God's Plan of Salvation

The spiritual and material Creation - Where did
Satan come from, who created him?
Why is Jesus our Redeemer?

A selection of Revelations from God,
received through the 'Inner Word'
by Bertha Dudde

God's Plan of Salvation

This booklet contains a selection of Divine Revelations, received through the Inner Word by Bertha Dudde as promised by John 14.21: ``Whoever has My commands and obeys them, he is the one who loves Me. He who loves Me will be loved by My Father, and I too will love him and show Myself to him."

* * * * *

The revelations are non-denominational, they do not intend to attract members of any Christian religious affiliation nor to recruit members into any Christian religious affiliation.
The only purpose of these revelations is to make God's Word accessible to all people, as it is God's Will.

Only complete and unaltered messages with references may be copied and translated.

Information about God's plan of Salvation

I want you to gain a little insight into My eternal plan of Salvation, and therefore I Am trying to inform you of it in relation to your degree of maturity. I aim to impart this knowledge to you through My spirit so that you will live in complete truth and you can also be certain of this truth yourselves. For only by way of the spirit is it possible to convey the pure truth to you. You shall know about all things so that you will be able to refute misguided teachings which hinder your return to Me, which thus shall be achieved through My plan of Salvation one day. You shall know where you came from and what caused your apostasy from Me You shall know about the fate you prepared for yourselves through your apostasy from Me. And you shall know the fact that and the reason why I consequently prepared a plan to ensure your gradual path of return to Me You shall also be informed about this plan, because only then will you understand your human existence on earth and live accordingly

You will learn to recognise and love the One Who brought the entire creation into existence for the sake of your beatitude, Who used His might with infinite love and wisdom to bring creations of the most marvellous kind to life, which all correspond to their specific purpose and only serve to accommodate the once-fallen spiritual substance in order to bring it to final maturity one day so that one day it will return to Me, Who has been the origin of its existence and Who will be eternally connected with My created beings because I love them

You humans must know of My infinite love since this is the explanation for everything, or I could have destroyed what I had created when it opposed Me But My love prevented Me from doing so, yet My love also wants to give joy to the created beings, because love cannot bestow anything but happiness. Therefore a return of what has fallen away from Me must

inevitably take place, and the only objective of My eternal plan of Salvation is the final return of all fallen spirits. The fact that I now give you such detailed information is only due to the last days, which necessitate a final act of help for you humans. You should know what it is all about and that you do not have much time left to achieve this return to Me You should not spend your days thoughtlessly but try to establish a close relationship with Me in order to be guided through the chaos by Me, which will still befall humanity before the end, and for which you thus shall receive the truthful explanation.

If, however, you are kept in error, if you constantly hope for an earthly renaissance for everyone, for earthly progress, because you do not know the meaning and purpose of all events which concern you, your earthly life will have been futile for your soul, which is your real Self and does not cease to exist after the death of your body. And I would like to protect it from the fate which then awaits the soul. I would like to prepare you for a state of bliss because I love you, and therefore I repeatedly transmit the truth to earth which you need only accept in order to be saved from the terrible fate of new banishment into the creations of earth

Anyone who knows My eternal plan of Salvation already lives his earthly life with a certain amount of happiness, because he has recognised its meaning and purpose and thus lives consciously and always aspires to fulfil My will

But a person who is not familiar with this information does not know a purpose of existence either, and he will only accept worldly and never spiritual values, because the area of spirituality is completely unknown to him And then again, only a person who has already established a relationship with Me due to his loving actions will muster the understanding for My eternal plan of Salvation, for his spirit has already come alive, whereas the person without faith in Me will think and act unkindly and never be accessible for such knowledge Thus he goes through life in dense spiritual darkness and due to his blindness does not find the right way either.

But I want to offer all people the knowledge that they once originated from Me, that they voluntarily turned away from Me, plunged into the abyss and were helped by My love to ascend from this abyss again, because My love for all created beings is greater than great and this love will never change

either And therefore I will not rest until I have regained what has fallen away from Me, until it voluntarily strives towards Me again For this purpose it passes through creation, which I once brought into existence for its return to Me Time and again I will impart this information to people who want to unite with Me again and want to know the truth about the cause, meaning and purpose of their existence on this earth And you will be instructed of it in all truthfulness, because only truth will set you free and lead you back to Me again

Amen

First created being

Light bearer

Apostasy from God

Your human intellect is only able to understand profound truth to a certain degree, because pure spirituality is only spiritually explainable. This explanation will be accepted by the spirit within you and indeed also passed on via the soul to the intellect, but the intellect is still too earthly minded and therefore cannot delve so deeply into spiritual knowledge to understand everything. Nevertheless, My spirit expresses itself through the spiritual spark within you, and anyone who has love will also understand the meaning of what I say to him:

My creative will was immense, My strength inexhaustible, and I found My bliss in the implementation of My thoughts and plans. And this bliss wanted to express itself, My love wanted to give itself, I wanted another being beside Me to also enjoy what made Me indescribably happy. I experienced My solitude as a lack which I could change any time if I wanted to And I wanted to re-discover Myself in a being that should be closely united with Me, which I wanted to shape as a mirror of Myself, as My own image, to be able to bestow it with unlimited bliss and thereby increase My bliss too. I wanted to create such a being and this will sufficed, because My will was strength and always proceeded with love and wisdom. The entity I externalised from within Myself was indeed My image yet it could not see Me, had it been able to see Me it would have ceased to exist

due to its beatitude, since no being could endure to behold Me. For every being, even the most perfect image of Myself, is always just a product of My strength of love, whereas I Am the strength of love Myself and enlighten everything with incomparable intensity but, as a result, I could not be endured by the being I had externalised. Yet by creating this being I had a vessel into which the strength of My love could flow continually, and thus it also received My creative will, My strength, My wisdom and My love beyond measure with this constant influx of strength from Me. As a result, it was now able to experience the same bliss, it was able to use its strength in accordance with its own will, it could be creatively active for its own pleasure and thus constantly increase My bliss, because it was My strength which enabled the being to do so and I took pleasure in its happiness

And now countless other beings of the same nature emerged from this being They all were children of My love in radiating light, in utmost perfection, because from the image I created of Myself and My infinite love could only ever emerge utmost perfection, because we shared the same will. Both our love found itself again in the created beings, because nothing imperfect existed as long as My will and My love worked through this first created being. It was an enlightened world of spirits, there were a great number of originally created spirits The strength from Me flowed unrestricted to the being which I had chosen for Myself as the bearer of light and strength And the entity itself was more than blissfully happy Yet I wanted to increase this bliss even more; I did not want it to be tied to My will but it should be active of its own will which if the being was perfect and remained so was My will. For the being, having been created by Me, was incapable of having any other will. But I wanted it to be able to act independently because the only characteristic of a divine being is that love is so powerful within itself that it is the decisive factor for the same direction of will as mine. I wanted to receive this love from My first created being which, however, was intended to result in its ultimate perfection at the same time, so that it was no longer active as a created being in accordance with My will but should enjoy unlimited bliss by merging with My will for love of Me

But in order to pass this test of love and will it had to have complete freedom of will. It did not see Me but it recognised Me because it was enlightened

.... However, it saw the countless beings created by its will, and it felt itself as their creator in spite of knowing that it had received its strength from Me And the entity was envious of My strength Although it was visible to the beings it had created, it was nevertheless conscious of its origin from Me, but it claimed the right to rule these beings for itself by presenting itself to them as the source of strength, as the only power able to create It more than less denied to love Me in order to rule You humans cannot understand the process by which a self-aware being could transgress into completely wrong reasoning but this is explained by free will which, in order to become active, must also be able but does not have to make a negative choice.

The bearer of light and strength saw on the one side the evidence of strength conveyed through him, yet he did not see the source of strength itself. Thus he declared himself ruler over his created spirits and also tried to portray Me as non-existent to them. He tried to transfer his now opposing will on to them And now the moment of decision, of proving their perfection, also came for the beings who had been created by the bearer of light with the use of My strength My strength was inherent in all these beings, they were fully enlightened and aglow with love for Me, Whom they could not see but nevertheless recognise. But they also loved their creator, because the strength that had created them was love which had emanated from the first created being and enabled it to create. This love now had to make a choice, and it divided itself

Terrible confusion occurred amongst the spirits who felt urged to make a decision. But since My strength of love was effectively light it was understandable that the urge towards the primary source of strength was stronger in many beings, that their love diminished for the one who separated from Me and pushed towards Me with increased force For the light within them was the realisation that I was Eternal Love. Every being had this knowledge indeed, but it also had free will which did not depend on knowledge, or it would not have been free. And the spiritual world divided itself The externalised being had its followers just as I had Mine, even though I was not visible. But the effect of My strength was so powerful that many beings turned away from the one who wanted to oppose Me Their will remained in the right direction, whereas the bearer of light and

his followers directed their will wrongly, thus they volitionally separated from Me and this caused their fall into the abyss

Thus the light bearer, the fully illuminated being externalised by Me, became My adversary, whereas everything that had emerged from him, that was created by both our love, partly turned towards Me and partly towards him, depending on the glow of love by which it was permeated. As soon as the bearer of light separated from Me the beings experienced an undefined desire for a definite pole. Free will began to unfold itself neither I nor My adversary influenced them forcefully, they were merely exposed to both our emanation of strength which wanted to gain every being for itself. The flow of My strength was pure love and affected the beings so intensely that they recognised Me without seeing Me, but they could also recognise the first created beings' change of will. However, because they could see this entity many followed it, i.e. they subordinated themselves to its will and thus distanced themselves from Me. Yet other originally created beings felt themselves as My children and voluntarily remained loyal to Me, only they were far less in number. These were the first created beings who arose from My light bearer's most blissful creative will and My immense influx of strength of love. And this strength of love was inherent in these beings too and persistently pushed them towards Me, for they recognised their creator's present will as wrong and therefore turned away from him. The other beings could have come to this realisation too yet they blindly followed the one they could see, and their will was respected and in no way influenced by Me, because this decision of will had to take place in order to shape the created beings to independent perfection. The being which left Me drew a large number of followers into the abyss, for to distance oneself from Me means to strive towards the abyss, to aim towards a completely opposite state, which thus signifies darkness and weakness, loss of knowledge and strength. Whereas My children blissfully remained in the most radiant light and immense strength, in beatitude.

After the fall of Lucifer, the light bearer, his strength was defeated He could no longer actively create and shape although I did not withdraw the strength from him because he was My living creation. His power and strength rested in his followers, whom he now dominated as prince of darkness. But they are also the products of My love which I will not leave

to My adversary forever. As long as these beings still share his will they belong to him; but as soon as I succeed in turning their will towards Me he has lost them, and thus his strength diminishes at the same rate as I release his prisoners from his control which, however, always presupposes the being's free will.

And this is the purpose of My eternal plan of Salvation, which is eagerly and most lovingly supported by all inhabitants of the kingdom of light, by My angels and archangels, for they all are My helpers who endeavour to bring bliss again to their fallen brothers, who once voluntarily threw it away And this work of liberation will succeed, even if it takes an infinitely long time before the last once-fallen spirit returns to Me, until even the first created being that came forth from My love draws closer to Me again in its longing for My love until this too repentantly returns to the Father's house, which it once left voluntarily

Amen

The transformation of the original spirit into creations

My Word shall bring you clarity, it shall answer questions and solve problems which you are unable to solve intellectually yourselves. You shall become knowledgeable if you desire to know, you shall be educated in all truth, for I want to give you light and illuminate your spirit, so that you do not continue to live in darkness and damage your soul, for I want to save it for all eternity. My immense love only ever wants your soul's salvation because I long for your return, for unity with you, which requires the perfection of your soul. You once came forth from Me in all perfection, for I created you as My images, as utmost perfect beings, as miniatures of Myself and yet of the same quality, because your fundamental element was love since you came forth from the original source of Love, Which created vessels for Itself in order to emanate Itself into the vessels in order to let this strength of love continually flow into these created beings

These beings, My images, were pure love. They were My radiated strength of love which could indeed perceive and behold each other but they were unable to behold Me Myself from Whom they originated, because I was the

original fullness of strength of love Myself which they could not see or they would have ceased to exist. For I had externalised them as tiniest sparks, as independent beings as I have already explained to you several times although, as a purely spiritual process it will never be quite understood by you humans on earth. But since these beings were independent entities endowed with free will and a lot of strength and light at their disposal due to the fact that they were constantly permeated by the flow of My love's strength, I could not prevent them from misusing their free will such that they turned away from Me, that they when faced by their test of will to acknowledge Me as their God and Creator denied Me this acknowledgment

They turned to My first created being Lucifer who was visible to them and whose beauty stood out in brilliant radiance, and rejected the emanation of My love's strength, which meant that they distanced themselves ever more from Me as the primary source of light and strength This process, too, has been explained to you humans time and again as far as I could make it understandable to you But now you should know that although My externalised living creations could indeed change themselves into the opposite they could not perish but continued to exist and will continue to exist for all eternity The beings'fundamental substance was love, thus strength which, according to eternal law, has to be active it cannot remain inactive forever. Due to the ever increasing distance from Me as a result of rejecting My emanation of love, My created original beings'spiritual substance became solid, and thus these beings became incapable of working and becoming active And so I dissolved the original spirits, I transformed the beings which were My once externalised emanated strength, and creation came into being, in which the strength could work again, thus become active in accordance with My will.

Consequently, you can rightly say that the whole of creation consists of original spirits transformed by My will, the same strength which I emanated in form of self-aware beings were now changed into other forms, into works of creation of every kind I then assigned a task to every work of creation, and thus the original spiritual substance, dissolved in particles, now passes through all creations and serves Me in the law of compulsion. The strength becomes active in relation to My will, because strength must

become effective in line with fundamental law Always consider that the first created spiritual entities were My emanated strength, irrespective of whether they were dissolved or joined together again after an endless time the first created spirit will not cease to exist, but it will return to Me again one day without fail, but then it will be the same being again that had originated from Me On its path of return to Me it passed through all creations and finally enters the form of the human being as his soul the last brief stretch of the path when it has to achieve unity with Me again, when it has to consciously accept the emanation of My love again, because voluntary return to Me requires the original spirit to relinquish his resistance to the emanation of My love's strength Then it will once again be the Godlike living creation, My image the fallen original spirit the perfectly created being, but now it will have achieved its perfection again entirely of its own free will, and therefore it will be able to unite with Me again and remain united with Me forever

Amen

BD 7942

received 15.07.1961

Origin of the creation work 'earth'...

The path of the spirits across the earth will extend into eternity For the spirits themselves became the matter which earth and all its creations consist of God's will turned solidified spiritual substance into matter, thus the whole of the creation work earth as well as all creations in the entire universe is God's once emanated strength which He externalised as a 'being' but which so changed itself that it finally became mere **hardened** substance, which was then transformed into creations of all kinds.

This took place over an infinitely long period of time, because the 'transformation' also occurred in lawful order, the rise of what is now visible as 'inhabited earth' happened during countless phases of development it was not an instantly externalised work of God's creative power since even the slow development served its purpose Time and again minutely disintegrated spiritual particles were captured and reshaped, the process took an inconceivably long time before earth had formed itself into a work of creation which could serve as an abode and sustain physical life for

the constantly maturing spiritual substance, as it was designated by God's eternal plan of Salvation. And even this spiritual substance took an endless time before it reached the degree when it was allowed to live as a human being on earth for the purpose of its final perfection.

This last earthly progress as a human being is but a moment in time compared with the infinitely long period of the earth's preliminary development ... Although the creation of every form was indeed the work of an instant for God, because His will and His strength externalised every thought as an existing work ... yet the resistance of the once fallen spirits determined the length of time until their physical transformation. For God did not force this spiritual substance but His strength of love captured it until its resistance had somewhat subsided in order to then encase it in accordance with His plan, to then shape it into various forms where it would perform some kind of activity which was so minimal that, again, an infinitely long time passed before these forms could gradually disintegrate and change

The development of earth took ages until it could be inhabited by living beings, and these, in turn, prepared the earth for yet another inconceivably long time to become suitable for serving human beings as a last place of development ... The tiny individual particles of the human soul, however, had passed through all creations The fall from the highest pinnacle into the abyss had taken so long that thus an equally long time had been necessary to ascend from the abyss to the point when the being could receive its self-awareness again, that this final perfection then made it possible to travel the last path of ascent. But for the time being the creation had emerged, and this incorporates the innumerable fallen spirits whose return to God will subsequently also take an infinitely long time, hence an end of creation cannot be foreseen as yet ...

Nevertheless, the `creations' exist and everything will take its lawful course ... They are brought to life by ever new minute particles of spirit whose higher development takes place by way of constantly changing their outer form, and thus a continuous developing and disintegrating of every material creation can be observed ... All works of creation repeatedly renew themselves in this manner and thus serve the inherent spirit to achieve

maturity, just as they serve humanity's continued development by safeguarding their physical life on earth. As long as the spirits bound in the creations do not have free will their path of higher development proceeds in accordance with God's will the constrained spiritual substance serves in some form or other and thereby matures gradually But as soon as the spirit lives on earth as a human being it is once again in possession of free will and then it is able instead of continuing to ascend to stop its development or to regress again. During the final period of its process of development it is able to fail And this regression can lead to the result that the spirit in the human being the 'soul' or the once 'fallen original spirit' ... will harden again as before. The outcome will be a disintegration of the soul into countless minute particles again which will have to take the path through the material creations once more And this process, which has now become necessary again, also requires the disintegration and transformation of all works of creation which can be described as the end of one earthly period and the start of a new one.

And thus you humans should try to explain it to yourselves, that such periodically enforced processes of transformation concerning the creation work on earth will take place in accordance with God's will. They are always based on God's love and wisdom and only ever serve the redemption of the once fallen spirits And you need to also be prepared for such interventions by God when people no longer recognise the true purpose of their existence, when they thus do not use their earthly life for the maturing of their souls, for their final perfection. For the sole purpose of every work of creation is to bring the human soul into maturity, to help it become what it once was in the beginning a supremely perfect being, which originated from God's love but voluntarily apostatised from Him It shall return to Him again, and God Himself has provided it with the path of return through all the creations on earth

Amen

The spirits' process of development

You have passed through the entire creation This is a significant statement which you will only understand when you recognise My plan of return, My plan for the spiritualisation of all immature spiritual substances, when you know about the circumstances which are the reasons for your process through creation For only as a human being will you be the first created entity again which you were when I created and externalised you from Me Your past desertion from Me into the deepest abyss resulted in your disintegration, so that you passed through creation as countless individual substances.

These were embodied in the works of creation and had to comply with their task in order to gradually proceed on the path of higher development, thus to achieve the return of the spirit the transformation of its nature in accordance with My eternal plan of Salvation. For every work of creation has its task which consists of a function to serve. Through constant service in the law of compulsion the spiritual substance repeatedly sheds its external form and can embody itself in a new external form and continue like this until it has achieved the necessary maturity to embody itself in a human being. This process of development through the creation of earth irrevocably leads to maturity since it happens within the law of compulsion.

My will is the decisive factor, and in accordance with this will everything fits in with My laws and accomplishes full maturity, even if it requires an infinitely long time until a certain degree is reached when the individual substances have gathered again and then, embodied as a human being, the original soul goes through its final earthly process in order to complete its spiritualisation. But this process through creation cannot be arbitrarily stopped or substituted by another process It has to be taken by every being which wants to return to its source and ascend from the deepest abyss to the pinnacle and become perfect again, as it was in the beginning. For the physical creation only emerged as a result of My will, because I recognised it as a way by which My living creations, who had totally distanced themselves from Me, could approach Me again.

Creation itself comprises the fallen spirits which had solidified into spiritual substance that was subsequently transformed by My will into the most diverse forms, to whom I assigned a task and a purpose: to gradually bring the spiritual substance into maturity and to offer this spiritual substance ever new external forms in order to acquire ever increasing maturity in order to finally strive as a self-aware entity embodied in a human being towards the ultimate objective to consciously look for and find unification with Me and to complete the concluding return to Me The only purpose of every work of creation is to shelter spiritual substance, whose ascent to Me is predetermined and which, due to My will, will also achieve this gradual ascent because it fulfils its serving function, if only under the law of compulsion, and through service releases itself from the form time and again.

But eternities will still pass before all minute particles of the last spiritual being will have gathered again and then My opposing spirit Lucifer will also turn to Me once more of his own free will, because he will be utterly weak after all of his created beings have left him of their own accord, who then will strive towards Me because they recognise Me as their Lord and Creator Only then will My adversary recognise his complete helplessness, and he will long for strength and light again, he will long for My love which once had made him extremely happy, and then he will also willingly open himself for My illumination of love and as My son return to Me again

Amen

Creation of the human being

The fall of man

The fallen spiritual substance needed an endless time for its higher development, and an endless time was also required for My individual creations, which more or less had to evolve in line with the indwelling constrained spiritual substances in order to hold ever more mature spiritual substances. Time and again new forms were created, and time and again these forms were assigned a task Hence, earthly creation did not arise in an instant

but infinitely long periods of time passed until the spiritual substance of all degrees of maturity found the appropriate external form, since the constantly increasing maturity also necessitated constantly new creations which could accommodate it. But as long as the spirits were subject to the law of compulsion My creative activity meant: Creation of earth as a place to mature for the lowest fallen spirits, which had to acquire the level of maturity that would return free will to the constrained spirits again, which they had abused in the past But now an external form had to be created for this fully matured spiritual essence, so that it could test its free will again in this form

This work of creation was the human being, who differed from all previously arisen creations such that he, apart from free will, was also endowed with intelligence and reason with a faculty of thought, with self-awareness and with the ability to interact with his fellow human beings through language, because coexistence provided the necessary conditions for the test of will. The human being's external form already existed in its last stages in the state of compulsion and was destined to receive countless fully matured substances of soul, but these living beings still acted in a compulsive state as required by natural law, and therefore they were not responsible for their actions They only had very limited ability of thought but as receptacles for the spiritual essence, which was fully matured after an endless time of development, they were also works of creation formed by My wisdom and love for this spiritual essence. But only the living beings who possessed free will, intelligence and self-awareness were human beings and only then started the plan of spiritualising the latter This required that the living creations the human beings were educated by Me that they should use their ability of thought, their intelligence and their free will in accordance with My instructions and by virtue of their free will could then live and work on earth that they could shape themselves into Gods but also act in opposition to My advice and My will and regress to the abyss from where they had ascended I created the human being

Having attained a specific degree of maturity I gave the spiritual essence an external form in accordance with My love and wisdom, and the task the human being subsequently had to carry out The external form only

became a living being after the spiritual essence had entered it the composition of innumerable minute particles which, as 'soul', gave life to the form. For the spiritual essence is a constantly effective strength and was in fact constrained and incapable of unrestrained activity during the preliminary stages, during the endless process of development. However, in its ultimate external form, in the human being, it can be active again. It can unfold its inherent strength and through unity with Me increase it without limitation The first human beings had My strength at their unrestricted disposal, they were extraordinarily well equipped in view of the fact that their test of life on earth should have resulted in their leaving their earthly form completely spiritualised in order to return as true children into their Father's house again But the test of will, which I demand of every created being, was required of them. The first human beings' passing of this test would have enabled all subsequent generations to reach the final goal with ease.

By creating the first human beings I had created beings for Myself who, in spite of their inadequacy i.e. their lack of perfection as a result of the apostasy from Me could nevertheless have attained realisation of Me Myself since they recognised themselves as living creations Thus, due to their ability of thought and their free will, they were able to recognise My will and act in accordance with it I had created beings for Myself with whom I could communicate despite their distance from Me, who could hear My Word and let it take effect on them, which was impossible in the earlier state of constrained will Thus the human being was the first earthly work of creation which carried a fallen original spirit in himself, and he was then meant to help this original spirit to return to its original state in order to work and create in eternal unity with Me as a free spirit again This was the task of the first created human being, and it will remain the task of all people until the end, until the final spiritualisation of all fallen spirits

The test of will the first human being had to pass was not too difficult Yet for the sake of this test My adversary also had to be allowed to exert his influence on him And the human being succumbed to this influence He deserted Me for the second time, and this was the first fall into sin on this earth the original sin which is known to humanity, even if it does not

know of the apostasy of the spirits from Me But only the latter explains everything For the first human being could not have fallen had he been the first created being externalised by Me, as he would have been in full possession of strength and light since only perfection can emerge from Me. In that case he could not have been influenced by an opposing force.

But the reason for his fall is to be found in the apostasy of the spirits and thus in the still immature human soul which could indeed have passed the test but was not obliged to pass it

Nevertheless, the human being was in possession of intelligence and free will and therefore also had to accept responsibility for his soul And thus the human being has to do penance for his guilt My adversary kept his authority over the spirit embodied in the human being, and that means a laborious path of struggle and suffering during every human being's earthly life with the goal of freeing himself from his control The human being is able to achieve this goal because Jesus Christ came to help humanity which was weakened by Adam's fall into sin, and therefore salvation is assured to everyone who recognises Him as Son of God and Redeemer of the world and follows Him willingly The first human being would have been able to build the bridge on which all his descendants could have reached Me but since he fell, humanity had to remain in Satan's bondage for a long time until the arrival of the Saviour, until Jesus Christ descended to earth in order to build a bridge into the spiritual kingdom by way of His suffering and death by way of His crucifixion

The decision of will demanded of My first created being of Lucifer was by no means to be regarded as a commandment; rather, it was entirely left to the being's choice to direct its will either way, and the direction of its will was totally based on its yearning for power and dictatorship. It was certainly aware that it had originated from Me but believed that it could also rule on its own because it could not see Me It recognised Me as its source but it did not want to acknowledge Me And this will was not placed into the being by Me but the being itself had changed the free will I bestowed on it This was the difference between the first fall of Lucifer and the first human being's fall into sin because the wrong will was still in the human being and therefore I gave him a commandment which he should not transgress a commandment he could easily have kept had

the opposing spirit not influenced him. The opposing spirit's influence on the human being was so strong because the human being was still part of him since he had not yet regained perfection, which would have made a fall impossible.

A perfectly created human being could not have fallen, that is, he would not have been able to violate this commandment, because the perfect spirit in the human being would have prevented him from every God-opposing action But the creation of the human being was only the consequence of Lucifer's fall and his followers, or it truly would not have been necessary for Me to give the spirits, who had been brought into life by Me, an external form as a cover. The human form, however, contained the fallen spirit, and therefore the human being Adam was already burdened by the past sin which he nevertheless could have pushed away had he kept My commandment It would have been possible for him to redeem the inherited sin his fall delayed the fallen spirits' return to Me for an infinitely long period of time again. Yet it has become possible through the act of Salvation by the man Jesus Who did, without any commandment on My part, what the human being Adam should have done to completely accept My will and through a life of love unite with Me again on earth and achieve full possession of strength and light

Amen

BD 9005

received 30.6. - 1.7.1965

What would have happened if Adam had not failed?

Every spiritual question you ask Me will be answered by Me. But first of all you ought to know that it was not My will that you should experience such an extremely difficult earthly life. The time you spent in a constrained will in the law of compulsion would truly have sufficed Me, for this time was so appallingly long that it should have been enough for you to unite with Me again but that I had to demand the last test of will of you as self-aware beings as human beings. You were only meant to give yourselves to Me again voluntarily, and thereby you would have cancelled the immense sin of the past apostasy from Me You were meant to prove your love for Me, since you formerly resisted My illumination of love

For this reason the first human beings were created well, they were devoted to Me in love, for I had provided them with everything, I gave the earth to them as their own, I subordinated everything to them, they recognised Me as their God and Creator they were surrounded by magnificent works of My creative power they could take pleasure in them everything was only done so that they could sing their praises and give thanks to Me that they could offer Me burning love, and they themselves harboured no evil thoughts either Yet I also had to endow the first people with free will, since they had emerged from Me as original spirits, which are unthinkable without free will. And since they once had turned away from Me and voluntarily followed My adversary into the abyss, he had the same right to influence the first people, because their will had to make the decision again whether to follow Me or him And they failed this test of will, which they could have passed easily, and thereby they reawakened all evil instincts they had already overcome before their embodiment as human being After that, the first parents passed their character on to the following generations and it became ever more difficult for them to free themselves from the adversary's bondage.

However, if the first people would have passed their test of will, which had not been too difficult, I would have been satisfied with the infinitely long path they had travelled beforehand Successive human beings would have equally voluntarily given their love to Me, and then they just would have lived on earth to take pleasure in its creations They would only have exerted a good influence on all creations so that they, too, could embody themselves as human being. Earthly life would then have been a preliminary stage of eternal life, the opponent's power would have been broken, because the first human beings would have given themselves to Me entirely consciously and thereby would have excluded the adversary completely, who then could no longer use his power and soon would have given himself to My love as well Thus, the first people were only required to voluntarily accept My illumination again and the original sin would have been abolished, for only love was able to atone for this sin But now the sin was repeated and what previously had only applied to the constrained spiritual world in the creation now befell all of humanity

What the first people could have achieved with ease had they orientated their will correctly, now became infinitely difficult because all satanic attributes became entrenched in people and required immense strength to fight, which could no longer be mustered by people's will. Hence the act of Salvation by Jesus Christ, the spirit of light, became necessary, Who volunteered when He realised that the first people had failed, Who offered, voluntarily due to love ... to suffer and die on the cross in order to atone this now twice committed sin. I certainly knew from the start that this second fall into sin would take place but I did not want people to take such a painful path yet could not enslave people's will either. And since I know that I will regain all beings again one day since a thousand years are but a day for Me since it concerns eternal life in beatitude what you will also recognise one day (1.7.1965) you need not doubt that one day you will be free from those agonies, but then you, in utmost perfection, will also enjoy the glories which will make up for all past suffering and which cannot be compared to earthly concepts.

You should always know that I did not determine the unspeakable suffering which people thus caused for themselves since the fall into sin by the first human beings, that I truly gave the first human couple (the first human beings) every opportunity to make his/their free decision of will an easy one that I only gave him/them an easy commandment which he/they could have fulfilled ... if his/their love had been strong enough to decide to give himself/themselves to Me but that this heartfelt love would then also have seized all successive people so that they too would have been able to resist My adversary's every temptation. But the second fall happened and burdened all following people again until the divine Redeemer Jesus Christ descended to earth in order to openly fight My adversary. For he misused his power by driving people into ever further heartlessness weakening their will consistently, so that they were no longer able to liberate themselves without the act of Salvation but descended ever deeper into darkness. And I put a limit to this activity Myself I sent My Son to earth to save the people who wanted to be saved.

For, again, free will has to be willing to accept the blessings of the act of Salvation, because even this rescue mission cannot be done in opposition to people's will At first, passing through the earthly creations should

have sufficed to take the test of will as a human being, since the agony in the state of compulsion had already matured every soul enough that it could easily have resisted the temptations, but the fall of the first people gave the opponent renewed power over all souls which he exploited in a frightening manner.

It was precisely for this reason why an original spirit was chosen as the first human being, who possessed all the necessary qualities to resist the adversary, but his decision could not be forced. His thoughts and actions had to remain completely independent, and now My adversary took care to turn this will towards himself which thus resulted in the new fall, whereby the sin of the spirits' apostasy from Me was repeated. Yet this right could not be denied to My adversary, because the past fall occurred in free will and they followed him into the abyss

Thus you cannot say that I wanted the repeated fall in order to put you into a state of immense suffering again, however, I could not prevent it, because it also took place in free will and one day this free will shall surely choose Me again. You are certain to emerge from this pitiful state eventually, because My love Itself has redeemed you when it embodied Itself in the man Jesus in order to fight your enemy and to take all souls which want to return to Me into their Father's house, into their true home, which they once left voluntarily. For My love belongs to you as before and all suffering will have come to an end as soon as you want to be free from the one who still keeps you in bondage, as soon as you long for Me again and thus give Me the right to take possession of you once more in order to never let go of you again

Amen

Knowledge of the original sin is necessary in order to understand the act of Salvation

In order to acknowledge Jesus Christ as the 'Redeemer'....

You humans lack the knowledge about the first original sin, consequently you also consider Jesus Christ's act of Salvation just an atonement for your **human** guilt, indeed, you even deny His 'act of Salvation' because you believe that everyone has to pay for their guilt down to the last coin. This opinion would be understandable if it only concerned the sin you burdened yourselves with as human beings but it concerns the immense first original sin, the spirits' apostasy from Me a sin which you would never be able to atone, which thus cannot ever be denied, which is the cause of the whole of creation and the reason for My human manifestation in Jesus.

For the apostasy from Me was caused by the fact that the created beings were unable to see Me, and therefore I made Myself visible in Jesus. Anyone who merely acknowledges the past original sin by the first human beings will find it incredulous that these sins necessitated a 'Redeemer', he will always maintain that humanity could not be punished for a sin it had not committed. And therefore even the sins committed by a person as such are indeed an offence against My love but they do not recognise them in their state of darkness, which is the consequence of the immense first original sin. But this sin explains everything, and as long as people do not know about this event of the spirits' apostasy they will find it difficult to believe in the 'divine Redeemer', Who died on the cross in utmost pain and torment for the sake of this immense sin, which He had taken upon Himself in order to offer this sacrifice of atonement to Me. Consequently, every teaching which denies the divine Redeemer which thus renounces the **principle of salvation** will have to be rejected as a misguided teaching, even if His work as advocate of the divine teaching of love is emphasised. It concerns the redemption of the first original sin, which only I Myself could accomplish in the man Jesus, and therefore My human manifestation in Him will be comprehensively explained to you, for I Myself Am a Being which could not be seen by any of My living creations without ceasing to

exist.

If I thus wanted you to be able to conceive Me visibly it had to take place in the form of a being like yourselves Which, for you, was the human being Jesus. Consequently, it is first of all necessary to know about the event of the beings'apostasy from Me in order to then understand the process of creation of the visible world. Then you will also be able to understand the everlasting battle between light and darkness and the appearance of a Saviour for humanity in Jesus Christ of a non-fallen original spirit in Whom I embodied Myself, because you had no concept at all of the 'all-creative strength'. And for this reason you are able and have to acknowledge a Redeemer, Who died on the cross on behalf of everyone and Who also prayed on behalf of you humans for the remission of your sins. But it cannot be granted to you instantly, rather, you have to apply to Him yourselves because the fall happened voluntarily and thus the return to Him will also have to take place in free will. The fact that a person who seriously strives for perfection will, apart from the original sin, also be forgiven for his sins as a human being need not be doubted, hence all guilt will be forgiven and thus forgiveness is ensured. But since Jesus is only rarely recognised as Redeemer by those who accept the misguided teaching which portrays Him as a human being and ascended master and who do not want to acknowledge My human manifestation in Him, they do not ask Him for forgiveness of all their sins either. For there is only One Who can release them from their guilt, only One has the power to cancel all sins and that is Jesus, in Whom I Myself became a human being

Amen

No liberation without Jesus Christ

You need Me if you want to be liberated from your adversary You cannot free yourselves from him on your own, you need help and only one can provide it : Jesus Christ, Who has overcome the adversary by His death on the cross

I Myself was in Him, and He and I are one, thus you have to request help from Me in Jesus Christ, and you will truly receive it If you acknowledge

a God yet cannot relate this God to Jesus Christ, the divine Saviour, then your acknowledgment of God is not yet certain. Then you merely speak with your mouth, without faith in your heart, and then you walk your earthly path without Me, and you will be unable to become free from the one who opposes Me and still controls you, and whose power you cannot overcome by yourselves. Believe Me when I tell you that you need Me or you will not fulfil the purpose of your earthly life: the separation from the one whom you once followed voluntarily and the return to Me, your God and Father since eternity. I Am always willing to help you get away from him but you have to request this help from Me because your will determines whether I can liberate you, since the adversary has the same claim on you as long as you share his will, which amounts to renouncing Me.

However, your weakness as a fallen being is taken into account A human being died for you on the cross for the sake of love and mercy, Who knew of your weakness and hence also that it would be impossible for you alone to break the chains put upon you by My adversary, although it was your own fault. I embodied Myself in this human Jesus because I took pity on your weak, helpless, tormented state and because I wanted to give you the opportunity to return to Me and your original state, which is freedom and bliss for you Thus I made the sacrifice of compensation on your behalf, in a manner of speaking I Myself paid for the guilt of your past apostasy from Me in the human being Jesus, and I offered My adversary the ransom for you to set you free if you ask for it yourselves But you also have to voice this request, you have to want to come to Me, and you have to want to belong to those whose souls I have bought back from your master

You have to make use of Jesus Christ's help, you have to call to Me again in Jesus Christ, and you can certainly do so if you believe in Him, in His act of Salvation, in My human manifestation in Him Only then will you have certain faith in Me Myself, then I have become alive in you, and then you will no longer walk your earthly path without Me, but then you will also reach your goal for sure. And thus you only need to seriously question the purpose and objective of your earthly life and your true task And you only should have the sincere will not to have failed at the end of your life on this earth And if you have this will, then ask Jesus Christ for help,

the only one Who can help you because He and I are one, and when you call to Him you call to Me, and your call will not go unheeded. Anyone who genuinely wants to reach the goal of his earthly life will soon have his thoughts guided into the right direction and he will realize that there is no help without Jesus Christ But I cannot determine the innermost desire that is free I can only ever warn and remind you again, I can stimulate your thoughts but you have to act in accordance with this inner desire, and your state of maturity will be accordingly when you leave this earth

Amen

BD 5897

received 07.03.1954

Earthly life is the path but not the goal

The world was given to you for the testing of your will, i.e. you had to be placed into a sphere of activity which should stimulate you to use your will in one direction. This world cannot be avoided but has to be overcome by the person who wants to reach his goal. The final embodiment of the soul, the spiritual essence in you, as a human being on this earth is absolutely necessary because an opportunity had to be created for you to exercise your free will which, until then, had been constrained due to your past apostasy from Me. A soul trying to avoid this last embodiment will not be able to come into possession of free will, for its considerable opposition to Me would not allow for it. Only when it is willing to take the path of helpful love on earth will it receive the grace of embodiment, for this willingness testifies of its degree of maturity which is necessary for the last test of will. And every soul prior to its embodiment is indeed willing to take this final path because it can result in its total release from the form, and it has the will to become free. But it loses all recollection, it enters earth completely without knowledge and then slowly starts to develop it learns to use its will, it gets educated and taught until its will begins to make its own decisions, and then it will be offered by Me every kind of assistance to recognise what is right and good and to voluntarily also do both.

I on My part will do everything to promote a right decision of will And yet the human being maintains his freedom of will, and then the whole

of earthly life will effectively affect him like an object which he can select or reject For the human being should **experience** everything in order to reach Me in My kingdom but he should **not** get drawn into it he should not get caught up in captivity again when his final freedom beckons. Earthly life is a **path** he has to take but not the **goal** itself And if he keeps his eyes on the pinnacle then he will follow his path determinedly and without fail, but if his eyes stay glued to the ground he will only see what happens around him and risk being held fast to the ground so that his flight of ascent cannot take place He has to muster the will and the strength to liberate himself from everything he finds desirable on earth, then he will be victorious, he will travel the earthly path as a necessary final phase of his higher development and pass his test of will. His will is and shall remain directed towards Me in spite of My adversary's artful temptations, who equally fights for his soul, for his will He has become a conqueror of this world and an aspirant for My kingdom which is **not** of this world

Amen

Hereditary sin

Questions, which you would like to have answered, will have to arise in your time and again, then I can enlighten you as soon as you contact Me in heartfelt prayer and listen to what I say to you by regarding your emerging thoughts as My reply, if you are not addressed by Me **directly** through the voice of the spirit. Your desire and appeal to Me will ensure your correct thinking yet without Me you will not recognise the truth, without Me your endeavour for enlightenment will be futile, since without Me you will only have **misguided** thoughts which the powers from below will be able to convey to you precisely because you evade Me, Who is the provider of truth And thus listen to the following:

As long as you are not perfect you can only receive explanations in a **descriptive** manner You would never be able to understand the infinite profundity of divine wisdom, you would never understand the reasons for My reign and activity, since your imperfection also means inadequate power

of perception, and thus you are unable to find an explanation by virtue of your intelligence but you will be able to receive it in a flash as soon as you are permeated by the light of My love in the spiritual kingdom. On earth you will need to receive descriptive clarification, the processes that took place in My creation can only be described to you in line with your ability of comprehension And thus the spiritual processes in the hearts of the first people can only be intelligibly explained to you along the lines of earthly processes which, however, are but a faint comparison simply because you are still weak in spirit yourselves You humans are constrained by laws of nature because total freedom, which you forfeited through your past apostasy, first has to be regained by you during your earthly life For that reason I imposed a limit on the first human beings' will because I first wanted them to realise that they were **subject** to a Power and that they should voluntarily submit to this Power in order to then have their final freedom bestowed onto them. In the past they refused to acknowledge Me, which was the first sin, their opposition to Me from Whom they had originated Only voluntary acknowledgment could cancel this sin again. And I wanted to obtain this acknowledgment of Myself when I brought the whole of creation into being. As a result, the first human beings were endowed such that they **could** in fact recognise Me but were not compelled to do so And therefore free will had to make a choice which, again, should be tested against 'temptation'....

People had to see something they desired, while a prohibition and an enticement at the same time had to prompt them into a decision of will but, understandably, the enticement had to be linked to a promise, which they were then supposed to resist The prohibition and the enticement ensued from two sides since they involved the return of the fallen spirits to Me and their stay with My adversary, i.e., My created spirits achievement of their goal or their fall into the abyss again Consequently, the people had to have the desire within themselves and be offered the opportunity to satisfy this desire or to overcome it for the sake of a far higher goal: for eternal bliss with Me, which surpassed this earthly fulfilment of desire a thousand fold. Since regaining the deserted spiritual beings was a battle between Me and My adversary he also had to have the opportunity to influence these beings' will only that he feigned illusive

values and illusive happiness so that people should forfeit true happiness and a blissful life in eternity ... I knew of this temptation and therefore gave the first people a commandment with a simultaneous warning of eternal death This warning should have sufficed in stifling every desire in the people in order not to die And My adversary convinced them of the **contrary** he promised them **life** But they **recognised Me** as the supreme Power and yet followed the lie and thereby brought death into the world But what was it that made their desire so powerful that they succumbed to it?

They lived a blissful life in paradise, they were masters over all created things; everything was subject to their will and they felt happy in full possession of strength and power. And as long as this love was intended for Me and the partner there was no danger either that the test of will would fail.

But My adversary knew how to turn this love in the wrong direction He reversed it into selfish love by making false promises to them and thus kindling their desire to obtain happiness for **themselves** Their love became craving, selfish and low, and thereby they once again handed themselves over to the power of the one from whom they should and could have delivered themselves had they valued My **commandment** more than their desire.

You humans ought to understand that the time for Me to bless the first human couple had not yet come **Therefore** they became sinful for nothing is sinful that fits in with My plan of creation, nothing can be a sin that happens in lawful order and **the process of procreation** can never be **against** the order ordained by God. Yet the satisfaction of the senses without the will to bring forth life is no act of divine love, but it is selfish love kindled by My adversary which draws the human being down and totally submits him to his control The first human beings had fallen victim to this **wrong** love, and this **wrong** love was the sin, which in turn related to the original sin of arrogance which did not want to give itself but possess everything, which was the inheritance of its maker but which has nothing in common with divine love

Divine love rests as a spark in your hearts and can ignite itself into brightest radiance. But My adversary's goal was and is to reverse this love, and he

has succeeded in doing so. What was pure and divine became soiled and changed into a love of self, which no longer merits the concept of 'love' and can only be called lust, selfishness and love of self, and which is also capable of doing whatever My adversary wants you to do And thus the act of procreation became a means for My adversary to turn countless souls towards him, which would never have been possible had it taken place with My blessing where the divine love of giving and bestowing happiness should find its culmination in the emergence of a new life Hence the original sin consisted of the abandonment of pure divine love for the sake of impure selfish love

The divine spark in the human being was extinguished through satanic influence and replaced by a fire which destroyed everything that was noble and pure The senses became aroused and were driven into utmost greed, which in no way corresponded to My act of creation yet for the sake of My adversary's and My created beings' freedom of will it was not prevented since it is still up to the will of each individual person to resist this temptation by Satan The original sin was therefore not the act of procreation but the voluntarily ignited wrong and sinful love induced by Satan A happiness giving act of creation in the divine sense was reduced to a game of unclean spirits My adversary was permitted to take part in an act where I Myself wanted to be present in people with My blessing in order to increase the pure, divine love in them, so that it should also flow into the then begotten beings. And thus a new human generation would have arisen which would have found its way back to Me in increasingly brighter light without suffering and pain, which would soon have liberated itself through love, because it had to recognise Me Myself where love shines forth The first human beings could have passed this test of will but since I was struggling with My adversary for the human souls I could not prevent him from using means which would ensure his victory. For it involved My created beings' return in completely free will which, however, had failed and resulted in a fate for the whole human race from which it could not free itself anymore Until a human being in pure divine love achieved the act which redeemed all of humanity and opened the path of ascent again For love is victorious and will not rest

until even the last fallen being has found the way back to Me

Amen

Why is our past memory taken from us

If you humans would look at your earthly life as a final chapter of an infinitely long process of development, you would eagerly cover this last short stretch and spare no effort during this brief lifetime on earth to bring your higher development to successful conclusion. But since you lack the memory of your past life, since you only know for certain about this short life on earth, you do not generate any particular enthusiasm either, in fact, you are rather indifferent to what is yet to come, you spend little thought on what awaits you after your earthly life. But you have to go through life without past memory as not to be influenced in your will, thoughts and actions. If, however, you were able to take just a small glimpse into your past life you would be horrified and unable to continue living or, driven by extreme fear, you would do whatever is demanded of you only to avoid this appalling fate and to be liberated from every physical form.

Thus, I would indeed have the power to prompt you into a way of life which corresponds to My will if I allowed you to take this retrospect. But My love for you is greater and wants to prepare unlimited happiness for you which, however, excludes all coercion of will In order to be eternally, blissfully happy you have to live completely voluntarily in accordance with My will, i.e. in accordance with eternal order You should realise that it is an act of mercy and a labour of love on My part that I removed your past memory partly to spare you the knowledge of a surmounted earthly life, and partly to enable you to reach unlimited beatitude But I do not leave you without knowledge, even if this knowledge is not verifiable. Thus you will know of your previous state but it does not burden you unduly because you have overcome it. Yet the knowledge could encourage you to increased spiritual endeavour which, nevertheless, proceeds in total freedom of will and therefore results in utmost blessing for you

And therefore I can only ever tell you: don't reject anything but take everything into consideration that informs you about the purpose and goal

of your earthly life, and also take the information of your past embodiment into consideration. Think about it, and always live your earthly life such that you can justify it to yourselves and need not fear an accountability before Me either. But believe that your earthly life is not pointless and that it has a different purpose than the mere preservation and satisfaction of your body, which is transient and whose lifespan you cannot determine yourselves. And if you are unwilling to accept additional information, if you don't want to accept what is 'not provable' then at least hold fast to the 'Word of God', for as soon as you listen to it with faithful sincerity it can also kindle a small light in you, and much will turn out to be comprehensible and believable to you which cannot be proven to you either. Just try to establish contact with the spiritual kingdom in some form or other, be it in thought or through your will for your Creator, or through labours of love, which are an absolutely certain bond with Me Myself

And you will discover secrets which will unveil themselves to you in order to help you travel the last short path of your development successfully But don't just live indifferently, don't just let your corporal wishes dominate your every thought, for I created much around you which could stimulate you to think You are surrounded by all kinds of miracles which are the products of My love and My might, which should give you evidence of Me Myself And then try to establish the relationship with the One Who reveals Himself to you in creation Then you will be saved from the appalling fate of having to go through all these creations again. And you will be liberated from the form and able to enter the blissful kingdom of spirits, where you will live in freedom and light, in beatitude

Amen

The spiritual and material worlds oppose each other

The material world and the spiritual kingdom oppose each other, consequently their demands on the human being are also of a conflicting nature, and no human being can ever do justice to both but unconditionally has to meet the requirements of one world. Understandably, the spiritual kingdom can only give spiritual wealth and this under conditions which disagree

with worldly longings, while the world offers human beings earthly wealth which meets their needs. However, worldly longing is in opposition to the demands of the spiritual kingdom insofar as it puts physical pleasures and physical well-being into the forefront and aggravates or makes it entirely impossible for the soul to strive for the spiritual kingdom because the soul has to fulfil the demands of the spiritual kingdom and persuade the body to share the same desire which, however, necessitates the surrender of earthly longings. Thus two worlds are facing each other and the human being has to decide which world to choose. And at all times one world will demand the rejection of the other world, at all times either the body or the soul has to speak, to be precise, the soul has to decide whether its own development is more important than the body's well-being during its life on earth as a human being. The spiritual kingdom bestows the most delightful gifts upon the soul and although as human being it cannot understand their true value they are nevertheless eternal and denote a wealth which the soul will be able to use in the spiritual kingdom for its own happiness.

The world also offers treasures for the body but these are short-lived and cannot be taken across into the spiritual kingdom. They will disintegrate like the body disintegrates when the soul moves from the physical world into the spiritual kingdom. And since the soul on earth can only receive from one kingdom it will be poor in the spiritual kingdom if it has only paid homage to the world. Voluntary surrender of earthly goods inevitably results in the possession of spiritual wealth because the soul only abandons the former due to love, or the desire for earthly goods will be predominant. And where love has awakened, the soul will unconsciously strive towards the spiritual kingdom and disregards earthly wealth. And thus the human soul has to decide during its life on earth whether to make the earthly world or the spiritual kingdom the goal of its aspiration. And its fate in the spiritual kingdom, to where it will proceed after its time of earthly trial has come to an end, will depend on this decision Prosperity or poverty, bliss or a pitiful state but bliss will necessitate the surrender of everything that is earthly and thus temporary

Amen

Why is the information about the process of return not known?

If only you would always take the path to Me, you will be helped in every adversity and distress, be it spiritually or earthly you will be looked after such that it will benefit your soul, for only pure truth is beneficial. I have not imposed any restrictions on you, and if you want to increase your spiritual knowledge I shall always be willing to instruct you:

You want to know why information is revealed to you now of which you had little or no knowledge so far I want to give you the reason for this: time and again there have been people whose spiritual state enabled them to be introduced to the most profound mysteries of creation, and who thus also knew about the very first beginning of creation, about the apostasy from Me and about My eternal plan of Salvation. But such knowledge could never be passed on to other people as long as their state of maturity was lower than those who had received it from Me Its profundity would never have been understood, and had people merely adopted it literally their intellect would have caused them to reject it as the fantasy of a dreamer, since an unenlightened spirit would not have been able to grasp it And so, at the time of My life on earth people still had a very low spiritual level too, because they were still completely under the control of My adversary, who had been the cause of the immense spiritual darkness

Consequently, there were only a few people whom I could instruct about such mysteries of creation, and even they had difficulty in understanding it because they were still burdened by the original sin and this meant that their power of perception was inadequate. They certainly questioned Me time and again but I could only refer them to the enlightenment of their spirit after My crucifixion, after the act of Salvation, which lifted the dense darkness from those who loved Me. Hence they gradually came to understand what I had taught them but they would not have been able to pass the knowledge on for the very reason that their fellow human beings, whose spirit was not yet awakened, would not have been able to comprehend it Since this knowledge i.e. the enlightened spirit was only the result of a right way of life, of the fulfilment of the commandments

of love which I had taught people as a matter of priority, people first had to be motivated to fulfil My commandments of love

Furthermore, you should also know that I gave My disciples the task to write everything down for future generations For even they were still unable to understand the most profound wisdom and therefore only adhered to My instruction to proclaim what I had said to the people who followed Me, who regarded Me as a prophet and expected miracles or the healing of their every afflictions from Me, who drew comfort and strength from My Words, and whose faith in the one and only God I was able to strengthen because they were of good will But there were only a few who wanted to learn more, and they were more motivated by their intellect than their heart to ask about things which only I was able to answer They certainly accepted the explanations but they did not leave a deeper impression on them apart from a few whose hearts were very willing to love and who recognised Me as their God and Creator

The fact that they were initiated by Me and very happy about such knowledge need not be mentioned, but it always just remained pleasing spiritual knowledge for those followers whom I instructed Myself, however, it did not get passed on to their fellow human beings or their descendants, since they were unable to understand it and therefore such discussions were not mentioned by My disciples either. Besides, such knowledge about the very first beginning and ultimate goal of all creation was not necessary for people and indeed not always beneficial. Had they been informed of it as dogma it could have, to some extent, compelled people's will, who if they had faith would have considered their development until the human stage with shudder and would have felt unfree or unable to muster love for a God Whose plan would have been totally incomprehensible to them But where it was possible for Me to transmit divine revelations to earth this knowledge was given to people as well

And the proximity of the end explains why clear information about this is always given, because people cannot be reminded strongly enough of their responsibility now, for the act of a new banishment is at stake, which only takes place at the end of a Salvation period and is extremely significant for all ascending souls Prior to this, souls who had failed to reach maturity on earth still had the opportunity in the kingdom of the beyond to reach

full maturity But at the end of a period of Salvation this opportunity no longer exists, then the most appalling event occurs that the souls will be disintegrated into individual particles and be banished into hard matter again What would now be more reasonable than that I inform you humans about the fate that will await you if you fail?

You are also able to pass your test of earthly life without any knowledge if you lived with love But when love has grown cold, so that failure is inevitable and the souls'fate is sealed with a new banishment, then I will use any means beforehand in order to disturb humanity. Then I will also make sure that people receive the information about the great plan of creation even though the success is no other than that people will listen with incredulity to such information and far more reject than accept it.

But I also know the will of individual people, and therefore I also know who will not reject this knowledge and who will draw the consequences from it and truly, they will receive it from Me, just as I have always guided those into truth, into profound spiritual knowledge, who desired it in their hearts and through a life of love were also receptive for it For you should also recognise a God of love, wisdom and might in every happening that you experience, and you should trust Me and always call upon My help, because the hardship will still be considerable before the end, yet anyone who perseveres will be blessed

Amen

Implementation of the plan of Salvation

My plan of Salvation is so clearly presented to you that you will also be able to recognise My infinite love therein, that you need not doubt a God of love even when you have to include the final work of destruction in the plan of Salvation.

Could I ever do anything that is not motivated by My Love? But you humans are unable to assess everything, and yet My eternal plan of Salvation should explain to you what your intellect would rather refuse to accept. Only My infinite love determines Me to implement the plan of Salvation,

which My wisdom recognised to be right and which will be carried out by My omnipotence at the predetermined time. And you humans should not believe that you can change My decision ... for it no longer concerns the sole deliverance of humanity, but a phase of development for all spiritual substances will start again, which will lead into a new period of Salvation

It concerns the reintegration of all spiritual substances and a separation of the spirits which have already acquired self-awareness and which consequently will also be placed to where they belong in relation to their maturity. In the course of a period of Salvation there have always been short periods of time when I had to intervene in the form of various kinds of judgments Time and again people have been warned and admonished, and depending on their willingness to improve, these judgments could be deferred or cancelled. Time and again My love intervened and tried to guide people onto the right path before My justice expressed itself But the duration of a Salvation period is limited, and it would truly have sufficed to redeem the souls completely had people's will used it for this purpose. Yet one day even this limited time will come to an end, and the constrained spiritual substances in the creations will have to be considered again, which must and want to take the same path of development in order to get released from the form sooner or later.

For My love also applies to these still constrained spiritual substances My plan of Salvation includes all once-fallen spirits And this is what you humans have to remember when this plan of Salvation seems to you incomprehensible and not compatible with My love. A reintegration of all spiritual substances has become necessary and humanity, too, has reached a spiritual low which demands an end, a disintegration of the creation and of those people who have not found the way to Me and will not find it anymore either Therefore you should believe that I in My wisdom recognise and have recognised this since eternity, that I knew the human beings' will and state of maturity in the last days and correspondingly established My plan of Salvation, which will now truly be implemented when the time has come. Every day is still a blessing, since it can be used for the return to the Father. Every day can still help the soul to mature, and therefore you should even now recognise every day as a gift of grace and be thankful

for My love, which will certainly help you until the end, until the last day has arrived But that it will arrive is certainly true, for My Word is and remains eternal truth

Amen
