Wrong interpretation of the Scriptures
The working of the spirit

You humans often interpret the Words of the Scriptures according to your need The spiritual meaning of the Word does not correspond to the aims and plans you pursue, and you interpret the letter which can have various meanings. Consequently, many errors were spread among people who nevertheless tenaciously hold on to them by always referring to passages in the Scriptures. It has become almost impossible to expose and eradicate these errors, because the spiritual darkness keeps deepening the closer the end is approaching. Even so, precisely these errors are the cliffs which can cause people to fail, who strive to find the truth yet then start to doubt and finally use the same doubts to oppose everything written in the Book of Books If they are strict seekers of truth, then they will find the truth, if only by different means than the usual, through the proclaimers of God's Word However, if they lack the necessary earnestness for truth, they will easily be satisfied with those errors in order to **completely detach** themselves from believing or from religious doctrines, which nevertheless can correspond to truth. This is the great danger inherent in every misguided teaching Wrong interpretation of the Scriptures can be assigned to the influence of God's adversary as well, for he also tries to instigate much confusion within the circles of people willing to believe, and, if he can exert his influence on their leader, he will have succeeded in causing immense darkness. Many Words of the Scriptures are indeed encrypted, that is, their meaning is not self-evident to the human intellect, they can be differently interpreted and will only be correctly interpreted when the person's spirit has awakened and wants to ascertain their meaning. It is God's will that people should read every Word with complete sincerity, with the desire for truth and in **contact with Him** so that God Himself can speak to them, and then He will truly educate and enlighten them correctly. But since God's `supposed' representatives usually allow their intellect to speak first, since they study and ponder in order to discover the meaning of the Word, its spiritual meaning will remain concealed from them until they are in closest contact with God and appeal for His spirit And the spirit of God will instruct them correctly,

but it will always reveal the same to people. No person should deem himself capable of understanding the Word of God by himself ... by merely using his intellect and no person should deem himself entitled to interpret it without God's support

No person ought to believe that performing formal prayers is sufficient in order to ensure divine support for himself. God expects more He expects a life of love which shapes the heart into a receiving vessel for the divine spirit, because He can only unite with 'love', and because His spirit can only take effect in a person who has shaped himself into love And from this it is evident again how an interpretation can be assessed in relation to truth Even the sharpest intellect is incapable of ascertaining the truth where a way of life makes it impossible for God's spirit to manifest itself, for the working of the spirit cannot be replaced by intellectual activity. So many misguided teachings could not have been spread in the world had this basic rule always been observed that 'thorns cannot yield any fruit ...' And precisely those people who were great helpers for God's adversary distinguished themselves most with interpretations and translations of the Scriptures, although the results only revealed themselves at a later time, because they led to divisions and disputes and caused ever more confusion. And it is only possible to tackle such errors again with the pure truth from God, the transmission of which, therefore, also necessitates an awakened spirit. But only people who live in love and offer the indwelling spirit the opportunity of igniting a light in people's heart will accept such corrections However, only the truth results in blessings Every error is an obstacle on the way of ascent. For this reason the pure truth should be proclaimed emphatically by those who receive it from God Himself. For this is the task they were given at the same time as they received the truth, because only truth is light and only truth leads to beatitude

Amen

Developing the ability to hear God's voice

You can confidently defend that which you hear from Me Myself as pure truth, you can stand up for it with conviction and you can believe that every future event I have revealed to you will come to pass. You can depend on the voice of the spirit, for it is My voice which you hear inside of you, because it is My will that the truth shall be conveyed to you humans and that you, who hear Me, shall distribute this truth amongst people. If you believe in Me at all then it must also be understandable to you that you are also in a certain relationship with Me, that you, as My living creations, are despite your isolation in spiritual contact with Me which is therefore demonstrated to you through My address. You can hear Me in the form of thoughts arising in you which, however, do not originate in yourselves but which flow to you from Me but of which you only become clearly conscious when your soul is capable of hearing with spiritual ears when it has shaped itself such that it thus can understand My mentally spoken Word and subsequently also pass it on to the intellect. Although My Word sounds constantly it nevertheless requires the ability to hear it which the human being first has to acquire through a way of life according to My will. My Word cannot be heard where this ability has neither been aspired to nor where the faith is missing that the human being is able to hear Me Myself within himself The human being has to prepare himself as a receiving terminal, he must comply with all conditions, only then will he be able to grasp and understand My thoughts which incessantly pour into infinity, so that he will feel himself addressed by Me Myself and perceive every Word from Me as a lovingly offered nourishment for his soul and then only ever strives for this bread from heaven

And thus you will be unable to say that I only speak to this or that person but My Word sounds always and forever in the spiritual kingdom and everyone can hear it, whether he still lives on earth or already in the kingdom of the beyond. However, it will only be heard by the **spiritual ear**, and this spiritual ear has to be trained first, which always requires a life of love the fulfilment of My commandments. I will reveal Myself to anyone who lives up to the easy commandments of love for God and one's neighbour, that is, he will hear My voice within himself, for he has prepared himself to

receive My spirit You need only ever understand these Words correctly: My spirit works incessantly but it will **not forcibly** penetrate where it meets with opposition. Once the opposition is broken, which consisted of the fact that the being became heartless and rejected My love, it will also open itself again for My illumination, and that means as much as that it will become bright and light within, so that it will see what it previously did not see and hear what it was **unable** to hear before: Me Myself, My Word, which sounds in him again as it was in the beginning And during the last days before the end the inner opposition is particularly strong, which shows itself in people's heartless attitude. And the result of this is that a person only rarely believes in My direct speech through My spirit. A completely natural process, which in the very beginning was known to all beings, has become something inconceivable when, in fact, it should take place in every human being, because everyone has the **ability** within himself but does not develop it or, due to lack of knowledge and unbelief, does nothing in order to be able to communicate with his Father like a child so as to be deemed worthy by Him of His speech And people can only ever be instructed but not forcibly be transformed in a way that all requirements exist in order to be able to hear My voice within themselves. It has to be left to every human being himself what he makes of the instructions My Word can only be given indirectly to everyone, but then it must also be lived up to so that the person will then experience the truth of My Word for himself

Amen

God's gift of love and grace

Attaining the original state

If you are constantly assured of My love and grace you should also request it, for the effect on you only becomes noticeable when your will grants access to My love and grace. My love for you is truly greater than great; however, I must make it a condition that you desire My love, that you appeal to Me for providing you with loving gifts of grace, because you once rejected My love and thus must now also agree to enter the circuit of My flow of

BD 7109

love again Then you will be assured of an unlimited supply of strength of love. The fact that My love for you will never end nevertheless does not exclude your willingness to receive it, and as long as this willingness is lacking in you, it will be impossible for My love to take effect, because it is eternal law that love does not tolerate resistance, but neither does it enforce the surrender of resistance. Consequently, you have an immense treasure of grace at your disposal, for everything My love offers you are blessings, because they are undeservedly granted to you if only you are willing to accept them. Therefore you can be called immensely rich on earth, since you can determine your own amount of wealth No limitations are imposed on you by Me, you need only ever ask and My love will grant what you desire However, when I speak of `blessings' guaranteed by My love I do not mean earthly possessions but only the means you, that is, your souls, need for attaining eternal life It includes everything that helps you regain the blissful state you possessed in the very beginning when you were able to work and create with Me and in My will. Only this state guarantees the unlimited beatitude for which I once created you, and sooner or later you must reach this state But eternities may still pass by; nevertheless, you can also achieve it in a very short time The time of your earthly existence as a human being is sufficient enough for you to gain this perfect state, providing you make good use of this time And for this you need an abundance of blessings means of help offered by My infinite love which you must not reject if you don't want to prolong the time of your distance from Me, the time of your wretched state, of your own doing. And if I give you the assurance that you still possess My boundless love, that I do not hold your past apostasy against you, that I would like to help you attain this life of bliss again, then you should make every effort to enable yourself to enter into the previous relationship with Me once more You should only want Me to give you My love again as before and, with this sincere resolve, you will open yourselves to receiving My grace, you will feel My love and then also make correct use of all means of grace, and thus it will not take long until your state of weakness changes For your soul will mature, it will increase in realisation and strength because, through the influx of My strength of love, which no longer meets with resistance, it is stimulated into kind-hearted activity and this will result in more light and strength again. For once the human being has the will to subordinate

himself to My will I shall increasingly illuminate him with My love, I will never ever let go of him because he acknowledges Me Myself again and desires to be closely united with Me once more

Amen

Wealth or poverty is neither an advantage nor a hindrance to attaining beatitude

And even if your most pleasing earthly hopes come to fruition, if you gain honour and reputation, the most eminent scientific fame, even if earthly happiness is granted to you it will all come to an end the moment you die, and you cannot take any of it along with you into the kingdom of the beyond. On the contrary, you will feel your deprivation twice as much if you have no spiritual wealth to show as it will replace your earthly loss a thousand fold. But precisely this will be rare, the fact that a person who possessed everything on earth has also aspired spiritually, who certainly called many earthly goods his own and also used them according to God's will who did not allow himself to be governed by them Generally, the hearts of those who are wealthy in an earthly sense are hardened. And according to the state of the heart will be the state of the soul after the body's death. The earth and the spiritual kingdom are completely different, this is what people should always remember, and therefore they should not envy those either whose earthly life gave them complete fulfilment For this kind of life on earth is no guarantee for the same state in the spiritual realm. By comparison, earthly poverty and plainness can contribute towards the purification of a soul, and such a soul can go in light and brilliance through the gate to eternity. Yet irrespective of what the earthly circumstances may be which the human being was given by fate, he will **always** have the opportunity to mature spiritually; in every situation in life he has the means at hand which help to purify his soul

Neither poverty nor suffering guarantee an eternal life in bliss, nor is a life of earthly fulfilment a hindrance for such an eternal life It solely depends on a person's will as to whether it is spiritually inclined and therefore tries to draw a benefit for his soul from every situation in life It solely depends

on whether the person establishes contact with God, for which he will be stimulated in every situation in life. There is only a danger that every thought of God will be repressed if a person is satisfied with his earthly life or if he tries to achieve ever greater earthly success, just as, vice versa, those who are denied all fulfilment in earthly life can in bitterness turn against their destiny and also live without faith thus likewise have no spiritual achievements to show when they pass away Nevertheless, the path of higher development is far easier to travel for people who appear to be less favoured during their earthly life, for their renunciation of material possessions is, in a manner of speaking, required of them by providence they need only resign themselves to it and also silence their inner wishes, then they will have a considerable advantage compared to those who, also by providence, live in happiness and excess. Therefore, the poor need not always be pitied and the rich should be envied even less, for only that which the person's soul acquires is of value But once the hour of death has come all earthly things must stay behind, and it will be far easier for a person to detach himself from the world if nothing exists which still ties him to it if he was able to completely release himself from matter, if the person's thinking is not burdened by earthly things which make his passing away difficult and only prevents him from the exclusive bond with God, with His kingdom Whatever life on earth might offer you, it will become worthless the moment you die. However, whatever you accepted from the spiritual kingdom during your existence on earth will remain forever. And you can only attain spiritual possessions if your heart detaches itself from material treasures, if you can forego them at any time for love of God and your neighbour Then you will receive constantly more than you have given away, then you will increase your spiritual wealth, and you will also make the right use of earthly riches, that is, you will use them according to God's will for works of merciful neighbourly love In that case, however, you will not need to fear the hour of death either, for you will not die but pass into eternal life

Amen

The problem of the Trinity

The problem of the Trinity is one of many problems which have been made difficult to resolve due to a completely misguided explanation. The explanation which is simple and comprehensible for all people is not accepted because human reasoning has become confused by concepts which are incomprehensible to the human intellect but which, for this very reason, are retained as unchallengeable and people are even forbidden to reflect on them. However, every human being who comprehends the 'human manifestation of God' in Jesus, who does not seek to personify the Being of God, will find this problem easy to understand and to explain who recognises the all pervading spirit as 'God' and who understands that the inconceivable Deity manifested Itself in Jesus in order to become a 'visible' God to Its created beings Hence the concepts: Father Son and Spirit will no longer lead these people into misguided thinking, because they only acknowledge one Being which unites love, wisdom and strength within Itself Love gave rise to everything and thus is the Creator, the 'Father' ... And out of Him the 'Son' also emerged, in Whom the Father manifested Himself. But the Son is also 'Wisdom', because only love is the fire which emits the 'light' ... Thus love and wisdom cannot be separated, just as Father and Son are one.

And again love is also the strength which, however, only ever expresses itself in utmost wisdom. The 'spirit' of God is His continuous emission of love, which helps the as yet imperfect to achieve final perfection. Hence only one Being can ever be considered God Father, Son and Spirit, a Being Whose essence consists of love, wisdom and strength The fact that this Being manifested Itself in the man Jesus does not sanction the change of the Deity into a twofold Being Which can be called upon separately and then adding another one as the 'spirit' to this twofold Being, Which again is called upon by those who cannot work this problem out by themselves but simply accept the sermons of unenlightened thinkers. This is proven by the fact that many people are unable to call upon the Father in Jesus Christ and they are usually unable to understand that God Himself is only accessible to them in Jesus Christ; that the threefold, different prayer only ever reaches one ear, that the eternal Deity cannot be divided, that It Itself in Jesus Christ

came close to the human beings, who were unable to conceive the eternal, all-comprehensive and pervading spirit The concepts: Father, Son and Spirit still prompt you humans, whose spirit is yet unenlightened, to aim your thoughts and prayers into different directions

You call upon God the Father, you call upon Jesus, and you also call upon the spirit, so that it might come to you But you will only pray correctly when these three have become one concept for you, when you only call upon one Being Which unites within Itself love the Father, wisdom the Son, and strength the spirit, and only then will you have solved the problem of God's Trinity correctly, too. Although the teaching of the 'three-person Deity' has been extended by adding that these Three are one the teaching is nevertheless a serious misguidance of people, which results in further misguided opinions Especially the call to God in Jesus Christ incorporates unlimited strength which, however, is lost to you, who are still subject to misguided notions and unable to free yourselves from them. You and your awareness would certainly benefit from sincere reflection upon the subject but you refrain from it because you have become slaves, even though God had given you complete freedom But you should use your spiritual freedom, and then God Himself will truly help you to clarify your thoughts, for He Himself is the light and He wants to give light to all those who desire it

Amen

God-inclined will assure His guidance

You are guided through your earthly life, the beings of light to whom you are entrusted during your life on earth take care of you, and you can also always choose Me as your guide, you can consciously take refuge in Me and appeal for My guidance thus, as human beings, you are not defencelessly left at the mercy of the powers of darkness, you cannot be overpowered by them against your will even if you, as human beings, are weak, for you need only call for help and you will certainly receive it. But precisely this will is free, neither the beings of darkness nor of light may infringe upon it, they must allow you complete freedom as to the direction you give to this will.

But you can also be certain of receiving help if your will is inclined towards Me And precisely because your earthly life concerns the fact that your will should aim in the **right direction**, but since I love you and long for your return to Me, I will therefore only send that upon you humans which might impel you towards Me as long as you are still undecided However, once this decision of will has been taken you can travel your earthly path in blissful certainty and complete peace. Time and again I want you to know that I will not let you fall again, that I will not leave you at the mercy of the adversary, that I will protect you against all onslaughts and temptation as soon as you **want to belong to Me** For in that case it entitles all your spiritual guardians to intervene and to grant you protection against the dark forces. Then your soul will have nothing to fear anymore, for a will inclined towards Me is your best weapon against the enemy, it will always call upon Me when danger threatens and I will always avert this danger.

If, therefore, a person is willing to work for Me and My kingdom he will also have offered his services to Me, thus he has handed himself over to Me of his own free will And as long as he is willing to eagerly render this vineyard work, his will also belongs to Me alone Then he is also perfectly entitled to know that he is protected and cared for by Me, by all spiritual beings which are of service to Me. All worries can leave him and he can even remain unimpressed by earthly onslaughts since, as My servant, he will also experience My care for Him as Caretaker, which will sort everything out beneficially. Anyone who wants to belong to Me is indeed My Own, and anyone who is Mine should also trustingly hand himself over to Me and put all burden and adversity upon My shoulders, which I will truly take off him because he has become My Own. Nevertheless, it must also be said that you increase such earthly adversities yourselves the more fearful and less faithful you become that your doubts regarding your faith or your worries about your earthly well-being will only ever burden you more because through them you distance yourselves from Me I expect complete trust from you so as not to disappoint it, but you often weaken My activity of love in you yourselves You don't allow for it, precisely because of your unjustified worries and doubts in My help. You must become like children who believingly accept the Father's every Word and subsequently also rely on Him, because they know that the Father loves His child Nothing must frighten you, nothing must make you

scared, for there is One above you Who watches over you and instructs His servants to protect you And you should only want to love this One and belong to Him, He will truly help you in every adversity of body and soul

Amen

Last Supper - Communion - Love

There can be no union with Me without love, because love is My fundamental nature and only the same can join Me, hence the person who wants to join Me must also have a loving heart Otherwise such a bond is impossible Therefore you should also be able to understand the events of the Last Supper, which can only bring about your unity with Me if love has been kindled in you for only then will My presence in you be possible. So what use are external practices as long as you ignore what is most important practising love 'He who remains in love remains in Me and I in him' Hence you know the condition for My presence and cannot expect Me to divert from this condition if you merely perform external action which you devised yourselves because you failed to understand the spiritual meaning of My Words 'Do this in remembrance of Me' A life of love is the prerequisite to receive Me Myself in your heart and My disciples, with whom I took Supper, lived such a life of love Consequently, they also understood My Words with which I simultaneously appointed them to their teaching ministry For they were meant to distribute the bread of life which they had received from Me when I handed to them the earthly bread They were meant to offer the living water to their brothers, just as I passed to them the cup of wine And since I Myself was the 'Word that became flesh' I gave Myself to those who partook at the Supper and I will always give Myself to all those who want to receive Me, I will likewise nourish them with the bread of life and give them living water to drink, they will 'eat My flesh and drink My blood', thus I Myself will be present to them, as I have promised. However, without love such Communion is impossible I can certainly preach love to all people, I can help them to perform loving actions but I can never take abode in a heart which has not

shaped itself into love as yet And now consider how many people have a completely wrong idea, who certainly take the path to the `table of the Lord'in their own opinion, but who lack the right kind of love and whose hearts are therefore incapable of receiving Me Consider how many people hold on to this wrong concept because they believe themselves to have done their duty and therefore don't strive spiritually either, even though everyone knows that I Myself Am love and that I only expect you to fulfil the commandments of love in order to be able to delight you with My presence. But `My Word'is not as much observed as the compliance of external formalities, and My Word alone could already make those people think that I require more than mere formal engagements The instituted Words which I spoke to My disciples were understood spiritually by them. But people would also be able to understand their spiritual meaning if only they thought about them seriously. But then the understanding would also require them to live a life of love and thus their work of improving themselves, which most people are unwilling to do. On the other hand, the many different formalities do not require this self-denial and are therefore eagerly carried out, and yet, they do no benefit the souls, instead, they only make them half-hearted and careless regarding their task in earthly life which consists of educating themselves to live in love, since this is the prerequisite for entering into a close union with Me, which makes My presence in the human heart possible in the first place. For union with Me is the human being's first and last goal which he should and can attain on earth if only he makes an effort to live a life of love and thus tries to adapt his nature to My fundamental nature which is Love in itself

Amen

Knowledge of the blissful as well as the wretched state

You cannot imagine the happiness in the kingdom of Light, neither can you imagine the torments which the souls have to endure in the realm of darkness. Yet time and again you are informed of both through My Word, thus you are not entirely without knowledge. However, whether you believe it or not, is up to you, nevertheless it will determine your own fate when your soul leaves the body and enters the kingdom of the beyond. For as soon as you believe what you are told time and again by My Word you will also live your earthly life accordingly, for no believer will irresponsibly live for the moment, everyone will make an effort to live according to My will, even though his weak will can often make him fall

On the other hand, however, his way of life should not purely be determined by the fear of darkness or an expectation of beatitudes in the kingdom of light, for this by itself would not influence the state of his soul very favourably; but the devoted person will dwell on it and be impelled from within to lead a God-pleasing life, only a person possessing a so-called conventional faith is calculating, who certainly has knowledge of My Word but who more or less only fulfils everything due to outside pressure, due to commandments or regulations, and complies with these commandments for the sake of the promised reward or feared punishments. True faith, however, will establish the connection with the One in Whom the human being believes. And then he will also feel responsible towards Me and try to live in accordance with My will on earth because he wouldn't want to sadden Me and also because he feels My love for him and would like to prove himself worthy of this love

Yet the knowledge of the blissful as well as the wretched state which a soul can expect after physical death shall enhance the human being's sense of responsibility; he shall know that he is not living his earthly life pointlessly, he shall not be able to say that he had not received any advice about the consequences of a right or wrong way of life. And at the same time he shall also be informed of the purpose, which consists of the said state the soul can achieve. Hence he also has to know what this state entails. However, evidence of this cannot be given to you, yet time and again a seriously

striving person will indeed receive verification from the beyond which then will no longer force him to believe, because only a devoted person may experience such or it is intended to serve those of little faith as merciful evidence, whose weak faith needs a little support but who voluntarily want to live according to My will on earth.

Yet someone who is observant will also experience and see things which he can accept as proof, but no manifestations from the beyond may compel to believe, and therefore only individual people will ever be able to describe experiences which extend to the life in the beyond. And these individuals will only be believed by equally spiritually-striving people again, whereas unbelievers will ridicule them and portray them as liars or fantasists and accordingly derive no benefit for themselves either. But the world of the beyond reveals itself too, the kingdom of light as well the realm of darkness but never such that humanity will be compelled into belief this is why phenomena of all kinds can always be disputed or every single individual can make of them what he wants And the individual person's loving way of life will once again determine the right realisation; the loving human being will be inspired into ever more eager striving and also be supported in this by the world of light, and he will no longer doubt that there is a continuation of life after death which corresponds to his conduct on earth And he will try to achieve the highest goal, for he will remain in constant contact with Me

Amen

Why is our past memory taken from us

If you humans would look at your earthly life as a final chapter of an infinitely long process of development, you would eagerly cover this last short stretch and spare no effort during this brief lifetime on earth to bring your higher development to successful conclusion. But since you lack the memory of your past life, since you only know for certain about this short life on earth, you do not generate any particular enthusiasm either, in fact, you are rather indifferent to what is yet to come, you spend little thought on what awaits you after your earthly life. But you have to go through life

BD 7127

without past memory as not to be influenced in your will, thoughts and actions. If, however, you were able to take just a small glimpse into your past life you would be horrified and unable to continue living or, driven by extreme fear, you would do whatever is demanded of you only to avoid this appalling fate and to be liberated from every physical form.

Thus, I would indeed have the power to prompt you into a way of life which corresponds to My will if I allowed you to take this retrospect. But My love for you is greater and wants to prepare unlimited happiness for you which, however, excludes all coercion of will In order to be eternally, blissfully happy you have to live completely voluntarily in accordance with My will, i.e. in accordance with eternal order You should realise that it is an act of mercy and a labour of love on My part that I removed your past memory partly to spare you the knowledge of a surmounted earthly life, and partly to enable you to reach unlimited beatitude But I do not leave you without knowledge, even if this knowledge is not verifiable. Thus you will know of your previous state but it does not burden you unduly because you have overcome it. Yet the knowledge could encourage you to increased spiritual endeavour which, nevertheless, proceeds in total freedom of will and therefore results in utmost blessing for you

And therefore I can only ever tell you: don't reject anything but take everything into consideration that informs you about the purpose and goal of your earthly life, and also take the information of your past embodiment into consideration. Think about it, and always live your earthly life such that you can justify it to yourselves and need not fear an accountability before Me either. But believe that your earthly life is not pointless and that it has a different purpose than the mere preservation and satisfaction of your body, which is transient and whose lifespan you cannot determine yourselves. And if you are unwilling to accept additional information, if you don't want to accept what is 'not provable' then at least hold fast to the 'Word of God', for as soon as you listen to it with faithful sincerity it can also kindle a small light in you, and much will turn out to be comprehensible and believable to you which cannot be proven to you either. Just try to establish contact with the spiritual kingdom in some form or other, be it in thought or through your will for your Creator, or through labours of love, which are an absolutely certain bond with Me Myself

And you will discover secrets which will unveil themselves to you in order to help you travel the last short path of your development successfully But don't just live indifferently, don't just let your corporal wishes dominate your every thought, for I created much around you which could stimulate you to think You are surrounded by all kinds of miracles which are the products of My love and My might, which should give you evidence of Me Myself And then try to establish the relationship with the One Who reveals Himself to you in creation Then you will be saved from the appalling fate of having to go through all these creations again. And you will be liberated from the form and able to enter the blissful kingdom of spirits, where you will live in freedom and light, in beatitude

Amen

Call daily upon the name of Jesus

With Me and in My name you shall start every day, deal with every undertaking and thus fulfil your daily tasks, and you can also be certain that your work will be blessed, be it earthly or spiritual activity. But as soon as you walk alone, that is, without having asked for My assistance, you will do a lot of pointless work, you will have to struggle with difficulties or it will not always be successful. Just a heartfelt thought of Me will already assure My assistance, and if you consciously call upon Me for My blessing and support then everything will turn out just right by itself, and you will be able to calmly carry out your day's work. You should always know that you are besieged by dark forces which are able to access you if you fail to surround yourselves with a protective wall by calling upon My name, by appealing to Me for blessing your work. And once they have gained access to you it will be far more difficult to repel them again than it would be if you had refused access to them from the start. For they weaken you will, which can only catch up with what it had neglected to do by summoning all its strength: by calling to Me for help.

The battle for your souls is constantly fought, and your victory is often made difficult by these dark forces, but this is frequently up to yourselves, because you can request unlimited strength and should always do this

through heartfelt prayer for My guidance, My protection and My blessing This is why you should never start your daily work without Me, you should call My name in your heart, appeal for reinforcement of your will and completely hand yourselves over to Me Then I can protect you from your souls'enemy, then you will be surrounded by countless beings of light who will refuse to admit him, then you will cheerfully and free of worry carry out your daily work in the awareness of strength and inner peace. And then nothing will be able to upset you anymore because you know that I Am always present and arrange everything.

The inner bond with Me is the best guarantee for bringing all your plans to fruition, be they earthly or spiritual affairs, for then I Myself can always influence you and your thoughts and direct your actions such as is right and beneficial for you. Yet as soon as you isolate yourselves from Me, as soon as you loosen the connection, different thoughts transmitted by My adversary will begin to dominate you and deprive you of your inner calm, they will worry you and leave you open to bad forces which will continue the work of inner disintegration and discord, so that even your daily work will not be blessed and your soul will be at risk of being captured by him.

And again, you can only release yourselves from this danger if you take refuge in Me, for I Am ready to help you in your spiritual difficulty at all times. But without Me you cannot free yourselves from him and his influence, without Me you are too weak and therefore at his mercy. However, you can avoid all such pressures if you hand yourselves over to Me and My protection time and again, if you always appeal for My blessing, if you commend your physical and spiritual wellbeing to Me and never neglect to call upon My name and thereby openly acknowledge Me in Jesus Christ Then you will be erecting a wall which My adversary will not be able to pull down, for he will take flight from Me and My name, and thus he will also let go of you if you just faithfully speak My name in every adversity and danger

Amen

Original sin and significance of the act of Salvation

And thus you will be constantly reminded that I died for you on the cross I will always remind you humans on earth and all souls in the beyond who are still unredeemed, or I will bring the knowledge to you if you are not yet aware of it, because you should not be without knowledge if ever you want to achieve beatitude. Of what use is it to humanity to know about 'Jesus the man', Who ended His earthly life by being crucified, if you do not know about the spiritual significance of His crucifixion, about the mission the human being Jesus had accomplished for the sake of humanity's sins? Even if you are told 'He redeemed humanity from sin' you will not be able to find any connection, and thus they remain mere words whose meaning you do not understand. As long as you do not know the reason for your human existence on this earth you will not be able to understand why humanity is called sinful, either albeit none of you are without sin. But Jesus Christ's act of Salvation only becomes significant when you know of the original sin, which is the cause of your earthly existence per se The magnitude of this sin cannot be compared to the sinfulness of human beings, even if the latter is only the consequence of the former. But all sins a person commits on earth could eventually be compensated by him on earth or in the kingdom of the beyond, no matter how much time it might take to do so

However, it is not possible for you humans to make amends for the original sin, neither during your earthly existence nor in the kingdom of the beyond, because this original sin did not consist of an offence by an already imperfect being. It was committed by superlatively perfect beings who suffered no lack of enlightenment, who merely allowed themselves to be controlled by the sensation that they could surpass Me who became arrogant, due to their abundance of light and strength A being cannot make amends for this sin because its magnitude is beyond measure and eternity would not suffice to be released from this guilt Due to this sin the beings fell into the deepest abyss, i.e. they lost light and strength and changed into the opposite, so to speak: they lost all divine qualities and, instead, accepted all evil qualities and instincts, they became My opponents until their spiritual substance hardened completely and

they lost awareness of themselves And now I banished this hardened spiritual substance into the form, i.e. I dissolved it into countless spiritual particles and placed these into countless works of creation, which My love, power and wisdom had created purely for the purpose of guiding this fallen spiritual substance back to Me again, since it had been destined to become blissfully happy and can only find bliss with Me. Although this passing through the creation is also an act of atonement of this immense guilt, it takes place in a compulsory state, in a constrained will, and can therefore not be considered as compensation for this guilt

Hence the being eventually has to get into a position once again where it has the desire to liberate itself from its guilt voluntarily, when it can be given sufficient knowledge that it had offended and that there is nevertheless a way to be liberated from this tremendous guilt It needs to know that this is the path to the cross, that liberation from the original sin is only possible by acknowledging the Divine Saviour and His act of Salvation and that this has to be done during earthly life in order to be readmitted after the death of the body in the kingdom of light, which is the true home of every person on earth. But even in the beyond My merciful love still cares for the souls who languish in the abyss. They are informed of My act of Salvation even in the beyond and there, too, they can follow the path to Me in Jesus Christ. However, they are no longer able to achieve the elevated degree of perfection, which they could have achieved on earth by acknowledging Jesus as the Son of God and Saviour the world, in Whom I had embodied Myself in order to receive the recognition they had previously denied Me. You humans have to know about the great significance of the act of Salvation, you should not merely mention the name of Jesus as the name of a human being, Who had once lived on earth with exalted ethical aims He lived on earth for the purpose of an important mission and you should try to understand this as long as you are still confounded by it, because it depends on your understanding and good will whether your earthly progress will be successful, whether the kingdom, which is your true home, will admit you again

Amen

Every soul starts its earthly progress consciously

Many of you are not aware of the fact that they started their final incarnation entirely volitionally and that the knowledge of their earthly course of life was not withheld from them before they were allowed to embody themselves. But this knowledge did not stop them since they also recognised the opportunity to thereby end an excessively long state of torment and therefore did not hesitate to start their path across earth. That their past memory was then taken away from them had to happen to safeguard their freedom of will but that the human being on earth is experiencing this or that situation shall always be his proof that he had not rejected it earlier despite having been shown all his circumstances, his destined course of life, for he would not have been compelled to take this path had he not agreed to it himself.

Although no-one on earth will believe this assertion, yet it shall comfort those who have to bear a difficult fate on earth; they shall know that the success will be accordingly, that it could be their last short path of suffering which they will exchange with a carefree, glorious fate on departing from this earth, and they shall always remember that their time on earth won't last forever. Indeed, many people will fail even though they had been willing to complete this short earthly life successfully but no-one will lack strength either as soon as they draw this from God by establishing the connection with Him It is up to their free will, which is not influenced in any way, if they don't do so.

The prize to be gained in earthly life is too high as not to require a certain amount of effort The human being, that is his soul, cannot be granted a blissful life as a gift, he has to acquire it for himself, he has to fight for the most glorious possession, for freedom, light and strength he has to muster the will to be victorious himself. And he is able to do so in every walk of life, and the more difficult it is, the greater will also be his accomplished reward.

And if only you consider how much effort you are prepared to spend in earthly life in order to achieve a specific goal, which is truly not comparable to the said goal, then you know full well that it is just a matter of will

whether you apply yourselves to this fight And therefore you should also muster the same determined will where far more is at stake than mere earthly success and earthly happiness And if you always bear in mind that you once had been willing to travel this earthly path then you will also draw strength from this certainty and always know that One is walking with you Who is at all times willing to provide you with strength, to support you, and Who will also help you overcome the most difficult situations in life providing you appeal to Him for help No human destiny is by chance, it is appropriate to his degree of maturity and good for his blissfulness. And a person will always be able to master his situation as soon as he requests strength from God But he will have lived his life in vain if he relies on his own strength and thereby hands himself over again into the hands of the one from whose chains he should release himself in earthly life

Amen

God became visible in Jesus Christ

Anyone who professes Me will also be admitted into My kingdom, for he will already be an aspirant to My kingdom as soon as he has found the path back to Me from Whom he once separated of his own free will. He no longer acknowledged Me, and this was the sin against Me, his God and Creator of eternity, which could not be redeemed in any other way than through the conscious acknowledgement of Me Myself And in order to enable the human being to do so I personified Myself in the human being Jesus For the reason for apostasy from Me rested in the fact that My living creations were unable to behold Me Hence they turned to the one who was visible to them who, in a manner of speaking, participated in their emergence and who, despite greatest awareness, volitionally dissociated himself from the Deity Whom he, too, was unable to behold. And thus I became a visible God for you humans in Jesus Christ, and as a result of My human manifestation the reason to deny Me acknowledgment actually no longer applied But now the acknowledgment of Me at the same time also requires the acknowledgment of Jesus Christ's act of Salvation

Due to the immense guilt of the original sin a redemption from it became necessary for you humans, the guilt had to be redeemed first because I

could not accept sinful living creations anymore, or, My justice demanded an atonement for this guilt which only then would restore the former relationship between the living creations and Myself again which had been disrupted by the said sin. This act of atonement for humankind was thus offered by the human being Jesus; nevertheless, I manifested Myself in this human being Jesus for I wanted to redeem you humans from the great guilt Myself, it is just that I had to avail Myself of a human cover which then, however, should eternally shelter Me within itself, so that My beings would be able to behold their God and Creator, so that they would be able to recognise and love their Father in Him, Whom they then could wholeheartedly approach without having to vanish as a result of His fire of love

And thus everyone who acknowledges the divine Redeemer Jesus Christ has started the path of return into the Father's house, because he simultaneously acknowledges Me Myself in Him and, as a result of the act of Salvation, his original sin is redeemed. He will therefore also be admitted into My kingdom, I will come to meet My child as Father, for I Myself never separated from him, I merely accepted his will which had turned away from Me because it was free. And thus free will has to become active again and strive to return to Me. This is demonstrated by the person through his conscious acknowledgment of Jesus Christ and His act of Salvation and the conscious relationship with Him through his call and appeal for deliverance. For he knows that he is restricted as long as he has not yet found Me in Jesus Christ.

The acknowledgment of Myself is a free act of will which, however, changes a state that had lasted an eternity, which leads from death into life, out of the night and into the light For the acknowledgment of Me will also, and without fail, entail a change of character, the human being will re-enter the divine order he will leave the region which has been his abode for endless times and enter the spheres of light, albeit his body still remains on earth But the soul the once fallen spirit strives towards its home again, for the acknowledgment of Me Myself in Jesus Christ will always be associated with a transmission of strength and light so that the person will recognise what is right and good and thus his intentions and actions have to be good and right too. For now I will not leave the side of My child again

which has found Me, and with My guidance it will also reach its goal with certainty, it will be accepted as My child in the Father's house where it will live in freedom and light and blissful happiness, where it will create with Me and in My will as is and has been its destiny since the beginning

The disciple's enlightenment only happened after Jesus' crucifixion

I still have much to say to you but you cannot comprehend it How often did I speak these Words to My disciples who were certainly always around Me yet were often unable to understand **who** was talking to them and the relationship they had with the One Who spoke to them However, they were not yet enlightened by My spirit They were only able to receive My spirit after I had offered the sacrifice on the cross for the whole of humanity. Prior to this it would have been completely pointless to initiate My disciples into the most profound wisdom, even though I had done the work of preparing them before. For their work solely consisted of going out into the world to proclaim the Gospel of love to people and to inform them of Me and My act of Salvation, because it was of greatest importance for all people to regard Me as their Saviour from sin and death, the Only One who was able to set them free from the night of death. That which My disciples needed to know for this teaching ministry was revealed to them through My spirit, and thus they were able to fulfil this teaching ministry correctly, they were able to provide people with clarification if they requested it and occasionally were also able to see clearly into the spiritual kingdom Through their contact with Me and the kingdom of light they were instructed from this realm as well and so they themselves were brightly enlightened They recognised Me as their God and Creator of eternity, as their Father Who had descended to His children in order to help them in their immense spiritual adversity. But they only gained this **absolute realisation after the outpouring of the spirit**, after My ascent to Heaven As long as I still lived amongst them they regarded Me as a human being, although the Deity within Me constantly expressed Itself, both verbally as well as through the actions of the man Jesus. It had to be

this way, they had to be able to observe My life on earth until My death with complete impartiality, for they, too, were free beings whose thinking, will and actions were not allowed to be determined by any kind of spiritual coercion Consequently, not everything could be revealed to them before the outpouring of the spirit, because it would have destroyed them, that is, they would have been unable to deal with it mentally and neither would they have been able to become suitable messengers for My teaching of love, who were to go as My Own among people and were likewise not permitted to provide them with compelling evidence of faith. I knew My disciples, I knew their state of maturity and always gave them what they were capable of understanding but the realisation came to them in a flash when My spirit poured out over these disciples. Every person will be taught in this way if I Myself can ignite the light in him, and only then will more profound wisdom, of which he previously had no understanding, be made accessible to him. Nevertheless, you, My disciples of the last days, shall spread the knowledge you receive across the world again, for it can contribute to a person's desire for My spirit But **only then** will the knowledge he previously accepted with his intellect make him happy, but first it has to enter his heart in order to come alive then the light of realisation is ignited in him And therefore you should always proclaim My teaching of love first, for only love enables Me to pour out My spirit, love alone kindles the light, for Love Itself is the light of eternity, and anyone who lives in this light has truly escaped the darkness, all secrets reveal themselves to him, for I manifest Myself and he will be blissfully happy

Amen

Responsibility of parents and children

You start your earthly existence as a human being in complete ignorance. The soul is still shrouded in spiritual darkness because it first has to reach a state of self-awareness before it can get started with dissolving its dense surrounding cover. It can already do this without having received particular knowledge, for it can express its good **feelings** at a very early age even though it does not act in relation to a certain amount of **realisation**. But the

BD 7149

human being always has to be cognisant of himself otherwise his thoughts and actions could not be appraised. Such a child develops its spark of love early on; it is good, because it is motivated to do so from within whereas another child in the same state of self-awareness gives in to **bad** impulses within itself, even though it feels a slight sense of wrong doing inside itself. In both cases one cannot as yet speak of realisation, but the spark of love is placed into every human being, and children's initial behaviour is therefore only different because their souls react differently to inner urges, but every child is nevertheless conscious as to whether its behaviour is good or bad once it has reached the stage of self-awareness.

And now the child slowly receives knowledge too it gets acquainted with the laws of order, that is, it begins to understand increasingly more, and it will also experience the effects of good or bad on itself it is taught the concept of good and bad, and again people will react differently as they grow into adults, depending on whether they kindle the flame of love in themselves and allow themselves to be influenced from within. And accordingly their realisation will either grow or the soul's initial blindness will remain, for the knowledge given to the person from outside need by no means become realisation, rather, it only becomes it when the human being's love brings the knowledge to life Knowledge can certainly satisfy the intellect, yet it will always merely be a deceptive light without strength to illuminate the human being's soul, and therefore the soul continues to stay covered by layers. The human being, however, will be held accountable from the moment he is aware of himself, from the moment he is able to hear the voice of conscience thus, when his perception of good or bad has awakened within him, which can happen sooner in one and later in another child, but which is a prerequisite for its responsibility of its actions. Yet the weakness of a soul which has to give up its earthly life at an early stage is always taken into account. The degree of maturity as well as the knowledge the human being was given so far will always be considered. For complete realisation cannot be applied as a criterion, since this can only be gained through love.

The human being, however, is assessed according to his love, and this can be ignited into a flame in every person, but the spark of love can also be stifled, and that always also indicates adverse thinking and doing, which

appear as soon as the person becomes conscious of himself as a being which can use its will and does so in line with its soul which is wicked and unwilling to love and which will also close itself to any given knowledge ... thus `realisation' does not stifle this bad inner instinct. Only when a child can be influenced to do something good can this wicked compulsion disappear and the voice of conscience express itself more noticeably again, too.

For this reason parents carry an extra large responsibility, they should do everything to awaken love in the child, they should encourage it to carry out small helpful tasks and thus cultivate a sense of helpfulness in the children and stifle their excessive selfish instincts For as soon as the spark of love has been kindled it will also spread, and the soul will no longer be shrouded in darkness, the heart will become enlightened by itself, and then the child will already think and act consciously which will soon also result in the light of realisation, once it is given the appropriate information For love is everything and every human being is **capable** of love, because God Himself has placed into every human being a spark which is part of Himself in order to lead him from the state of death back into the state of life

Natural disaster before the end

The earth will be shaken in its very foundations, because people shall be very clearly reminded of the end just once more, so that the thought of death will arise in them when they see themselves at the mercy of forces over which they have no control. Many people will in fact wonder how these earthly tremors came about but the rapidly succeeding events will not give them time for an answer For then detonations of huge proportions in different areas of the world will follow which make people incapable of thought, these will then be accompanied by a raging of the natural elements with inconceivable consequences, the extent of which can only be assessed by the survivors after the event. They will be inclined to believe that people's scientific experiments had been the cause of this incredibly

enormous work of destruction. However, they will be mistaken It is My voice which will and must resound forcefully, because people no longer listen to My gentle voice, and for their own sake a last rescue mission before the shortly ensuing end is still needed. Countless people will thus lose their lives, good and evil people will fall prey to the work of destruction but it can still be beneficial for the survivors if they learn their lessons from it, if they learn to recognise Me and henceforth walk their path together with Me I have long announced this event in advance yet meet with little belief, because people are unable to imagine a natural disaster on such a huge scale and because nothing of the kind has ever been experienced since the start of this earthly period Yet it has always been mentioned, and if people only had a shred of belief in My Word they would also expect one day what was announced to them a long time before. In the last days, however, all faith has vanished and even My Own find it difficult to take these proclamations seriously although they are willing and always united with Me by love.

However, suddenly and unexpectedly the first signs will become apparent, cosmic changes will manifest themselves and everything seems to leave its lawful order; strange observations will be made regarding the movements of the stars and for short periods of time alarming eclipses occur, but time and again an apparent period of calm will follow until the elements of nature are so suddenly and dreadfully unleashed that no-one will have time for considerations, and then the only help available will be to mentally call upon Me for protection in greatest peril and danger All people who had previously accepted the information even if it didn't seem credible to them will be greatly blessed because they will know about this only way and need only call upon Me in spirit and in truth. But many of them will be incapable of thought and I can only advise them to turn to Me beforehand already by appealing to Me for protection and I will accept this request, because it also demonstrates their faith in Me which I then clearly want to strengthen How the event will come to pass need not be explained to you humans since it would not benefit you; but you can believe the fact that it will happen and that it will exceed the hardship and misery which has occurred until now. And you can also inform your fellow human beings of it with inner conviction, for it can only be a blessing to know that everything is predetermined by your God and Creator, however, not in order to cause

you harm but only to help your souls which are in extreme danger of going astray. For soon afterwards the end of this earth will occur, however, this will not be precipitated by Me but caused by human will which I nevertheless won't prevent from accomplishing all-destructive experiments, because the time has come for the unspiritual human race when a separation of the spirits will have to take place because all that which had left the divine order shall be led into order again, so that the faltered higher development can continue to progress on a new earth, which My love, wisdom and might will let arise again corresponding to My eternal plan of Salvation

The Word of God: Unadulterated truth

Why do you humans hesitate to accept the pure truth? I herewith speak to those who reject spiritual knowledge purely because it was received in an unusual way, because it was not acquired through study or intellectual thought but clearly reveals that it flowed forth from a different source. Why do you value the knowledge you possess so highly that you are unwilling to let go of it? Who guarantees you the truth of this knowledge, which certainly was passed on from person to person time and again but which was naturally also always subject to changes because nothing remains as pure as it was given to the imperfect human race in the past. I, the Eternal Truth, will always take care that the pure and unadulterated truth is conveyed to people but, for the sake of their freedom of will, I cannot prevent this pure truth from being repeatedly spoilt. But it should also make sense to you humans that no guarantee can be given that it will be kept clean Hence, each one of you should be able to understand that time and again I will make sure that people will be able to live in truth and you should be grateful for this and longingly accept this truth as soon as it is offered to you. But what do you humans do? You are hostile towards those who offer you something very exquisite; you shake them off you like irritating insects and thus throw away the opportunity that I speak to Myself and 'guide you into truth', as I have promised. You are satisfied with something that has become worthless, with nourishment which no

longer contains any nutrients, for your soul is meant to mature fully during your life on earth and, for this purpose, needs hearty sustenance which only My Word, which is the truth from God, can provide. If, however, it is offered food which no longer contains any strength whatsoever, the soul cannot possibly mature And this food is the knowledge you traditionally adopted, of which you did not even once seriously form an opinion but which you diligently endorse as truth and ignore the pure truth from Me, which is offered to you by My love time and again. Admittedly, as human beings you believe yourselves incapable of judging what is truth or error and likewise deny this power of judgment to your fellow human beings and, therefore, insistently adhere to the knowledge you possess but you forget that I Myself the Light of Eternity want to bring light to you as well and certainly have the power to do so. But on account of your freedom of will My activity must take place within a natural framework, otherwise it would be easy for Me to address you loudly and clearly from above and inform you of My will. And thus I repeatedly transmit the truth to you humans in an entirely natural way, as I have promised. For My Word 'Heaven and Earth shall pass away, but My Words shall not pass away' is also a confirmation of this, because only the **pure truth** is My Word If this is to remain, I must convey it to you over and over again in all purity, because people do not protect it from becoming spoilt, because people change and distort both its words as well as its meaning as long as they have not awakened their indwelling spirit, and because this spiritual awakening has only rarely happened with those who deemed themselves called to interpret My Word.

You humans move within a tangled mass of error you usually merely hold on to words whose meaning you don't understand Nor do you know the correlations, because the knowledge of this is only the result of the awakening of the spirit Neither have you got the deep desire to hear your **Father's voice**, if you actually listen to the 'Word of God'.... It is more an involvement of the intellect than the heart, and I Myself can only speak to you through the heart, thus My Word bypasses your ears ineffectively Besides, you can only receive the pure truth from Me if you **seriously desire truth**, because then you will also desire to enter into contact with Me as the Eternal Truth, because through your desire you also prove your love and your faith in Me. Consequently, you humans, who reject the

messengers wanting to bring you the truth, know that you are without love and without faith even if your mouth says otherwise You know that your Christianity merely observes formalities, that it is not a living Christianity, otherwise you would have come alive and would also be able to speak of the 'working of the spirit' in you that your thinking would then be guided right through the spirit. Then you would also learn to distinguish between the pure truth flowing forth from Me and the 'additional human work'.... the teachings, which certainly originated from Me once but which have become so distorted by people that they can no longer be described as 'My Word'. But the fact that I constantly convey My pure Word to you again ensures that you receive the 'pure truth', which can only originate from Me, the Eternal Truth. For this reason you can only receive it again **directly from Me** or be taught by those who receive it directly for your fellow human beings will be unable to guarantee that they distribute **truth** if they gained the knowledge intellectually or adopted it according to tradition. You must always take into account that the truth will never remain pure as soon as it is guarded by imperfect people unless they are enlightened by My spirit. But they will also unhesitatingly condemn and denounce what does not correspond to the truth from Me The living water will always have to be drawn from the source. I Myself, as the Eternal Truth, will always have to be the **origin** of the knowledge you humans ought to accept as truth, and therefore you will always have to establish the bond with Me Myself first if you want to gain possession of truth But you can rest assured that it will not be denied to those of you who earnestly desire truth

Amen

Man's conscious work of improving his soul

Nothing should prevent you from carrying out the work of improving your soul, for this alone determines your fate in eternity. And no-one can relieve you of this work; no-one can do it for you. And therefore every day your soul hasn't made any progress is lost, even if you just carry out a single deed of love it helps your soul to mature. Every day that has only satisfied your selfish love, that has only benefited your **body**, is a lost day, for as soon as the **soul** had to starve the day was lived in vain. And yet you could easily progress, for you are offered many opportunities where you can prove yourselves, where you can carry out this said psychological work opportunities, where you have to defeat yourselves, where you have to fight against longings or all kinds of bad habits, where you can please with kind deeds, friendly words or helpful acts, which always result in spiritual advantages for your soul

Time and again opportunities will arise when you can enter into heartfelt communication with your God and Father in order to derive a blessing for your soul And time and again you can listen to the Word of God or read it and thereby provide your soul with very special help by providing it with nourishment which enables it to mature. And no matter how lucrative your days will be for you in regards to earthly profit, a **good deed**, no matter how small, is deemed far more valuable, for it results in profit for the **soul** which it can never lose again. But it cannot keep what the body receives; they are just borrowed goods which can be taken away again at any time. And therefore you can also cause daily damage to your soul if you burden it with sin if you lead a bad way of life and add many additional sins to the existing original sin, which only your **soul** will be answerable for one day, because it is immortal. Hence you should not spend your days thoughtlessly, you should thoroughly consider what you are doing, and you should try to take more care of your soul than of your body, for the **soul** is your **real Self** which has to travel the path across earth in order to mature **fully**, in order to attain perfection, which it can only achieve on earth. But this also necessitates your will with which you consciously have to fight against weaknesses and all kinds of faults

Consequently, if the human being wants to become perfect he will also have to request the strength to live in accordance with God's will, that is, to accomplish deeds of love which then will surely be granted to him. He has to live life consciously, always aiming to perfect his still imperfect nature, and make every effort to do so. Then he will be impelled from within to act with love he can't help himself but do kind deeds, and thus he will also be able to progress spiritually every day And then he will not let himself be held back by worldly enticements either For once he is serious about accomplishing his goal of achieving perfection he will always put his work of improving his soul first, and then he will also always receive help from the spiritual beings guarding his earthly life who time and again try to influence his thoughts such that he thinks, speaks and acts in accordance with God's will For the only purpose of earthly life is the maturing of his soul which, however, is rarely recognised, and therefore the soul's fate is often an unfortunate one, albeit due to its own fault, for the human being is time and again informed why he lives on earth if he doesn't want to believe it, his soul will have to pay for it one day by taking the darkness across into the kingdom of the beyond, with which it had come to earth as a human being

Amen

Suffering as means of purifying the soul or love

Whatever contributes towards the soul's maturity will often be experienced by you as a burden or hardship, for it is frequently the means of assisting the purification of the soul in order to make it wholesome and receptive to light. Nevertheless, an exceedingly effective means exists which is less painful for you humans: Acts of selfless neighbourly love Then the soul will mature very quickly, it will constantly acquire more strength and will reform and change its nature through love. However, for the most part you humans lack love, you still harbour much selfish love, you have not yet become completely unselfish in your thinking and actions, and therefore the soul's purification needs to proceed by other means, such as suffering and illness, worries and adversities, which will then burden you and demand all your

faith in order for you to free yourselves of them again. For in profound faith you would be able to entrust all your problems and sufferings to Me, you would be able to hand them over to Me and subsequently also be certain that I will take them from you. But this profound faith is, again, only the result of love And thus it will always remain a matter of greatest priority, love cannot be excluded; love is the correct and most certain means of freeing yourselves from illness and suffering, from all kinds of worries Yet, on the other hand, you don't realise what blessings arise for the soul if you humans also patiently take all burdens upon yourselves, if you humbly endure everything for the sake of your soul's maturing For no soul is already so mature that it, on passing away, will be of such crystal clarity that My light of love would be able to permeate it without obstruction

Blemishes more or less still cling to every soul, and the more of them it can discard on earth the happier it will be on entering the kingdom of the beyond and thank Me, its God and Father, for the time of trial on earth, regardless of how difficult it had been. And every day in earthly life is, after all, only an opportunity for testing, every day is a possibility for the soul to gather spiritual riches, and every day passes by and the length of time until its passing away from earth is getting ever shorter It won't last forever, but the state of the soul, if it is imperfect, can last eternally And if you humans would only ever consider the suffering you have to endure as a means for purification, as the condition for a cleansing of your soul from all weaknesses and flaws still adhering to it, you would truly bless the suffering and be glad of it, because it will result in your spiritual progress and one day you will also realise why it was necessary during your earthly existence. You should learn to look at every day as a step on the ladder to perfection but you will also have to climb it in order to reach the goal. One day you will realise how useless those days were when you didn't have to endure anything unless you spent them by being lovingly active Then the measure of suffering will also diminish, and there would truly not be so much hardship and misery in the world if people practised love, if they made an effort to carry out selfless works of love and thereby improved the maturity of soul in the most natural way. But if you have to suffer then be grateful for it and, despite everything, strive to shape your nature into love, for your life on earth is only short yet it is decisive for the whole of eternity.

Amen

The cause and origin of the creation

The incidents which happened in the kingdom of the spirits were the cause of the origin of the creation, [that is] the entire universe including all of its creations of the spiritual and the material kind. Prior to the originating of these creations was nothing but the spiritual kingdom. It was [a condition] of immense blissfulness within which spiritual beings enjoyed themselves of their existence and, by their possession of power and light, were able to create, according to their destiny.

And again, this creating consisted in spiritual creations, i.e. the thoughts and ideas that [then] emanated from God towards those beings which they thus converted by immense bliss into reality, because the power to do so was at their disposal and they were also capable of using their will [power] in a free manner. And there was [certainly] no need for this blissful condition of the spirit-beings to be changed, ever; and as long as their love for their Creator remained unchanged within them and they thus were being saturated with the divine light of love, they didn't need to fear neither restriction of their power nor a reduction of their light.

But then [eventually] the condition occurred when a new view opened up to the beings when, on the part of the first created being, the light carrier Lucifer, the Divinity [God] was presented to be doubtful because It was not visible [i.e. as a visible being]; when he [Lucifer] himself pretended to be the one from whom all the spirit-beings emerged and he thus expected from them the acknowledgement of being their god and creator instead.

Hence, the beings were thus put into a conflict because their love [really] belonged to the One Who [basically] created them. But Lucifer's presentation confused them; in fact, it appeared more plausible since Lucifer was shining in [full] light and radiance and a being above him they certainly could not imagine. Except, though, there still remained the light of insight within them according to which they also held doubts against Lucifer's presentation.

But by now clear moments started to take turns with slightly dull ones and the more the being devoted itself to the latter ones the longer the phases of darkened thinking became; or with other words: the one's thoughts became

clear and the being most clearly recognized its origin. And [thus] Lucifer was not able to dull the insight of the latter any more. The former, however, got under his control quite quickly and followed him and considered him as their god and creator because they rejected their enlightened moments which repeatedly occurred to them as well, prior to the taking place of the final fall into the abyss.

The undiminished power of Lucifer at the beginning had created a numberless army of most blissful spirit-beings, and from this abundance of his creation a wrong self-consciousness grew within him. He did not see the Source anymore from which he had obtained that power, but he only considered the proofs of the power which had flowed through him, and all this he wanted to keep just for himself even though he knew it equally belonged to the One from the power of Whom he was allowed to draw.

Yet, he also wanted not only to possess it but also to dull the light in these beings which most distinctly revealed their origin to them. And he thus managed them to be caught in a conflict which also lessened their blissfulness and hampered their creative activity, until they made a final decision for their lord and, by that, the beings and the light-carrier as well forfeited their power with the light and plunged into the darkness. And that one spiritual event, which can only be explained to you humans in broad outlines, was the cause for the coming-into-existence of the endless creations of the spiritual and the material kind

These creations are nothing but a transformed, broken away spiritual. By this break away from God, which is an endless remote distance, it [the spiritual] became continuously harder in its substance the farther it fell. Now, this must be understood like this: The spiritual power from God, which drives for a continuously livelier activity, was not able to touch this spiritual anymore because it was fighting against [the spirit of God]; and thus [its] activity came to an end, the mobility, the life came to a stop. And the remainder was completely solidified substance; actually power originally emanating from God, now having become completely ineffective.

But God's love and wisdom had originally destined another purpose to the spiritual: Constant activity according to his will which, at the same time though, was also meant to be the will of the being itself. The spiritual beings

had violated against their assignment, they wanted to use their power with an intention opposed to the will of God, but they were not able any more; due to their breaking away they deprived themselves of their power. By now God's love again took a hold of the completely solidified spiritual that did not recognize itself anymore, which was just a conglomeration of contrary-to-God spiritual substances.

God's power of love dispersed these substances and let the most versatile works of creation arise from them. He thus reshaped the power once emanated from Him, so to speak; He established the destination for every single work of creation that was now certainly achieved in the law of fixed regulation [matter]. [This happened] to the extent of a now forced activity of the disintegrated spiritual, even though without any self-awareness of which it was in possession as a spiritual being once before.

Basically, then, the [material] creations are nothing else but that which has originally taken its beginning as a being from God, except in a completely changed condition as far as its perfection is concerned. For all creations are or contain only an imperfect spiritual that is on the path of return to God. The perfect spiritual beings [originally] were in no need of material creations; they brought forth their ideas and thoughts from out of themselves but, again, those were actually just spiritual creations of their own wants and thinking and of their unlimited power.

It was a world within which there was certainly nothing found but a perfect. There were no flaws, no limits and no inadequaciesFor these did not emerge until the universe contained disloyal-to-God-beings who, being imperfect needed [mortal, outer] shells within which they were forced to activity. Hence, then, wherever there are any kind of forms there is also an imperfect spiritual captivated within, and the more solid those forms are the more hardened and opposed-to-God is the spiritual bound in it.

But even the form itself, matter, consists of such imperfect substances, merely held together by God's power of love to serve the one purpose: As carriers of spiritual beings to help these towards the climb. Divine power of love surrounds all of these spiritual substances, but it does not act forcefully upon them to the point were it would break their resistance by forceNevertheless, it is true, the work of creation has to, according

to the will of God, carry out a certain activity but the spiritual [contained] within is not being forced to turn to God.

And that's why it is also possible the spiritual that belongs to a primal being covers the whole walk through the works of creation up to the last embodiment as a human being and still, it has not given up its resistance towards God because it is its free will that needs to achieve such, leaving also the possibility for it to again turn to the lord of darkness as well. But the continuous activity in the law of fixed regulation mostly accomplishes a decreasing of the resistance against God because the spiritual [in matter] does sense a certain pleasant feeling even at the slightest self-initiated activity, since a certain application of power fits its original being.

The countless star worlds, i.e. all the creations contained in them, are the result of that one falling-away, once, in the realm of the spirits. They will still remain for eternities, there will continuously arise new creations for the sake of making it possible for all the fallen ones to return to God. Eternities will pass by until the work of return will be completed, until even the last solidified spiritual will be dissolved and be able to enter the path of return But once all those creations will be spiritualized, once again there will be but one spiritual world where all the spiritual will be active with the same will of, and with God, and will be incomparably blissful Once God will have reached the aim to be surrounded not just by creatures but [rather] by children to whom He can give the greatest blissfulness, because His endless love urges Him to constant happiness and also does not let Him rest before He has reached His aim.

Amen

Nothing can cease to exist

Gate of death

True home

You humans must never forget that I Am a Lord over life and death that all the strength which is needed for life flows forth from Me and that I Am also able to end all life by withdrawing My strength However, since I Am the primary source of all strength, it will also correspond to My fundamental nature that I will only ever grant life, guiding what is dead back into life, because the state of death thus, complete lack of strength does not correspond to My fundamental nature and therefore cannot ever be intentional on My part. I certainly have the power to destroy what I once brought into being, and this would in fact impose utter death on the being but it does not correspond to My perfection either to discard or change once determined resolutions

Once something has emerged from My strength which was awakened to life through My will and My might, it will also exist forever, merely its composition can change because this is determined by the being itself. Hence the **being** itself is able to bring death upon itself, and yet it is not its own master, but I Am the Master even over death that is, I will not allow the being to remain in its self-chosen state of death forever; I will not rest until it has regained life, for nothing is able to **permanently** resist My strength and might, and even My adversary who once caused this transformation from life into death is unable to prevent Me from sooner or later imparting the energy of life to the being again anyway, thus to awaken it from death into life

I Am a Lord over life and death Consequently I also determine the hour when the human body the spiritual being's temporary cover will release the latter, when the physical life is thus concluded by 'death', but this death is only a change of the external form again. For what had once emerged from Me can never cease to exist again, it is not subject to the law of death, which is indeed the fate of all things of this earth but not that of the 'spirit' within the material form. But I even determine the hour of the earthly demise Myself, if the human being will not manifestly oppose Me

and end his life himself and thereby indeed prolongs the state of death for an infinite time again, but he will never be able to end his existence

And since you now know for certain that you cannot cease to exist anymore, and that the duration of your earthly life is determined by Me, you should confidently put everything into My hands, for I truly know what signifies 'life' for you and how you will be able to attain it I also know that you are only able to enter into life by the gate of death, but this gate of death is just an entirely natural process without which true life is unthinkable. As yet you live on earth but your true home is the spiritual kingdom, and the step from the former into the latter kingdom has to be taken. But then life will be indestructible, then you are granted strength and light and freedom, and only then will you be and remain forever blissfully happy

Amen

Everything that happens serves to perfect the soul

There is purpose and reason in everything that happens, because everything depends on God's will and is therefore also wisely considered by Him and arranged by His love in a manner that benefits the soul of the human being. The decisive factor is always the effect on the soul, which can certainly be negative if the person's will so decides, but it is always possible to be positive too. The body often has to accept various kinds of suffering and ailments; but as long as the soul's spiritual development is progressive these afflictions are insignificant, because they only last a limited time, whereas the soul's state of immaturity can last for an eternity and will cause it appalling torment in the spiritual kingdom. The human being should always be conscious of the fact that God's love, wisdom and power determines his destiny, that nothing happens to anyone arbitrarily, that nothing is coincidental, that a kind, devoted Father at all times wants to help His lost child to find its way back to Him And therefore the human being should at all times call upon God as his 'Father' and thereby show Him that he wants to return to Him. He should always humbly accept God's will, even when he has to carry a cross which appears to be almost

unbearable, because Someone will come to his aid and carry his cross with him, if only He is asked to do so.

But whatever the human body endures in this life will be gratefully understood by the soul one day, when it can leave the body in order to enter the kingdom in the beyond in a pure and clear state. Although divine love wants to spare every living creature suffering it cannot be avoided because the human being on earth does not consider his soul enough to do whatever it takes to remove its impurities. And thus help is needed which is frequently painful but which nevertheless promises success. But the certainty that everything is God's will, Who is love Himself, should enable you humans to bear everything with greater ease and it should be a comfort to you too that you are never left to your own devices, that there is always Someone Who cares about your spiritual maturity and wellbeing. And He will never allow that anything should happen to you without reason and purpose, because His love, wisdom and power is limitless, and His love and wisdom will forever be the decisive factor when His will and His power express themselves.

For this reason every minute can be of benefit to you, you can derive spiritual achievement from every experience, from every event, from every physical adversity which you encounter. Because as soon as you learn to view it as a means of help for the maturing of your souls you will also do whatever it takes to help the soul to mature. Your cross will soon be taken from you, since it is only a burden to you until it has served its purpose. If, however, you want to live your earthly life entirely without suffering, you will also have to be pure love and only few people will reach a level where their souls will purify themselves through love. More often than not they will require suffering as a means of help, because the time of their earthly life is only short and yet should yield the greatest possible perfection for the soul. Hence you should bless the suffering too, surrender to it and thank your Heavenly Father for His love for you, which only ever wants the best for you

Amen

The right Father-child relationship

Except ye become as little children, ye shall not enter into the kingdom of heaven'It is an odd statement that I expected you to become children, after all, I gave you a whole lifetime, from infancy to old age, so that you shall mature on earth. However, you should not use a child's deficiency and lack of understanding as an example but the childlike trust towards the Father, which makes My Fatherly heart receptive, which I will not reject, which opens the kingdom of heaven for you It is the truly childlike faith which a child places into its Father, the trusting pleas which ensure that I will grant them; it is the humility of a child which can therefore receive an abundance of blessings. And can any love ever be more pure and unselfish than that of the child for its Father? A child does not first intellectually assess the feelings it has for the Father; it is driven by its heart to the Father and only the heart takes the direct path to Me and completely hands itself over to Me. And where the heart of a person is moved by such love, My Word is confirmed, for he will truly enter My kingdom, because I will never ever let go of him again, I will draw the child to My heart and bestow eternal life upon it in blissful happiness Furthermore, My Words are intended to tell you that you humans will hardly reach your goal on earth by using intellectual thinking that therefore increasing adulthood, the fulfilment of life or even intellectual conclusions cannot replace the childlike love for Me that the right kind of relationship with Me must be that of a child with its Father, for this relationship includes everything needed for the attainment of psychological maturity: Love, humility and complete submission to My will But how many people establish this heartfelt relationship with Me how many are capable of calling upon Me in their heart as a Father Who takes care of His child with burning love and helps it in every adversity and danger And how few take hold of Me with their childlike love and thereby inextricably chain Me to themselves. These people, however, have acquired the kingdom of heaven, for it automatically comes to those in whom I can dwell, drawn by the love of My child. And thus you will understand that I do not regard those who are great, instead, I bend down to those who are small; that I do not value what the human being achieves or has achieved with his human abilities and their training,

instead, I only look into his heart as such, and that every ray of love I discover therein is pleasing to Me, for this ray of love has nothing to do with human abilities, it was solely kindled through the heartfelt bond with Me, which characterises the right Father-child relationship. And therefore only a `true child' will take possession of My kingdom, as I have promised through My Word

Explanation of the many cases of death: Closing the gates to the beyond

The gates through which the souls entered the kingdom of the beyond will close again for a long time. This can only be comprehensible to those who are aware of the fact that a period of Salvation comes to an end, who know that it will end with the renewed banishment of the souls which failed their test of will as humans, which descended again into the abyss and which therefore will have to repeat the infinitely long process of development through the creations of the new earth. Until this end arrives the gates into the kingdom of the beyond will remain open, that is, all those who depart from earth until then will still be accepted in the kingdom of the beyond, in the realm of the spirits, and they still have a short period of time at their disposal to work their way up from darkness to light, supported by much help so that they won't still descend into the abyss and have to experience the same fate: to be banished into hard matter. It is therefore a huge blessing if spiritually immature people are recalled earlier, if they don't stay alive until the end of this earth for they will then have almost no possibility to find God and to call upon Him for mercy anymore. And many people are currently on earth who are simply too indifferent to endeavour towards psychological maturity but who cannot be numbered in the satanic camp either yet who are in utmost danger of still falling prey to him before the end. And God still wants to give these souls an opportunity to raise their state of maturity a little Therefore, he recalls them prematurely For the time of redemption granted to the spiritual beings embodied as human beings is irrevocably coming to an end and the significance of this can only rarely be grasped by a person.

BD 7170

For a separation of the spirits will also take place in the spiritual kingdom, even in the kingdom of the beyond untold souls still linger in profound darkness since all attempts to redeem them have been in vain and thus they must share the fate of those who will be banished into matter again. This is why eager redemption work also takes place in the kingdom of the beyond, the Gospel is preached to the souls in darkness as well, that is, they are offered the opportunity to listen to it but they are not forced to do so Everything will be done in order to save what can still be saved, because God would like to help every soul to receive a little light during this period of Salvation, because His infinite love would like to spare every soul the appalling fate which is granted to those who are still completely in the adversary's hands and from whom they shall be snatched But anyone who knows their destiny will find a certain comfort in the fact that God recalls people prematurely, for he knows that it is an act of mercy for those souls so that they will be able to escape this appalling fate. For helpful beings of light are exceedingly willing to work on every soul in the beyond, and everything conceivably possible will be done in order to guide them upwards a few steps. Then they will have escaped the danger of descending into the abyss again and they will be spared a repeated progress across the earth. However, with the end of the earth even this opportunity of being accepted into the spiritual kingdom and to continue maturing will be over, for at the end only satanically-inclined people will exist next to the small flock of those who remain faithful to God and whom He will fetch Himself on the Day of Judgment. And therefore, everyone should be grateful if he does not have to experience the end, for a ray of hope shines for him in the fact that he has found mercy and will not have to go astray

Amen

Purification of earth

And there will be a new earth again on which people will be closely united with Me and thus live in accordance with My divine order. But this state can only be achieved through a cleansing process of earth so that the old earth will be shaped again such that everything will be back in its right order which, however, does not imply that this order can be established on the present earth, as so many people want to believe because they can't bear the thought of an end of this earth. The forthcoming purification process will be thorough but first it will affect all people who no longer live within My eternal order yet it also includes the works of creation themselves because the bound substances therein will require new forms in order to achieve swift spiritual advancement and because I Am first and foremost concerned about the spiritual substances which have languished in hard matter long enough in order to be finally permitted to start their path of ascent A change towards Me would never happen again on this earth because people reinforce My adversary's power which he will only ever use so as to achieve an even greater apostasy from Me. And as long as the adversary is not bound together with everything that belongs to him the low spiritual level will not only remain as it is but become progressively worse so that a state of harmony on earth can no longer be expected.

Therefore I will carry out a thorough cleansing, I will dissolve everything on earth that shelters spiritual substances and let a new earth arise with completely new creations which will be occupied by the spirits for the purpose of higher development And I will only populate the earth with people of such advanced states of maturity that they will be able to endure a blissful life in paradise with people who remained true to Me in the last battle on this earth and whom I therefore will return to the new earth as the root of a new human race Every new period of Salvation starts with a spiritually mature generation which shall influence future generations by showing them the path of ascent and helping them to reach perfection. And since My adversary will be bound people will not be oppressed by him at first either, consequently it will be a heavenly state for a long time where all living creations, people and animals, will live together in harmony and peace, where love will continually urge people into constant union with

Me, where I will be able to be present with them and thus people will be blissfully happy, until the time comes one day when the bond begins to ease, when material things once again exercise their attraction and when the desire of people will loosen My adversary's chains without being hindered by Me, because the test of free will, which previously was completely turned towards Me, shall become necessary again

Every period of Salvation returns many of the once fallen spirits to Me. If I therefore did not put an end to the present state there would truly be no further spiritual progress, for I, on My part, have granted the adversary the right to fight for the beings as well. But he abuses his rights by overstepping the limits of his authority, insofar as he tries to prevent people from receiving knowledge of Me, their God and Creator of eternity, altogether However, earthly life was given to the human being to decide which lord they want to belong to, consequently they also need to be informed of both lords and this is what My adversary tries to prevent by using all possible means. And therefore I will put an end to his activity, he and his followers will be bound and I will first of all establish lawful order again everywhere so as to safeguard the fallen spirits' higher development in accordance with My plan of eternity.

Amen

Painful teaching methods

You will become increasingly more aware of how urgently you need help, which no human being on earth can provide for you. For you will be overwhelmed by such an obvious impact of forces which only I will be able to stop be they natural or fateful events which human help cannot resolve but which have to happen to you humans if I still want to win you before the end. You will hear increasingly more often about accidents and natural disasters, and as long as you are not affected yourselves they sadly all too often will pass you by without having particularly affected you. And yet they could suffice to make you think, and you could be spared the same fate yourselves.

But your indifference often forces Me to let the same hardship and misfortune happen to you as well, because I only want to achieve that you appeal to Me for help ... that you turn to Me in your adversity and learn to recognise that there is only One Who can and will help you if you ask Him to. As long as your daily life proceeds without specific incident your indifference is frightening ... towards Me as well as towards your fellow human beings in distress. If, however, you are affected yourselves then you will wake up and take stock of yourselves. And yet, one day could be as peaceful as the other with the right attitude towards Me, if you would enter into a Father and child relationship with Me, which would assure you of the Father's constant protection Therefore, don't be surprised if time and again you humans are rudely awakened by most significant events don't ask yourselves why a God can be so cruel but know that your indifference and obstinacy prompt Me to use these very methods which appear cruel to you, and yet are only intended for your own good. What you find almost impossible to believe will happen, and time after time catastrophes will claim great numbers of human victims. And if you consider the approaching end you will also understand everything. Yet how few believe in this end, and how great is the number of those whose unbelief forces Me to use other methods in order to still save them before this end. And therefore you should at all times be prepared for surprises which will only ever trigger dread and fear they cannot be prevented because I don't want to let go of those who have not yet entered into a relationship with Me. And they have to be dealt with firmly. But even the most severe suffering and most dreadful experience can be a blessing for them providing they take the path towards Me Who then will also want to give evidence of Himself, so that they will learn to believe in Me and My love for them

Amen

The strength of Jesus' name

You need only voice My name with profound faith ... and you will experience its strength, you will be aware of My presence and find help when you are in trouble. But how often does the world still stand between you and Me, how often is its influence still so strong that you are barely able to detach yourselves from it in order to turn to Me with all your heart, to take the leap from the earthly into the spiritual kingdom, so to speak ... I Am not realistic to you as yet, but nevertheless I can only manifestly help you if you wholeheartedly give yourselves to Me, if you take refuge in My heart and voice My name as being utterly present to Me. You can feel this presence of Mine in your heart, but then you will never ask in vain, your request will have been granted and the strength of My name will have taken effect there and then, and you will know what it means to call upon Me with complete faith You will understand what unquestionable faith means. And regardless of how much the world besieges you, you will always be able to make such heartfelt contact with Me that it will isolate you from the world, that My strength can flow to you. You need not be afraid that I will leave you without help as long as you always turn your eyes to Me, as long as you simply want to belong to Me. This innermost wish is the decisive factor in order for Me to draw you up and never let go of you again. But you also need to struggle, for you shall grow and develop, you shall not come to a halt and get tired and half-hearted in your striving, and therefore you shall call like children to the Father time and again, and the more heartfelt your call is, the sooner it will be granted, and you will experience the strength of My name I want to possess you completely but you must come to Me of your own free will, because I only possess the child's love when it hands itself over to Me and faithfully voices My name as that of its God and Father of eternity

Amen

God wants to reveal Himself....

Oh, listen within and you will discover wondrous things God's infinite love will reveal itself to you as well as His supreme wisdom; for everything surrounding you is His work, and He Himself will enlighten you about His reign and activity in order to make you happy and to make you receptive to the bliss again that was granted to you in the very beginning. You can go through earthly life entirely ignorant but also be brightly illuminated by the light of realisation if you accept what is offered to you if you listen to God's voice Who Himself says to you 'listen within, for I want to reveal Myself to you' His love for you will not diminish and did not even diminish when you turned away from Him and fell into the abyss For His whole nature is love and you, in your fundamental substance, are likewise love. In essence, you cannot separate yourselves from your God and Creator Who is love Itself you will forever be connected with Him. However, you **volitionally** distanced yourselves from Him and are therefore spiritually unenlightened and without realisation. But the light is nevertheless **in you** a tiny spark of divine light rests dormant within you and is at all times ready to illuminate your inner being and to spread an immeasurably brilliant light

God Himself is in you, for the spiritual spark in you is part of the Eternal Father-Spirit. Allow Him to speak to you, grant Him your attention, listen within, and thereby create happiness for yourselves on earth already, that you feel close to the One Who created you and that you dispelled the dark night which surrounded you before the light was able to shine in you. Frequently look for hours of inner reflection and totally hand yourselves over to the One from Whom you originated He will take hold of you and never exclude you again, He will speak to you and you will hear His voice, you will be united with Him and not abandon this bond again, and He Himself will guide you into the kingdom of light when your course of life is over. The fact that God wants to reveal Himself to you as a **Father** is **certainly true** Yet the fact that you **desire** to hear Him and **listen** within is the prerequisite that He will be able to reveal Himself. And the more heartfelt you hand yourselves over to Him, the clearer and more distinctly you will hear His Word However, you must believe that the Father wants

to speak to His child. You must believe in His inconceivable love, and your love must impel you to Him Then you will hear what makes your soul joyful. You will become enlightened and in bright radiance take the path of ascent, you will walk heavenwards because you follow the light of eternity to the right goal

Amen

Taking refuge in Jesus

No soul can go astray if it abides by Jesus Christ, if it asks the divine Redeemer for help against its enemy. For this soul accepts Jesus Christ and He will wrest it from the adversary by strengthening the soul's will, so that it will turn to Him and detach itself from the adversary time and again. But in order for a person to take the path to Jesus Christ he must know about the work of mercy Jesus Christ, the man, had accomplished he must know about his original sin and its consequences and about the necessity of acknowledging Jesus Christ as God and Redeemer On the whole, people will indeed have this knowledge but not all of them have formed an opinion about it yet. And the latter is needed if the human being is to consciously take the path to the cross. For as long as it only remains formal knowledge, as long as the human being himself has not spent any thought on what it means to confess Jesus Christ, he will remain enchained to the adversary's power, he will still be unredeemed, because the divine Redeemer Jesus Christ will still be a meaningless concept to him, He will just be a name but not a living Saviour for his soul. But every person may take comfort in the fact that he need only hand himself over to Jesus Christ, that he need only appeal to him to save him from the enemy's power and that this request will indeed be granted because it will testify to the person's will to escape the latter and to return to God, for which the human being alone would be too weak were Jesus Christ not to grant him His help. However, this help must be consciously requested. And that necessitates the conscious acknowledgment of Jesus as the Son of God and Redeemer of the world, in Whom God Himself descended to earth in order to redeem humanity. Hence all people must take notice of Him, and thus He must be

proclaimed all over the world His progress on earth, His life of love, His bitter path of suffering and His excruciating pain and death on the cross must become livingly imprinted in people's hearts, for the dead knowledge of it alone is not enough if a person does not allow it to come alive in his thoughts in order to assess the magnitude of his own guilt, to atone for which Jesus endured dreadful suffering The human being must realise his own immense guilt and desire to be released from it, only then will he voluntarily take the path to Him and remorsefully pray for forgiveness, he will appeal to Him to take care of His weakness and to release him from the power of the one who once caused his downfall And he will not appeal in vain, for He came into the world in order to redeem the fallen, in order to save the wretched, which are too weak to release themselves on their own and therefore require Jesus Christ's help

Remorse in the beyond

Ascent

Sooner or later you will bitterly regret the time you had lost in your earthly life when you will realise in the beyond what you had forfeited in your earthly life. And lost time during your earthly life is every day which was purely spent in an earthly way, when you gave no room to any spiritual thoughts which thus did not correspond to the actual purpose that is the reason for your embodiment as a human being. As long as you live on earth you don't take this knowledge seriously, even if you have it. Yet in the kingdom of the beyond it will burden you like a heavy stone which you will be unable to shift. You will remember these days time after time, and you will regret every pointless deed, just as you will bitterly regret every missed opportunity which you could have utilized for the benefit of your soul.

And still you can be called favoured if you come to this realisation in the spiritual realm, if you don't belong to those who are utterly immersed in darkness and don't even feel remorse, because they simply don't realise what they had inflicted on themselves who will still have to struggle for a long time in order to ever get to the state when they can see a small

glimmer of light and only then realise how futile their earthly life has been For once this glimmer of light exists the soul can still be motivated by bitter remorse to turn inwards and change its thoughts and will And then it can be given enough strength to enable it to actively help suffering souls, and after that it will certainly progress, even if the conditions are far more difficult than it would have been possible in earthly life.

Hence remorse first has to precede progress, for only a soul which begins to understand will try to change its situation, and any realisation will also reveal to the soul the futile path of earthly life, which will always result in bitter regret but also signify a turning point of its wretched state. But for this reason it is also for the human being of greatest significance that he will still arrive at some, if only minimal, knowledge while he is still living on earth, that he begins to recognise the purpose of earthly life and still tries to improve himself before he will pass away from this world. For to be able to pass over with even the smallest amount of knowledge will always signify a glimmer of light for this soul it will not be moved into total darkness after its physical death, it will be able to find its way about in the twilight, and in a flash it will understand and then also do everything in order to acquire light for itself.

It will also recognise that much work is waiting for it in the spiritual kingdom if only it is willing to work, and the small glimmer of light will guide it onto the right path, which it indeed will take with a feeling of remorse for not having used its earthly life correctly yet also in constant hope for help, which it surely will be granted as soon as it recognises Jesus Christ and appeals to Him for help. Then it will not be hopelessly lost, it will be able to ascend; it just will never be able to achieve the degree which results in unlimited beatitude at the Father's heart the childship to God, which is the fate of those who on earth endeavour to fulfil the task they were given who already on earth looked for and found unification with their Father of eternity

Amen

Rejection of the divine Word in spiritual arrogance

Anyone who rejects the Word of God in spiritual arrogance when it is offered to him through My servants on earth will be seriously accountable for it one day, since it is not spiritual inability to be able to recognise something bright but it is a rejection due to dishonourable motives supported by My adversary's influence. 'Spiritual arrogance' excludes all scrutiny, spiritual arrogance is an obvious sign that the person is subject to dark influences, for spiritual arrogance is the distinctive mark of the one who opposes Me because he refuses to acknowledge Me. Spiritual arrogance of the first-fallen spirit resisted and rejected the light which permeated him, therefore utter darkness engulfed him. Hence the human being will remain in spiritual darkness when he arrogantly rejects the light again, when My grace wants to emanate it in order to provide a glimmer of enlightenment to his heart But the reason for refusal is important, for it can also be rejected due to other reasons which cannot be as condemned as this very arrogance of a human being.

And one can speak of spiritual arrogance when a person believes that he needs no further instructions, that he has sufficient spiritual education, when he overestimates his own knowledge and therefore believes not to need additional information. However, even then the human being should still be prepared to examine what he is offered. If he still maintains his will **with conviction** and rejects it again then his verdict will not be as severe, then he lacks judgment due to spiritual blindness If, however, he omits all scrutiny then the human being's blatant rejection will repel My offered hand of grace and the responsibility will hit him hard one day, for one day he will realise the truth, and then it might be too late

No one can be forcibly persuaded to accept My Word but everyone will sooner or later have the opportunity to seriously deal with questions of doubt, for I place such doubts into the hearts of those who are not yet on the right path. All people should, in fact, form an opinion about such questions, they would only derive benefit from it, for they will certainly receive clarification providing they genuinely desire it. But then it will show whether the person **seriously desires the truth** for it will indeed be offered to him. Spiritual arrogance, however, will instantly reject it because

this is My adversary's will and his determination will be fulfilled by those of like spirit.

Arrogance caused the fall of the former being of light, and arrogance is therefore also his supporters' nature which unmistakably characterises them as his followers. And a big step has to be taken, the human being's nature has to seriously try to change itself the person has to step down from arrogance into humility and thus completely detach himself from My adversary and approach Me with utter humbleness Only then will a light shine into the person's heart, and only then will he be able to recognise the precious gift of grace which My Word represents to every person and his soul's salvation. Only then will he gratefully accept what the Father's love offers to His child Then he will hunger for food and drink yet also be constantly satisfied by My love

Unusual phenomena (UFOs)

You can always rely on being correctly instructed when you turn to Me Myself for an explanation. You will also sense it mentally, that is, your reasoning will already move within the truth because this is what you are looking for Thus feelingwise you will already be on the right path even if you are still occupied with apparently-unsolved problems.

For the prerogative of those who unite with Me, the Eternal Truth, consists of the fact that they feel an inner resistance as soon as they are affected by misguided thoughts You have to expect many unusual phenomena during the last days, and then can decide for yourselves whether to ascribe them to Me or to My adversary, who will conduct himself equally extraordinary to gain his victims. And you will also have to learn to differentiate. You should not forget that the world is his domain and therefore he will also show himself in the world and by means of worldly machinations. But you should know, too, that there is no power which could prevent My working and thus change My eternal plan of Salvation, which includes an end of this earth period For I pursue a goal which only serves to release

the fallen spiritual substances from the abyss And I truly know when the right time has come.

One thing is certain: My adversary's plans do not agree with Mine, he does not pursue the same goal i.e. to help the fallen spirits instead, he only ever intends to render My plans ineffective, to put a stop to them and at the same time defeat Me Myself, which he will never achieve. On the one hand, he now urges people to experiment in various ways in order to destroy creations, because he believes that he thereby can release the captive spiritual substance and gain it for himself and on the other hand he makes people believe that they need not fear the danger of an end in order to stop them from consciously working on improving their soul which, in view of the end, is nevertheless pursued by those who follow the signs of the time and therefore also know how late it is. For that reason he works with much cunning and causes confusion, which will also affect those who do not want to belong to him.

He tries to make people believe in apparently real things which will retain their appearance until suitably minded people have sighted them people who, due to their attitude and thoughts, are susceptible to God's adversary's influence who do not even want to think about an end of this earth, who would also rather believe in the most incredible actions or provisions to prevent such an end than to accept the truth, which is proclaimed to them time and again. Their attitude provides My adversary with a good response they believe to be within the range of good forces and yet have become subject to My adversary, for he uses them to spread misguided teachings and satanic work.

My adversary is entitled to immense power at the end. It is the counter-measure for My unusual, merciful work on people whom I still want to help to find Me. I work in unusual ways indeed but I do not affect people's senses unnaturally; I work inwardly and want to gain influence on people's hearts My adversary, however, makes an impression on people's senses, people's intellect, and he only strengthens the desire for an indestructibility of earth and a prevented end at the last minute. My adversary counteracts Me and My proclamations and that alone should expose him, it should demonstrate who is at work when people's minds are troubled by inexplicable events by which My predicted end of the earth becomes questionable

.... My Word is truth, and thus My adversary cannot refute these proclamations, irrespective of how cunning and crafty he intends to proceed. And people themselves could recognise who tries to influence them if only they would always take the path to Me, Who truly will not withhold the truth from them.

Amen

Unusual phenomena (UFOs)

Anyone who mentally ventures beyond earthly spheres will also be influenced by forces of the beyond, for he is constantly surrounded by such forces. But this influence is of a **spiritual** nature, because contact between this world and the world of the beyond gets established through the human being's will. However, you humans must differentiate between establishing contact with Me through prayer and contact with the spiritual world due to your will to gain knowledge from these spiritual powers, thus opening yourselves up to the influence of this spiritual world. No such established contact will remain unused, irrespective of whether I Myself or spiritual forces react to it, because the initiated connections from earth to the spiritual world are extremely important for the development of the human being's soul. For the effectively spiritually blind human being shall acquire spiritual vision, and his spiritual eyes can only be opened through an inflow of light which either flows to the human being from Me directly or also through the spiritual beings of light. Hence, any link from earth to the spiritual world is welcomed by the beings of light, who are aware of peoples' state of darkness on earth and would very gladly like to give them light in accordance with My will However, they are governed by My will to give what is beneficial for people. And My will also stops them where too bright a light might damage a person by dazzling his eyes and rendering him incapable of perception.

My adversary, however, uses deceptive lights precisely because he wants to impair people's vision, because he wants people's eyes become entirely incapable of recognising the soft light coming from Me, which has a beneficial effect and brightly and clearly shows the right path to Me. Therefore

he endeavours to let as many deceptive lights shine as possible in order to confuse people He endeavours to lead people into a direction where they apparently can gain information, where the human being believes to get hold of knowledge and yet receives completely misleading spiritual values My adversary has many such means which he uses to cause ever greater mental confusion in people. He often ignites such glaring deceptive lights that people will be engulfed by darkest night if they have looked into this light for a long time, since it will not provide them with permanent enlightenment but suddenly return them into total darkness again. And countless dark forces are supporting him by participating and appearing as supposed beings of light by prompting people to establish the above mentioned links with the spiritual world by way of improper thought transferences which either flatter people or promise them advantages, so that they will follow these thoughts and thus enter a region which is governed by dark powers. Just the intention of wanting to acquire knowledge without turning to the right source can lure people into a dangerous region from which they can only save themselves again with great difficulty The will to step out of the ordinary, to experience the extraordinary and wanting to excel with exceptional knowledge leads people into this dangerous position where dark forces overpower him and thus dazzle his vision.

And in view of the end there is an increased risk, for the universe is full of poison-spitting spirits which are loyal vassals to My adversary in order to corrupt people. His influence is powerful because the human being does not resist him, but he could become master over him by just entrusting himself to Me Myself in Jesus Christ, Who had defeated him through My crucifixion. But instead of calling upon Me the human being calls upon other powers in the universe, and he will indeed be heard by these powers and helped frequently in a way which brings ever greater darkness instead of brightness. He moves increasingly further away from the truth, he allows himself to be captivated by delusions, by illusions brought into being by My adversary He offers immature spirits the opportunity to express themselves and accepts their information as pure truth He is most dreadfully deceived by My adversary and always believes himself to be enlightened But he will not accept the truth which consists of the fact that My Word cannot fade away, that it will come to pass and that My Word has announced an end ever since the beginning of this era And

this end will come and no one will be able to stop it And anyone seeking protection will only find it with Me, yet a person will call for help in vain if he turns to powers which promise him protection but are unable to provide it For these powers only aim to corrupt you, to withhold the truth from you and not to let you find the light And if you listen to them you will then also go astray and remain in their power for an infinitely long time

Amen

Only a short time of grace left

Every day takes you closer to the end And no matter how busily you create and work for your earthly well-being, your concern will be futile, for you will be unable to enjoy the benefits of your efforts, everything you think you can buy will be taken from you again and you will only have few possessions to take with you into the spiritual kingdom when everything is over, because you will only keep the **spiritual** goods which your **soul** acquired on earth. But regardless of how often this is said to you, you don't believe in an approaching end and your efforts to attain the possession of this world increase every day and render you incapable of working at improving your soul. Yet were you able to foresee that you only have a short time of grace left, you would be alarmed at how close you are to the end But earthly life moves on every day, one day goes by like the other, and this is precisely what makes you question predictions of this nature However, from one day to the next everything will change, suddenly you will be confronted by events which will completely disrupt every individual person's life, all of you will be pulled out of your usual composure and be faced with great dangers, you will have to defer your earthly work and plans because you will simply no longer be capable of dealing with them in view of the imminent dangers caused by human will For nations will rise up against each other and it will only take something minor to burst into flames which will threaten to destroy everything. And then people will forget even more what their actual earthly task consists of But neither will they be able to continue with their work and activity, but

instead only try to save themselves and their belongings, thus only consider their physical life and comfort but never their souls. And they will have to recognise that they are powerless in the face of all events which threaten to befall them. They will appeal to people's common sense and good will but to no avail

On the human side everything will take its dreaded course, but the divine side will intervene and thereby shatter human plans; nevertheless, people will not be spared what they had anxiously feared: They will suffer the loss of all that which keeps their hearts imprisoned, they will lose everything and will be able to learn to recognise the power of God in a natural event of incredible magnitude For the Scriptures will fulfil themselves And you human are on the verge of this whether you want to believe it or not. You carelessly only ever create and work for your physical needs and will lose everything But you do not care to satisfy the needs of your souls For then you will need not fear anything even in this forthcoming time, because then you will be taken care of by the One Whom you have already accepted, otherwise you would not want to consider your soul. For this reason the forthcoming event will be mentioned to you time and again, time and again His Words will sound as an admonition and warning, and time and again the foolishness and pointlessness of your earthly striving will be brought home to you. You only need to listen to it and arrange your life accordingly, and you would be able to face the coming events calmly and without worry Don't be too delighted about the apparent calm and the prosperity in an earthly sense, don't stifle your conscience with earthly pleasures They are only illusions which will quickly fade away, for you humans will watch powerlessly as everything comes upon you and be unable to defend yourselves from it But it has been announced to you often enough, giving you enough time to consider it and change yourselves. The fact that you fail to do so will have a dreadful effect on you, for God's plan is irrevocably fixed and, as soon as the time has come, it will be implemented, as it has been determined since the beginning

Amen

Contact between stars (UFOs)

There is no earthly-material world whose inhabitants could purely physically leave this world without losing their lives irrespective of whether this concerns the earth or other planets which shelter beings whose physical consistency depends on the planets properties, that is, it adapted itself to the planets nature. Therefore it will never be possible for inhabitants from one planet to go to another, because natural law prevents it and because each planet only ever provides the living conditions for the living beings it was allocated by God's will Although spiritual connections between different worlds exist they only ever pursue and intend to achieve spiritual goals, but they would neither want nor be able to provide a planet's respective inhabitants with material advantages, as people imagine or hope for. Contacts between different stars do not exist unless a spiritual connection is established between the beings on spiritual creations who can emanate their light to all celestial bodies and who are thus also mentally connected to people on earth if people want such a connection, if people are receptive to their illuminations. Then these beings of light can indeed also offer advice about earthly matters, they can take care of people's every earthly need and in a truly divine sense exercise their influence on people But to appear to people visibly will always be an exception in very special circumstances and for very special reasons, which should not be generalised by expecting or announcing a definite forthcoming mass appearance of such beings

People should bear in mind that they live in the last days. They should think about what it means that God's adversary is nearing the end of his freedom, that he will be bound again and that he knows he only has little time left. Nevertheless, in his delusion he still believes that his power will triumph. And therefore he will stop at nothing in order to achieve his supposed victory. And if people know this then they will also be able to understand what seems strange or mysterious to them. And science will also provide much clarification But unexplained events occur in areas outside the realm of science, which are of a more transcendental nature And especially these areas are used by the adversary to make his exposure more difficult to make people believe that they are approached by beings

from the realm of light and then surrender to his influence. This influence always intends to divert people from the truth, to darken their thoughts with error, thus preventing their return to God. For people's thoughts will be redirected towards matter again which should be overcome during their earthly life.

The adversary will negate everything that is proclaimed by God as 'close at hand', everything that is related to the 'approaching end', and thus people are led into false expectations which result in indifference towards their souls and the great danger that the souls will experience the end unprepared and be lost again for eternity. Unworldly-minded people will not fall prey to the adversary's artful temptations, for their focus on God and their desire for truth also guarantees that they think correctly. And although they are unable to explain such appearances it will not seriously affect their way of life they steadfastly continue on their path until the end, always protected by the beings of light who prevent God's adversary to seize them. For in the final analysis it is a person's own will which determines whether and to what extent he lives in truth

Amen

What is spiritual hardship?

You humans are not aware of the immense spiritual hardship you suffer because your senses are still captivated by the world and thus you cannot even assess the darkness surrounding your thinking. Every day can be the last one for you on this earth No-one knows the hour of his death, and no-one can extend his life for an hour And you do not consider this or you would prepare yourselves for what will come afterwards since you know, after all, that you cannot take anything with you when you have to pass away from earth. But what is your soul like? Do you ever seriously contemplate what your fate will be afterwards? You resist such thoughts, you push them far away from you once they emerge, and yet your soul can be in a state of distress because it has to leave the body without light when the hour of passing away has struck when it finds itself in profound darkness in the spiritual kingdom wandering about deprived and unhappy

BD 7209

because it doesn't know where to turn to in this darkness. It is you, it is your actual Self which cannot vanish even if the soul had to leave the body But don't think that you will no longer exist, that your existence will have come to an end with the death of your body Your existence will be just as real as on earth, and you will experience suffering and torment just as much and even more intensely because you suddenly realise that you lack all strength to change your situation a fact which is extremely agonising to you because you have to endure it due to your own fault. For if only you lived a little more consciously on earth the soul would not enter into the beyond in such a wretched state, because a small glimmer of light would show the path it has to take in the beyond in order to ascend. For every soul has the possibility to continue what it had failed to do on earth, if only it has the will to do so. But whether it makes use of this possibility is up to itself but first it requires a small glimmer of realisation without which it will remain helplessly and miserably in the same state.

And if only the human being on earth would actively endeavour to gain faith in life after death, to live a life after God's will, if only he would try to discard his faults and weaknesses and be lovingly active towards his fellow human being, he would leave the profound darkness and step into a faint twilight, and if he enters the kingdom of the beyond with such a faint light his soul would get on better, it would recognise its further task and try to fulfil it For it will not be entirely blind and spared the worst suffering. Yet how many people don't even consider their soul's salvation just once a day, all their thoughts and intentions only relate to the material world and to the attainment of purely earthly advantages The immense spiritual hardship consists of the fact that people are entirely unaware of why they are on earth, that they only ever think of 'life itself' as important and never ask why they were given this life. And in this darkened state they are approaching the end of the earth which will suddenly and unexpectedly come upon them and finish innumerable people's lives prematurely who don't even consider pondering thoughts of death because they believe that they have plenty of time left. All these people are so earthbound that they will also remain within the sphere of Earth when the end has come so that an ascent in the beyond will be impossible for these souls because they will not be able to detach themselves from the material world for a long time And many of them will have to take abode in matter again

because they are not yet mature enough for a spiritual sphere. And this is the beginning of the state of torment again which they had long overcome already But people do not believe it if they are being admonished to make use of the short time on earth for the salvation of their soul; they do not believe it and cannot be forced to adopt another way of life either. Only the love of knowledgeable fellow human beings can try to influence them, and occasionally love will indeed be able to achieve something, even though every human being will keep his freedom of will. Yet the struggle for such a soul shall be continued until the end, the battle of light against the darkness shall be waged until the end, because precisely the forces of darkness are fighting especially fiercely and the forces of light must therefore not abandon the battle on their part. And just a small ray of light can ignite and penetrate the darkness, which always signifies the salvation of a soul which will be infinitely grateful for it, even if at first it is only surrounded by some twilight. Yet to have escaped the most profound darkness also means a detachment from the prince of darkness and to walk towards the light

Amen

Serious Words of admonition regarding the end

Brace yourselves for severe strokes of fate which will affect you to a greater or lesser extent because the end is coming ever closer and all people shall still be influenced such that they will seriously consider the end, be it their own end or that which the **whole earth** can expect They shall only be seriously reminded to prepare themselves, for you don't have much time left. Hence you humans will repeatedly hear from Me Myself about what is in store for you and you would do well to heed My Words, to accept them as pure truth and to adjust your life accordingly. There will always be people again who will try to lessen such admonitions and warnings, who will claim that they are implausible and aim to trivialise what is, after all, hugely important because it can determine the state of your souls for an infinitely long time to come Don't listen to them but keep to My Word instead which, time and again, comes to you from above, for I Myself

BD 7211

will make sure that you receive the information; and anyone who hears it should take it seriously and regard it as evidence of My love that I Myself want to save his soul and therefore speak to him. I know who receives My Word and I admonish all of them to ponder it in their hearts and to do everything so that they will not suddenly and unexpectedly be met by what is to come and, indeed, must come on account of the many people who live in a deaf and blind state. Then you, who accept and believe My Words, will be able to contribute much towards clarifying the situation by informing your fellow human beings that you have long since known about it already through My Word Then you will also be able to announce to them that the final end will just as certainly follow not long afterwards. For in My love and mercy I still want to give all people a last reprieve during which time they can make up for what they had previously failed to do, and therefore they will still provide them with the evidence of the credibility of all proclamations which I send to you humans in such a natural way that you can just as easily be inclined to doubt them That which is decided in My plan will irrevocably come true But My plan is well thought through in all wisdom and therefore will not be overturned or changed, neither in its form nor its time For this reason you can accept My Word as irrevocable and thus live your life accordingly, and you will not need to regret it, for the acquisition of earthly possessions will prove to be utterly pointless, since everything will be taken away from you. However, all of you will be able to acquire spiritual possessions if you seriously want them. Listen to My Word and believe the truthfulness of the One Who conveys it to you And then consider how seriously you will still have to work at improving yourselves in order to exist before Me when your hour has come that I will recall you from the world And not one of you knows when this hour will come, but for all of you it is closer than you think. This is why My love calls to you time and again: Prepare yourselves and only place importance upon that which serves your spiritual development Everything else is unimportant and will continue to become even less important the closer you are to the end But the fact that the end will come is certainly true and, therefore, you should not doubt but believe

Amen

State of responsibility

Receptive hearts

You passed through countless stages Thus you are looking back on an infinitely long path of development, on a time span which you are unable to measure because you are incapable of grasping such infinitely long periods of time. Still, they are behind you now or you wouldn't live on this earth. Although a retrospection of the time behind you would certainly make you better understand the importance of your life on earth, it would not help your soul as it would only travel its earthly path driven by fear if it were able to remember the past and became conscious of the endless agonies it previously had to suffer during the time of higher development. Nevertheless, the fact cannot be denied that you had to live through such a period of development and that this period has almost reached its end now But the latter is determined by yourselves The gravity of your earthly progress rests in the fact that you can end an infinitely long lasting state of torment or prolong it again endlessly that you shape your future destiny yourselves during the time of your life on earth. For an infinitely long time you could not be held to account, since during that time you had to live according to divine will, you were subject to the law of compulsion, you were subordinated to the law of divine order and had to act according to God's will. And in this law of compulsion you moved upwards again to the point that the embodiment as a human being could take place. But now your life is no longer free of responsibility, for you determine its course and the success of your free will yourselves And this time is only very short and every person could live it expediently and gain the highest possible perfection from it, for all means are given to him, nothing impossible is expected of him, instead, he is helped in every way, his weakness and imperfection are in every way accounted for, so that all means which enable his soul's full maturing in free will are at his disposal. However, he is expected to rise above himself A personal effort is expected of the human being which neither another person nor a spiritual being of light can provide for him otherwise there would truly be no unredeemed soul on earth anymore, because the love of these beings would already have redeemed everything that is still wretched.

The final perfection, however, must be accomplished by the person himself And he can certainly do it, for God's love is so great that it pours unmerited blessings over all his living creations in order to fetch them back into the Father's house, in order to win them over for Himself and to save them from the adversary, who had held them captive for an infinitely long time. But His greater than great love cannot work unlawfully it must, in order to become effective, find open hearts into which it can flow unimpeded. And this `opening of the heart' must be done by every person himself, free will has to become active, the person must consciously desire God and His illumination of love, then he will also become voluntarily receptive to the divine flow of love, and then there cannot be any other way but an ascent to higher spheres, to the light, to God, for the love of God is so strong that it will draw everything to itself that does not resist. The very short lifetime on earth is intended to achieve the human being's return to God, it is intended to eliminate the resistance, the human being is meant to overcome himself, since at the start of his embodiment as a human being he is still in opposition and strongly holds onto God's adversary who uses every influence in order to reinforce the person's opposition. And this opposition consists of the fact that the human being nurtures selfish love, which totally contradicts the love of God and which is like a closed door which does not allow anything through it, because selfish love believes itself to be self-sufficient and thereby only proves its own arrogance, which is part of God's adversary. Humility, however, recognises its Lord and God a humble heart pleads for mercy and widely opens its door for the One Who wants to favour it with His love The point of earthly life is that the human being should relinquish his resistance, which irrevocably ties him to God's adversary that his free will seeks his God and Father and appeals to him for grace. Then it will truly be granted to him in abundance and his life on earth will not be in vain, for divine love will flow to him in profusion, and since love is light and strength, the soul must become bright and strong and mature during its lifetime on earth, regardless of how short it is compared to the infinitely long time before. A receptive heart is the guarantee that it will attain perfection, for where the love of God can shine darkness can no longer exist; there will only be light and happiness, the entitlement of perfection, the entitlement of beings who voluntarily attained perfection on earth

Amen

'Whosoever shall confess Me before men'

Anyone shying away from confessing Me before the world is not permeated by My spirit, he is just an empty vessel, a lifeless form without spirit and life, for life knows Me and also confesses Me to fellow human beings. And you will also be able to recognise the Christians who merely observe formalities by the fact that they anxiously avoid mentioning My name, that they do not speak about Me and My act of Salvation, that they only rarely let themselves be drawn into spiritual conversations and even then only with a sense of discomfort And you will recognise them as 'dead'followers. For wherever My spirit is able to work, My name will be confessed with the greatest of joy, the human being will be impelled from within to confess Me before the world If you then watch how rarely people behave in a 'Christian'manner, how they try to avoid everything relating to religion or Christendom be it in relation to church or other proclamations of the Word, if you watch how everything is only covered with secrecy, how people in company of others shirk from touching upon a subject which concerns God, Jesus Christ, the spiritual kingdom or the human being's task on earth then it is easy to guess what people's decision will be one day when it is necessary for them to confess or deny the One Who had redeemed the world from sin and death. Then only a few will stand up for Me and My name before the world with full conviction however, the majority will keep a low profile, perhaps not entirely having detached themselves in their heart but lacking the strength of faith in order to accept the consequences of a true confession Only a few will bear up against the pressures, My adversary's activity is approaching its end. Then it will be proven as to who is redeemed from sin and death, for only this person will loudly confess My name before the world, only he will summon the strength to resist when he is requested to renounce Me. Only a living faith will give people this strength, only a living faith will ensure the working of My spirit in the human being and thus also a certain confidence in My support during the time of the end. And this is the time when the separation of the spirits will take place, when it will become clearly obvious who belongs and wants to belong to My Own and whose Christianity has so far been a mere formality Then it will not be enough to be a follower

of this or that school of faith, instead, a person must follow Me Myself in Jesus Christ, his bond with Me must be so alive that he cannot help loudly proclaiming My name as that of his God and Redeemer In that case he will also be accepted by Me, I will also confess him in the kingdom of light, I will fulfil My promise 'Whosoever shall confess Me before men, him will I confess also before My Father'For he has acknowledged Me Myself in Jesus Christ, and the fullness of My spirit is in him Yet woe to those who renounce Me They still belong to My adversary's followers and are and will remain his for an infinitely long time again. However, they knew that I demand the acknowledgment of My name, they were not left in ignorance and must therefore also be answerable on the day of Judgment. Then I will come to judge the 'living'and the 'dead'.... Understand these Words correctly: Life only comes from Me, and anyone who is My Own will live but all those who turn away from Me by renouncing Me when the final decision is demanded of them will die And their number will be great, yet only small will be My flock which I will guide into beatitude

Amen

Trials in old age

Love and patience

I quite often have to admonish you to persevere with love and patience until the end of your life. These trials cannot be prevented if you want to reach the final pinnacle. And you consciously started your course of life with the resolve to complete it in order to achieve a degree of light which will turn you into blissfully happy beings. And as long as this path has not come to an end the trials will not end either, the triumph over each one signifies time and again yet another step of ascent. But you don't have to be at all afraid of the last stage of your earthly progress, for you have formed a bond with Me and that means that I always walk beside you, even though you occasionally think that you are alone and abandoned by Me, Who is nevertheless even closer to you the more desperate the situation is in which you find yourselves.

And therefore you should always remember that love and patience have to be practiced by you at all times, that deeds of love give you the strength

to achieve or overcome even the most difficult situation, that patience will give you inner strength, that it is a solid defence against the adversary who above all wants to unsettle your patience in order to create conflict and agitation in you a state in which he can then work more easily and successfully. Remember that you can master everything with patience, then you will be his master, and then you will also very soon sense My presence, although I had never left you.

If, however, your life proceeded completely uneventfully, without any tests, without any upheaval, your development would come to a halt and the remainder of your earthly life would be a waste of time, which you would regret one day in the kingdom of the beyond. For every person will naturally find it more difficult towards the end of life, consequently their spiritual achievements will be far more valued, after all, they require greater will and effort than is the case with more robust people who are still in the midst of their vitality And remember that every day that is still granted to you on earth is a blessing, for you can work towards your salvation and will only be able to appreciate its value when you have entered the kingdom of the beyond. I surely know that it is an effort for you, and I will certainly also reimburse you with the just reward whereas you could not expect anything special if your earthly life proceeded uneventfully and did not require you to use your will or to demonstrate your faith. And when the last day comes you will thank Me that I granted you the blessing of a long earthly life, for then you can also assess the wealth you had been able to gather, providing you used the time on earth well. No matter what happens to you, I Am close to you Always remember this, then love and patience will prevail in you when you are tested by suffering and have to prove yourselves. But do not give your soul's enemy the right to control you by inwardly objecting and losing your patience for that is his weapon, to deprive you of your composure and to influence you, frequently with success. But if you stay calm and full of patience and humbly accept your fate then he cannot touch you, but I can be even more effective and truly will not leave you in hardship and distress, providing you always pass such tests and hand yourselves over to Me in complete trust of My help

Amen

Earthly or spiritual thought currents

The more you isolate yourselves from the world, the easier you find the entrance into the spiritual realm, for the thoughts flowing to you from the spiritual kingdom will no longer be met by opposition. The world, however, is a constant obstacle for such spiritual thoughts, for only in total seclusion will they be accepted by the human heart. And thus you can understand why people spend so little time on spiritual thoughts while they are still bound by the world, for worldly thoughts will always displace spiritual thoughts i.e., the human being will be incapable of accepting mental knowledge, because worldly thoughts push to the fore and prevent spiritual thoughts from reaching the person's heart. And yet, the human being is responsible for the mental knowledge he is subject to, for free will alone determines what the human being thinks, and free will either rejects or accepts the waves of thoughts encircling him. And the will, in turn, is directed in accordance with the human being's nature it is either spiritually or worldly inclined. It is not forced to take one direction or the other, it is completely free. Nevertheless, everything depends on the direction of this will, his thinking and activity, his present and the future fate of his soul, which can be glorious but also dreadful. Thus, the world is a danger for the human being's will, and yet it has to be in order to enable the soul to gain clarity, in order to urge it to make a decision, which must be taken between itself and the spiritual realm. Both kingdoms exist but the soul can only want **one** kingdom, and it has to determine which kingdom it wants. If it chooses the material realm, which is the world, then it will remain attached to this realm if it chooses the spiritual realm then it will become its abode when the soul leaves the earthly body, when its earthly progress is over. And it is courted by both kingdoms, it is influenced by both kingdoms but not forced.

For this reason the soul bears the responsibility for its own thinking and intentions, for it is **able** to choose **either** direction, it is not impossible for it to make the **right** decision even if it is tangibly confronted by the material world and the spiritual world seems to be unreal. For the spiritual forces have a specific power over the soul so that they are repeatedly able to intervene even with someone unwilling so that he, too, is grasped by

them and thus the person has to deal with them he can simply reject them if he is unwilling Nevertheless, they affected him and therefore he cannot avoid the responsibility if it is demanded of him. The human being is able to **think**, this is the reason for his responsibility And no-one imposes thoughts upon him. It is entirely up to him what he thinks. The aim of the helpful spiritual forces who try to influence him in a positive sense will always be that he thinks correctly But since negative forces also exert an influence, the human being has to make his own decision, and therefore one cannot speak of 'spiritual coercion' to which one person succumbs and the other does not. And thus, it occasionally requires inner battles to remain focussed on spiritual thoughts when earthly thoughts try to crowd in. The will to mature spiritually can provide strength for this inner battle, and then the person will already have won, for his will was positive and must also have positive results. And the more a person is involved in the world the greater will be his victory, for the greater the oppositions and enticements are, the greater the will is which overcomes them and chooses the spiritual kingdom. But one day the soul will delight in its victory, for it shaped its own fate for eternity, it will approach a life of blissful happiness and only ever thank God for providing it with the strength to prevail

Amen

'I will shorten your days'

The time still granted to you until the end gets ever shorter according to My promise 'And except that those days should be shortened, there should be no flesh saved: but for the sake of My Own those days shall be shortened' so that they will not be forced to go down on their knees before **him** who remains My enemy and opponent until the end. For he will still cause you serious problems and you will still need much strength in order to resist him. And yet you need not fear this time regardless of the menacing actions he will take against you. He will not reach his goal, for I will protect My Own from falling into his hands. However, they themselves will thank Me for every day without his influence, just as they will also be eternally

grateful to Me once I put an end to his activity and put him into chains once again The time until the end will seem like a dream to you, that's how soon it will pass certainly often alarming yet then shadowy-like again because a host of spiritual beings of light will surround and protect you and direct everything in a way that it will be bearable for you. Nevertheless, great caution has to be taken for he is utterly evil-minded because the end is approaching. What you don't consider possible will still happen due to his influence, for many people in the world are willingly at his service and therefore will also turn against you due to his stimulus.

However, don't fear those who kill the body, but are not able to kill the soul Don't fear any danger at all because I Am with you and assure you My protection. And regardless of what will happen you will be able to endure because I will give you the strength, because I will make sure that it will not affect you too harshly, that you will persevere and emerge victoriously from the battle against him. But it will remain a battle, I keep telling you time and again so that you will not distance yourselves from Me but join Me ever more and in My proximity remain unassailable for the enemy. And anyone who joins Me so closely that he will always feel My presence need no longer fear anything, for due to the strength he receives from Me he will be superior to him The time is approaching the end And the days will fly by ever more rapidly, which you will also become ever more conscious of but then you will also know that you belong to My Own, for Whom I will shorten the days for your own sakes. Let yourselves be addressed by Me ever more frequently, don't become half-hearted and sluggish in your work for Me and My kingdom, for you will draw much strength from it, you will receive as you give, and a lot more spiritual nourishment needs to be given so that it will flow to everyone who desires it and accepts it through My Word. This is why you, My labourers in My vineyard on earth, should be constantly working and always know that not much time will be left You should take the Words seriously `I will shorten the days for the days of My elect'The end will arrive sooner than you think, and you should all fortify yourselves for the time prior to it and commend yourselves to Me and My protection. And the end will come like a thief in the night and I will fetch those whom I do not find asleep away from Satan's place, and all their suffering will be over for them

Amen

The birth of Christ I.

Salvation has come from above How many lips utter this and how often is the heart unaffected, insofar as that the human being not even once seriously reflects on the meaning of Jesus Christ's coming down to earth. A child was born, Whose soul descended from the kingdom of light because God wanted to embody Himself in this infant. The infant Jesus was a human being, born to Mary, the virgin, who conceived him through the strength of the spirit The human being Jesus started His earthly course of life like everyone else, yet the side effects of His birth were not those of an ordinary person but they indicated that an exceptional cover also sheltered an exceptional boy child that it should be the cover for the Eternal Deity Which was only able to manifest Itself in a pure and sinless human being, as was the boy child Jesus. For He had to carry out a mission of such immense significance that the requirements for it also had to be exceptional. **God Himself** wanted to take abode in the infant Jesus and chose for Himself an immaculate form which also harboured an immaculate soul, in which the Eternal Deity was able to dwell in order to accomplish the act of Salvation for the whole of the human race. The fact that God Himself descended to earth was an act of overwhelming compassion, for Earth was covered in profound darkness and all its inhabitants too, they were controlled and gagged by the prince of darkness and languished under the pressure of slavery in sin and agony. And God knew the hardship of His living creations which once had voluntarily separated themselves from Him and, entangling themselves in ever deeper darkness, no longer found a way out and cried for a Saviour to liberate them. God heard their cry and sent His Son to earth a Being Which likewise emerged from His might and love and Which remained in His abundance of light when His brothers plunged themselves into the darkness. Jesus'soul was devoted to God with boundless love but it also loved its fallen brothers and wanted to help them return into the Father's house because it knew that happiness and bliss are only possible in God's presence and that the distance from Him meant hardship, agony and darkness.

Jesus knew both conditions and His love for the wretched being motivated Him to offer Himself as a sacrifice in order to remove the guilt of sin

which was immense, and the beings which became sinful would never have been able to make amends for it themselves. Yet a pure and blameless soul wanted to sacrifice itself for their sins in order to redeem the guilt and to satisfy God's righteousness. For the soul was love And this love was God God or love permeated the man Jesus, so that He wanted to accomplish an act of greatest suffering and agony for the sake of these fallen brothers. And thus God Himself descended to earth in Jesus and entered a human form which corresponded to all preconditions in order to shelter the Eternal Deity Himself without fading away The infant Jesus was full of love and all hearts entering His ray of love became permeated by love, singing praise and giving thanks, for only people came to the infant's manger whose hearts were pure and devoted to God and who therefore felt the love emanated by the infant and who came aglow with burning love for the Jesus child. Although the events surrounding Jesus' birth are now only regarded a myth, anyone who is filled by the spirit of God, whose spirit is awakened, knows that everything which has been preserved as knowledge about the birth of Jesus is the truth. Miracles upon miracles happened around the child Himself, in nature, in Heaven and on Earth, and all the angles bowed down on bended knees before the One Who had embodied Himself in the infant Jesus, just as men and animals were seized by holiest awe and silence when the greatest wonder, God's human manifestation in Jesus, was taking place. And the heart of anyone with an awakened spirit will also convincingly speak the Words 'Salvation has come from above' For the light of love of the Saviour Jesus Christ likewise shines on him, he belongs to those for whom the Saviour came to earth to save them, he belongs to the redeemed, for whom the act of compassion on the cross was accomplished, because he wanted to become redeemed from sin and death. And he will not just pay lip service to the birth of Christ, with his heart he will think of everything that happened during that night when the light of the world came down to earth, when the infant Jesus came into the world. And he will join in singing the hymn of praise 'Glory to God in the highest, and on earth peace to men of good will'

Amen

The birth of Christ II.

No-one can judge the depth of divine love which expressed itself in the fact that God Himself descended to earth in order to accomplish the act of Salvation on behalf of humanity. He took pity on people's immeasurable guilt of sin, for the sinners themselves were unable to redeem it since the offence against God's love was fully consciously committed not because 'imperfection' made the being unable to recognise its offence against God but because these beings were brightly enlightened and therefore recognised God in His power and glory However, they were unable to see Him and therefore, despite better knowledge, followed the one who presented himself as God and Creator and they followed him because they were able to see him although they knew that he, too, was only a product of God's creative will and God's strength. The magnitude of the guilt rests in the fact that the beings were illuminated by the light of realisation and in the face of it turned away from their God and Creator of eternity. And it was impossible for them to redeem this immense guilt, for they were no longer able to undo the sin, they remained burdened by it, and the only option was for God to redeem the sin Himself but this, again, could only take place within the framework of divine justice, because every guilt demands atonement so that it can be redeemed. And in order to render this atonement for humanity, God descended to earth and accomplished the act of Salvation in the man Jesus

God Himself was unable to suffer but He wanted to take the suffering upon Himself which the human race had deserved due to the sin of their past apostasy from God And this is why a human being, into Whose shell God Himself incarnated, took the suffering upon Himself the Eternal Love, Who thus wanted to offer the sacrifice, the sacrifice of atonement for the immense guilt A human being with a heart full of love allowed Himself to be nailed to the cross for the whole human race, and love alone motivated Him to accomplish this act of compassion. A human being with all human weaknesses and fears took a bitter earthly path and the love within Him consistently grew, for God Himself was in this human being and therefore the sayings and actions of the man Jesus were only ever motivated by love, just as love finally walked the bitter path of suffering

and endured and died on the cross. It was no arbitrary act by a human being Who sacrificed Himself for His fellow human beings for the sake of an advantage, He was merely impelled by love to accomplish the act of compassion, because He knew that their path to the kingdom of light was and had to remain closed to them if they were not released from their guilt of sin first He knew what the original sin consisted of and that they would never be able to make amends for this sin by themselves. And therefore He volunteered to offer God the sacrifice of atonement in order to redeem His fellow human beings In truth, however, love within Him caused Him to do so; it was the Eternal Love Itself, Which thus wanted to redeem people from their inconceivable guilt, for the Eternal Deity sheltered in the human being in full abundance.

And so God's human manifestation has to be understood such that the Eternal Love embodied Itself in a human being Who prepared Himself in a way that the Eternal Love was able to dwell in Him and that therefore everything the human being Jesus did in earthly life was in truth done by God Himself that 'love'determined the human being Jesus'every intention, thought and action, that the human being certainly suffered and died on the cross but that God Himself was in this man, that He therefore accomplished the act of Salvation for humanity. Only when people comprehend that God is Love will they also comprehend the problem of God's human manifestation and they will understand that God and Jesus Christ are one, that they are not two persons, and that the divine Oneness may not be contested, because love permeated the human shell and therefore the external form of the human being Jesus was also the visible form of the divine Love Itself, that they were not separate Beings but only ever God Himself. The problem of God's human manifestation can only be solved in this way, but then a person will also find it easy to acknowledge Jesus, and he will take refuge in Him and by calling upon Him he will call God Himself, thus acknowledging Him. And his original sin will be wiped out, because God Himself descended to earth for his guilt and has accomplished the act of Salvation, the act of atonement, on his behalf

Amen
