'Blessed are the merciful ...'

Blessed are the merciful, who support their neighbour in adversity and hardship and help him overcome it My grace visibly rests upon them for they fulfil My commandments, they love Me Myself because they meet their neighbour, My living creation, with love Someone helpless and forsaken will feel grateful for the love offered to him; it will awaken reciprocated love, the significance of which cannot be assessed by you on earth the fact that every spark of love signifies a release from the opposing power, a change which starts the return to Me, which can only take place in love. Loving help will always be comforting for a person in any earthly and spiritual adversity. Love gives strength, after all, it originates from Me, the eternal love, and can only have a life-giving effect. Helping someone brings forth positive thoughts and feelings, it touches the other person's soul and encourages similar actions, and every activity of love distances a person from My adversary, hence it shortens his distance from Me. Carrying out merciful deeds are essential in times of trouble, when body and soul are ailing, when physical ailments must be the results of psychological adversity, so that people will come to their senses and find the path to Me. And you show this path to them if you practise mercy, if, in unselfish neighbourly love, you lift up your fellow human being in body and soul with kind deeds, comforting words of encouragement and loving care. Then body and soul will be able to recover, for the latter feels the strength of love and becomes strong and willing to strive towards Me Love will awaken love in return and where the spark of love has been kindled I Myself can work, because I can be wherever love exists. And where I Am the adversity will ease according to the degree of love the person feels. Therefore, try eagerly to arouse reciprocated love and you will redeem the souls through your works of mercy Redeeming souls, however, will lead to a blissful fate in the beyond for you, where only love will be valued and the souls will forever be thankful to you that you showed them the right way

Amen

Contact with God

Influx of strength

Take advantage of every opportunity to make contact with Me through prayer and loving activity and you will never lack in strength Whatever life situation you find yourselves in, you will always and forever need My influx of strength and you become receptive to it through heartfelt prayer. And if you do loving deeds My strength will likewise flow to you, for then you will draw Me Myself to you, since I Am Love Itself. And thus you need not fear anything, neither weakness nor loneliness, as long as you are lovingly active and pray as long as your prayer rises up to Me from your heart, for then I will hear you and grant your wishes, as I have promised. Believe and trust when you pray, then the fulfilment of your prayer will be certain My will directs your destiny according to your faith, and My will is at all times able to banish hardship and suffering. But My love always considers My Own in an obvious way, so that they will recognise their Father when He expresses Himself. And I number all those as My Own who approach Me in prayer, who use every quiet hour to communicate with Me, who often send their thoughts to Me, who look for Me of their own accord and whose hearts love and yearn for My presence I will always give My assistance to them, so that their faith becomes strong, so that they ever more tangibly become aware of My strength and they recognise Me in every happening on their path of life. To remain in constant contact with Me ensures them My protection and My help at all times. For their connection with Me also relieves them from the spiritual hardship, because it enables My spirit to work in them. And My spirit guides them correctly, My spirit shows them every path, every Word and every action, and thus every person who is in constant contact with Me can travel his course of life without worry, for I will take him by his hand and guide him And his path will be blessed

Amen

Work of love for misguided souls

Have mercy on misguided souls, consider them to suffer an illness which needs help and do not let them starve in their spiritual distress. The difficulties of the body come to an end but the soul takes its problems into eternity, into the beyond. And this can be avoided if it finds the truth on earth, which you should bring to erring souls. Whenever you have the opportunity to help them, speak to them of God's love which longs for them, remind them of their lack of maturity which stops them from getting closer to God and show them the way to get better, the only way to the goal the way of love Make them aware that they cannot mature nor reach their goal without kindness and that they were only given their earthly life for the purpose of improving their souls. Guide their thoughts to spiritual matters, encourage them to think about the purpose of earthly life, explain to them the meaning and purpose of creation, the objective of suffering and earthly hardship, and try to persuade them to put an end to their spiritual poverty. This work of love, to have mercy on erring souls and to endeavour to help them, is of tremendous importance. Do not be discouraged by their initial rejection, bring the Word of God to them and always remember your task which should be a redeeming one on earth.

Countless souls suffer spiritual hardship but they only take notice of earthly distress and do not take time for inner reflection which could enlighten them. They are only interested in improving their living conditions and don't know that these are primarily the consequences of spiritual poverty, that the former has to be resolved before an improvement of their earthly life can take place Give them this knowledge and help them walk the path of love, and their souls will be eternally grateful to you. Their hardship will increase as the last days approach because God's adversary is gaining power over the souls and his influence is tremendously damaging to them. The knowledge of their purpose of life can protect them from this influence and, with good will, the soul can free itself from his power since it recognises it to be evil and in opposition to God. But it has to be introduced to the knowledge, and you should accomplish this work of mercy whenever the opportunity presents itself, and your efforts shall not be in vain There is great need and the end draws ever closer, thus every hour should be used to

work for the kingdom of God This is God's will which has to be observed if you want to be active workers and serve Him in His vineyard

Amen

Prayer in spirit and in truth

Every prayer rising up to Me in spirit and in truth will be granted. But who prays to Me in spirit and in truth? A thought arising from the bottom of your heart intended for Me will guarantee the right prayer. Anyone who speaks to Me without shyness and restraint just as if it came from the heart, anyone who does not look for Me in the distance but feels Me close to himself, who does not recite formal prayers but rather has thoughts which come forth from himself, that is, thoughts which arise from his own heart, who speaks to Me without falsehood and dishonesty thus anyone who completely opens his heart to Me without wanting to hide anything, who therefore speaks to Me like a child to its father sends his prayer to Me in spirit and in truth, because the spiritual spark has been kindled in him already. His spirit has awakened to life, and this places heartfelt thoughts into a person's heart Anyone who can pray to Me like that is already on the right path and he will be guided along by his spirit in the right way. However, this is the kind of prayer I expect in order to hear it. I pay no attention to formal prayers because they do not arise from a person's own heart and can therefore never be felt with the same depth as the heart's own language can express. Anyone who prays to Me must call upon Me in spirit and his voice will be heard by the Father-Spirit. Anyone who calls upon Me must drop all inhibitions, he must step in front of Me without hiding anything and speak plainly and frankly, it must not be accompanied by the least insincere thought, he must pray with absolute truthfulness For I know every thought and nothing remains concealed from Me. Anyone who prays to Me like that in spirit and in truth does not need a special place for prayer, he can send his spirit to Me always and in all places, he will always pray 'in his closet' if he withdraws into himself and seeks mental contact with Me and I will answer his prayer. I Am waiting for such a call, and I Am perceptively close to anyone who calls upon Me in

spirit and in truth, and he will feel the presence of My Father-Spirit around himself, he will not send his prayer into the distance but speak to Me in the certainty that I Myself Am close to Him and hear him. And whatever My child asks for will be granted. For its indwelling spirit instructs it to pray in the right way, and this prayer will always more relate to his spiritual than to his physical well-being. But I will also help My child physically, because it subordinates its will to Mine as soon as it prays in the right way, that is, in spirit and in truth. He knows the goal of his life on earth and aims to attain it, for the right prayer also guarantees higher knowledge Anyone who calls upon Me as I want to be called upon, need not fear any want But first I will consider his spirit, so that his soul shall be imbued with knowledge, so that his soul need not live in want. Then the human being will also know that physical suffering is not inevitable, that it is beneficial for the soul and he will humbly subordinate himself to My will. Nevertheless, I will also guide him unscathed through his earthly life, because I will grant My child every help. A right prayer therefore also guarantees the fulfilment of earthly requests, and no such prayer will ever remain unheeded. My love will always fulfil a sincere desire for Me and My help, for My grace and strength, for spiritual and earthly care, because anyone praying to Me in spirit and in truth lives up to My will, and I will be a loving Father on earth and in eternity for anyone striving to fulfil My will

Amen

End of the world

Judgment Day

The end will come when no-one expects it It will be a time when God-rejecting people are enjoying life to the full while God's faithful are anxiously awaiting the coming of the Lord. The former, however, don't spend a single thought on the forthcoming end, they live for the moment without scruples or tempering their earthly pleasures, they indulge themselves, commit sins and are totally subject to Satan's influence. It will be a time when an apparent improvement of living conditions has been achieved, when earthly hardship has diminished for people complying with the demands

of the ruling power, when only those people have to suffer who are excluded on account of their faith. And in the midst of this euphoria the Judgment will come surprising even God's faithful since nothing before will have given the impression that a change of their sad situation might occur. Humanity is rife with guilt of sin, it has completely detached itself from God and turned to His adversary, it has received his share on earth, earthly pleasures in abundance, and people's intentions and endeavours get increasingly worse and demonstrate themselves in their actions against the faithful, who are mercilessly bullied and helpless against their power and brutal aggression. They do a first class job for Satan and humanity is ready for destruction. And thus the end will come as it is proclaimed in Word and Scripture It will be a horrendous day for people, the earth will split open, fires will break through the earth's crust and all elements will be in uproar And people trying to flee will break into indescribable panic, yet wherever they turn they will find the same everywhere, certain destruction

The end has come for all whose mind is turned away from God and the deliverance from greatest danger for His Own, who will be removed alive and thus escape physical death. God has already announced this time long in advance, yet no-one appreciates His predictions, and thus people will suddenly find themselves in a dreadful situation from which there is no escape. The destruction of the old earth has been decided since eternity, but when it will happen remains hidden from people, and thus they will experience it at a time when they believe themselves safe and masters of the world, when they try to get as much enjoyment as possible out of life, when they are totally captivated by the world and therefore exclude God from their thoughts.

And thus God reminds people of Himself He calls to account those who sin against Him because they refuse to acknowledge Him He sits in Judgment over humanity and separates people by lifting His Own into His kingdom and banishing the others once again by leaving them to lose their lives in an appalling way and imprisoning their souls once more, i.e. by constraining the soul's will so that it will have to take the path of development through the new creation again. This is a cruel act and yet one of divine justice, for people's sinfulness will have reached its climax. They

are of service to Satan and have become sheer devils themselves; nothing else can be given to them but physical destruction and spiritual captivity so that God's faithful will be released from them and able to lead a life of peace and harmony on the new earth.

And although God is ever forgiving and patient while the sinfulness keeps growing the end will come without fail and at a time when it is least expected. For even the believers will be shocked, because everything worldly appears to prevail, because the increasing power of the world's representatives has rendered the faithful helpless and without rights. And thus the world appears stable and yet is so close to its destruction until the day comes, which God has determined since eternity, which no-one is able to predetermine and which, according to God's plan, will nevertheless bring the final disintegration of everything on earth. Only God knows the day, people shall always expect it and prepare themselves for it so that they will belong to those who will be taken away by God in advance, so that they will not belong to those who will be condemned on the Day of Judgment, as it is proclaimed in Word and Scripture

Amen

Scrutinising the source of spiritual knowledge

By lacking the right knowledge the human being often endorses deceptive knowledge, and thereby demonstrates such tenacity which only the representative of true knowledge is entitled to. Yet this, too, is an effect of the lower forces which endeavour to spread error throughout the world and avail themselves of any person who, due to his low state of maturity, is willing to accept their thoughts. It is an endless battle between light and darkness, between truth and untruth. And the more people are inclined towards one or the other, the more violently it is waged. However, during the end time the battle will rage in a way which will manifestly point to the end. For under the guise of spiritual aspiration many representatives of misguided teachings will deem themselves called to convey their knowledge to their fellow human beings, and it will require an excessive amount of work on part of the spiritual world of light to invalidate this

knowledge and to make the pure truth accessible to people instead. The spiritual influx of the right knowledge will always be recognisable in the representatives themselves, for true knowledge can only be found where a life of love is lived according to God's commandments, Who requires selfless neighbourly love from people, and this will always result in an influx of divine wisdom. And attention must be paid to whether their actions are entirely unselfish, for all selfish love presents a welcome target for God's adversary, the prince of lies, who influences a person's thoughts and lets him believe in his own value, thereby adding to his selfish love and making him unsuitable to recognise truth and error. The human being must exercise strictest self criticism; he must constantly strive for perfection and, with profound humility, pray to God for grace and strength, for protection from misguided thinking But if he is taken in by his mental information, then he must seriously question the source it comes from whether it was gained intellectually or flowed to him without intellectual activity, for pure truth will illuminate a person like a flash, often without pondering and researching, in that case he will be touched by emanations of pure spirits, if he deeply and sincerely desires the truth without any selfish thought. On the other hand, clearly comprehensible knowledge, which is manifestly offered to a person without his own mental activity, ought to be accepted as absolute truth, for then the transfer to the human being is a process of emanation of strength which only beings of light, thus the bearers of truth, have at their disposal, whereas mental knowledge gained through intellectual activity can also be an influence of beings of darkness, and this necessitates strict scrutiny. Light and darkness will constantly fight each other. Light, however, is recognisable to anyone who wants to recognise it. However, the dark forces seek to weaken a person's will for the pure truth and to increase his selfish love, so that he will tenaciously hold on to his endorsed mental knowledge because he believes it to be the product of his superior intelligence, of his ability to solve profound spiritual problems. This is a sign of arrogance; it displaces the heart's profound humility and allows the forces of darkness to enter the human being's heart. For this reason the source of spiritual knowledge should be carefully scrutinised and God should be called upon for enlightenment of spirit, if a person is offered information which lays claim to being the truth. And God will help

the person to recognise what is right, He will help him to separate the truth from error, if he truly desires the truth

Amen

Explaining the process of transcription

Truth

The bestowal of My Word is a purely spiritual process which can only be achieved by a person who establishes heartfelt contact with Me and then consciously listens within. Since the person does not actively need think himself but is merely the recipient of thought emanations he must place himself into a state which enables him to be affected by these emanations, and this state is one of being totally detached from the earthly world and immersed in the spiritual realm, i.e., it is a conscious turning away from all earthly things and a focussing of the senses on My kingdom, which is not of this world. The spiritual emanations then touch the person's heart in the form of thought which subsequently can be written down by the recipient. The easier a person can detach himself from his earthly surroundings the more unimpeded will the imparting of spiritual knowledge proceed. The disputed question as to the spiritual origin of the thought transference is answered by the substance of the latter. Wherever love is taught, wherever My act of Salvation is thoroughly dealt with, only I Myself can be the origin and the mental transmission will have to be recognised as My Word. Heartfelt prayer has to precede every bestowal of My Word, otherwise the process cannot take place, otherwise the person would have to accomplish a purely earthly work which, however, even then would still be free from error because the person's thoughts are also guided by the beings of light in order to prevent the endangering of the Word, which is intended to be conveyed to the person. This only applies in instances where contact with Me is less profound, for a person who is called by Me to work for My kingdom, who is appointed as a mediator between Me and people who don't strive towards Me, has been vetted by Me and his thinking will not go astray because he is of good will and thus wants to be of service to Me. I will prevent lying and deceptive spirits availing themselves of his will and

his hand, just as every ignorant being will be stopped from accessing him if he wants to work for Me. And every reception is an act of freedom of will, it is the evidence of his will to be of service to Me, and thus I take hold of his will and guide him so that he will only accomplish My will.

This spiritual knowledge is not comparable to human mental concepts which are acquired through a person's own thinking, without the conscious submission of his will to My will. After all, the human being has free will and can think in any direction of his liking. He is not compelled by Me to think correctly, just as he is not stopped from thinking wrongly either. Consequently, he can be accessed by all spiritual forces which he then favours through his will. However, if the person consciously submits his will to Mine he can only have My will within himself, for I will never leave him at the mercy of forces which are still opposed to My will. I will take possession of that which desires Me and will never ever let go of it again. And only if a person consciously offers himself to Me, if he thus hands his will to Me, can I appoint him to an office on earth in which he can work for Me. But then he will also be protected from misguided thinking, from evil spiritual influence, for it is important to receive and spread My Word which My love conveys to earth, and I will truly protect My Word from impure and untrue content which the opposite side wants to present to people. Wherever My Word is being received that is where truth exists and misguided teachings are excluded, because misguided thinking is the influence of evil forces which cannot affect a person who wants to serve Me as long as he is working for Me. A purely spiritual process can only take place in a purely spiritual way, a transference of thought absolutely has to take place because a person's own thinking, i.e., the use of intellectual activity, requires more time in order to produce results of this nature. Hence there is a recognisable expression of strength which can only ever come forth from those who provide strength, that is, from beings of light which are recipients of strength. And this also guarantees pure truth, for all illuminated beings know the truth, and I Am the Eternal Truth Myself

Amen

*Coming in the clouds**Rapture*

An unusual roar will fill the air as the Day of Judgment arrives. And this will be the last sign for people, yet it will only be recognised as such by the believers, which will cause them great joy. For then they will be anticipating the coming of the Lord It requires a strong faith to expect God to be coming in the clouds, for this is such an extraordinary process that godless people just ridicule and make fun of it when it is mentioned to them. They will indeed hear the sound, too, yet they won't see the Lord in the clouds and thus take little notice of the unusual noise in the air and won't let themselves be distracted from their lives exuberantly and without scruples they will continue to enjoy themselves. The faithful, however, will get together and, with a happy heart, prepare themselves to receive the Lord. They will have reached the limit of their physical endurance and know that their time of suffering has come to an end, and in the final hour they will unanimously profess their faith in God although it will mean the loss of their earthly life, because they will be mercilessly attacked by the world. Yet the appearance of the Lord will thwart the plans of their godless pursuers For suddenly they will see the believers being lifted off the ground and rising into the air At the same time there will be a sound of dreadful thunder and people will realise with dismay that something dreadful is going to happen. Paralysed by the unusual process of the rapture they will be unable to think, they will try to flee and see the same everywhere flames of fire bursting through the earth from which there is no escape. And their life will end in a most dreadful way, for the people who rage on earth like devils and are rife with sin cannot be saved.

But the flock of the faithful will witness the end of the old earth; the divine work of destruction will take place before their eyes, while they will have escaped and will be safe and secure in a place of peace, as promised by God. This will be the end of one period of Salvation and the start of a new one as soon as the old earth is shaped anew through God's will. Then the faithful will continue to live as the root of the new human race and the new period of Salvation will begin. The process of rapture is only understandable and therefore credible to a knowing and profoundly enlightened person, yet

it will be the culmination of an anxious time of hardship and suffering, it will be the conclusion and the evidence of God's glory, Who will also prepare a fate for His Own which testifies of His glory It will be an act of profoundly divine love for His living creations who will recognise in Him their Father of eternity, who will have returned to Him and become as one with Him through love with whom He will then be able to stay because divine love meets with no obstacle once the human being has become love himself

Amen

Knowing the time of the end

It is exceptionally misguided to state that the time of the breakdown will be in the distant future; this error is detrimental for the souls because they will pay no attention to the admonitions and warnings of the last days. But it is equally misguided trying to determine the point in time, for this knowledge is concealed from people. God always refers to the near end through seers and prophets in order to encourage people to live according to a quickly occurring end, in order to make them aware of their responsibility towards their souls and to constantly prepare themselves for the end. The end is near, yet no-one but God knows the day. The signs of the time point towards the end, nevertheless, it will come suddenly and unexpectedly for all people including the faithful who are knowledgeable and make an effort to live in accordance with the approaching end. Human mind and human intellect will never be able to penetrate the divine plan of eternity and therefore never be able to determine the time nor the manner of the end. Only where the spirit of God is at work He will instruct people as to how the end will take place, yet always leaving the day and the hour open when it happens. For this knowledge is God's prerogative and therefore concealed to people. The faithful will be able to recognise the time of the end by the low level of spiritual development, and if they expect the coming of the Lord every day and enter into heartfelt contact with God they will also sense when the Day of Judgment is approaching.

But anyone who wants to calculate the time in advance, anyone who deems himself to know without the obvious working of the spirit, will be

mistaken in his announcement, people should not believe him for he only contributes towards increasing the unbelief in the end. Even the forerunner of the Lord, who will be sent to Earth by God Himself in order to save the still undecided, even he will not specify a day He, too, will proclaim the imminent end and admonish people to expect it daily and hourly. He will be enlightened by the spirit of God, and the Father-Spirit, Who speaks in and through him, truly knows the day and the hour. And yet he, too, will still keep it secret from people because the knowledge of it will be of no use to them. And thus the hour will come suddenly and unexpectedly, as it was proclaimed by God His voice will resound in the midst of the euphoria of the world, to the horror of the unbelievers but to the comfort and joy of those who are faithful

Amen

Battle of faith

The coming of the Lord

Anyone professing the church of Christ will be treated by the world with hostility and his fate on earth will be difficult, albeit only for a short time, for as soon as the adversity seems beyond endurance, God will rescue His Own and all adversity will end. And God always points out the end to the believers, so that they will bear up against the external onslaught, so that they will faithfully persevere until God delivers them. He will inform them long in advance how Satan will rage and He will promise His Own His protection, so that they recognise the truth of His Word and remain firm in their resistance. If the believers therefore recognise the truth of the divine Word by the progression of world events, by the progression of the battle of faith and the earthly ruling powers'brutal disposition, they will defend His Word even more eagerly, because it will deepen their faith to such an extent that human measures will no longer be able to shake it. And they will receive strength from God, according to their will and their faith, and thus endure the difficult time, for God will not let those down who want to remain faithful to Him unless He still recalls someone into His realm before the end of this earth, if his physical end has come in accordance with

divine purpose. However, He needs staunch representatives of the church of Christ during the last days, so that the separation of the spirits can take place. He requires people who proclaim His Word and preach Christ's doctrine of love to the unbelievers, and this without fear and inhibition, so that the unbelievers shall recognise the strength of faith and be shaken up from their spiritual lethargy once more, so that they will still be able to change their mind in the last hour and take the path to Christ, Who alone can bring them salvation, Who alone can redeem them by strengthening their will to liberate themselves from evil and to strive towards God. The fact that the strength of faith is visibly pointed out to the unbelievers are the final means of grace; even so, very little use is made of them because humanity is entangled in Satan's web of lies, because it pays excessive homage to the world and sees its goal of life in exuberant pleasure. And therefore the end will soon happen to you and you can recognise this by the fact that faith is being fought against in a way which can truly be called satanic. Then the followers of Christ should unite and together wait for the Lord's help and His coming, for every day and every hour could be the last one, because earthly adversity will become so severe that it will necessitate God's immediate appearance, so that the promises will come true which God gave to people through His Word that He will deliver His Own from utmost adversity

Amen

'My voice will resound from above ...'

And My voice will resound from above It will be mighty and people will have to listen to it even if they otherwise pay no attention to Me. Depending on the state of their souls they will either willingly or unwillingly have to raise their eyes towards heaven. For they will find themselves exposed to a force they can no longer avoid. Admittedly, it will only touch the hearts of a few, yet these will have been helped even if physical help fails to materialise. But as the rule, fear and worry about physical life will predominate and My voice will not suffice to accept it and return to Me despite utmost hardship and affliction. They will not want to realise that My voice applies

to those who are still distant from Me and, being obstinate-hearted, they will only try to save themselves and yet will be powerless against the forces of nature.

They will lose all footing, for the ground will sway, a roaring storm will fill the air and everyone will have to rely on himself as no-one will be able to help the other. And My voice will resound from above I will speak with a voice of thunder and all elements of nature will obey My will, they will speak on My behalf and testify to My might. I will manifestly confront people and won't force them to believe, for it will still be up to them to accept natural forces but to deny Me as the Being Which also governs the natural forces according to His will. And thus the final means of teaching before the end will not force people to believe either, even though it should speak clearly enough for Me and can also be recognised by people of good will not entirely enslaved by My adversary who wants to separate them from Me forever.

What I have proclaimed through My spirit will fulfil itself The earth will tremble and the elements of nature will cause incalculable damage and claim countless victims. Yet this has been determined since eternity, because even this occurrence is a means of help used by Me in order to still win people over to Me, since other forms of adversity and distress are not enough to let them find their way back to Me and I have to brandish a sharp rod over the hardened human race. And it is absolutely true that I will not rest until I have regained all My living creations. And thus My love, which wants to save them from their downfall, will never end even if this love is not recognisable in My activity. Yet anyone who takes notice of My voice will also feel My love and he will be grateful to Me for all eternity

Amen

Time of trials

Jesus, the bearer of the cross

If God puts you to the test, humbly accept His trials and faithfully wait for His help For the suffering and trials will not end until the last day has come. It is still necessary to purify and to reform souls until their physical death or to gain souls which still stand apart from God's love. And the time left until the end of the old earth is only short. Hence, it needs to be used in every way. Only adversity and afflictions of the body will still bring the soul's transformation about. And these adversities will also affect those people who strive towards God. Yet they, too, can gain the greatest blessings from these adversities if they are recognised as means used by God's love in order to reduce the distance between Himself and people within a short time, so as to enable the soul to receive God's illumination of love directly, which signifies eternal life for the soul. Endure your destiny without complaining, for it is determined by God's love for your soul's speedier maturing. And know that He will never leave you without the strength to pass the tests; know that He will always help you carry your cross if you, in faith of the divine Redeemer, appeal to Him for it. Know that all adversity will come to an end when you leave the earthly valley in order to enter the spiritual kingdom. It is only a short time of trial, nevertheless it is a blessing for you if you recognise divine will therein and don't grumble and complain. That which has been destined for you since eternity serves you, who believe, to benefit your soul, or to transform those of you who are still distant from God. Therefore bow down to divine will and carry your small cross, and if you deem it to be heavy let yourselves be helped by Jesus, the bearer of the cross, Who took the crucifixion upon Himself for the sake of your adversity and Who suffered on your behalf out of greater than great love. Call upon Him and His help will be assured to you. His love is always on hand for you, and your earthly adversity will be endurable, you will overcome the trials and stand firm in faith. The whole of humanity needs the adversities and sufferings, and therefore God pours them upon the earth in order to gain its inhabitants for the spiritual kingdom. And even if His Own must suffer too, they nevertheless still attain even greater perfection, and they will be eternally thankful to their

Creator and Provider, their Father of eternity, Who, in His love, uses the right means to shape their souls into bearers of light while they are still on earth. And therefore don't despair and don't let yourselves be disheartened by the adversities of the time The end is near and with it the time of your deliverance and your entry into the spiritual kingdom, where all suffering comes to an end

Amen
