Destruction of God's Word and Scriptures

Prayer

Heaven and earth shall pass away, but My Word shall remain forever. And anyone who believes in this Word will never ever die, for everything that belongs to Me has eternal life And yet you will have to struggle and fight for this Word of Mine. You are approaching a time which will demand utmost responsibility from you, you will have to demonstrate that you are living creations of the Deity and not the children of evil. And if you produce this evidence you will be blessed for all times. My Own will have to fight and must indeed very much defend themselves against the enemy, for all earthly powers will oppose that which came forth from the eternal Deity and will not shy away from any means to achieve its complete annihilation. Yet even during the darkest night the light will shine for all those of you who hold on to My Word, and you will be able to take the path without worry of going astray.

And thus listen: Wherever the world intends to work against Me that is where I prepare the counter-offensive, and this will make the earthly power's resolve waver, for it will suddenly behold the Lord's avenging hand in the sky. And this will only show itself after their regulations and laws attempt to utterly eradicate My teaching thus, when it is clearly recognisable that the teaching of Christ may no longer be offered to people Only then will I intervene in order to safeguard My fighters who are working for Me from the worst danger at the same time. So wait for this time calmly and confidently; when the need is greatest I will stand by your side with My help and will certainly know how to stop the host of My fighters from becoming dispersed or destroyed. Everything is subject to Me, in heaven and on earth Oh, what folly it is to oppose Me! And if they don't believe in My might then it must be visibly proven to them. You should use your power on earth truly wisely for the glory of God and your own salvation of soul and not try to establish a kingdom on purely earthly desires and advantages which can only be described as a kingdom of Babel if you overestimate your own power and, with total lack of responsibility towards the divine Creator, believe yourselves able

to issue instructions which oppose the Lord's will At the moment it is still left up to individual people to deal with this issue, which is decisive for eternity, in their hearts But soon you will be given guidelines as to how you ought to be thinking The world and its representatives will endeavour to curtail all knowledge about the teaching of Christ It will be most strictly demanded that the still existing documents and Scriptures must be handed in, and people who won't let go of My Word will suffer serious inner conflicts And then I will remember them in their adversity

Anyone who wants to keep Me in his heart will never be abandoned and earthly authorities will not be able to touch him, for My power is greater than theirs. The instigation of the world which concerns the total destruction of God's teaching will be recognisable both in its consequences as well as in its defeats, for at first I will allow it to happen in order to draw everyone's attention to it Only when the effort is clearly identifiable, when no more doubts regarding the seriousness of such plans exist and when the distress of My Own is greatest will I reveal Myself and stretch out My hand in judgment against the deniers of My Word, and when this hour has come you, who are faithful to Me, will realise that you are visibly guided by the Father's hand. Regardless of what the world imposes on you, you should only ever look up to Me and in firm trust of rescue from adversity look for My spirit which will equip you with strength to resist and will never ever let you move towards ruin. In order to protect your soul from danger I will constantly work in the midst of you as a sign of My presence

Amen

Let the heavenly Father's Words gently end in a prayer, which all of you should send up to Him whenever you suffer adversities:

Let Your peace be with Me my dearest heavenly Father Give me strength to fight down here and fortify my will. Grant me Your grace at all times show me the right path to go Let me always and without hesitation be of service in honour of You And when I come upon difficulties let my faith grow even stronger Hold on with Your love to me, your weak earthly child Help me to find My Saviour through the flurry of the world. Protect and look after me always and forever

Amen

People without suffering

Suffering is love

Those of you who long for it in your heart shall always hear My voice. Behold, My child, your life on earth is indeed a constant struggle and has to remain so until the end of your life, for this will uphold your strength of will; were you to find complete fulfilment of your wishes on earth already you would slow down in your endeavour to reach Me, and therein you can always find the explanation for days and hours which weigh heavy on your mind. Nevertheless, My love is close to you and protects your soul from being harmed. The state of constant satisfaction on earth is extremely perilous for the soul and My love wants to avert such danger from you and nurture ever greater spiritual activity and longing for Me in you, for this is the true driving force for the spiritual work of improving yourself And I Am always close to all of you, but you often fail to recognise Me and do not look for Me nor listen within yourselves, where I affectionately speak to you Just persevere and don't let your longing for Me diminish, then I will take complete possession of you and give you blissful peace one day, when you have victoriously overcome the battle of life.

And thus let Me tell your heart the following: To taste of unmixed rapture here is never to a mortal given* This frequently used saying describes the state of suffering on earth in a nutshell, and anyone who enjoys many pleasures in earthly life is truly not considered by the heavenly Father's love. He can only ever speak of true Fatherly love if he also gets to feel the Father's strictness unless he so willingly gives himself to the heavenly Father that the Lord has already blessed him in earthly life. Yet anyone who is loved by the Father will also have to purify his nature through the fire of love or through suffering If his heart is willing to love and ready to lend a hand then the suffering will not depress him, in his anguish he will even look up more to the heavenly Father and become pure love in earthly life. Yet anyone who is spared suffering is indescribably poor on earth, and this as a result of his own fault He did not love his fellow human beings and therefore will not receive the same from the Father either. His earthly life of undisturbed enjoyment and untroubled days will indeed be far more

agreeable to him, yet the state of his soul is lifeless and agonising beyond words

His alienation from the Father's heart will noticeably express itself in the fact that all his thoughts and wishes only apply to his greedy striving for earthly pleasures, for due to his heartless nature he becomes subject to the power of adverse forces, turns towards them increasingly more and will be drawn by this power into the whirlpool of the world with all its temptations, glamour and sensuality. This is why you should never envy people who are apparently well-off in earthly life their life is so unproductive They gather nothing for eternity, do nothing for their soul yet everything for their downfall and spiritual death. And earthly life is short but life in the beyond is infinitely long they have forfeited much and received little on earth and are poorer than the poorest people on earth who have to endure suffering and troubled days. The more lovingly active you are on earth the more you will also be fraught with suffering your own and even more so your fellow human being's suffering, for a loving heart also feels his loved-ones pain Yet all suffering is love again your heavenly Father's tender love Who thereby wants to make you worthy of His presence and the heavenly paradise And if you are in a position of suffering then you should know that you are also loved by Me know, that you then should take only your Saviour ever more into your heart so that all your suffering will be changed into blessings

Amen

Even suffering is grace

'Father, Your will be done'

Abide by your inner voice which will always remind you to do what is right, and remember that the Father will in fact instruct His child correctly if only it wants to hear it. For there is a far greater possibility that an orderly accomplishment of the work will no longer be possible, but all means will nevertheless be at your disposal, and therefore you should not worry about obstacles which the Lord will be able to remove time and again if it is conducive to the work He wants to be done.

BD 0659

And now draw closer and receive our message: What can possibly happen to you humans if the Lord keeps His protective hand over you He will protect your body and soul from being harmed, He will guide you according to His will, and whatever is inflicted on you for the purpose of overcoming it only serves to benefit your soul. Therefore, don't worry, and submit yourselves to your heavenly Father's guidance with complete confidence. Everything on earth has its purpose; no human being knows the eternal Deity's plans and therefore cannot easily recognise how well and wisely everything has been arranged for people's benefit. His severity, which people often consider cruel, is always just a loving means in order to offer you something incomparably more magnificent one day. And since you do not voluntarily want to make yourselves worthy of it, it is the Lord's will to lead you by way of suffering and sorrow to the path which makes these glories accessible to you. One day you will realise it and wholeheartedly thank the Father for every reprimand in earthly life. People on earth constantly receive God's grace and even suffering is grace which is still incomprehensible to you humans. But if you completely entrust yourselves to the Lord you soon will feel the blessing of suffering on yourselves, you will realise how infinitely lovingly you are being guided by the Fatherly hand so that such suffering will have a favourable effect on you even in earthly life, however, the benefit on your soul's life will be incomparable. And therefore meet everything the Father sends to you with complete submission, consider that not one sparrow shall fall on the ground without your Father's will, and that everything he sends to you is only an expression of His will and mercy, the full extent of which you can only comprehend when you have become perfect. For at the moment you are still incapable of judging what is helpful to you or what is to your disadvantage, you must only ever devoutly sacrifice your will to your Father in heaven and in all suffering and sorrow pray to Him in your heart 'Father, Your will be done' Then you will also always be comforted

Amen

The eternal Trinity

Always be aware of the great blessing you receive and always remain willing to carry out the task given to you, and the Lord will bless you. The message you receive today is intended to briefly explain the eternal Trinity to you. This is a problem you humans find difficult and yet it is so very easy to understand, for only the Deity is everything in one Person. It unites wisdom, love and strength of will within Itself. Whenever a Trinity is spoken of, it is always just the quintessence of love as the Father, of wisdom as the Son and of will as the Holy Spirit. For the Father's love brought everything into existence God's wisdom subsequently put every creation into its rightful place and allocated their tasks and the spirit of will animates everything and assures its existence

Only in this way, that everything is united within the one eternally unchanging Deity because God is forever the quintessence of love, wisdom and might, can the most comprehensible solution to the problem be found, but people often came to the wrong conclusion and, as a result, gave the misguided explanation of three deities. The living relationship of the child with the Father makes it easy to find the right explanation that God is everything in One and that no separation whatsoever is possible that therefore everything also has to unite itself in God. People's limited intellectual capacity also tried to apply human limitations to the eternal Deity and imagined an entity which was intended to represent the Eternally-Divine, and this in line with their own opinions and concepts.

Any personification of God is a wrong concept for a Being Which unites everything within Itself and Which is incomprehensible in Its abundance of light and strength cannot find expression in one person. But to enable people to form a mental concept this eternal Deity embodied Itself in a human being, so that they are indeed able to conceive an outer appearance of what became comprehensible to humanity as the Son of God. Love and wisdom, will and omnipotence were also united within this Son of God, and again nothing was separated from each other.

Through Jesus' death on the cross the power of death was broken that is, it now became possible for people to conquer evil by using their will

Will became strength at the same time, and from this time on the willing person on earth also received God's strength to turn his will into action and thereby release himself. This strength of the Holy Spirit in turn is an emanation of the all-embracing Deity again, yet it is never a person in itself Intending to ascertain this kind of problem intellectually would only ever lead to ever greater misconception, for you humans have devised something that is far too human and comes nowhere near the truth if you try to imagine the Deity in triple form

Amen

Abuse of power

Anyone who is given authority on Earth shall administer his office wisely, for My will gave him the power which he should now use according to My will. People often place great value on exercising the latter with as much pomp as possible and forget in the process that the plenitude of power by no means rests in this and that they can be relieved of it at any time. Acting in opposition to My will is always a dissent against the One Who appointed them to this office of judge. And if whole circles unite to commit adverse deeds, the guilt of the ruling powers grows exponentially and every pressure exerted by them will result in enormous responsibility. Let Me tell you: The days of anyone who rules in the world to humanity's horror are counted, and whoever believes himself to have sole right of existence on Earth is very much mistaken. It is not you but I Who have placed people into this world so that every soul shall mature during the course of its life, and that which is your share you should also allow the other person; don't let countless people fall prey to great misery but prove yourselves with them. I Myself put right where it is needed, and My judging hand is just. You should never consider yourselves entitled to throw the whole world into turmoil you should by no means exert your authority with pressure but act as wise and charitable judges, so that one day your actions will be rewarded leniently and wisely, because judge not, so that you will not be judged.

Your actions on earth have such appalling effects in the beyond that you, if you knew the fate that awaits you, would be so horrified that you would

be incapable of living. Do not forget My love and mercy which gives itself to all beings on earth I alone have the power on Earth and in Heaven, I will know how to punish those who so exceed My laws that fear, misery and horror are the consequences of their orders. The Last Judgment will affect everyone, regardless of where they come from, and then it will show who walked his earthly path righteously and who refused to recognise and follow My will. For all power is given to Me in Heaven and on Earth The human race will be seized by terror and those who disregarded My will shall then be stricken, and I will severely punish those who so opposed Me and in heartlessness and injustice do as they please on earth. Try to reform people, then you will exercise the judicial office according to My meaning, and not that you impose inhumanly cruel punishments on them which will never be a blessing for you, neither in this nor in the other world. For your action is merely revenge and retribution but not a just exercise of your power. You incessantly only consider how you can increase your authority and don't shy away from using means which dishonour you, and thus you will never be able to find mercy before My eyes, for your activity is sinful and detestable. You certainly appear to benefit humanity's physical well-being, yet your soul will perish in profound darkness if the driving force of your conduct is not love and compassion, and thus the misery of people you oppress will fall back on you a thousand fold, for I indeed gave you the power but not the right to abuse it for acts of violence which are far beyond My will

Amen

Worthlessness and transience of earthly possessions

The greatest problem in this present time is the seizing of earthly possessions. It is truly growing in a frightening way and infinitely long times will pass by until the consequences of such projects are cancelled out again Intervening in public life is only possible to a limited extent, for countless followers of mammon might take advantage of this again by unlawfully trying to acquire what God's mercy wants to take away from the human being for the sake of his soul's salvation. For earthly goods must exist in order

BD 0671

to test the human being's strength and to divert their will and craving from it, for only the voluntary rejection of such enticing stimuli can cause the soul's separation from matter. If therefore the arm of God reached out to all owners, taking or destroying their possessions by force, then this spiritual level would never ever be reached through a deliberate voluntary rejection, and for that reason all temptations for the soul need to remain in the world, to enable the human being to rise above himself and to detach himself from the longing for whatever the world has to offer. If, therefore, people strive for money and goods in such frightful way that they only consider this but never their soul's salvation, then a time like this also poses a terrible danger for the human race, and only the Lord can counter this danger by making people aware of the transience of all earthly possessions through natural disasters, ailments or other events which reduce all possessions and more or less disintegrate them completely, without having been touched by any other hand, so that the incentive for sin will diminish and people can easily recognise the Originator of their supposed damage.

It certainly makes sense to think about it when the intervention of a higher Power is so very distinctly perceptible. That which the human being believes himself to own with absolute certainty and which he anxiously wants to protect from the world and his fellow human beings has to be shaken time and again. For this need for sole ownership is detestable before God Anyone who willingly shares his worldly goods with his neighbour if he owns only little anyone who uses his surplus to support the poor, his goods fulfil their true purpose and will be protected for the person, yes indeed, even be increased And a person need never fear to experience great hardship if he always makes an effort to alleviate the hardship of the poor For the measure you give will be the measure you receive Someone who always thinks of himself and his good living standard first has to be prepared, for the Lord will make His presence felt and take hold of him where he is most sensitive by losing his worldly goods and putting his supposedly good living standard into question, and only then will the soul have to prove itself by finding its way out of the physical hardship and doing everything on its part to live a pleasing life before the Lord and to strive for spiritual possessions. Money and possessions certainly signify power on earth but not in eternity Everything will be null and void there, the souls of those who regarded power and wealth as their God will

exist in a very lowly state, while those who were disinclined to worldly goods and recognised their worthlessness will be placed into an elevated position

Amen

Wolf in sheep's clothing

Forerunner of the Lord before His return

The adversary has an easy time when he moves about in disguise like a wolf in sheep's clothing fascinating the people with his looks and words. He will use every opportunity to cause damage to humanity. Anyone who falls victim to the claws of the wolf will be mercilessly torn to shreds after he has gained power over the soul.

Therefore let Me tell you: you will recognise him who walks across the earth with the fiery sword of his tongue No one will doubt his word as it will be divine and an emanation of God's deepest love. But do not search for him in splendour and magnificence; his name is humble unknown although he calls himself John his mortal body does not present the appearance that graces him spiritually. He walks amongst you and teaches by word and deed and will be a forerunner of the Lord before His return to earth. Thus his word will testify to the love of God wherever he is, and he will awaken in the hearts of humanity a deep longing for truth and light.

Do not believe the voices of the present time which intend to mislead you, which intend to dull your senses for the good and noble leave them be and only hold on to what the Lord sends to you from above; because the inclination of the adversary turns towards the world and not away from it towards the eternal Deity.

Whoever listens to John's words will hear the Lord's Words directly and his spirit will proclaim the true salvation. And whoever hears him is completely convinced by his words. He comes in the light of truth, nothing worldly will adhere to him. The country that shelters him, however, is blessed by his presence When he appears the hour of judgment is not far he will accept all suffering with patience and only hear the voice of the Lord. Remember these words when he is apprehended to seal his fate on earth

However, you humans will never be able to prevent God's advocate from carrying out what he has taken upon himself for the sake of humanity. You will never be powerful enough to fight against him without punishment Yet his eyes will rest upon you, who want to hurt him, with gentleness for his love and patience include all those whose hearts oppose him And he will win many for himself because the strength of his words and his love are great. And the world will suffer a loss The souls will be divided into those, who recognise him as their saviour from deepest distress and those, whose only share is the world. And their end will be the death of their body and soul

And thus you are given light to see the deeds of those who ask to descend, who shy away from all light from above and strive to extinguish it so that the adversary can seize the souls during darkness. Those of you who ask for light shall receive light, the Lord will not let you suffer in darkness and He will protect you from snatching wolves who sneak amongst His flock in disguise and strive to cause confusion. Read His Word and notice the first signs of the confusion And whoever has ears to hear shall listen: Not the world will bring you peace but only He, Whose kingdom is not of this world. And His peace will be an eternal peace and nothing in the world can destroy it and yet it will also extend across the world across those people who hear the Word of God from the mouth of a pure disciple of Jesus whose love wants to help people and who proclaims to them God's eternal love He will bring peace to all people of good will

Amen

Blessing of ill health and suffering

The state of suffering often obliges a person to take a closer look at his whole life on earth, and this is both beneficial for the soul as well as very often favourable for the body, since the human being, in recognition of his wrong thoughts and behaviour, will frequently endeavour to change his nature. This can also have a positive effect on his body in so far as that a decent way of life can considerably contribute towards maintaining a healthy body or curing a sick one.

The body often has to be afflicted by illness or infirmity, precisely in order to make the person realise that his conduct had completely contravened God's order For all reprimands and warnings sent to people by the Lord won't achieve what ill health can often bring about. The human being has no option but to turn away from the world and its pleasures and see earthly life in a completely different light He sees the body's frailty and helplessness, and his personal sense of weakness, his inability to escape this condition, will automatically direct his thoughts towards spiritual issues. He will then be far more inclined to deal with problems which are far from a healthy person's mind, and such thoughts can induce a change if he does not oppose them, and thus the spiritual beings can start with the work on such a person's soul by influencing him ever more into asking questions, which will then be answered by the spiritual beings in the form of bright ideas, and thus he is gradually guided into a spiritual sphere which he finds agreeable and which internalises him. To come to the same realisation within the commotion of the world would have taken him a very long time, which would have passed in vain for the soul this way, however, a short time can suffice and advance him considerably. And thus, suffering should not make a person unhappy, instead it should equally be regarded as a demonstration of the eternal Deity's love, which the human being will soon understand if he, through suffering, has taken the right path and subsequently can move on by actively working for the salvation of his soul

Amen

Prediction of a devastating event

It is very beneficial for all of you to read the words of the Bible, and you will realise that the Lord in His time has announced His coming. The forthcoming divine Judgment is not the Lord's will but solely the will of humanity, which endeavours towards an almost complete separation from faith which will result in descending further into spiritual darkness. Purely to put an end to these goings-on and to save what has not yet been entirely taken in by the night, the Lord will fulfil His Word For His spirit

foresaw the present as well as the approaching time, and in His kindness and gentleness the Lord has left no stone unturned in order to be able to prevent the divine Judgment. Everyone presently living on earth will be informed of it beforehand and able to avert the judgment from himself, insofar as that he will be protected from every danger by the Father's invisible hand, if only he trustingly turns to Him and thus acknowledges His power and love The many events preceding this in order to wake people up will also show you that the time is close at hand.

This time will not pass any person by without a trace, and there will be many signs which are intended to arouse people from their spiritual lethargy and draw their attention to the visible intervention of an eternal Deity. And the adversary will have his hand in everything and influence people everywhere to listen only to the thoughts and words of the world and to reject everything spiritual, for in their dominance and arrogance people are so convinced of their own strength and power that, by necessity, the evidence of their own weakness and inadequacy has to be demonstrated to them through misfortunes which human hands are unable to prevent. At first they will certainly accept such strokes of fate without experiencing any particular effect to their thinking Yet the events will happen increasingly more often and even make arrogant people inwardly tremble as they realise their vulnerability. And one such event is being prepared by the Lord

He will intervene in people's arbitrary activity of injustice and perceptibly express His will to them This time will numb all emotional souls, for the scale of the event will be too powerful as to be considered coincidental. And in case of the event repeating itself many people will wake up from their sleep and prefer the dawning day to the darkness of spirit and to preach the Word of God will be the rewarding task of God's servants on earth, for nothing in the world happens without consideration Nothing is hidden from the Creator's knowledge, and thus the Lord's visible intervention will not be without purpose and meaning for many people, but His intervention will be recognised as the helpful hand of the Heavenly Father which everyone should be willing to grasp. For the time is near of which it is written in Word and Scripture

Amen

Earth's state of peace depends on spiritual attitude

The peace which one day shall make the people on earth very happy is still far out of sight. Too many demons are still interfering in world events and find too much cover behind people's spiritual attitude; consequently, a turning point in earthly life will only become apparent when humanity's mentality turns more towards spiritual experience The promises of the Lord will therefore only apply on earth when the earthly children's faith in Him comes alive in their hearts. Everything of a spiritual nature does not, in a manner of speaking, walk with the world but next to the world Only one or the other can dominate a person entirely, and the world will lose to the same extent as faith wins. When the spirit tilts the balance in its favour then peace will bring joy to the world and all earthly hardship will come to an end. Yet humanity's yearning is still far removed from this. Worldly desire keeps a firm hold on them, sacrifices will always only be made for this, and almost all interests merely apply to temporal joys. The broad, passable path, which leads to the soul's downfall and into disaster, is preferred to the narrow path, which is indeed full of thorns but it will lead to the goal with certainty to eternal life in all splendour and glory. And as long as people's intentions and thoughts don't change, as long as their thinking does not become deeper and more internalised, world events cannot change either, because they shape them themselves through their will. For as long as their love purely concerns their bodily satisfaction, they will draw their strength for their endeavour from the materialistic spirit world, and this can only result in an increase of all secular cravings and never a decrease of the same. On the other hand, the strength for good will grow tremendously if people do not apply their love to themselves but to their fellow human beings and therefore to the all-retaining Creator again Any support which now flows to people is beneficial spiritual strength, which will always result in the desire for the spirit and an assured spiritualisation of human thinking. Hence people themselves will reshape world events and are therefore the bearers of the spirit of peace if they undermine their inclination towards the world and seek fulfilment in spiritual experience and perfection. Then a peaceful state will bring joy to the world there will neither be discord nor envy among the nations No-one will try to curtail the other's wealth but

always share with him, and a life of love among each other will help people to attain highest spiritual maturity. For the world is part of the dark power Anyone who desires it also hands himself over to this power, yet he who detests it will be seized by the blessed spiritual world and, continually receiving strength, can entrust himself to it. And so a state of peace will make those earthly children exceedingly happy who have utterly discarded their longing for the world and completely turned towards the spirit. Yet only the one who has recognised this can participate in the co-operation of bringing eternal peace to earth.

Amen

Fulfilment of the Scripture

Eruptions

Ocean and mainland

Those who see their Father in Me are well protected in My care. And so, My child, hear the Words of the Gospel Blessed are those who love Me and hear My Words for I Am the way, the truth and the life. And if you are being nourished by My Word, you will have gained all possessions of the eternal life. For this reason it is of utmost importance that you listen to everything I proclaim to you, for there are many who dare to drown out My Word.

However, in view of the spiritual situation it is necessary to teach My Word time and time again, because you have no idea how poor you are if I don't impart spiritual wealth upon you. You would have to go extremely hungry and the soul's adversity would be indescribable. But refreshed by My Word you are strong enough to resist all hostility. And so I want to inform you that the first signs of My will are beginning to appear and that people are accepting My Word in all places. No event is in the slightest coincidental; instead, it is entirely arranged by My will and My omnipotence And the core of Earth is incessantly active within itself and will produce eruptions of huge proportions, so that you will be in utmost danger of losing your life if you don't keep Me in mind The more humbly you humans accept what I unleash upon you, the more mercy I will show you I only want your

love, and if you offer it to Me, you will be saved for time and eternity. Thus wait a little while longer and pay attention to My Words that the Scripture will fulfil itself to the very last letter, for what the Lord proclaims is truly irrevocable Pay attention to the happenings in the oceans and how the mainland fares Take notice of the sun and all elements of nature Keep the Creator in mind, and become humble when you look at yourselves and how infinitely tiny you are in this work of Creation And then consider the Creator's greater than great love for His living creations and that He, in His love, uses all means which contribute towards regaining your souls. Once you have pondered this in your heart, look up to Him and appeal for His mercy and you shall be saved from all danger of body and soul. And this happens through My Word which points out the time of terror to you and at the same time assures you that I will always remember My Own. And so let go of all sorrow and faithfully hand yourselves over to the Father in Heaven, He alone holds your life in His hand, He will let you keep it if you ask Him for it

*Passing through each form is necessary
(Microcosm?)*

Your friends from the other side lovingly turn towards you to fulfil your desire, and thus receive:

The world as such has only one purpose, namely, to lead the many living beings, who are carriers of spiritual substances, towards higher development, which can only take place in an environment where all manner of conflicts occur, of which the world offers an adequate amount. Be it on earth or on the many other celestial bodies, living beings everywhere have to face unforeseeable difficulties and need all their strength to overcome them. However, such strength is present in every living being, since every living being receives strength to exist in the first place. Further development therefore always depends on how this strength within the living being is utilised. That means, the sooner any activity incumbent upon the living

being is carried out, the faster the spiritual intelligence is released from its surrounding form and the next stage of development can begin.

Now it is possible to ask, which form guarantees the fastest development for living beings And the answer to this question can only be that it is vital to pass through every form and that a limit can only be set where the unification of innumerable small particles of soul result in one whole, when all substances of soul are present to give life to the final embodiment the form of the human being. The most subtle movement in the human being, the gentlest emotion is only due to the finely tuned soul, which in turn is composed of even more subtle particles of soul. These are a most important requirement in the construction of the whole as they, in turn, guarantee the completed soul the most delicate emotions and perceptions for the smallest miracles of creation by divine love. If these tiniest of components did not exist the human being would not understand current and future miracles of creation he simply would not be able to see something that is not already alive within himself he must have everything that exists in creation as the smallest components within himself that is, every substance must be a part of his soul, only then can he also observe what is outside of himself.

This instruction in turn raises the question as to what kind of components the small living beings consist of, and this is easy to explain: they all carry substances of yet smaller living beings within themselves but accordingly can only instinctively feel what has already progressed further in evolution, yet at the same time they control what already exists in these living beings as substance. Knowledge of this important information in the doctrine of creation is of greatest advantage for the human being because from this he will learn to understand the complex composition of human nature On the basis of this fact he can judge that the human being is indeed the crest of divine creation, so to speak that he, i.e. his soul, is so delicately constructed within himself, that it is impossible for such a work of art to have been produced by a wise Creator merely for the duration of earthly life, because everything he sees in nature, be it in the region of mineral, plant or animal life, exists in atoms within himself. The human being incorporates the whole work of creation in miniature within himself.

Therefore, he also has to overcome within himself the opposition that approaches him from outside from the world which means that

countless external dangers motivate the human being into strongest resistance while likewise the spiritual atmosphere is stimulated by the continuous resistance and permanent struggle of the different substances of soul and only can become stronger and the soul open to higher truths of light in this way. Just as every living being, even the smallest, has to perform a specific task so has the human being, as the carrier of all these substances. And this task consists first and foremost of spiritualising all substances of soul that are still in harmful opposition to their real task, who would still prefer to perform the earthly task which is their nature due to their past earthly duty in an earlier form. For this reason the human being has to fight against many faults, mistakes and bad habits since the character of the substances bound in the soul repeatedly comes through and would like to seduce the flesh, the earthly cover, into compliance, which should be strongly resisted during earthly life. And only in this way can it be understood that the human being has an extraordinary responsibility during earthly life; that there must be a continuous struggle to triumph at the end of the day truly spiritualised as victor against all dangers and to have resisted all temptation. After all, how often indeed is the spirit willing but the flesh weak

Willingness to transcribe

Receiving the living Word

Authenticity

Infinite wisdoms are given by the Lord to those who are faithful to him. It often takes years before a child that is willing to transcribe offers its services to the Heavenly Father again and this also explains why such scripts remained incomplete for so long and that only the willing devotion of a new scribe made the imparting of new spiritual knowledge possible. The will was good, and thus ensued a work which was pleasing to the Lord, for it expresses His spirit and His love just as clearly, even though the wording has different characteristics. Anyone who understands the right meaning also recognises the Lord and attaches no importance to the style

BD 0718

of writing as such, yet it is also advisable to exercise the same care in the assessment of spiritual issues It always has to be remembered that many a person indeed believes himself to be called and yet does not possess the necessary qualifications for such an important task to only devotedly and truthfully want to fulfil the Lord's will. Anyone who makes every effort to strive only for that will also be welcomed by the Lord as a servant. Receiving the living Word is a responsibility in itself for the servant too. He must constantly check himself as to whether his will is totally subject to divine will he must accept the spiritual knowledge without resistance, make no personal judgment whatsoever while he is receiving it, and keep everything away from his heart which might weaken the spiritual power he must keep his heart pure and make himself worthy of a personal relationship with the Lord only then will he directly receive the Lord's love in the form of His Word, and only then will he be able to be completely convinced of the truth of what he had received and transcribed.

The sentence structure of whatever the Lord gave to humanity was, at all times, so worded that it combined profound meaning with intelligibility so that everyone looking for truth and being lovingly active could recognise it Anyone who has different motives for wanting to investigate the authenticity of God's Word and His revelations will hardly be able to find clarification as to what extent the scripts are of divine origin. For whoever endeavours to live in His spirit, whoever truly wants to be of service to Him and humanity will never again need to fear the spirit of lies, for his aim and striving solely applies to the Lord, and therefore the Lord will also protect their work and will not allow it to become detrimental to humankind. Hence, anyone who strives to remain subject to the Lord's will has also the best guarantee of remaining in truth, and therefore only the spirit which rests within the Word will be crucial and not the wording by itself Anyone who therefore lives in love for the Lord will also recognise the Lord if He reveals Himself through a human mouth or in writing. Only ever pay attention to what your heart reveals to you whether the received Word kindles or enlivens your heart or whether it leaves you dull and indifferent and makes no impression on you. Your heart will always tell you what is lie and what is truth if you look for and desire truth. And don't worry that the Father will let you fall prey to error, He is, after

all, Truth Himself and always wants to give to people and therefore would not allow the God-loving earnest seeker to go astray

Serious admonition

(Discord and unkindness)

Where discord dwells inside a heart I Am unable to enter, for the master of the house is not prepared for My arrival. And thus I advise you to purify your heart first and banish all feelings of unkindness from it, for this contains the seed of evil. You must make a serious effort to comply with My admonitions if you want to be granted the grace to receive Me and My Word. You will receive so many countless hints which you should heed and live up to and your heart will ever more easily surmount that which, at the moment, still seems insurmountable to you. The feeling of longing for Me is always a sign of My loving activity in you If it is to be satisfied too then you must banish everything from your heart which has nothing to do with love You must only nourish the sacred and pure feeling of love within you and abhor every impure feeling, for it will merely increase your distance from Me

Everyone lives his own life and is absorbed in his own point of view, and thus everyone's nature has to be considered and taken into account, consequently everyone has to endure his fellow man with tireless patience and try to adapt to his nature; and if he cannot succeed in doing so he must appeal to Me for My grace and help and he will receive the strength to rise above himself, he will emerge victoriously from all minor tribulations of life providing the love within him always keeps the upper hand. For I especially put you into this sphere of activity so that you would mature and control the weaknesses and faults residing in you. How much must you practice becoming patient if you want to become worthy of My patience And how much love you must give to your fellow men if you always want My love to be present with you And therefore you should always be lovingly united amongst yourselves, one should take loving care of the other, and don't erect barriers between each other, for all these little temptations are

merely the means to an end How can you become perfect if you don't learn to overcome yourselves Remain in love if you want to remain in Me; know yourselves, then you will also know Me and make yourselves worthy of My blessing

Amen

Only love recognises the Deity

Seekers of God

Only in love will you be able to recognise the Deity, and a tremendous urge for truth will arise in you if you are lovingly active. God will reveal Himself as Love Itself to people. Consequently, anyone who lives in the light of truth must be embraced by love and fit in with everything that is wanted by God's love. Hence someone who fulfils the Lord's will and strives for ever increasing perfection will, in a manner of speaking, base his every action on God's love and thereby, having emerged from God, unite himself again with the elementary Power of everything in existence, with divine love All subsequent activity must therefore reinforce his inner strength of love. Henceforth the human being will inevitably draw all spiritual strength to himself which, in turn, will increase his will to love and stimulate him to put it into action. For all strength of heaven and earth originating from the love for God as the Love Itself will unite.

Therefore, all God-seeking beings on earth will first internalise themselves such that they, through their acceptance of God's Word, which is the outpouring of divine love, become capable of knowing God. And from this realisation, love will emerge and continue to grow, and since God is Love Itself, the search of an earthly being will truly not remain unsuccessful, since the longing for God alone is already love, the human being is just not conscious of it, because the Lord in His love takes hold of every being looking for Him. If you want to understand this you should look around in nature where a perpetual coming into being testifies to the tireless creative will to God's constantly vibrant activity of love Everything that comes into being shall live in order to reach God and even if its path is an infinitely long and arduous one, the being will nevertheless have the

final opportunity of living in the flesh as a human being, and this shall result in his perfection providing his free will does not oppose divine will. Thus, God's love will understandably take hold of the human being where just the slightest will to advance becomes apparent, and the yearning of anyone wishing to recognise God in his heart will truly not remain in vain. And all spiritual forces will come together in order to intensify the hitherto isolated strength through the influx of spiritual strength from the beyond, and thus a truly God-seeking person will never be prompted by the feeling of his own weakness to abandon his plan, but his obvious constantly renewed willpower will let him pursue the path of realisation and finally lead him to the goal

Grasping and discarding thoughts according to God's will

Fear of death

All thoughts flowing to you are grasped by your will. The true, God-devoted will always eliminates that which is not intended to be written down. Therefore, you will only receive such proclamations which utterly comply with God's will, yet partly only intended for you and partly given as a pure doctrine to humanity. The more diligently and devotedly you carry out your work, which is intended to be a blessing for the human race, the more worthy will you become of the grace to receive God's Word. For every happening has a wise meaning with God He is incessantly at work to open those earthly children's eyes who are still blind, for the Lord's love for His living creations is infinite. Anyone who entrusts himself to this love is constantly protected by Him and carefully looked after. Life offers the earthly children most diverse changes, but they only contribute towards not forgetting their Creator. They would like to spend their days on earth without worry and not needing to fear an end for their body And thus they only ever strive for material goods and gladly push any thoughts of death far into the background. Even so, the former is detrimental for the soul; death, however, becomes a thought of fear or unease as they grow older

BD 0722

And this is not in line with divine order. Anyone who bears his soul in mind on earth will not be frightened by death, for he will only look at it as a liberation of his soul and an entry into everlasting peace. The Creator is simply and solely concerned with making the earthly child understand that the earthly activity is only the smallest part of preserving the divine creation and that the work of improving the soul is a person's most important task on earth. Everything which helps to maintain the body and a good living standard will sooner or later fall prey to transience, yet what a person does for the salvation of his soul is everlasting, just as the soul itself is everlasting. The soul can never cease to exist; however, it is of paramount significance in which condition, that is, in which state of light, it will enter the beyond, because the respective state of light is the decisive factor as to whether the soul will suffer or enjoy heavenly bliss. It is incredibly painful for the soul to desire the light and having to do without it due to its own fault. And then again, it will make the soul extremely happy if it is allowed to enter the regions of light and thereby take part in the heavenly Father's nearness

Amen

'I Am the beginning of all things'

I Am the beginning of all things Take this to heart when you are moved by the slightest doubt about the creation of everything you see around and above yourselves. If My power is thus sufficient to call every life form into being, what kind of strength would then be necessary to oppose this creative will? An equally destructive will perhaps? In that case a second Deity would have to be at work next to Me, whose expression of strength would run contrary to My own activity. Anyone who imagines the Deity as an imperfect Being can truly place many such gods next to this One, yet he will not have the right kind of concept about the one true Deity, Which has created everything and controls all. Anyone who wants to recognise Me must believe and subordinate himself as a creation to the Creator And he will become enlightened, and in this light he will see Me as the Ruler of the universe He will realise that no opposing force is able to counteract Me by working destructively where I Am creating.

Only the physical transformation of the earth's surface has been left to the human being's free will, so that people's creative urge, which I likewise have placed into their hearts, can occupy itself. Thus they can more or less act at their own discretion but they nevertheless will always have to recognise their own inadequacy and always be dependent on the omnipotence of the Creator and the activity of natural forces and cannot oppose them arbitrarily. Thus nothing is more understandable than wanting to ascertain the almighty Creator and yet nothing is more impossible Human intellect is not sufficient by far to fathom Me in My full elementary power and it will be even less possible to categorise Me, that is, to put My Being and Becoming into any kind of form which seems acceptable to the human mind. This is a hopeless undertaking which could never produce a satisfactory result, for I was, I Am and I forever will be an inscrutable Spirit Who harbours within Himself everything that can be found in the entire universe to Whom creation is subordinate because it originated from Him and Who is the beginning and the end of all things the Spirit of Love from eternity to eternity

*Three years test of faith
Christianity*

Every task involves a certain commitment and the earthly child should always vigorously strive to meet this and not allow mediocrity to creep in since a work such as this demands great dedication and is too vast to be likened to daily routine work. And thus you are advised to give all your will and devotion to this work that it should not suffer any loss on account of trivialities. And now begin:

It will take three complete years for Christianity as a whole to pass its test of faith, to either become strong within itself or to completely abandon its faith in Jesus Christ as Saviour of the world And during these three years a clear separation will be distinctly noticeable because the world and its followers endeavour to achieve a total separation from faith, whilst the others unite ever more firmly and devote themselves ever more deeply to

their Saviour and Redeemer. The latter flock will be much smaller indeed and for this reason great hardship must still afflict the world to save what is not yet completely bound by Satan. The large community of those who deny the Lord are approaching a dreadful time. The Lord is without mercy when His Words and advice are no longer heeded and are ridiculed and laughed at. It is of vital importance to realise that time after time the Lord seeks to approach the human being with love and kindness and that He meets ever more hardened hearts that His intention always concerns the return of His fallen children and is not understood, thus leaving only one way to soften their hearts, and all clemency and mercy would be in vain, as these are ignored. Human beings can only return to their Creator by way of much grief and distress, even then it has to come from the heart because the Lord takes no notice of empty prayers, and after that there will be another separation which can yet deceive the ignorant in the final hour. A heartfelt sigh towards the Father of infinity suffices to deliver a child from gravest peril But those who are not praying in spirit and in truth will call in vain as their call cannot be heard; and thus there will not be many who acknowledge their relationship with the Father in the last hour, but for the few it will truly be a blessing

Amen

Veneration of the virgin Mary

The birth of Christ

Jesus'life on earth required a normal birth. The Deity wanted to incarnate Himself in the body of a human being on earth, consequently this body had to have a natural origin it had to come forth from a woman's womb. However, in Jesus'time everything extraordinary was quickly explained as being in cohorts with the devil A natural explanation was certainly searched for yet if it couldn't be found by simple means this very conclusion sufficed and thus gave countless people the reputation of being God-deserters. Judging by human standards Jesus'birth was likewise an act which lacked all preconditions and, for this reason, the same explanation was intended to be applied to a virgin which everyone knew to be exceptionally devout.

The extraordinary occurrences at the birth certainly struck many as strange, yet most attached little importance to them. And so only a small circle received the news about an extremely unusual kind of birth about the awakening of a life which lacked all natural prerequisites and was therefore an event caused by God's will and omnipotence. This was subsequently exploited in a way that people used the figure of the mother Mary to create a being which receives their veneration, devotion and love to such an extent that it detracts the human being from his most important task on earth to establish contact with the Lord and Saviour Himself This applies to the exceptional demands for intercession as well as the illogical devotion which lacks all justification, for the mother of Jesus was chosen as a result of her piety but by no means aware of the immense grace which was bestowed upon her she was God's chosen servant and therefore only God alone deserves the honour, for all beings are His work

Fatherly Words

My name

All willing children carry Me in their hearts and search for My spirit because their souls had recognised Me. And you, My child, will hear My voice whenever you sacrifice your time to Me, and My work will not be without success for you. The hours during which you fear that you lack the necessary strength to do My work will diminish. Very soon you are given a mission which you can easily carry out with My help. Your faith, love and will become great because I Myself will be your reward and eagerly you will strive for this.

My child, everything that shall be revealed to humanity through you is hidden in your name:

Buße B- They shall atone

Erkennen E- acknowledge their origin

Rastlos R- work on their soul ceaselessly

Tätig T- be active with love.

Understand that those who seek the world cannot find Me but those who look for Me I will meet and reveal Myself to Whoever surrenders to Me shall possess Me, and whoever prays for My grace is in My grace, because to truly understand My Word is My love's gift of grace So prepare yourself to receive My gift as a sign of My love. Take care of your soul, My child, acknowledge My love and make an effort to feel the purest love for Me in your heart because all impurity has to be removed from the heart in which I shall live, since I only find pleasure in pure love, in love which does not demand and only gives itself which is willing to do everything in order to serve Pure love is as precious as a jewel, it brightens its environment with its light, it brings happiness and just wants to give at all times When this love has taken possession of your heart you will accept Me in yourself and keep My image in your heart, and this will be a supreme blessing for you even while you are still living on earth. Whatever is destined for you while My love takes care of you has yet to be hidden from you because you achieve the degree of maturity only by constantly striving for My love. It is to your advantage to call upon Me and My presence from the bottom of your heart when you commit yourself to your Saviour in earnest prayer I will appear unexpectedly and move into the abode that your love prepares for Me and bring blissful happiness to those who believe in Me and love Me I will not let My children, who give themselves to Me, live in want and will reveal Myself to them at the right time

Last Supper

The motto of your life should be 'To serve the Lord in all things will be my constant endeavour' and His blessing will be with you wherever you go. Now hear what is intended for you from the Father: The most holy sacrament of the altar was given by God, but its meaning will have to be understood wisely. You are now surrounded by a protective shield of spiritual friends who will keep everything that is wrong and misguided at bay, so that people may receive clarification through you about a question which has become a frequent matter of dispute. Over a period of time people's correct thinking had been infiltrated by an entirely wrong point of view which caused further conflicts and divided opinions. Without first having asked for consent from the divine Lord and Saviour a directive was issued which contradicts the divine teaching.

The living portrayal of the Holy Communion is always the acceptance of God's Word in one's heart Whoso eats My flesh i.e. who receives My Word with a hungry heart and drinks My blood i.e. who receives the truth with My Word and lives by My Word entirely truthfully he receives Me. And My Words 'This is My flesh this is My blood' should be understood in this sense: Just as the human being needs bread for the well-being of his body, so the pure Word of God is needed for the preservation of eternal life And just as wine will give strength to the weak, so shall the truth from God strengthen the soul, providing it accepts it. And when it is said that the bread and wine are transformed into My flesh and blood then the correct understanding of this should be that My Word will bring Me Myself close to the person at the same time, if it is complied with i.e. if it is eaten and drunk, and that, therefore, the human being accepts Me Myself with My Word, because My Word teaches love, and I Myself Am love

He who loves Me will sincerely accept Me in his heart and thus will be filled at My table by My bread and My wine by the Word of truth and life. The meaning was in fact understood correctly. However, it was decided to ceremonially intensify the impression of My Words but then greater significance was given to the ceremony, so anyone not complying with it was declared to have lost all blessing. And thus the formality

was observed first, but the deeper meaning became lost, Communion increasingly became a formality, divine truth could no longer enter into people's hearts. In contrast, the ceremony has been preserved to this day, and the human being believes to have fulfilled his obligation sufficiently by approaching the Lord's altar with faith

But how can I take abode in a human being who has not changed himself to love first, who will not comply with My Word and keep My commandments? Anyone who wants to receive Me physically and spiritually and carry Me in his heart has to eat My bread and drink My wine he has to desire the bread of life as nourishment, which comes from heaven, and he has to drink the wine, the living truth, which flows to him who is thirsty. Only then will he eat My flesh and drink My blood and he will live eternally, because then he is in Me and I Am in him

Only in this and no other way should the Communion be understood which I inaugurated with the said Words, but which you humans have interpreted at your own discretion without recognising the deeper meaning of My Words. The more eagerly you try to observe only the ceremony and the more often you merely externally receive My bread and My wine, the less I will be present Myself, and thus you will not receive Me Myself but you will only be close to Me in your imagination. Because I Am only present where profound love for Me expresses itself by fulfilling My commandments and living in accordance with My Word For he eats My flesh and drinks My blood who complies with My will and serves Me who bears witness to Me before the word, he will truly be My disciple with whom I will take communion and whom I will fill, to whom I will give his share he will be nourished by Me and receive the bread from heaven in all eternity

Amen

Love

Hate

Behold, My child, I come to meet with open arms those of you who want to accept My gifts. Your heart's yearning will convey My love to you, My love for you demonstrates itself in your desire for Me, and this will also be your state in the beyond, you will constantly long for Me, and My love will grant you fulfilment without end. Behold, I placed love into your heart so that one day you should delight in beatitude when your love will be fulfilled. But I also placed the opposite impulse into you because you can only attain a state of beatitude by overcoming this impulse, and thus your endeavour on earth should especially apply to the fight against hate, the feeling of intense animosity, for hate poisons your soul in a very destructive manner hate destroys everything that is created by love

A person with a feeling of hate in his heart will never ever be able to achieve perfection, for hate is part of evil after all Hate is so disastrous and so unspeakably depressing for the soul it is the worst evil it is the enemy of every good attitude it is a vice which quells everything good and noble it is the origin of sin A heart having succumbed to hatred is incapable of any noble feeling Where hatred rules no virtue can be exercised. Humility, gentleness, forgiveness and mercy these are completely alien concepts to a heart controlled by hate; for the person has no knowledge of love at all, and this is necessary, after all, if he wants to live in a virtuous, good and God-pleasing way.

The appalling effects of hate can be recognised by the person in the beyond how it has distorted the soul of someone who was under the influence of hate in his earthly life. If only people would consider that the opposing power gains complete control over a hating earthly child so that it will find it ever more difficult to withdraw from this power and its influence, that it will also find it ever more difficult to find its way back to love again, and that such a person cannot be rescued by any other side unless he genuinely strives to liberate himself from the power of evil. As long as he does not withdraw from this influence with the firm intention to apply love it will be extremely difficult to become free. It is certainly understandable that the human being is often virtually pushed into a feeling of hate when he looks

at and reviews other people's heartlessness and observes their injustice and apparently successful conduct, but he always has to remember that there is a God in heaven Who will repay every iniquity in due course He also has to counter this with the fact that Jesus Christ even lovingly forgave those who were to blame for His death, and that a feeling of revenge at no time got the upper hand in Him, but full of love, He only ever responded to the earthly children's conduct with understanding and compassion. Love should, after all, defeat hate, and therefore the children on earth likewise have to make an effort to stifle the feeling of hate when it begins to arise in the human being and only ever repay it with love even if the temptation to feel most bitter hatred against the oppressors of people is too strong. Most people err since they deem themselves extremely superior and believe that they have to express their power over their subordinates in a very blatant way, yet the individual should not respond with hate, instead he should resolve to educate the other person with love.

He should first consider his own soul which should be protected from the danger of hate, its struggle is at times so dreadfully difficult, yet overcoming this most detrimental attribute for the soul will lead to perfection, for then love will have triumphed over the opponent Hate will have been rendered harmless and destroyed by the strength of love, and the soul will be grateful for such effort since it will have been released from bitter anguish

Amen

Correct thinking

God's guidance

Stars

Someone who always practises love will soon reach that degree of perfection which enables him to always recognise what is right and to remain entirely within My will. Behold, my child, your every thought seeks what is right and effectively always remains in contact with the benevolent spiritual world, for this takes hold of everything that desires Me. For this reason, straying onto wrong paths and misunderstanding Me need not be feared.

The best guarantee is always the heart's longing for Me, I protect every child which directs its thoughts in willing love towards Me. I sharpen your mind, I guide your soul, I let the voice of your heart speak to you and if you pay heed to it you will do what is right at all times. And thus you merge your mental knowledge with the spirit of truth, for you recognise all proclamations by the fact that they will touch your heart benevolently. You cannot receive anything wrong once the will is exclusively focussed on the pure truth. I take you by your hand, and you can confidently entrust yourself to My guidance, I recognise your will and a heart which longs for Me will soon distinguish Me clearly And it is My spirit which seeks contact with Me, it is part of Me and therefore the spirit of truth. Let the infinite number of tiny stars in the sky testify to My power and glory And then ask yourself whether the Creator of such magnificence, Who maintains the orbit of all celestial bodies, would be not be able to guide a human child according to His will? And thus leave yourself confidently to My guidance and then watch which paths I let the children who love Me travel

Jakob Böhme lecture Answer?

Let your spirit arise and listen to the Words from above: It is incredibly foolish not to utilise the blessings of the Lord's gifts and thus to seek in vain and to fumble about in the dark during this time on earth. After all, it is so extremely important to establish really heartfelt contact with the Lord and Saviour, but this cannot happen if people do not become tangibly and perceptively aware of the Lord's proximity. It is now intended to make people understand that they should not seek the Lord in the distance, that they should not look for him so far away from their heart; instead, He will move increasingly closer to them the more tirelessly and sincerely they strive towards moving closer to Him. Every time has its symptoms so at the present time it is noteworthy that countless opportunities present themselves to people through which light can be brought to the darkened minds, and yet people's train of thoughts is an entirely internal one

BD 0773

that is, they certainly desire what is right but don't seize it when it is offered to them, because it seems too easy to them and the human being is unable to believe that the Lord turns to His children at all times and with the same love. He who has ears to hear, let him hear But don't desperately close yourselves in order to perceive sounds in the distance when a delightful sound arises close to you, when the cornucopia of divine love would like to shower you with an abundance of grace Grasp with your heart what you have already intellectually ascertained and do not worry that you might distance yourselves from the true knowledge. That which has so far remained hidden from you, which you do not experience first-hand as yet, will gain you life you will only be guided into the real truth if you surrender your opposition. For the Lord's gift shall universally be understood and accepted so that you all will be enlightened and your activity will also be richly blessed. And the more sincerely you unite with the Lord the more alive you become only then will the spirit begin to flourish and look for new nourishment, and this will be offered to you in abundance, for it is the Lord's will that His children shall long for Him in order to be able to lovingly take care of them. The Lord will advise you to immerse yourselves in His light and His grace you shall be allowed to draw from the eternal font you shall partake of the divine grace and in the midst of the world stand on the mount of realisation and feel comfortable in the divine Fatherly generosity. Whatever you desire, you will possess in abundance, spiritual realisation and inner experience nevertheless, that which today still slumbers in you lifelessly, must come alive The divine spirit wants to be liberated, yet you keep it gagged as long as you merely study rather than giving yourselves gladly and full of love to the Father in heaven as His Own. Listen to His voice which coaxes you and lovingly makes you understand how you can become His Own, and your struggle on earth will not be in vain

Amen

Canonisation

Being so securely protected you will truly not run the risk to offend against divine will, because countless spiritual beings are making an effort to safeguard the success of this work and your spiritual well-being and thus also guarantee their protection, so that you may receive what is spiritually offered to you, unimpeded and without hesitation. Many a question shall still be answered for humanity through you, many a problem shall be resolved and many a doubt removed, and thus your devotion and diligent work will constantly be required. The more willingly and joyfully you do this work, the easier it will be for the helpers in the beyond to make themselves understood, and thus a message is intended for you today which concerns a very controversial subject:

Canonisation is arousing the indignation of many a person, since it is, from their point of view, an interference with divine law and divine judgment. But those who felt entitled and destined to establish a community of Saints have in fact assumed to possess a competence of judgment which undoubtedly far surpasses human abilities. Because they will never be knowledgeable enough to conduct such canonisation in complete lawfulness. What do people know of another person's inner life? Only God can look into a person's heart, only He alone is able to measure the earthly child's degree of love Only He can dispense in accordance with merit and knows to judge the innermost nature, the maturity of soul

Hence people established an unlawful spiritual community which as such became the centre of admiration and prayers, which truly cannot have been intended by the Heavenly Father, because it is more likely to result in the earthly child's separation from the Father than in a heartfelt relationship with Him. The human being no longer approaches the Heavenly Father Himself in prayer but attempts to reach his goal through intercession, and this will always hamper the right relationship with the Father. The spiritual beings who take care of you are certainly always chosen by God for this office, they also stand by you with all their spiritual strength, they guard and protect you and are constantly concerned for your spiritual advancement; however, it depends on God's will as to who is chosen for your protection, because you humans would not have the right knowledge to decide whom

to turn to in order to mature spiritually and to obtain the greatest benefit for the salvation of your soul. When people on earth presume to anticipate the eternal Deity's judgment, when they feel entitled to canonise or to condemn, it is similar to an anticipation of divine Judgment it is a supposedly irrefutable testimony of an honourable way of life which is pleasing to God, the evidence of which, however, can never be produced by a person

As long as he lives on earth the human being will err, and therefore his judgment will not be irrefutable either. Anyone who outwardly portrays himself to live in a God-pleasing way is very often still far removed from it within himself, and equally, a person passing by unnoticed in earthly life will very often be enlightened, with a pure inner life and a heart that became love on earth. And so people should not wrongly assume a right to which they are not entitled, because this canonisation is not beneficial for humanity, rather it is misleading those who are seeking the truth

Amen

Divine guidance and direction

Spiritualism

Truth

Anyone who consciously turns to the Lord is in direct contact with the spiritual forces and will not need to fear interference by unauthorised powers. If you remain true in your heart to the divine Saviour, you will soon spiritually rise above your surroundings and be able to accept spiritual knowledge without interruption. And so you are requested to carefully listen to the voice of your heart, which wants to proclaim what the Father intends to give you. Every event happens with permission from above, yet you do not always understand it. Nevertheless, people are offered so many opportunities to embark on the only path that leads to the goal. Where the right kind of trust accompanies all events, their purpose will soon become obvious to them Behold, the path is not as clear to everyone that they would enter it without reservations, it must be pointed out to them, and this can only happen through wise guidance and direction of all

steps which, in turn, in the eyes of a person, happen again by coincidence. However, if all of you remain in contact with the Lord, He Himself will show you how important and beneficial it is to utterly entrust yourselves to His guidance ... how you only ever fulfil the Creator's wise plan if you don't resist His instructions. One link of the chain glides into another, and you are merely the Creator's visible implementers, He constantly works through you on earth He attempts to awaken the human hearts and introduce them to His actions of love. Consequently, you will take no step without consideration, and only someone who entirely avoids God withdraws himself from the divine Father's loving guidance. Yet all of you who strive to fulfil His will are used by the Lord in order to save other souls again and lead them towards the eternal light. Therefore take note that you should always entrust yourselves to the divine guidance without resistance ... that you should let yourselves be impelled by the voice of your heart Pay attention to every stirring which wants to direct you, always accept the urging of your heart as a spiritual admonition and comply with this urge, then you will at all times be willing helpers for the Lord's tireless act of love for His children And now try to accept spiritual knowledge without resistance, for a clarification needs to be given for a teaching interspersed with errors, which can never have originated from the eternal Deity.

People have often attempted to enter the spiritual bridge by spiritualistic means, and this has always evoked objections by all believers and those who want to believe without, however, having complete knowledge of an area which hitherto was concealed from them. Present day spiritual adversity considerably contributes towards the fact that people nevertheless digress into this area in the hope of finding some kind of help from there. Whatever the human being undertakes in order to find the **truth**, purely with the desire for this very truth, can never be sinful before God. This has to be said for clarification to those people, who only want to look upon all spiritualistic experiments as misconduct and transgression against the divine will. People on earth are often driven by the inner urge to ascertain the truth, and the doctrines of the church do not offer them enough certainty or, they love and hunger for the truth far too much as to unhesitatingly accept something they do not consider sufficiently reliable. They want to take the direct path, in a manner of speaking, they want to draw from the source ... they also **want** to believe if the truth seems

acceptable to them and this thirst for knowledge is not always only the desire for something extraordinary It is not in connection with a worldly purpose but merely intended for clarification, and therefore the activity of such people thirsting for truth will never be wrong before God, i.e., it will never be a sin. Whereas each similar attempt relating to worldly desires which also includes contact with the dear departed, since this likewise contributes towards a person's everyday happiness or which intends to satisfy a sensational hunger, can never find God's approval because then please take note a purely spiritual exchange, which intends to guide the earthly child into truth, cannot take place and because the connection from the beyond to earth is only permitted to reveal the pure truth to the earthly child if it proves itself worthy of the privilege. That the latter is the first prerequisite for spiritual contact from the beyond to earth is already obvious by the fact that not each and everyone can establish contact with the world of the beyond, and so, on account of the extraordinary danger this poses to both the earthly child as well as the still immature spiritual being, such connections must very seriously be warned against

Hence the partly correct point of view, that spiritualism very often opens the door to lower forces. Therefore, all such connections must be refrained from if the necessary spiritual maturity for it is non-existent and the will to first and foremost serve God and attain the truth is not exclusively the reason for such a beginning. But how wrong people's point of view is to reject all contact with the world of the beyond can be seen from the fact that all spiritual beings have the power to express themselves, but that all these expressions, whether good or evil, will only be perceived if the human being wants to perceive that in each and every case the human being's consent is a prerequisite in a manner of speaking, a certain willingness for reception then every being will also be able to clearly express itself. Admittedly, this does not happen in a way that a person receives tangible or visible information from the spiritual being, instead, it will always take effect in the form of thoughts and so are the proclamations by beings in the beyond within spiritual circles more or less thought transmissions from these spiritual beings to people's minds. The person, as it were, willingly accepts what is conveyed to him as his mental knowledge, and can shape these proclamations according to his state of maturity With profound desire for truth he will only be informed of absolute truth, because through

his desire he will only attract the spirits of truth or, as it were, call upon them for their tuition. And thus no offence should ever be taken concerning the reason for this work People must not claim the right to criticise what God the Lord in His wisdom has permitted, because a human being with profound love for truth appealed to the Father in Heaven for enlightenment which, in turn, could only exhaustively be given to him in this way

Amen
