*In the state of compulsion progress is guaranteed ....  
But as human being? ....*

In all My creations, whatever they may be, developmental progress takes place, even if you humans are unable to observe it .... Yet you should believe My Word that nothing will fall back again into a state that had already been overcome .... This can only occur in the human stage because the human being is at liberty to travel the path of ascent or slide into the abyss again. And if you consider that it took you an eternity before you were allowed to embody yourselves as a human being, if you consider the infinitely long path which one day had to lead you to this incarnation for sure, you would also feel responsible during this time on earth, which is truly just a short time compared to the length of time of previous embodiments through the most diverse creations.

And yet, precisely this time as a human being is decisive for your later fate. For prior to this you travelled the path across earth in the state of compulsion, you could do nothing else but comply with My will and had to progress without fail. But now your way of life is a matter of your own free will .... What you had to do during your preliminary stages .... to be of service .... is now up to you, you are no longer compelled but love should motivate you to do so, however, you have to kindle this love yourselves, then your service will be an easy one and your course of life will lead to further progress .... Hence it is most important in earthly life that you are informed of the significance of a life of love, that you know its effect and the danger of a lack of love, which could result in your setback and would be dreadful for you. In the past I pulled you up Myself because you were pursued by My love which time and again created opportunities so that one day you could embody yourselves as a human being. But now I have to withdraw My will from you, I have to leave it up to yourselves to aspire to further progress .... Although I have given you the wonderful gift of grace for your earthly life as a human being .... by placing into you a tiny spark of My divine spirit, a part of Myself .... you have to ignite it yourselves, which is your task in life .... I had to give you this spark of love or you would have completely fallen prey to My adversary again who now also has the right once more to fight for your soul, which was not possible for him before.

And thus on the one hand you indeed have to expect his onslaughts but you nevertheless have a counterbalance .... My divine spark of love .... with which you can keep him at bay, against which he is powerless .... always providing that you yourselves nurture this spark within you, that you make full use of My gift of grace, for then you will safely attain the goal that was given to you for earthly life.

However, if you ignore this spark of love then you will be subject to his control, he will always pull you down further and be able to dominate you again since you would grant him this power yourselves. In that case, however, the whole of your previous earthly progress would have been in vain and I would be unable to save you from another fall into the abyss ....

For this reason it is tremendously important that all people know about the Gospel of love, that all of you know what consequences a life of love entail and also know that you are responsible for your earthly life yourselves. For I can do everything, I can provide you with all opportunities, I can direct your destiny such that you will be able to find Me, but I cannot force your free will. You have to make the final decision yourselves, and all blessings are at your disposal for you to use .... Nevertheless it is up to you whether and when you reach the pinnacle from where you will no longer be able to fall into the abyss ....

Amen

*1 Corinthians 15, 29 ....*

*'Act of baptism on a dead person'....*

Let Me explain what you desire to know: You can only be taught by My spirit if you are unable to intellectually grasp the meaning of the words because your intellect moves in the wrong direction, especially when it concerns a word which has not originated from Me. Then it is necessary to ask for My spirit which can and will provide clarification. There has never been an 'act of baptism on a dead person', however, there has been an 'act of baptism of a dead person' and you can only accept this as a symbol when someone takes pity on his fellow human being and wants to bring a 'spiritually dead person' to life and offers him the water of life and thus

`baptises'him by presenting My Word to him with love .... which is the meaning of `baptism'after all ....

Time and again I have spoken of `the dead', and time and again those dead in spirit were what I meant by that .... When I said to you `Let the dead bury their dead'it was, after all, the most comprehensible word which had to make you all realise that I was speaking of the dead in spirit. And this is how the words spoken by My disciple should be understood, which more than clearly meant that every person should take pity on the spiritually dead. But that a person should let himself be baptised over a dead person is a distortion of the word, it did not even originate from Me and could not have been adopted by My disciples either. People have included purely worldly concepts which betrayed their low spiritual state. However, such concepts could have been recognised as wrong by every spiritually awakened person and may not be passed on as `My Word'since such words cause immense confusion.

Anyone who understands the spiritual meaning of baptism will not let himself become confused by such words, he will recognise them as wrong and as not having originated from Me, Who will only ever give you explanations which will never contradict each other. And if I explained the significance of baptism to you comprehensibly then the distorted word cannot possibly be true because it would completely contradict My Word. Thus you have to believe what is conveyed to you through revelations because I do not want to leave you in your wrong thinking when you desire the pure truth ....

Amen

*Souls in the beyond participate in teachings ....*

You should always accept My instructions for only I can offer you truth, only I can provide you with the nourishment and drink which your soul requires in order to perfect itself. Although the time until the end is brief you will still be able to do much work in My vineyard, because just a single spiritual thought will attract untold souls in the beyond who gather around you, who all want to participate in order to receive food and drink, and whom I support in every conceivable manner. These souls shall partake in

what I give to you and work with it in turn, and thus no vineyard work whatsoever is done in vain. They frequently ask questions which I will answer through you, for they have a considerable desire for knowledge, especially if they did not receive the correct explanation on earth .... if they were taught wrongly and now realise that their misguided knowledge is of no use to them.

Their most important question concerns a truthful explanation about Jesus Christ and His act of Salvation, and they cannot be informed often enough of the fact that they need to appeal to Him for their forgiveness of sin .... Only when they take the path to Him, when they have carried their entire guilt under His cross may they take pleasure in the light. Then they will receive My emanation of grace at the same time, then they may receive the light directly from Me. As soon as they gather around you they already have the will to receive a light, and then they only have to take a small step to find Jesus Christ and entrust themselves to Him. This work is so necessary for the souls in the beyond because it has an immense effect and signifies a countermeasure for the one who had already extended his hand to pull them into the abyss. Once the souls have found their way to you they will stay in contact with you, because My love has seized them and will never exclude them ....

But all these souls need to be informed of the truth, because every error is like a shadow that confuses their senses, and the souls had been subject to many errors during their earthly lives, which they gradually have to lose and thus need to know the truth. For this reason truthful information is conveyed to you humans on earth or you would have to cope with the same problems in the beyond, yet you have the great blessing to be taught by the Eternal Truth Itself. For every wrong concept you hold on to at the time of your passing from earth will follow you into eternity and can prevent you from accepting the truth when it is offered to you.

The reason why I draw your attention to so many misguided teachings is due to the fact that you should not enter the kingdom of the beyond in this state as well, that you should know the pure truth beforehand already and can then pass it on to those who also desire to know the truth .... The beings of the beyond have access to them all, every recipient of truth is surrounded by countless beings who all want to receive beneficial nourishment from

them .... Hence the study group is vast and is also supported by the beings of light, who will only be listened to when the souls in the beyond have already gained a small amount of knowledge through earthly inhabitants. Then they will be open to their instructions too and proceed with their higher development. Those of you who receive the truth from Me directly should only ever aim to spread the truth throughout the world. Use every possible avenue that serves to spread My Word, and you will not have worked in vain .... For the end cannot be delayed, it is approaching with absolute certainty faster than you think .... it will surprise all people, and blessed is the person who knows the truth, which you can only gain through My Word ....

Amen

*The human being is not a product of coincidence by a Creative Power ....*

The human being with all his vices, flaws and afflictions is easily inclined to believe that he was created like this by God, if he believes at all to have originated from Him. Yet this Creator would have to be denied all love and wisdom which motivated Him to create humans (beings); for in this case every person would merely be the product of a Being which is imperfect itself, which created the human being (the being) as a whim but which cannot be accredited with supreme perfection. Someone who is able to entertain such thoughts at any time is utterly unenlightened; he has formed a completely wrong concept of his Creator, for the existence as a 'human being' is only the stage of an infinitely long process of development but, at the same time, it is the most important stage, for during this time the being has to make its final decision of will in order to achieve its original state again in which it was once created .... You all need to know that your origin from the supremely perfect Being had likewise been a state of supreme perfection .... and that the state you are in **now** was created by yourselves, which was therefore **not the work** of your Creator of eternity .... You all need to know that it is only an intermediate state which you caused yourselves as a result of reversing your will but which you can change again into your original state if your will is likewise prepared to change. And

therefore you have to fight against all your vices and flaws, you must try to change yourselves and create a state in which you transform all your flaws into virtues, in which your God-opposing relationship undergoes a change which will bring you close to Him and you approach the original state once more in which you once emerged from Him. You cannot look upon your human existence as a concluded life, you must always know that there was a 'before' and that there will also be an 'after' but that you, during your life as a human being, must make a decision as to whether you want to be free from every form or whether you want to fall back again into a stage which you had already overcome a long time ago.

But don't believe that you are a product of coincidence by a Creative Power Which arbitrarily externalised beings from within Itself which are more or less tainted by various flaws and vices .... believe that this Creative Power has to be accredited with love and wisdom of highest perfection and that It created you for a purpose .... to radiate Itself, that is, Its love, into Its created beings which, however, was prevented by these beings themselves .... thus, they rejected this love and thereby changed into the opposite .... into the beings which you are now as humans .... yet always with the goal to achieve your past nature again. And thus you should consider your time on earth merely as a passageway, consider it as a divinely planned designated return into your actual state, since you emerged in supreme perfection from the Creative Power. And you should know that you must make every effort during your earthly life in order to fight against all bad habits which prevent you from entering into unity again with your Creator of eternity, Who wants to be your Father, but that you will be infinitely happy if you succeed in changing, if you allow this change into love and by doing so may take possession of your Father's ray of love again, Who bestows this bliss upon you. For this is your only goal, to once again become what you were in the beginning .... supremely perfect beings, as they were when they came forth from God ....

Amen

*After reading a book about Indian religions ....*

You have taken on the significant task of spreading the pure truth conveyed to you from above, which is especially important because it is opposed by My adversary everywhere. And you will realise that he is predominant because people's nature turned them into his slaves, since they accept everything they are offered but are unable to distinguish where it comes from .... And yet it could be easily established, for if it is truth, Jesus Christ's act of Salvation would have to be mentioned without fail. This act of mercy has to be emphasized as the quintessence of pure truth. And then you will be able to easily see what corresponds to the truth .... For I explicitly pointed out that every spirit who professes that Jesus Christ became flesh in order to redeem the world will not instruct you incorrectly either. After all, it concerns the fact that Jesus Christ is the Redeemer from sin and death ....

You humans are burdened by the offence of the original sin, and you can only be released from it by carrying it to the cross .... And you have to believe this .... Absolute proof cannot be given to you because you have to take the path to the cross voluntarily. Only this will result in a life of beatitude when you have to leave our earthly body and enter the kingdom of the beyond .... your true home, which will then also offer you the fate you aspired to on earth. You humans have to believe that you are the fallen original spirits, that the path across this earth is transient and only requires a test of will in order to regain your true nature, to create and work in My kingdom as blessed spirits once again, providing you don't fail and then have to repeat the development through all works of creation ....

And this is the pure truth you should support since the extent of error is increasing, because people are experiencing the last days and My adversary is succeeding in deceiving them. He is so clever that he has found many gullible followers who, however, have fallen victim to mediums, to hypnosis, to self-deception through suggestion, all serving the same purpose again: to reject the divine 'Saviour' or to present Him as a 'mere human being', Who certainly pursued the highest goals but was not the 'embodied Deity Himself'. However, anyone with the sincere desire to know the truth and who, through a life of love, shapes himself such that My spirit can flow

into him, will also be given the knowledge of Jesus Christ and His act of Salvation .... If he does not receive it during his earthly life, then his degree of love is decisive in order to convey this knowledge to him in a flash when he enters the kingdom of the beyond. Then he, too, will utilise the blessings of the act of Salvation, he will hurry into the divine Redeemer's arms and also find redemption from all guilt. Hence only a life of love is necessary to receive this knowledge which, however, will always be the same, because truth can only be what I Myself give to people who prepare themselves as a vessel for the spirit.

The fact, that beings of light are time and again willing to come to earth in order to convey the correct knowledge to people cannot be denied, yet they are faced with difficult conditions in relation to preconceived opinions .... as they belong to different schools of religion .... No matter how much people try to perfect themselves .... they can only achieve this by living a life of love. But then they are also open-minded for correct instructions relating to the divine Redeemer.

But where entire nations are inaccessible to the truth, where only individual people are willing to accept it, My love cannot exercise force, and I will be satisfied with an honourable way of life which will also bear fruit. But I will not divert from the truth in as much that I would apply different laws to other people, even if I admit that people with a high degree of maturity are able to take actions above and beyond their human abilities .... But then they also have the inner awareness of Jesus Christ as the `divine Redeemer', Who has to be approached by everyone in order to be freed from their original sin. For only this knowledge will result in your blissful life in the spiritual kingdom, which you can expect after the death of your body. Because your existence on earth is transient, the spiritual kingdom is your true home where you will live again .... when you have found salvation through Jesus Christ .... in your true state, as it was in the beginning ....

Amen

*Explanation about the 'existence as a human being'....*

You have already been on earth for an infinitely long time, which you can truly call eternities .... albeit not as a self-aware original spirit, instead you cover this long path as minutely tiny particles so that you can regain the original state which was yours in the beginning. If you consider that you travelled through all creations .... since everything you see around yourselves, everything that is to be regarded as a work of creation, must be a spark of strength from Me, otherwise you would be unable to exist .... then you will also learn to look upon these creations as My once emanated spiritual beings which deliberately abandoned contact with Me but which .... since they are everlasting .... must also establish this connection with Me again one day, because it is and remains the law that My emanated strength will return to Me again. Only then will you judge the human stage correctly, in which you should establish this conscious connection with Me. And all creations around you will remind you to strive towards this final goal if you don't want to travel the path through the creations again, which you have now escaped with My help. And the fact that this is true must be believed by you, for it is conveyed to you by My spirit but cannot be proven .... yet only in this way can the whole of creation be explained to you, and I do so in view of the near end, in order to give you humans an explanation as to what you and the whole of creation basically are .... For the few who are open-minded recognise the only explanation therein, they recognise My infinite love, unsurpassed wisdom and infinite power .... And they don't doubt that it is true .... Yet far more people live in spiritual darkness and making the immense responsibility of earthly life clear to them will be a difficult task and will usually also be unsuccessful. But they will have to be prepared for a repeated process through the creations of the new earth if I don't recall them from earth before.

However, if people would for once only seriously ponder the question as to what they are, where they come from and what their actual task on earth is .... countless souls of light would answer this question for them, for these questions would result in one bright thought after another .... and the darkness would vanish. But as long as a small light is not kindled for you, so that you realise your life on earth is the final stage of a process of

development after an infinitely long path of preliminary development, you will not live your life on earth conscientiously and .... if you don't live a life of love .... there is great danger that your earthly life will be a waste of time. On the other hand, if you live a life of love you need **not know** about your previous existence and will still reach your goal, for only love is needed in order to become fully mature on earth. But since love has grown cold during the last days before the end I try to address your intellect by informing you of your long earthly progress and explain to you the slow development of all creations in a purely intellectual way in order to make you to think about what your God and Creator intends to achieve by this. I only try to encourage you to reflect on this, because then beings of light will be able to intervene and mentally answer your questions. But if there is no more love among people and if they also refuse to spend serious thought on the matter, then there is no more hope for their deliverance, then the law will inevitably come into force which determines your renewed banishment into matter again. Yet My struggle for the souls will not slow down until the end .... And I will send My flow of grace wherever the possibility for a change of will still exists in order to increase the number of those who recognise themselves as having originated from Me, who want to return to Me again, who will enter the kingdom of light and have attained their purpose in life .... who are and will remain My Own forever ....

Amen

*Confirmation of the prophecies ....*

Do not let yourselves be swayed and even though the truth of My gospel from above is questioned, there won't any extended time pass by anymore where you will receive the confirmation of that which I continuously announce to you. Although people who are still attached to the world and its goods too much are hard to be persuaded to accept it but the happenings will touch them the more, for they have to give up everything and will be happy to be allowed to still keep their life. It is certainly a time of severe trials for all people who are hit by the natural disaster, but to all who sincerely turn to Me in faith my help will obviously be granted to them.

Therefore, you ought to miss no opportunity to make your fellow man aware of that intervention of Mine which also stops a disastrous earthly happening from which it is clearly shown this need is not brought upon you by man, but that I decide Myself as to how much affliction every individual one has to take upon oneself that, it's true, won't be less grievous but is to be regarded as the action of a higher Power, against which no person can fight with one's own strength.

And you people will now have to decide whether you want to acknowledge such a Power, or else, to still deny it. And this alone will certainly determine your further lot. (If denying this Power the opponent will then support you, to whom you will be enslaved completely.) Because that's when a power will then support you, to whom you will be totally enslaved. You will act ruthlessly on your neighbors and you will at the expense of those again obtain that what you need in order to continue the old life style. And his hand (power) won't let go of you anymore. But whoever is strong in faith won't be deserted, I Myself, will give him the strength needed to stand because his love for his neighbors is obvious and, the way he gives, it will also be given to him, because there's nothing impossible for Me. And those will wonderfully experience My help and humbly submit to their position.

And the fact it will turn out this way is already specified in the Scripture and has been proclaimed by seers and prophets over and over. But there's nobody left any more who is able to stolidly believe to the point of full and thorough commitment to it, and even the recipients of My word have moments where they feel slight doubts creeping up in them. Yet again and again My instructions are given to them to announce themselves to the fellow man, and they certainly carry out their work faithfully in My vineyard. For the one thing is certain to them, the time of the end has come and so they deem My intervention to be possible, especially when confirmed in the scripture as well; the coming of an earthquake so severe the world has never experienced it ....

And thus all the prophesies will come true because My word is truth and is bound to come true, just the day and the hour is not made known to you people. And that's why you're always postponing the event into the far away future without considering the future once to become presence as well and thus those people are affected who just happen to live at that time.

Let it be told to all of you: The time granted to you on earth is but short and do not doubt My word I guide down to earth for the sake of making you aware of the happenings laying ahead of you, because all of you would still have time to change if you sincerely wanted to. But also, you will irrevocably fall into the hands of the opponent and will, together with him, be put into bonds. You will again be forced to go through the earthly creation of which you cannot be warned enough, because it is a hard lot which you will again have to bear. But it cannot be avoided, for everything will again have to be re-cast into bondage of matter and the lawful order re-established for the sake of enabling the spiritual still bound in the form [of matter], once in the condition of the awareness of the self, to take the path of return to Me, which also demands a total re-arrangement of the surface of the earth.

Amen

*Only prayer protects from the adversary's activity ....*

The closer it gets to the end the more violent is My adversary's activity, and you all will feel it, for no day will pass by without causing you unrest or tasting his treachery in other ways. And nothing else helps but your prayer .... your connection with the One Who is his Lord too, Who defeated him through His death on the cross. A heartfelt prayer will re-establish the inner peace which he wants to deprive you of. For his power will be defeated when you turn to Me, no matter how much he strives to agitate you. The battles against him become increasingly fiercer for he will not let up pushing you, and time and again I have to tell you that only prayer will protect you from his activity. For then you demonstrate that you are looking for Me and want to be released from him, and then I can use My power against him, I can prevent him from continuing his harassments since then your own will gives Me the right to deal with him.

But in the last days his rage becomes ever stronger, and yet he will not succeed with My Own, with those who desire Me with all their heart and call upon Me for My protection. And whom else would I rather protect than My Own, who always want to be in contact with Me and have offered their services to Me? You just should believe that I also have power over him,

that you are not defencelessly left at his mercy and that you will have the strength to repel his every intrusion. And you should draw this strength from My Word, you should always engross yourselves in this Word and you will be surrounded by light which he, however, avoids and you will be released from him.

And don't allow yourselves to be held captive by the world, for then he can enter secretly and entice you with its goods ....

Then he will also have a certain amount of power over you which you won't recognise since he is able to deceive you. However, in that case I cannot help you, for you hand yourselves over to him and forget about Me, and then you will have to struggle for your inner bond with Me, only then will you realise what it means to have detached yourselves from Me, for once he owns something he holds on to it. But I won't let anyone fall who seriously desires Me, he will just have to struggle considerably in order to get back to the same level he had previously been on ....

Make sure that the adversary will not gain power over you and call on Me in your ordeal, for I Am always willing to help you if your call comes from your heart. Just don't let the world get the better of you, for then you will be served by the one who is lord over this world, and all I can do is wait until you find the way back to Me ....

Amen

*Keen intellect is an obstacle to correct realisation ....*

It is not a good sign if people lose themselves in unbelief, for then they will be beyond every contact with their God and Creator, they will be purely earthly minded and everything they undertake will only serve the body's preservation and comfort which, however, will cease to exist when the person's last hour has come. And where the only purpose in life is the earthly world, life on earth is a waste of time, the human soul leaves its body in the same state as it was at the beginning of its embodiment and will not have taken one step forward, people will have missed their purpose in life regardless of their highly developed intellect .... It is precisely their keen intellect which prevents them from recognising

a spiritual world if they are entirely without love, then they will flatly deny a God and Creator and consider all creations merely a matter of natural law without spending any thought on the fact that there has to be a Lawmaker Whose will controls everything .... In that case, the human being's 'higher stage of development' will have already been reached in a purely human sense .... Through his intellect the human being believes himself to be in the vanguard and almost cannot be surpassed anymore, but in his psychological development he has not made the slightest progress and yet he can be inferior to someone far below his level, because the latter will be judged by God according to his love, which also causes him to believe in a Deity .... regardless of what he calls It .... And if this person, on account of his love, also allows the working of the spirit in him, he will come close to the right way of thinking, and then he will be saved for time and eternity. And so there is also the risk that even people to whom a certain belief in a God cannot be denied will join misguided spiritual movements, to which they adhere with great tenacity, who don't want to accept Jesus Christ as the Redeemer of the world and who therefore .... if they don't receive the right explanation before .... will enter the realm of the beyond without Him when they die .... and even over there not accept anything in order to still find Him. And there are a great number of those .... For this reason, the light of truth will shine time and again, for truth alone is liberating. But the truth, in particular, is not accepted by people with an unusually keen intellect apart from a few, who will then think correctly and feel dependent on an all-controlling power .... These few will take their worldly knowledge across with them as well and from there they will also be able to enlighten those people in regards to worldly questions who think like them by acknowledging God .... but this will only seldom be the case.

The others, however, will enter the beyond entirely without knowledge, they will stand completely empty and poverty stricken at the gate to the kingdom of the beyond, embraced by profound darkness which will not recede until they, with the help of the beings of light, gradually achieve a change of thinking. But there is also a danger that they will descend even further into darkness and that they will approach a renewed banishment again which, at the end of an earthly period, can easily be the case because they will not have much time left to change their mind. Hence their

'progressive development' will be of no use to them at all, spiritually they will be far more like a human being who is disregarded due to his race and yet is able to kindle love within his heart, who still believes in a God, regardless of how he imagines Him to be but he feels and believes that he emerged from this Power .... And when a person like this is informed of the divine Redeemer Jesus Christ as well he will also belong to the redeemed, for especially people like that take it far more seriously and live their earthly lives responsibly .... For the saying 'The first will be last ....' also applies to this. This is why a great blessing rests on the messengers' activity who care for those people by bringing them the Word of God, who spare no effort and selflessly promote the distribution of the teaching of salvation through Jesus Christ, since it is the most important information people should know about. However, anyone who believes that life has come to an end after earthly death has used his keen intellect badly, for there is enough evidence that nothing passes away but that everything merely changes, nothing ceases to exist but that everything merely changes its external shape. And thus the human being's soul is everlasting too, but after death it reverts to the way which corresponds to its earthly life .... Hence, it returns to the state of death since it failed on earth to give life to itself .... And this state is extremely painful but can always still be improved with the help of the beings of light, which will never leave any soul to its own devices if it does not harden in its substance again and has to take the path across earth once more. For God is righteous and earthly life is a gift of grace which has to be utilised by the human being, since it is **possible** for him to gain the life for himself which will make him forever blissfully happy .... However, he cannot receive happiness **against his will**, for God respects the free will of men ....

Amen

*Love recognises the error in the beyond ....*

*Intercession ....*

Everything that still is and has to remain hidden from you on earth, because your state of maturity would not be able to comprehend it, will be revealed to you. But as soon as you enter (the kingdom of the beyond) with just a small amount of knowledge you will know that you can raise your awareness at any time .... You will know that you only need to be actively loving in order to receive without measure. But you need to have this small glimmer of light, then you will automatically get to the place where further knowledge is available, and your higher development will continue. And your longing to hear increasingly more intensifies the more knowledge you are given, because My gifts are unlimited but they always have to be wholeheartedly desired .... And thus, every human being living with love on earth also knows that he has a light which illuminates the path he has to travel. Only love will be taken into account, and thus the soul's state corresponds to its degree of love when it enters the spiritual kingdom. But then it will also recognise the error as such and detach itself from it, for no beatitude can be expected from error. Misconception confuses (people's) thoughts and has to be preceded by a long struggle before the soul is released from it ....

The fact that most people pass away from earth with misconceptions would be of little consequence had the person overcome his selfishness and lived in unselfish neighbourly love. Then he would automatically arrive in places where a light is shining, where it is either radiated to earth or conveyed to him by the messengers of light. Hence his fate depends on the degree of his love, and only I can recognise this since no thought is hidden from Me. If a human being endeavours to reach Me .... if he is only interested in doing what pleases Me, he has proven that he wants to fulfil his task on earth. If he then takes the wrong path, which makes it difficult to find Me, then his will for Me is taken into account and I will help him to attain perfection.

But only a person who accepts his neighbour as his brother can love Me, because selfless neighbourly love is always proof of love for Me .... given that I ignore mere words without a living faith. In that case, however, the soul will not disassociate itself from error either, because only love is the light

which provides the soul with a glimmer of knowledge. Then the person's entry into the kingdom of the beyond is just a continuation of what was more important to him than his love for Me, then he remains subject to error until he is able to free himself from it. But since you humans on earth do not know in what state a person leaves earthly life, and you cannot be directly informed of it either because you should forward intercessory thoughts for all souls, this intercession is indeed necessary if you want to protect each soul from a potentially very long time before it can free itself from error. You can only be certain that outright souls of love will enter the spheres of light, all other souls require your intercession. And they will be truly grateful to you for it, after all, only a loving prayer sent to Me will be helpful .... and not the prayers of congregations, which are intended to help the soul to beatitude.

Remember the deceased, and let them know that you want to give them My Word to enlighten them, which is food and drink for the souls, nourishment to strengthen them, because many souls are still suffering great hardship by living in twilight, if they are not entirely engulfed by profound darkness. Even then you can release these souls through heartfelt prayer, they will feel blissful relief and gradually let go of their opposition to Me .... I want all souls to find salvation even now, I don't want them to be devoured again by the abyss. I want that Jesus Christ's act of Salvation is brought to them time and again, which they will comprehend ever better the more light they are given. For loving intercession is strength which will benefit every soul you pray for .... All souls appeal to you for this because they are unhappy as long as they have not found salvation through Jesus Christ, Who died on the cross for all sins ....

Amen

*'Test the spirits whether they are of God ....'*

*1 John 4:1-3 ....*

The human being's will must remain free, it can neither be forced to accept nor to reject something, for this is the law of divine order. However, it will always be possible to recognise what you are offered through My great love and grace, therefore you should not rashly renounce something just because it exposes existing errors and provides you with a truthful explanation .... Consider that you are only offered something better, that you ought to let go of negative thoughts which give you a wrong image of Me .... consider that something is merely being corrected that cannot be reconciled with My perfection .... Furthermore, consider that it cannot be the work of an evil spirit which provides you with clarification about Jesus and His act of Salvation .... Also remember that nothing remains as unchanged as it once originated from Me, because no human being exists who is already perfect and that therefore every person can also err .... but that I, if an error has occurred, must always correct it again in order to guide you into the pure truth once more. If the explanations about Jesus Christ and His act of Salvation therefore make you humans realise that it can only be the working of a good spirit .... and if you are repeatedly informed of the fact that in the very beginning I externalised you in all perfection .... if I only ever describe the act of creation to you in a way that you need not doubt My perfection, then I also have had My reason for this, which consists of the great error far too many people have accepted by now .... Hence I had to refute it and choose a vessel for Myself, whose credibility can always be verified by you through the clarification about Jesus Christ and His act of Salvation, about the reason and significance of the same. And truly, only I Myself could have addressed you, only I Myself could have explained all correlations to you and provided you with the evidence that you are addressed by Me .... So why don't you want to accept the explanation about the error which, after all, is clearly self-evident? I do not contradict Myself, yet anyone can clearly recognise an obvious contradiction if he seriously thinks about My nature ....

But the offer of the pure truth also resolves other questions which necessarily had to follow an erroneous thought, such as these: Why did I make such

an effort to lead the spirits, whose 'fall into sin' was (supposedly) caused by 'Me Myself', out of this wretched condition again? .... And why would I want to lead you into perfection if I Am not perfect Myself, which is indicated by the fact that you look upon Me as being afflicted with human weaknesses .... a statement which never came forth from Me and must therefore be regarded as satanic influence. I cannot often enough oppose this misguided teaching .... that all opposites are inherent in Me .... but you have accepted it as a matter of fact precisely because, as human beings, you cannot conceive anything of perfection. The whole act of creation would have proceeded without love and wisdom, and yet, love and wisdom were the decisive factors .... However, it cannot be reconciled with My love and wisdom that I created My living creations with evil instincts, because in that case one cannot speak of a 'sin against Me', but this has occurred and consisted of the 'rejection of My strength of love'.... This sin is the reason why the being has to take the appalling process through the creations, and this sin will only be removed when the human being once again voluntarily desires My illumination. This sin of resisting My strength of love also resulted in spiritual darkness, during which the being was receptive for the evil characteristics My adversary had brought into being. Hence it reversed its nature into the opposite and must dispel all these evil characteristics during its earthly progress, and I will help it do so in every possible way. Yet the redemption of the immense sin of rejecting My strength of love necessitated Jesus Christ's act of Salvation .... It cannot be removed by the being itself because it took place in a state of brightest realisation, in a state of perfection, which should have stopped the being, but the sin had already been the adversary's influence who was the first to reject My love and, in this state, brought forth all evil and transferred it onto those beings which voluntarily surrendered to him and thus plunged into the abyss with him .... Of what use is it to you if I constantly speak of My infinite love for you, had it caused your fall in the past in the first place? This boundless love can only be possessed by a profoundly perfect Being, and this Being also endeavours to bestow upon you your former perfection again, which you had willingly given up. Consequently, I will repeatedly counteract misguided teachings in order to return your faith in My perfection so that I will gain all of your love as well, which shall restore the original state again in which you once emerged from Me ....

Amen

*Do the Gospels correspond to truth? ....*

The question occupying you is understandable if you wish to know the truth. The fact that changes had occurred everywhere cannot be denied, because I do not exert force on a person's free will even if he himself implements changes, partly as a result of wrong translations, but partly also caused by the use of language which differs everywhere and also promotes various interpretations. Even the transcripts of the original text diverge from each other were you to compare them, but they do not distort My teaching, they describe My Words as I had spoken them, because these Words of Mine are and will remain everlasting. But now you desire to know who has been instructed by Me to record My divine teaching of love, as well as My way of life, and I can only reply to this that John .... My favourite disciple .... had the direct order from Me and thus also complied with this task. However, My disciple Matthew, having been likewise capable of writing, also left scripts behind in which he mentioned more factual events, hence he was an equally faithful servant, yet minor discrepancies occurred in his transcripts which, however, cannot be explained such that every scribe saw the same events **differently**, instead, it concerns multiple events, for I have often done the same. Even so, this Gospel is still hidden from you and was replaced by a disciple of the same name who was impelled by the spirit of God, just like the evangelists Luke and Mark, who only during later years wrote down what they had heard about Me and My act of Salvation. You can rest assured that they were influenced by My spirit, otherwise they would never have attempted to tackled such work .... And it will indeed be possible for every spiritually awakened person to recognise these minor discrepancies, which had slipped in later, but he will always be able to keep to My direct Words, since I protect `My Word' from being changed. Admittedly, you can also **interpret** these Words of Mine wrongly, which indeed you have done, thereby giving the spoken Word a **different** meaning, but a spiritually awakened person will always recognise them as being wrong.

So if you know that you are allowed to unhesitatingly accept all Gospels as being conveyed by My spirit, as long as you merely assign different periods of time to the process of the transfer, then the Gospel of John was

the first one given by Me, because John more or less witnessed everything and was therefore able to describe it in greatest detail. However, the other Gospels can also be unreservedly believed. For they do not contradict each other, merely in the course of time minor changes have occurred which, however, are insignificant and recognisable. If the translators keep firmly to the original text, if they don't change the words according to their linguistic usage, it can also be assumed that the Gospels will remain pure, but the latter should be avoided because it can completely change the meaning. And even the `expositions' require an awakened spirit .... worldly studies, even if they are of a spiritual nature, are to no avail .... And time and again such `expositions' arise which deviate from correct thinking, and so many a passage exists which is purely interpreted in a human way, whereas it should only be understood spiritually .... and this always ever concerns passages where clarifications were given .... On account of people's free will I cannot prevent this, nevertheless, wherever possible I protect the Word I have spoken during My life time on earth, so that those of you who want to know the truth may find the right explanation .... For such questions will only be asked by a seriously-minded person who is not satisfied with scriptures of unknown origin and whose questions only prove that he loves the pure truth and therefore also Me Myself, Who is the eternal Truth ....

Amen

*Good Friday ....*

The sin I had taken upon My shoulders was an inconceivably heavy burden and could only be redeemed through an equally immense sacrifice of atonement, as the path to the cross and the extremely painful suffering and dying on the cross was for Me. For this had been excruciatingly painful .... You humans are incapable of even remotely imagining that measure of suffering, for I felt abandoned by the strength of God, I .... Who had always been united with the Father .... had to walk the path alone, which seemed to last forever but which I nevertheless took upon Myself in infinite love because I pitied the human race and knew that only this sacrifice of Mine could bring salvation to humanity .... Time and again I had to experience

the brutalities of the executioner's servants, and the whole world of hell participated.

Yet I was not allowed to defend Myself by using My indwelling divine strength, for this act of Salvation had to be an act of free will, on account of which I covered this path of suffering as a 'mere human being', always praying that I would be able to complete it, that I would not fail before the end, that I was also permitted to endure the death of the cross, which concluded the act of Salvation in the first place. You will only be able to assess the whole extent of torments and humiliations I had to endure when you enter the kingdom of the beyond, where you will be able to behold My crucifixion. Yet during your human existence you lack all concept of My torments, since a lesser measure would have killed you already, however, My will to redeem you was so strong that it gave Me the strength to taste all suffering to the extreme .... that I also endured the death on the cross consciously and still was able to pray for My tormentors 'Father, forgive them; for they know not what they do'....

They did not know that by nailing Me to the cross they nailed the Father Himself to the cross, Who wanted to redeem all people from every sin .... I knew that He had merely withdrawn Himself from Me so as not to exert force on Me as a human being, for only the **human being Jesus** was able to suffer and this suffering reconciled the Father. For this reason I spoke the Word 'It is finished ...' in order to state that an eternally predetermined act had been accomplished.

However, its results encompassed the past, present and future .... And thus all beings which once had fallen away from God are redeemed .... One day in the beyond you will always be able to witness the crucifixion of Jesus, the human being, but no person will ever be able to assess the appalling torments as long as he still lives on earth .... for he will lack the understanding. His immense suffering, the immense suffering of the man Jesus, not only involved the physical pain inflicted on Him, instead, the suffering of His pure soul, having descended to earth from the kingdom of light for the sake of this act of Salvation, was far greater .... Only a soul which already dwells in the kingdom of light is able to comprehend what it means for a pure soul to be in the slough of sin .... what it means for a perfect soul to stay in the midst of imperfect creatures .... but then it is

also able to understand the depth of love which motivated Jesus to provide help for His sinful brothers, and then they will tremble with awe and give thanks and sing their praises to the One Who has redeemed the world from all sin ....

Amen

*Faith and love lead to unification with God ....*

If you bear My infinite love in mind, which took the most bitter suffering and dying for your sins upon itself in order to open the gate into the kingdom of light for you again, then this act of atonement alone should already induce you to respond to My love with as much depth you are capable of feeling .... Yet precisely this is what you are lacking, you are no longer able to muster such love because My adversary still keeps you in chains and will do whatever he can to prevent your kind-hearted actions. It is not as if you were entirely incapable, because you shelter a tiny spark of My love in you which you need only nurture to grow into a bright flame. Yet this requires your will again, which is free and therefore not compelled by Me nor My adversary. And this free will can do anything .... It is able to establish the most heartfelt bond with Me but it can also completely submit to My adversary .... However, even the slightest will for Me is already enough for Me to grant you strength and constantly prove My infinite love to you .... If you therefore call upon Me Myself in Jesus for help against him, your resolve will be strengthened and you will have escaped My adversary, you will strive towards the light, live your life purposefully and indeed reach the final goal, unity with Me.

But what should you do first so as not to live your life in vain?

First, you must believe in a Power Which created you .... If you acknowledge this Power it will be easy for you to establish mental contact with Me, for your belief in Me is already evidence that you want to detach yourselves from your present lord, for he will try to shake any belief you have .... But since you turn to Me of your own accord I will help you take the right path which leads to Me. First of all, I will inform you of the divine Redeemer Jesus Christ, in Whom I became a human being, and explain

the significance He has for you .... And as soon as you know that you can always turn to Him, that He and I are as One, you will always hand your guilt, which was the cause of your human existence on earth, over to Him .... From then on you will be able to feel the great love I expect of you, which is needed to enter into union with Me.

Thus you can all attain faith in a Being Which is exceedingly powerful, wise and loving .... And when you recognise that this Being is exceedingly perfect you will also be able to love It .... In that case you will also know that you should **strive towards** this Being, that you are still distant from It as a result of your past sin of apostasy, that He wants to win you back again and seeks to attract your love which alone can revoke the original sin when it has been handed over to Jesus Christ, Who has redeemed the guilt of sin on the cross ....

Only love can lead you back to Me again, only love is needed to enable you to enter the kingdom of light again, only love returns to you all abilities which you once possessed in abundance and relinquished! Love alone is the bond between Me and you, for it is your fundamental element, just as I Myself Am love .... Consequently, if you believe in Me, then the spark in you, which brings this faith into being, has already come alive and it will flare up ever more frequently and finally lead to unity .... Therefore, believe that I exist, that I have created you as well as everything you see around you, and you won't be able to help yourselves but to make mental contact with Me and thereby receive strength, you will become knowledgeable. That is, the right thoughts will flow into you so that you will know the truth, for the result of transferring My strength of love is that you may also have an insight into previously closed spheres .... However, it always depends on your degree of love ....

Therefore, let love become active in you, for love is everything; it gives you clarity of thought as well as the strength to implement what benefits your soul. It will take you to Jesus Christ, and once you have recognised Me in Jesus Christ you will assuredly also take the path towards perfection, you will return into your Father's house from which you once voluntarily distanced yourselves ....

Amen

*Severe suffering can result in childship to God ....*

You were told several times already that you can only attain childship to God if you surrender to Me with love and also humbly bear the sorrow which you have to experience in order to purge the soul from all impurities, so that, on entering the kingdom of the beyond, you can be completely permeated by My light of love, for every ailment, every suffering the human soul still has to endure on earth dissolves the layers, and then the full light ray of My love can touch the soul, because it has relinquished all resistance ....

Therefore, don't be discouraged by a difficult earthly life but believe that it will be a blessing for you which fully offsets all suffering, and be patient, for the reward will be greater than great and the time of the human being's suffering on earth is but short compared to the glorious fate awaiting the soul throughout all eternity. This is why you should gladly accept a life of suffering; you should know that such an earthly life is imposed on you by My immense love so that you soon will be able to reach the goal set by Me since eternity. For what follows your earthly life cannot be explained to you, it is the most magnificent fate which is only destined for My `children', who will be invested into all the rights of the Father, able to work like Him .... without difference, because they have attained the highest goal.

Yet even for these very children I Am unfathomable, that is, they incessantly strive towards Me .... they long for Me and their longing will always be fulfilled .... And the essence of their bliss rests in the fact that they will never cease yearning for Me, that they thus can never be entirely satisfied because I Am and remain eternally unfathomable. For this reason you have to take the most difficult conditions in earthly life upon yourselves, you will be tested time and again, and you have to remain steadfast even in utmost suffering and always know that only your great love for Me and your neighbour can alleviate your suffering, but that you are incapable of such love which could entirely eliminate suffering .... and thus should be grateful that you are allowed to bear sorrow as it only serves to perfect you. I did not say to you without reason `Take up your cross and follow Me ....' For I knew that only a path of utmost suffering will result in your childship to God, because as human beings you are incapable of the love

that also leads to childship of God, and also because earthly life is too short unless you accept suffering at the same time.

Therefore, do not ask why I let a human being suffer ... Rather, think of the benefit of suffering, bear in mind that it dissolves all layers which prevent the soul from receiving the full illumination of love .... and that it is always just a temporary state which is then replaced by eternal happiness, for which you would have accepted even more suffering if only your physical strength would allow for it. Thus you who have to suffer so much should remember that it is the longing for `children' which motivates Me to put you into this state .... and that you yourselves will be grateful to Me one day for all the adversity you had to endure in earthly life.

Yet this always presumes firm faith in Me, faith in life after death and faith in My infinite love, then you regard every happening as a return of the once fallen spirit to Me .... with the goal of childship to God, which I cannot achieve in any other way but by means of the path across earth. And if you have this faith then you will also patiently endure every suffering, you will only ever see one purpose in it and accept everything that you, as a human being, cannot change anyway, but you will humbly bear it as imposed on you by My wisdom and love in order to guide you to the highest goal.

But only few will reach this goal, yet they can nevertheless be happy if they don't (even those people can be happy who don't) enter the kingdom of the beyond entirely without light, for they will still be able to enhance their degree of light there. They will also be able to rise ever higher and experience infinite beatitude but they will no longer be able to achieve the `childship to God' which necessitates a life on earth .... Nevertheless, they will be able to repeat this life in order to fulfil a mission, and even then will not be spared all kinds of suffering in order to achieve utmost maturity .... in order to enter the spiritual realm as the Father's true child, in order to then be able to eternally create and work at His side, in accordance with His will and yet in all freedom, as it was His intention from the start ....

Amen

*The extent of the natural disaster before the end ....*

You should all prepare yourselves for the end, so that you will at least be able to enter the kingdom of the beyond with a small glimmer of realisation. Only a short time will pass but this fully suffices if you have the good will to achieve your transformation into love. You will have ample opportunity for this as soon as My intervention has taken place .... as soon as you are afflicted by a natural disaster which dwarfs all previous events. You cannot possibly imagine what will happen and yet, you should believe that My voice will resound most powerfully with which I shall speak to you humans just once more before the final end arrives. It will mean a terrible experience for all of you .... only My Own will not be affected as much because their faith is so strong that they entrust themselves to Me completely and therefore will also always receive the help they expect. And then every person will have the opportunity to practise unselfish love in order to still achieve full maturity, for there will be very much hardship and everyone will be able to help, if only with comforting words of encouragement which refer people to a God of love Who only requires a trusting prayer to Him in order to be able to visibly demonstrate His help to them. For whatever you can still give to a person in a spiritual sense will help his soul and save him from the dreadful fate of a new banishment. But you will also be able to help them in an earthly way, for the resolve to help will also place you into a state of being able to help, for where human will is unable to help I still have countless helpers at My disposal who will look after you in remarkable ways. I only require firm faith from you, and you will have this when you realise that everything I predicted is coming to pass and when you therefore hand yourselves over body and soul and only want to work for Me and My kingdom.

And this time should be used well by you, you should constantly practise love which again and again will give you strength, you should only ever think of your souls, because you don't know for how long you will still be allowed to live on earth, since the time left to you can only be limited, especially if you cannot attain the strength of faith which enables you to endure until the end. In that case My mercy will be greater if I call you away from this world ahead of time .... if you can still enter the kingdom of the

beyond where it will yet be possible for you to progress but where you will not be at risk of descending into the abyss again in the end ... for I fight for every soul and know its will, and thus I also know where there is still a possibility of salvation, and I will certainly make use of this ... only one thing I cannot do, I cannot forcibly release you from My adversary's hands ... For he has the same right over you because you once followed him of your own free will. And thus I can only ever just help those of you who want to release yourselves from his control. And I will truly do so by every means, for alone the fact that you are being informed of the approaching immense adversity ... that you can increase your strength through prayer if you believe in it ... is a very significant help. For you all are capable of uniting yourselves with Me in prayer, of appealing to your Father that He should grant you the mercy of not becoming quite as badly affected by this natural event, which is at all times in My power. And every such prayer sent to Me in spirit and in truth will be granted by Me, this is why not all people will be equally affected, and My will shall visibly express itself and also strengthen the faith of those who were still doubtful ... Yet even those who don't believe will begin to wonder, their hatred towards the believers will increase and subsequently degenerate into hostility, which My Own will also have to suffer. Nevertheless, they have My guaranteed protection, because as long as they work for Me and My kingdom I will also know how to guide their steps so that they will not remain unsuccessful, and the souls which received help from them in their spiritual and earthly adversity will be very thankful to them ....

Amen

*The path under the cross must be taken by all people ....*

You cannot be told often enough that you must all take the path to the cross, and neither can I release you from this path to the cross because you are all burdened by the guilt of sin for which Jesus, the human being, made amends, and because, until you do, you cannot enter the kingdom of light which only He can open for you. Consequently, the knowledge of the reasons and the significance of the act of Salvation must time and again

be conveyed and explained to you humans, for your belief in it is only very weak now, time and again people will deem it a myth they are supposed to believe but which cannot be proven historically. But Jesus came into the world for the sake of an important mission, and He indeed accomplished this mission by walking the most gruelling path to the cross, by placing the whole of humanity's sins upon His shoulders and enduring the most bitter suffering and pain of death on the cross, which opened the door to the kingdom of light for all souls who place themselves under His cross, who want to belong to those who are redeemed, who confess their sins to Him and appeal to Him for forgiveness. For only the free will to accept the act of Salvation and its blessings will loosen the shackles which keep you chained to the one you once followed voluntarily and thereby sinned against Me .... The evidence for this can no longer be given to you people, you must believe that the man Jesus died the most agonising death on your behalf in order to do penance for Me. However, you will be able to muster this belief and time and again discover it through My spirit, so that you can also advocate this belief with conviction, for precisely this working of the spirit in a person has only become possible through Jesus' death on the cross .... through the act of Salvation, so that a person's abilities, which had laid dormant in him while he was still burdened by his original sin, can break through again. This working of the spirit will continually take place .... People will always be able to receive the information about the great work of mercy which was accomplished by the man Jesus for the sake of the original sin ....

It was not merely the act of a human being, as I Myself sheltered in the man Jesus and thus redeemed your guilt .... Love impelled Him to take the immense suffering upon Himself .... I Myself was this Love and I was able to so completely permeate Jesus, the man, that therefore Love Itself accomplished the act of Salvation .... that the human being Jesus was only a shell for Me in order to visibly suffer and die for people, because, as God, I was incapable of suffering. Nevertheless, He kept His body so as to, in unity with Me, be and remain a visible God for all My living creations. And thus you will now understand that no-one can avoid the cross if ever he wants to return into the kingdom of the blessed spirits. You will understand why the original sin will keep you apart from Me forever, and that, for the sake of My justice, I cannot redeem it in any other way than

through the acknowledgment of the greatest sacrifice of love and an appeal for forgiveness .... Only then will you be able to return into your Father's house, which you once left of your own free will by following the one into the abyss who is an enemy of all life and who wants to keep you in a state of death .... However, you have free will and can just as easily take the path to Me, to Jesus Christ, in order to be and remain eternally happy. I cannot deprive you of your freedom of will, but neither can My adversary force you to submit to him, you must make your own decision; consequently, Jesus Christ and His act of Salvation will be pointed out to you time and again, you will be informed of His path of suffering, His bitter and painful death on the cross, to make you aware of the fact that you yourselves have been the cause of this act of atonement and subsequently take the path under His cross, voluntarily confess your guilt to Him and appeal to Him for forgiveness. And My infinite love will acquit you of your guilt, My infinite love, which sheltered in the man Jesus, will loosen your fetters and open the gate through which you may enter into My kingdom of light and bliss, where you can be permeated again by My light of love, as it was in the beginning.

*Various schools of thought ....*

*There is only one truth ....*

In every school of thought you will find something that corresponds to truth, yet you will encounter far more misguided points of view and therefore you must examine everything and establish its origin .... not everything can be endorsed as truth. The vast number of existing different schools of thought all deviate from each other. And this alone should make you think, for there is only one truth and this originates from Me directly. Pure truth, however, will only ever be gained through the working of the spirit in the human being, for this reason it is imperative to establish first where My spirit was able to take effect and thus also has taken effect. Then the contents must concur with My direct message from above .... But who can claim to have the working of My spirit in him? Who has

the guarantee that pure truth is received by him and conveyed to him? This question is clearly answered to you: Anyone who, without having any previous knowledge, attains knowledge from within himself about My eternal plan of Salvation, about the meaning and purpose of his existence, about My reign and activity throughout the whole of infinity, anyone who can substantiate everything and knows all correlations .... is enlightened by My spirit, and his knowledge corresponds to the full truth against which the contents of every spiritual movement must be examined, and every teaching which contradicts this knowledge can be rejected .... This certainly provides you with the opportunity to subject the knowledge you have attained until now to scrutiny, but who makes use of this indication in order to take possession of the pure truth himself?! Each school of thought refuses to let go of its own point of view, and thus a vast number of erroneous teachings were able to slip in through My adversary's influence, although every spiritual movement contains a grain of truth as well. However, they all agree not to accept anything which really is the truth! .... For precisely this process of the `working of the spirit in the human being' is alien to all schools of thought, and so only rarely do people believe that I make Myself known to anyone who fulfils the conditions I attached to it. This condition requires the human being to live a life of love, because love unites him with Me and, as a result, I Myself can speak to him .... This condition could be met by any human being and he, too, would know the truth and think correctly. And all those who comply with My easy commandment will also be convinced that the truth is conveyed to them when they receive such gained knowledge through `the working of the spirit'. Yet their number is small precisely because people lack love .... Consequently, being members of any kind of spiritual movement will not benefit you if you diligently advocate its teachings .... you are nevertheless spiritually dead for you do not recognise the truth, which alone can advance you on the path towards ascent .... And as long as you are unaware of the actual purpose of your earthly life, the knowledge you possess is wrong and can never lead you to higher spheres. This can only ever be achieved by love, which all of you can practise but are unwilling to do so because your selfish love is still too strong and thus the truth still remains inaccessible to you, i.e., you don't recognise it as such .... And you will live in error, just as you will enter the spiritual kingdom with this error, where it is far more difficult to release

yourselves from it, for you will not accept the truth over there either, even if it is offered to you. It therefore always depends on your degree of love as to whether your thoughts come close to the truth, and this is why you need only ever be given the teaching of love so that your thoughts will be right, so that My spirit will be able to express itself in you, so that you will recognise and accept the pure truth which will assuredly guide you upwards towards your perfection .... For darkness will always fight against light, yet the world belongs to the prince of darkness and only the person who detaches himself from him can enter My kingdom. And I will truly help everyone to recognise Me and the truth ....

Amen

*The doctrine of the soul's sleep ....*

The fact that you are willing to support My Word, which is sent to you from above, gives Me reason to inform you of an error you have advocated up to now. It concerns the doctrine of the sleep of the soul, which gives you a completely wrong idea about the soul and its state when it enters the spiritual kingdom. This doctrine is substantiated by the assertion that there is no mention of an immortal soul anywhere in the Scriptures .... which, however, can be refuted with the Words 'Whosoever believes in Me will have eternal life ....' And sleep is a brother of death .... thus someone asleep will not be alive but dead, in the darkness of night he will fall into the state of death, consequently a life in eternity is out of the question. Those of you who depart from earth with this idea will be in dire straits, for you really lack all knowledge and will take a long time to gain a glimmer of understanding. In fact, you will depart from this earth in complete blindness and will receive only little light in the beyond, if you lived a life of love on earth.

But until you let go of this misguided teaching you will not know that you have died either, since you are still in the state of self-awareness, which is your consciousness of continued life. You merely believe that you were transported into different surroundings but will never be able to find rest .... the kind of rest you associate with the state of sleep. And so you will still

live but not in a state of beatitude, rather, you will live in the confusion of thought which corresponds to the teachings you advocated on earth.

Everything that emerges from Me remains immortal for all eternity, but it can enter the kingdom of the beyond in a state of death. And all of you who spread this misguided teaching choose this state of death. You do not strive for the life that should be your destiny when you enter the spiritual kingdom. Because only this is the beginning of your life, providing you live a life of love and are able to let go of this misguided teaching. If you believe in a 'resurrection on the day of Judgment', when all who rest in their graves will be awakened, then it will also be your fate not to come to life until you realise the foolishness of this teaching. And your existence in the beyond will be the same, you will linger in an eternal state of inactivity, in a state of sleep, or you will find yourselves in a world you believe to be earth, which you left a long time ago.

Particularly you humans who advocate this misguided teaching, have no idea what anti-spirit you have accepted, and you will have to muster an enormous amount of love in order to suddenly recognise the reality of things. Consider yourselves fortunate if you leave someone behind on earth who will pray on your behalf, who will help you gain the right insight. However, your degree of love is always the decisive factor as to whether or not you recognise the truth in a flash when you pass away from earth. But since you do not believe in the 'immortality of soul' you do not believe in communications from the spiritual kingdom either, which would provide you with knowledge. And that is your disadvantage, because it would inform you of the constant ascent of souls who enter the spiritual kingdom, and you would reject this misguided teaching as satanic and only intended to prevent you from ascending in the beyond, which would soon result in the true life you are all meant to reach one day ....

Amen

*Jesus descended into the abyss after His crucifixion ....*

When I lived on earth My constant thought was to save people from descending into utmost darkness so that they would be unable to enter the vestibule of hell, (which even denied their entrance to the vestibule of hell), on account of which I continuously proclaimed the teaching of love to make it easier for them to believe in My act of Salvation, and thereby the work of redemption was already achieved in these human beings. Yet people were still too occupied with the earthly world, only a few believed in life after death and they were receptive for My teaching of love, and they recognised Me Myself with ease since I was also able to instruct them and they accepted everything as truth. Thus a large proportion of those who experienced Me Myself were able to enter My kingdom in a `redeemed'state, yet far more rejected My teaching, they remained heartless and had to endure their fate in the beyond ....

After My crucifixion I also descended into this kingdom and was able to release all those who stayed in the vestibule of hell .... all the people who had lead a God-pleasing life but for whom the kingdom of light was still locked because they were still burdened by the original sin, since My act of Salvation had yet to be accomplished .... I approached them as the `human being Jesus'for they, too, should not be compelled to believe, I joined them in My figure of suffering which made many ask the question: If You are the Messiah Who was promised to us, why did Your power not prevent this .... why did You have to suffer this appalling death on the cross? For they had been waiting for Me, for the One Who was promised to them as Saviour. They, too, had to follow Me entirely of their own free will, and it was not difficult to convince them that I was this promised Messiah ....

Then, however, followed My descent into hell .... into the region where I also wanted to bring salvation from the original sin .... There I was less successful in convincing the souls, precisely because I appeared in the same figure and was visible to them as the `beaten Jesus'to Whom they denied all power and thus they did not want to acknowledge Him either. Nevertheless, anyone who wanted to was allowed to follow Me and I released him from his bondage. And time and again I descend into the abyss to ignite a small light for everyone, so that they momentarily will

remember the One Who once came to them and gradually lessen their resistance, so that they, who previously had been stubborn and only had words of hatred and scorn for Him, will also let themselves be redeemed by His love. Yet My love will not hold anything against them, My love is constantly concerned that everyone should be rescued, that no-one will return again into the bondage of the one who had owned them for so long, and that My act of Salvation for these, too, has not been made in vain. But I cannot prevent it if their resistance to Me is so strong that all endeavours on My part are in vain, for I will never force anyone to acknowledge Me, I will only offer everyone the best possible opportunities to find their way out into the light.

And thus you humans render Me a great service by praying for these souls, for there will always be a few who will let go, who will be touched by the power of prayer and then can be guided into the light. And in sincere gratitude these souls will do the same and entice other souls out of the abyss .... since they know each other and they understand and try to disperse the objections which still dominate them.

Once it is possible that they at least take notice of My greatest act of mercy then they will also reflect on it and try to make contact with Me .... And then the forgiveness of their immense sin is ensured, then the gate into the kingdom of light will be opened for them and a long state of torment will have finished. Yet those who are unwilling will be subject to a new banishment at the end, for one day they will have to regain their self-awareness as a human being and decide once more .... And thus the process across earth can indeed happen more than once, and sooner or later even these beings'will shall surely turn to Me as well, one day the hour of salvation will also come for them ....

Amen

*God is aware of the human will ....*

*Natural disaster ....*

*Protection of the servants ....*

Everything is included in the plan of creation, and thus it follows that I know every person's will which, so to speak, provides Me with the reason to shape his destiny of life such that it can only benefit him, providing the person strives for the latter. And you can rest assured that I indeed know the inclination of every individual person's will but I cannot change it or make it inclined towards Me. Nevertheless, I can still let a human being take many paths in order to attain a change of will. This is what I intend to achieve through My intervention which will certainly claim countless people's lives but for whom the gates into the kingdom of the beyond will still be open so that they can still reach maturity there .... Yet the remaining survivors will be granted the tremendous grace of being able to accomplish this change of will while they are still on earth, in order to then be saved for eternity. Time and again I refer you humans to this event, but I do not find any credence .... Only very few people spend serious thought on the forthcoming event, yet even they are incapable of imagining the magnitude of the catastrophe, because it will surpass everything that ever has happened on this earth. And neither can the individual person form an impression of it, because people will be cut off from all communications, the connections between the affected places as well as the countries will no longer exist. Some swathes will seem entirely deserted where only a few will find each other in order to continue their life. Anyone who does not hold on to Me and entirely puts his trust in Me will be horror-struck. And then his will can decide .... Every individual person can still find Me and he will be very safely guided through the chaos .... But he can equally curse the Being Which allowed this to happen and the curse will fall back on him. And especially because I Am aware of people's will during the last days, it shall be My last attempt to spare people the dreadful fate of a renewed banishment. And again you will ask why I allow such destruction to come upon humanity, which will only be surpassed by the final disaster .... because you all lack faith in an eternal God, in a Creator of Heaven and Earth, in the One Who also created you .... The number of people who still

possess faith and have not lost it as yet is constantly declining, and these will not cease to believe or they will be recalled beforehand so that they will not have to endure this suffering. And neither need you pity anyone who departed prior to it, for the opportunity to mature fully still exists for him in the beyond. But once this day has come it will be futile to escape for My hand reaches all places, and thus I also keep My protective hand over everyone who belongs to Me .... And I will manifestly be with them, for they will be in utmost adversity and I will come to help them in their need.

And then it will be clear what strength of faith can achieve .... For anyone who merely seeks My proximity will receive the evidence of My presence and his faith will constantly grow stronger. The time of the event will not keep you waiting long, even if a thousand years are like a day before Me. However, I have told you that you will live to see it .... And that means that a large proportion of those who accept My Word will experience it themselves .... that I will still make great demands on them, for then the time of activity will have come when you shall still be diligent labourers for Me and then I will not remove you from earth until you have fulfilled your task .... This applies to all of you who work for Me and My kingdom. For time and again I keep telling you that I don't have many labourers in My vineyard and that I will therefore protect everyone who places himself at My disposal. From this alone you can conclude that it won't be long until this disaster, which will be inconceivable for you, both its magnitude as well as the suffering and misery it will signify for the survivors. Consequently I must equip those people with much strength so that they will be My supporters during this time of sorrow. And I will also give you strength, since you are very weak by nature, because I will need you during this time and will use every conceivable means in order to increase the number of My Own, in order to grant them firm faith as to influence those who still lack faith in a God and Creator, to Whom all power is given in Heaven and on Earth and Who thus can also extend the life of those who want to help them gain faith .... And remember that the end of a period of salvation has come, that this time need only be exceptionally used and that I will therefore also use exceptional means in order to merely fan a tiny spark of faith in a person before he has to relinquish his life. For once he has this small spark it will also ensure his ascent in the spiritual kingdom. But to

depart entirely without faith from earth is a hopeless state and will end with renewed banishment, because the gates of the beyond will close the moment the old earth is dissolved. For this reason I will leave no stone unturned at the end in order to persuade people to change their will, and because My gentle voice within is ignored by them I will speak louder, so loud that they must hear this voice .... But whether they will recognise Me Myself by that is still left up to them, nevertheless, it seals their future fate. Even so, you, who are of service to Me, are assured of My protection and blessing in spiritual and earthly adversity, for I Am in need of you .... So even if you approach difficult times you are nevertheless looked after by Me and need not fear anything ....

Amen

*The infinite Love accomplished the act of Salvation ....*

Always remember that earthly life is the final stage of your perfection which you can successfully conclude by merely handing yourselves over to the One Who died for you on the cross. His act of Salvation released you from all guilt providing you accept it voluntarily. It is therefore of extreme significance for you that you will find Him during your life on earth, as He will open the gates again for your return into your Father's house. This is why Jesus Christ and His act of Salvation cannot be mentioned often enough, and if you have the slightest sense of responsibility you will not carelessly pass Him by. You will know that He can liberate every one of you from the adversary's control, and you will indeed do what is required in order to appeal for His forgiveness, you will abide by Him and secure His love, Which took your guilt of sin upon Itself and now makes a constant effort to draw you closer to Itself .... This love does not want to abandon you and does whatever it takes so that you will surrender. The fact that a supreme being of light offered Itself to suffer and die as a human being on your behalf in order to redeem your immense original sin was the greatest act of mercy, for the 'human being Jesus', Who was no differently fashioned than yourselves, had to endure this suffering and death .... Yet He was permeated by love .... the fundamental substance of God. ... Which gave

Him strength to persevere until the end. Thus love accomplished the act, and this love was **God Himself** .... Consequently, God Himself redeemed your guilt of sin; His love was so great that It did not want to leave you to the adversary, It took pity upon you and paid the purchase price for your souls to His adversary. And you should make use of this incredible grace, for it merely requires your free will to accept it. Your life on earth was given to you so that you will take notice of Jesus Christ, the divine Redeemer, in Whom God embodied Himself .... so that you will surrender to Him of your own free will, so that you will unearth the treasure of grace He acquired for you on the cross. For God could only let **mercy prevail**, otherwise you would never have become free of guilt, but He requires you to accept and utilise it **voluntarily**.

For the **infinite Love** of Jesus the man balanced the sin you committed, It atoned for it and satisfied God's justice, and now It also turns to you and offers Itself to you .... so that you will respond to It and provide God with the opportunity again to illuminate you as He did in the beginning .... Those of you who do not believe in Jesus Christ as the Redeemer of the world have no idea what gift of grace you are missing, you have no idea who is in control of you and that you can release yourselves from this power .... However, you are not forced to acknowledge Jesus Christ, just as you cannot be forced by your **adversary** if you want to liberate yourselves from **him** .... It depends entirely on your will to turn to Him, but in that case He will be able to change your state into inconceivable happiness. Then you will fulfil your purpose of earthly life which solely consists of your attaining perfection, which only He can grant to you .... And in order that all of you can be informed of Jesus Christ and His significant mission I will also convey this knowledge to those who are still utterly blind in spirit, who need only receive the relevant information so that they, too, will accept Jesus Christ. Then I will let miracles happen, since people in their childlike faith need such miracles of healing which testify to the power of the name Jesus .... whereas people in countries where this knowledge already exists but who nevertheless reject Jesus would be forced to believe, but this cannot be rated as true faith .... And this explains the miracle healings, where messengers are also awakened in order to bring the Gospel to places where people still lack all spiritual knowledge but who shall not go astray either. Therefore they shall be addressed by the messengers

who, in profound faith, make contact with Him and are thus capable of conveying the knowledge about Jesus Christ to those people, and Whom He therefore furnishes with great strength to work in His name. For the knowledge shall be carried to all places so that everyone who avails himself of this immense grace and finds Jesus Christ, Who alone can save him from profound spiritual adversity, can still become blessed ....

Amen

*Why constantly New Revelations? ....*

If the Word of God cannot be protected from being changed because human will is free and translations were not always handled by spiritually awakened people, who thus were **also able** to err, you can understand that this is the reason for New Revelations which time after time had to correct the distortions, so that the Word of God would be able to lay claim to the pure truth .... Exposing such misguided teachings would have been impossible without such New Revelations, especially if people relied on the fact that I Myself protect My Word from all changes .... However, it must also be understandable to you that the human being's free will makes this impossible for Me since I will never inhibit it, even if it concerns the pure truth .... for I also gave the human being the assurance that he is **guaranteed** to live in truth if he **desires it himself**.

And thus you can never rely on the fact that you will receive unchanged spiritual knowledge if the `Word of God' is preached to you, but you have the assurance that you will receive the **truth** if only you desire it .... Then the preacher .... even if he is spiritually unawakened .... will be guided in his sermon, so that he often will not say what he had intended to say but that his words will be given to him by Me .... precisely because a person seriously **requests** to be instructed in the truth. If the wish only to learn the truth arose in many people then the preachers soon would also recognise the error and they would try to listen more to their inner voice which is instructing them otherwise. Yet all people have the option to recognise what is wrong in My `supposed Word', for love enlightens their spirit and only ever accepts the correct and unadulterated information. The person

will no longer be able to think wrongly once he is illuminated by the inner light of love. And only then will he notice where error has crept in, where the adversary was able to take effect because people were lacking the light of love. Then he will also know that the human being cannot solve problems with his intellect alone if the spirit within him is not supporting him. Then he will know why the necessity for corrections arises time and again, which I constantly send to humanity again in the form of New Revelations .....

And I will continue to reveal Myself to people who love Me and keep My commandments, as I have promised .... For one misguided thought results in many more, until finally just a distorted image remains of Me, which reflects everything but a good and exceedingly loving God, Who wants to be a Father to you all .... And since you have already accepted so many misguided spiritual values, a God of Love is strange to you, you are still distant from Him, you do not recognise Him as your Father and therefore do not strive towards Him either. And whatever you hear from Him is likely to separate yourselves from Him even more .... I, however, want to gain your love and therefore make use of every opportunity to speak to you, if not directly then through people who allow My spirit to work in them, who either convey My direct Word to you or who think correctly and are also able to instruct you truthfully. For it is extremely important that you can be guided into correct thinking, that you know what you can accept and what you ought to reject .... But don't believe that your correct thinking is guaranteed if you gather your knowledge from the Book of Books, since I do not coerce the human being's will I cannot prevent him from interpreting the spiritual information from this book according to either his own preferences or to his imperfect understanding. For every Word I have spoken conceals a spiritual meaning, and only the human being's spirit is able to recognise it, which will be awakened to life through love but then will also guide the human being into every truth, as I have promised ....

Amen

*Spiritual knowledge must concur with the Word conveyed from above .... I.*

It is not easy for someone knowing the truth to pass it on to people who are so convinced of the truth of their own advocated spiritual knowledge that they reject everything else. And yet, this attempt must be made, for that which comes forth from Me directly is so powerful that it will convince every seeker of truth .... And time and again it concerns the fact that beings of various degrees of light express themselves, making it difficult for a person to recognise the truth because they believe every expression from the spiritual kingdom which nevertheless should be scrutinised .... Only if the content corresponds to My Word from above can you accept it as the activity of flawless spirits of light ....

For this reason you must always pay attention to My directly conveyed Word and should not believe all messages from the spiritual realm which are given to you psychically, for these mediums may well have the gift of receiving communications from the spiritual kingdom but whether they also have the necessary maturity, which is the prerequisite I demand for receiving messages from this kingdom, is the only decisive factor for the degree of truth of the conveyed proclamations. You humans have too little knowledge of the spiritual kingdom and don't know how often you are affected by the adversary in order to deceive you .... and I cannot stop him because you lack the **desire for truth** which is the **guarantee** for receiving the truth in the first place, but then it will also concur with My Word from above. I certainly use every means to make sure that a light will shine for people, that they receive the information about life after their physical death .... I make sure that they will also receive the evidence, even though it will only be accepted again by **that** person who would like to know this as a result of his desire for truth. Yet even then the risk still exists that beings other than those having been called upon will express themselves in line with their degree of maturity. This is why every spirit of light will warn you humans against psychic communications which are given to you in a state of **trance**; instead, they will always encourage your **conscious** reception of spiritual messages, which will indeed only be achieved by a few people but it always offers the certainty of being taught by My spirit directly, in which case you need not be afraid of receiving something wrong. Admittedly, not

every communication given in this passive state can be described as wrong or deceptive, but which one of you can verify this? Which one of you is aware of the fact that this opportunity .... of a person depriving himself of his will .... is not used by many an evil spirit? And that the absolute truth cannot be **guaranteed** if you only rely on messages which may well come from the kingdom of the beyond but which are nevertheless unverifiable?

Only that which is conveyed to you by the `spirit of God'is pure truth, but it will provide you with an explanation about all subjects, which you can never receive from those beings. This is why **every spirit of light** will encourage you to prepare yourselves such that you can become a vessel into which `My spirit can flow'.... And only then will you be sure of possessing the pure truth .... Only then will it be possible to convey far more profound knowledge to you .... the knowledge of all correlations, of the reasons for your human existence, of your past apostasy from Me and the immense significance of Jesus Christ's act of Salvation .... For only **I Myself** can instruct you of this even if I send this knowledge to earth by way of elevated messengers of light which are illuminated by Me directly and thus they voice **My Word**, which can be valued in the same way as if I had addressed you directly .... This knowledge includes everything; it includes the work of returning the once fallen spirits to Me just as it highlights the counter activity of the one who caused your fall into the abyss. And this counter activity does not just happen on earth, it also covers the kingdom of the beyond, where all self-aware beings are still in possession of free will, and to make these inclined to turn towards **him** is and always will remain his intention. Hence you must also take his influence into account, the most important of which is to raise doubts about Jesus Christ's act of Salvation. And therefore you all must recognise that **those** announcements which deny salvation through Jesus'crucifixion are his activity .... Then you will know that he is at work, that he tries to dissuade people from what is of **greatest significance**: that Jesus died on the cross for you and your sins. If you are **wrongly** instructed of this he will have won you over, he will have succeeded in portraying the `Salvation through Jesus Christ'as wrong and thereby it will be impossible for you to enter the kingdom of light. For My direct revelations from above provide you with a different explanation, and your future bliss solely depends on whether you have found redemption from your past guilt of sin .... the **original sin**, which is **unredeemable** by

you yourselves. As long as this vital question remains unanswered you will not have been instructed of the absolute truth and will have no other option but to turn to the **highest Authority** so that It may teach you **directly**, and then you can be taught in all truthfulness, as I Myself have promised that I `will guide you into all truth'....

Amen

*Spiritual knowledge must concur with the Word conveyed from above ....*

*II. (Continuation of no. 9003)*

Only that which I Myself convey to you from above can be regarded as pure truth .... Therefore everything that claims to be true must concur with it. There is only one truth and this comes forth from Me Myself and will give pleasure to all those who want to think correctly. However, anything that contradicts My directly received Word cannot be advocated as `truth', for the guidelines are always the same and can be used as a yardstick as to whether a person knows the truth. So if you humans have reason to doubt the information you receive you must always first ask yourselves the question: What is the attitude of people, who advocate this knowledge, towards Jesus Christ and His act of Salvation? What the act of Salvation means for the whole of humanity has been clearly explained to you from above, hence you must evaluate all other knowledge in relation to that, for as soon as it contains no information **about this** at all, it cannot demand to be regarded as pure truth. And in order to understand the reasons and significance of the act of Salvation you must also receive the knowledge about the original fall of the spirits, because you yourselves are these fallen spirits .... Wanting to convince people of life after death is all very well, but if you don't inform people about the reason for their human existence, the knowledge about life after death is not sufficient in order to let them attain beatitude one day .... For **without the redemption through Jesus Christ** the kingdom of light cannot be opened for you and you will wander about in the beyond for eternities if the souls of light over there were not to take pity on you and provide you with the knowledge you had rejected on earth because you were thinking wrongly. And thus it follows that every person

has to shape himself into a vessel for the divine flow of spirit, which he can only achieve through love, which will subsequently brightly enlighten him from within and give him the right knowledge. But since this is almost impossible at a time of heartlessness, people should gather around a vessel from which the bright and clear water of life flows forth, they shall stoop down and refresh themselves in order to be at least able to receive what is most important .... the knowledge about Jesus Christ and His act of Salvation.

This knowledge is necessary and cannot be replaced by anything else, since only One exists Who can bring people forgiveness for their original sin, but Who will then also remove all guilt the person had incurred during his life on earth. For the fact that Jesus, the man, sacrificed Himself and paid for the guilt through His crucifixion was a unique mission. Time and again you humans must be informed of this, you cannot describe Jesus life on earth merely as a life of supreme perfection, which it undoubtedly was, but nevertheless not know about the profound **spiritual reason** for His crucifixion, which was unique and accomplished for all human beings past, present and future. Only the acknowledgment of His act of Salvation as an act of supreme mercy for the spiritual beings and the appeal for forgiveness are the key to the gate into the kingdom of light, which you will never be able to unlock without Him .... for He atoned for the sin, which consisted of rejecting the divine strength of love, **out of love** for God and His fallen brothers .... And this sin cannot be forgiven in any other way than through **acknowledging** Jesus as the Redeemer of the world, this is why a life of love as preached by Him will produce the prerequisite of acknowledging Him, but the blessings of His act of Salvation must be knowingly accepted in order to be released from the original sin. The knowledge of this must be repeatedly imparted to you humans, time and again you must be informed of the fact that it is not enough to adopt His doctrine, instead, you must consciously desire to be redeemed from your original sin, for which a life lived in love will indeed help you, since the success of a life of love rests in the fact that the light of realisation will shine in you .... However, in that case you will no longer deny the redemption through Jesus Christ, you will know that you have found a Saviour in Him, Who has relieved you of the immense burden of the original sin and Who will also open the gate into the kingdom of light and bliss for you again ....

Amen

*What would have happened if Adam had not failed? ....*

Every spiritual question you ask Me will be answered by Me. But first of all you ought to know that it was not My will that you should experience such an extremely difficult earthly life. The time you spent in a constrained will .... in the law of compulsion .... would truly have sufficed Me, for this time was so appallingly long that it should have been enough for you to unite with Me again .... but that I had to demand the last test of will of you as self-aware beings .... as human beings. You were only meant to give yourselves to Me again voluntarily, and thereby you would have cancelled the immense sin of the past apostasy from Me .... You were meant to prove your love for Me, since you formerly resisted My illumination of love ....

For this reason the first human beings were created well, they were devoted to Me in love, for I had provided them with everything, I gave the earth to them as their own, I subordinated everything to them, they recognised Me as their God and Creator .... they were surrounded by magnificent works of My creative power .... they could take pleasure in them .... everything was only done so that they could sing their praises and give thanks to Me .... that they could offer Me burning love, and they themselves harboured no evil thoughts either .... Yet I also had to endow the first people with free will, since they had emerged from Me as original spirits, which are unthinkable without free will. And since they once had turned away from Me and voluntarily followed My adversary into the abyss, he had the same right to influence the first people, because their will had to make the decision again whether to follow Me or him .... And they failed this test of will, which they could have passed easily, and thereby they reawakened all evil instincts they had already overcome before their embodiment as human being .... After that, the first parents passed their character on to the following generations and it became ever more difficult for them to free themselves from the adversary's bondage.

However, if the first people would have passed their test of will, which had not been too difficult, I would have been satisfied with the infinitely long path they had travelled beforehand .... Successive human beings would have equally voluntarily given their love to Me, and then they just would have lived on earth to take pleasure in its creations .... They would only

have exerted a good influence on all creations so that they, too, could embody themselves as human being. Earthly life would then have been a preliminary stage of eternal life, the opponent's power would have been broken, because the first human beings would have given themselves to Me entirely consciously and thereby would have excluded the adversary completely, who then could no longer use his power and soon would have given himself to My love as well .... Thus, the first people were only required to voluntarily accept My illumination again and the original sin would have been abolished, for only love was able to atone for this sin .... But now the sin was repeated .... and what previously had only applied to the constrained spiritual world in the creation now befell all of humanity ....

What the first people could have achieved with ease had they orientated their will correctly, now became infinitely difficult because all satanic attributes became entrenched in people and required immense strength to fight, which could no longer be mustered by people's will. Hence the act of Salvation by Jesus Christ, the spirit of light, became necessary, Who volunteered when He realised that the first people had failed, Who offered, voluntarily .... due to love .... to suffer and die on the cross in order to atone this now twice committed sin. I certainly knew from the start that this second fall into sin would take place but I did not want people to take such a painful path yet could not enslave people's will either. And since I know that I will regain all beings again one day .... since a thousand years are but a day for Me .... since it concerns eternal life in beatitude .... what you will also recognise one day .... (1.7.1965) you need not doubt that one day you will be free from those agonies, but then you, in utmost perfection, will also enjoy the glories which will make up for all past suffering and which cannot be compared to earthly concepts.

You should always know that I did not determine the unspeakable suffering which people thus caused for themselves since the fall into sin by the first human beings, that I truly gave the first human couple (the first human beings) every opportunity to make his/their free decision of will an easy one .... that I only gave him/them an easy commandment which he/they could have fulfilled .... if his/their love had been strong enough to decide to give himself/themselves to Me .... but that this heartfelt love would then also

have seized all successive people so that they too would have been able to resist My adversary's every temptation. But the second fall happened and burdened all following people again until the divine Redeemer Jesus Christ descended to earth in order to openly fight My adversary. For he misused his power by driving people into ever further heartlessness weakening their will consistently, so that they were no longer able to liberate themselves without the act of Salvation but descended ever deeper into darkness. And I put a limit to this activity Myself .... I sent My Son to earth to save the people who wanted to be saved.

For, again, free will has to be willing to accept the blessings of the act of Salvation, because even this rescue mission cannot be done in opposition to people's will .... At first, passing through the earthly creations should have sufficed to take the test of will as a human being, since the agony in the state of compulsion had already matured every soul enough that it could easily have resisted the temptations, but the fall of the first people gave the opponent renewed power over all souls which he exploited in a frightening manner.

It was precisely for this reason why an original spirit was chosen as the first human being, who possessed all the necessary qualities to resist the adversary, but his decision could not be forced. His thoughts and actions had to remain completely independent, and now My adversary took care to turn this will towards himself which thus resulted in the new fall, whereby the sin of the spirits' apostasy from Me was repeated. Yet this right could not be denied to My adversary, because the past fall occurred in free will and they followed him into the abyss ....

Thus you cannot say that I wanted the repeated fall in order to put you into a state of immense suffering again, however, I could not prevent it, because it also took place in free will and one day this free will shall surely choose Me again. You are certain to emerge from this pitiful state eventually, because My love Itself has redeemed you when it embodied Itself in the man Jesus in order to fight your enemy and to take all souls which want to return to Me into their Father's house, into their true home, which they once left voluntarily. For My love belongs to you as before and all suffering will have come to an end as soon as you want to be free from the one who still keeps you in bondage, as soon as you long for Me again and thus give Me the

right to take possession of you once more in order to never let go of you again ....

Amen

*Why do we have to do penance for Adam's sin? ....*

All your questions will come to nothing as soon as you are offered the pure truth, for this is so easy to understand as long as it is offered to you in the right way. You know that the apostasy from Me took place in a state of brightest realisation. Consequently, all beings were equally responsible for falling away from Me, they could not have been forced by the adversary's will to revolt against Me, instead the `rejection of My strength of love' was every being's own affair .... Free will made them become sinful which, at the time of the apostasy, had not been subject to My adversary .... because they had the right of self-determination .... it was still able to make a free decision and thus consciously chose the adversary. But now the latter had control over his followers, and this control was taken away from him by Me by letting Creation arise in order to induce the strength which, through the apostasy, had become incapable of any kind of activity, to become active again in different ways .... Thus, the adversary gained nothing from his followers and was only allowed to exercise his power again once the being had regained its self-awareness in the stage as a human being. And I had to leave him this right, on account of which he was then able to tempt these beings. And so he did with all manner of cunning and trickery, he understood how to deprive the first human being of his faith in My Word again which promised them eternal life if they followed My easy commandment. In this human being, Adam, an extremely strong spirit was embodied, whose fall was easily achieved yet again by the adversary .... So was it not obvious that no spirit would have been able to resist him who became subject to the same artful temptations by My adversary? It is not about the fact that the descendants had to do penance for the first human beings' sin, but it is about the fact that I .... had the first human being resist these temptations for love of Me .... would, for the sake of compassion, have done the same as Jesus, the human being, did at a

later time: that He accomplished the act of atonement for the sake of love ... that I would have been satisfied with the strength of resistance by the one person who handed himself over to Me and should have enabled My illumination again ....

And for his will of love I would have written the guilt off, and the path across earth as a human being would merely have served everyone to kindle the love for Me into brightest fire. Instead, My adversary had proved his power over the first human beings and thus did not surrender the right to subsequently use his artful temptations on every person, which I cannot deny him due to the fact that the beings once **voluntarily** followed him into the abyss .... Hence you cannot say that these people will now have to do penance for the sins of their ancestors but it has always been up to each person to prove himself during the temptations and he will also receive the strength from Me to do so, for I bless this determination and will never abandon such a person to My adversary. However, the first people could have helped their descendants to have an easier life on earth, but since they failed, it was not possible to protect the latter from the adversary's temptations .... unless they appealed to Me for My protection and then their earthly path was indeed an easier one, which was also the case with those original spirits which were receptive to instructions from the world of light and over whom My adversary no longer had full control. Therefore, the fact that those people always had an easier earthly path, that they did not fall prey to My opponent's enticements, that he did not keep full authority over them, is a sign that I have helped and always will help every soul which starts earthly life less burdened and whose will is already devoted to Me .... that I therefore do not indiscriminately give grace and strength to souls to accomplish their path of return .... However, time and again I have to mention that the first human beings made the whole path of return more difficult because of their failure, it would have been far easier to navigate had the strongest, once fallen spirit resisted and followed **My** easy commandment, had he believed more in **My** Words which promised him eternal life .... and through his resistance had broken the power, which then would have made it impossible for the adversary to use it on his followers, for this victory would have affected all fallen spiritual beings ....

Amen

*Jesus' forerunner ....*

The fact that so many people believe that they are an incarnation of the voice in the wilderness is also a sign of spiritual confusion, for it is certain that he will be a great speaker but until his appearance he will not know what task was assigned to him and that he will speak with a powerful voice in order to announce Me and My imminent arrival at the end of the days .... Once again he will precede Me and be met with hostility by all those who don't want to hear anything about the end, who will ridicule and mock him because the things he proclaims seem incredible to them, and thus he will be regarded as a fantasist. And he will come at the same time as the Antichrist incites the eruption of the battle of faith. Then he will fiercely criticise him and My Own will turn to him for strength and comfort, for he will only be active for a short time on earth. Yet he will make good use of this time in order to convey My Word to all who accept it, and My opponents will trail him intending to call him to account, but time and again he will evade them until his hour has come when he will sacrifice his life for Me again ....

And you were told several times already that he himself has no idea about his mission and that it will dawn on him so suddenly that he can be recognised by everyone .... And then he will know why he was granted such a powerful voice, why he must announce Me, for then he will know that the end has come when I will appear in the clouds in order to fetch My Own .... Then the Antichrist will try everything in order to capture him, for he particularly condemns the Antichrist and discloses his every misdeed, denouncing him publicly without hesitation, and thus he will be persecuted by the Antichrist's followers ....

Yet he will comfort those who have to suffer under his rule. He will draw their attention to My coming and everyone will believe him because My Word makes them feel as if I have spoken to them Myself .... His words will have a soothing effect on you, who fearfully and anxiously await the things to come .... you will draw fresh strength from his words and time and again feel invigorated by them because he demonstrates that your Father has spoken to you Himself and that you thus can believe My Words which refer you to My imminent coming in the clouds. And thus you will also

observe all warnings and admonitions from him, for he will also be in spirit with those whom I make known to him as belonging to Me .... He will have the ability to be close to you even if his body is elsewhere, for I will pass on your heartfelt call to Me for help, and he will be willing to help. That is why I say: You will recognise him when he begins his mission, but don't expect him quite yet, for My intervention has to take place before his appearance .... But then time will fly, because for the sake of My Own I will shorten the days so that My adversary will not succeed in making them fall, for there will be severe adversity and thus I will also send you powerful spirits of light to protect you in every earthly and spiritual crisis. Yet when this voice of Mine in the wilderness has to sacrifice his life you can expect My coming every day, then I will come and take you into a kingdom of peace and all tribulation will have come to an end ....

Amen

*The end will come for certain ....*

Every large disaster will also be preceded by My announcements, I will warn and admonish people, therefore I need seers and prophets who shall spread these announcements among people .... Therefore it is wrong to reject all prophecies or to portray them as being untrue, even if they do not immediately come to pass, for everything will happen at the right time, and often I have announced the coming event long in advance, but no-one granted these Words any credence. And therefore I also announce and always have announced the end of an earth period in advance, so that even My disciples expected this end during their lifetime on earth. Nevertheless, I have always worded My prophecies such that no specific time was given to people, that they in fact could always expect it, because it has indeed always been My intention to bring their near end home to them .... Yet time does not stand still, and since My Word will inevitably come true this announced end will certainly have to happen one day .... Anyone who knows My eternal plan of Salvation also recognises the necessity for an end of all spiritual substances still bound in creations .... For since he is aware of the spirits' constant progression of development, it is also

clear to him that from time to time .... which is infinitely long for you .... a total transformation of the earth's surface must take place so that the spiritual substance bound in hard matter may also have the opportunity to develop further .... If people find such a huge destruction of the earth's surface questionable then they have been left in ignorance by the world of spirits who instructed them .... In that case I must correct such errors, for it is precisely the forthcoming end of the earth in its present form that is extremely significant for the whole of the human race, after all, it is in danger of entirely failing its final test of will and will have to endure a dreadful fate again.

For this reason My servants are instructed to announce this end, but not only to report the fact of the end, instead, I substantiate everything too, so that people shall not only believe blindly and be able to receive as well as to give a correct and truthful explanation for everything. My love belongs to all fallen spirits, not only to the human being .... And the hour of freedom from the hardest constraint must, sooner or later, also come, especially for the spiritual substance still bound in matter, which has already languished for an infinitely long time, in order to be placed into a lighter form in which its being of service will be easier .... And if you humans have knowledge of **anything**, if the Father Himself instructs you from above, then you truly need not doubt, you can accept everything as purest truth, even if I still prolong the time before this act of destruction of the old earth .... Nevertheless, the day will come without fail .... Sadly, there are far too many people who do not believe in a total transformation of the earth's surface, who grant credence to accounts of people or also spiritual beings who lack all knowledge of My plan of Salvation. Yet I cannot do more than speak to you humans from above and explain what motivates My reign and activity and must leave it up to you as to how you regard My Word. Even so, it is not easy for My servants on earth that people will accept this Word as 'My Word', especially when it concerns the correction of errors, when every person believes that they know the truth and 'My Word' means no more to him than a human word or words from the spirit world .... which is unverifiable until I Myself Am called upon for support so that you will truly only be instructed by beings of light through which the **outpouring of My spirit** can flow .... In that case, however, all results will correspond; you will feel the truth .... providing you seriously desire the truth ....

Amen

*The human being's true home ....*

Do not be offended if My Word is also rejected as incorrect, because pure truth can only emanate from Me Myself. And that you are taught by Me Myself can be easily established as soon as people of good will have scrutinised the spiritual information they received from you. Although it is not possible to provide any evidence because people are completely unfamiliar with the spiritual information which, for reasons of religious liberty, cannot be reinforced by proof but everyone of goodwill can feel the certainty within himself to be on the right path. Thus he is also able to believe without proof, and yet he will know that what he believes is right ... However, this world and the spiritual kingdom are two entirely different realms which are only connected to each other through faith. Nevertheless, when you receive the kind of knowledge from the spiritual kingdom which cannot be gained intellectually, you humans can accept it without hesitation as a sign of the reality of this realm, because regions are made accessible to you which only I Myself can truthfully explain to you ....

Hence it is not a sign of a keen intellect if a person wants to deny this kingdom just because he himself does not know anything about it. But every human being could acquire this evidence of a spiritual world if he would ask Me for it, although he is usually prevented from doing so by his intellect which only wants to know what can be verified. And therefore he cannot go beyond the boundaries of his intellect, he creates his own limitations, namely by his unbelief which prevents him to think about anything beyond the earthly realm, to seriously think about problems which cannot be solved, in order to then ask the Creator Himself for an explanation. However, because he has to believe in a Creator in order to do this, only the devout person will be able to establish contact with Him, and the unbeliever will remain content with the world he can see and which is the real world to him. Yet consider the results a person could gain were he, apart from his keen intellect, also deeply devout, who would turn to Me with every question which I would duly answer .... But there are only a few of them, most people shun such contact with the spiritual kingdom since

their fellow human beings would then regard them as supernatural people who do not fit into the structure of the earthly world.

And yet, if only you knew how beneficial the work of such people can be, how important the knowledge is which they receive from above, you would do anything to benefit from their knowledge since it is the path that leads you humans from the earthly into the spiritual kingdom .... which is every person's true home and which one day will receive you all, irrespective of whether you are fully mature or not. I Myself offer you an incredible blessing by speaking to you in order to unite these two realms, in order to give all people the opportunity to take the step from the earthly into the spiritual kingdom, and you reject this blessing because your intellect opposes it, because you do not want to let your heart speak .... However, your heart cannot speak to you because you lack love .... For this reason you are constantly reminded to love, because only your love for Me and your fellow human being can soften your heart and you become more willing to listen to Me. I only ever just ask for your love in order to then give you knowledge which would surpass your intellect, which would make you truly happy. Because taking a glimpse into spheres which are otherwise closed to mortals will please every person and provide him with the tranquil joy of a knower who no longer walks in darkness but to whom everything has become light and clear ....

And especially the fact that people are able to elevate their thoughts into previously unknown spheres should convince you of the truth of such knowledge. Hence you should acquire this knowledge for yourselves, always remembering that you yourselves will inhabit this kingdom one day, that you are merely temporarily living on earth and sooner or later will enter your true home. Then you will establish the relationship with Me again, Who followed you into the abyss, Who waited until you, as human beings, were able to consciously unite with Me again, in order to then make you happy once more by giving you the knowledge which previously used to belong to you in great measure .... But then you will not be far from your final homecoming, you will return into your Father's house which you once left voluntarily ....

Amen

*Recognition and admission of guilt ....*

It is also of crucial importance for you humans that you recognise and profess your guilt in order to become free from it through Jesus Christ, the divine Redeemer, Who died for it on your behalf on the cross .... For the admission of the fact that you had become guilty must precede the will of allowing yourselves to be redeemed, because then you will consciously strive for returning to your Father's house. Sooner or later you will have to realise that you once sinned against God Himself and then also seriously desire to become released from this immense guilt, which forms the basis of your existence as human beings on earth. And if you then consciously carry this guilt under the cross, it will also be forgiven as well as all guilt you accumulated on earth when you were still without knowledge of the divine Redeemer's significance for the human race. However, a mere avowal with your mouth is not enough, mere conventional faith in Him is not sufficient, you must be completely conscious of what Jesus, the human being, had done for you, that He suffered and died on your behalf, on behalf of your guilt of sin, in order to offer the sacrifice of atonement to God, without which you would have been unable to enter the kingdom of light. Only then will it be a living faith and this alone is valued by God, your Father of eternity .... For only then will you also recognise your past guilt, and you will admit to your own fault and appeal for forgiveness .... This alone is the task you ought to fulfil on earth but which you will only accomplish when love has taken possession of you, for an entirely heartless person does not entertain such thoughts. He is unable to believe and thus his life is a standstill, he does not live up to the actual purpose of changing himself again into what he had been in the beginning, for he will enter the kingdom of the beyond burdened by his original sin and cannot be released from it until he finds Jesus Christ, Who will certainly approach Him over there but He will leave it up to his freedom of will as to whether or not he will accept Him ....

For this reason you are constantly given a light in regards to this, yet only rarely can open hearts and ears be found which are grateful for this light, the majority of people are unaware of any wrongdoing, they don't investigate the reason for their existence and live their lives indifferently,

only desiring that which pleases their earthly body. They neither think deeply nor do they live a life of love of their own accord, otherwise they would gradually come to the right realisation .... And time flies .... It is getting ever shorter, for the end is close at hand .... God Himself can only make a small and disappearing proportion aware of the significance of the act of Salvation, for it is precisely the act of Salvation which is disputed almost everywhere in the world, and even where it is emphasised it is merely a matter of conventional faith which leaves much to be desired, where a redemption through Him is indeed **spoken** of but barely being made use of by consciously realising and confessing guilt, but only this can result in redemption. People don't know that they need to use their own will, they think that they need only profess with their mouth in order to receive forgiveness of sin, but this cannot be valued by God .... instead, the human being must **completely consciously and of his own free will** hand himself over to the divine Redeemer .... Only then can the act of Salvation take effect on him. However, as long people only accept the information with their ears without involvement of their heart, they cannot count on the redemption of their original sin. Consequently, the work of those who try to exert a living influence on their fellow human beings, by mainly admonishing them to love in order to enable their understanding of the great act of Salvation, will always be blessed. And all those capable of a living faith will be redeemed from their guilt, for love gives light which will shine ever more brightly **because** they had found redemption from their immense guilt. Yet all people must be clear of the fact that there is no path to God without Jesus Christ, since only One was able to redeem this immense guilt but He also wants to be consciously called upon for forgiveness in order to distribute unlimited bliss, for God and Jesus Christ are one .... The great secret precisely rests in the fact that you acknowledge God again in Jesus Christ, Whom you once denied your acknowledgment and thereby fell into the abyss .... This was your immense sin which made you guilty and which Jesus Christ redeemed for you ....

Amen

*Which messages guarantee the truth ....*

Even with My immense love I cannot accept you into My kingdom as long as you still oppose Jesus Christ's act of Salvation, since thereby you close the gate into the kingdom of light yourselves, into which Jesus Christ alone is the gate. By rejecting Him you also reject Me Myself, since He and I are one. Only when you understand that I .... the infinite Spirit of Eternity .... became visible to you in Him will My love be able to make you happy again, for only then will you acknowledge Me in Him, your past sin of apostasy from Me can then be forgiven and you will allow yourselves to be illuminated by My strength of love again as in the beginning .... The fact that you humans lack the understanding for precisely this great act of compassion by Jesus Christ is also an indication of the forthcoming end, for the adversary has done his job well .... He has succeeded in spreading an impenetrable veil particularly across My human manifestation, for he wants to prevent you from becoming redeemed, and therefore the time has come to put an end to his activity.

All over the world spiritual movements become apparent which deviate from the truth, for the adversary also asserts his influence from the beyond over people in order to mislead them. And many people give credence to all these messages because they originate from the spiritual realm .... But the fact that My adversary can even there still exert his influence on beings who spread untruth and try to transfer it to people on earth, and often also take the opportunity to irritate people, is again due to the fact that they do not turn to Me Myself for truthful clarification .... And therefore I can only ever say: Don't believe messages which do not emphasize Jesus Christ's act of Salvation, for they are misguided, even if they contain partial truths .... But especially the redemption through Jesus Christ is of **such importance** that you can thereby judge the credibility of the received messages, and you should not be content with information which does not completely convince you, precisely because the **most important** information .... the information which **guarantees** your entrance into the kingdom of light .... is withheld from you.

But how can you decide what is truth and what is error if you are not instructed by the One Who knows everything and can also truthfully

explain it to you? Even the activity from the kingdom of the beyond towards the people of this earth cannot be prevented by Me due to people's free will, but time and again I inform them Myself of the right way to attain the pure truth .... Yet even this working of My spirit in the human being is only the result of the prior redemption through Jesus Christ. And for this reason My adversary exerts great power from the beyond as well, because he repeatedly thwarts this 'redemption' and keeps people in the dark about the true nature of Jesus, because he wants to stop them by every means to find redemption through Him while they are still on earth, and therefore also influences those beings who have always resented the thought of redemption and who thus also convey misguided teachings to earth. The fact that I, at all times, endeavour to uncover this error through beings of light .... that I repeatedly also transmit the pure truth to people through them, is used by you as an opportunity to merge such truthful explanations with wrong spiritual information. And because you lack the ability to differentiate it is frequently possible for true messages from the kingdom of light to be amongst wrong teachings which, in turn, make the recipient doubt the credibility of all messages.

Yet one thing is a definite characteristic of wrong information: the fact that My human manifestation in Jesus and My act of Salvation is **not mentioned** or even **disputed** .... And thereby you can always measure the truth, for a truly spiritually awakened person knows what to make of that, for people are being deliberately misled, and then the value of the **light beings'** proclamation is reduced, since they could not prevail because people lacked the **desire** for pure truth .... In that case Jesus Christ's act of Salvation truly would have been comprehensively explained to them, which would also have stopped the adversary's activity .... For the fault rests with the human being **himself** if he believes **all** messages from the spiritual realm just because they have originated from **there**, but doesn't know that the adversary is still able to exercise his power even there and only the will to be protected from error can prevent him from it. Then he will be **unable** to impart wrong messages, for the desire for pure truth also **guarantees** its receipt.

And this is what you have to know, then you can confidently believe the Words which are conveyed to you by My spirit, for I Am the Eternal Truth

and only pure truth can come forth from Me .... But this is characterised by the element of Jesus Christ's act of Salvation, and only who believes this will never be able to err again, for the Eternal Truth has made Itself available to him, it has revealed Itself to him and guided him into truth as It had promised to you ....

Amen

*Appeals for a gift of strength for the souls of the deceased ....*

Whenever you can't help but think of a departed person you should know it is always an appeal for help which you should provide since no one else is taking care of them. And when they see your light they, too, would like to gather around you and draw strength from this light, for they often don't know the meaning of this light, especially if they were caught up in error until now. Then it will suffice to send just one thought to the soul inviting it to join you and accept a lesson. For especially the souls which are not followed by loving intercession suffer much hardship and they, too, shall be helped to come into the possession of truth. Just one conscious invitation to take part in your instructions is already enough to attract the souls permanently, with the result that they will not leave you anymore, that they will join the large group of those whom I will then be able to address Myself. And you will be constantly surrounded by souls wanting to increase their knowledge in order to pass it on to those who are less knowledgeable and whom they want to help as well. And then it will be essential that you will inform them of My act of Salvation, for only when they have found Him and deliverance from their guilt will they accept profound knowledge. This first necessitates their activity of love, as they will only be able to understand it if they employ their will to love again in order to help souls which are suffering the same hardship. Only then will they themselves penetrate the truth ever more, and they will find it easy to hand themselves over to the divine Redeemer and appeal to Him for forgiveness of their guilt. Then, however, will the divine Word constantly flow to them and they will also accept it, irrespective of where and how it is offered to them. Yet especially the first step is very difficult for the soul until

it has experienced the strength of intercession, which will express itself as a change of will and thus it is easier to influence, so that the soul will also comply when it receives its calling.

Therefore pay attention to every such request and offer assistance to the souls which desire help, which indeed remind many people on earth of themselves yet will only find intercession with those who are able to help them spiritually because they are in conscious contact with Me and I Am able to reveal Myself to them. And the fact that the strength of My Word is tremendously effective may be experienced by every soul once it has joined you, for its progress will be guaranteed ....

Once I Am offered the opportunity to reveal Myself to a person through the working of My spirit, this person will stand amid a gleam of light which attracts many souls willing to accept the same what you are offered, and due to you also all souls which you include in your intercession, which then will no longer be able to go astray. For then you will only be motivated by love for these souls, and for the sake for this love I will also give strength to those on whose behalf you pray. I also have to apply the laws in the beyond and these first and foremost include the being's free will which may not be infringed upon, neither by Myself nor by My adversary.

Therefore it matters that you .... who also have to respect free will, just **lovingly** remember the souls which are still weak-willed but unable to resist the strength of intercession and whose will you are therefore able to influence. Since it was beneficially affected by the strength of love it will no longer resist and be irresistibly drawn to you so that you then will also be able to convey the Gospel of love to them.

If only you knew how ardently your adherents (the souls) accept My Word, how they constantly feel that they are progressing, and how grateful they are to you that you, due to your intercession, helped them to participate in your instructions, you would not stop praying for such souls and even be pleased with their progress, for they, too, will protect you whenever possible, to prevent the receiving the Word being interrupted .... you will also purify your surroundings, so that no one will become subject to the adversary's temptations as soon as they surround you. Precisely this makes your activity so important, since it enables you to contribute towards the redemption of many souls by offering them bread and wine, thus the

delectable elixir of life and the most effective nourishment, and one day you will feel the inner joy of having been able to contribute towards the ascent of those who, without your help, would still have languished in darkness for a very long time ....

Therefore take notice of every thought which reminds you of a deceased, consider it a call for help which you must not reject, and then consciously call him close to you and the first step up will have been taken, for as soon as a person intercedes on behalf of such a soul, I will also be able to grant strength to the soul for the sake of this person .... which otherwise would **not** be possible for Me since it contradicts the law of eternity, as only free will can request strength, but which I now recognise in the loving intercession and thus grant My mercy to this soul and then will also be able to provide it with the grace of My Word through you.

People would be able to redeem all souls through loving intercession, but how few are aware of this and how great is therefore My adversary's power who will try anything to disrupt such contacts from the spiritual world to earth, but who will be **unable** to take effect if a human being hands himself over to Me with love and thus I will also protect him .... especially if I want to speak through him to the souls in the beyond, which My adversary will never be able to prevent Me from doing .... For where the **will** for redemption exists people will be delivered from the one who had held them captive long enough and whose only weapon is love which will defeat him and from which he takes flight .... because it is and will remain My share for eternity ....

Amen

*Pre-Adamites ....*

Long before the first human beings lived on earth, who were equipped by God with free will and intellect, human-like living creations whose task it was to make the earth habitable for the succeeding human race already existed. They did their work instinctively, i.e. driven by natural law .... in order to sustain themselves, they gathered fruit, harvested field products and built dwellings for themselves .... they did everything which instinctively was of benefit to them.

Yet they could not be held accountable for their actions, for they were not yet embodied by a soul which contained all the minute particles of a fallen original spirit. These beings were already very much like human beings, they had the same bodily form, yet they were neither self-aware nor able to communicate with each other, only their desire for self-preservation was strong and they often lived to a great age. In a manner of speaking they were of service to creation by contributing towards changing the earth's surface which became ever better prepared as a suitable abode for the needs of human beings. However, these beings were not yet given a task, they merely served the still imperfect original spirits as a final opportunity to mature, which they then were to continue as a human being with free will and intellect.

Hence these prehistoric people .... the Pre-Adamites .... could not be considered real 'human beings', for their nature, their appearance and their every activity was more in line with an animal, which is still far behind in its development, only the form was similar to a human being. This is why later people named these living creations prehistoric-man, but which could not be compared to the human being in possession of free will and awareness, which he was also meant to use intellectually in the right manner.

Nor can it be said that the human being evolved from this Pre-Adamite, since the human being was a new creation which God only externalised after many of the first original spirits awaited their embodiment. The prehistoric being was one of many creations which all had to serve their purpose of preparing an abode for the later appearing human being that would guarantee him a carefree earthly life. The Pre-Adamites were those

human-like beings which could not be held responsible because they lived instinctively, like animals .... who lived on earth long before human beings .... who were not self-aware and could only live in groups .... who thus could only be found where human beings would later settle, for whom they prepared the specific area with their consistent activity. This was the beings'innate characteristic and expressed itself by cultivating large areas of fields, by systematically sowing essential substances and by harvesting such stretches of land .... They did this entirely unconsciously, resulting from a natural instinct of self-preservation .... They fought each other and the stronger won. And thus they also contributed to the fact that constantly new spiritual beings incarnated themselves, if only for a brief period of time, to prove their strength, when more or less strong impulses asserted themselves which gradually weakened the longer they lived and then also slowly attained the maturity which enabled them to enter their final embodiment as a human being.

Thus human-like beings had already existed long before the first human beings, but they cannot in any way be related to the real human beings. They were comparable to them in their external shape but they existed like animals .... in their instincts as well as in their manner of procreation, which evolved in line with their soul-substances, and were one of the many works of creations which disappeared again after they had completed their earthly task, thus the beings no longer required such creations, and they subsequently became extinct like so many creations which earth had sheltered for a while in order to make place for new creations ....

But it cannot be said that the modern human being evolved from these prehistoric creations, rather, he was and is a new creation, endowed with free will and intellect, which then had to prove itself, thus he also received his self-awareness again. To what degree the Pre-Adamites could also use a certain amount of intelligence merely depended on the degree of maturity of their embodied soul-particles which, however, were unable to think and only expressed their intelligence through their active work, thus unconsciously .... This activity nevertheless produced the greatest works of wonder, as can often be seen in nature that paths were created for these beings to reach one another, that they created gorges and underground passages and thus created the first prerequisites for the human race so

that the latter could then live the right kind of life when the time had come for the first original spirits to embody themselves as human beings .... The more people spread, (original spirits awaited embodiment), the more the prehistoric beings began to disappear which, however, only ever happened in stages, until the human race began to populate the earth and their probationary period began, when every once fallen original spirit had to prove itself, and therefore the human being has to be equipped with self-awareness, intellect and free will in order to travel the path across earth which will lead him again to the Father from Whom he once originated.

Amen

*Time estimation not possible for people ....*

I will always avoid allowing you to feel abandoned by Me, for you shall turn to Me with all your needs and cares and you will always receive an answer, because I know what troubles you and I Am always willing to take them from you if you trustingly hand them over to Me .... You need not worry in the slightest for I will think on your behalf, I know what bothers you and what questions come to your mind ....

Infinitely long periods have passed during which people already inhabited the earth, for the estimation of time you deduce from the Book of the Fathers is only warranted insofar as it shows the respective spiritual state of the people at the time, but that humanity inhabited the earth for an extremely long time already .... that only those happenings were recorded for their orientation which were of significance for humanity's development .... but that it is no longer possible to determine the duration of these times, you would never come to the right conclusion. However, this much is certain, that although many earthly periods have passed by already, the human being is still the same creation today that he was then .... that he was able to use his intellect from the start and that he was always troubled by the same problems which still bother people today, as far as they concerned the reason and purpose of their existence. For the gift to contemplate such things was given by Me to people from the start. Even in those days people discovered signs of pre-historic creatures already although they did not

acknowledge them as their own kind since they differed considerably, and the first people knew that people like themselves had not existed before them, for they recognised themselves as a new creation, they knew that their existence had started an act of creation which had not happened before ....

They knew that they were able to talk to each other and that it was possible for every created human being to communicate with his fellow human beings. Besides, pre-historic beings were not known to them, nor did they know all the pre-historic creations they had to pass through themselves before they were allowed to embody themselves as human beings. Yet at no time have pre-Adamites lived together with people on earth, because they became extinct before people appeared on earth. Coexistence could never have taken place because it did not correspond to My plan of eternity, which could not have created something imperfect at a time when the perfect human being should prove himself as the crowning glory of creation. For the human being was unconscious of all pre-historic creations, he did not know his long process through the works of creation on earth, and thus as a new creation he had to be perfect and capable of receiving a soul, because the human being started a completely new path on earth with the goal of final unification with Me. The fact that the human being, due to his own fault, failed to reach this final union is not related to the process through the previous stages, for every soul which is permitted to embody itself as a human being one day has also reached the degree of maturity which allows for such an embodiment.

But it is impossible for people to establish the precise duration of humanity's existence on earth, nor will they receive clarifications in that respect because it is irrelevant how long people have lived on earth already, and by the same token it cannot be established when those pre-historic people lived. However, it is certain that they preceded the human being, that ages ago they dwelled everywhere as a creation which likewise served the maturing of innumerable tiny particles of soul, and thus they also contributed towards the higher development of these tiny particles which subsequently were allowed to embody themselves in a human being again. You humans can no longer establish it timing-wise, nor will it be possible for you, you can estimate an approximate period but will never know as to whether it

is correct, for every single human being's live-span is limited. My creation, however, has existed for eternities, which will indeed remain eternities for you until you reach the light one day .... Then you will know that even the concept of eternity is but a fleeting moment for Me ....

*Sincerely pursue the thought of redemption through Jesus ....*

It is of great importance for you humans to know how very significant your earthly life is for you, and what task is expected of everyone, so that you use the short time well which you still live on earth, for one day you will have to be answerable for it .... Then you will consider the information about untimely things less significant, for you will gain this knowledge in an instant when your degree of love has reached the level which guarantees you true knowledge about everything. And thus you should only ever strive to raise your degree of love, so that brightest realisation will embrace you when you enter the kingdom of the beyond. Then you will also be able to understand the process of creation, for then you will no longer be subject to the law of space and time, you will be able to observe everything that has ever taken place for the sake of My living creations' return .... but then you will also know about the meaning and purpose of all My creations and nothing will be hidden from you anymore.

Thus you will also know that it was of utmost significance for you humans that I descended to earth Myself in order to accomplish the act of compassion in the human shell of Jesus, without which all your knowledge would be worthless, for then you would be eternally lost, even if you knew everything .... For only the information of My descent to earth, of My path to the cross and the sacrifice of atonement is needed by you to be delivered from the immense original sin, for the sake of which I let all of creation emerge. And if you then pursue the thought of redemption with all sincerity on earth, if you take your path to Me in Jesus, then this immense original sin will also be remitted to you, and My work of creation will become brightly and clearly visible to you, and what is still mysterious to you as human beings will resolve itself in a most amazing way. I only require your

heartfelt bond with Me in order to be able to make you happy with My illumination of love which then, however, will also guarantee you complete insight regarding questions relating to all past occurrences. For nothing in My creation is without meaning and purpose, but you cannot always know the latter, especially if it concerns creations which are incomprehensible to you because you don't know their real function. But the fact that every work of creation has a destined purpose or it would not have been created by Me should be obvious to you as well, you just don't know what task every single work of creation has to accomplish, yet one day it will become plain and obvious to you.

For this reason you should first and foremost acquire the true information about the great act of compassion which I Myself accomplished in the human being Jesus, and try to become a partaker in the treasure of grace which I acquired as the human being Jesus on your behalf .... Then you will surely gain far deeper insight into all the secrets which My creation still conceals from you than you can attain through merely informing yourselves about all My creations .... For you only have to be free from your original sin in order to then also be able to brightly and clearly recognise everything, in order to be able to place yourselves retrospectively into all creations again, which is certainly possible for you in the state of perfection, yet only in order to increase your knowledge about the destined purpose of every external form. And you will blissfully behold these creations which served you to assist your higher development, and one day it will also be clear to you that every work of creation only ever testifies to My never-ending love for the fallen spirits, for only I know which external shape is suitable for the soul to reach full maturity. One day you, too, will be able to understand it, and this is why you should endeavour on earth to acquire a high degree of love and desire less information, for intellectual knowledge is not a substitute for a loving heart. But this, in turn, will reveal to you **full knowledge** when you have entered the kingdom of light and unresolved problems no longer exist for you ....

Amen

*What fate is the world heading towards ....*

If you knew what fate you are heading towards you would not desire the world with all its commodities for even one minute longer. For you will lose them all and have to content yourselves with the small amount that is left to you after hours of extreme adversity and distress. And yet you cannot be spared because the time of the end is near and you shall first dispose of everything that belongs to the world and thus also to the one who is the prince of this world. And as soon as you have the right attitude towards Me, your God and Creator of eternity, your life will also become bearable for you .... But who has this right attitude towards Me? The firm belief that I will help him in every adversity, who entrusts himself to Me completely, and who is willing to surrender his life for the sake of his neighbour? For this will be your fate, that you even voluntarily choose to die in order to save your neighbour's life!

Yet it will not be to your disadvantage, for although you will lose your life on earth you will with certainty gain eternal life, which no one can take away from you again .... Therefore, don't be afraid, regardless of what will happen .... And firmly believe that you will go on living .... and therefore take care that you can leave your earthly life in a state which will lead you to life in eternity. For even life on this earth will come to an end soon afterwards and then the great reckoning will take place .... The gates into the kingdom of the beyond will be closed and only Satan's slaves and My Own will inhabit the earth .... the former will be banished into matter again whilst the living bodies of the latter will be removed by Me in order to populate the reshaped earth. And because I will send warnings and admonitions prior to such disintegrations of earth, the preceding natural disaster must also be viewed as such an omen which, with absolute certainty, will be followed by the end.

I terminate an earthly period because people no longer use their earthly life for the maturing of their souls and I still want to save what can be saved .... For I love all of you, My living creations, I don't want your ruin but your release from the constraint of the one who was responsible for your apostasy. But I cannot induce you against your will to live in accordance with My will and thus to live a way of life which will guarantee

you eternal life. I must always give priority to your will and depending on your will so shall be your fate. However, since this time of the occurring judgment has already been planned for eternity you have all had ample opportunity to change so that you need not be counted amongst the victims of this judgment .... Yet you lack belief in it, and thus the end will take you by surprise and find you utterly unprepared. And I can't do anything else but send you a stern warning in advance, a natural disaster of such huge proportions that it will trigger tremendous fear and could make you recognise your God and Creator's solemn voice, yet until the end a human being's fate is determined by his free will, for neither I nor My adversary will use coercion. The adversary, however, will have greater success; nevertheless he will not be able to enjoy it for I will seize what belongs to him from his control again in order to embed it in hard matter, so that he will nevertheless lose strength as higher development continues, which will always also result in beings reaching the light, who escape from him altogether and return into their Father's house from where they once originated ....

*Prehistoric people? ....*

You only need to turn to Me with an appeal to grant you an explanation and I will not hesitate to answer. You don't realise that the act of creation has taken infinitely long periods of time, for you judge by your present concepts to time, whereas the act of creation necessitated eternities, which is rationally impossible for you to understand. Hence you are right in your assumption that the pre-Adamites lived long before the human being .... who was recognized as the true human being due to his self-awareness, intellect and free will. Yet this does not exclude the fact that these human beings had no knowledge of pre-historic people, they knew of their existence but described them as having lived long before themselves. But this only happened after the fall into sin, when I sent beings of light from above amongst people which enlightened them as to their past process through all creations .... Prior to this they had no knowledge of it at all, and thus no idea

BD 9022

about these human-like beings because .... wherever people were created .... these beings had become extinct. However, since the growth of human population advanced only slowly .... in keeping with the matured original spirits .... the process of creation continued over a very long time, and thus the earth was not inhabited by people everywhere at once, whereas the pre-Adamites only became extinct when the creation work 'Man' began to appear.

Pre-historic people therefore have never lived with human beings together at the same time, but the human being was created at different times since the conditions on earth, too, varied quite considerably and needed this diversity, because even the original spirits developed differently, which is not quite understandable to you humans yet. It is not as if people were instantly created on earth, instead, everything took place such that one can speak of periodic creation, and every period brought forth such beings until the human being with self-awareness, intellect and free will appeared as the last work of creation. If I now use the term 'at the same time', then I mean the same period of creation which, however, was so long that it cannot be expressed with numbers .... but that these pre-historic beings preceded the real human being because no concept of time exists for Me and to Me a thousand years are like a day. And the whole act of creation took so long that people can no longer determine the length of time, only the fact that everything developed, from matter to the mineral and plant world .... through the animal kingdom up to the human being, but that I also always created a new external shape for the tiny particles of soul as they developed further.

Hence, the expression 'they developed into the next being' only relates to spiritual development, yet every external shape was a new creation which always vanished again once it had completely fulfilled its purpose, on account of which so many beings disappeared again once human beings came into existence who were able to create and shape according to their will .... Thus people did not live alongside pre-historic beings, but that does not rule out that they didn't inhabit the earth at the same time, they just lived so far apart that they had no knowledge of them, because the time had not yet come for the human being to find the right living conditions he needed in order to survive there. Just one thing has to be clarified,

that the earth was not populated at the same time with fully responsible people, they came much later, whereas the pre-historic people still existed wherever the earth was not yet sufficiently developed. It is difficult to give you humans an idea as to how the whole work of creation took place, for you are neither able to imagine the length of time in which this work was completed nor the immense space that had to be populated by the small particles of soul of the fallen original spirits.

This required great diversity which was entirely achieved by My thoughts, so that I saw everything as a minute work of creation before Me and it simultaneously arose as finished work .... so that the creation took on ever larger forms wherein the soul particles were to mature, and it was teeming with creations of the most varied kinds .... so that I placed every work of creation where possibilities to mature were given. And thus the pre-historic beings were a creation which I placed wherever the future human race was sooner or later expected to take possession of the earth in order to bring its developing process to an end. But that the earth should exhibit the same conditions everywhere was not intended by My versatile creative will, and even today there are vast stretches of land where no human being can exist because he lacks the conditions to survive, for which I have My reasons. Yet it is certain that the human being's external shape was a work of My love, that I created Man after My image and that his soul, too, shall one day become My image again which, however, was not the case with pre-historic people, they were unable to develop into the human being as he is at present, irrespective of whether he attains spiritual maturity or not ....

*Prehistoric people? ....*

And if you think that I let you believe something that is wrong you must always consider that you harbour intellectual misconceptions, since the intellect can easily interfere if your contact with Me is not firmly established .... but also consider that I always endeavour to clarify even seemingly apparent discrepancies, for you shall be instructed according to truth. The slow development towards ascent often led people to believe that

it was to be understood as a purely physical development .... hence relating to the external form .... however, only the spiritual development was meant by it, the ascent of the substances of soul within every individual work of creation.

And thus My work of creation included countless external forms, which in groups can certainly be referred to as the same creations but which, even then, still consisted of infinitely many groups where one differed again from the other but always continued as the same species .... thus there can be no question of higher development as such. However, as the substances of soul continued to mature, new external forms also arose time and again which only were concluded when the work of creation 'Man' came into being, who then had to fulfil the last task on earth: to spiritualise himself, to change himself into the living creation he had been in the beginning .... in order to then be able to end his earthly path and return to Me from where he had originated ....

The fact that all these pre-historic creations had to contribute towards this change was an exceedingly happy process for Me which sooner or later had to lead to success. Yet to inform a human being of this, who only has a limited intellectual capacity, is only possible to some degree, albeit in the state of light he can instantly comprehend all correlations and the purpose of every external form. But for earthly life it is enough if he receives sufficient light in order to roughly grasp the process of return so that he can also give his fellow human beings a faint idea about the meaning and purpose of creation. And then it depends on every individual person as to what extent he will delve into My eternal plan of Salvation, which only ever aims to achieve My living creations' happiness ....

Amen

*World conflagration ....*

*Natural disaster ....*

*Decision ....*

Nothing will remain hidden from you, who have offered to be of service to Me, for the final events will be so huge that you cannot be left in the dark about them, and especially if I want to speak through you to all people .... Hence you also ought to know that it will only require a modest impact to trigger a catastrophe which at first can be seen from a purely worldly point of view, but which is the signal for the subsequent natural disaster, although it is certainly not started by human will it is nevertheless the consequence of human will in as much as it will start a world conflagration that cannot be stopped by anything other than My will. And since humankind always only pays attention to world events something has to happen which is inexplicable to them .... the gaze of worldly people has to be visibly directed towards My intervention, and all human intentions must take second place in view of the discovery that something is taking place in the universe which could ultimately affect every human being ....

Thus, people must learn to fear **God** and not their human enemies .... And although it is up to every individual to believe in a God or not, the said cosmic event is nevertheless greater and more life-threatening than the world conflagration which then will recede into the background. For then people's spiritual attitude towards the Creator and Provider of all things will decide whether and how the natural disaster will take effect .... Whether you believe it or not, this event is approaching you with giant strides, and only a short period of time is separating you from it. And you who know this should make every one of you fellow human beings aware of what lies ahead of him, even if you will find no credence, but the events will confirm it ....

For the end, too, is coming ever closer .... This natural disaster is just a last sign of it, but who will still allow himself to be influenced by it? People will only just see it as a natural disaster and not be able to recognise any connection with humanity's spiritual state .... apart from the few who are spiritually awake but unable to get through and thus warn people in vain of the final end which they are inevitably approaching. Don't let the signs

of the times pass you by unnoticed for they are cautioning all of you that you are living in the last days, and remember that you only have little time left in which you will have to decide whether you want to take the path to Me, Who can and will save you in all adversity .... or whether you want to strive towards the adversary again who wants to ruin you again for endless times.

For the sake of your freedom of will you cannot be informed of the day and the hour, but I can always just tell you with certainty that there is not much time left to you. Yet worldly events will affect you all, and thus you take little notice of what I say to you .... And it will befall you with tremendous force so that you won't know how to protect yourselves .... But let Me tell you that only I Myself will be able to offer you protection, that you have to take refuge in Me in order to be led through all dangers to body and soul. And if you humans would only just learn that a higher Authority is at work and that you have to call upon this higher Authority otherwise you will be hopelessly lost, for My adversary will use all his power just once more in order to get his hands on you. And anyone who does not decide in favour of Me anymore in the short time until the end will then also be bound in matter, and he will have to take an infinitely long path through the creations of the new earth once more ....

Amen

*Total dedication and complete submission of will ....*

You shoulder great responsibility during your earthly progress, the burden of which, however, you can place upon Me if you decide to hand yourselves over to Me with all your strength and soul. In that case you will be free from every responsibility in the knowledge that I will guide you, for I will direct your every step such that you will inevitably end up with Me, that you therefore quite freely subordinate your will to Mine and have thereby passed the test of will, which is the sole purpose and goal of your earthly life. Completely entering into My will relieves you from all responsibility, for then you will only be able to live according to My will, your actions will be good and righteous, you will voluntarily fulfil the commandments

of love for Me and your neighbour, the adversary will no longer be able to harm you and your earthly path will proceed entirely according to My will so that there will be no danger that you can travel it unsuccessfully. Just place yourselves totally into My hands and through your dedication you will become My Own completely, then you will no longer have to fear the world, earthly matter will leave you unaffected, you will only use it according to My will by causing it to be of service to you and at the same time providing it with the opportunity of advancement .... You should all take this simple path, the path of devotion to Me, for then I will always be prepared to release the chains, for as soon as you hand yourselves over to Me with complete faith and love Jesus Christ's act of Salvation will be understandable to you and you will take the path to Him, thereby recognising Me Myself as your God and Creator, as the Redeemer from all bondage. You need never fear becoming subject to My adversary again, for his control over you will be broken from the moment of your total dedication to Me, your decision will have been in My favour, you will turn away from him and quite deliberately strive towards Me.

From this time on the adversary will no longer be able to deprive Me of My entitlement to you, all your love will belong to Me, and this and My love will never ever be parted again. If you take this path on earth to Me, if you know that you call upon your God and Father in Jesus, Who sacrificed Himself for you on the cross in order to redeem your past sin .... and if you are subsequently released from the adversary, then you have taken the right decision, you have accepted the emanation of love again without which blissful happiness cannot exist. And your fate will be far more glorious than before, when you indeed emerged from Me in supreme perfection but nevertheless were My creations, whereas now you have matured into My children, which I was unable to create, I was merely able to give you all the abilities to achieve this of your own accord .... And I would like to make it easy for you and merely need your total dedication to Me, then I will even out your every step so that you no longer need to bear responsibility, so that you only ever need to think and act as I make you feel in your heart, and then you will be happy because I Myself guide you and direct your thoughts. In that case you certainly act of your own free will but this will very clearly subordinates itself to Me and thus you can only want and act correctly. For the second time you will have come forth

from My hand but in a way that you wanted yourselves and your free will helped to become that which could not emerge from Me in the beginning. Bliss on both your part and mine will constantly increase, for you will be offered splendours in My kingdom which you would never have dreamt of, for `eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which I have prepared for them that love Me ....'

*Continuing diligent activity ....*

And if My plans differ from yours then you should also submit to them and know that it cannot be good otherwise .... For you are unable to observe what benefits the whole of humanity. It is of no significance to Me whether you influence people from the beyond or are still active here on earth, for My plan of Salvation has already taken everything into account, and only the decision of your will is important. Hence you can completely calmly hand yourselves over to Me and My providence just as long as it is your own will to serve Me and you totally give yourselves to Me; for then I will work through you Myself. And that I, in My wisdom, observe everything and make use of every opportunity to save erring souls is certain, because My love for you is infinite. The closer the end approaches the more obviously I will affect you so that you will remain faithful to Me and not lose yourselves to the one who is My adversary and wants to regain you. But I will never let this happen again because I completely own your will and only this gives Me the right to counteract him. Yet the angel of death will also reap amongst My Own .... but then you know that it is My will and that I will also protect everyone who still has the task to be of service to Me until the end. Therefore continue to be carefree and devote yourselves more than ever to the work for My kingdom, and work diligently, for none of you know whom I will recall before the time, and neither should you ponder on it but approach every day with a cheerful heart because whatever happens to you will be good and determined by My love.

And I also want to explain to you whom I mean by `My Own' so that you will not worry, for some are already so close to Me that they can rightfully

leave their earthly body in order to enter the kingdom of light and bliss .... Yet only I know this, and I want to spare them the time of the last battle on earth .... I will fetch them and bring them to a place where they will also be able to influence the inhabitants of earth. But you should not fear these last days, for I will provide you with extraordinary strength so that you will successfully complete the work which you consciously support, and therefore have become a great help for Me .... So accept whatever comes your way and don't think that you have been abandoned by the Father, for I know a way out of everything and I Am truly willing to let you find this solution, even if you temporarily feel hampered in your work. For I know how to weave the threads, I know My Own and will bring them together and designate their work to them. Yet always believe that your work is pleasing to Me for which I will compensate you one day .... either in the paradise of the new earth or in the kingdom of the beyond ....

*Only truth leads to the goal ....*

You can travel a long path on earth and still not reach the goal if this path leads you astray. For this reason, I constantly send messengers of light to cross your path, even though you can reject them and ignore their advice when they show you the right path .... And I always do this because My love does not want you to be misled .... If only you paid attention to the fact that you will never go anywhere without warning, that one side will always advise you to act virtuously and with kindness, then you would always receive light, you would realise that you are living in error, and then the risk of unnecessarily prolonging your path of ascent would be over .... Then I would always be able to give you strength for constantly new loving activity, and you would soon be brightly enlightened so that you would be able to cover your earthly path without worry in order to reach the right goal. Erroneous belief is the only stumbling block for your assured progress, because error is My adversary's activity, who will do whatever he can in order to fight the pure truth .... And as long as you are subject to his rule you will resist the truth. However, I gave you common sense which you

should use in the right way by pondering what reason your imperfection .... which you should be able to recognise .... could possibly have. And as soon as you seriously think about it you will also receive a satisfactory response, and although you will only believe it to be the result of your thinking you will nevertheless not be able to refute it with such compelling substantiations to the contrary that you will be fully convinced by these. For a silent admonisher was given to you which .... if you are honest with yourselves .... can be recognised as My voice ....

Everything will be easy for you if you only recognise a God and Creator above yourselves and willingly submit yourselves to Him. Then I Myself will guide you, and truly on a path which will not appear laborious to you, for I Myself Am the support for you which you should hold on to, which you will not lose again, for I will guide you until you have reached your goal. I only expect this belief of you, otherwise you will walk lonely and forsaken through earthly life and become a plaything for the one who wants to lead you toward the abyss. You only need to be offered the pure truth, which shines like a bright light and will make you very happy .... For truth comes forth from Me, and sooner or later it will be offered to every person, yet it has to be voluntarily accepted because it cannot be imparted by force .... Not even My adversary can force you to reject the truth .... your attitude towards the truth and thus also towards Me is entirely up to you. But one day you will be triumphant over the one who wanted to lead you into error when you are able to confront him with the truth. And then you will be illuminated again as you were in the beginning, when you possessed brightest realisation and were blissfully happy. Therefore, take notice of My messengers who stand by the wayside and still want to kindle a small light for everyone, and listen to them without objection, even if you can't instantly agree with the contents of their message you should nevertheless think about it and let Me, your God and Creator, be part of it .... and I will truly guide your thoughts right and also always draw your attention to any error, so that you won't accept it without checking it. Thereby you already testify to wanting to know the truth, and this will be taken into account. For the greatest evil is the fact that the earthly world is only based on error, since it shelters the spirits which once fell away from Me and which My adversary plunged into wrong thinking .... so that they will not be released from it until the pure truth prevails, but which the human being has to do

himself by using his own free will. For this reason there is only a little light amongst people but everyone can attain light if he has the serious will and hands himself over to Me with complete trust so that I can guide him into truth .... so that he then will also receive it according to his will ....

Amen

*A warning not to change the Word of God ....*

Yet all of you again and again stumble at the form, as to how My Word out of the height reaches you... This can be explained very simply, in that I make use of the marvellous (spiritual) grasp a person has, but must not be confused with general education, for I rarely find a person who is able to receive dictation of My Word, because with it comes the ability, thoughts that touch him, to grasp them lightning fast and to step by step write the dictation down... this however is not to be confused with the birth of once own thoughts... This could lead to the erroneous acceptance that it would be once own body of thought, what the individual received and now seeks to place as being spiritual. The persons mind at that moment does not work, but he rather hears it internally, what the Spirit out of God speaks to him .... It never will be incomprehensible for you, what you receive as My Word, if you read it with the necessary open-mindedness, which stipulates an understanding... And an alteration is in this respect not in place, because you people also change constantly in your form of expression, therefore one should leave My Word, how it was received. For the content attest to the divine exit, and after his ability to capture things the receiver hears My Word, also if a light spirit radiates it to the earth, for this cannot radiate unlike My Word ....

The dictation comes all the more clearly into being, the more intimate a person establishes the connection with Me, but he will never be incorrect, for where a mistake slips in by interference, there the recipient will soon be referred to, so that he himself can correct it. (Aug.23,1965) For just therein lies the danger that My Word is very easily exposed to such variations, because men according to his state of development wants to give it form, which is however absolutely inappropriate, for I know, how I can address

each person in order to be understood by him. And the sense of My address is always understood, when only through the Love a certain degree of maturity has been reached, which is though not to be replaced by else kind of intelligible formulation. And the one thing you should always consider that in view of the near end My Word to you people is truly offered in such a manner, that you can without doubt accept it as truth, because I know, that only the truth alone means rescue for you people and that I do everything, in order to bring you the truth, however I would always warn you before hand, to undertake changes for yourself, even when this takes place with the best intentions...

Amen
