False Prophets - How can we recognize false prophets?

Satan in a garment of light
The lying spirit and its instruments
The voice of God

A selection of Revelations from God,
received through the 'Inner Word'
by Bertha Dudde

False Prophets - How can we recognize false prophets?

This booklet contains a selection of Divine Revelations, received through the Inner Word by Bertha Dudde as promised by John 14.21: ``Whoever has My commands and obeys them, he is the one who loves Me. He who loves Me will be loved by My Father, and I too will love him and show Myself to him."

* * * * *

The revelations are non-denominational, they do not intend to attract members of any Christian religious affiliation nor to recruit members into any Christian religious affiliation.
The only purpose of these revelations is to make God's Word accessible to all people, as it is God's Will.

Only complete and unaltered messages with references may be copied and translated.

Why do people so easily fall prey to error?

Truth

It is indeed difficult for you, My servants on earth, to assert yourselves against misconceptions, for everything that comes from the adversary will also be endorsed by him, and he will support those who are of service to him in every way by spreading error and plunging people into ever greater darkness. His worst action, however, rests in the fact that he makes them believe that they are working for Me. And thus you will also understand when it is said that he will appear in the garment of an angel of light, and you will equally understand that truth and error are often close together that the same seemingly takes place and yet it is entirely the opposite, concerning its content as well as its effect. And you will raise the question as to why I allow this to happen, since I, after all, love My living creations and would like to lead them into beatitude You will raise the objection that all human beings strive for happiness and yet can be misled by the adversary and the enemy of their souls. And again, there is only one answer to this, namely, that every person need only establish heartfelt contact with Me and sincerely appeal to Me to protect him from error Then he would also brightly and clearly recognise the error But what causes the adversary to have such a large following why do people allow themselves to be caught up in a misconception without opposing it? They are indifferent to the truth, they don't deliberate enough on what their fellow human beings tell them, they don't have the desire for the bright light of realisation to be kindled in them And this is because their nature is not yet controlled by love, because they are still too attached to the world and fail to live up to My commandments of love for God and their neighbour, otherwise they would be brightly enlightened and permeated by the desire for truth. They certainly acknowledge the fact that people are required to lead a spiritual

life and therefore join this or that school of thought, they allow leaders to push them into this or that direction of thought and do not sufficiently reflect on it themselves because they have not yet found a heartfelt bond with Me which is the result of a life of love

The whole explanation only rests in the individual person's degree of love as to whether and why the human being falls prey to error. Equally, however, the person whose way of life is a life of love will just as surely know the truth And I can only convey the pure truth to earth by way of actively loving people, so that it is always possible to gain possession of the truth, because this is guaranteed by the love within a person's heart. And this, too, is known by My adversary, consequently he tries to distort the concept of love He stops people from correctly realising what they should do in order to gain My love He stops people from carrying out unselfish deeds of love and thereby also from attaining inner enlightenment. He will always know how to nourish a person's selfish love, and for that time the latter will remain in spiritual darkness and think wrongly, for he will be receptive to many currents of thought which originate from the adversary. The human being, however, has free will If he seriously wants to know the truth it will also be imparted to him with certainty However, if a person only relies on that which is supplied to him by another fellow human being without actually experiencing the burning desire to learn the pure truth from his God and Creator himself, then he will neither recognise error nor defend himself against it and My adversary will have succeeded in his work of increasing the darkness; this will become particularly evident at the end of an earthly period so as not to lose his followers who, however, would recognise his true nature and renounce him if they knew the truth. Everyone who reaches out with pleading hands in order to accept the truth from Me will also be able to receive it in abundance, and the truth will indeed make him very happy. Even so, I cannot prevent My adversary's activity since he is entitled to fight for his followers. And no matter how apprehensible his methods are the human being need not succumb to him because he always has strength at his disposal and because he need only turn to Me Myself in order to be protected from his influence. And truly, My Word is being conveyed to earth as a brightly shining light which can also be recognised by all people as truth However, anyone who is

still so entrenched in selfish love will also be instilled by My adversary with the belief that he lives on earth as an elevated spirit, and this misguided point of view entails that the human being also keeps himself closed to every emanation of light which originates from Me directly. And yet the person believes to be of service to Me and is nevertheless not aware of My will which requires him to hand himself over to Me completely in order to then be permeated by Me with the light of truth, in order to enable Me Myself to address him, Who undeniably needs servants on earth but only those who have completely entered into My will and are therefore able to work on earth on My behalf

Amen

Examination of spiritual 'receptions'...

I want to send My Word to all places, I want all people to be informed of it and I will also lead all those to you to whom you shall impart My Word. I will pour My spirit upon all flesh and choose the right vessels for Myself far and wide which I will be able to instruct mentally or even through the inner Word because it is essential to inform people of My will and their earthly task. And thus I work everywhere because the last days before the end will require extraordinary help. And time and again I say to you that I speak to you directly or indirectly through My messengers of light who receive My Word from Me and pass it on to those of you who allow the flow of spirit to enter you. In the latter instance My Word, which is given to these messengers of light by Me, will also be recognisable by the style of the Word Yet it will always be the pure truth from Me, because the messengers of light merely comply with My will and will not pass on anything other than truth to those of you who sincerely desire the truth. Nevertheless, you should always check it and, at all times, bear in mind that My adversary, too, wants to express himself in the last days and that he will present himself as an angel of light you should always remember that I have warned you about false Christ's and false prophets For they, too, wreak havoc on earth and intend to confuse people. And you will always be able to carry out this examination by appealing for My support and by

taking My Word into consideration: that every spirit which professes that Jesus Christ came in the flesh can also be regarded to have been called by Me But attention always has to be paid to the fact that this embodiment in the flesh has to be explained to you For in order to deceive you an evil spirit can use the same words too, since it knows them well yet it will be incapable of explaining them.

Similarly, immature spirits which are as yet unenlightened but bear no ill intentions may also want to express themselves and thus pass on what they remember from earthly life. These should not to be acknowledged as teachers And, again, the recipient's attitude is decisive as to whether such immature beings will be able to express themselves or whether the sincere will for truth will prevent them from carrying out their intentions. In the same way as preachers exist on earth who only use what they know as subject matter for their sermons without, however, being spiritually enlightened and yet they need not be bad so beings express themselves in the beyond which had also once performed this ministry on earth and then continued their instructions in the beyond. And as long as they pass themselves off as otherworldly teachers they will be listened to or rejected depending on the person they try to educate. But since these beings in the beyond don't know that God and Jesus are one and only ever see the 'human being' in Jesus Who perfected Himself on earth but neither do they know what this 'perfection' implies they avail themselves of His **human name** in order to make their instructions credible For they lack the full realisation of this great sin otherwise they truly would not commit it They still intend to lead people into the 'heavenly kingdom' just as they planned to do on earth during their work as preachers. This is why their reports from the spiritual kingdom will also give people the impression that they are perfect spirits from higher spheres The spiritually awakened person, however, can sense that I Am not and cannot be the source of this spiritual knowledge, because My divinity in Jesus is not clearly emphasised, but this shall always be made comprehensible through My Word since Jesus Christ's act of Salvation will only be understood and acknowledged if you humans receive truthful clarification about it. You can never be advised often enough to constantly enter into heartfelt contact with Me and to pray to Me in spirit and in truth, so that everything is excluded

which is misguided or incomprehensible to you and does not benefit your soul but is more likely to cause it damage For My adversary, by using shadows, eagerly tries to darken the light which shines brightly wherever the will for truth prevails and where he himself is therefore unable to lead people astray Yet whenever you are unsure, ask Me and I will always grant you illumination and, time and again, give you the evidence of My love which will lead all of you to the light so that you will be able to become blissfully happy

Amen

The adversary's activity in the garment of an angel of light

The influences of God's adversary will not escape your notice, you can all become aware of it and therefore also respond to it according to your will. You can resist this influence but also succumb to it, you are at liberty to do both, it just requires your activity of will to think about it and form your own opinion. The fact that God's adversary will be particularly active during the last days, that he will leave no stone unturned in order to control the human being's soul can be noticed by all of you, for the abominable deeds being carried out on earth in every area will not escape your notice, and they all can be traced back to the adversary, who influences people and more often than not also achieves his goal. Far more people succumb to his influence than those who resist him, who are able to see through him and turn away from him. For he also knows how to disguise himself and thus also deceive many people who don't want to belong to him, for he disguises himself with the garment of an angel of light and thus carries out his fraudulent dealings to which many fall prey. Nevertheless it is up to every individual person himself to obtain illumination and not succumb to his intrigues. However, where profound darkness is enshrouding people already they will also remain in darkness, because they are comfortable there and don't desire light. And this explains why God's adversary can especially continue his work of confusion where people's thinking is already confused where therefore the best foundations exist to spread ever greater misconceptions,

because people make no effort to clarify them and also unhesitatingly swallow even the biggest error as truth.

During the time of the end the battle between light and darkness is indeed waged particularly vehemently, but the darkness is already too profound, people don't long to come out of it, they feel comfortable in darkness, and the bearers of light will only rarely find access to their areas. And because the light does not penetrate by force, error cannot be forcibly expelled from the world either Only people's resolve can achieve this, and this is failing For as soon as just a tiny light flares up in a dark area God's adversary also ignites his deceptive lights, and they are seen and acknowledged, and yet they only achieve blinding the eye completely so that the night around people grows increasingly darker and the faint glow of God's love and light can no longer be recognised. And as long as people do not wholeheartedly yearn for light, for truth, for the ray of divine love, the adversary will be able to work among people without being recognised, and his activity will consist of distancing people ever more from the truth, of camouflaging his structure of falsehood and of covering himself with a garment of an angel of light For it is the time of the end in which he has great power but which can be broken by every single person if he turns to God Himself and hands himself over to Him if he appeals to Him for light and strength and mercy. Then he will truly have escaped the adversary's trap, and then he will also receive light which will make him inconceivably happy

Amen

True and false prophets

No matter what is done to displace the truth, it will nevertheless prevail, even though misconceptions will claim countless victims. Yet anyone with serious intentions will find the truth, he will also clearly recognise misconception as such, and it will be of no further danger to him. The fact that people generally fall prey to error is understandable, since error always promises certain advantages to a person, be they of a spiritual or an earthly nature And people are always interested in gaining advantages, they do not love truth for the sake of truth, it always has to involve a benefit for

them, only then are they willing to accept it. Pure truth, however, presents everything clearly and openly and can also result in a person's disadvantage if the world, his earthly well-being, still means too much to him. For this reason it often meets with little approval, this is why the human being rather accepts error than truth, since he always hopes to gain a certain advantage, because error is more inclined to comply with his wishes.

And thus people don't want to know or hear about a destruction of earth, of an end of all life and creations on earth

And what they are now offered under the cover of truth, what is still giving them a small ray of hope that the end is avoidable, will be accepted by them and they rather support this than the pure truth which, after all, would make them feel committed to prepare themselves for a definite end There will always be prophets who proclaim the end on behalf of God. There will also be those who speak on behalf of his adversary who, being false prophets, will try to invalidate those proclamations, who make promises to people but do not draw their attention to the certain end and instead try to make out that it can be avoided. And again, these prophets will meet with greater approval because people don't want an end to come, thus they rather accept teachings which promise them an advantage

Completely ignorant people will find it difficult to differentiate between lies and truth. But a person who has already been initiated into spiritual knowledge need only question, as a criterion of truth and fallacy, the purpose of a doctrine what it aims to achieve If it wants to impart more knowledge to a person, if it wants to achieve the improvement of his character, if it helps him to detach himself from matter, then it is of divine origin and has to be valued as truth. If, however, it intends to create a better earthly living standard, which often takes place under the guise of piety, the teaching can be unhesitatingly rejected as misguided and having originated from God's adversary.

But during the last days many false prophets will come forward on his behalf, because neither the adversary nor his followers want to admit to an end. And thus, even people who consider an end will be fooled by him again. He will plunge them into confusion, he will argue the proclamations of true prophets with proclamations of false prophets, since during the last days the darkness will steadily intensify and anyone in possession of light

should protect it from getting extinguished, which can be done if his love for truth is strong, if he just holds on to God and His Word.

But anyone who is not content with the soft light of God's love will search for deceptive lights and won't take care of the small light which glows in the darkness of night And then it can be easily extinguished by God's adversary, and his deception was successful. He himself appeared as an angel of light and found his victims: The world and the desire for it have triumphed. People rather listen to what he has to say because it casts doubt on an end of the earth, on the end of the old and the beginning of a new era, thus it makes people believe that they are in control of it themselves. They recognise this advantage, and the mere fact that he makes people believe that they can delay or avert the implementation of God's plan of Salvation identifies Satan's activity However, this activity is also part of the visible indication of the end, and he will undertake many more attacks against the truth, and he will get especially busy where he finds no resistance due to an absolute desire for truth Because that is where the lie is not recognised, and where he has an easy game. But he will not be able to deceive those who work for God and on His behalf, for they are enlightened by His spirit and will always be able to differentiate between truth and error

Amen

BD 6728

A teacher's duty: to examine teaching material

It is a great responsibility to offer people spiritual information as long as it is doubtful whether it corresponds to the truth. Hence anyone, who believes that he is called to educate his fellow human beings, first has to arrive at the inner conviction that his teaching material is the pure truth. But he can only gain this inner conviction if he forms his own opinion first, if he seriously examines his acquired knowledge And, again, these examinations have to be conducted with My support, he must sincerely ask Me to enlighten his spirit, to guide his thoughts correctly, to protect him from misguided reasoning Only then will he be able to differentiate between truth and error, and only then is he a true servant to Me, a true messenger of My Word, who will now be able to work for the benefit of people on earth.

But anyone who unhesitatingly passes on spiritual knowledge which he has equally unhesitatingly accepted, is not in the right position. He is no messenger of My Word because he is not in My service but serves someone else, and his activity on earth cannot be blessed, for he acts irresponsibly towards his fellow human beings by leading them into error but asking them to believe him.

Everyone will now raise the objection that he believes to be true what he is teaching or spreading But it did not even occur to him that he, too, could have been given the wrong information And that in itself is blatant carelessness, it is a sin of omission, because he did not think about his spiritual information seriously enough When someone wants to work for Me then it is not unknown to him that I have an opponent It is not unknown to him that light and darkness oppose each other Thus he knows that the opponent's work intends to darken the light, he knows, that he spreads error in order to refute the truth Consequently he has to guard himself from being taken in by error and to request My protection from My adversary's activity, from accepting misconceptions And if he is serious, then I will draw his thoughts' attention to misguided knowledge and he can be certain that his thinking will clarify itself. For I will leave no human being's thoughts in error who prays to Me for truth.

But anyone who refrains from the latter and yet believes to dwell in truth, is mistaken Then he has to come to terms with his wrong information himself, but it is irresponsible to pass this information on, and therefore such a person burdens himself with much guilt, even though his listeners, too, have to do the same when they are instructed: to first ask Me Myself for truth and for enlightenment of thought in order to recognise it as truth

You humans examine every commodity for its value and thus you should also examine spiritual information and not accept it thoughtlessly and without hesitation. Something that does not correspond to truth will only be detrimental to you, it will never benefit your soul because it can only reach its goal through truth. Anyone who wants to be a teacher to his fellow human beings, first has to acquaint himself with what he wants to offer them, and he may and should only pass it on when he is sure of his teaching material, when he himself is convinced that it is the truth.

And this conviction cannot be imparted to him academically, but he has to acquire it himself He has to desire the pure truth and turn to the Eternal Truth himself so that it can be bestowed on him Heartfelt contact with Me needs to be established in advance, but then he can confidently act as My representative, for he will only ever teach the truth when he wants to bring Me closer to his fellow human beings, and his work will be blessed

Amen

BD 5861

received 24.01.1954

False Christ's and false prophets

And I keep telling you: The signs and miracles from My adversary's as well as from My servants' side on earth will increase, for many false Christ's and prophets will arise on behalf of the prince of darkness in order to refute the teachings of My rightful servants in order to cast doubt on their miracles and prophecies and to plunge people into ever greater darkness Yet the false prophets' miracles will only aim to increase earthly power and wealth, they will not perform deeds of love. Works will develop which are claimed to have been accomplished with supernatural strength, although they can only be described as an accumulation of material goods, thus they also betray the one who is lord over matter True miracles, however, are works of compassion for suffering and frail humanity True miracles are obvious effects of strength from above And true miracles can only be performed by those who work as rightful messengers of My Word on earth, who profess Me and My name before the world and try to awaken and revive the belief in Me Those who proclaim to people in My name what is about to happen to them are indeed true prophets. And I have chosen them because they combine the proclamation of the Word with evidence of the strength of faith in order to make people aware which strength and which spirit works through My representatives For many false prophets will arise in the end and try to confuse people by performing miracles My adversary will use the same methods, and he will find it easy to mislead people because he does not announce a decline but only ever promises earthly good living standards and earthly progress.

And his miracles will consist of emphasising this earthly progress, since his miracles will be humanly fascinating material developments and because his prophesy will be of a future of affluence, honour and earthly success, a world of economic development and earthly perfection. Every such prophesy receives attention, thereby diverting humanity's attention ever further from what is genuine and true, which is proclaimed to them by My representatives on earth that people are approaching the end, that no amount of material possessions can save them from the downfall they will indisputably approach if they do not believe My Words but rather believe those who are influenced by the prince of darkness who indeed also perform miracles with his strength who are powerful on earth because they have subjected themselves to him, but whose works can always be recognised For they do not express love, no help for needy fellow human beings can be recognised therein, even though they also use My Words, even though they hide behind My name in order to be accepted as true prophets Where love does not prevail My spirit cannot be found, and neither will there be miracles performed nor prophetic Words spoken, but My adversary's activity will be clearly noticeable who, in the last days, will try anything to disperse My small flock and gain it for himself The time of the end has come, therefore take notice of everything I tell you so that you will learn to differentiate between genuine and false, between light and works of deception, between truth and untruth so that you will not fall into the hands of the one who wants to corrupt you

Amen

BD 4794

received 07.12.1949

Leaders'and teachers'way of life is decisive for truth

It is of utmost importance for you humans to be informed of the truth and that you therefore join a school of thought which upholds the truth, whose leaders and teachers are educated by God and thus enable the working of the spirit within themselves. And by the way of life of those who claim to be the representatives of the truth from God you will always be able to recognise the degree of truth, and thus you will at all times know how much value can be ascribed to their teachings. Therefore you

should first pay attention to the attitude the leaders and teachers of a school of thought have towards the divine commandments, towards the commandment of love for God and their neighbour. Don't let their speeches alone deceive you, whether they put into practise what they teach is the only crucial factor and places people into the service of God. For a way of life according to God's will makes the human being an aspirant for the spiritual kingdom and therefore he will think correctly, for a person who fulfils God's commandments recognises the truth and his power of judgment is considerably enhanced through the enlightenment of his spirit, which becomes effective as a result of his loving activity. A person whose way of life corresponds to God's will can always be believed, and if he then endorses a specific school of thought he will also work for God and His kingdom, because God will never let a person become guilty of a lie if he strives towards Him and wants to advocate the truth.

The human being's will always has priority, and accordingly God will take care of him or He will turn away from him. The right will, however, is full of humility and obedience towards God; hence he will never try to stand out, that is, he will not want to achieve earthly advantages or honour and fame, no reputation or high office, he will only quietly and modestly serve God and for the sake of truth endorse the truth because he feels that only truth leads to God and due to his love for his fellow human beings he would like to lead them to God as well. The teachers themselves have to be educated by God Yet only love will gain them this extraordinary privilege, and therefore a person has to have love if his spiritual knowledge is to be acknowledged as truth, as directly received knowledge from God. Consequently, where you humans cannot detect love in a servant of God you should also reject his spiritual information, for it is not from above, it is Satan's work of deception who, under cover of piety, tries to spread error and will always find good ground where love is missing. Test it and appeal to God for help to make the right judgment, yet do not accept without scrutiny if you don't have the guarantee that the Word of God is imparted to you directly from above. Test all things you are offered, by appealing to God, and keep what is good This is God's will so that His spirit shall become active in you

Amen

False Christ's and prophets

When I lived on earth I warned you about false Christ's and false prophets, for I knew how My adversary would work against Me and the truth from Me And now My warning will always apply to you, too, so that you will not fall prey to these false Christ's and prophets However, when false Christ's and prophets are spoken of then genuine ones will also have to exist, and therefore you humans cannot discard everything you are offered by Me when I reveal Myself through the words of true prophets because I consider it necessary that pure truth should be conveyed to you. And you cannot reject the said wrong spiritual information simultaneously with that which is genuine, for I will reveal Myself through people who possess all the requirements in order to be addressed by Me Myself until the end and who then, as My true servants, will carry out their mission by distributing the spiritual knowledge they received from Me Myself throughout the world. How else should the truth be conveyed to earth since I Am unable to audibly address humanity from above due to their freedom of will? You all have the right as well as the duty to scrutinise what is presented to you as truth, and you will also be capable of doing so if you appeal to Me Myself, as the Eternal Truth, for support And by merely being of good will you shall indeed also be able to distinguish the truth from error

Besides, I Myself indicated to you that you will receive information about Jesus Christ and His act of Salvation And thus you can believe every spirit who provides you with this information. People should therefore not bypass Jesus Christ, they should learn to understand the act of Salvation and know what forms the basis of this act of Salvation and the fact that I embodied Myself in the man Jesus And since this knowledge is extremely necessary are people to reach their goal, I will also provide them with truthful explanations, which thus happens through the revelations which I Myself convey to earth by way of suitable instruments who are capable of receiving direct revelations But these revelations should never be put on an equal footing with messages from the spiritual kingdom which are psychically imparted to people

You must learn to differentiate between `God's working within the human

being through His spirit and a 'working of spirits'.... messages, which are conveyed to you humans and whose origin you cannot establish And anyone who seriously looks into this will be told by his heart who speaks to him But you must carry out a serious inspection **before** you form a judgment For you cannot portray Me Myself as a liar since during My life on earth I Myself have promised you the working of My spirit I Myself assured you that 'I will send you the comforter, the spirit of truth, which will guide you into all truth' 'Whoever has My commands and obeys them, he is the one who will be loved by Me, and I will reveal Myself to him' 'You shall all be taught by God' 'He that believeth in Me, as the Scripture hath said, out of his belly shall flow rivers of living water'

And if I consider it necessary that the truth shall be imparted to people because they walk along in spiritual darkness then you will really not be able to stop Me And I will enlighten you about all correlations, about My eternal plan of Salvation and the beginning and ultimate goal of everything in existence But I will also inform you about the many misguided teachings brought into the world by My adversary in order to keep people in spiritual darkness and which I will correct time and again for I have said 'Heaven and earth shall pass away: but My Word shall not pass away' And My Word can only ever be understood to be the pure truth However, since all spiritual knowledge coming forth from Me will always be distorted by imperfect human beings again, which I do not prevent due to their free will, I shall also take care that the truth will always be conveyed to people again I Myself spoke the Words 'My spirit will guide you into all truth' But I had brought you the truth Would the 'guidance into truth' have been necessary had I not foreseen that the truth would not remain pure?! And thus you can indeed give credence to the direct revelations from above if they come forth from Me, which you, in turn, can recognise by the fact that My human manifestation in Jesus Christ is mentioned time and again And then you will also know My Word 'Though your sins be as scarlet, they shall be as white as snow'

For this is why I sacrificed My life on the cross; this is why I took the most bitter suffering and agonies upon Myself because I wanted to redeem the guilt on your behalf, so that you will become free of it as soon as you acknowledge My act of Salvation and appeal to Me for forgiveness of your

guilt Yet My eternal plan of Salvation is not based on human intellectual thought, on human logic, for I have infinite means at My disposal in order to accomplish the final goal, the return of all once fallen beings to Me I will never divert from My law of eternal order on which My plan of Salvation is based And had My act of Salvation in Jesus not been accomplished even a thousand lives on earth would not suffice in order to redeem or atone for the guilt And this is why I Myself descended to earth in order to deliver humanity from My adversary's control And anyone who does not lay claim to the blessings of the act of Salvation, whose earthly life will not result in deliverance from profound spiritual hardship ... anyone who does not accept the help offered to him in the spiritual kingdom either and allows himself to be led to Jesus Christ, will have to repeat the process through all creation, in which case you humans can rightfully speak of a re-incarnation on earth which will happen again sooner or later after an infinitely long period of time when the soul will once again have to pass its test of will as a human being on earth For one thing is certain, that My righteousness also demands an atonement for every offence against Me but that I also know in which way this atonement can be rendered if the guilt of sin is not consciously carried under the cross

Amen

BD 8077

received 11.01.1962

God's Spirit does not contradict Itself

You can safely advocate My Word as the pure truth and I will guide your thoughts such that you will always recognise where My adversary pushes forward, intending to confuse people's thinking. After all, I gave you the pure truth so that people shall gain access to it. And anyone who can receive this truth from Me directly will also be qualified to work as a teacher and will always be able to refute every objection posed to him by his fellow human beings. It is My will that the truth shall penetrate, that there shall be light, that the darkness shall be dispelled, that is, that people will learn to think correctly. However, since this requires people's free will it is not easy to counteract error. It is the human being's own responsibility as to

whether he lives in truth or in error, since from My side he will truly be given light which he only needs to accept if he seriously wants to achieve maturity of soul And thus you shall receive the assertion that you need never fear that My spirit will contradict itself. Whether or not it is My spirit which expresses itself can easily be established by anyone who sincerely wants the truth For he will also receive the ability to differentiate from Me and he will feel himself addressed by Me. Nevertheless, he must accept My Word with his heart and not only with his intellect. A biased person attempting an examination is no longer able to form a correct opinion for his intellect will prevail and drown out the emotions of his heart I, however, Am only able to speak to a person through his heart. Therefore, open your hearts if you want Me to speak to you, be it directly or through My servants' impartation Want to be addressed by Me and, truly, your thinking will be enlightened, you will understand what was previously incomprehensible to you, you will also be able to make clear judgments, and you will be happy to hear your Father's voice Who wants to speak to all His children who merely desire to hear Him

Amen

BD 7584

received 23.04.1960

Serious examination of spiritual knowledge with God's support

No person is denied the right to draw his own conclusions, but he should also know that intellect alone is no guarantee for correct thinking, irrespective of how keenly developed it is. This, in particular, applies to the assessment of spiritual knowledge for which no evidence can be produced. Whether or not such knowledge is truth can be assessed by a person as soon as he turns to God Himself for enlightened thinking otherwise he would be unable to examine it or form a correct judgment. But every person also has the right to reject what he cannot accept, providing he is of good will and examines it without bias. He should not blindly believe, he should think about what he is expected to believe, and he should pray for God's support to do so, he should know that the spirit within instructs him. This also demonstrates the right kind of desire for truth, and thus the truth will be given to him and he will also be able to recognise it as truth. For much

is given to people as truth which nevertheless frequently contradicts itself, and then it is up to the person himself to ascertain the truth. But anyone who believes that he can figure it out with his intellect alone can expect to get even more entangled in error, because the intellect is influenced by the adversary of truth, by the prince of darkness, who will do anything to divert people from the truth and provide them with misconceptions.

However, the human being can protect himself by turning to God, by appealing to Him for the recognition of truth. For this reason no one can raise the objection that he is unable to form a correct judgment about truth or error As soon as he makes contact with God, as soon as he appeals to Him for enlightenment of spirit he will emotionally recognise whether he should turn to or ignore the spiritual knowledge given to him And he will always have the inner certainty of judging correctly because he has not formed his own judgment but God has enlightened his thoughts. But the good will to recognise and to do what is **right** always has to be part of it A rational person, however, will not scrutinise in himself what he is inclined to accept or reject He only uses his intellect which, however, takes a different direction, it does not consult God Himself but deems itself qualified for an examination. And it will frequently get it wrong because God does not want to be excluded and because truth comes forth from Him alone.

Yet neither should an examination be omitted because the person allegedly does not feel qualified to make a correct judgment For one day he will have to be answerable, and he will not be able to justify himself on account of other people's judgment which he accepted without hesitation because it was expected of him He should attain a living faith and that requires deliberation of what he is taught. Only the living faith will be valued by God, a dead faith, a conventional faith is, however, as good as no faith at all

And thus you humans will repeatedly have the opportunity to express your opinion about this or that teaching, about the spiritual information imparted to you, and you do well to turn to God Himself, for He, as the Eternal Truth, will make the truth available to you, He will place it into your heart, so that you will be able to form your own judgment, and that this judgment will also correspond to the truth. You should not just trust in

your strength alone, for as soon as God cannot take part due to your will, due to your prayer, someone else will take part and he will make use of your intellect Then you will distance yourselves increasingly more from the truth, because he will not rest until he has achieved his objective

Amen

Divine Word

Psychic messages

Disguise

Mark

Anyone who wants to serve Me will be accepted by Me, and his work in My vineyard will be allocated to him by Me, because I alone know what kind of work each person is capable of doing. They will be able to serve Me consciously and unconsciously, that is, they will be able to know that they have been chosen by Me for a task but they will also be able, impelled by their heart, to do something which is considered vineyard work by Me as well without knowing themselves that they are loyal co-workers for Me in the redemption work of the last days before the end. However, they all need to have heartfelt love for Me and their neighbour, otherwise the work for Me and My kingdom cannot be carried out. And this heartfelt love the fulfilment of My commandments of love, will also provide My servant with the strength for his richly blessed work, because the work for Me requires particular knowledge which can only be acquired through selfless activity of love, and precisely this knowledge is the strength conveyed to the person which he shall subsequently use according to My will. And thus you will also understand that a certain amount of knowledge about the eternal truth is a prerequisite for working in My vineyard, and this will also show you the mark of My true servants on earth, for you humans will always be able to obtain clarification from them concerning Me and My kingdom They must possess a certain amount of knowledge which makes them My true representatives on earth. How and in what way they will have received this knowledge always has to be checked, for only the origin determines the value and credibility of this knowledge. For My true representatives on

earth must have been educated by Me Myself, because only I can dispense the truth and, as the primary Source of truth, also convey it to wherever I require people to proclaim My Word and where the conditions are in place for a loyal servant to enter into My service. It is and will remain a fact that I speak to those people who listen for My voice within themselves, who appeal to Me with faith and love to receive My spirit and that I will then present to them everything which they ought to pass on to their fellow human beings again, so that the truth shall be spread throughout the world Yet faith and love must be present, otherwise I cannot speak to a person, since only a devout person listens and only a loving heart is able to hear My voice. Thus I establish a heartfelt connection with such a person through the Word, which is the outpouring of Myself and thus testifies to Me

This Word is thus spoken by Me Myself, that is, the spiritual emanations of Myself shape themselves into comprehensible thoughts for you or sound as audible Words within your heart. Yet I can also convey My Word to you in the form of a **transmission**, if I want to delight the blissful beings in the spiritual kingdom, to whom the conveyance of strength from Me signifies increased happiness. In that case you will receive My Word through My messengers of light which, however, will not diminish the Word in the slightest because it cannot be changed as long it originates from the spiritual kingdom, i.e., has not yet been changed through human will. However, it has to be noted that I Am talking about My Word, about the transference of the pure truth, which proclaims My will and imparts to people the knowledge about their relationship with Me and their earthly task. Yet not **all** transmissions from the spiritual kingdom can be called 'My Word' because this is the purest truth which can only be transmitted as My direct emanation by beings who are enlightened themselves. But beings also exist which want to communicate themselves, although they are not enlightened as yet or only possess a limited amount of knowledge but nevertheless have the opportunity to make themselves understood by people on earth, be it by way of thought transference or through a medium of whose will and also physical functions they avail themselves in order to speak to people. And these messages should not be confused with My Word, they should not be described as My Word and therefore should not be referred to as the working of My spirit in the human being. For My spirit

can only be effective under certain conditions; these messages, however, can be heard by all people who are merely prepared to enter into contact with the spiritual kingdom and listen to the beings' suggestions with more or less good intentions. These beings can also impart truth but there is no guarantee that their comments are pure truth, because the degrees of maturity of these beings differ considerably and the human being, as such, is unable to judge the level of maturity. Yet such comments can never be described as divine revelations, they are far more likely to endanger divine revelations if the human being does not possess a clear power of judgment which enables him to distinguish and separate proclamations from the spiritual kingdom. To receive My Word, directly or through messengers of light, requires first of all the will to hear Me, for I will not let My voice sound in the human being's heart **without** his willingness to receive it, because only this proves his belief in My working of the spirit within the human being Furthermore, a loving way of life must have prepared the heart to become a worthy vessel to receive My spirit And the human being who receives My Word must work with it for Me and My kingdom.

For My Word is the epitome of knowledge concerning My will, it is the impartation of realisation, it is profound wisdom, it is the formulated truth which shall be conveyed to humanity and cannot be conveyed by any other means but by way of revelations which are received by a person on behalf of all people who want to accept them.

Thus My Word is effectively the evidence of My contact with people And since through My Word people are offered the truth, the light from the heavens, it is understandable that the opposing lord will also find ways and means to darken this light, to falsify the truth and thus to prevent My activity. He will not shy away from expressing himself in the same manner where human will allows him to do so. Yet only where the human being's will facilitates his intention will he be able to try it. Often the slightest occasions will enable him to exert his influence if worldly thoughts occupy a person, which will then always be temptations by which Satan will try to push himself in. My kingdom is not of this world so anyone who wants to communicate with Me, who wants to hear My voice, must be able to completely detach himself from the earthly world, and what he wants must only be spiritual knowledge. If, however, he is still earthly minded

My adversary will instantly interfere, and he is entitled to do so because the earthly world is his domain, yet you can always resist him yourselves by banishing the world from your thoughts. Anyone who desires to hear Me must have broken free from the world although he still lives in the midst of the world. And thus I can only ever caution those of you who desire to hear My Word from turning your sights to the world, because then you will be unable to perceive My Word in all its purity, instead the prince of the world will often intervene because he will seize every opportunity to counteract the truth and you will be providing him with this opportunity yourselves if you are worldly minded; then you will hardly recognise him because he will also avail himself of My Word in order to deceive you, because he will disguise himself as an angel-spirit and use apparently noble words and yet cause gradual confusion by spreading doubt into human hearts, thus trying to prevent pure contact between a person and Me. This is why not everyone is suitable to work as a teacher, for this requires absolute truth and therefore a complete turning away from the world in order to be able to receive the pure truth from Me. And therefore you humans will also have to learn to differentiate between: My Word, the pure Gospel, the clear realisation, hence a higher knowledge which corresponds to the truth, and communications from the spiritual kingdom which may well be good and true but may also be interspersed with messages from the kingdom of darkness if the human being's own attitude towards the world offers the opportunity for it ... My Word guarantees purest truth, and My Word can also be imparted to you through My will by messengers of light and nonetheless remain My Word ... Yet psychic recipients who receive messages from spiritual beings and thus, to a certain extent, are their mouthpieces, should beware not to become exploited by lower forces They should not let themselves be deceived by lovely words, for this is the mask of the one who is an enemy of truth and also the means of gaining access to circles which genuinely look for Me yet have not entirely abandoned the world in order to be safe from temptations from below due to My constant presence. My Word is offered to you humans plainly and purely because I Myself choose servants for Myself whom I know are suitable for the office of being a recipient and advocate of My Word and whom I will therefore also protect as long as their will applies to Me alone

and as long as they want to serve Me as an instrument. For you humans shall never be able to complain that you are denied the pure truth I will always convey My Word to earth and also make sure that it is circulated, because people's salvation of soul depends on the fact that they will be instructed in the truth

Amen

Expression of the Divine Spirit

Satan as an angel of light

'I Am with you always, even unto the end of the world' These Words of Mine shall be your confirmation that I will stay amongst you wherever you allow Me to stay. Although I Am not visibly with you, My spirit is nevertheless your constant companion, yet you yourselves open the door for it or you keep it closed, but then you cannot say that I Am with you. You all can certainly let Me be present if you want to draw Me to you with your love, indeed, with a high degree of love you would even be able to behold My image in you Yet how few desire Me and prepare an abode for Me, how few shape their hearts such that they can receive Me therein. Even so, I also come to meet those who feel no desire for Me I come to meet them in the Word, because only the Word can awaken love in them if they listen to it, think about it in their heart and act accordingly This path to Me is not difficult and yet it safely leads to the goal of experiencing My presence so that every person would then be able to say: The Lord is with me always Nevertheless it requires profound faith to be convinced of My presence, and this faith can only be gained through love again. Consequently, love always comes first Without love no contact whatsoever can be established with Me, without love everything that intends to make My presence credible are lies or formalities.

You all should remember that no-one can become aware of Myself if he is devoid of love, but that everyone who lives in love will have Me as a constant companion However, My presence will always reveal itself in some form or other through exceedingly strong faith, through a variety of spiritual gifts, through missionary work and the appropriate aptitude,

through hearing My voice in the conscious state, through all kinds of helpfulness which require exceptional strength Then My spirit will always and forever be at work, which is the obvious sign of My presence and can therefore not be denied by people who are unselfishly and lovingly active. You humans should pay particular attention as to whether and how the love for Me and fellow human beings shows itself, then you will be able to test the origin of every such spiritual expression. But the right kind of love also guarantees the human being My protection against impure spiritual forces, which will indeed always encroach on you humans but due to your nature, your will for truth and your urge to love will always be deterred, because they effectively sense My presence and retreat.

However, occasionally they will find access if the person himself does not exercise strict discipline, that is, if he, with only the slightest unkindness, entitles them to do so For unkindness embodies the one who lacks all love but who also has power where it is granted to him. And that is why only love is the guarantee for My presence, and you are all entitled to examine this love if you want to convince yourselves of the truth of what is upheld to people as the working of the spirit. I truly only face you with beneficial gifts, I will not offer you anything which might offend your heart. I Am a God of love and loyal Father of My children, and if I speak to you, you will also be able to recognise the Father's voice, and you need not be afraid that you will fall prey to deception if My Words affect you in a Fatherly way. But you must likewise come to meet Me like children, you must approach Me full of love otherwise you will not be able to hear Me or you will fall prey to My adversary, who wants to win you over with misleading words, who deceives you, at times even as an angel of light if he can thereby accomplish success. Love is and always will remain decisive, and My adversary will never be able to draw near to a loving human being because I will stand between him and the adversary since I Am love Myself. A good and kind-hearted person can therefore never be deceived by My adversary, yet he can always approach those whose nature lacks love, whose selfish love is still too great, who want to be important in the world and try to make an impression, who lack true humility. I know the human hearts and keep away from those who are devoid of love, yet I will give pleasure to My children with My presence And they can always rest assured that

their love will invite Me, that they then can entrust themselves to Me, that I will take abode in them and remain with them because love strives towards love and inseparably unites

Amen

Satan's disguise where light is conveyed to Earth

Satan works with much cunning and trickery and disguises himself so that he is difficult to recognise, for he often works in the same way as My chosen people in order to undermine My working. His constant effort consists of rendering ineffective the glow of light which I give, to extinguish it or to prevent My light from affecting you humans For truth is a danger to him to be recognised as My adversary, this is why he will often make use of the same means in order to then gain followers for himself who will no longer pay attention to My soft light. He only ever intends to undermine My influence on people, he puts himself in the forefront and wants to be acknowledged as being divine, because he believes himself to have won his gamble if he can dethrone Me and occupy My place in people's hearts. And he will also be very successful as soon as people deprive themselves of their realisation by merely possessing one of My adversary's faults, as soon as they are spiritually arrogant and therefore don't come to meet Me with profound humility which then will also protect them from ungodly influence. My adversary often confuses people's thoughts, showering them with praise and words of approval which dispel all humility, and anyone who lays claim to such words will already have been defeated by him, he will have fallen into his hands and become a welcome object for his plan of endangering the pure truth, the light from above, by seemingly working similarly which, however, does not originate from Me but will be feigned by My adversary as such in order to confuse people and with **this** working simultaneously also reject the working of My spirit, which is the pure truth. Thus you will also understand My warnings about false prophets For wherever true prophets exist there will also at all times be false prophets who appear or become apparent, who always come forward in similar ways and yet have not been sent by Me. And the certain sign of

recognition for My adversary is the fact that he will always turn up where a great spiritual action has been initiated, that is, where the world of light clearly makes contact with the earth and where divine activity is undeniably recognisable.

This is where the adversary will take up room, namely by entering the circle of those who strive towards Me and effectively laying claim to the divine gifts of grace himself, in order to continue and slowly but surely work against it until he has succeeded in repressing the truth and placing his work in the forefront The truth certainly asserts itself yet does not compel acceptance where the will is only weak and therefore allows itself to be captivated again. Free will, which is respected by Me, makes it indeed possible for My adversary to spread himself because he meets with no resistance, but I will never let My children on earth be deceived by a deceptive light which they can recognise because it does not emanate real light However, I have always and forever warned you about false Christ's and false prophets, therefore pay attention to this, for thereby I Myself have also confirmed them They will come and have already arrived and in the last days you will still hear often about them; yet wherever false ones exist there also have to be true ones, and therefore you must check them. And again I say to you: Use the abundance of light of what you are offered as divine truth as a criterion if you verifiably receive something which conveys to you understanding, thus light, then it originates from Me and the prophets are genuine, i.e. work on My instructions but if you are offered indistinct concepts, which is an illusive light which in fact appears to be the same but on closer inspection turns out to be a work of deception, you should reject it as My adversary's work of deception, who in the last days will try to influence all those he fears to lose with increased vigour. For he takes advantage of every opportunity which enables him to displace Me from people's hearts, but he can be recognised for he lacks wisdom, and therefore everything which he ignites lacks wisdom as a deceptive light due to the will of people who are still enslaved by him because they still share his characteristics spiritual arrogance, worldly mindedness and selfish love, and who therefore wear a mask under which My adversary can conceal himself

Amen

The opponent's mask

'By their fruits ye shall know them'

Only divine influences can motivate the human being to act kindly, the forces from below will never teach a person to love or try to make him decide to live in a God-pleasing way. 'By their fruits ye shall know them ...' which powers people hand themselves over to. And this should suffice you, who are doubtful. Which spirit should teach you love if not God Himself? Love is divine and will therefore never be endorsed by beings which are averted from God And once love is taught and practiced the adversary's power will be broken, hence he would deprive himself of a weapon if, for the sake of a mask, he first tried to encourage actions of love; he himself would put the best means into people's hands to realise that he and his activity are averted from God But he tries to deceive people, to weaken their every power of judgment, and he indeed wraps the cloak of love around himself, he presents himself as good and noble and then influences people to act contrary to love He presents himself as a representative of good and only tries to attain advantages for himself and his own kind which, however, are only purely earthly recognisable and are always achieved at the expense of other people. He does not urge people to accomplish works of love even though he approaches people under the guise of love Nor does he pursue spiritual goals, and thereby you also recognise the working from above or from below

As soon as the transformation of the innermost being into love is being taught you must acknowledge the divine origin and know that only messengers from heaven convey such teaching to you. For the human being redeems himself by means of love, by means of love he liberates himself from the control of God's adversary. He, however, tries to tie people to him again and impels them to commit the most heartless actions, he incites them to openly wage battle against God, against everything that is good, he tries to divert people's thoughts from doing good and only to strive for material things, and his influence aims to destroy everything that testifies to God and of God. And thus he first seeks to encourage people's selfish love, he will never preach neighbourly love to them for only in this way

will he gain souls for himself. However, divine love reveals itself by teaching people unselfish love, by showing them the path which leads towards regaining the original state which consisted of the purest form of love And this is why everything that teaches love must be of divine origin, it must inevitably testify to God, because God Himself is love and He tries to lead everything that once had fallen away from Him back to Him, which is only possible if the human being becomes love himself, wherefore the light beings' every effort applies only to one goal, to instruct people of the teaching of love and to help them to attain God

Amen

BD 7714

received 29.09.1960

False spirits

False prophets

I have chosen you as My servants because I foresaw that your inner will is good and also strong so that you will assert yourselves where it concerns endorsing the truth. For much is offered to people as truth and yet it did not originate from Me And if My servant therefore recognises this he must not remain silent but speak up, he must confront this error with the pure truth then he must show that he is My representative on earth and that he is in My service. Thus he must profess My name before the world, he must wholeheartedly support what he has received from Me Myself because I had chosen him to work for Me as an apostle in the last days. And whoever has been placed by Me into this office will also receive the strength from Me to speak in My name And he will work like an apostle of truth and expose My adversary, who has also chosen his instruments in order to cause confusion within My ranks. And therefore hear what My spirit proclaims to you: the time until the end is but short yet the day of the end has been predetermined for eternity And wherever you humans will be, you shall all be informed of this forthcoming end, because I will still send very obvious signs to follow which can be observed everywhere and which will also occupy people's thoughts. However, precisely these signs will provoke the most conflicting opinions because then My adversary's activity will start to emerge which confuses people's thoughts, for one person will

no longer understand the other, everyone will pursue different goals which he will be unable to relinquish, and only a few will be spiritually awake and come to the right conclusions And then many false prophets will appear

And this is what I want to caution you of, do not believe every spirit which wants to talk to you and especially not those which deny the end, which cannot believe that an end of this earth is reconcilable with My love And then be careful and sincerely pray to receive the truth. Do not believe every spirit which tries to express itself through people who willingly accept it, and counter every such teaching with My pure Word which sounds from above because you humans shall live in truth For only through truth can you reach the goal. And there are many spirits amongst you which do not speak on My instructions, but you can identify them by the fact that they argue the end, that they object to the revelations proclaiming a near end and that they meet the messengers with hostility. The time is fulfilled, and especially during the last days many false prophets will yet arise and try to invalidate the pure truth from Me. And they will perform extraordinary feats to make you believe in them, but it is not My spirit which speaks through them, it is not My strength which works in them they are adverse forces which rage everywhere and, being followers of My adversary, are also endowed with strength because they are enslaved by him and affect people of this earth in his will. And then you, who want to serve Me, shall loyally stand by your Lord, you shall defend the truth, you shall not let yourselves be misled, for you know that you speak in My name, and you will also receive the strength from Me, for then I Myself will speak through you. And thus, where My pure Gospel is proclaimed that is where the end of this earth will also be announced and that people are quickly approaching this end and therefore should prepare themselves for it. And where your speeches meet with resistance that is where you will also clearly recognise My adversary's activity, and you shall separate yourselves from them and not preach together, for they are not My representatives but Satan's emissaries, who is particularly active wherever the light establishes itself And he will not succeed in extinguishing the light, for I Myself emanate it down to earth and illuminate the hearts of My Own so that they will clearly realise that they are being addressed by the Father, Who is the

light of eternity

Amen

BD 8407

received 09.02.1963

Examining spiritual information

You will still be given a great deal of spiritual information which supposedly came from Me and you will always have to carefully check whether this spiritual information did, in fact, originate from Me. This will indeed be possible for you providing you are only interested in receiving the purest truth and appeal to Me for assistance. My spirit certainly works in all places because it is necessary for a light to be kindled for humanity in its spiritual darkness Yet My adversary will also avail himself of it by disguising himself in order to confuse people, for he is incapable of giving people a true light, he will only ever ignite deceptive lights for you which dazzle your eyes so much that they will subsequently hardly be able to recognise the gentle radiance of a true light. For he is hiding himself behind eminent names and, in so doing, causing confusion. People dare not refuse and yet they are being misled by those who speak to them. And you would be appalled if you knew to what extent his counteraction has started and will be deployed by him until the end People have a desire for unusual knowledge and this longing enables his activity by pretending to introduce them to such knowledge which, however, is not of the slightest value for the human being's soul, which only lives on earth for the purpose of becoming fully mature. These `teachers' will undeniably also speak words which intend to deceive, yet anyone who carefully examines them will have to admit that he cannot gain anything from such teachings, that he will not be `illuminated by light', because My adversary himself does not possess light and therefore cannot distribute it either And time and again I can only ever advise you to sincerely appeal to Me for spiritual enlightenment, then you will also become bright and clear within and you will reject anything which did not originate from Me.

From many directions you will always be offered the same, for My adversary has no knowledge and therefore cannot impart it either. And only right and truthful knowledge will grant light to someone who genuinely desires

it. Consequently, accept that which truly enlightens you which gives you the right information about Me and My nature and about My eternal plan of Salvation, so that you will then also brightly and clearly recognise your own task; that is the light which I Myself ignite for you However, if you are given empty words which don't provide you with profound knowledge as to what you used to be, what you are and what you shall become again if you are invited to work for the kingdom of God without being told what this work consists of and why it should be carried out then you can rightfully reject them as phrases which merely intend to bluff you. And you should question yourselves as to whether you would gain anything if nothing else was known to you, if you were you completely ignorant tried to derive clarification from those communications alone. You would truly not be able to gain any kind of benefit, because they are all empty words which only came forth from My adversary in order to confuse you and to keep you away from the pure truth. Time and again he will also try to cause confusion in My ranks, so that even My Own will hold different views and people will become tired of spiritual striving if they are not given absolute clarity. Yet you possess so much light already that you will also recognise his work providing you scrutinise it impartially. Therefore, only ever take the path to Me and desire clarification and you will feel what you can accept and what you should reject in your heart For My adversary's power will be defeated as soon as he wants to use it on those who already belong to Me due to their will, for I shall protect them from error because they desire the truth

Amen

BD 5677

False Christ's and prophets

Satan's mask

You must not get caught in Satan's nets of lies who wants to win you over for himself by trying to confuse your thoughts, by apparently speaking in My name and yet, being far away from the truth himself, only presenting you falsehood. False Christ's and false prophets shall arise remember these Words of Mine and don't believe every spirit who speaks My Word,

for even an evil spirit makes use of My Words if thereby he can draw you into this camp Many a person will allow himself to become confused in the last days, but only because he is half-hearted himself and fails to take refuge in Me in order to attain the truth. And My adversary knows how best to win people over who are not yet entirely devoted to Me He does not shy away from influencing them under the mask of piety; his goal is to distort My image, to alienate people from Me; his goal is to make it more difficult for them to recognise Me, and therefore he uses words which can have various meanings and subsequently interprets them such that they will be misunderstood and lead away from true belief in Me and from love since due to his interpretation I cannot be properly recognised Thus My adversary influences weak and not entirely firm people to interpret My Words in this way, thereby apparently speaking **in support of Me** and yet **against Me**, because it is not the pure truth which he is spreading. The sincere will to work for Me and My kingdom will eliminate this danger; but how many have not yet attained a living faith and profound love for Me and their neighbours themselves as to be enlightened by My spirit. And they likewise have reached a point in life when My Word shall be proclaimed, hence they make an intellectual effort to give people the interpretation, intellect, however, is subject to the adversary's influence who wants to confuse the latter in order to work against Me.

And again I emphasize the fact that only the human being's will to hear truth or to pass it on is decisive as to whether he will receive truth or pass it on. The human being first has to be imbued by the desire for the pure truth, then he can be certain that truth will be imparted to him, that he will truthfully understand and interpret My Word. My adversary is eagerly working at undermining the truth, and he will be successful where the will for truth is not strong enough so that I Myself, as the Provider of truth, can safeguard it, because the human being's will alone determines the spiritual knowledge he receives. Therefore, don't let yourselves be deceived by pious words which My adversary can also use where he finds the right ground for it. For not the Word itself is Mine but the spirit I placed into My Words The Word itself, without My spirit, can certainly be changed, and therefore it can also be used by My adversary in order to achieve his goal of separating you from Me and the truth The spirit, however, is My share, and if you

therefore search for the spirit within the Word My spirit will enlighten you, but differently than the interpretation of the one who avails himself of My Word without being imbued by My spirit. These are the last days, when My adversary causes much confusion among people Therefore beware and test all things, and if you do so with an appeal for My support, you will know and only ever keep what is good

Amen

BD 7460

received 21.11.1959

Satan's work as an angel of light (Fatima)

During the last days Satan will fight by any means so that souls will commit themselves to him and go astray. And his trick is to involve them in error, to let them believe that they are on the right path, and yet to entangle their paths such that they do not notice that they will lead into the abyss, because they do not really desire to take the path of ascent. People are satisfied with being told that 'the path is ascending'but they do not pay attention to it themselves or they would certainly notice that it is descending. And he uses many means for deception, all divert from the truth, all are but a tangle of fraud yet so well camouflaged that a person has to be attentive as not to be taken in by him. And he deems the mother of Jesus to be the best means, which he first puts into the forefront of people so that they, due to their veneration and glorification, forget their real purpose of earthly life: to attain the bond with Jesus Christ Himself, which is the only guarantee for the person's salvation of soul Thus people carry out an apparently righteous act of love for the mother of Jesus, but Satan's intended result is less love for the divine Redeemer Himself, Who more or less takes second place.

But a lifetime on earth is too short to take detours in order to reach the goal, and people who do not take refuge with Jesus every hour of the day take long diversions The contact with Him is so extremely important that it cannot be established often enough, and for this reason alone every glorification of the mother of God means a deviation from the actual objective of life to establish this very contact, on which a person's salvation of soul depends. And thus it is this bond which God's adversary tries to prevent

by all means, and he succeeds best by turning people's thoughts towards Mary. He is able to do so through unusual apparitions initiated by himself, but he makes himself visible in the guise of an angel of light to people who are particularly suited to perceive psychic phenomena. Through these apparitions he predicts forthcoming events to people, which he indeed knows will happen, and thus he creates an impression of credibility even though it is a strategy of disguise in order to cause even greater confusion. He will always wrap himself in the cloak of mystery, always making claims about concealed things, always prohibiting public disclosure, because then his fraudulence could be revealed He will only ever provide veiled information because he lacks precise knowledge, but in bright moments even he occasionally recognises the seriousness of the times when he himself will also be dealt with

But he cannot stop himself from demanding honour and fame, and does this through the mouth of those camouflaged beings of light by demanding the building of churches and altars where homage should be paid to him, because he himself hides behind such apparitions. And the most obvious indication of an anti-spirit rests in the fact that people are demanded to pay homage before the world to those in whose garment darkness keeps itself imperceptible. A heavenly being of light will only ever draw people's attention to Jesus Christ and mention his act of Salvation, a true being of light will not demand any formalities, no buildings of churches and altars, but encourage people to shape themselves through love into a temple for God, nor will it make concealed suggestions but proclaim what all people should be told: that the end is near and that people should change themselves A true being of light will not persuade people to perform formal prayers for hours either, but motivate them to establish a living bond with Jesus Christ, where only and forever salvation is to be found. You humans need not take such events seriously, for they are events which were embellished by people, they happened in a primitive manner and were only later presented as unusual experiences A good basis for this was prepared, because the mother-of-God-worship was already too deeply ingrained in people and even minor events caused feverish activity in them and created the foundation to believe in ever more improbable things. But they were by no means divinely-spiritual apparitions which were to

reinforce people's faith in worshipping the mother of God, for it is not her will to distinguish herself from her Son Jesus Christ, instead she will only ever call attention to Him and His act of Salvation, if ever she will make an appearance For the human being's goal is the unification with God in Jesus Christ, which should be aspired to every hour and every day, and this is the true and only path which should be walked on earth

Amen

Which messages guarantee the truth

Even with My immense love I cannot accept you into My kingdom as long as you still oppose Jesus Christ's act of Salvation, since thereby you close the gate into the kingdom of light yourselves, into which Jesus Christ alone is the gate. By rejecting Him you also reject Me Myself, since He and I are one. Only when you understand that I the infinite Spirit of Eternity became visible to you in Him will My love be able to make you happy again, for only then will you acknowledge Me in Him, your past sin of apostasy from Me can then be forgiven and you will allow yourselves to be illuminated by My strength of love again as in the beginning The fact that you humans lack the understanding for precisely this great act of compassion by Jesus Christ is also an indication of the forthcoming end, for the adversary has done his job well He has succeeded in spreading an impenetrable veil particularly across My human manifestation, for he wants to prevent you from becoming redeemed, and therefore the time has come to put an end to his activity.

All over the world spiritual movements become apparent which deviate from the truth, for the adversary also asserts his influence from the beyond over people in order to mislead them. And many people give credence to all these messages because they originate from the spiritual realm But the fact that My adversary can even there still exert his influence on beings who spread untruth and try to transfer it to people on earth, and often also take the opportunity to irritate people, is again due to the fact that they do not turn to Me Myself for truthful clarification And therefore I can only ever say: Don't believe messages which do not emphasize Jesus Christ's act

of Salvation, for they are misguided, even if they contain partial truths But especially the redemption through Jesus Christ is of **such importance** that you can thereby judge the credibility of the received messages, and you should not be content with information which does not completely convince you, precisely because the **most important** information the information which **guarantees** your entrance into the kingdom of light is withheld from you.

But how can you decide what is truth and what is error if you are not instructed by the One Who knows everything and can also truthfully explain it to you? Even the activity from the kingdom of the beyond towards the people of this earth cannot be prevented by Me due to people's free will, but time and again I inform them Myself of the right way to attain the pure truth Yet even this working of My spirit in the human being is only the **result** of the prior redemption through Jesus Christ. And for this reason My adversary exerts great power from the beyond as well, because he repeatedly thwarts this 'redemption' and keeps people in the dark about the true nature of Jesus, because he wants to stop them by every means to find redemption through Him while they are still on earth, and therefore also influences those beings who have always resented the thought of redemption and who thus also convey misguided teachings to earth. The fact that I, at all times, endeavour to uncover this error through beings of light that I repeatedly also transmit the pure truth to people through them, is used by you as an opportunity to merge such truthful explanations with wrong spiritual information. And because you lack the ability to differentiate it is frequently possible for true messages from the kingdom of light to be amongst wrong teachings which, in turn, make the recipient doubt the credibility of **all** messages.

Yet one thing is a definite characteristic of wrong information: the fact that My human manifestation in Jesus and My act of Salvation is **not mentioned** or even **disputed** And thereby you can always measure the truth, for a truly spiritually awakened person knows what to make of that, for people are being deliberately misled, and then the value of the **light beings'** proclamation is reduced, since they could not prevail because people lacked the **desire** for pure truth In that case Jesus Christ's act of Salvation truly would have been comprehensively explained to them,

which would also have stopped the adversary's activity For the fault rests with the human being **himself** if he believes **all** messages from the spiritual realm just because they have originated from **there**, but doesn't know that the adversary is still able to exercise his power even there and only the will to be protected from error can prevent him from it. Then he will be **unable** to impart wrong messages, for the desire for pure truth also **guarantees** its receipt.

And this is what you have to know, then you can confidently believe the Words which are conveyed to you by My spirit, for I Am the Eternal Truth and only pure truth can come forth from Me But this is characterised by the element of Jesus Christ's act of Salvation, and only who believes **this** will never be able to err again, for the Eternal Truth has made Itself available to him, it has revealed Itself to him and guided him into truth as It had promised to you

Amen

Spiritual messages must profess Jesus Christ as redeemer of the world

Believe Me that I will not let you live in error if only you are willing to accept the pure truth. This is of utmost importance, especially at this time, because almost no-one thinks correctly anymore, because everything diverts from the truth no matter what people are teaching. And even if you can only impart My spiritual knowledge to a few it will shine like a light in a dark night, and people who are addressed by Me directly or through messengers will feel happy in its radiance. And thus few people live in this pure truth and they will also believe you. They will know that it could only have been received through the working of the spirit, that a direct connection exists from Me to you and that they can fully endorse the results. But contacts also exist to the spiritual world which you should regard with caution The human being's resolve to investigate supernatural things can easily put people at risk of receiving information from this supernatural world which will no longer enable them to make a distinction between truth and error.

And time and again I say to you: if you are not educated by My spirit, which will guide you into truth, then don't believe every spirit who speaks

to you I indicated to you in the Book of Books that I will reveal Myself to you I told you that you all have to be educated by God, Who will then guarantee you the purest truth! But where is it written that I will choose different paths in order to convey the pure truth to you? Even if I let you take the path via spiritual beings who are meant to convince you of the immortality of your soul, they, too, will time and again refer you to the working of My spirit in the human being and first try to motivate you into establishing a heartfelt bond with Me, so that your God and Father Himself will be able to teach you And He will guide you into truth As to whether this will subsequently happen directly or through His messengers of light does not affect the knowledge which I impart to you Myself. And there is always a danger if instructions from the world of the beyond are given to you which are impossible for you to confirm, for this world is still governed by My adversary who tries to spread error to the same extent, wherever it is possible for him And you cannot apply any other guideline but the attitude demonstrated by this spirit towards Jesus Christ. You can give credence to those who profess Him as Redeemer of the world, in Whom I embodied Myself, in which case you are being addressed by one of My appointed servants from the kingdom of the beyond whom I will then send to you if you are still unaware of the 'working of My spirit within the human being'.... But he will undeniably inform you of it, so that you can enter into contact with Me with an awakened spirit in order to be further instructed by Me.

If such a circle has therefore come together with the sincere desire for truth, then people will also be taught by guides from the beyond, yet first of all they will be presented with Jesus Christ's act of Salvation, He Himself will be described as 'God of eternity' and then you will also recognise this spirit as a bearer of truth and comply with its instruction to consciously establish contact with Me. I would definitely not place an aversion against these 'spiritual guides' into the heart of those of you who want to be My Own if they worked in accordance with My will too, if they did not spread error. There is such intense counter activity apparent, but it will only ever affect those who do not harbour the strong desire for truth in them, who are content with a communication from the spiritual world but who do not think of the One Who accomplished the salvation sacrifice on your behalf

and they therefore can also be misled. If only all of you would believe in Him, in His crucifixion and My human manifestation in Him, then your thinking would be enlightened and nothing wrong would be able to come to you from the beyond. But, instead, people content themselves with wrong reports which are of no value to them.

What I ask of people consists of just a few words: Love for Me and for their neighbour For then they will awaken their spirit to life, then they will sincerely unite with Me, and then I will also be able to guide them into more profound knowledge into the knowledge of their origin and apostasy from Me, into the knowledge of My plan of return. And then the realisation they had lost due to their sin of apostasy will be revealed to them They will discover the great error which is prevalent in the world and its correction which, however, can only be received if I Am able to express Myself through the spirit Hence you should first strive to awaken the life of the spirit, and it will guide you into truth rivers of living water will flow out of your belly ... you will all be taught by God and all the promises will fulfil themselves, which will remain incomprehensible to you as long as you are spiritually still unawakened

Amen

'My sheep know My voice'

Resistance

The way you consider My Word is the way I consider you. For it is the Father's voice speaking to you which you have to know if you love Me, that is, if you keep My commandments. Anyone to whom My Word is made accessible will accept it if he loves Me, or he does not love Me if he rejects Me, that is, he does not fulfil My commandments, he does not live in love for God and his neighbour, otherwise he would recognise My Words as the Father's voice. Thus it will also be understandable to you that I bless those who accept Me in the Word yet withdraw My blessing from those who reject Me, for they will not be able to say that they acknowledge Me although they reject My Word My sheep know My voice and anyone who recognises it will also vouch for it, he will speak on behalf of My Word

and not be afraid to pass it on. For what child would not give credence to the Words of the Father I came to My Own and they did not recognise Me And today I come to My children again, yet they pay less attention to My voice than ever because they do not have the right relationship of children to their Father, because they grant the world more rights and don't have much time for Me anymore. And yet they call themselves religious.

However, I don't acknowledge their faith because I don't notice any love in their hearts otherwise they would desire Me or My Word or attentively listen to the gentle sound of My voice wherever it can be perceived But I don't acknowledge anyone as My true child who suppresses My voice for the sake of the world, for although the Fatherly love embraces all His children it also wants to be reciprocated by them. Love Me and keep My commandments, then you will also feel that My Word is Fatherly, then no resistance will arise in you and you will joyfully profess Him to your fellow human beings and ensure the spreading of the Word However, if you lack love it will not affect you and you will reject it as a nuisance, which is evident within your heart and also in your conduct, and then you will also reject My love which comes to meet you in the Word and through the Word gives you the evidence that the Father speaks to His children and wants to be listened to by them Seriously examine yourselves as to whether you are children of the world or children of your Heavenly Father, and remember My Words: My sheep know My voice and don't be faithless, but believing

Amen

Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other

words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
