# Predictions - A world-shaking natural disaster

Reasons, Process, and Consequences of the Devine  
Intervention

A selection of Revelations from God,  
received through the 'Inner Word'  
by Bertha Dudde

## Predictions - A world-shaking natural disaster

This booklet contains a selection of Divine Revelations, received through the Inner Word by Bertha Dudde as promised by John 14.21: ``Whoever has My commands and obeys them, he is the one who loves Me. He who loves Me will be loved by My Father, and I too will love him and show Myself to him."

*Catastrophe ....*

*Fulfilment of the Scriptures ....*

*God's love for humanity ....*

Only a few people turn their attention to the signs of the time, yet these few know that the time has come which Jesus revealed, for it is coming to pass as it is written, and they realise that every period of time has been preordained for eternity .... There is no doubt that that a terrible catastrophe is about to befall earth .... God's love is infinite and so is His mercy, and whatever will come upon earth is only based on His love. For without this happening humanity would be doomed. God knows of the many misguided people, of their wrong will, of their heartlessness; He knows that humankind is in a state far removed from God, and He takes pity on their spiritual hardship. He has no other objective but to change this pitiable state of humanity, to remedy it, to save people from utmost distress. And He foresaw humanity's adversity and, during the time He lived on earth, announced what His love and mercy would bestow upon people in order to save them. Yet humanity cannot and does not want to believe, for it no longer recognises God, it laughs and scoffs instead of taking stock of itself and continues on the path which is leading to disaster. And the hour will come when the extent of adversity will be immense, when the elements of nature will rage such that people will be incapable of thinking and taking actions, yet there is no other possibility for people to recognise their weakness; there is no way which could persuade humankind to turn to God without such suffering, and if it is not to go entirely astray it must accept this event which has been predetermined for eternity and will come to pass as the Lord proclaimed ....

Amen

*Prediction of a devastating event ....*

It is very beneficial for all of you to read the words of the Bible, and you will realise that the Lord in His time has announced His coming. The forthcoming divine Judgment is not the Lord's will but solely the will of humanity, which endeavours towards an almost complete separation from faith which will result in descending further into spiritual darkness. Purely to put an end to these goings-on and to save what has not yet been entirely taken in by the night, the Lord will fulfil His Word .... For His spirit foresaw the present as well as the approaching time, and in His kindness and gentleness the Lord has left no stone unturned in order to be able to prevent the divine Judgment. Everyone presently living on earth will be informed of it beforehand and able to avert the judgment from himself, insofar as that he will be protected from every danger by the Father's invisible hand, if only he trustingly turns to Him and thus acknowledges His power and love .... The many events preceding this in order to wake people up will also show you that the time is close at hand.

This time will not pass any person by without a trace, and there will be many signs which are intended to arouse people from their spiritual lethargy and draw their attention to the visible intervention of an eternal Deity. And the adversary will have his hand in everything and influence people everywhere to listen only to the thoughts and words of the world and to reject everything spiritual, for in their dominance and arrogance people are so convinced of their own strength and power that, by necessity, the evidence of their own weakness and inadequacy has to be demonstrated to them through misfortunes which human hands are unable to prevent. At first they will certainly accept such strokes of fate without experiencing any particular effect to their thinking .... Yet the events will happen increasingly more often and even make arrogant people inwardly tremble as they realise their vulnerability. And one such event is being prepared by the Lord ....

He will intervene in people's arbitrary activity of injustice and perceptibly express His will to them .... This time will numb all emotional souls, for the scale of the event will be too powerful as to be considered coincidental. And in case of the event repeating itself many people will wake up from

their sleep and prefer the dawning day to the darkness of spirit .... and to preach the Word of God will be the rewarding task of God's servants on earth, for nothing in the world happens without consideration .... Nothing is hidden from the Creator's knowledge, and thus the Lord's visible intervention will not be without purpose and meaning for many people, but His intervention will be recognised as the helpful hand of the Heavenly Father which everyone should be willing to grasp. For the time is near of which it is written in Word and Scripture ....

Amen

*Lack of understanding for the prophecies ....*

*Necessity ....*

Only a few people realise the seriousness of the time, and therefore the coming events can only be made plausible to a few. As long as they merely strive for the well-being of their body they will only pay attention to happenings which are related to it and cannot and will not understand a change of world events caused by spiritual urgency. For spiritual experiences are unfamiliar to them and all such references are deemed insignificant and unimportant, if not entirely wrong, by them. To announce the coming happenings to them at present will have little success and yet, they, too, shall be warned so that no-one will live to see the day in complete ignorance. For what they do not want to believe as yet can suddenly appear credible to them and motivate them to direct their mind towards God and call upon Him in distress. Spiritual thoughts are often inconvenient to a person since they only undermine his earthly life; as a result, he discards them when they surface and thus he cannot come to realisation either. As soon as a fellow human being wants to inform him and convey spiritual gifts to him he declines or ignores the gift. And thus he will not use the time which still separates him from the great natural event, so it will take him by surprise and completely bewilder him. And yet he cannot be helped in any other way but by mentioning the momentous change even though he is not fully capable or willing to take it in. For even the certainty that the prophecy will fulfil itself can already lead the person to sudden realisation.

God's love comes to meet every person, and He sends his admonitions and warnings to everyone, for He knows people's weaknesses and wants to help them when they are in trouble. But most of the time people won't let themselves be helped because they don't think they need it. And yet they suffer immense hardship for they have no inner contact with God, they have distanced themselves from Him and therefore won't listen to His voice which is speaking to them through a human mouth. They do not recognise it as God's voice and thus it will not affect them because they close themselves to its effect. Every day they live on earth in ignorance of spiritual life is a lost day and there are not many more, for the great earthly adversity has not yet come to an end and humanity is facing a bigger one still, which is inevitable for the sake of people's spiritual development. It will cost many people's lives and bring their opportunity for development on earth to an end. God wants to help them while there is still time and He sends His servants and representatives to them so that they will speak in His name and remind them to consider their souls and strive for higher spiritual development. And if they listen to them they can more easily endure what will come to pass, because they will realise that nothing that happens on earth is without meaning and purpose and that spiritual development is the ultimate purpose of earthly life ....

Amen

*Renewed prediction by God's Word ....*

You still don't know what it means to be spoken to directly by Me because you people do not believe that your God and Father from high talks to you. For you are still of unenlightened spirit and you deem this not to be possible. You therefore still have a very wrong understanding of God because you put yourselves completely beside the Might that created you and thus cannot feel Its love because you are without love yourselves and therefore the working of the eternal love is incomprehensible to you. But, in not to remote a time you shall have proof that your God and Creator truly does speak and has spoken to you, for you to go through the fulfillment of My continuous announcements yourselves; and that you will go through

a natural disaster of greatest extent, which has never before befallen the earth.

Over and over I announce to you these happenings without finding any faith. But I want you to be able to believe when these My announcements will come true, for then I want you to believe too on the shortly afterwards following end and will prepare yourselves towards it. For the purpose of all My predictions is just always that you do sincerely tackle your soul-work, that you make well use of the short time and then live through the end, regardless, and not to be lost again for eternal times. i.e., having to bear the rebanishment [into matter] which you are irrevocably threatened with at the arrival of the end: if having not found your way to Me yet.

I just want to save you humans but not leave you to perish, but I cannot influence you against your will. I therefore talk to you through My messengers and make you aware of the near end, I remind you to keep thinking of your earthly purpose. I keep telling you over and over my divine teaching of love and all of you could believe if you just had an earnest will to achieve your earthly purpose of life. But you live a carefree life without any serious thought because you don't believe in an afterlife of the soul. But I cannot do more than passing on the truth about your being and your destiny by Myself ....I cannot do more than directly talk to you by My messengers and to explain everything as comprehensible to you to the point where you can truly believe. But you don't want to and you can't be forced to believe My words from on high. Yet you ought to pay attention to every world event, to the condition amongst people and to the obvious spiritual low. You also ought to be critical towards yourself and your walk of life and you should meditate about the meaning and purpose of the earthly life ....You then would recognize the condition of man on your own and consider it plausible, this condition cannot remain like this; a change is due to occur and then attention will be paid to My word from on high. Yet, for obtaining faith the good will is required, for I help everyone who'd like to rise from the depths, who directs his thoughts towards Me in striving for recognition of the right and to detest the wrong .....

Truly, no better information can be given to you people than by My word ....Truly you can find no better explanation except I give it to you by means of the direct address and you can believe it - it's the great spiritual need

which causes Me to grant help to you people on earth in the way that I direct the truth towards you, which is foreign to you, because My opponent is doing and has been doing everything to increase the darkness upon you people, that you don't see anything properly anymore. To also prevent you from recognizing the voice of your God and Father who wants to help and bring the light to you prior to the coming of the end.

Listen to Me when you hear My voice by means of My messengers, do not refuse what they bring you, for you who do not believe are in greatest danger ....And you can still get saved and find faith because the plain truth is presented to you ....And I will give you proof of the truth of it because it will very soon be fulfilled what there was proclaimed a long time ago already: that the earth will be befallen by an enormous natural happening as not experienced before ....And soon afterwards the end will truly come like proclaimed in word and scripture ....

Amen

## Reasons for the intervention of God

*Omnipotence of divine love ....*

*World events ....*

Record the following: You humans have the wrong idea about the omnipotence of divine love. You use different guidelines to evaluate events which signify both suffering as well as joy for people. You only see the effects in an earthly respect but cannot even remotely imagine the spiritual effect of the necessity on one hand as well as the consequences on the other hand. You always base your judgment on human feelings, and this even makes the love of God seem cruel to you. Yet you are not aware of the agonising state which will await the souls one day were I to protect them from all suffering on earth and seemingly only bestow My love upon them. This love of Mine is so great that I want to spare My living creations the suffering in the beyond and thus let them suffer before in a state in which they do not feel this suffering so much.

And yet, you do not recognise My love and crave to quarrel with Me. You live in a world where sensual pleasure provides you with a certain amount of satisfaction, yet in the world of the beyond you will, if you are enlightened, strive for the union with Me. Nevertheless, you first must detach yourselves from all matter in order to be able to unite with Me. But you are still very far from it, for you are still too captivated by matter and this to an extent that you still regard it as enticing. And thus I forcibly destroy what stands in your way to far greater happiness. I want to shorten your path on earth which you still have to travel in the body, I want you to learn to despise matter which is only an obstacle for you .... and you don't recognise My love .... you are still too strong-willed and don't succumb to divine will, which truly only considers you such as is helpful for your soul .... Always and in every instance try to imagine that My greater than great love is the motive for what I send or allow to happen to you, and you will learn to think differently. It truly gives Me no pleasure to watch My living creations suffer and thus I try to avert greater suffering from them .... You only ought to learn to look at world events around you from this perspective, which should be seen more as evidence of My love for you than an act of cruelty. Resist the thoughts which make you doubt My love, because it is only My love which makes Me act in a way that you appear to be the sufferers.

By yourselves you are too weak and don't desire enough strength which would help you overcome matter, and thus I take care of your difficulty and remove the obstacle from the path of your higher development. I take all earthly possessions away from you precisely because this physical hardship makes you take refuge in Me and thus look for heartfelt contact with Me, and then My infinite love will take hold of you .... and My infinite love will help you prevail. However, until you have entrusted yourselves to Me the loss of your earthly possessions will be painful to you, and thus you are still in an enslaved state, you are still too attached to matter, and you still don't recognise Me and My love sufficiently. And you are even inclined to wanting to deny Me altogether, because you look at all happenings from an earthly point of view and fail to consider to what extent the spiritual necessity exists so as not to let you perish. The danger of your spiritual downfall requires My intervention in a way that you doubt My love ....

But I only have your spiritual well-being at heart, and every happening is intended to bring you this spiritual happiness. Therefore you should confidently submit yourselves to My guidance and humbly and obediently accept your fate from My hand and it will be a blessing for you, and one day you will thank Me that I have thereby averted from you far greater suffering in the beyond ....

Amen

*The spirit of heartlessness ....*

*Divine intervention ....*

The spirit of heartlessness rules the earth and its inhabitants, and the opponent has become victorious over countless beings whose lives are devoid of all love. And countless people are thus driven into the chaos he has caused and which became feasible precisely because of this heartlessness, which aroused inconceivable hatred and discord amongst people. People have lost all common sense for they are guided by the spirit of darkness, and this also keeps people's thinking enslaved or distorts it such that they no longer know what they are doing. Humanity has indeed rarely subordinated itself to the opponent's will so thoroughly as is the case now, and therefore the countermeasure will have to be exceptionally harsh too, if a higher spiritual state is to develop and people's present-day spiritual delusion remedied again. And so this spiritual hardship requires divine intervention, and divine love and wisdom are aimed at using an event for the sake of removing this hardship which, admittedly, makes humanity doubt divine love and wisdom but which is nevertheless the only option left to save people from certain ruin.

People remain irredeemable; they cannot be persuaded in any other way to accept the faith and they comply even less with the commandment of love for God and their neighbour .... And then again, the human being has to acquire the right way of thinking if he is to be spared the adversity of the approaching time and his earthly life left to him. For the divine intervention will befall people with elemental force, no one will be prepared for it who has not united himself with God beforehand. And there will be a panic

which only God Himself can avert again if He is sincerely called upon to do so. Yet people will lack the faith in God. For even those who live with faith and love will be stricken by anxious doubts since they, too, will very clearly hear God's voice. Their spirit will certainly take refuge in God, yet their soul will fearfully and with dismay await the events which are yet to come. They will barely be able to comfort their fellow human beings and will have to struggle for faith themselves, yet God will support them so that they shall not waver in their faith. But those who don't recognise God will look for rescue on earth and find no help.

They have to change their thinking or become victims of the elements which are instructed by God, the Lord Himself, to serve Him. There will be indescribable confusion, since only the most extreme adversity can still bring about a change in hardened sinners .... only the fear of losing their earthly life will make people soft and submissive and willing to pray. However, without prayer no gift of help can come from above, for only prayer provides the certain guarantee that God Himself will take care of His earthly children and release them from all anguish. And the hour will seem awfully long to people who see everything they found desirable up to now fall prey to destruction. And yet, people cannot be spared this hour since all of God's love and kindness has been rejected and there is no other possible way out of the spiritual adversity. Again and again God's forbearance has postponed this event, but finally His prophesy shall be fulfilled .... For the time has come when extreme weakness of will and unbelief can only provoke this catastrophe. The time is near which the Lord has announced through His Word when He lived on earth and referred people to this time of apostasy from God. For His Word is eternal truth and will come to pass, down to the very last letter ....

Amen

*Demonic activity ....*

*Necessity of divine intervention ....*

Just a little while longer and you will remember the Words I spoke on earth that the world will become chaotic in every respect. Soon you will realise where heartlessness between people will lead to. If you still harbour a spark of love within yourselves you will recognise the opponent's power, who incites everyone to conflict with each other. His activity is demonic, and as a result people also behave demonically in their unkindness. And thus I will intervene and by means of apparent disorder nevertheless restore order again, so that humanity's real purpose is made clear to them. When people in their delusion destroy everything, such an act of destruction from above is absolutely necessary so that the injustice will be clearly revealed and humanity will recognise it as such.

And there will be acute distress, and in this distress people's pleading prayers will rise up to the Father in heaven, which is the purpose of My intervention, so that people will look for Me, so that they will remember Me again and take refuge in Me.

For there is no other way left to achieve this, only the harshest adversity will make them take the path to Me, and only the harshest adversity will yet be capable of changing humanity. But My spirit will be with all those who are loyal to Me. They will recognise Me in everything that is happening and faithfully await My help .... And they will speak on My behalf and try to explain to their fellow human beings the error of their lives and refer them to Me. And then, depending on their attitude towards Me, I will also take care of their hearts, and wherever a devout thought rises up to Me I will send comfort and help. I will bestow My love upon all those who recognise their wrong and thus call to Me appealingly. For I love My living creations and only want to save them from greatest danger .... from a danger which will far exceed the earthly suffering they will encounter. And I will permeate all those with My spirit who are willing to be of service to Me, so that they will be able to comply with their task and not waver in their faith when the time of affliction arrives ....

Amen

*Selfishness ....*

*God's intervention is the last resort ....*

In their inconceivable selfishness humanity will destroy itself if God does not use an effective countermeasure in order to reduce this selfishness. The human being only thinks about himself and the fate of his fellow human beings generally leaves him unaffected. His thinking and behaviour is accordingly only ever calculating to obtain the greatest possible advantage for himself, which spiritually has a tremendously detrimental effect. Hence every day spent striving for earthly advantages is lived in vain. And at the present time only a small number of people in the world keep their spiritual progress in mind. But they do not indifferently ignore their fellow human beings'adversity. Instead, they try to alleviate it where possible and make sacrifices themselves, for they consider other people's hardship more than their own hardship. And it is for their sake that God still hesitates to apply the last resort, because His love would like to spare people unspeakable suffering where it is possible to persuade them into actions of love without suffering.

God's intervention, however, will result in great suffering, for precisely this suffering is intended to change people's hearts, in view of their neighbour's misery and adversity they are supposed to forget their own hardship, thus fighting their selfish love and only ever striving to alleviate their fellow human beings'misery. Only then will their earthly life be spiritually successful for them. Yet regrettably, especially now people have extremely distinct earthly desires, they crave for the commodities of this earth. Every thought only relates to the question of how they can attain them. As a result they take no notice of world events and even less of the signs which announce the working of God. They don't pay any attention to the happenings which accompany the spiritual decline. They don't see the infringements which are already deemed acceptable, nor do they pay attention to the wrong concepts of `right'and `justice', and therefore they don't object to the spirit of the times either, the opposition to everything relating to religion .... rather, they consider everything to be right, which can clearly be traced to the opponent's influence.

And this is why God asserts His influence, that is, He so evidently counteracts this spiritual shallowness that it can be seen by those who want to see. For He assumes all power .... He renders people powerless; He lets them feel that they, by themselves, are incapable of preventing God's intervention, that they will have to endure it without being able to change it in the slightest. And then they will only be able to change their character if they are willing to do so. They will be provided with endless opportunities to kindle the spark of love within themselves, to feed it into a flame and then become appropriately active with love .... If they don't make use of this last possibility they cannot be helped on earth anymore; for those whose selfishness is too extensive will not be able to recognise their real function even then, they will fear for their life and their possessions and, if possible, try to replace what they have lost. In that case God's intervention will have been in vain for them, then they will have to bear the consequences of their unspiritual state, since this is what they want, for they cannot be forcibly released from their selfishness ....

Amen

*Doubts about God's revelations ....*

*The elements of the nature ....*

The passing on of My word to you is so urgent and how seldom it is being believed. You're continuously letting yourselves be troubled by doubts concerning the truth of that which is passed on to you by My servants. You reject what does not seem to be acceptable to you and which is actually inevitable according to the determination from eternity. You who are of a revived spirit, I initiate into My plan of salvation to recognize the time of the end and also to point out to your neighbors the end. I indicate to you the signs and, since the beginning of this redemptional epoch, I have predicted the effects of the spiritual low in order to give you the possibility to prepare yourselves so that the end may be a blessed one for you.

Yet my announcements are not being taken seriously, so, I keep on revealing Myself again and again. And actually not only by means of My word going forth from and giving evidence of Me at that; but I also want to be

recognizable to those who don't give credence to My word, who won't let themselves be taught by My servants on earth and who are also completely opposed, disbelieving the predictions of an end to be near. Those I want to approach in a different way, to those I want to reveal Myself as the Lord of creation against whom no human will is able to stand up. I want to confront them with the power human will cannot break or defeat. I want to talk to them in a language that is loud and clear; I want to speak with a voice of thunder and the elements of nature will obey Me and testify for Me.

And this is the last reminder in order to then let the events take their course up to the end. And this last remark of My might and power is an act of grace for all of mankind, yet it will certainly be effective to just a small number. For whoever does not accept Me will certainly see nothing unusual in the enormous natural happening but simply [assumes] a free play of nature, even when realizing he cannot have any command over this play. And yet, I do not deviate from My plan of eternity and keep announcing it over and over, of My appearance by means of a catastrophe of nature of an extent the world has never experienced yet. Why am I doing it?

Well, the time is pressing towards the end; people are going through their lives lukewarmly and lazily. They don't comprehend the seriousness of time and that's why they are to be disturbed. I Myself will approach them, for in the great need concerning the body when facing death, the thought of the Creator is bound to surface and some few will find and walk the path to Me. And for the sake of these few, it will come true what is proclaimed in word and scripture. Surely a countless number of people will lose their life and enter the Kingdom of the beyond in an incomplete condition. Yet to them I want to be a lenient judge and take into account their last sacrifice they offer Me by their early death by offering them the greatest possibility of maturing in the spiritual kingdom and granting support to them in every way. Yet I will irrevocably speak by means of nature and all of you will be witnesses and be able to convince yourselves of the truth of My word which comes pure and plain from up high; because it is My will for you not to go unprepared through something that is so colossal it might shake the thinking of all who still believe a bit on a Creator and Preserver of heaven and earth.

But whoever is united with Me ought not doubt My word for I express

Myself by means of My servants on earth and expect My word to be passed on and accepted as plain truth; and every doubt be banned from the heart of My people because it is I Myself who expresses Himself and will never tolerate My word, interspersed by errors, be brought to people of good will who want to serve Me and therefore are hired as workers by Me into My vineyard for the last time prior to the end.

Amen

*Signs of the world catastrophe ....*

Every world catastrophe is preceded by signs so that humanity can recognise its approach, for God at all times has proclaimed them through His Word, and by paying attention to these signs you will know that now the time has come; and thus you also know that you have to prepare yourselves so that you will not be heading towards total destruction. Whatever God does, and thus also allows to come upon earth, is determined by humanity's will, that is, human will does not directly draw the catastrophe near but its wrongness is the reason for it. Human will is misused on such a scale that a world catastrophe has to be the inevitable consequence of it, for this misguided will can only be directed onto the right track by something completely unexpected, effectively by something unnatural. Hence, the more the human will moves into the wrong direction the more urgent becomes the divine intervention, for precious earthly time is passing by without providing the being with the necessary higher development. Misused will, however, can never support higher development but only prevent it.

The events of the time, the ever increasing unbelief, the anti-Christian efforts and the messengers of His Word which are spiritually awakened by God ought to remind you that the time has come which the Lord mentioned on earth. And thus you shall be diligent and consider your soul's salvation. And regardless of how implausible it seems to you that a disaster is intended to occur on earth, just bear in mind that nothing is impossible for God, that everything can happen if it is God's will. And the fact that it is God's will is based on people's own behaviour, on their wrong attitude towards Him. If earthly life is given to people for a specific

purpose but they fail to live in accordance with this purpose then they will let a divine gift of grace go by unused, and God will warn them just once more with stern Words which no one can ignore. Human will alone is the reason for a work of destruction of inconceivable proportions and when the Lord proclaimed this He foresaw people's wrong will. Yet it is His will to win back misguided humanity and therefore He applies the last resort, which certainly seems to be an act of infinite cruelty, nevertheless, it is only motivated by divine love and mercy, for countless people will attain realisation, and they will be saved for all eternity ....

Amen

## Termination of the struggle of the nations due to divine intervening

BD 3143

*God's intervention ....*

*The end of the struggle ....*

The more the world becomes entangled in error the more it distances itself from God and the more heartless are the actions and thoughts of people who are worldly minded. And the increased unkindness also propels people into actions which surpass all previous happenings, and so people induce God's intervention themselves. People no longer realise that what they are doing is wrong. Global affairs will be steered into a direction for which no earthly solution can be found anymore, people's thinking is wrong and far removed from the truth, goodness will be persecuted and evil respected, and thus divine order will be revoked which is bound to result in a complete decline. And so the day which puts an end to the chaos comes ever closer, for the situation is so disastrous for humanity that God has set an end to it. And this end is approaching, the end of people raging against each other, the end of the war between nations which could never find God's approval because it is a battle for power which is not based on noble motives. People's hatred and heartlessness have given rise to it, yet they learn nothing in this battle, they have become more heartless than ever and

their hate has deepened and manages to achieve such disgraceful deeds that they cannot be surpassed. And God will put a stop to this activity in a way that He shall thereby be recognised .... He will send a dreadful tribulation upon humankind which cannot be averted by their own will. He will terrify them and let them feel their own impotence because the elements of nature will be unleashed, leaving people defenceless and at their mercy.

And this day will not be long in coming. It will arrive so suddenly and unexpectedly that it will cause sheer horror, it will only take hours and yet be of such drastic significance that everything will have changed afterwards and people will only gradually become aware of the disaster when they have realised the full extent of the divine intervention. For God wants to reveal Himself with His intervention, He wants to show them that He Himself will bring about the end because people cannot find an end, because they would rather tear each other apart than give in and bring the indescribable adversity to a close. And this is why the end will be different from how people imagine it, God will demonstrate His power and remove the weapons from the hands of the earthly rulers, He will decide, and the outcome of the war between the nations will disappoint those people who wanted to achieve with violence what they were not entitled to and who therefore shall recognise their helplessness. For it is God Who ultimately determines world events, even if human will thinks that it directs them. And God's wisdom also recognises the most effective means for people and uses it in order to control the chaos which is the result of heartlessness and therefore has to lead to the downfall if God Himself will not put an end to it.

And the period of war will be followed by a new time of conflict which, however, will not erupt for the sake of worldly power but for spiritual supremacy, because the end is near and this spiritual battle will still have to be fought, the battle which concerns the faith in Jesus Christ, the divine Redeemer and His teaching ....

Amen

*The powerful voice of God ....*

*The end of the battle ....*

The voice of God will sound loudly and insistently and the fate of the nations will be decided upon for God Himself will, by means of the powers of nature, pronounce the decision. And nobody will be able to oppose His judgement for it will be just and will strike those people who have caused great misery and who don't want to acknowledge their wrong. It will be an exceedingly sad event and countless people will lose their lives, and the event is also unstoppable because people cannot be shaken by anything that human will manages to accomplish and will therefore have to be disturbed by an event which cannot be turned away or terminated by human will, and it will for this reason cause great horror because everyone will visualize death facing them and will have to get ready for the transitory end. And this event is moving closer and closer, day by day passes by without the changing of mankind, and the forbearance of God keeps on waiting in order to still grant an opportunity to mankind to change until His voice will sound.

But now the world event, too, is turning towards its end because the natural phenomenon is preparing itself, because the interior of the earth is turning into a turmoil and is just waiting for the moment where God grants the natural powers freedom to unleash. For people find no end to it; that's why God intervenes and puts a stop to it. Bad happenings are terminated but even worse ones will be their consequences, for people are in terrible distress and are at a great loss in facing the natural powers. They can't either flee nor halt or reduce their [the power's] raging, they are at their mercy and have but one Savior whom they can entrust themselves in their misery, Whom they can call upon for help and who has the power to help them.

Yet, only a few accept Him, few feel they are guilty, humbly awaiting His judgement in recognition of their sinfulness. And God will certainly look after those few in the hours of destruction which divine will is going to call for because there's no other way for the spiritual need to be eliminated and the earthly misery, caused by human will, is continuously increased. And because people are finding no end to it, God establishes the end

of a battle involving the whole earth. And there will be a cry of horror rebounding from across the earth leaving people petrified, for the extent of the catastrophe leaves everybody prick up their ears and trembling for a [possible] repetition. And this is the intention of God for the whole humanity to take part of it, to listen to His judgement, to recognize the guilty ones and [also] God's righteousness. Because every fighting party still believes to be in the right; power alone and not the right is still being valued and God's blessing cannot remain on actions that are detestable, because they violate against the divine commandment of love ...

And God will punish people with the same they do ....only, His work of destruction is much more colossal so that He may by that be recognized by them. For the spiritual, too, still constrained, is indignant when torn away from the divine order and feels this condition painfully ; even though it became free by human will it cannot enjoy its freedom for it is not the freedom of completeness, but it's because the opportunity of an activity is taken away from the spiritual, about which it is indignant. And it will get active wherever there is an opportunity given to it. But, particularly, it will combine with the still bound spiritual and try to entice it, to likewise blast its shell, at which action it is supportive. By that, it tries to force man to again act constructively for the purpose of providing new possibilities to enter new creations, as a continuation for its development.

And God does not hinder the spiritual having become free by human will, as He also gives His consent when matter in the interior of the earth moves, when the spiritual strives for the light and attempts to blast its shell. For a short time, God withdraws His will and He lets the will of the spiritual have its way which, however since it is still completely immature, means a work of destruction of a monstrous extent. And thus the human will is opposed by another will which outdoes the first one, seemingly lacking every divine love and wisdom and which finds the full consent of God.

Yet mankind does not bow down before God, it does not put an end to their battle of annihilation, it is possessed by demons, and lets themselves be driven by them. It is more and more enslaved to the evil power and proves this by its works and actions. And in order to put a stop to this decline God's will and omnipotence steps into obvious action. He shakes the earth and mankind with it so that it may come to its senses and change. For it is

the last time that there can still be used for the souls. And therefore God lets His voice sound powerfully and massively, and He calls upon people: Put a stop to your raging, which means dragging your souls into ruin; change before it is too late and remember Him Who rules over heaven and earth Who is your Creator and Sustainer and Whose love you treat with disrespect. You on your earth, take heed for it is about to happen ....

Amen

*The termination of the fight ....*

*Spatial separation ....*

Whatever there is useful to you, that you will get to hear if you're letting yourselves be taught by Me, Myself, and also pay attention to My voice which is softly perceptible within you. You've got an exceedingly incorrect view of the continuous course of the world-happenings if you assume any one of the fighting powers to emerge as a winner from the struggle, for My will has determined differently because not the physical well-being but the well-being of the souls is to be promoted which necessitates a complete change of one's life but which can only take place when all the earthly plans are invalid and mankind faces an extraordinary event that shakes their thinking.

A normal end of the struggle of the nations would not result in a change of the ordinary life. Furthermore, none of the fighting powers are innocent and thus none of the powers is legitimately entitled to the victory. And that's why I thwart man's plans, no matter what outcome. I render all their expectations void and I provide a solution nobody is expecting and is also not welcome to anybody for I bring the fight to a close in a way so it cannot be continued, even though man would be willing to do so. For I physically separate the fighting parties from each other, I let natural obstacles come into being that cannot be overcome so easily. And I thus take any possibility away from man to keep fighting against each other. And thus the struggle of the nations against each other comes to an abrupt halt. It won't be a decision, it won't be a defeating of a power, but mankind will see that their

power is at a dead end and the divine power needs to be accepted, which is recognizable most distinctly at this outcome.

I will bring about the end and certainly, by that, punish the guilty ones severely, for in their assumption of sure victory they see themselves deceived, they see themselves weakened and without success and are confronted by a great misery and great poverty. And this end I have announced a long time ago already so that you, who are still doubting, have the truth of My word proven by that. When the culmination of atrocity on the part of humanity has been reached, I put an end to it so that the world realizes by that there is a God in heaven who punishes sin, which surfaces so obviously; that it realizes it is not humans who determine the outcome, but it is I, Myself, and in a different way at that, than people expect it.

And the hour is not far away, and that's why I make Myself known to those who believe in My intervention and know about My intention, whom I appoint to point it out to people and whom I send as prophets amongst mankind. For it is to be warned beforehand because I will never let such a happening come upon mankind without informing them so that they seriously consider the well-being of their souls and prepare themselves. For nobody knows as to who will be affected by it. My intervention will call for many victims everywhere where it will take place.

Amen

## God intervenes by means of a natural disaster

*Divine intervention ....*

*Prediction ....*

It is a futile battle which the people of the world are waging against each other, for it will not result in a satisfactory outcome. The Lord of heaven and of earth has decided that this shall be concluded in a different way to that which the world is hoping for. But this end will be indescribable. The battle noise will be drowned out by God's voice resounding from above .... It will cause tremendous confusion amongst people since no human

command will be able to stop it, and people will be powerless and will have to submit to everything that is sent to them by the Lord. And then it will be left up to each individual person to recognise the hand of God and submit to it or revolt against his personal fate. For it is intended that people's thoughts shall be forcibly directed towards God, and blessed is he who finds this path and recognises God as the Originator of all happenings and commends himself to Him and His mercy.

Yet there will only be a few, for people are spiritually deluded, their modern explanations have made them lose faith in a Being Which determines everything on earth, and their lofty attitude makes it difficult for them to find the way back to God, and this spiritual arrogance will be their downfall. Only someone who feels small and powerless and calls upon God for help will keep his life, even if he will physically lose it .... Yet anyone who believes they do not need God's help will forfeit his mortal and spiritual life .... And even if God allows him to keep his earthly life, it will only be an act of greatest mercy so that he shall still gain realisation on earth after all .... For the Lord knows the hearts of people, He looks into the furthest corners, He recognises every stirring and will not let anything perish that can still be saved. And anyone who calls upon the Lord for help within the midst of terror will feel a wonderful calm enter his heart, he will suddenly realise the worthlessness of earthly life if it is not accompanied by profound faith, and this realisation will let him willingly surrender what previously appeared desirable to him.

He will readily submit himself to the Lord and accept what he receives from His hand .... life or death .... However, he will only surrender his body in order to awaken to life in the beyond. And thus his departure from the world will not be his ruin but his resurrection into a better life. Divine will puts everyone in their place, He takes a person from the world when the time for his end has come, and He returns to the world those whose earthly life is not over yet .... For nothing happens arbitrarily but everything is determined by God's wisdom and love. Yet if a person cannot recognise God's hand even then, his soul will suffer serious hardship, for it will have no other means of salvation .... It has infinitely extended its distance from God during its earthly existence and strives towards the state of banishment again; hence its life on earth is utterly pointless, since it does

not recognise God. And for the sake of such souls God will let His powerful voice be heard .... But if this call also dies away unheard, the fate of these souls will only be eternal damnation ....

Amen

*The intervention of God ....*

The incomprehensible is going to happen. God Himself will speak to people in a manner that will cause fear and horror. Soon the time will be present, for mankind cannot expect consideration anymore since it is completely devoid of any love. It will itself cause to start the ball rolling, it draws itself the intervention near, it continuously violates against the commandments of God, against the commandment of love for God and the love for the neighbor. And without consideration, it carries out actions that are satanic and are bound to lead to one's ruin unless God intervenes and, by doing so, yet saves souls who find their way to Him in distress. And this is the sign of the time God has proclaimed long ago: a hot, bitter fight will precede it whose end God determines because He wants to make Himself and His power recognizable. He, Himself, terminates the fight, yet differently than people expect. By means of His intervention, that is also of decisive importance for the whole world, He leads the world happenings into other tracks. And people will have to see they are powerless and a higher Power conducts the world happenings. And they have to submit to this One.

The misery, caused by human will that was unbearable for many already, will be severe; but now they will have to struggle with measures of objectionable nature that God Himself sends their way, and they cannot revolt against it because they cannot call on somebody to give account for it. But the behavior of man prior to that cannot be called human anymore and thus God shows His power to them. Where man before wanted to prove its power and proceed with all atrocity against their neighbors, there God shows Himself in His action; and towards Him all are weak and powerless and their shameful raging falls back unto them who, without mercy, want to bring nothing but destruction simply because they feel powerful. It is

a chaos that cannot be depicted any worse when people let their feelings of hate and vengeance show, and this will of destruction means a disintegrating of that which the Lord God has created before it has reached its destination. A steady destructive urge is typical to mankind of the present time and this is a sign they are enslaved to the power that tries to destroy everything in order to prevent the spiritual within to draw closer to God.

Man is not aware of the terrible consequences of a forceful destroying of created things, be it human, animal or solid matter, as to how the immature spiritual within rages and causes havoc and what turmoil this signifies in the spiritual world. The souls of humans are plagued and are detrimentally affected and even the believers feel the influence and are disheartened and discouraged. And a mighty will has to put a stop to it for the spiritual sake that endeavors to get near God and now is about to be pushed away by the opponent of God by means of his compliant servants on earth. And that's why, immediately after the implementation of a plan that will exceed everything in regard to dreadfulness thought up by man so far, God will let His voice sound. There's only a little time left, first a horrible event has to take place so that the whole world pays attention and the better hears the voice of God. There are many victims as yet who'll have to buy it, i.e.: to give their lives for a dishonest cause so that people who are in need of a bright insight pay heed, for they all contribute to the chaos and thus are also part of the blame, unless they recognize their wrong and turn away from it.

The divine Voice is continuously reminding and warning, It keeps pointing everyone to the wrong but It also requires that attention be paid to It or else it will sound loud and ringing and be a terror to all and pronounce a judgment according to right and justness. For the blame is universal and only those who detest the behavior of mankind and want to belong to God are to be acquitted, for they recognize the wrong and fear the wrath of God to strike the evil-doers. And the hour will come suddenly and unexpectedly, for it is the last great favor prior to the end for the purpose of converting anyone not walking along carelessly but recognizing God in the natural happening, which is inevitable according to the will of God.

Amen

*Approach of a star ....*

Open your hearts wide, be ready to receive My light of love from above and listen to Me: A sure sign of the approaching end is the visible appearance of a star which will move into the direction of your earth and yet takes a peculiar course .... it will often withdraw from your sight and then suddenly appear again, because it will be accompanied by impenetrable nebulae which every now and then will disperse only to condense anew ....

You humans will experience something previously unknown to you as the effect of this star upon your earth is such that you will become alarmed because you fear that the earth could fall victim to this unknown star which will cause perceptible disturbances on earth which are, however, inexplicable to you. Some people on earth won't allow themselves to be shocked by anything that happens to them .... but who will now lose their composure because they can see themselves as well as the whole earth at the mercy of natural forces which they fear because they are unable to defy them.

And for the sake of these people `are the powers of heaven moving ....' I particularly want to address these people in order to achieve that they will entrust themselves to a God and Creator as soon as they realise that they are completely helpless .... What human will initiates .... no matter how dreadful its effect .... does not upset such people, yet they will become small and weak when they see themselves at the mercy of natural forces. And then it is possible that they will take refuge to Him, Who is Lord of all creation .... then it is possible that in their greatest need they will find Me .... This natural spectacle will cause enormous turmoil amongst people and the fear will not be unjustified either because, regardless of the strange phenomena accompanying the star, it will steadily move closer to earth and a collision will appear inevitable according to the calculations of those who discovered and followed its course. But I predicted long ago that `I will send you an enemy from the sky ....', that a natural disaster of immense proportions lies ahead of you which will precede the final end .... i.e. the complete transformation of the earth's surface .... and which will

result in countless victims .... Time after time I draw your attention to it, and My Word is truth and will come to pass .... Yet you are informed of it beforehand so that you humans may become aware of My will and My power .... because you should know that nothing can take place without My will and that nothing happens without meaning and purpose .... that My thoughts are with those who are entirely without faith but whom I nevertheless don't want to lose to My adversary ....

And for that reason you humans should know what lies ahead of you so that you may find faith easier when in your great need you think of Him, Who is Lord of heaven and earth .... of all stars and worlds and to Whose will everything is subordinate .... You receive knowledge of this in advance because it can help you find faith if you are of good will .... A disaster will come over you .... but for every one of you it can also be a blessing if he gains life for his soul in that way, even if he should meet with earthly death .... if he calls upon Me in his need ....

Amen

*Revelation 16, 18 ....*

*A star ....*

An enormous quake will shake the earth; spiritually as well as physically the earth will face a tremor humans have never experienced as yet, since the beginning of this epoch. But this is prophesied for it is the initiation to the end that will follow not long after that. There is no long period left and your attention to this is pressing more and more because you are to make use of everyday yet to help maturing your soul, for the time is short and you are approaching the very end with giant steps. And there will follow a long night for all who have not made use of the day to work for the well-being of the soul. For there will be just a few to survive this last end and to be allowed to live on the new earth, a few only will stand firm in the last battle on this earth.

Again and again, the signs of the end are being presented to you humans and the last colossal sign is the great quake. The way it will come about you were told already: A star leaves its orbit and heads for the earth with

gigantic speed. The reason why you don't know anything about it as yet is due to the great distance this star will have to cover yet until it enters the focus range of those who will notice it. But at that point the excitement will be big because everybody recognizes the danger the star "earth" now is in but nobody can do anything about it to remove the danger. And, since you're aware of it, this last short time you ought to utilize especially well, for none of you knows as to whether or not he will survive the event. None of you knows which part of the earth will be particularly befallen and nobody should count on being spared, for it is the last big reminding-call of God which He still lets sound prior to the end in order to find faith for just this end and a turn around of the few who are not quite enslaved to the adversary altogether as yet.

Do not think lightly about these prophecies, do not let yourselves be disconcerted by the apparent work of building up you can observe from the side of the world, but be aware that the shadows of annihilation are already showing up. There's not much time left to pass by until you will receive word of that disaster approaching you in the form of a star to be hurled out of its orbit because it is God's will that the earth be stricken by a quake that is meant to, and can possibly save those people who's will is good. There truly won't be a lack of signs for the close end but this one sign has a tremendous effect and many people will lose their life in the course of it. And no one will be able to play deaf, for it is too enormous than that it couldn't possibly touch everybody. Only, the success is different, for people will partly revive their weak faith and again return to God, but also partly lose their weak faith and completely turn to the opponent which will be expressed in chasing after material possessions, mostly in an illegitimate manner. And there will be a great misery amongst people. And that's when the true faith will prove itself, which means help for every person who faithfully submits to God. For He will help all those who want to be His, who in their greatest affliction remember Him Who alone is able to help. And the time will begin where there will have to be performed proper vineyard work for the sake of helping all those who are still weak in the spirit and are to experience a strengthening of their faith. For that's when the time of the last struggle of faith will follow that will still demand a last decision of the believers; yet, whoever will be steadfast until the end shall

be blessed.

Amen

*Catastrophe ....*

*Prediction ....*

Undivided attention is necessary in order to be able to receive the following proclamation: Divine Wisdom has intended an event the effects of which will be dreadful. A disaster shall develop in the very near future which can neither be prevented nor diminished by way of earthly efforts. Countless spiritual beings will move into action and, on behalf of divine instruction, turn the interior of the earth into upheaval, the earth will split open and masses of water will burst through; an act of destruction of catastrophic proportions will take place which will bring indescribable misery upon the people who will be affected by it. And this will happen very soon .... For you humans will only deem yourselves powerful and safe from all danger for a little time longer; you only observe world events around yourselves and feel secure and out of danger .... yet you forget that there is a Power in charge of everything in, on and above the earth.

And since you forget the One Who reigns in accordance with His will, He shall speak to you through the forces of nature and you will have to listen to Him, for you will be unable to escape His voice. You pay no attention to instructions from above, suffering on earth doesn't change your thinking, yet you will be unable to drown out the divine voice since it is stronger than all the noise in the world. And therefore it is proclaimed to you in advance, so that you will recognise the Lord when His voice resounds .... Admittedly, the world does not want to hear anything about it, it will try to control the great adversity with purely earthly means and constantly negate divine activity. And many will agree with this opinion and thus only see the misery but do not recognise the divine will which, for the sake of humanity's improvement, will expose whole stretches of land to destruction. And this time it will announce itself by the fact that a country will be affected by an unmerited pestilence which will subsequently get this country into very serious difficulties, and since no earthly help will

seem possible anymore God Himself will step into action and instruct the elements of nature to intervene in earthly measures.

And whoever deemed himself great before will become small, for he will need all his resources in order to rebuild what was destroyed. People will be needed for the reconstruction of his own country which, having previously flourished, will be desolate and bare and require many workers. And this is the time when people will reflect on different questions than before. For anyone who survives this time will truly enjoy God's favour .... He has testified to being united with the Lord ... in greatest distress he had sent his thoughts to the Father in heaven, and the Father answered the prayer of a human being who had recognised and found Him in most severe adversity. After all, He only sends severe suffering upon humanity so that it shall find its faith in God again .... And thus He will also have to forcibly raise the utterly destroyed faith again by demonstrating His omnipotence to people and showing the world that He is Lord over heaven and earth ....

Amen

*The raging elements of nature ....*

The magnitude of the Almighty will become apparent at a time when the elements of nature rage and cause indescribable damage. Then the hour will have come when people's spiritual decline becomes visible for nothing will remind them of God, nothing will move them to pray, for they will have lost their belief in a God and thus will not call upon Him in their need. Hence humanity cannot stay on earth any longer, for it fails to consider its actual purpose of earthly life and only contributes towards destroying the faith of the few people who are not yet entirely estranged from God, causing them to abandon God as well. God's love, however, will prevent the latter from being harmed and will therefore forcibly terminate the lives of those who threaten to endanger the souls.

And there will be great distress when the raging of the elements begins. It will be like a storm which threatens to destroy everything; people will be unable to defend themselves against it for they are like fragile stalks which get bent by the gales .... They will want to flee yet be unable to escape

the elements, without God's help their resistance will be too feeble, yet a heartfelt call to God will restrain the power of the elements, and anyone who entrusts himself to God in his peril will be saved. But God will be very close to you during this disaster, He will affect everyone's thoughts and for the last time offer you His hand so that you may take hold of it and let yourselves be saved .... Yet He cannot force your will, you must voluntarily acknowledge Him and desire His help. There is no other way to lead humanity out of spiritual darkness into the light other than through an event caused by natural forces which create such turmoil in people that no one can escape it. Confronted by these natural elements they will have to recognise their helplessness; they will have to lose all other help so that they realise the end of their physical life, only then will there be a slight prospect that they will remember the Lord Who is entitled to all power and Who controls heaven and earth.

God's living creations separated themselves from Him and have remained separate from God for an infinitely long time, yet a moment of extreme crisis and danger can bridge this separation. The soul can return to God, and as a result will even thank God for the indescribable suffering which brought it to its senses. Yet this moment when the soul directs its will towards God cannot be forcibly induced by God in spite of greatest love. God's love has tried everything to bring salvation to the souls and point them to the path of ascent. Yet people's will was strong and God cannot break this will but only affect the human being such that he changes his will himself and turns it towards God. This natural event is thus the final attempt to influence the human will in the most favourable way. But this natural event will also be so powerful that His Own will need great strength in order to remain firm in faith; and everyone who pleadingly sends his thoughts up to God will also be given this strength, for the Father knows the adversity of His children and will lovingly support them if they are in danger of wavering. For His kingdom on earth shall remain, and extensive work will have to be carried out in order to proclaim the divine kingdom to those who had found God and desire His Word. And this is the time the Lord is thinking of by making His Word accessible to people already .... the seed shall fall unto good ground and yield rich fruit on the field which the

Lord first wants to purge from all weeds ....

Amen

*Sequence of the catastrophic event ....*

The teachers in the beyond always try to help you in the same way and seek to make you more receptive, yet your heart is not always willing to receive, creating obstacles which make the reception more difficult. Undivided attention has to be paid to the gifts of heaven and all earthly thoughts avoided, then the thoughts of the friends in the beyond will find easier access.

Divine love sends messengers to you who shall reinforce your willingness to receive. They bring you a revelation that describes in an understandable way the sequence of the catastrophes which shall decide the life and death of each individual person.

Only few people take notice of the signs of the coming time. They are indeed surprised about obvious changes or irregularities in nature but nevertheless dismiss it carelessly. They don't recognise therein an expression of God's will but merely put it down as a coincidence. And thus, to begin with they do not pay any attention to these manifestations when the natural event approaches. People will first be made aware of the advancing tempest by whirlwinds. This will happen so suddenly that men and animals will find themselves in great difficulty for they will barely be able to manage against the violent storm, and this will be the start ....

Every now and then violent earth tremors will be felt and the sky will grow dark, a thunderous roar will be heard which will be so dreadful that it sends people and animals alike into panic so that they try to save themselves by escaping. Yet the darkness will stop them and as their distress becomes intense, the roaring grows ever louder, and the earthly tremors ever more violent, the earth will open up and huge masses of water will break through from within the earth. And as far as the eye can see .... water and darkness and an indescribable chaos amongst people who realise their horrendous situation with utmost distress. The days before will be so

glorious that people are to some extent light-hearted and the change will come so suddenly that no one can take earthly precautions, which will be entirely pointless anyway for no earthly power can defend against these elements. Only the devout person will feel the divine omnipotence now .... and entrusts himself to his Creator .... And although his heart will tremble and know fear when he sees the raging of the elements he will nevertheless wait patiently until help arrives, for he will continue to send his thoughts up to Him above.

Anyone who has grasped the meaning and purpose of life knows that now the time of decision has come for every individual person. And he will try to administer spiritual help wherever possible, he will comfort those who are miserable and refer them to God, he will help by kindling a small light in utter darkness .... For God will give them the opportunity to work for Him .... Those who have recognised Him and offer themselves to be of service to Him will be assigned a rich field of activity, and the seed will fall on good ground, for God spares those who look up to Him or find Him in greatest adversity ....

*Prediction of a natural disaster ....*

*Dead sections ....*

An enormous event will precede the last end that is bound to make people who survive it think. It will be an omen of the end, a devastation on a small scale in comparison to the last work of annihilation of this earth, yet of such an extent never experienced by mankind from the beginning of this earth. It is a natural happening that will throw all people who are affected by it or hear of it into a turmoil, for the consequences of the incidents are too enormous as to go unnoticed. There will be created so-called dead-earth sections that show no life at all because the transpiration of the earth on those areas choke out every life. There will be a visible influence of natural forces noticed so that this phenomenon will not be traceable back to human influence because I want to reveal Myself by means of the occurrence in

order to substantiate the near end, which is continuously announced by seers and prophets on My behalf.

Renewed sorrow is imminent to people and they cannot be spared of this sorrow as long as they still pay their tribute to the world and pay their respect to Me just on-the-way-by. They need to search for Me in order for Me to be found and this can only be accomplished by means of such an event that cannot be brought in context with work of man. They'll have to feel a higher power behind it and to entrust themselves in their earthly distress to this power. But that's why they need to be subject to this power for the sake of taking resort to it on their own. Earthly speaking, they have to be without help in order to visibly feel the help from above. That's why a violent storm will emerge that uproots and jolts up everything. The earth will split open and from above and below people will be at the mercy of the elements against which they won't be able to battle because their strength won't be sufficient. An unbearable heat will already render people unable and dull before and apathetically they watch the first phenomena in nature until they then recognize their grim situation and now nearly brutally fight for their life, which they fear to lose.

And all those who are of good will I will stand by in their need and I will give them knowledge so they will see My ruling and working in all the happenings and from this insight also teach their neighbors and encourage them to turn to Me and to preach to them about My love, wisdom and omnipotence so that they may call upon Me when in danger. And I will be their guide and throughout all of the distress all those who believe in Me and are willing to serve Me in the last time prior to the end shall be saved.

For shortly after these happenings the destruction of the old earth [surface] will follow, as it is written. Yet, people are not to experience this destruction unprepared and that's why I send ahead a shadow as a last indication, to be believed, so that people will not enter their eternal ruin but are able to be saved, if making use of their will in the appropriate manner.

Amen

*A natural event ....*

*Victims of good and bad people ....*

At the hour of severest distress many people will call upon God but not every call will come from the heart because the danger they are in takes away all their ability to think and thus they will merely address God with their lips and their prayer will go unheard. Only those who are capable to send their thoughts to Him, even though just for moments, God will stand by them either to save them from the trouble of their bodies or else, prior to the end, to still offer mercy to their soul. It is not always death to be considered the greatest evil, for if a person facing death still has found one's way to God it thus has been an effective means towards one's salvation, which is worth more than the preservation of the physical life in spiritual darkness. And that's why countless people will loose their life within a short time, partly as a warning to the fellow man, partly for the sake of their own spiritual need.

But just ones, too, whose course of life is finished according to God's will, are called from this earth to their Maker. For wherever God Himself is recognizable at the revolting of the forces of nature that are subject to God's will, there His will is also decisive as to who becomes a victim of these happenings. Mature and immature ones will have to leave this earth, yet, if prior to one's death a soul has gotten to know God, the one's spiritual development in the beyond is guaranteed and the finished earthly life is nothing but a blessing for the one. And the earthly distress will be severe and will offer the possibility to everybody yet to find one's way back to God; for the natural event will announce itself beforehand. Unusual signs will indicate an unusual event so that every person can still reflect on oneself, and one will also by means of one's neighbors be directed to the highest power, the director of heaven and earth, to the point where the one has time and the opportunity to combine with Him by means of intimate prayer.

But by now the remoteness of mankind from God shows, for just a few accept Him, just a few turn to Him for protection and help in their fear and affliction. Most of them turn Him away, intentionally and unintentionally,

they watch the spectacle of nature, continuously hoping for a soon termination and the hour of distress therefore hits them the more severely because they feel completely left abandoned, since they lack any faith altogether. Yet of these distant-from-God people many remain alive to whom God still gives the opportunity to see the light afterwards. Good and bad people will lose their life and good and bad people will keep their life, for this catastrophe of nature is not yet a separation of the spirits but only a last reminder prior to the final judgment, the former of which all people ought to draw for their mental use. Yet, it is up to them as to how they want to utilize this last reminder. They can get to see the light prior to or after the disastrous night, but they can also stick to their old way of thinking and the great happening might as well be without impression upon their souls.

And, afterwards, too, there will be people at work hostile to God; out to destroy any faith in God and they will put emphasis to this natural event as to be their strongest proof of His non-existence; they will emerge as greatest deniers of God from a happening meant to lead them back to faith. And that's why it's obvious the struggle will flare up between those who were made strong and faithful by the happenings and those who have survived it in spite of their unbelief. And after mankind has been granted yet a short time of grace afterwards until the last judgment, thus everything will be approaching the end ....

Amen

*The last catastrophe ....*

God's voice will get through and get people who thoughtlessly sleep to wake up, even though they are in grave danger. To those who let themselves be awakened and recognize His voice, a light will be shining, leading them out from the dark night. However, whoever does not pay attention to His voice, that one's fate has been decided upon for eternal times. But the one who has created all of you does not leave you without warning when difficulties hit the earth, which are planned in the salvation plan of God from eternity. Again and again He warns and reminds people in speaking to them by the most various ways; and the ones who pay attention to His faint voice when

they perceive it, won't be frightened by the coming events when He will speak with the voice of thunder to all who, until now, kept their ears shut from His words of love and mercy.

And He will, by means of the forces of nature, speak to them and none of them will be able to ignore this voice; for people are endangered and as they fear for their life the possibility of turning their thoughts to Him Who is mighty exists, Whom they accept as God and Creator. And in calling upon Him they are also saved for time and eternity. But whoever then will still be stubborn, will not be spared the terrible lot of the re-capture into matter. And there won't be much time to pass on any more until all of you people will be startled by an announcement of an inestimable catastrophe and you will be petrified of the disaster that has affected countless people. But it is prophesied to you from the beginning of this earth-period; because it is included in the salvation plan of God from eternity.

But people never ever think of a natural happening of such extent to be possible at all; and to those who survive it it will be given a very thorough proof of a higher power at work, that all the earthly will pass away and man is at the mercy of that power when not joined to It on one's own, and to be dedicated to the God and Father, asking Him for mercy. For He only wants to reveal Himself to mankind in distinctly speaking to it, so they'll have to hear His voice. And in repeatedly pointing this out He only wants to achieve their joining to Him beforehand in order to then be able to withstand and also to experience His protection when the day of horror has arrived.

Yet His announcements by seers and prophets are not believed; and even though man is from time to time stricken by divine interventions on a small scale, it's just merely the affected ones who are touched, but the others remain indifferent just as soon as the first horror has passed. And there's just little spiritual gain to be noticed. Yet, to all those who let God Himself speak to themselves, who believed His words and who therefore belong to His people, messages shall again and again be passed on of the occurrence of that immense natural happening to be not far away. They are to draw strength from His word because they will need just that in order to remain steadfast and to pass on comfort and enlightenment to their neighbors who are in deepest physical and spiritual need. And every prayer

that reaches Him He will listen to and will grant strength and help to all who call upon God, their Creator, in deepest distress. And every prayer that reaches His ear He will listen to and grant strength and help to all those who call upon their God and Creator. And even though they'll have to give their life, they have found their ties to God and now don't have to dread anymore the lot of those who are entirely devoid of any faith and therefore still belong to the one who wants to bring ruin upon them.

There will yet an opportunity be given to all people to get to know their God and Creator and every individual person decides upon one's own lot. And the most horrible happenings for man can be the way to Him, the Might of Whom he/she once emerged from. And hence it was a blessing for the one, even though countless people are snatched away. They may enter into the other kingdom with a glimpse of light in the heart when they, yet at last, did get to know and accept their God and Creator, when they call upon Him in deepest distress who then also reveals Himself to them.

Do believe it you people, you are approaching this event that will unexpectedly descend upon you and is such a distinct voice from above that everybody who is of good will ought to recognize it. And everyone will hear it, for it is powerful and is yet a last reminder, for shortly after that the end comes like proclaimed.

Amen

## The consequences of the natural disaster

BD 2246

received 28.02.1942

*Catastrophe ....*

The approaching bad weather catastrophe is of crucial importance for all people insofar as that it will also change world events, and that people will then be facing other responsibilities and happenings whose effects are no less difficult and distressing. The survivors will have to go through worrying times at first, for they won't know if and when this natural disaster will repeat itself. Also, many people won't know the whereabouts of their loved ones, many will stay behind all alone and forsaken, and sorrow and grief

will be everywhere, there will hardly be a house without unhappy people, and in the country where God's voice has spoken there will be no town without ruins. And then love will have to prove itself, and one will have to help bear the suffering of the other if people want to live a life which is at least endurable and not despair altogether. The suffering on earth has taken on different shapes but people cannot be entirely alleviated of it as long as they haven't converted to God and tried to fulfil their spiritual task. And this is why even those who so far have remained untouched by world events will have to be affected. And thus the world conflagration will be followed by an incredibly difficult time which is felt wherever heartlessness is prevalent.

People cannot imagine that a natural disaster of this magnitude is about to happen on earth, and at first its extent will not be recognised either, for it will take a long time before the news of it will have travelled around the world, and this uncertainty worsens the suffering and worry, since all outside contact will have been cut off and will be difficult to re-establish. And the ruling authority will put pressure on people and bring them in to carry out work which will almost go beyond their strength, and they will be unable to defend themselves and live a wretched life without any prospect of improvement. And yet, such suffering is necessary if people are to be lead to their real purpose, that is, to establish contact with God and to appeal to Him for advice and help. And then the Word of God shall be made accessible to them, then they shall be informed of God's activity, of His will and His divine teaching of love, then they shall be referred to life after death, to the transience of all worldly things, to the meaning and purpose of earthly life and their task, which consists of shaping their souls and of living a way of life on earth which corresponds to God's will ....

The hour will soon arrive when God will speak to humanity such that it will turn the whole world into turmoil. For one night will bring unspeakable misery to those people whose countries will be affected by this disaster, and the dawning day will be dreadful, for it will present the survivors with a sight of devastation which exceeds all fears and all imagination. Yet God's will is irrevocable, for He knows that human thinking needs to be shaken up, he know the souls'adversity, and in order to help them in their adversity

everything will come to pass as it has been predestined since eternity ....

Amen

*Most basic way of life in the coming time ....*

*The individual person's fate ....*

The coming time will bring a tremendous change of the existing living conditions and people will be forced to lead a completely different life in the midst of disorder and dreadful chaos, for the forthcoming natural disaster will cause immense destruction and it will take a long time until the former order can be restored again. Every person will have to content himself with a most basic way of life, he will be unable to lay any kind of claim to a comfortable life and be exposed to deprivations and tribulations which seem almost unbearable to him. And yet he will often ask himself the question of why he is subjected to this aggravated life and be unable to give any other answer than that the state of his soul needs this test. And if he comes to this conclusion by himself he will also try to adapt to the aggravated living conditions and as compensation envisage an easier life in the beyond, in which case it will also become more bearable on earth, for he should come to the realisation that everything that befalls people corresponds to God's eternal counsel. And then he will also have a compassionate heart for his fellow human being, he will help wherever it is feasible and those who believe in God and are striving towards Him will mutually ease the adversity. For love dwells within them and this helps to endure and overcome everything because it provides the human being with strength from God, Who is love Itself. The human being's attitude towards their neighbours' hardship will determine how long he has to live in poverty and difficult living conditions on earth himself .... He can improve these by being willing to help his neighbour, for then God will also provide him with the opportunity to put his will into action by giving to him what he needs himself so that he can also share it with those who, like him, live in most wretched conditions and thus lead a tough existence.

The individual person's intelligence will not be decisive since it will not be able to accomplish much because all previous living conditions will have

changed and only utmost patience and a willingness to make sacrifices will make life bearable amongst each other. For it depends on this which kind of fate God will bestow upon the individual to endure. God Himself is love, and this love does not want people's suffering but their happiness; except that this happiness cannot be granted to them as long as they themselves do not recognise that God is love. However, in order to learn to recognise Him a heart has to become loving, and love generally awakens through great adversity and distress. And thus God has to send those upon humanity in order to fan the spark of love in every person's heart, and depending how he will then prove himself he will also be considered on the part of the eternal Deity. And so he can very quickly prepare a tolerable life for himself again if he also does everything on his part to ease his fellow human beings'adversity. And he will truly be offered enough opportunity to let his heart speak .... He will be able to be lovingly active in many different ways .... Spiritually as well as earthly demands will be made on him which he only needs to fulfil in order to also reduce his own hardship and make his life more bearable ....

Amen

*Changed living conditions ....*

*Worldly-minded people ....*

Entirely worldly orientated thinking will hardly adapt to the changing situations of life and will only continue to attend to its physical improvement, and this will stop the human being from working at improving his soul. Anyone who allows matter to become his master will never be able to overcome it, and anyone who does not use the loss of material possessions as an aid in overcoming them will strive with increased eagerness to increase them again, and if he is to be helped again it can only happen through renewed loss, so that he will learn to recognise the fleeting nature of matter and derive psychological benefit from it. However, all faith will also fall prey to increased earthly striving, and for this reason alone different camps will develop which are externally recognisable. Faithful people accept their difficult earthly situation as a Godsend and are therefore not interested in

increasing their earthly goods, whereas a person striving for possessions has lost faith in a Power that wants to reveal Itself through events which cause him material loss. His desire for the world dominates and thus he does not recognise God nor arrange his life in accordance with His will.

And thus a very busy time of activity will commence when people will want to improve their situation which has become extraordinarily difficult due to God's will. And then a person's way of thinking will become evident .... the loving person will help his fellow human being by making his life bearable, yet the heartless person will only want to rearrange his own life, he will do anything to provide himself with a good living standard again and not shy away from accomplishing it at his neighbour's expense. And it will soon become clearly apparent with whose support he works, who provides him with the energy for earthly activity and has taken possession of his soul in return. The believer, however, will also find help in every adversity, it just will not be externally visible, but God's strength will inundate him, he will also master every situation in life and always remain in contact with God, his faith will deepen, his love for matter diminish, and this means far greater progress than the increased earthly wealth of the former. For anyone who sells his soul for the sake of earthly life only takes the short time on earth into consideration, which can be over for him at any time. And he fails to think of eternity which will be incredibly painful for him because he will be bound by matter in the same way as on earth. And therefore the human being should try to detach himself from all desire for it, he should accept the difficult time in submission to God's will and join God even more closely the more helpless he is in an earthly respect .... For God will help him and reveal Himself to him through often miraculous help .... And the time of affliction will only be short for him, but infinitely long will be his life in the spiritual kingdom where he, liberated from all matter, will be indescribably happy because he had already become a conqueror of matter on earth ....

Amen

*The magnitude of the work of destruction ....*

You people cannot yet imagine the extent of the act of destruction by the will of God to take place, for it will outdo everything that there happened, ever. Countries and oceans will change, rivers will leave their shores and thus there are scenes created according to which people assume to be moved into other areas and by that an indescribable chaos arises already because people can't find each other anymore. Restlessly they will wander around until strong-willed people show up, trying to create order and look after the weak people. The misery will be so big that love only will bear it and wherever one will intercede for the other there will soon an ease and help be felt that will obviously be granted from above.

Whoever now turns to God and calls upon Him with all of one's heart, help shall be granted to the one, for now God with His love and omnipotence shows Himself so clearly to the point that it will be easy for the weak believer to attain a solid faith and this time is a time of grace for the unbeliever where, in light of the phenomena that are based on the strength of faith, one can still easily change. These phenomena will make everybody think but only the one willing to believe will reap the benefits from it whereas the others always just talk about an accident and bitterly face the severe misery, decline a Creator or condemn His actions. The size of the disaster cannot bring them to their senses, they try to find a natural explanation for everything and spiritual connections they reject altogether. In respect to the experiences of the neighbor they remain hard and insensitive and are not afraid to improve the condition for themselves at cost of the neighbors who are too weak to defend themselves.

Distress will be everywhere where God has spoken and He will speak wherever there is a most severe spiritual need so that the survivors will receive a warning signal for the purpose of utilizing the time until the end and also that people of the countries not concerned come to their senses in view of the catastrophe that is too enormous to be left without attention. For all mankind will get into the grip of fear the natural disaster might repeat itself and cause a complete destruction of the earth. Well, actually, this is going to happen but not immediately after the natural disaster.

Fear from that is but salutary for many since, in fact, the thought of a sudden passing away and the life after death becomes vivid and might bring about a change of one's life style. The world will want to intervene with help yet won't be able to do so to the extent that would be required. Nevertheless, every one person willing to love and to help will be blessed by God because the great misery comes upon people for the purpose of softening their hearts and to do justice to their proper task, to act in love on earth for the sake of gaining maturity of one's soul. As long as people just seek supply for themselves they remain in self-love and don't get ahead spiritually. The need of their neighbors, however, can let their actions in love become active and that's when they fulfill the will of God and their earthly duty as well. And then the most severe need is a blessing and it fulfills its purpose.

Amen

*The catastrophe and its consequences ....*

*Love for the neighbour ....*

You are all returning to the condition of the most primitive lifestyle, for only by that it is possible to get you to serve in love for the neighbor, which alone can redeem you. To all people is now given the opportunity to work in love but the free will is decisive as to how far the opportunity is utilized. And thus mankind is out to again create improved life conditions and just according to the will of the individual with just or unjust means at that, for there will be just a few serving but most of them letting themselves be served and at the expense of the neighbors to again attain prosperity, even though for a short time only, for very soon the end will follow.

But the preceding to the end is set from eternity. A partial destruction of inconceivable extent affecting vast areas of land and demanding countless human lives. So, for these people then the end has come, however, as a result of that their souls will enter the beyond yet. The last hour for this world has not yet come where also the portals to the spiritual kingdom will be shut. But to the survivors is yet granted a last reprieve, an exceedingly

hard earthly life that may still be called a time of grace though, that yields an increased maturity to many who are still of good will.

The great happenings [actually] should get all people thinking and have them seek contact with God but there are just a few who draw an advantage for their soul from that by entrusting themselves to their Creator and Father from eternity and asking Him for mercy and help. And to all those help shall be granted. For the misery will be big and so general that help from the outside cannot be expected. Only mutually people can help each other and in this love for the neighbor they will be strongly supported from above; they will be able to manage jobs that are actually beyond their strength. Yet the will to help will bring them extraordinary supply of strength, the will to help will have a blessed effect also on themselves so that the helpful person receives spiritually and physically what he/she is willing to pass on, and thus one's own need is removed by that as well. The power of faith and love will visibly appear and every person can ease one's lot by readily remembering one's neighbor and not just one's own need. It's for the sake of reviving love this great need comes upon you because only love can redeem you, and it continuously keeps cooling off the closer it is to the end. And whoever is still capable and willing to love won't be crushed down by the need but they will overcome it by virtue of one's love for the neighbor.

Still, there will be great sorrow everywhere. People will get torn apart, they won't have contact with each other anymore and everyone is now offered the opportunity to devote all one's energies for the ease of the surrounding plight. And man can accomplish a lot if just calling upon God for support and having a desire of help for others. But whoever makes use of one's neighbor and tries to take advantage of his need for one's own self will, at the end, be counted to the ones to be swallowed up by the earth at the last day. He will be counted to the ones to be damned because they turned into true devils and will have to share his [satan's] wages, who will be put in bondage and be again banned in the new earth for an endless long time.

Amen

*Serious warning about God's intervention and consequences ....*

Only a short time separates you from the day when My voice will so forcefully resound that it cannot be ignored by anyone .... You will not live in normal circumstances for much longer. But then there will be chaos and you humans will be faced by the immense task of making yours and your fellow human beings' lives more tolerable, to gain control of the chaos by helping in extraordinary ways and create bearable conditions again with the minimum means at your disposal. For those of you who live in the regions which will be hit by a natural disaster of inconceivable proportions will lose everything. You humans will not and cannot believe this as yet because a natural event like this has never been experienced before .... But the subsequent end of this earth still requires such an intervention on My part because I want to address humanity just once more in order to bring it to its senses, in order to still save those who are of good will. And nobody will be able to ignore this language, but whether they will open their hearts and ears will still be up to them. For even then most people will turn away from Me, they will remain in the isolation they had previously entered due to their unbelief, and they will look for and find all kinds of explanations for this event apart from the correct one being that I want to speak to them, that a God wants to reveal Himself and address them in order to bring them to their senses, in order to motivate them into contacting Him in greatest adversity and danger.

Countless people will lose their lives and the survivors will be faced by vast devastation, there will be such overwhelming adversity that only firm faith in Me and My help will be able to banish it which, however, only few people will possess. Earthly things which seem unattainable will nevertheless be possible with My help, and I will often work wonders where true believers trust in Me and My help. But the earth has to suffer an upheaval and human hearts, too, must be extraordinarily touched in order to help their neighbour in these hard times, and wherever this unselfish love, this will to help other people, expresses itself an obvious improvement of the situation will also take place. My forceful intervention only serves the purpose that people should put their `ego' aside for a change and practise unselfish

neighbourly love .... Then I will also be able to resolve their hardship, then I will be able to provide them with the bare essentials, and I will truly take care of those who reveal this unselfishness. Never before have such harsh conditions been experienced but I have to speak as distinctly as that so that everyone can recognise Me in My might, and anyone who pays attention to the extraordinary help which could not humanly be expected will also be able to recognise My love. Anyone who merely establishes or strengthens a heartfelt bond with Me can always also be assured of My help, yet people without faith will be in serious trouble. They will try to help themselves and often at the expense of their fellow human beings .... but they will not derive any benefit from it, neither earthly nor spiritually ....

Not much time will pass until this disastrous event takes place but you humans are being made aware of it and that, in itself, is already an incredible grace, for then you will also know **Whom** you must contact, **Who** can help you in extreme adversity and danger .... This is why I announce this event time and again, and anyone who listens should appeal for a firm faith, for strength and vigour, in order to remain steadfast. In that case he will indeed take the path to Me, **Who** alone can help him in this adversity .... And he will not need to fear anything, for I will take care of My Own, no matter how .... And anyone belongs to My Own who believes in Me, who prays to Me, who thus unites with Me and therefore can always be assured of My protection and My help .... And they have the task of referring their fellow human beings to Me so that they, too, will take the path to Me when the hour comes which will decide the weal and woe of all people ....

Amen

## Strength in need through God's word

BD 3741

*The fulfilling of the predictions ....*

*Proof for the unbelievers ....*

None of My predictions will be unfulfilled because the urgency of the time that is far more severe spiritually than physically calls for it. And in observing the behavior of mankind, in taking a closer look at the thinking and endeavoring of people you, too, will see the urgency of a change of all the conditions of life, because only by such it is possible to change people. And that's why you can count on a soon change, for the time has elapsed. The need up till now has been without progress and thus yet a bigger need only can offer a last possibility and this one will irrevocably come by My will. For I will turn Myself into focus and will be recognized by everyone who is of good will.

Whatever human will, human hate and unlovingness has accomplished so far will yet be surpassed by My will: Annihilation and destruction will also take from you what you believe to own in regard to earthly goods. People need to get into a low that causes them to call for help by Me if salvation is to be provided for them prior to end. They need to understand that any earthly directed hope will be in vain, and it is only then when a few will look into spiritual matters and it is for the sake of these few I'm going for a last resort before the arrival of the end. However, the time period that follows My last rescue operation will be hard for everyone, believers and unbelievers alike, except the believers will continuously receive strength in order to keep going. The faith of many people will become shaky if it is not a living faith. And this is My intention that a dead faith be reawakened by that too, because it would otherwise be of no value for the eternity. Those people bare of and those weak in faith I will help by My voice which will sound loud and audible. However, there will be a big falling away from Me, the last storm will shake off many unsuitable fruit. Yet, by that I won't be deterred to let the storm go across the earth. The one who is steadfast will prove to be reliable for eternity.

And so, then, do not doubt My word, await the day that will arrive with certainty and, until then, make use of every day because you can still win many by being active at the work for your soul. Every day of the misery can yield spiritual success to you as long as you think of Me, as long as you keep aware that nothing can happen without My will or My permission. And, relieved, cast all your worries upon Me and I will help you bear what I, for the sake of your souls, impose on you. The time will pass by you in a hurry, yet, no matter how hard it is for you, it is an act of mercy because you can achieve a far greater progress than in a long, calm time which lets you become indifferent and lazy and won't let you get closer to your last destination. Therefore await patiently the coming true of My predictions, do not expect an ending of the misery by My intervention but, rather, just a change of it because your souls are not ready yet for the thorough peace on this earth; you are to fight and gain a strong faith, only then I can take the misery away from you, only then you can experience a time of peace on earth or in the kingdom of the beyond. Yet, always bear in mind again My word is truth and I do not depart by one iota from what I proclaimed a long time ago and you will be your own witnesses, you will experience what I proclaim so that you can take a stand for My word before the world. For My last intervention shall be proof to those who did not believe My word so far, whom I still intend to win for Myself and to whom I obviously make Myself known by means of the natural happenings. So that they will believe in My might and in My working through you.

And thus I again proclaim to you: The day will come suddenly and unexpectedly. It will take the place of a severe earthly misery, yet again, it will bring a new misery in a different form. But if you believe that only love for you directs Me to let you go through suffering it will thus be bearable for you, for once the end will come and the redemption for all who believe in Me and dedicate themselves to Me, for all who profess their faith in Me before the world.

Amen

*Confirmation of the prophesies ....*

Do not let yourselves be swayed and even though the truth of My gospel from above is questioned, there won't any extended time pass by anymore where you will receive the confirmation of that which I continuously announce to you. Although people who are still attached to the world and its goods too much are hard to be persuaded to accept it but the happenings will touch them the more, for they have to give up everything and will be happy to be allowed to still keep their life. It is certainly a time of severe trials for all people who are hit by the natural disaster, but to all who sincerely turn to Me in faith my help will obviously be granted to them. Therefore, you ought to miss no opportunity to make your fellow man aware of that intervention of Mine which also stops a disastrous earthly happening from which it is clearly shown this need is not brought upon you by man, but that I decide Myself as to how much affliction every individual one has to take upon oneself that, it's true, won't be less grievous but is to be regarded as the action of a higher Power, against which no person can fight with one's own strength.

And you people will now have to decide whether you want to acknowledge such a Power, or else, to still deny it. And this alone will certainly determine your further lot. (If denying this Power the opponent will then support you, to whom you will be enslaved completely.) Because that's when a power will then support you, to whom you will be totally enslaved. You will act ruthlessly on your neighbors and you will at the expense of those again obtain that what you need in order to continue the old life style. And his hand (power) won't let go of you anymore. But whoever is strong in faith won't be deserted, I Myself, will give him the strength needed to stand because his love for his neighbors is obvious and, the way he gives, it will also be given to him, because there's nothing impossible for Me. And those will wonderfully experience My help and humbly submit to their position.

And the fact it will turn out this way is already specified in the Scripture and has been proclaimed by seers and prophets over and over. But there's nobody left any more who is able to stolidly believe to the point of full

and thorough commitment to it, and even the recipients of My word have moments where they feel slight doubts creeping up in them. Yet again and again My instructions are given to them to announce themselves to the fellow man, and they certainly carry out their work faithfully in My vineyard. For the one thing is certain to them, the time of the end has come and so they deem My intervention to be possible, especially when confirmed in the scripture as well; the coming of an earthquake so severe the world has never experienced it ....

And thus all the prophecies will come true because My word is truth and is bound to come true, just the day and the hour is not made known to you people. And that's why you're always postponing the event into the far away future without considering the future once to become presence as well and thus those people are affected who just happen to live at that time.

Let it be told to all of you: The time granted to you on earth is but short and do not doubt My word I guide down to earth for the sake of making you aware of the happenings laying ahead of you, because all of you would still have time to change if you sincerely wanted to. But also, you will irrevocably fall into the hands of the opponent and will, together with him, be put into bonds. You will again be forced to go through the earthly creation of which you cannot be warned enough, because it is a hard lot which you will again have to bear. But it cannot be avoided, for everything will again have to be re-cast into bondage of matter and the lawful order re-established for the sake of enabling the spiritual still bound in the form [of matter], once in the condition of the awareness of the self, to take the path of return to Me, which also demands a total re-arrangement of the surface of the earth.

Amen

*Proclamation of the end ....*

*'You only have but a little time left ....'*

Only a little time remains for you and you have to sincerely prepare for the day when an act of destruction will take place like it has not been experienced before. And even though I keep announcing this to you over and over you are opposing My word with doubts and are therefore lukewarm with your work of your soul. And you've got but little time left. But I cannot get your attention in another way than through My word; if you do not believe it you will be startled when the last signs will appear. It's true I will forewarn you once more a short time prior to it but to those words, too, you won't lend any more credence than to the previous announcements because My forbearance irritates you, because you cannot understand I tarry for the sake of the souls yet to be saved, even though the time has elapsed long ago. Some few are to be saved yet; to those I will spare the endless long walk of a re-embodiment [into matter] on the new earth and that's why I'm patient and tarry.

However, the last period of grace will come to an end, too; therefore take My words seriously that you've only got a little time left and you will regret every day you do not make proper use of for your soul. And, surprisingly quick, a change in the world events will take place and a few days will suffice to put you into a completely new situation. And that's when you ought to remember My words and to put the spiritual ahead of the earthly because the worries about the latter is irrelevant, since you cannot retain anything for yourselves that I do not want to retain for you and it is up to My will and might to physically protect and take care of you. Just think about your soul, wherever the need is provided to you be helpful and willing to give and get into intimate contact with Me in order to receive the strength to hold out and to do justice to all requirements of life. Receive continuous strength from My word for in it you've got a source of strength by which you can refresh yourselves and that will never run dry. Always be ready for Me and I will not leave you no matter what may come your way.

Amen

*'Draw strength from My Word ....'*

*Prediction ....*

You should all draw strength from this Word of Mine. Consider that I Am coming down to you Myself in order to grant you support in your battle of life .... realise the fact that I will not leave My Own without comfort and strength if they are in need of it. Don't be content with only using My strength once, but want it all the time and it will flow to you in abundance. And thus I want to inform you yet again that you will be in desperate need of this strength, because the hour is not far-off which will deprive you of all sense of security, the hour which should bring you close to Me if only you would think of Me in your adversity. Then you will definitely raise your hands to Me in prayer and appeal for My help, and it will be granted to those who respond to My call, which you can only perceive in your heart. You will feel My presence, you will realise the gravity of the situation you are in, and that will make you take refuge in Me.

Remain faithfully devoted to Me in this adversity and it will pass you by. And draw strength and comfort from this Word of Mine in advance .... Accept Me in your hearts beforehand, lessen your resistance to Me by consciously handing your will over to Me, and don't doubt but believe, for this faith will keep the immense adversity at bay even if you are in the midst of the event. For the sake of the world My omnipotence has to be clearly recognisable to everyone, for the sake of the world this major event will come upon you, revealing to you My will and My omnipotence. And its effect can only be eased with those who believe and trustingly confide their hardship in Me, for My will controls life and death, and My will lets people suffer if it is necessary or spares them if they hand themselves over to Me.

And My will shall also shape happenings such that events shall only mildly affect My Own who are loyally devoted to Me. For it has to befall humankind in order to lead them back to Me, as far as it is still possible and the souls are not yet entirely hardened and deluded. I Am concerned about these souls and therefore use the last means, which appears to be cruel and yet offers the only prospect for their salvation. In order to make this hour bearable for My Own I give them comfort and strength through My Word

in advance. Anyone who allows himself to be influenced by it will not fear the occasion. He knows about My love and care and puts his complete trust in Me .... he will not anxiously await the day but be fully confident of being led through all horrors. For I know My Own and My Own know Me ....

Amen

## Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
