short life is evidence of God's love, which is forever active although it is not always recognised by the human being

Comforting Words

I want to lead you through every adversity if only you entrust yourselves to Me, if you submit to My will, if you don't resist Me with your own will or wrong actions. I will place it into your heart what you shall and shall not do, and you can always believe that it is My will, and you can at all times unreservedly do what you inwardly feel impelled to do. Time and again you will experience moments when you will seemingly lose your inner calm, but equally you will also find it again, for this, too, is part of your soul's spiritual maturing process, that in times of distress it turns to Me for help, that time and again it seeks the bond with Me anew, as not to become indifferent to its psychological task. And this shall be a comfort to you, that I know all your adversities and that I will put an end to them when the time is right You don't need to be disheartened once you have handed yourselves over to Me and My guidance; you can be assured that I will guide you well and that your every path is predetermined by Me Myself, that you thus can follow it and it will always lead you to the goal.

Yet your life cannot pass you by without struggle and suffering or you would not achieve any spiritual progress, but this is your reason for living on earth after all. However, I will always be your protection and shield; I will always take care that you will not break down under the cross with which I burden you for your salvation It will not be heavier than you are able to endure, and it will also be taken from you again when it has achieved its purpose: to gain your soul a degree of maturity which heightens its bliss when one

day it can discard the body and enter the spiritual kingdom. The cross will be taken from you again as soon as the purpose has been achieved, for I will not let you suffer any longer than necessary, and I will also help you carry it when it seems too heavy for you at times

You can truly live your earthly life without worry and it will be endurable for you, you will be able to master it with My help, for you have granted Me the right to walk by your side as soon as you had chosen Me as your guide. And this shall always be your guarantee that you will not take any wrong paths, for I will prevent it because I love you and because you have turned to Me of your own free will. Just sacrifice to Me whatever weighs you down and it will be a blessing to you. But don't allow yourselves to get depressed by minor disagreements which will confront you time and again but which are not long-lasting

Just renew your heartfelt bond with Me again, which is the purpose and goal of all earthly adversities, and you will soon experience a change, once again you will gladly and cheerfully go through life, you will be released from your burden and ever more learn to love Me as your Father, Who will protect and guide you through every adversity

Continuation of life after death

Belief in the soul's continuation of life

If only people would believe that their soul their actual Self is immortal, if only they would believe that the soul as a human being on this earth is preparing its own fate in the kingdom of the beyond when it leaves its earthly body One day people will bitterly regret their indifference to their later fate, for one day they will realise what they had neglected to do in their earthly life, what they could have achieved had they believed the warnings and admonitions which were constantly given to them on earth. The indifference to their future fate is the great evil which threatens to pull many people into the abyss And therefore they shall only ever be

informed of the fact that there is a continuation of life after death, that they cannot cease to exist even if they have to shed their earthly body their thoughts shall be directed towards this time which will come as certain as one day will follow the other If only they were able to gain the belief in a continuation of life after death they would also live more responsibly. This, too, cannot be proven to them, they can only believe it but they can gain a convinced faith if they think about it and question their actual purpose of earthly life Just a spiritually directed thought would suffice for a person to mentally receive an answer from the kingdom which is the soul's true home Yet such questioning thoughts have to be sent out by the human being of his own free will, for he cannot be forcibly urged into such spiritual thinking. But the smallest impulses are enough for him to question himself, and it will definitely only have beneficial results. Hence the human being will often have to suffer severe losses which can affect everything he loves earthly commodities or even people dear to him, the loss of which can motivate him to such thoughts And then even harsh strokes of fate will have become a blessing for him if they lead the person into a spiritual train of thought and thus enable spiritual powers to intervene, trying to instruct him.

And if a person is asked whether he assuredly believes in the soul's continuation of life he will usually doubt it, even if he is religiously instructed in such a way, because he has not yet openly contradicted it. But he lacks the inner conviction and this makes him indifferent in his conduct, which should be aimed towards this life in the spiritual kingdom. But time and again the human being will have to deal with experiences which can and should direct his thoughts to the end which is certain for him and yet will not denote an end for his soul. And frequently he will also receive instructions by way of conversations or as printed material, although he can accept or reject them of his own free will

And even the loss of earthly goods can make the human being think and wonder whether owning these is the real purpose of earthly existence Then it is possible that he will change his way of thinking; then it is possible that he will not regard a continuation of life after death to be out of the question and afterwards he will lead a conscious way of life, because he believes that he will have to be answerable for it one day. And then the

certainty that his body's death is not the end will steadily grow, for wherever there is the slightest will to live expediently on earth the human being will also receive help and he will not go astray

Amen

Immortality of the soul

The teaching of the immortality of the soul is not accepted by many people because they compare it to earthly transience. In their opinion nothing on earth is permanent, everything passes away, and hence they believe that they are no exception to this natural law. The earthly body decays indeed, that is, it seemingly disintegrates and passes away. But the human being does not consider that the apparent disappearance is only the means of transition into a new form. On reflection he will have to conclude that everything earthly serves some purpose, and he will observe that even the most insignificant creations are somehow related to one another and therefore not without purpose.

When such a work of creation fades away numerous other creations absorb the remainder of the first, which thus serves them and continues to live on in the new creations. He only has to seriously observe an outer transformation and he would have to admit that the inner life cannot vanish either. And he should at least grant the human being this inner life too he has to make it clear to himself that the human soul, the emotional life, cannot be discontinued arbitrarily that this emotional life is the essential significance of every embodiment. The outer form is of no use unless the inner core is acknowledged by humanity.

Immortality of the soul

The construction of a human being always requires the same components: body, soul and spirit. The body ... the external form ... performs the functions which are determined by the soul. Consequently the body is just the agent through which the soul's will is accomplished. At the moment of death the soul no longer needs an agent for service as it did on earth i.e. in the visible work of creation ... because it changes its environment and moves into regions where nothing externally visible needs to be done. The body, which was just the instrument for the earthly path during which the soul should have formed itself into the carrier of the divine spirit, becomes unnecessary.

The spirit, the third component of the living being, lies in fact dormant in every human being and only becomes active when the will of the soul pays more attention to the spirit than to the body, that is, when the soul considers the earthly demands less important than the demands of the spirit, which always amounts to earthly needs becoming secondary. Although body, soul and spirit belong together they nevertheless can have separate goals. The soul can direct its will more towards the demands of the body, but it can also disregard those and make its will available to the spirit within itself. And it is precisely this direction of will that decides its life in the beyond, i.e. the state the soul finds itself in after the earthly life, which can be blissful or distressing. The earthly life, the function of the body, is therefore just a temporary condition for the soul. The soul impels the body to all actions on earth but it has by no means ceased to exist when the body cannot perform its function any longer. The soul has indeed left the body because it moves into regions where it no longer requires an exterior form.

But to consider the soul dead as well would be a completely wrong concept of its essence ... because the soul is something that cannot pass away. Indeed, when the human body is dead the soul can no longer determine its functions; it can, due to a lack of maturity because it had not given enough consideration to the spirit within itself, also fall into a state of inactivity; but it can never 'cease to exist'. Because the soul is something spiritual that is everlasting, while the body consists of earthly substance, of matter,

and is therefore subject to constant change and finally disintegrates into its components as soon as the soul has left the body

Consider the end

I send the same admonition to all human beings: Consider your end. For it is granted to all of you; right now you all have to count on a natural recall from this earth when your hour has come. But many of you will have to leave earthly life prematurely, because I don't want to let them fall into My adversary's hands since their resistance is not strong enough to resist his coercion in the last days

However, even the people who will experience the end will have to count on a shorter lifespan than they would naturally expect, for this end will happen to you soon And you humans are not yet mature enough to anticipate this end without reservations And thus, in view of the near end I admonish you all to make every effort to improve your soul. I caution you to live consciously and not to let a day go by without having done a kind deed, without having offered your soul a gift to help its ascent I urgently remind you all to accept My Word, to let yourselves be addressed by Me in My Word and thereby also receive the strength to help you ascend Don't just live your earthly life but engross yourselves at least once a day in My Word, briefly communicate with Me and commend yourselves to Me and My grace

Just a heartfelt thought to Me is already refreshment for your soul, and if you read or hear My Word in silent devotion you will provide your soul with the nourishment that will help it mature for sure. I only admonish you humans to live consciously to remember that your life will not last much longer and that you will prepare a bearable fate for your soul after the death of its body

Don't let the time you have left until the end slip away don't let it pass by without using it for your soul, and you only provide for your soul when you entertain spiritual thoughts, when you make mental contact with your God

and Creator of eternity, Who is Father of you all, Who would like to admit you into His kingdom but requires your own will to do so: to create a state of soul which allows its entry into My kingdom Therefore I admonish you time and again: Consider the end

As long as you stand in the midst of life you will always resist this idea because you don't know that you can be granted an extremely blissful fate afterwards But My love would like to grant you a blissful fate, consequently you will constantly hear these Words of exhortation from above, because you yourselves have to want to become blissfully happy Every pensive hour, every moment of inner reflection will be of utmost benefit for you Yet woe to those who will never find time for this, who are so attached to the world that they are incapable of detaching themselves for a short time For they are firmly under My adversary's control from which they will hardly be able to escape if they are not helped through loving intercession, through calling upon Jesus Christ to be helped by Him directly You can call upon Me at any time and I will hear you, for I want to release you from his chains and not prolong your captivity

Consider the end and consider the state of your souls. Call upon Me for help This is what My never-ending admonitions intend to achieve, that you will remain in contact with the only One Who can help you that you will direct your eyes and appeals heavenwards and become and remain conscious of the fact that you will not live forever on this earth

Fear of death

Death is just the passageway into a life which will last forever. You humans would not have to fear death if your life on earth corresponded to My will if you had travelled this earthly path in divine order, for then you would not feel terror-stricken in view of death, because then your soul would just rejoice at being able to escape the body in order to return to its home where

the earthly body is utterly superfluous, where ceasing to exist cannot be spoken of but where a free life in an abundance of light and strength will await the soul. Jesus Christ arose from the grave on the third day He demonstrated to you that there is no such thing as ceasing to exist after the body's demise, he has provided you with the evidence that a correct way of life merely results in the change of the earthly into a spiritual body, that the human being continues to exist, that only his shell has experienced a transformation, which is absolutely necessary for staying in the spiritual kingdom And you all are able to accomplish this change yourselves, and death would then truly have lost its sting. But since you humans do not believe in life after death, you neglect to prepare yourselves for a stay in the spiritual kingdom, and since your soul has therefore no prospect whatsoever to clothe itself after physical death in a radiantly bright spiritual garment you fear death, and rightly so, for you cannot cease to exist but earthly heaviness can still cling to you, and your awakening after the body's death will not be a happy one But you will **awaken**, regardless of how imperfectly your soul is shaped it will find out that it **has not and cannot** cease to exist And this fate is unconsciously dreaded by you humans who fear death.

Yet you ought to remember the One Who has overcome death Jesus Christ wants to awaken you to life, He wants to give you an eternally-indestructible life which you shall never lose again. Accept his gift of grace, remember Him during fearful hours and commend your soul to Him, and appeal to Him not to let it fall prey to death, but to have mercy on it and to help it attain life And, truly, you will not have sent your appeal to Him in vain Your fear will disappear to be replaced by blissful calm, a calm which only Jesus Christ can bestow upon the soul. The living faith in Jesus Christ dispels all dread of death, for the human being knows that he will rise again, just as Jesus Christ arose on the third day.

But anyone without this faith in Him will fear death or believe that he will cease to exist, that he will return into oblivion from where he imagines himself to have emerged And he, as well as all others who lived on earth without Christ, will have a rude awakening And it will take a long time until they are convinced that they have not perished, but that they can only escape their lifeless state if they call upon the One Whom they refused to

acknowledge on earth, but Who alone can give them life again Death need only be the transition into a new and immortal life It need not worry people on any account, because Jesus Christ has prevailed over it, because He accomplished the act of Salvation in order to deliver people from a condition which had been brought into the world by His adversary But Jesus'act of Salvation and resurrection are not properly valued by people Many know of them and yet do not believe, and therefore they are also unable to derive the benefit from the effects of the act of Salvation and resurrection But the living faith gives people firm confidence and therefore also removes their every fear of death And these will blissfully fall asleep in the Lord and joyfully awaken with Him in the kingdom of light and beatitude For they will eternally not taste death again, they will only ever have eternal life

Fear of dying

Beholding the spiritual kingdom before death

Spiritual death is far more dreadful than physical death. And it is spiritual death which people unconsciously fear if they are frightened to die, for they fear what will happen to them after the death of the body this fear can befall the very person who does not believe in a continuation of life after death The soul feels that it is in a wretched state, and it transmits this awareness as fear onto the body, which therefore fights death as long as possible.

Fear of death is an involuntary confession of psychological immaturity, for the person lacks all realisation and therefore also confidence in God's mercy, in hope for help, which it certainly would always receive if it would call for help. The soul is in utter darkness and unconsciously fears to approach an even darker night. A fully matured soul expects its final hour with complete calm, it longs for deliverance from its bodily shell, it hands itself over to the One in Whom it believes, and commends itself to Him and His grace. And often such souls are allowed to take a glance into the kingdom that awaits them and can radiantly happy open their eyes, in order to then close them

forever and to escape from their body into the kingdom they beheld. Fear of death is a distinct indication of the soul's state, and such souls must be given much help by their fellow human beings so that they will still awaken in the last minute and turn to the One Who wants to help and is able to help them

Anyone who witnesses the death struggle and fear of a soul will be able to send a quiet, heartfelt prayer to Jesus Christ if he wants to help this soul to find inner peace For the soul will feel this help and reach out for the last rescue anchor, and it will be carried by the fellow human being's love when it leaves the body to Jesus Christ, Who will not close His ear to a sincere prayer for help. For this reason people should take especially good care of those who are afraid of dying and who thereby admit that they are still far from the light, from the right realisation and therefore also from God Fear of death confirms that they need help or they would be permeated by blissful calm when they feel that the hour of their departure from this earth is approaching.

And it is an act of utmost mercy and love to support a fearful soul, when nothing else can be done but to call upon Jesus Christ Himself that He may have mercy on this soul. This loving appeal will be heard and can save the soul so that it will be spared the darkest night

Amen

Nothing can cease to exist

Gate of death

True home

You humans must never forget that I Am a Lord over life and death that all the strength which is needed for life flows forth from Me and that I Am also able to end all life by withdrawing My strength However, since I Am the primary source of all strength, it will also correspond to My fundamental nature that I will only ever grant life, guiding what is dead back into life, because the state of death thus, complete lack of strength does not correspond to My fundamental nature and therefore cannot ever be intentional on My part. I certainly have the power to destroy what

I once brought into being, and this would in fact impose utter death on the being but it does not correspond to My perfection either to discard or change once determined resolutions

Once something has emerged from My strength which was awakened to life through My will and My might, it will also exist forever, merely its composition can change because this is determined by the being itself. Hence the **being itself** is able to bring death upon itself, and yet it is not its own master, but I Am the Master even over death that is, I will not allow the being to remain in its self-chosen state of death forever; I will not rest until it has regained life, for nothing is able to permanently resist My strength and might, and even My adversary who once caused this transformation from life into death is unable to prevent Me from sooner or later imparting the energy of life to the being again anyway, thus to awaken it from death into life

I Am a Lord over life and death Consequently I also determine the hour when the human body the spiritual being's temporary cover will release the latter, when the physical life is thus concluded by 'death', but this death is only a change of the external form again. For what had once emerged from Me can never cease to exist again, it is not subject to the law of death, which is indeed the fate of all things of this earth but not that of the 'spirit' within the material form. But I even determine the hour of the earthly demise Myself, if the human being will not manifestly oppose Me and end his life himself and thereby indeed prolongs the state of death for an infinite time again, but he will never be able to end his existence

And since you now know for certain that you cannot cease to exist anymore, and that the duration of your earthly life is determined by Me, you should confidently put everything into My hands, for I truly know what signifies 'life' for you and how you will be able to attain it I also know that you are only able to enter into life by the gate of death, but this gate of death is just an entirely natural process without which true life is unthinkable. As yet you live on earth but your true home is the spiritual kingdom, and the step from the former into the latter kingdom has to be taken. But then life will be indestructible, then you are granted strength and light and freedom, and only then will you be and remain forever blissfully happy

....

The soul's change of abode

Death of the body

The soul is your actual Self which is immortal, which merely changes its abode after the death of the body, which has concluded its earthly progress in order to continue maturing in other spheres if it does not stay in opposition to Me and thus descend into the abyss. Hence the thought that you don't have to fear death should make you very happy, that you will live although you have to leave this earth and that this life is far more pleasant and joyful than earthly life as a human being could ever be. You should look forward with cheerful anticipation to the day when your external cover will be taken from your real Self, when all heaviness will fall away from you and you will be able to easily and light-heartedly lift yourselves up into your true home, which truly offers you inconceivable splendours. You should rejoice at the fact that there is no death for you because your soul will merely experience a change of abode which can make it infinitely happy

Why do you therefore fear death or anticipate the end of your earthly life with unease? Why has death become a horror for you humans, why does it trigger in you a feeling of fear when, in reality, it is just a transition into another sphere after all? Because you unconsciously sense that you did not live your earthly life correctly, and because your soul is not acquiring the light which would take all its fear away For a person who complies with My commandments of love, who thus lives on earth in accordance with My will, has no fear of death but yearns to shed his earthly cover because he longs for his true home, because love has kindled a bright light in him and, looking ahead, he also knows himself to be near to Me, where no suffering and pain, no affliction can touch him, where he feels sheltered by My love All people could have this blissful certainty, that they will exchange a sorrowful and difficult existence for this feeling of security when they depart from this earth, if only they would live their earthly life with this

aim in mind if they would always follow their inner voice which clearly informs them of My will if they would already on earth enter into the right relationship with Me, their God and Father of eternity. The thought that their existence ends with the body's death is already the best evidence that the person's way of life does not correspond to My will, for this idea comes from the opposing spirit's influence wanting to prevent people from gaining correct realisation and therefore also constantly increasing their desire to enjoy **earthly** existence to the full for these people do not believe in the immortality of their soul, they impose on it the same restrictions as is the fate of the external frame

And thus they try to savour earthly life in every way, only ever considering their body but not their soul which, after physical death, has to accept a rather uncertain fate, which will be unable to experience the splendours of its true home, since due to its imperfect disposition it cannot find admission to the spheres where inconceivable beatitudes await it. Although it is still possible for the soul to detach itself from the abyss and enter into higher spheres, it nevertheless requires far more effort and exertion than on earth and will be impossible without help, yet even then the soul will have to muster its own will, which is far easier on earth. The Self cannot cease to exist but it creates its own fate of blissfulness or agony and only when people no longer consider their body as being `alive'but learn to recognise the soul within the body as their actual Self, only when they learn to believe in the immortality of their soul, will they live more responsibly on earth and then no longer fear death either, which only concerns the earthly body but not its indwelling soul. Then they will live in accordance with His will and long for the hour when the soul will be allowed to leave its external cover in order to then enter the kingdom which is its true home

Amen

Hour of death

Explanation of suffering

You never know how your end will happen, and therefore you should call upon God's mercy every day that you might receive it in the hour of your death. Even if you live in accordance with God's will your end can be difficult if it is to serve you to completely purify and liberate yourselves forever. God's wisdom and love is yours until your last hour on this earth, and as long as your souls are still able to change you will be given the opportunity even at the hour of death.

For this reason devoted people often have to suffer in the flesh and cannot find an explanation for it because they are unable to detect God's love therein. And yet, divine love causes this suffering because it is the best means for the soul to acquire a degree of maturity within a short period of time which allows the light to permeate the soul in the beyond, and the soul will thank its Creator once it is free and recognises God's great love and mercy. Thus all suffering has to be seen as evidence of God's love, and even the end is blessed if it is accompanied by suffering, although it does not appear to the human being that way. The soul indeed separates itself from the body with pain, but immediately lifts itself into the kingdom of the blessed spirits. It not only leaves earth physically but also spiritually and also takes the body's fully matured substances along, because every degree of suffering dissolves the cover which still encloses the soul.

And the person who is still able to free himself completely from immature substances on earth will be blessed he will have used his earthly life for his deliverance and will no longer revolt against God's will either. In the hour of death he will certainly struggle for the peace of his soul but he will never consider his physical suffering to be unjustified, for his soul will know that the end is near, that his physical suffering will also come to an end and that the soul will derive benefit from it even if it is no longer able to convey this realisation to the body. The body, however, will separate itself from the soul as soon as it senses its perfection, because then it will have fulfilled its task of having served as an abode for this soul. The hour of death can be difficult for all of you but it can also be a blissful falling asleep in order to

awaken in the kingdom of light if the soul needs no further suffering, if it has already found the union with God on earth and He then brings it home into His kingdom, into your Father's house, in order to make you blissfully happy. But you do not know how your end will happen, and therefore pray to God for mercy, ask Him for His grace and strength if God still needs to afflict you, and you will also endure the hour of death. The body will suffer but the soul will joyfully leave the body and lift itself into the spheres of light

Amen

Hour of death without fear

Readiness

Always be ready to exchange your earthly life for a life in the spiritual kingdom, then the hour of passing away from this earth will never come as a surprise to you and neither will you ever have to fear it. Whatever you think and do, always ask yourselves whether it is right before My eyes, then you will live consciously and work to improve your soul thus you will live for the kingdom of the beyond, and this kingdom of the beyond will be the kingdom of light for you, for which you will gladly surrender your earthly life because it is your true home.

If only all you humans were able to realise that you merely live on this earth as a test, that it is not real life but just a preparation for this real life, and that you therefore should only ever focus on evaluating it correctly But you regard earthly life as the only important life and consider real life in the spiritual kingdom far too little if you believe in it at all. You use all your strength for completely irrelevant things and don't prepare yourselves enough for the life that lies ahead of you.

The hour of death was intended to be the hour of your deliverance, when you discard your earthly garment in order to enter in light and freedom into the kingdom of peace and beatitude You were meant to consciously and joyfully look forward to this hour and gladly relinquish earthly life in exchange for a far better one. However, you will acquire this consciousness when you, in living faith, have lived a life of following Jesus, because only

then will you clearly recognise the purpose of your earthly life and your objective ... because only then will you know of all correlations and also of a free and blissful life in the spiritual realm Then your spirit will be awakened, and then you will therefore place little value on earthly life and consciously strive towards the life in the spiritual kingdom, in light and happiness

You are certainly informed of it but you will only accept it as truth when love has kindled a light within you Hence you first have to live a life of love Then death will not longer scare you, then you will already have the connection with the spiritual kingdom, then so many hands will reach out to you from there which will show you the way until the end of your life And then you will live every day on earth as it is My will Then you will prepare yourselves for a blissful end, and the hour of your passing away from this earth will be for you the awakening into a life in light and magnificence

Amen

The souls'fate in the beyond

As yet you still wear the earthly garment; as yet your soul is still enclosed by a cover preventing its carefree flight into the spiritual realm, you are still bound to this earth But the time will come when the soul will leave its fleshy cover, when earth will no longer be able to hold it and it will lift itself up to heaven, if it has acquired sufficient strength to raise itself from the earthly sphere into a world without obstacles, where it will be able to zoom through time and space and enjoy blissful happiness in radiant heights. But this flight of ascent requires strength the kind of strength which should not be confused with the vitality of life but by which it is permeated when it has entered into heartfelt union again with the eternal source of strength, with its God and Father when it has returned to its Father's house, where no hardship or suffering but only happiness and eternal life exist.

However, it is also possible that the hour of death will not denote a great change for the soul It will indeed also be able to leave the physical body

and yet not be free, if it is weak and unable to elevate itself from earthly spheres because matter had dominated its mind, because it completely allowed itself to be ruled by it and never accepted the divine strength of love. Then it will indeed also occupy spiritual spheres, that is, it will exist beyond this earthly world, yet it will lack vitality and be condemned to inactivity. And this is a state of torment for the soul, a state of helplessness and darkness, and yet it is aware of itself.

Death is the conclusion of a developmental chapter; the soul will change its abode in any case ... but the sphere the soul will then occupy may well be rather different And the human being himself creates on earth his soul's fate after death. And therefore he should value every day as an immeasurable gift of grace, he should be prudent with every hour and use it for the salvation of his soul he should not content himself with earthly joys and pleasures since the beatitudes in the spiritual kingdom will outweigh them a thousand fold.

The human being should always remember that he has to take it into his own hands to acquire an abundance of bliss, and so he then also has to be willing during the short lifetime on earth to renounce what gives the body a sense of well-being but is detrimental to the soul. For the soul is enclosed by a layer from which it should free itself in earthly life. The impurities still adhering to the soul obstruct God's light ray of love from entering They first have to be dissolved so that the light of love can fully permeate the soul, and this also means that after death the soul will be able to raise itself entirely unburdened and enter the spheres of the blessed. And heartfelt prayer to God, deeds of love and even various forms of physical suffering will cause the dissolution of this layer

Love and suffering are the most effective means of purification, love and suffering internalize the human being, love and suffering distance him from the world and its pleasures The path of love and of suffering is the path Jesus took. He called upon people to become His followers, and He has promised life to those who follow Him. For His path will lead to the goal for sure. It leads out of the kingdom of darkness into the kingdom of light, and He will also help anyone who loves Him and wants to follow Him carry the small cross, when it seems too heavy to the human being and he turns for help to Him, to the divine bearer of the cross But once

the physical cover is shed the soul will rejoice and jubilantly enter through the gate to eternity. Then it will have fulfilled its purpose of earthly life, it will have returned to its true home of eternal life and eternal beatitude

Amen

Serious admonition to consider the life after death

Once again I admonish you humans on earth: Consider your souls and your state after death For the forthcoming extremely difficult turn of events in your earthly life is merely intended to make you consider your physical death and what will follow afterwards. I want to draw your attention to it and lovingly inform you of the hard times which will befall you, so that you **then** will believe it if you are as yet unable to believe, if you still discard as a fantasy what is solemn truth. You are in great danger, for you live earthly life so light-heartedly as if it would last forever and yet, the time left to you is so short that you would be horrified if you knew of it. You gamble your life away, you are moved by trivial worries, and yet it is only important that you consider your soul, so that it will be able to calmly endure every adversity in order to start the true life in light and strength in the spiritual kingdom. Yet it is up to you humans yourselves in **which** state your soul will enter the spiritual kingdom.

I ever more urgently admonish you to change your attitude, although it doesn't have to be bad it is nevertheless too earthly minded to be suitable for the spiritual kingdom. Like a loving Father I call to My children on earth: Be concerned about your soul, consider your real purpose of life and hurry, for there is not much time left until the end Change your attitude before it is too late bear in mind what fate will await you when your earthly life is over, and believe that the soul's life will **not** end with the body's death but that it will live on, yet in the state you have created for it in earthly life. You are responsible for its fate in eternity, that is, you have to accept the consequences of your earthly life yourselves, which will be a fate in darkness if you have used your life wrongly.

And you live wrongly if you live without faith and without love if you do not acknowledge Me as your God and Father and therefore do not observe

My commandments either, if you only live for the world but not for the spiritual kingdom, which is your true home and which you inevitably will have to enter, albeit its spheres are so different that it can mean both supreme happiness as well as most bitter agony for the soul, depending on its state of maturity. And you humans are responsible for this state of maturity

This is what I call to you from above again, so that you will turn inwards and change, so that you will pay less attention to earthly life in favour of advancing your soul's spiritual life Listen to My call from above, take stock of yourselves, turn around before it is too late, for the day will come without fail which I have always and forever announced to you You don't have much time left, therefore make use of it and take care of your soul, so that it will not have to fear the end which is soon about to happen to you

*The bridge into the spiritual kingdom
Jesus*

The bridge into the spiritual kingdom was built by Me when I descended to earth in order to redeem humanity. You all may cross this bridge if you want to follow Me And thus understand this right: Anyone who follows Me, who has chosen Me as his leader will be able and shall travel the same path as I have taken Myself, and he need not fear to go wrong. And thus even as a human being I maintained contact with the kingdom whence I had come. Admittedly, at first My origin was also hidden to Me, the human being Jesus, I lived on earth and knew no more than other people, yet My soul persistently searched for God, My soul constantly returned again to My true home to the kingdom of the most blessed spirits

And My yearning of love for God was so great that He came to Me and soon also informed Me of My mission on earth. Hence I already recognised at an early age that I and all other people were only guests on this earth, but that in the hour of death the spiritual kingdom was opened again for everyone, only its spheres were very different. I had this knowledge as a human being on earth and was often able to look into these spheres. I saw the abundant bliss as well as the extreme agony of the spiritual beings, and My soul yearned but it was also appalled. I beheld the spiritual world due to the degree of maturity My soul had already attained on earth, and therefore My soul was no longer endangered by entering the different spheres in the spiritual kingdom. I Myself had already established the bridge by changing My nature into love and was therefore able to safely cross the bridge into the spiritual kingdom.

And thus I want to explain to you that the love within you humans is always able and will establish a bridge into the spiritual kingdom, then not you yourselves but the spirit of God awakened through love will guide you across, because it wants to introduce you to the kingdom which is your true home and which offers you incomparable treasures, that you may receive in this kingdom Then you can also safely and without worry take a glance into the realm of darkness, for then your love will want to help all those who need this help. The bridge leading from earth into the spiritual kingdom has to be understood literally as well as figuratively I have prepared the path for you which will lead to God, which you shall take by following Jesus. However, through My resurrection on the third day I also demonstrated to you that I have overcome death, that there are no limits for the living, the immortal part in you, that your soul at all times may and shall stay in the spiritual kingdom and that My spirit, if you awakened it, will guide you into areas which otherwise are inscrutable for you. Yet it is different when such contacts to the spiritual kingdom are established without faith in Me, without spiritual aspiration and without love Then people enter a bridge without permission, hence they unlawfully take possession of it in order to glance into the kingdom, which is hidden from them. People like these do not acknowledge Me, consequently they cannot be on the bridge which I have established through My crucifixion Yet they also see a bridge leading into the spiritual kingdom, an illusion, which

My adversary makes them believe because he wants to entice them to him, which he easily succeeds in doing ... by plunging you into ever deeper darkness, because no light can be found in darkness.

But anyone who desires light will be met by the beings of light, and they will provide him with an abundance of light, with the pure truth, which can only ever come from God's kingdom, from the kingdom of eternal truth. From the kingdom of darkness comes nothing but harm, from the kingdom of light only blessings; you shall close yourselves to the kingdom of darkness but open yourselves to the kingdom of light, for I Myself call to you from this kingdom: Come unto Me, all ye that labour and are heavily laden, and I will give you rest. And if I call you to Me then you must also enter the bridge which I Myself have established from earth into the spiritual kingdom in order to smooth the path for you which leads you to ascent, to Me, but which can only ever be found through love

Amen

Contact with the spiritual kingdom

All requirements have to be in place if you want to enter into a blessed contact with the spiritual realm, if you want to achieve spiritual benefits and in accordance with My will work in cooperation with the beings of light in the spiritual kingdom, which concerns the redemption of still immature souls. Any contact that you establish with the beyond **without** these conditions is dangerous for you as well as the still immature souls. As long as a person is earthly minded he will have little desire to make spiritual contact. But if he goes ahead anyway he will only be motivated by earthly questions in the hope of receiving an answer. The will to enter into contact with the kingdom of the beyond also allows the beings of the beyond to access him, for he opens himself irrespective of whether he does so mentally or by using earthly help through attending spiritualistic meetings or accepting advice from mediums. But he will not gain any benefit at all from such contact; it is, in fact, a great danger to him which he cannot be warned of often enough. For the evil spirits now pushing close to him would terrify you if you could see it with your own eyes. And these

demons take hold of the human being, they answer his questions, yet only in relation to their state of darkness and they aim to tie him ever more to matter, to which they are still just as stuck as they were on earth. Beware of **such** contacts For they will pull you down even if you thereby attain the belief in the soul's continuation of life after death because these spirits will not encourage you to work at improving your soul, and in view of the fact that they frequently contradict themselves you can also easily recognise that you are dealing with evil spirits The first requirement for a beneficial communication with the spiritual world is a strong desire for truth, the inner urge to accept the truth from knowledgeable beings, but only knowledge of a spiritual content

Thus the beings responding to their call should not be asked any **earthly** questions whatsoever.

This kind of communication with the spiritual world can result in many blessings, even if it at first takes place with earthly help or through a medium, for it will soon lead for sure to a purely spiritual contact, which I commend to all of you, because then you will have entered the protected path of being constantly led and educated by Me through My spirit for every being of light teaching you on My behalf will also inform you of how you will be able to attain perfection. Your will, your state of maturity, your degree of love is always decisive as soon as you establish a connection with the spiritual world, for accordingly the same beings will approach you And since you humans are still afflicted by weaknesses you will also have to fear the appearance of **such** beings and therefore commend yourselves to Me and appeal for My protection from them in advance And this appeal will always be the best protection, for anyone who establishes this connection with Me can always be assured that it will never be detrimental to him. However, the questions which motivate people to seek contact with the spiritual world are rarely of a spiritual nature The curiosity to explore what happens in this kingdom, personal relationships with the deceased and desired advice are far more often the cause, and although they will not experience any direct damage to their souls yet neither will they derive any benefit, for the results satisfy the senses more than the soul

The spiritual world is constantly in contact with the earth and its inhabitants, and it will do its utmost to uphold or expand every sincere contact.

And for that reason I will bless everyone who starts such a sincere bond which makes it possible to influence people and many souls in the beyond in the most positive sense But I will also admonish people to exercise greatest caution if they just want to gain an insight into regions which are still closed to them. For they can easily become controlled by forces from which they will only be able to detach themselves with great difficulty whereas truth-desiring and sincerely striving people may enter this bridge without qualms, for they will be met by true messengers which will offer them protection and a light that is beneficial for them

Amen

Thoughts from the spiritual kingdom

Thoughts flow to you from the spiritual kingdom, if you are spiritually minded and therefore also look for contact with the enlightened beings of the spiritual kingdom. Consequently, every thought can be a blessing for you provided you sincerely want to become enlightened, thus to know the truth. Yet in order to be taken care of by helpful spiritual beings it is also always necessary for you to conduct your life in accordance with God's will, since you are also surrounded by forces of darkness which seek to lead your thoughts astray. And you yourselves reject or allow their access to you, depending on your conduct in life, on your will and your attitude towards God and towards good.

And therefore you have to seriously scrutinise yourselves whether you strive to live in keeping with God's will, whether you want the truth. You must know that thoughts are the activity of spiritual beings in the beyond which they try to convey to you, and that you allow yourselves to be influenced by forces which you draw to yourselves by your way of life and your will. For this reason you have to observe your thoughts whether they lead towards God or divert you from believing in God. Every good thought teaching love and referring to God is the activity of good spiritual forces, and you should take it up and let yourselves be affected by it, for as soon as you pay attention to it, it will also shape your way of life and be beneficial for your soul.

But as soon as you pray to God for correct thinking, good spiritual beings will always be your teachers and guides, they will influence your thoughts and also try to transmit spiritual concepts which will heighten your maturity of soul; they will provide you with power of perception which will enable you to render the activity of evil forces ineffective by instantly recognising it as error and rejecting it. If you unite yourselves with God, if you live intending to please Him, then you will not have to fear evil spiritual forces which deceive your thoughts, for you give yourselves into the hands of good spiritual beings which will take loving care of you and direct your thoughts such that they will correspond to the truth and promote your spiritual development, because you strive for it yourselves

Amen

Beings of light

Mental influence by beings of light

As soon as a bearer of light in the beyond, an enlightened being, has managed to be heard by a person it will always stay close to him in order to influence his every thought, thus in order to instruct him constantly. Yet the human being's will is always decisive as to whether the light being's endeavours are successful. For although the being is powerful and would be able to take complete possession of the person's thoughts his freedom of will is not restricted, hence the information is never conveyed to him against his will. Consequently, the light beings' teaching activity requires extreme patience. Time and time again they have to direct a person's thoughts to a specific subject which they are ready to explain, and they may not become impatient when these thoughts digress. Their love for people has to be considerable in order to repeatedly muster understanding for their failings and not stop trying to arouse people's interest in spiritual knowledge. For this reason a person in intimate contact with the beings of light will also have a different mentality; despite the fact that he is not yet being instructed in an obvious manner he will spend much thought on spiritual subjects, and this contemplation will satisfy him since it will result in an agreeable

answer. And then the beings of light will be able to move into action, they are always able to enter a person's train of thoughts, they are able to transfer their thoughts to people Yet it depends on the individual's receptiveness as to whether their effort and patience are successful, for the more willing he is the more attentively he listens within, that is, he takes notice of his thoughts, he will not discard them instantly but think them through, and only then can they become effective, thus move him into action to do what he was mentally advised to do.

If the human being has paid attention to these transmissions then the desire will also arise in him to tell his fellow human beings what he has heard, what he has spiritually received, for whatever moves him will also urge him to pass it on. And this in turn prepares his fellow human beings for the light beings' work on them, for as soon as another person listens to what he is told he also starts to think about it, and the being of light will again be able to intervene and provide food for thought in the form of mental questions and explanations.

All people are entrusted to such beings of light, all people are surrounded by them, and they pay attention to every thought. And as soon as the thoughts turn to spiritual matters, hence to things which are unrelated to earthly life, which do not concern the body but the human soul, the beings of light try to direct the thoughts onto the right track by mentally whispering the correct information, the answer to questions raised, so that they, having arisen in themselves, will be considered and, with good will, also be assessed. For the thought only becomes valuable when it is put into practice, when the mental advice is implemented accordingly. Yet the light beings' efforts are often in vain with many people because they only aspire to purely earthly things and have no interest in spiritual work or spiritual knowledge. In that case the beings of light are grateful for every support by way of a human mouth For the beings of light can neither visibly appear nor introduce people to the right knowledge against their will, but it is always the person's own will which allows or rejects the light beings' work on him. And the beings of light are subject to laws, because the human being's free will has to remain unaffected as not to make it impossible for the person to attain perfection.

For this reason the right knowledge can only be made accessible to people

once they employ their own will, by willingly accepting the influence of the being which, as a representative of light, makes the knowledge available to them. Only then will the light beings surrounding a person be able to do their work, they will be able to instruct him mentally and provide him with information about every question that moves him. Then he will always be spiritually guided and looked after, and his thoughts will be led onto the right path, for the beings of light have much strength and authority at their disposal providing the human being's will does not resist their influence

Amen

Guardian spirit

Spiritual guides

A loyal spiritual guide accompanies you throughout your earthly life wherever you might go You are never without spiritual protection, and if this guide, as well as the beings of light surrounding you, were permitted to work **unrestrictedly**, your full maturing on this earth would be guaranteed, since their love for you leads them to do whatever will help you to ascend. But they are not **allowed** to affect you unreservedly because your will itself is imposing restrictions on them They, too, are only able to influence you according to **this will**, and you humans often prevent the activity of the beings which guide you due to your opposing will. Nevertheless, your guides will not abandon you and will keep trying to exert their influence until you die. Hence you are constantly surrounded by guardian spirits, and you can always turn to them for help, yet they are only permitted to help if you have established the bond with Me first, for it is the law that the beings of light only ever implement My will, that they only ever act in accordance with My will.

Thus a God-loving-person can live a truly carefree earthly life because he will always be granted much loving support if he, after heartfelt prayer to Me, hands himself over to My helpers and also asks for their protection and support. These guardian spirits and guides are permeated by light and strength; consequently it is easily possible for them to shape your earthly

existence such that it will be bearable for you They are able to resolve adversities which confront you on an earthly level or which arise through the influence of evil forces

These spiritual guardians are instructed by Me to take care of you as soon as you have established your bond with Me through your will, through your attitude, through labours of love and through prayer. Thus a person devoted to Me can always rest assured that he is protected by Me directly, and My heavenly servants merely implement My will And My will always has your well-being at heart, since you have already given yourselves to Me and desire My protection.

And thus you know that you are never alone, regardless of how lonely or abandoned by the world you believe yourselves to be You are surrounded by a host of helpful spiritual beings which, instructed by your spiritual guardian, take care of you and protect you from physical and spiritual harm.

But it would be wrong if you only made contact with these beings due to a certain sense of superstition, if you saw in them anything else but My servants who are only allowed to help you once you have established the connection with Me For as soon as you call upon spiritual beings for help **without faith** in Me and **without love** for Me you will call upon adverse forces and place yourselves under their control For these adverse forces, too, are in your vicinity and only waiting for the opportunity to take possession of you, and this opportunity always presents itself when I Am excluded from your thoughts, when you live and act without Me on this earth In that case even your spiritual guide will be unable to take precedence, since your will does not allow for it.

And then the adverse forces will be especially busy, which you are just as able to feel around you as the good beings which work on My behalf. But you will invariably fall prey to these evil forces since they are very powerful and they will use this power because your will is giving them the right to do so However, you need never fear these evil forces if your will only ever applies to Me and you commend yourselves to My protection. In that case I have numerous helpers at My side wanting to be of service to you. And then the path of your earthly life will always be under the protection

of your spiritual guide, whom I placed by your side Myself from the time of your birth until your death

Amen

The light beings' methods of rescue

People's activity on earth is visible in the spiritual world, and it increases the light beings'eagerness to help because they, too, know of the approaching end and the fate of those who will fail. Merciful love constantly impels them to help but people's will frequently resists them, and they are not allowed to act in opposition to people's will. But since they recognise people's spiritual state they also know effective remedies, and in complete compliance with God's will use these methods in order to influence earthly events.

Hence joyful as well as unfortunate events can be due to these light beings'influence who want to save or lead their protégés to God For God Himself has joined them to people as spiritual guides, and therefore the well-being of their protégés'souls is particularly dear to their heart. They, too, know the blessings of suffering for all people and thus suffering is often unavoidable, even though the beings of light are full of love for people.

But to have saved a soul is gladdening for every being of light; after all, they know the infinitely long-lasting state of torment the spirit will have to endure if it gets constrained into matter again. Compared to this state of torment even the worst suffering on earth can be called trivial, and therefore it is used by the helpers such that they will destroy earthly happiness and thereby so painfully intervene in a person's life that a loving motive is barely recognisable nevertheless, it is only due to love and concern for the human being's soul which is in utmost danger. For as long as it still lives on earth it will not be abandoned by its spiritual friends and guides. And since you humans have increasingly less time until the end these painful interventions will also become ever more frequent, for they act on God's instruction, they are merely His co-workers who act in accordance with His will.

People collect ever more earthly possessions, they pay consistently more homage to the world and its pleasures, and thus their earthly happiness often has to be destroyed, they have to experience the destruction of earthly goods and learn to recognise the staleness of worldly joys. And all this is only possible if they don't get their own way, if misfortunes prevent their unbridled enjoyment of whatever they are striving for Then it will be possible to turn their thoughts in a different direction, and in that case the earthly loss would be a huge spiritual gain Then the beings of light will have been victorious and helped the souls to gain life, for which the souls will be eternally grateful to them.

The darkness in which people live on earth is obvious to all beings of light, and they also know that the world is to blame Hence they only ever endeavour to turn people's thoughts away from the world and try to achieve this by using apparently harsh and heartless methods which, however, are always based on love, because they are as one with God and therefore also full of love for all wretched beings on earth.

There is only little time left until the end but this time will indeed be very difficult, because all souls which do not voluntarily renounce the world and turn to God will have to be affected And thus every difficult experience, every harsh stroke of fate should be considered methods of rescue, which with divine approval still have to be used on people who are at risk of descending into the abyss For every soul has its helper and guardian in the beyond, nevertheless, they always have to respect its will or no human being would in fact go astray but instead find his way back to God before the end

Amen

About the incarnation of light beings

You should always ask Me for the pure truth and you will not live in error. And once again I refer you to the working of My spirit in you so that you will not run the risk of accepting mental concepts as truth which did not originate from Me Myself. And time and again I also draw your attention to Satan's activity in the last days before the end, who uses every means to fight the truth, who with cunning and trickery intends to capture people who are not closely enough in contact with Me, who already allowed themselves to get entangled in misguided teachings and are unwilling to let go of them. I will send the truth to anyone if only he sincerely desires it

When the 'incarnation of light beings'in the last days before the end is mentioned, then this always happens in combination with a spiritual mission, because there is great spiritual hardship on earth and these beings had agreed to help people. And truly, there are many enlightened spiritual beings embodied on earth, which live unrecognised by their fellow human beings and fulfil the mission: to bring people spiritual information or to exemplify a life of love to them, to work for the benefit of their fellow human beings, thus to help them find the right path which leads to Me. But as a rule their task consists of working on My behalf in My vineyard, thus to be true 'representatives of God'.... teachers who are educated by Me Myself, who thus speak in place of Me, who are My true servants. They themselves have offered in the spiritual kingdom to carry out this redemption work and were in fact accepted by Me, which necessitated an embodiment in the flesh on this earth.

However, **they are unaware of their origin**; they do not know the task they had voluntarily taken upon themselves but live their life like any other person on earth, only their free will determines their conduct in life and their work in the vineyard. They don't know of their pre-existence either And this is how it must be, because absolute free will should be the driving force irrespective of what kind of spiritual mission such a person carries out. It would truly not be beneficial for you to know a person's previous incarnation for it would confuse your thinking, because My adversary recognises people's weaknesses and can easily slip in wherever he detects

but a spark of pride. Hence, such embodied beings of light received no knowledge about their origin from Me

And yet people claim to have knowledge of it and don't question the source of such knowledge And `My spirit' will never have revealed such information to them either, rather, `immature spirits' have actively spread misconceptions and portrayed people as embodied beings of light where, in reality, no spiritual mission is recognisable or it would not be founded on lies or misguided assumptions The beings of light work in seclusion, or their activity comes so openly to the fore that a mission on My instruction is very clearly evident

But they will reject everything which does not correspond to the truth, and they will also recognise and condemn erroneous messages from the spirit realm as lies and deception. For they know the truth and fight for the truth, and not for misguided teachings which come forth from the one who is My adversary. And I can only ever warn you humans about his activity in the last days before the end, for he will do anything in order to invalidate My pure truth, and he will always find approval with those who look for extraordinary things, who are not content with the pure truth they receive from Me But I will always grant you clarification again, providing you seriously desire it

Amen

God's adversary in disguise as an angel of light

So often the adversary will still get in your way when you want to reach Me, and he will try to divert you from the right path by using all means to achieve this end. But believe that I will not leave anyone without the strength to resist who keeps his eyes firmly focussed on Me. Yet he will spread much error and will not slow down in undermining the pure truth either. And he will always try to express himself in the same way as My messengers are active on earth He will shroud himself in the garment of an angel of light to divert people from the right track, for although he seemingly speaks on My behalf he does not voice My Word but influences the people following him to preach their own thoughts as My Word which

he, however, has twisted in order to confuse people and make it unsuitable for scrutiny.

You don't know his cunning and trickery; you don't know how he proceeds just to lead people astray. And yet he has many followers, because people want to experience the unusual and are therefore not receptive for the simple and plain Word that originates from Me. And an element of selfish love is also still too strong amongst those who want to serve Me, and this selfish love allows My adversary to intervene, he presents himself as Lord and therefore will be acknowledged by them, because selfish love signifies darkness of spirit, so that they will never be able to differentiate between truth and error And he often succeeds in grooming an enslaved living creation and indoctrinating it with much error which then will be unhesitatingly accepted as truth

And yet you humans don't have to fall prey to him if you have a strong desire for truth if you examine everything with the sincere wish that I shall illuminate your spirit enabling you to separate lies from truth and learn to distinguish between them. Then realisation will suddenly hit you and you will reject everything wrong without hesitation You will recognise the adversary and take refuge with Me to give you strength and help to resist. You just have to very sincerely want to live in the only truth, and truly, My adversary will no longer be able to deceive you You will see through him and also recognise his instruments, regardless of how well they disguise themselves by wanting to appear as messengers of light True light only shines forth from Me and those who desire the true light the pure truth. However, a false prophet will always walk close to a true prophet, error will always go side by side with the truth, and the darkness will try to obscure or extinguish the light, and thereby you will also recognise the source of what you are given by a 'prophet'.... When I convey My Word to earth everyone receiving it will avail himself of it and recognise it as the Father's voice because his spirit is awakened Anyone recognising it as My Word will not accompany it with something inferior And if he does, he demonstrates that he does not recognise My Word, that he is unable to recognise the Father's voice and this also demonstrates his state of spirit Can there be anything more delectable than the fact that I speak to you humans Myself and if you feel that you are addressed by the Father, then

you will not want to miss these very Words of His anymore, but then you will also be able to differentiate when apparently the same is offered to you You will miss the strength that flows from My Word, because I want to give you humans much needed strength

And therefore I will provide you with the right nourishment for your soul, I will administer the right medicine it needs to recover, and everyone will avail himself of it who has the grace to receive My directly spoken Word through messengers But he will be enlightened and detect every wrong current affecting him, because it comes forth from the adversary who is no longer his master if I Am already able to give the bread from heaven, the water of life, to a person

Yet My adversary, too, will not exclude you either and not let up fighting for those he fears to loose, he will move heaven and earth to disguise himself as an angel of light in order to draw people back into his domain who had already pulled away from him. Therefore beware and always appeal to Me to give you the strength to release yourselves from the one who is and will remain My adversary and your enemy for a long time to come

Amen

Test the spirits

You humans should believe that I will keep sending you the truthful information about Jesus Christ and His act of Salvation, for you have to recognise and acknowledge Him the divine Redeemer as Son of God and Redeemer of the world Who had sheltered Me within Himself. But the mission He had to fulfil on earth cannot be proven to you, yet I Myself will convey the correct information of Him to you through My spirit, and this in itself will be proof to you For what historically cannot be demonstrated to you, shall be taught to you by My spirit And thus you also know that it is I Myself Who reveals this to you that you can 'test the spirits' by all means, for as soon as you are given information about Jesus Christ and His act of Salvation you know that it is the spirit of God, which can only impart the pure truth. You are entitled to scrutinise the origin of all spiritual knowledge, and I Myself have shown you the criterion, for no opposing

spirit will ever proclaim that 'Jesus Christ has come in the flesh'And once you have got the proof that it is the activity of 'God's spirit'then you can also accept everything proclaimed by this spirit as truth.

My working within the human being, which expresses itself so distinctly as the transmission of My Word, cannot be interpreted or explained as personal intellectual thought, but it can be even less described as My adversary's activity, for then people only demonstrate that they themselves do not recognise the Father's voice, that they do not belong to My Own who completely hand themselves over to Me, but that they are intellectually still too active themselves or they would feel that they are addressed by Me, their Father of eternity For My transmission of the Word into a human heart be it directly or through My messengers will not fail to have the desired effect. It touches the heart as soon as it just opens itself and is willing to be addressed by Me; and that necessitates that the person listens to Me impartially and thus is also willing to let himself be permeated by My spirit, by My light of love

However, if a person undertakes a purely intellectual examination of the spiritual knowledge he received from Me, then he will hardly be able to recognise His Father's voice, for it will not touch his heart, and only this is capable to make the test. You shall not blindly believe what you inwardly reject Yet if My revelations are conveyed to you then you will never have a feeling of resistance, providing you desire to be addressed by Me Myself rather, My Words will so touch you that you would not want to miss them anymore, and you will also be fully convinced of the truth, because you are now able to feel Me Myself The content of divine revelations will always consist of God's human manifestation in Jesus and the act of Salvation, and this shall always be the clearest evidence for the truth, for My adversary would never inform you of the fact that Jesus Christ sacrificed Himself on the cross on your behalf, in Whom I Myself accomplished the act of Salvation My adversary will never try to encourage you humans to believe in Jesus, he will never preach love to you, which likewise is the substance of My revelations, for only love unites you with Me and he will prevent everything that could establish this unification.

You have to know about his nature, which is pure hatred and wants to corrupt you And you will be able to recognise his activity by the fact

that he will do everything to demean My divine revelations and to darken your spirit as to prevent you from recognising Me However, you need only appeal to Me for illumination of your spirit, and truly, I will help you and change every ambiguity into brightest realisation, if only you seriously desire it. My adversary only ever seeks to cause confusion, but he will only be successful where the desire for the pure truth is not yet prevalent; but where it exists he has lost all power, for I Myself radiate the light which agreeably touches everyone who wants to be enlightened

Amen

Calling upon beings of light after prayer to God

In your contact with the spiritual world only your attitude towards Me determines whether your soul will derive benefit from it. For good and evil forces fight for your will wanting to exercise their influence over you, and you alone decide which forces will be allowed to approach you. The crucial factor is your direction of will, which always has to aim towards Me, if the beings of light working on My behalf are to be permitted to protect and instruct you.

Your constant bond with Me assures you their protection and care, and their influence on your souls will always be favourable and promote your souls development. For even these beings, which are full of love, are not permitted to influence you against your will although evil forces are also unable to do so this is why you are always protected from their activity when you closely unite with Me, when you appeal to Me for protection and help. Then I will be able to instruct My beings of light to watch over you, and then you will truly be safe. For the love of these beings is immense and they will do everything for you as soon as they see that your will applies to Me.

Hence you can always consider yourselves carried by their love as long as you uphold your bond with Me, which thus allows their unrestricted activity. And you can mentally connect with them as well; you can present your problems to them and request their protection, which they will very gladly grant to you. You should entrust yourselves to all good spiritual

beings and keep all wicked spirits at bay. For that reason you may also ask the good forces for protection against evil forces, and they will form a barrier around you and deny entry to the latter. But you are at all times surrounded by spiritual forces, by those which mean well and those who try to harm you and also by spiritual beings which anticipate your help, which are weak and uninformed and feel attracted by your proximity, because they see your light and strive towards it, since they lack light themselves.

And in that case you should also ask the good forces for their support to teach and guide them, and to protect them from the advances of evil forces which try to influence these beings too You should only ever want to act virtuously and righteously and request help to do so, be it in earthly or spiritual difficulties, for beings of light are always ready to help those on My behalf who want to be My Own and make intimate contact with Me in prayer. Hence you can constantly send your thoughts into the spiritual kingdom, and you will always receive a reply from there, which you mentally accept and are thus also able to speak of a 'life in and with God'....

Just don't exclude Me from your thoughts. For I want to be your beginning and your end, you shall begin and end your daily activities with Me, and then all angels will truly look after you, they will support you with advice and practical help, for they love Me and are also full of love for you and therefore they will only ever accomplish My will. However, you can make this very will of Mine inclined towards you at any time, and you will already lead a blissful life on earth, for then you will live under My constant protection, since you will be safeguarded by all My angels on your path of life and they will protect you from all forces intending to cause you harm

Amen

Jesus Christ opened the gate into the kingdom of light

The gate into the kingdom of light and beatitude was opened for you again when the human being Jesus gave His life on the Calvary cross as redemption for humanity's guilt of sin The gulf between Me and you was bridged by His crucifixion, the path which lead into the Father's house was clear for you again This act of compassion, accomplished by a human being Who had received the fullness of Myself in Himself and who therefore also had abundant strength, was unique, and will never have to be repeated again, because it was accomplished for all people past, present and future

The death of the man Jesus had been so agonising, His physical and psychological suffering so immeasurably great, that I let it suffice Me as atonement for the immense original sin of the spiritual beings' past apostasy from Me that My justice, too, was thereby satisfied and that My love was therefore able to accept you again without violating the law, which even the most perfect Being has to obey otherwise its perfection would suffer a loss I accepted the sacrifice of Jesus, the man, and the path was open for you, My living creations, to return into your Father's house, to Me, Whom you once had voluntarily left

If you humans would consider the magnitude of your past guilt, if you would consider the immense suffering and torments of the human being Jesus, and if you would try to imagine the splendours in My kingdom, then you would also be able to understand how tremendously significant Jesus' act of Salvation is for you humans, and that you therefore also have to profess Him otherwise you will have to stay in darkness, since otherwise the kingdom of light and bliss remains closed to you until you acknowledge Him and consciously take His side. Only when it is explained to you that you had become sinful and what your great sin consisted of, will you be able to understand Jesus Christ's act of Salvation Yet you must know about it or your earthly life will have been in vain if you cross over into the kingdom of the beyond in the same darkness, if you are still burdened by the original sin which caused the deep gulf between you and Me

The bridge to Me was established by the human being Jesus for all of you, and you all are able to enter it you are able to return to Me again, yet only **with Him**, with Jesus, the divine Redeemer if you make use of the great act of mercy, if you acknowledge Him and Me Myself in Him, Who descended to earth in order to take abode in Jesus, in order to accomplish the act of Salvation **Myself in Him**, so that the gate to the kingdom of light would be opened for you again and you are now able to return to your Father's house

Your past sin of guilt has been redeemed through Jesus' crucifixion Yet every individual person also has to form an opinion about Him and His act of Salvation The bridge has been established, yet every individual person has to enter it himself and take the path to Me, Who is waiting for you on the other side of the gulf and happily wants to re-admit you into My kingdom Your guilt of sin is redeemed but you have to carry it under the cross yourselves, you yourselves have to want to belong to those for whom the blood of Jesus, the man, was shed Only then will you acknowledge Him and His act of Salvation, and only then will you consciously confess your guilt and appeal for forgiveness Then the divine Redeemer will have accomplished the act of mercy for you too, then His blood will have been shed for you as well and has cleansed your soul from all guilt.

And therefore you humans will time and again receive clarification as to the significance of Jesus' crucifixion for the whole of humankind; time and again you will be made aware of your immense guilt, which was immeasurable, because you once knowingly separated yourselves from Me despite brightest enlightenment and utmost perfection You had burdened yourselves with guilt the magnitude of which you are unable to assess, and it truly required an immeasurably great and difficult sacrifice of atonement The human being Jesus offered it to Me, and for the sake of His excessive love for His fellow human beings I accepted this sacrifice and let it suffice as an expiation of guilt.

And now you will have to make use of His supreme act of love yourselves, so that your guilt of sin shall be redeemed, so that you won't stand in front of a closed door when, after your death, you enter into the kingdom of the beyond Due to His crucifixion the gates were opened again, His death on the cross has brought salvation to you humans, with His blood

He has bought your souls back from My adversary And thus He has truly become your Redeemer from all adversity, for He returned your life to you He has liberated you from sin and death He took all your sins upon Himself and walked with them the path to the cross.

The fullness of love in Him accomplished this act, and I **Myself** was this love Your Father of eternity, He Himself has built the bridge in order to fetch you home into His kingdom and you all will have to enter this bridge if you want to become blessed

Amen
